21 Years of Service

In the 21 years since its founding, on June 16th, 1903, the Ford Motor Company has contributed largely to the motorizing of modern life. Ten million Ford cars have quickened the pace of business, have brought convenience to day-by-day travel and healthful enjoyment to the American family. Economical manufacture on a large scale makes personal transportation available to all.

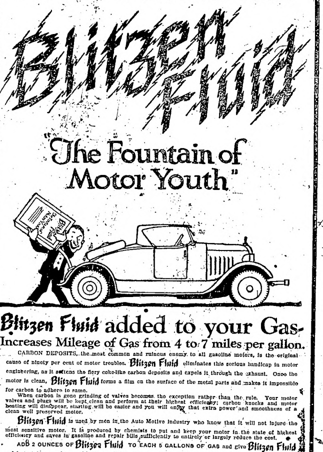
THE UNIVERSAL CAR

Treat Your Gasoline With



Blitzen Fluid
"The Fountain of Motor Youth"

Blitzen Fluid added to your Gas-

Increases Mileage of Gas from 4 to 7 miles per gallon.

CARBON DEPOSITS, the most common and ruinous enemy to all gasoline motors, is the original cause of ninety per cent of motor troubles. Blitzen Fluid eliminates this serious handicap in motor engineering, as it softens the fiery coke-like carbon deposits and expels it through the exhaust. Once the motor is clean, Blitzen Fluid forms a film on the surface of the metal parts and makes it impossible for carbon to adhere to same.

When carbon is gone grinding of valves becomes the exception rather than the rule. Your motor valves and plugs will be kept clean and perform at their highest efficiency; carbon knocks and motor heating will disappear, starting will be easier and you will enjoy that extra power and smoothness of a clean well preserved motor.

Blitzen Fluid is used by men in the Auto Motive industry who know that it will not injure the most sensitive motor. It is produced by chemists to put and keep your motor in the state of highest efficiency and saves in gasoline and repair bills sufficiently to entirely or largely reduce the cost.

ADD 2 OUNCES OF Blitzen Fluid TO EACH 5 GALLONS OF GAS and give Blitzen Fluid a fair test in accordance with the condition of your motor. Notice the difference.

In your community Blitzen Fluid "The Fountain of Motor Youth" is sold at Pyramid pumps and service stations.

Dr. Twete Reports Dairies In Satisfactory Condition

The report of the dairy inspector, Dr. L. R. Twete, for the month of June as filed with the city clerk, shows that 38 samples of milk being supplied to the city were tested for butterfat and all passed successfully but two, while of the ten samples of cream tested all came up to requirements.

In the sediment tests 28 were classed as clean, 9 fair, 1 poor and none dirty. Forty five cows in seven herds were tested for T. B. and two of them were condemned and killed, thus affording added protection to the milk users of the city and vicinity. Five dairies were inspected and all were found satisfactory, there being 99 cows furnishing milk in these dairies.

The butterfat percentage required by the city ordinance is 3.25 and all nine dairymen were well above the mark, running from 3.50 up to 4.42, with Conklin and Copp leading the list with a showing of 4 per cent or better.

The inspector is insisting that all of the dairymen pack their milk in ice for delivery purposes during the summer, and any reports reaching his office regarding sour milk and cream are given prompt attention in order to rectify the trouble.

Former Resident Visits Friends

Emil Pladsen for a number of years a resident of this city until 10 years ago and now of Madison, Wis., spent the week end visiting with friends here and making arrangements for a concert by the violin artist, Nils Rein of Madison, for whom he is advance agent. He went from here to other points in this section to arrange the concert tour. Mr. Pladsen was engaged in the real estate business and as an auctioneer together with Chas. Evenson during his residence here. Since coming to Wisconsin he has been active in Farmer-Labor politics, having been state secretary for the Nonpartisan League.

Flattum's Beets Hard to Beat

Alfred Flattum, farmer near the city, reports having a sugar beet field with a stand reaching 108 per cent, which is believed to be a record for this locality. If anyone else can beat that The Times would like to know about it. Beets are growing by leaps and bounds after the fine rains of more than .6 inch the first part of the week, Flattum stating that he has some about four inches in diameter. The growing weather has been ideal so far and a record tonnage is expected.

Shoots Too Many Chickens

Sever Skattum of St. Hilaire last Thursday paid a fine of $10 and $3 costs for having shot more chickens last fall than allowed by law. Complaint was made by Game Warden Wm. Munch who brought Mr. Skattum before Judge N. W. Tarrant in municipal court, where he pleaded guilty and paid the assessment. A large number of hunters will be unable to secure license this year on account of having neglected to report to the state department last year.

Fine Display Window

A particularly attractive display window has been prepared this week by Olaf Neset, jeweler, aided by Roy M. Prytz in making the artistic designs. Windows dressed up in such manner give the business places of the city a live appearance.

Auditor on Trip

County Auditor T. P. Anderson and family, accompanied by the former's brother, Knut, of Roseau, left today for the twin cities and Astoria, S. D., to visit Mr. and Mrs. Glen Anderson in Minneapolis and Mr. Anderson's aunt at Astoria. They are making the trip by car and expect to be gone a week.

Here From Illinois

Dr. and Mrs. P. M. Dale of Granite City, Ill., arrived last week Wednesday, accompanied by Mrs. Dale's sister, Miss Myrtle Satre, to spend three weeks as guests at the home of Mrs. Dale's parents, Mr. and Mrs. F. T. Satre, residing south of this city. They came directly from Eau Claire, making 420 miles in one day in their Marmon car. Miss Satre is training for nurse in a Chicago hospital and has one year left. On their arrival they stated that Minnesota crops are as far advanced as those of Illinois.

GOODRIDGE

Goodridge 12; Moylan 9

The first ball game of the season to be played on the local grounds was played Sunday, when Goodridge locked horns with Moylan, the game ending with the score 12 to 9 in the local's favor. Both sides played a fast game all the way thru. The lineup follows:

Goodridge—Frank Race, c; A. Wilkens, cf; L. Urdahl, lf; P. O. Tvedt, 3b; H. Halvorson, 1b; Joe Christianson, 2b; Jerry Race, p; R. H. McDonald, ss.

Moylan—H. Bjorken, c; E. Blaine, lf; H. Becker, 1b; P. Holte, 3b; A. Bjerken, cf; M. Overby, p; G. Gunderson, ss; W. Bjorken, rf; C. Grovom, 2b.

The features of the game were the pitching of Jerry Race who had the Moylan batters guessing all the time and the fielding of A. Wilkens. Frank (Grandpa) Race did excellent work behind the bat and also with the bat.

B. E. Dahlquist of Thief River Falls was a business visitor in this village Saturday.

Mr. and Mrs. Geo. Suckstorff of Thief River Falls and Mr. and Mrs. Theo. Gilbertson and daughters Thelma, Guida and Emma, motored to Red Lake Agency and Redby Sunday.

Frank Davis and family of Plummer visited at the Thos. H. Smith home at Mavie Sunday.

Mr. and Mrs. Willard Stone and Mr. and Mrs. A. Anderson stopped at the J. P. Jensen home here, Sunday enroute to the latter's home in Thief River Falls from Red Lake.

Gustaf Freitag, wife and daughters of Thief River Falls motored to Grygla Wednesday to visit with his brother, Fred.

Mrs. Agnes Warring who previously has been employed by Dr. Adkins at Grygla, passed thru here Wednesday enroute to Thief River Falls.

Mrs. Ella Roberts began work in *the hospital at Grygla last Monday.*

Mrs. J. P. Ferdinandsen was a business visitor in Grygla Wednesday.

Mrs. A. Halvorson, Mrs. G. Gunderson, Miss Hazel Aarness and Gordon and Irene Halvorson attended the ladies aid held at the Elmer Bly farm southwest of Goodridge.

Albert Lonson and J. W. LaBree stopped in town enroute to Thief River Falls after attending the Knute Berg auction sale north of Goodridge.

R. S. Dahlen and son, Stanton, and E. Mobraaten of Thief River Falls were business visitors in this village Saturday.

Hans Thorson of Grygla was a business visitor in this village Friday.

H. Christianson and wife motored to Greenbush Sunday to visit, returning Monday.

Many people are picking strawberries. They are bountiful this year.

Jay Payne, Geo. Josephson and V. C. McLeod motored to Red Lake where they spent Sunday fishing.

Mr. and Mrs. A. B. Josephson and children motored to Thief River Falls Saturday evening to where they took C. J. Maxine and family who left for their home at Jamestown, N. D.

J. P. Jensen and wife motored to Thief River Falls Saturday evening where Mr. Jensen had business to attend to.

R. H. McDonald and Joseph Christianson motored to Crookston Sunday morning and returned in the afternoon with Miss Mildred Argall.

A picnic was held at the Ole Tharaldson farm Sunday. Many people attended from the surrounding country.

J. A. Sundquist, wife and sons George and Leslie motored to Thief River Falls Sunday.

A family reunion was held Sunday at the home of Mr. and Mrs. Joe Hruby of Mavie. A large dinner was served and a very enjoyable day was had by all. The following sons and daughters and families attended: Mrs. Ernest Smith of Borup, Minn., Bohimel Hruby of Erie and the following of Mavie: James Hruby, Jerry Hruby, Ludvig Hruby, Mrs. Albert Ptachek and Mrs. Joe Ptachek.

M. G. Thorson and family and Joseph Gangness and family motored to Red Lake Sunday where they had a very enjoyable picnic.

B. Holst of Boone, Iowa, and E. A. Wedge of Thief River Falls were business visitors in this village Saturday, looking over some land which they have in this vicinity.

Charley Thompson and daughter, Ruby motored to Aspelin last Sunday where Ruby is planning to teach school the next term. George Thompson, Charley's brother, returned with them.

Mr. and Mrs. Geo. Johnson and son were Thief River Falls visitors Saturday evening.

Knute Hegtvedt left Tuesday morning for Weever, N. D., where he will visit his uncle.

Sever Lysabakken was a Thief River Falls visitor Tuesday.

Everett Seavey, Lawrence Seavey and Andrew Kusmack left Tuesday in search of work. They went to South Dakota and probably further.

A surprise party was held at the A. S. Gaudland home in honor of Mrs. Gaudland, as they are intending to leave Wednesday to make their future home in Shelley. The following ladies were guests: Mesdames M. G. Thorson, H. Thorson, Casper Iverson, G. C. Gulrud, A. Halvorson, M. Olson, Carl Edseth, J. A. Sundquist, Geo. Johnson, G. Gunderson, Theo. Gilbertson, Joe McCabe, S. Anderson, Ole Kirklie, Gunder Erickson and Misses Anna Nystul and Lena Reason. The evening was spent at games and visiting. A splendid lunch was served and before leaving they presented the honored lady with a purse of money.

M. O. Seavey left Monday evening for Austin where he will have charge of an independent oil station.

Burton Aarness was an Oklee visitor over Monday evening.

W. C. Sprague of Madelia, was a business visitor in this village Monday.

The weed-burner, an invention of H. W. Protzeller, has made two trips to this village burning the weeds as it goes. Mr. Protzeller controls it himself with the assistance of a few men.

Thomas Vollom of Erskine was a business visitor in this village Tuesday. He is superintending the building of the new central office.

Goodridge Lutheran Church

V. O. Aaker, Pastor

Sunday, July 27 divine worship Bethania at 11 a. m. Erie at 2:30 and Goodridge at 8 p. m. Rev. H. O. Svare of Belgrade will conduct these services.

If bobbed hair has served no other purpose, it has relieved a long suffering public from many stale prohibition jokes.

LEGAL NOTICES

June 26-July 31

MORTGAGE FORECLOSURE NOTICE

Default having been made in the payment in the sum of Two Hundred Thirty and 94-100 Dollars, which is claimed to be due at the date of this notice upon a certain mortgage, duly executed and delivered by Philip A. VonWald and Belle VonWald, his wife, mortgagors, to Olava Anderson, mortgagee, bearing the date of the 8th day of January, 1916 and with a power of sale therein contained, duly recorded in the office of the Register of Deeds in and for the county of Pennington and State of Minnesota, on the 10th day of January, 1916, at 11 o'clock A. M. in Book 13 of mortgages on page 105, and no action or proceeding have been instituted, at law or otherwise, to recover the debt secured by said mortgage or any part thereof.

NOW, THEREFORE, NOTICE IS HEREBY GIVEN, That by virtue of the power of sale contained in said mortgage, and pursuant to the statute in such case made and provided, the said mortgage will be foreclosed by a sale of the premises described in and conveyed by said mortgage, viz:

Lots numbered Four (4), Five (5), Six (6), Seven (7), Eight (8), Nine (9), Ten (10), Eleven (11), and twelve (12) in Block twenty-six (26) of Porter's Addition to the city of Thief River Falls, in the county of Pennington and state of Minnesota. Which sale will be made by the sheriff of said Pennington County at the main front door of the Court House in the City of Thief River Falls, in said county and state on the 9th day of August, 1924, at 10 o'clock A. M., of that day, at public vendue to the highest bidder for cash to pay said debt of $230.94 and interest, and the taxes, if any, on said premises and Twenty-five Dollars ($25.00) attorney's fees as stipulated [illegible]

Dated June 18, 1924.

OLAVA ANDERSON, Mortgagee.

H. O. CHOMMIE, Attorney for Mortgagee, Thief River Falls, Minn.

(July 17-Aug. 21)

NOTICE OF MORTGAGE FORECLOSURE SALE.

Korstad and Hannah Korstad, his wife, of Pennington County, Minnesota, as mortgagors, to the Farmers and Peoples State Bank of Thief River Falls, Minnesota, a Minnesota corporation, as mortgagee, [illegible]

[illegible]

(July 17-Aug. 21)

NOTICE OF MORTGAGE FORECLOSURE SALE.

Whereas, default has been made in the conditions of a certain Indenture of Mortgage, made, executed and delivered by Anton Knudson and Ada Knudson, his wife, of Pennington County, Minnesota, as mortgagors, to the Citizens State Bank of Thief River Falls, a Minnesota corporation, as mortgagee, upon and covering the following described real property lying and being in the Counties of Pennington and Marshall, and State of Minnesota, to-wit:

The Southeast Quarter (SE¼) of Section Ten (10); Northwest Quarter of the Northwest Quarter (NW¼ NW¼) of Section Fourteen (14); Northeast Quarter of Northeast Quarter (NE¼ NE¼) of Section Fifteen (15); South Half of the Northwest Quarter (S½ NW¼) and the Northwest Quarter of the Northwest Quarter (NW¼ NW¼) of Section Eleven (11), all in Township One Hundred Fifty-four (154) North of Range Thirty-nine (39) West of the Fifth Principal Meridian, containing Three Hundred Sixty (360) acres, more or less, according to the Government survey thereof, which said mortgage bears date the First (1st) day of December, A. D., 1919, and was filed for record in the office of the Register of Deeds in and for said Pennington County, in the State of Minnesota, on the Twenty-second (22nd) day of December, A. D. 1919, at 4:00 o'clock P. M., and was duly recorded in Book 12 of Mortgages, on page 534, and was also filed for record in the office of the Register of Deeds in and for said Marshall County, in the State of Minnesota, on the Ninth (9th) day of January, A. D. 1920, at 2:00 o'clock P. M., and was duly recorded in Book 93 of Mortgages, on page 551, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by two assignments dated the Eighth (8th) day of July, A. D. 1920, one filed for record in said Register of Deeds office of Pennington County, on the Twenty-first (21st) day of September, A. D. 1920, [illegible]

[illegible]

(July 17-Aug. 21)

NOTICE OF MORTGAGE FORECLOSURE SALE.

WHEREAS, default has been made in the conditions of a certain Indenture of Mortgage, made, executed and delivered by E. P. Heggeaturen, a widower, of Pennington County, Minnesota, as mortgagor, to the Citizens State Bank of Thief River Falls, Minnesota, a Minnesota corporation, as mortgagee, upon and covering the following described real property, lying and being in the County of Pennington and State of Minnesota, to-wit:

The Southeast Quarter (SE¼) of Section Eight (8), in Township One Hundred Fifty-three (153) North, of Range Forty (40) West of the 5th Principal Meridian, containing One Hundred Sixty (160) acres, more or less, according to the Government survey thereof, which said mortgage bears date the First (1st) day of December, A. D. 1919, and was filed for record in the office of the Register of Deeds, in and for said County of Pennington, in the State of Minnesota, on the Eighth (8th) day of December, A. D. 1919, at 1:00 o'clock P. M., and was duly recorded in Book 12 of Mortgages, on page 530, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by assignment dated the Seventeenth (17th) day of June, A. D. 1920, and filed for record in said Register of Deeds office on the Fifteenth (15th) day of July, A. D. 1920, at 1:00 o'clock P. M., and was duly recorded in Book 63 of Mortgages, on page 221, and

WHEREAS, said default consists in the failure of said mortgagor to pay an installment of interest due December First (1st), 1923, and failure to pay taxes, and

WHEREAS, by reason of the default made as aforesaid The Minnesota Mutual Life Insurance Company, as authorized by said mortgage and the notes thereby secured, has declared and does hereby declare the whole of said principal and accrued interest thereon to be immediately due and payable, and

WHEREAS, there is claimed to be due upon said mortgage and the notes thereby secured at the date of this notice the sum of Eight Thousand Seven Hundred Ten and 79-100 ($8,710.79) Dollars, being Eight Thousand ($8,000.00) Dollars principal and Seven Hundred Ten and 79-100 ($710.79) Dollars interest, and no action or proceedings at law or otherwise have been instituted to recover the debt or any part thereof,

NOW, THEREFORE, notice is hereby given that in and pursuant to the power of sale said mortgage contains, and the statute in such cases made and provided, the said mortgage will be foreclosed and the real property therein described will be sold by the Sheriff of said County of Pennington, in the State of Minnesota, or by his Deputy, at public auction to the highest bidder therefor for cash, at the East front door of the Pennington County, Minnesota, Court House, in the City of Thief River Falls, and in said County of Pennington, on Saturday, the Thirtieth (30th) day of August, A. D. 1924, at 10:30 o'clock in the forenoon of that day, to pay the amount which will then be due upon said mortgage, including taxes if any, and the costs and expenses of this foreclosure, also including an Attorney's fee of One Hundred ($100.00) Dollars, as stipulated in said mortgage to be paid in case of foreclosure thereof.

Dated July 1st, 1924.

IN BANKRUPTCY

In the District Court of the United States for the District of Minnesota, Sixth Division.

In the Matter of Martin Kotrba, Bankrupt.

To the Creditors of Martin Kotrba, of Erie, in the County of Pennington, in Said District, Bankrupt:

Notice is hereby given that on the 22nd day of July, A. D., 1924, the above named Martin Kotrba was duly adjudicated a bankrupt and that the first meeting of his creditors will be held at the office of the undersigned referee in bankruptcy, in the City of Crookston, in the County of Polk, in said district, on the 1st day of August, A. D. 1924, at 10 o'clock in the forenoon, at which time said creditors may attend, prove claims, examine the bankrupt, appoint a trustee and transact such other business as may properly come before said meeting.

Dated July 22nd, 1924.

OLE J. VAULE, Referee in Bankruptcy.

MINN HISTORICAL SOCIETY

PENNINGTON COUNTY HAS 49 MOTOR TAX DELINQUENTS IN 1924

Many Have Failed to Report Transfer or Removal from State—Eklund Gets List

Clerk of Court Adolf Eklund has received from Secretary of State Mike Holm the list of motor vehicles registered from Pennington county during 1923 which have not been registered in 1924 or otherwise accounted for as provided by law. There are 49 names on the list and following each name is given the address, description of the car, license number in 1923, amount of tax due and amount of penalty accrued on the same; the latter of which is $15.00 in each case.

The law provides that when a car is sold from one party to another the transfer must be registered with the secretary of state within three days thereafter. It also states that when a car is removed from this state or is dismantled so as to be no longer serviceable the secretary of state must be notified so that the proper notations may be made on the records. Otherwise the owner is liable for the tax the following year.

Clerk Eklund believes that in most instances where the 1924 tax on a car has not been paid and the owner is therefore named on the list received here, there is some mistake in connection with the proceedings. Either the car has been sold and the transfer not reported or it has been removed from the state or junked and the secretary of state has not been notified.

According to the law the clerk must now issue tax warrants against those named on the list and these will be *turned over to the sheriff to serve on* July 30. The person named has 15 days in which to file an answer after which, if the failure to pay the 1924 tax is not properly explained judgment will be entered. Delinquents have also been notified of their negligence by the secretary of state's office.

The following is the list of those named on the papers sent here, together with their addresses and the kind of car on which the tax is said to be delinquent. The list is published so that in cases where there is some mistake in connection with the alleged delinquency(and it is believed that the majority will fall under this head) the person named may go immediately to the clerk of court's office in the court house here and have the matter straightened out.

Red Lake River Unusually Low This Year—Payment On Dam Made this Week

Altho the water in the Red Lake river at this point is lower at present than for several years, members of the city council believe they have acted wisely in going ahead with the purchase of the power dam and adjacent property owned for several years by the Kretzschmar-Schreiter company, and at the regular meeting of the council Tuesday night told the city attorney to carefully inspect the abstract and deed conveying the property to the city. If this is found to be all right the papers will be signed this week and the $20,000 cash payment turned over to the former owners, together with city warrants for the balance.

However, W. A. Schreiter informed the council Tuesday night that the four lots on the west side of LaBree avenue across the street from the flour mill which the city thought was part of the deal were not included, these having been leased to the Hanson & Barzen company by Mrs. Kretzschmar. The rear 20 feet of the first four lots immediately south of the Great Northern bridge on the east side of LaBree avenue also was not included in the exchange of land, but the city will be given an easement thereon.

This will permit the city at some future time to build a retaining wall about ten feet in from the present water line of the river, affording protection to the city, and at the same time enhancing the value of the private property. The concrete wall which will probably be built will go down to the bed rock below the water level and rise about two feet above high water mark. It will not be built in all probability until the city feels it can rebuild the dam, and the easement will then permit the city to cross this 20 foot strip of land in building the wall.

Ole Legvold, superintendent of water and light, told the council Tuesday evening that the low water had forced the city to generate 38,250 kilowatts at the electric light station so far this month, while only 9,384 had been generated at the dam.

Rev. Albin A. Larson leaves today for Moorhead to attend a ministerial conference.

Teachers Examinations to Be Held in City Next Week

Examinations for first and second grade common school teachers certificates will be conducted at the Commercial rooms of Lincoln high school on July 28, 29 and 30, conducted by Miss Magdalen Thill, in the absence of Supt. O. R. Sande. At that time prospective teachers who have not been granted certificates will have a chance of earning enough credits to get their certificates or renewals.

Following is the schedule:

Monday, July 28

A. M.—
8:30 to 8:45 Enrollment.
8:45 to 9:15 Spelling.
9:15 to 10:00 Penmanship.
10:00 to 12:00 Arithmetic.
P. M.—
1:00 to 2:45 Geography.
2:45 to 4:15 Composition.
4:15 to 5:45 Reading.

Tuesday, July 29

A. M.—
8:00 to 9:45 U. S. History.
9:45 to 11:30 English Grammar.
11:30 to 12:00 Music.
P. M.—
1:00 to 2:45 Physiology-Hygiene.
2:45 to 4:30 Civics.
4:30 to 5:30 Drawing.

Wednesday, July 30

A. M.—
8:30 to 10:15 Geometry.
10:15 to 12:00 Physics.
P. M.—
1:00 to 2:45 Algebra.
2:45 to 4:15 Physical Geography or General History.
4:15 to 5:45 Agriculture.

TUBERCULOSIS EXPERTS NAME DR. GUYER HEAD

(Continued from page 1.)

showed the remarkable progress made in the last few years. Dr. Robinson Bosworth, executive secretary of the advisory commission and director of policies in the operation of sanatoriums in the state, declared that it is now a conceded fact that Minnesota now has the finest system of controlling tuberculosis of any state in the union. This is accomplished thru the district sanatoriums maintained by groups of counties. Dr. Bosworth, who is one of the leading authorities in sanatorium work in the country, urged that people become familiar with tuberculosis work and give it their support.

To Organize Health Ass'n

Dr. Myerding, field secretary of the Minnesota Public Health association and school physician in St. Paul, spoke about the sale of Christmas seals which provides funds for field work. An effort will be made to organize a Pennington county unit of the association, this being one of the few counties in the state without an organization in charge of seal sales. Dr. H. W. Froehlich, president of the Commercial club, also spoke in behalf of the club, and Dr. N. N. Watson extended thanks to the organization for the entertainment provided.

Vocal solos by Mrs. O. F. Mellby and piano selections by Mrs. L. C. Pope added much to the enjoyment of the evening, the generous applause accorded both being evidence of their ability.

Oakland Park Praised

The Oakland Park sanatorium located near the city was declared by the speakers to be one of the finest in the state, Dr. Milan, former director, and Dr. B. C. Bernard, his successor, being highly commended for their accomplishments.

It was pointed out that newspaper publicity is one of the strong factors in combatting tuberculosis, the public in this way becoming familiar with the work and the necessity of receiving treatment in the early stages.

The following resolution, submitted by a committee composed of P. A. Walling, Dr. Guyer and L. Schurhammer, was passed by the association at the banquet in the evening:

To the Officers and Members of the Minnesota Sanatorium Association:

We, your committee on Resolutions, desire to submit the following:

Resolved, First, That the thanks of the Minnesota Sanatorium Association are due to the local officers and committee for the splendid entertainment so ably planned and carried out for the meeting at the sanatorium and particularly to Dr. Bernard and his corps of assistants for their careful attention to our wants and comforts.

Second, We will long remember with pleasure the excellent banquet and delightful meeting given by the Commercial club of Thief River Falls in our honor and give our pledge that their efforts have not been in vain and valuable results shall accrue therefrom.

Third, That we extend our heartiest thanks to the Minnesota Federation of Woman's clubs for their offer to assist in the eradication of tuberculosis from our state and accept any such assistance as the federation may find possible to aid in this commendable cause.

Like Tourist Park.

Mr. and Mrs. B. Holst of Boone, Iowa, were visitors at the tourist park here the latter part of the week, on their return from a trip thru Glacier and Yellowstone national parks and other places of interest. They stated that they found roads generally in good condition, but nowhere to compare with Minnesota. The marking system used here was also highly commended. "Of all the tourist camps we have visited on our trip we saw none that were better than the one here," declared Mr. Holst to a Times representative Saturday evening. "The thing that is particularly striking in the way of accomodation is the woodpile, the tourists being obliged to hunt their own campfire fuel in most other places."

Mr. Holst's father owns 2,500 acres of land in the vicinity of Thief River Falls and while in the city Mr. Holst visited a number of the farms. He was very enthusiastic about the crop outlook in this section this year.

Returns from Vacation.

M. A. Mattison of The Tribune and family returned Sunday from a ten-day trip thru the state to Luverne, Slayton, Worthington and other points in the southwestern part of the state, visiting Mr. Mattison's folks near Dundee. "Matt" says he found vacationing very agreeable. "The Red River valley looks wonderful", he declared after having driven thru that section on the return. "The south-central part of the state also looks the best ever, with indications of a fine crop." However, he found no place where crops are growing more luxuriantly than right here in Pennington county.

WARREN GAME ENDS IN DISPUTE; LOCALS CLAIMING VICTORY

Contest Sunday Ends in 8th Inning With Warren Leading But Refuse to Finish

The Thief River Falls aggregation claims another victory in Sunday's game when they played the Warren nine on their diamond. Warren threw up their mitts in the eighth inning with the score standing at 6-5 in their favor when members of their team disputed the umpire in a decision on second base.

The game started with strong playing by both teams. Gulrud and McGinn put up a stiff battery and held Warren down to one run, made in the first inning, until the sixth inning when the Warren team made three runs, due mostly to infield errors. The local team made two runs in the first inning and three in the third. In the eighth inning, with the score at 6-5 in favor of Warren, Olson made first. Anderson sacrificed Olson to second and made first on a low bunt. The impire held both players safe and members of the Warren aggregation refused to accept the umpire's decision. The game then unceremoniously came to an exciting close with the score at 6-5 in Warren's favor, two men of the local team on bases and no men out, Tandberg next to bat. The local team claims the victory by forfeit on the part of Warren. Following is the box score:

Noted Violinist Appears In Concert Here Friday

A violinist of marvelous talent will appear in a concert at the Sons of Norway hall tomorrow, Friday evening, starting at 8:15 o'clock, under the auspices of the Brage Chorus. He is Nils Rein of Madison, Wis., said to be one of the best musicians of the present day. Mr. Rein's interpretation of the classics is termed remarkable altho he is called the commoner of music thru his appeal to the general run of public. In his lighter numbers he is said to carry his audience into heights of ecstasy, making them forgetful of their surroundings.

Mr. Rein was born near Hendrum, Norman county, 32 years ago, and has studied in Madison, Chicago, New York and Paris.

Following are some recent press comments:

Capital Times, Madison—"Of such stuff as dreams are made was the concert of Nils Rein, violinist at the Christ Presbyterian church last night. The entire program was a composite blending of the fantasy of a Norse dreamer and the dramatic imagination of an artist, woven throughout with the tender passion of restless ambitious youth.

"From the pleading motif of the opening movement of 'Concerto' Mendelsohn, Opp. 64 to the last mellow note of his own version of 'Drink to Me only With Thine Eyes,' Mr. Rein held his audience breathlessly on his bow strings.

"Undoubtedly the best thing he did during the evening was his own composition "Halling."

"For the rest of the program Mr. Rein interpreted selections of enough variety to prove his mastery of technique, tonal perfection, and versatility."

Eau Claire, Wis., Reform—"The entire audience rose to its feet and wildly cheering remained standing until the artist responded with an encore."

Mr. Rein is a young man and has not yet become well known like some of the eminent artists, yet it is the belief of critics that within a very short time he will be in great demand and probably beyond the reach of communities of this size.

The concert begins at 8:15 o'clock, an announcement appearing elsewhere in this issue.

Blue Ribbon Club Meet

The Blue Ribbon boys and girls club will meet at the Commercial club rooms Saturday afternoon at 2 o'clock. As this meeting is of much importance, each member is requested to be present.

Satre At Conference Of Potato Co-op. Trustees—Prospects are Promising

F. T. Satre, Pennington county trustee of the new Minnesota Potato Growers' Exchange, attended a meeting of trustees in St. Paul July 11. The following comment on the conference was made in The Farmer, St. Paul:

"Only nine of the fifty-two trustees were missing at this conference. The day was spent in reviewing all of the affairs of the Exchange to date. The minutes, giving all of the proceedings of the State Board of Trustees, were read and unanimously approved. The contract made with the national sales agency was unanimously approved. The new offices of the Exchange were carefully inspected and commended. After a full day's meeting the trustees returned home apparently convinced that good progress has been made to date and that the affairs of the Exchange are in safe hands.

"The recent St. Paul meeting of the local trustees of the Minnesota Potato Growers' Exchange gave the first opportunity for the potato growers of the state to make contact with the state officials. A great many questions about the operation of the Exchange have naturally arisen, and most of these questions were brot out and answered at the recent meeting. Misstatements of facts and rumors broadcasted by the enemies of cooperative marketing were straightened out. All in all, it was a very successful meeting which should do much toward increasing the loyalty of the potato growers of the state who are venturing into the new idea of marketing the potato crop in a business-like way.

"Ralph Barker, of Kentucky, who is touring the state this week in the interests of the Minnesota Potato Growers Exchange, was the principal speaker at the St. Paul conference.

Legion Aids 80 Veterans in Application for Bonus

About 80 ex-service men or their dependents were assisted in filling out applications for adjusted compensation by a special committee of the Elmer J. Eklund post of the American Legion Monday and Tuesday nights, veterans from various points in Pennington county and also in Red Lake and Marshall counties, availing themselves of the Legion's offer to help in making out the blanks. An equal number of applications have been filled out by Auditor T. P. Anderson, at the court house.

The committee expects to schedule another bonus rally in the near future but in the meantime those who wish to make application for the adjusted service pay may do so at the office of the county auditor or D. R. Anderson, 210 Scandia block.

To Join Legionaires

A delegation of Great War Veterans of Canada are expected to join the local delegation on their trip to St. Cloud for the annual convention August 4, 5 and 6. Among them will be Col. R. H. Webb of the new Marleborough hotel.

Wants Boys and Girls To Get Fair Exhibits Ready; Purebred Sire is Offered

S. E. Hunt, in charge of the boys' and girls' exhibit at the county fair, has asked The Times to remind the young folks of the county of the necessity for beginning the preparation of their exhibit at once. It is particularly desired that the junior display be the best ever shown at a county fair in this section as it will be shown at one of the livestock barns under the most favorable conditions, giving it more prominence than in former years. This department has always been one of the most interesting at the fair and it is hoped that every boy and girl will make an effort to have it even better at this year's great event.

The members of the dairy calf club particularly are called upon to enter an exhibit. An impetus is given activity in this club by the Pennington County Holstein Breeders association, which has offered a purebred Holstein sire to the winner of first prize in the contest. Other prizes, including trips to the state fair, will also be awarded.

A stock judging contest is scheduled to take place at the fair grounds on the afternoon of the first day of the fair, Thursday, in which any boy or girl of the county may take part. Those who wish to enter this contest must register with the secretary, J. J. McCann, not later than next Thursday, July 31.

Locals Play Strandquist Here Tonight—Will Meet St. Hilaire Nine Sunday

Two more games will be played on the local diamond in the next few days. This evening Strandquist will play a return game with Thief River Falls, the game to be called at six o'clock. Strandquist has some good men in their lineup and a snappy game is expected. Sunday the locals meet St. Hilaire here at 3 o'clock. St. Hilaire has shown a good brand of baseball and Sunday's game is apt to be a close one.

SILVERTON YOUNG PEOPLES SOCIETY TO GIVE SOCIAL

Come to Silverton Sunday, August 3rd to Syvert Hanson's place, directly east of the Silverton church, to partake of a good dinner and lunch served by the Young Peoples Society. Refreshment stand containing "Rome grod," ice cream, etc Everyone welcome to spend the day with the Silvertons. 25-26c

Pennington County Fair Here Next Week

BANNER FAIR OF NORTHWESTERN MINNESOTA OPENS GATES WIDE ON THURSDAY MORNING. AUG 7

Amusement Features Will Be the Best Ever Assembled Here—17 Free Acts

MANY COMING TO HEAR SEN. MAGNUS JOHNSON

Exhibits In All Departments Will be Plentiful—Gorgeous Display of Fireworks

Just one week from today the Pennington fair will open its gates to the public. From now until that time everybody connected with the big exhibition will be doing some fast hustling to get everything ready and in smooth running order for the opening date, when thousands will stream into this city from all parts of northwestern Minnesota. Evidence is not lacking to prove that everything will be in tip-top shape on the morning of August 7.

The fair grounds and buildings are being gone over and all necessary repairs and alterations made, the buildings being repainted. Accommodations have been provided for a larger number of exhibits than ever before—and indications are that these accommodations will all be needed. According to present indications this year's fair will be the greatest agricultural and industrial exhibition ever attempted in this section of the state and if weather conditions are favorable the attendance is expected to break all records.

Many Unusual Attractions

On another page of today's issue of The Times will be found an advertisement giving in detail the list of attractions to be presented at the fair. A perusal of this advertisement should be sufficient to convince even the most skeptical that the local county fair this year will be in a class by itself. There will be something doing every minute of the three days, the attractions being so many and varied that it is dougtful if visitors can make the rounds in a single day.

Auto-Polo Races

The free attractions alone will keep people busy all afternoon. Seventeen free acts will be presented before the grand stand every afternoon and evening. Of these ten will be given by Hoaglan's Gigantic Hippodrome company, including complete games of auto polo, thrilling chariot races, three horse standing races, tandem races by thoroughbreds, push ball, kicking mule, eight horse elimination race, a two horse Roman standing race, the bucking Ford, and running races participated in by four American record holding horses. These acts alone excell anything that has ever been shown here

The fair board is issuing a call to townships and villages to stage a game of pony push ball, their own horses to be used. This novelty number will be presented in front of grand stand during the regular program and will be the first one of its kind here. Those wishing further particulars regarding this event should inquire of Secretary J. J. McCann.

Chicott's novelty troupe will present two separate and distinct acts of hoop rolling, slack wire walking, aerial stunts by trained dogs and juggling, providing plenty of thrills to the onlookers. Skillful manipulations of the trapeze bar will be executed by the Carlson sisters, aerialists, who will present two acts, including fascinating and difficult feats of flexible gymnastics.

The clowns of the entertainment are the Lester, Bell & Griffin comedians who appear in three distinct acts of laughing riots.

The midway attractions at the fair next week will be furnished by the C. F. Zieger United Shows, which contains 15 concessions, six shows, merry-go-round, ferris wheel, sea-plane and other amusement features for young and old. The shows are reported as meeting with satisfaction wherever presented being honorably conducted minus the undesireable features of carnivals. The usual carnivals have been tabooed thruout the state.

Magnus To Speak Saturday

One of the big drawing cards of the fair program this year will be the address by Hon. Magnus Johnson, Minnesota's dirt farmer senator, who has promised to speak here on Saturday afternoon at 2 o'clock. It is expected that thousands will crowd the fair grounds to hear this popular senator who is said to be able to make himself heard by everyone.

Many Livestock Entries

The livestock exhibits this year promise to be the best ever, nearly 150 head of cattle having been enter-

Continued on page 8.

CHILDREN GET FREE TICKETS

Distribution of 10,000 free tickets admitting children under high school age to the Pennington county fair on the first day, Thursday, Aug. 7, begins today, Secretary J. J. McCann distributing large numbers to merchants of this city and other towns of the territory, where they may in turn be obtained by the children. They are given away by the merchants or by Secretary McCann's office absolutely free of charge, and it is hoped that the entire lot will be used by boys and girls of Northwestern Minnesota who are anxious to attend this great exhibition and fun-fest. That there will be a multitude of youngsters at the fair the first day goes without saying.

Flags For Decorating City Being Bought by Merchants

Thief River Falls will be appropriatly decorated with flags for the fair following action by the Commercial club and the Eklund post of the American legion. At the legion meeting Thursday night the matter was left in the hands of a committee composed of Henry Froseth, Haaken Olson and Harold Provencher.

That this idea of obtaining permanent decorations is meeting with the approval of the business people of the city is indicated by the fact that 105 flags were sold Tuesday. Within a few days the committee hopes to have subscribers for 200 flags and the order will be placed immediately so as to have them here for installation prior to the fair, the installation to be done by a legion committee.

The flags, 4 x 6 feet, are to be mounted on a stout 10-foot staff which fit into wall brackets and project over the sidewalks at an angle, high enough so that they will cause no trouble. They are demountable and can be taken down and put up easily. The city will purchase 10 or 12 larger flags to be suspended diagonally across the streets at intersections.

Anyone wishing to buy the flag outfits, which are $4.50, should place their order at once with the Legion committee.

TRANSIENT TRIES TO KILL SELF BY SLASHING THROAT

Attempts to End Own Life With Razor—Despondent Because Of Ill Health

Theodore Thompson of Duluth, aged about 40, single, who registered at the Park Hotel Friday night, attempted suicide Sunday morning by cutting his throat with a razor. He is now at the Physician's hospital and is expected to recover.

Mr. Thompson had supposedly been suffering from stomach trouble and came to this city for treatment from the local healer, S. R. Kirby. Saturday he received a treatment and that evening retired apparently in fair spirits except that he mentioned some pain. Sunday afternoon about three o'clock noises were heard from the bath room and on going up, Carl Hillard, proprietor of the hotel, found him, in a much weakened state, trying to drink from a water pitcher, and with his throat cut open and the water running out of the gash in his neck. Dr. O. F. Mellby was summoned immediately, and the man removed to the Physicians' hospital where the wound was stitched up. On the floor of Mr. Thompson's room was found a razor, stained with blood, and a pool of plood on the floor, clotted and partly dried. Attending physicians believe him to have lain for many hours unconcious. His windpipe was completely severed and several arteries were cut. Barring infection, it is thot that he may live.

He gave no reason for the deed. Writing on a slip of paper, as he is unable to talk, he stated he had no family and that a sister in Norway is his only relative. He gave the address of a friend in Duluth to whom he wished word sent.

School Board Re-elected

The annual meeting and school election in St. Hilaire was a quiet affair, according to The Spectator. Rev. C. M. Grimsrud, N. A. Nelson and E. O. Burkee were re-elected as members of the school board without opposition.

GIFTED VIOLINIST PLEASES AUDIENCE

Nils Rein Makes Classics from Simple Melodies in Concert Friday Night

Nils Rein, violinist, who gave a concert of classical and folk selections at the Sons of Norway hall Friday night can rightly be termed a genius in his field. The interpretation of the simplest folk song to the most difficult classic showed more than ordinary talent. His expression was far beyond the average concert violinist.

In the first number, Concerto in E Minor, Mendelssohn, particularly the last movement, he showed remarkable ability in handling the most difficult of selections. The double stopping was unusually good. In Russian airs, Wieniawski, he displayed to good advantage his ability in expression. In the folk songs he lived each number as only an artist can and the interpretation of them seemed to bring out the result the original composer had written the song to accomplish.

As a composer Nils Rein ranks high. His "Fridtjofs Prayer," "Halling No. 2" and "Norse Fantasie" were more than well received, and in these he shows a creative ability as well as interpretive conception. Other numbers of the program were Minuet by Olaf Hendrickson, "Gubben Noah" and "Eg Ser Deg ut For Gluggen;" "Liden Ekorn," Kvelve; Hungarian Dance No. 2, Brahms; Polish Dance, Drake; and the encore number, "Saeter gjentens Sondag," Ole Bull, were all received with much and well deserved applause.

May Donate Radio Receiving Set to Sanatorium Patients

The W. C. T. U. of this city is now working on a plan to give to the Oakland Park Sanatorium, for the use of the patients, a radio receiving set. The method in which the money will be raised for the purchase of the instrument has not been ascertained but the movement is receiving the support of all the members of the organization and no doubt some means will be found for the appropriation of the necessary funds.

This is a commendable move on the part of the W. C. T. U. as the sanatorium is a place where the radio would be a means of bringing amusement to a group of people who find the hours only too long and cheerless. Reading matter is supplied to the patients and some music is provided but the addition of a radio receiving set will be welcomed by the patients as a new medium of pleasant diversion.

LAND VALUATIONS INCREASED IN ALL BUT 5 TOWNSHIPS

Assessment of City Property Being Completed by N. J. Anderson This Week

"As was stated in last week's issue of The Times the real estate assessments in Pennington county were found to be too low and quite uneven when reviewed by the county board of equalization consisting of the commissoners and county auditor.

The following is a list of the total valuations placed in each township by the respective assessors and the changes ordered by the county board. The assessments placed on lands were left unchanged in only five townships, the others being raised from five to 90 per cent, placing them at practically the same amount as two years ago when the real estate assessments were last made.

The board of equalization will convene again next Wednesday, Aug. 6, to take up personal property assessments of the county, and the real estate assessments in the city of Thief River Falls and the two villages, St. Hilaire and Goodridge.

The assessment rolls of the city will likely be turned over to the city council as the board of review by Assessor N. J. Anderson the latter part of this week or the first of next. He has been assisted in checking up real estate values of the city by T. L. Melgaard, after it was found by the board of review that some property values had to be raised in order to provide the necessary revenue.

Jefferson Highway Grocery Opened This Week

Another grocery store was added to the city this week when Mrs. J. Peelman, formerly of Streeter, Ill., and Fred Rockstad, opened a store on Main avenue at the location formerly occupied by the Jefferson Highway cafe. The new grocery will bear the name of Jefferson Highway Grocery and a complete stock of groceries, dried fruits, candies, and notions has been put in by the owners.

Mrs. Peelman is an experienced woman in the grocery business having operated a grocery at Streeter for some years.

W. J. Brown on Board of New Grain Marketing Co.

W. J. Brown of this city, who has again accepted the position as president of the American Wheat Growers Associated, is one of the directors of the new grain marketing organization, merger of five large grain companies. Other members of the directorate are leaders of various grain and farm organizations thruout the country.

Mr. Brown is at present also succeeding George Jewett as manager of the American Wheat Growers and attorney for the Minnsota association.

CROP PROSPECT BETTER THAN IN PREVIOUS YEARS

Timely Rains Have Done Wonders for Small Grains in Pennington Co.

RYE HARVEST WILL COMMENCE NEXT WEEK

Alfalfa and Clover Give Good Yields—Sugar Beet Crop Looks Best Ever

All small grains in Pennington county which were sown on well cultivated soil give promise of producing an exceptionally good yield this year. Occasional showers the past couple of weeks have freshened up the crops, conditions being ideal so far. With anything like a fair shake from now on until harvest time this will prove to be *a banner year for farmers of* this section.

Some Pennington farmers expect to start harvesting the rye crop next week and to judge from present appearances, it promises to make a record yield. The straw stands up well and in practically every case has long, well filled heads. The fields thruout this section look uniformly good.

Much Tame Hay

The tame hay crop is pretty well gathered and reports are that it is the best in years, particularly alfalfa and sweet clover. An increased acreage will make the total crop for the county considerably above former years.

Wheat is coming along at a bounding rate and promises large yields. The acreage in this community, however, has been reduced considerably to give way to more alfalfa, corn and other forage crops. It is predicted by men of experience that the quality this year will be very good, the cool weather allowing full maturity. No rust has been reported here as yet and the crop is now practically beyond danger from that source.

Oats, barley, flax and other grain crops are heading out in fine shape, giving every indication of large returns to the growers.

Corn Picking Up

Prospects are also bright for a heavy potato crop, and corn, which has been somewhat delayed by cool weather this season, has picked up wonderfully the past couple of weeks. "There will be plenty of fodder corn this year also," declares Peter Engelstad, pioneer Pennington farmer near the city.

Sugar beet fields here have never looked better than at this time, and exceptionally high yields are looked for by local growers. Many fields in the community are reported having a stand of 100 percent, the record so far being Alfred Flattum's field with 108 per cent stand.

Potatoes and sugar beets particularly have been benefited by the rains the past week, a total rainfall of .77 inch since Sunday being reported by L. M. Rayson, local observer.

That crops in Pennington county look as good and in many instances better than in other sections of the state is the testimony of many who have traveled thru the state.

Holt Resident Hangs Self on Way to Devils Lake, N.D.

Funeral services were held Thursday of last week for Marius Hoel of Holt, who was brought to his home there after having been found hanging under a railroad bridge near Devils Lake, N. D., the previous Friday night. It is believed that the man, who is a son of Mr. and Mrs. O. Hoel of Holt, committed suicide, but nothing has been discovered to indicate what caused the act. He was about 30 years of age.

"It takes just as much time to do nothing as it does to build a house, wash the automobile or mow the lawn.

Merchants of City are Community Boosters

The Thief River Falls Times has always been boosting Thief River Falls merchants, the home town business men. Why? Because Thief River Falls merchants stand by their home town at all times; at all times are willing to lend a helping hand in the support of every home enterprise and because they back every move that is for the best interest of Thief River Falls.

But we wonder if the citizens in and about the community realize the worth of the home town merchant—of the many things they do for the town and its people, and how much we, as a people, owe to them.

Back of every movement for good—for progress, development and uplift are the home town merchants, and usually only the home town merchants, while others, "pass the buck" except during beneficial showers.

Who contributes most to community welfare—to church, to school, to society, to civic movements, to charity and improvements? Usually, only, the home town merchants.

Who are the vital forces in every organization having to do with community life and improvement? Usually, only, the home town merchants.

Who are the first to work for needed improvements, for better streets—for a cleaner city, for city beautification—for the very things that make us proud of our home town? Usually only the home merchants.

Who are the first to combat the things that are injurious to our community—to society—to our industrial, commercial, financial and moral life? Usually, only, the home merchants.

Who digs into their pocketbooks deeper than the home town merchants to support community benefits? "Day by day, in every way," home town merchants are contributing of their time, their energy and money to make this community a bigger and better place in which to live.

It is proper and fitting then that we give more than a passing thought to the debt we owe the home town merchant and that we come to the realization that this debt canb e repaid by giving to them the trade of the community, a trade well earned and rightfully theirs.

The truth of the matter is, home-town merchants are selling goods at, or less, than prices elsewhere, and if we will be fair and include additional expenses incurred when trading away—we are bound to admit that it is cheaper to trade at home besides showing a spirit of reciprocity.

Keep Business Home

Spend your money elsewhere, and the merchants will be forced to go out of business and to seek a new location where more civic pride and community spirit exists. And you may be sure that no other business men will come in to take their place, as for nothing scares business away from a town as much as "for rent" signs on vacant store buildings.

We shall have more to say on this subject next week.

Froseth Opens Harness-Shoe Shop in St. Hilaire

A new business place has been added in St. Hilaire the past week, the Froseth Shoe and Harness shop of this city having started a similar establishment in that village.

The building formerly used by Ole Reiersgaard has been renovated and redecorated and the place opened for business Saturday, with Olaf Froseth in charge.

Mr. Froseth will carry a full line of shoes, harness and other leather goods and has installed complete machinery for repair work in those lines. Christ Gronlie has been engaged to take charge of the repairing part of the business.

The Spectator states that lack of such a business place in St. Hilaire has been felt for a long time, so that the new firm will no doubt be accorded a generous patronage.

FARMER FINED FOR CONDUCTING DANCE WITHOUT LICENSE

Marshall and Pennington Officials Visit Klockman Farm Near Germantown

One man is in the Marshall county jail and another is minus about $50 as a result of a visit to a barn dance in Grand Plain township near Germantown, Saturday night by Marshall and Pennington county sheriffs.

Carl Klockman, about 55 years old, Grand Plain farmer, paid a fine of $47.50 after he had plead guilty to conducting a barn dance on his farm without a permit from officers of his township as required by law at a hearing Monday afternoon before Oscar Pearson, justice of the peace. It was the first fine imposed in Marshall county under the new state dance law which requires that all public dances must have the permission of township officials and that the dance must be under the supervision of a deputy sheriff appointed by the county sheriff.

Pat Horton, about 23 years old, farm hand and transient, is in the Marshall county jail, awaiting a hearing which will be given him Aug. 11. He will be charged with the sale of liquor.

Deputy Sheriffs John P. Bordewich and Albert Stevens of Middle River and Sheriff Ole L. Ihle of Pennington county went to the Klockman farm Saturday night after the sheriff's office had been advised of the dance. According to members of the sheriff's office Klockman, who conducted several dances without a permit, has been warned that prosecution would follow if he did not get the necessary permission but paid no attention to the warnings. Horton was arrested at the dance after more than a dozen drinks had been purchased from him, according to Mr. Ihle. He was brot to Warren early Sunday morning and has been unable to raise his bail which was set at $400.

Horton is also accused of being implicated in a robbery near Kratka committed recently, according to Sheriff Ihle, altho no formal charge has been placed against him.

The Horton arrest is the fifth for alleged violation of liquor laws made by the Marshall county sheriff's office over the entire county within the last few weeks.

Unless operators of country dances live up to the provisions of the dancing law additional prosecutions may follow, according to W. O. Braggans, Marshall county attorney. Permits are easy to get if the dances are of the desirable kind hence there is no excuse for not getting the permits, he said:

Hansen to Denmark

Senator C. L. Hansen left by car Thursday for Minneapolis to spend a brief time with friends before leaving for Denmark, where he will spend an indefinite time with his mother. The ship on which he leaves sails August 5. Mr. Hansen intends to return after a ten weeks' stay in Europe.

PROSPECTS ARE BRIGHT FOR GETTING STATE CONVENTION OF LEGION HERE NEXT YEAR

Trovaton Named on State Farmer-Labor Committee

Thief River Falls is represented on the state Farmer-Labor committee named this week by candidates of that party, Andrew Trovaton, chairman of the Pennington county unit, being among the 46 members appointed so far. Four more will be added in a few days. Senator R. T. Buckler, Crookston farmer, is chairman of the committee, which also contains R. A. Neale, Crookston, Thomas Vollom, Erskine, and Arny Grundyson, Fisher.

As previously announced in The Times Mrs. J. M. Bishop of this city is a member of the state central committee of the Republican party. Both parties are making plans for an active campaign prior to the fall election.

N. W. Bell Officials Here

Officials of the N. W. Bell Telephone company paid the local exchange a visit when A. G. Storrs of Omaha, general superintendent of supplies, J. M. Skogmo of St. Cloud, district plant chief, H. C. Bailey, of Minneapolis, divisional supervisor of supplies spent Wednesday last week here on an inspection tour. Their report of the local plant was very favorable. Other towns in this section of the state are also being paid a visit by the trio of inspectors.

VISITORS TO RED LAKE ENTHUSIASTIC FOR RESORT ASS'N

Finest Place for Outing in Country, it is Declared by Hundreds of Campers

Interest in the Red Lake Resort Association is growing every day as more residents of this community and other parts of the valley visit the narrows where the association has leased a 163-acre strip of the finest beach to be found anywhere in the country.

A large number of Thief River Falls citizens have already joined the association and a number of memberships have been sent in from Hallock and Middle River and other valley towns are likely to join in the effort to make Red Lake the playground of this section of the state. Every week-end numerous tourists visit at the lake, mostly at the narrows and all are enthused over its natural resort facilities, which when developed by this organization will be nothing short of ideal. Efforts will be made to get a good road constructed direct to the lake, the present route being around by way of Thorhult. Altho not in the best of condition, this road is easily passable and the graveling of the ten-mile stretch on the east end will be completed this week.

It is planned by the incorporators to hold a meeting of those who have signed up for lots in the near future, for the purpose of selecting the respective lots and perfecting the organization, according to E. O. Mogensen, president. This matter may be taken up at the Commercial club meeting today.

Those who wish to secure a lot should make it a point to join the association at once. Memberships are $20 for outside lots and $10 for inside lots, all the money to be used for developing the resort.

With cottages built upon the lots and the usual resort facilities provided the narrows of Red Lake will without a doubt prove among the most popular in the state.

LOCAL PATRIARCHS ENJOY LAKE OUTING

Join Odd Fellows from Many Points on Lake of the Woods Island

Twelve local Odd Fellows joined members of other I. O. O. F. lodges thruout the state in an outing to Little Oak Island, 40 miles north of Warroad, where they spent Friday and Saturday as guests of the Kabecauning Encampment, No. 58, of Warroad. Several hundred took part in the festivities, including a large delegation from points in Canada. The local delegation left here by car together with lodge brothers from points south of this city, on Friday morning. Those from this city taking part were: A. G. Gabrielson, B. F. Umland, Anton Langseth, Bernhard Knudsen, Oscar Peterson, E. M. Bennes, Adolf Eklund, H. C. Jung, Alfred Bredeson, Alfred A. Anderson, Fred Dablow and Paul Midderigh.

The occasion of the event was the conferring of the three degrees of patriarchal Odd Fellowship on a large class of candidates. The degree work was carried out by a picked team from Minnesota under M. H. McDivitt, G. S., Messrs. Bennes, Umland and Gabrielson taking part in the ceremonies. While it was a district affair, comprising the encampments of Warroad, Thief River Falls, Kennedy and Red Lake Falls which make up district No. 12, it was attended by many from other parts of the state.

Tents were provided for sleeping quarters and fish was a popular part of the provisions. The boat trip to the island took about four hours.

Delegation of Business Men and Legion Post Leave For St. Cloud Saturday

CANADIAN VETERANS TO JOIN LOCAL DELEGATES

Ninth District Clown Band Will Assist in Arousing Enthusiasm For Thief River Falls

With the Elmer J. Eklund post and a strong committee of business men co-operating on the proposition, prospects for landing the 1925 state convention of the American Legion in Thief River Falls are looking decidedly promising. As a result of the rousing meeting last Thursday two committees representing the local post and the city as a whole, will form a delegation to the St. Cloud convention next week, determined to put the bid before Legionnaires of the state in such a manner that they will select this city as their convention place next year.

At a big meeting of the Eklund post last week, attended by a large delegation of business and professional men of the city, the post was assured of the hearty co-operation of the city, and a delegation headed by Mayor J. S. Arneson and Dr. H. W. Froehlich, president of the Commercial club, will accompany the legion delegates to St. Cloud. Other business men included in this committee are H. A. Brumund, L. R. Johnston, Andy Anderson and Herman Bischoff.

Post Picks Delegates

A strong group of post members were named as regular delegates to the convention. They are: Commander Oscar Smith, City Attorney H. O. Chommie, County Superintendent O. R. Sande, and Dr. A. W. Swedenburg, formerly with the Veteran's Bureau at Fargo. The following were chosen alternates: Henry Froseth, V. E. Polman, Verner Nelson and Francis Burns, who may also accompany the delegation.

Morlan H. Bishop, chairman of the state finance committee and member of the state executive committee, will also be an active worker to put the proposition across.

When these committees get into action there is little question but what they will succeed in getting the convention to this city.

The local post is backed up in its efforts by the entire Ninth district, the delegates of every post being instructed to boost for Thief River Falls, according to reports received here. A fifteen-piece clown band composed of musicians of this city and other towns in the district is being organized to accompany the delegation and will undoubtedly do much to create enthusiasm and help in boosting for Thief River Falls. So far no convention of Minnesota Legionnaires has been held in this section of the state and it will be brought out at the convention that it would be a matter of fairness to select this city for the 1925 gathering. The other strong bidder is Hibbing.

The local representatives will also be given valuable assistance by Canadian war veterans of Winnipeg, who will use their influence in securing the convention for this city, a tour to Winnipeg being planned on the third day if it is held here. The Winnipeg soldiers will be headed by Col. R. H. Webb and assure the American buddies that they will do their share in turnishing entertainment should the Winnipeg trip be made a feature of next year's gathering. It will be the first time American and Canadian veterans meet in convention.

To St. Cloud Saturday

The Thief River Falls delegations will leave for St. Cloud Saturday. Besides those already mentioned others who may attend are P. G. Pederson, Lawrence Hermanson, F. E. McGinn and H. S. Snyder, as well as the Auxiliary delegates, Mrs. Geo. Nelson and Mrs. Roy Erickson.

Enthusiasm is running high among local legionnaires and if determination counts for anything they will surely be successful in their efforts next week. They feel confident that Thief River Falls, with the backing of its citizens, will meet with the approval of veterans in other parts of the state as a logical meeting place next year. Eklund post members are a live bunch and usually get what they go after, this time the largest convention ever held in Thief River Falls.

Cuts Wrist in Glass

Miss Inga Oftedahl, daughter of Mr. and Mrs. John Oftedahl, suffered a serious injury yesterday afternoon when she stumbled and broke thru the glass pane in the door of the Northwestern hotel, cutting the pulse artery in her right wrist and a gash in her left temple, the latter requiring two stitches and the cut in the wrist causing the loss of much blood. She was taken to the Physicians hospital and is said to be out of danger.

DO NOT PARK

Warning has been issued by the Pennington County Fair association against anyone parking on the highway along the north side of the fair grounds during the fireworks displays of the fair next week, the state law probibiting such practise on any road or highway along fair grounds. As the fireworks will be shot northward it is particularly stressed that this rulling be observed during the displays. Guards will also be placed along the road to warn passing motorists.

LOCAL NEWS

Mr. and Mrs. O. D. Larson and daughter, Viola of Hendrum, motored to this city Friday and spent the night as guests at the J. H. Fulton home on their way to Holt to spend an indefinite time as guests at the home of their daughter, Mrs. Dale.

Mr. and Mrs. George P. Smith and daughter, Loraine of Grand Forks motored to this city the forepart of last week and spent a brief time as guests at the home of Mrs. Smith's sister, Mrs. Nat K. Harris. Miss Loraine Smith remained as a guest of her aunt for an indefinite time.

Rev. and Mrs. R. L. Barackman and son, Rufus, are expected to arrive from their home at Lincoln, Nebraska, this week for an indefinite visit at the home of their daughter and sister, Mrs. Mauritz Brink. They were formerly of this city, Rev. Barackman having been pastor of the Presbyterian church here.

Mrs. W. Helander and daughter, Catherine, of Aberdeen, S. D., who arrived in this city two weeks ago, accompanied by Mrs. Helander's sister, Mrs. Carl Carlson, who was visiting in St. Paul, left Saturday evening for St. Paul to spend a week as guests of Mrs. Helander's and Mrs. Carlson's parents, Mr. and Mrs. G. T. Blanchard, on their way to their home.

The Misses Mabel Steen and Florence Gilbertson of Adams, N. D., arrived Friday to spend a few days as guests of Miss Steen's cousin, Miss Nora Steen. Sunday they motored to Rosewood and Steiner, accompanied by J. A. Dahl of St. Hilaire, and spent the afternoon as guests of friends. That evening they motored to Plummer to visit Miss Gilbertson's uncle, James Gilbertson.

Mr. and Mrs. O. A. Johannesohn and children of Hibbing arrived Sunday to spend a few days at the home of Mr. Johannesohn's sister, Mrs. Oscar Melby. Tuesday they left for Thorhult to visit at the home of Mrs. Johannesohn's parents, Mr. and Mrs. J. A. Odell. They expect to return Saturday when they will be joined by Mrs. Melby and children and motor to Hibbing for a few days.

O. E. Shefloe, prominent real estate man and farmer at Hoffman, this state, spent Thursday visiting at the J. O. Sether home. He is a cousin of Mrs. Sether. Mr. Shefloe was accompanied by Raymond Alstad of Clarissa. They continued their trip to International Falls, the iron range and Duluth accompanied by Mr. Sether, who returned yesterday morning, having had an enjoyable outing.

Dr. and Mrs. P. R. Fossum of Forest River, N. D., who have been guests at the Ingvald Fossum home for some time, Mr. and Mrs. Ingvald Fossum and Miss Huldah Fossum left Thursday for Red Lake to spend a few days camping, returning Tuesday. The first of August Dr. and Mrs. Fossum will return to Middletown, Conn., where Dr. Fossum is engaged as instructor at the Wesleyan college.

Mr. and Mrs. Perry Froseth returned to this city Wednesday last week, from Glenwood and Alexandria and other points in that part of the state, where they spent some time as guests of relatives and friends. Mrs. Froseth spent about three weeks there while Mr. Froseth visited there about ten days. They were guests at the home of Mrs. Froseth's parents, Mr. and Mrs. N. Mickelson at Alexandria.

Mr. and Mrs. P. J. Keating and daughter, Elizabeth, and Miss Evelyn Michael of Harvey, N. D., formerly of this city, returned to this city Monday from a ten day tour of various points in this state. They visited at Cass Lake, Walker, Park Rapids, Wadena, Fargo and Grand Forks, making the trip by car and camping on the way. Miss Michael has been a guest of Mr and Mrs. Keating the past six weeks.

Miss Lenora Isaacson, daughter of Mr. and Mrs. A. F. Isaacson of Middle River, spent the night Thursday as a guest at the home of her grandparents, Mr. and Mrs. Ole L. Bakken, leaving Friday noon for her home at Middle River. She has been attending the six weeks' summer session at the state teachers college at Moorhead. She will be engaged as principal and instructor at Shelly the coming term.

Mrs. H. Stoyk and children, Evelyn and Darrell, of Emmetsburg, Iowa, left Monday afternoon for Grand Forks for an indefinite visit at the home of Mrs. Stoyk's sister, Mrs. J. Amble. They were guests of Mrs. Anna Netteland, residing six miles southeast of this city since July 5 and will visit at Grand Forks and Spooner before returning to their home in Iowa. Mrs. Netteland is an aunt of Mrs. Stoyk.

Mrs. Louise Fossum of this city and Mr. and Mrs. Fred Brenneman and children, Robert and Milton, of Mobridge, S. D., who have been guests at the Fossum home, motored to Warroad Thursday and spent the time until Monday as guests at the home of Mrs. Brennean's aunt, Mrs. N. A. Rippey and cousin's Mrs. John Gjelhaug and Mrs. Ray Flynn. Mr. and Mrs. Brenneman and children left yesterday for their home.

Mrs. S. M. Hoff of St. Hilaire, returned to her home Tuesday afternoon after having spent a few days as a guest at the Sever Rustebakken

John Gullingsrud and family motored to Minneapolis and Ft. Snelling Sunday, and Tlen Gullingsrud entered the military training camp at the latter place. They returned last evening.

Mr. and Mrs. J. L. Jordan of Superior, who were guests at the home of Mrs. Jordan's parents, Mr. and Mrs. E. J. Werner, returned the fore part of last week. They were accompanied to this city by their son and daughter, Warner and Ida Belle, who remained in this city and will be guests at the Werner home for an indefinite time.

Mrs. Charles Nason of this city returned to her home in this city Sunday morning accompanied by her son, Clyde, grandson, Clyde, Jr., and nephew, Ray Williams, son of Mr. and Mrs. W. S. Williams, all of St. Paul. Clyde Nason will be a guest at the Nason home here for a week and will return with his wife, who has been visiting here for some time, and son. Ray Williams will spend a few weeks at the Nason home here. While in St. Paul Mrs. Nason was a guest at the home of her sister, Mrs. W. S. Williams. She was accompanied to St. Paul by her daughter, Lucy, who will remain there for a few weeks.

SOCIAL ITEMS

Clarence Knudsen Married Lockhart Girl Month Ago

Friends of Clarence Knudsen, son of Mr. and Mrs. Bernhard Knudsen of this city, were surprised last week when it became known that on June 26 he was united in marriage to Miss Iolas Mount, daughter of Mr. and Mrs. K. D. Mount of Lockhart, Minn. The ceremony took place in Winnipeg, Man., Rev. Rovick of the Norwegian Lutheran church officiating, nothing being known about the event by friends of the couple until last week.

Mrs. Knudsen is known to a number of local persons, having visited in the city at various times. She was born and raised at LeRoy, Ill., coming to Lockhart with her parents ten years ago. After completing her high school course there she entered training for nurses at the Minneapolis General hospital, graduating from that institution in 1922.

Mr. Knudsen, who is well and favorably known to residents of this city, was born in Thief River Falls and has lived here since, attending the local grade schools and graduating from Lincoln high school with the class of 1921. Following his graduation from high school he attended the University of Minnesota and St. Olaf college and is now employed as clerk in the local post-office.

The newlyweds are making their home in Thief River Falls. A large circle of friends join in extending their congratulations and best wishes for the future.

For Mrs. Brown

Mrs. Ferdie Brown, who left this week for Missoula, Mont., to make her future home, was the guest of honor Thursday evening when Mrs. E. O. Mogensen, Mrs. A. M. Heggan and Mrs. W. W. Prichard, Jr., entertained a number of ladies at the home of Mrs. Mogensen at 721 LaBree avenue north. The hours were spent at bridge played at four tables. Mrs. Ferdie Brown won high honors and Mrs. Nels Christianson received the consolation prize. Refreshments were served by the hostesses at a late hour. Seventeen guests were present.

Phone Staff Entertain

The staff of the local exchange of the N. W. Bell Telephone company enjoyed a picnic supper at Lovers' Lane Wednesday evening of last week. Those who partook in the affair were Manager Geo. A. Russell, Mr. and Mrs. W. R. French, Mr. and Mrs. Albert Erickson, Chief Operator Marie Thill and the Misses Olga Knutseth, Olga Skaar, Edna Narquist, Caroline Rhodegaard and Louise Qual.

For Harriet Jung

Miss Harriet Jung was the guest of honor Monday afternoon when her mother, Mrs. C. H. Jung entertained a group of her friends at her home at 219½ Main avenue north in commemoration of her seventh birthday anniversary. The rooms were decorated in red, white and blue. The time was spent at games and lunch was served by the hostess at 4:30, assisted by the Misses Edith Shosten and Emma Lindeke. The invited guests included Mabel, Carl and Edna Lee, Wallace and Jesse DuChamp, Mary Chittick, Lillian McGrail of St. Paul, Stanley and Dayton Fahey, Einer Anderson, Doris Moe and Victor Jung.

Thorwick Y. P. S.

The Young Peoples society of the Thorwick church will meet at the home of Mr. and Mrs. Ingval Wold, Aug. 3. Lunch will be served. Everybody welcome.

Larson, mechanical engineer for the Allis Chilmers manufacturing company, and in Minneapolis they visited with their son and brother, Dr. Clarence M. Larson, practising physician and surgeon. They made the trip by car.

Miss Myrtle Mellum, stenographer at the Tessum company's office, began a two weeks' vacation Monday.

Mrs. Nels Holmstead of Hallock was a guest of her brother and sister-in-law, Mr. and Mrs. Hauken Olson, Friday.

Miss Elizabeth Palen of Euclid motored to this city Sunday night to spend a week as a guest of her sister, Mrs. D. V. Snelling.

Mrs. Irving Carlson of St. Cloud, daughter of Rev. and Mrs. Aug. Bredeson, will arrived Monday to spend a month at her parental home.

Miss Inga Oftedahl, Miss Dorothy Lane, Harold Eide and Guy Lane left Saturday morning for Grand Forks to attend the last day of the Grand Forks fair.

Miss Emma Lindeke of St. Paul, who has been a guest at the home of Mr. and Mrs. C. H. Jung the past several weeks, leaves Tuesday morning for her home.

Mrs. W. R. French and daughter, Shirley, left Thursday evening for Milaca to spend a month as guests at the home of Mrs. French's mother, Mrs. Olive Bintchly.

Mr. and Mrs. S. J. Anderson and children, Mrs. Peter Engelstad and Mrs. Paul Engelstad were among those who visited the Northwest School of Agriculture Thursday.

Miss Marie Hansel, daughter of Mr. and Mrs. Peter Hansel of Red Lake Falls, returned to her parental home Monday after having spent the week end as a guest at the J. Thill home.

Dr. P. L. Vistaunet and wife and son, Alv, and daughter, Liv, and the Misses Elizabeth DeCremer and Isabel Rienter, motored to Grand Forks Saturday and spent the day attending the fair.

Robert Halvorson returned to this city Monday evening from a three weeks' trip thru the state, making International Falls, Bemidji, Walker, Minneapolis, Fosston and other intermediate points.

Mrs. Oscar Melby and children left Thursday for Overly to spend a few days with their husband and father, who is employed there, and returned Sunday by car, accompanied by Mr. and Mrs. A. E. Bratt.

Mrs. Ed. Hilson returned to her home in this city Tuesday last week from Duluth where she spent the weekend as a guest of Miss May Bark who spent a month in this city as a guest at the Hilson home.

Dr. and Mrs. P. M. Dale, Mrs. F. T. Satre and daughters, Helen, Myrtle and Emma, Schuyler Satre, and Mrs. Ed. Korstad motored to Crookston to attend the annual visiting day of the Northwest experiment station.

Mr. and Mrs. G. M. Freitag returned last week from Gladstone, Mich., where they have been located the past three or four months. Mr. Freitag was employed as a fireman on the Soo railroad there but has returned to work here.

Miss Mabel Jacobson, daughter of Mr. and Mrs. Thomas Jacobson residing five miles north of this city, returned to her parental home Friday from Grand Forks where she spent a few days as a guest at the home of Mrs. C. J. Landum.

Mrs. G. W. Davidson of Ontario, Cal., who has been a guest at the home of her sister, Mrs. Julia Axelson, residing north of this city near Rosewood, left Monday afternoon for Fargo to spend a week with relatives before returning to her home.

Stephen Arneson returned Monday morning to Barnesville where he is employed, after having spent the weekend at his parental home in this city. He was accompanied to this city from Crookston Friday evening by Miss Eileen Arneson and Mat Barzen.

Mrs. Louise Spieler and her [illegible] law, Henry Engelhorn, of [illegible], returned to their homes Tuesday evening after having spent the time since Saturday as guests at the homes of Mrs. Spieler's sons, Will and J. J. Spieler at Mavie. Mrs. Spieler [illegible] farm near Mavie.

H. S. Dahlen and family, E. K. Aasen and family, Mrs. Chester Rambeck and children, Ben Erickson and family, Oscar Rambeck and wife motored to Red Lake last week and spent a few days camping. Mr. Erickson and Mr. Rambeck returned the same day and the rest stayed for a brief outing.

Miss Lydia Palm, trained nurse, of Anoka, is a guest at the C. E. Oien home southeast of this city.

Mrs. J. H. McClelland and daughter, Vernice, returned Monday evening from Bagley, where they spent the time since Friday as guests of friends.

Orrin Storholm and Roy Langseth left Sunday evening for Minneapolis and Fort Snelling where they are attending the annual summer Citizen's Military training camp.

Miss Pearl Reddin of Minneapolis arrived in this city Sunday morning from Minneapolis to spend a two weeks visit at the home of her sister, Mrs. W. H. Durant.

Dr. and Mrs. P. M. Dale, Mr. and Mrs. F. T. Satre motored to Crookston to spend the day as guests at the home of Mr. and Mrs. Satre's son-in-law and daughter, Mr. and Mrs. L. Holkvig, the latter formerly Miss Mabel Satre.

Mr. and Mrs. Henry Melby of the LaVogue shop, and Mr. and Mrs. R. L. Swore of Alexandria, who were guests at the Henry Melby home last week, left Sunday morning for Winnipeg to spend a few days on a pleasure outing. They returned to this city last evening.

Mrs. H. W. Protzeller and children, Helen and James left Thursday evening for Minneapolis to spend ten days as guests at the home of Mrs. Protzeller's sister, Mrs. C. J. Cook.

Captain R. Youngberg of the local Salvation army corps left Monday afternoon for Fargo and New Rockford, N. D., to spend three weeks as a guest of friends. New Rockford was his station before coming to this city.

Fair Week

If you wish for a new suit for Fair week, we can show you three good makes of up-to-date and dependable clothes, which we have received within the last week.

Our Club Clothes for young men, and Kirschbaum Suits for men and young men, will please you in patterns, styles and quality.

Our Clothcraft Clothes, you know, is a good suit; a little more conservative in models.

If you can not find anything that will please you in these three makes, we can take your measure for a Hart Schaffner and Marks suit, as we on July 28th received the new made-to-measure line for fall and winter, 1924 and 1925.

Our furnishing line of Munsing Wear, Arrow Shirts and Neckties are new and up-to-date, and therefore it will be easy for you to find what you want.

Our small store with the small expense, can afford to sell you what you want at a small profit.

Olaf G. Winger

THE GREATEST EVER

The Pennington county fair enterprise has been a progressive one since its inception 23 years ago. Its history has been one of constant enlargement and improvements as well as of increased attendance, and it now ranks as the leading event of its kind in Northern Minnesota. That it was last year surpassed by only 15 county fairs in this great state is in itself proof of its magnitude and significance.

This year there is to be no break in the routine which has been established. The fair which will begin in Thief River Falls next Thursday will excell any other yet held in several important particulars.

This year's stock exhibit will be the largest and best ever seen here, this being particularly true of the local showings. This is saying a good deal in view of the fine stock shown annually at the Pennington county fair. A great deal of interest centers around junior club exhibits, leading in which will be the dairy calf club entries. The youth of the county in this way is becoming more and more interested in the raising of good cattle.

It is also to be noted that the entertainments provided at the fair grounds this year will be superior to anything shown here previously. A total of $3,000 is being spent in getting high class amusements, 17 free acts being scheduled for each afternoon and evening, besides the most magnificient display of fireworks ever attempted at any fair in Thief River Falls.

There will be something of interest to everyone—young and old—during the entire three days.

A perusal of what the fair association has to offer this year convinces anyone that a great deal of honest effort and hard work has been put into the enterprise by its officials.

With the boosting and co-operation of every man, woman and child in the county and surrounding community and favorable weather conditions its success is assured. This is a community affair—so do your share. Bring in your exhibits and make it the greatest fair that has ever been produced in Pennington county.

W. J. Corwin, poultry editor of The Farmer, St. Paul, says: "The other day I heard someone say that a man who will not sign a marketing agreement with his own neighbors to sell together their surplus in a businesslike way, for a three, four or five year period, is a good deal like the bachelor who never got married because he was afraid it would be permanent."

A motorist declared the other day that it seemed rather strange that in Crookston stations charged 20 cents a gallon for gasoline, in Red Lake Falls 19 cents and in Thief River Falls nearly 23 cents.

ANYTHING MIGHT HAPPEN

Farmers of the middlewest have great crop prospects. In common with them, the farmers of Pennington county have a very rosy future.

But now and then the pessimist, who sees no good in anything, dashes cold water on the predictions of those who are hoping for the best.

He suggests that an August drought might ruin this or that crop or that an early frost might reduce the yield of some crop below the point where it would not pay.

Of course, a circus might come to town and the elephants might break lose and ruin every crop in sight.

Or there might be a cyclone that would take all of the farmers' profit for the year.

And again, the insects might move in by the millions and strip the land of all vegetation.

There is no end of things that might happen. But until they happen, why worry about them?

The world might come to an end tomorrow, but no one with good sense is predicting that it will.

We should all be happy over the fact that the American farmer is coming back and not worry over possible misfortune of the future.

It is announced this week that the Agricultural Credit Corporation, organized with a capital of $10,000,000 to tide the northwest over a temporary emergency, will complete its chief work in 30 days and meet the need for which it was created, according to statement by C. T. Jaffray, director of the corporation, based on the present crop conditions and prevailing prices.

Mr. Jaffray declares that the corporation has given direct and immediate aid to a large number of banks and has benefitted a large number of farmers.

In addition to the closed banks already re-opened, many more will reopen soon when the crop and the price for it are assured.

The general sentiment of the northwest is greatly improved and has a part in the material drop in the pressure on the corporation. The farm diversification program will be continued.

It is said that 60 per cent of the corporation's capital has been called in and according to the present outlook this will be all that is necessary.

This speaks well for the general conditions of this section and will instill greater confidence among the people of the Northwest.

The business of the creameries in this county are concrete evidence of the fact that Pennington is making rapid progress in the dairy industry. Their reports tell a story of tremendous increase in output and prove what the dairy cow means to this community. With a new creamery building in Thief River Falls and increased facilities for properly caring for the cream production here, coupled with the growth of the dairy industry in this territory, it is safe to predict that this will be one of the leading creameries in the state.

Give the glad hand to tourists who come along, they appreciate any kindness shown them. It helps to advertise our town as being one in which live human beings instead of surly boors.—Nevis News.

Those who are the first to see the mistakes of others are the last to recognize their own.

GRAND DISPLAY OF FIREWORKS AT FAIR

Thearle-Duffield Display Has Been Secured for County Fair Aug. 7-8-9

Visitors to the Pennington county fair this year will find an evenly balanced program of education and entertainment and the crowning feature of the amusement program will be the mammoth Thearle-Duffield display, which will be presented every night of the fair. It will be more elaborate than anything of its kind ever attempted at any fair in this state and will provide patrons with the ultimate in entertainment.

The directors have completed arrangements with the Thearle-Duffield Division of the World Amusement Service association, Inc., for the fireworks display and this company is the largest purveyor of pyrotechnics in the world. Thearle-Duffield displays are the features of practically 75 per cent of the leading fairs in the country, so this alone is sufficient guarantee of the merit and quality of the displays. Each evening's program will be a unit in itself, designed especially for the Thief River Falls fair and put on by expert operators from the Thearle-Duffield factory in Chicago.

Every type of modern fireworks device, the newest pyrotechnic sensations of this county and Europe will be included in the programs, aerial effects, ground devices, set pieces, miniature spectacles, portraits of famous men in fire, these and countless other unusual numbers will be interspersed in the spectacular array. Truly there will be pictures painted in the sky by fireworks.

While the great fireworks display will be among the leading features of the entertainment program, there will also be special attractions during the afternoon and evening. Horse racing, music, grand stand and hippodrome acts and other numbers will be provided in endless succession for patrons of the 1924 exposition.

FIRST SUBSCRIBER RENEWS

Nels Nelson, railway mail clerk on the Soo line, was a caller at The Times office the other day to renew his subscription and it is interesting to note that he has the distinction of being the first subscriber to this publication, established by H. E. Mussey 14 years ago. A reader of this newspaper for more than a dozen years Mr. Nelson declares, "You are putting out a mighty fine paper and I enjoy reading it." Thank you.

Locals Meet St. Hilaire Sunday Afternoon; Going to Glenwood and Warroad

A return game will be played by the local baseball aggregation at St. Hilaire on the latter's grounds next Sunday afternoon at 2:30, and a hard battle is assured following last Sunday's victory by the picked St. Hilaire nine. It is expected that quite a number of local fans will accompany the team to the neighboring village.

On Aug. 9 the Thief River Falls team intends to make a trip to Glenwood where they will play at the Soo line picnic. On their return they may also play Alexandria or some other town along the line. Warroad camp will be invaded on Aug. 17.

Biddicks to Return

Mr. and Mrs. George Biddick, the former manager of the Peterson-Biddick company's branch in this city, and Miss Irma Smith are expected to return tomorrow from a two weeks' vacation trip to Wadena and points in Wisconsin.

Will Give Report

Among the important reports to be given at the state convention of the American Legion at St. Cloud beginning Aug. 4, is one on finance by M. H. Bishop of this city, chairman of the state finance committee.

BIRTHS

To Mr. and Mrs. Charles Maidment Sunday, July 27, a boy.

To Mr. and Mrs. Richard Battleson Monday, July 28, a boy.

To Mr. and Mrs. V. F. Robarge Wednesday, July 23, a boy, John Charles.

To Mr. and Mrs. Fred Protz, on Tuesday, July 29, a daughter.

ACCOUNTANT HAS FINE POSITION

John Roholt was sent to the Morin Audit Co. the day he finished his training at Dakota Business College, Fargo. No waiting for a job.

Other "Dakotans" who recently accepted good positions are: Emeline Ohlin, with Crary-Turner Co. (8 "Dakotans" employed here;) E. R. Hawley, with Standard Oil Co. (134 D. B. C. graduates in various "Standard" branches;) Anna Jay, with Ford Motor Co. (50 "Dakotans" employed in Ford offices.)

Watch each week and "Follow the SucceSSful." Join August classes. Write F. L. Watkins, Pres., 806 Front St., Fargo.

Organize Memorial Company

The monumental works in this city recently reorganized and is now known as the Northwestern Memorial company. Its officers are L. C. Halvorson, president and secretary; Ole Ytesund, vice president; and A. W. Crown, treasurer. At present the company is operating in the building next door north from the Ogahmah hotel on LaBree avenue but may return to its former location on the corner of Knight avenue and Third street. The members of the firm are experienced stone-cutters and are enjoying an extensive trade thruout the section.

We Want Poultry

We don't know of any better time to sell your springers than right now. We will furnish coops. Highest market prices paid. Wool and Hide Market Is Strong.

Northern Trading Co.

As a Matter of Information

Over a year ago, competition from "off brand" manufacturers, and popular mail order houses, quoting low priced tires, cut so deeply into the sales of merchants handling standard makes that complaints were made to manufacturers, resulting in the introduction of secondary lines to meet the current competition. In quick succession the following lines were introduced to meet the price competition:

- Goodrich—(Commander Cord)
- Fisk—(Premier Cord)
- Goodyear—(Wingfoot Cord)
- Diamond—(Titan Cord, 30x3½ only)

These secondary lines although very similar in principle of construction to the first line, and in our opinion as good or better than most "off brands" are built smaller and in all probability of cheaper materials than the first line.

Since the introduction of these lines many dealers have featured these tires to meet price competition, and have led the public to believe that these tires are of the same character as the first line.

Diamond builds only one line, excepting in 30x3½, and that is the best tire they know how to build, in their 30 years of successful tire manufacturing.

Diamond Titan cord sells for $9.35 and that is all we believe you are justified in paying for any secondary cord tire.

We are enabled to sell Diamond tires at the present extremely low prices, because we are the jobbers for this section and are giving the public practically dealers prices, at this time.

More Diamond Tires are Sold in This Vicinity Than Any Other Two Makes Combined!

Protecting the Consumer

The flow of crude oil is uncertain. It follows, therefore, that the resulting supply of gasoline is unsteady.

The most essential feature of the broad and comprehensive service rendered by the Standard Oil Company (Indiana) in the ten Middle Western states is to turn an uncertain flow of crude oil into a steady, dependable supply of gasoline.

Reliability of supply is the vital need of the millions of automobiles whirling over the hills and the tens of thousands of factories whirring in every great metropolitan center.

Consumers, too frequently, think of crude oil in terms of gushers.

They do not realize that the gusher is only a temperamental display of nature and utterly unreliable for the purpose of doing the world's work.

Only through vast storage facilities, maintained at great expense by the Standard Oil Company (Indiana) and other companies in the oil industry, can the motorist rely on a dependable supply of gasoline and lubricants for his car during the height of the touring season.

The Standard Oil Company (Indiana) has a huge investment in farms of steel storage tanks, located at strategic points throughout its territory. These enormous tanks, filled to capacity in the off-season, are mute guarantors of a dependable supply in the rush season.

The experience of 1923 is indicative of just how expensive is maintenance of oil storage. During that year the prices of crude petroleum were changed 105 days out of 365, due to fluctuations in production. From April to December every price change was a reduction—this period covering the heaviest motoring season of the year.

When it is considered that the oil in storage in April went in during the off-season, before the decline in price, it is evident that storage imposes a heavy burden on oil companies.

Holding crude oil and refined oil in storage is merely one of many items of enormous expense that are necessary to complete the cycle of service rendered by the Standard Oil Company (Indiana).

That these expenses are reflected but slightly in gasoline prices is due to the scientific efficiency entering into all the operations of the Standard Oil Company (Indiana).

If You Should Break Your Arm

DEFINITION
The practice of Chiropractic consists of the adjustment, with the hands, of the movable segments of the spinal column to normal position for the purpose of releasing the prisoned impulse

there is a "power within" the body that mends the broken bone.

If you lacerate the flesh, there is a "power within" that heals the wound.

What is true of a broken bone or of a flesh wound, is also true of burns, scalds and bruises.

Chiropractic teaches that this "power within" is the only power on earth that heals, cures or mends, and that what that power cannot or will not heal, cure or mend, is beyond the power of anything on earth.

Chiropractic teaches that the power within moves the body, regulates the heat of the body, converts common food into living flesh and blood, develops the body from a single cell to an adult organism and reproduces the species.

It teaches that this power performs these physical functions by means of impulses sent over the nerves, and that when a nerve is impaired the impulses are interfered with and the result is called dis-ease.

To cure dis-ease the tissue interfering with the nerve must be adjusted to normal.

This is what the Chiropractor does.

Employ none but a competent chiropractor.

Ask Your Chiropractor for "The Last Word"

Write for information regarding Chiropractors or Schools to the
Universal Chiropractors' Association, Davenport, Iowa, U.S.A.

CITY COUNCIL PROCEEDINGS

Thief River Falls, Minnesota

A regular meeting of the City Council was called to order by M. V. Evenson, President, at eight o'clock P. M., Tuesday, July 8th, 1924, with Aldermen Porter, Fossum, Evenson, and Paulson present, and Aldermen Brumund and Rambeck absent.

Minutes of the meetings of June 24, July 1st, and June 26th, were read and, with that part of minutes of meeting of June 26th, Alderman Paulson reported absent instead of Alderman Rambeck, the same being so corrected, the minutes were declared approved.

A motion was made by Alderman Paulson, seconded by Alderman Fossum, and duly carried that the proposition of purchase of Lunstmoter by the city be laid on the table until such time as the council could look into the matter further.

Motion was made by Fossum, seconded by Alderman Porter, that licenses to sell milk and cream, the applications having been duly approved by the Dairy Inspector, be granted to J. E. Erickson, Ed. Thun, C. J. Langevin, Ole Lastud, Anton Jenson, Andrew Heelgan, carried.

A motion was introduced by Alderman Paulson, seconded by Alderman Porter, and duly carried that permit be granted to Hector Bergstrom to construct a garage on Lot 9, Block No. 7 of Knox Addition.

On motion the council adjourned.

M. V. EVENSON,
President of the Council.

Attest:
P. G. PEDERSON,
City Clerk.

COUNCIL PROCEEDINGS

Thief River Falls, Minnesota

A special meeting of the city council was called to order by M. V. Evenson, President, at two o'clock P. M., Thursday, July 17th, 1924, with all members present.

The meeting was called for the purpose of ascertaining whether or not the city should engage in the business of selling gasoline with the idea of bringing about a lowering of prices at the local stations.

Alderman Paulson seconded by Alderman Fossum, introduced a resolution appropriating to the Mayor's Contingent Fund from the Current Expense Fund the sum of $1250.00 which was unanimously passed.

On motion the council adjourned.

M. V. EVENSON,
President of the Council.

Attest:
P. G. PEDERSON,
City Clerk.

RESOLUTION.

At a regular meeting of the City Council held July 8th, 1924, Alderman Paulson, seconded by Alderman Porter, introduced the following resolution and moved its adoption.

BE IT RESOLVED, By the City Council of the City of Thief River Falls, Minnesota, that the sum of $50.00 is hereby appropriated out of the Current Expense Fund of the city to the Pennington County Agricultural Society as aid in conducting the County Fair to be held on the 7th, 8th and 9th of August and the Mayor and City Clerk are hereby authorized and directed to issue the warrant of the city in the amount as aforesaid.

Roll Call

Aldermen voting Yes: Fossum, Porter, Evenson, Paulson.
Aldermen voting No: None.
Resolution declared passed.

M. V. EVENSON,
President of the Council.

Presented to the Mayor July 9, 1924.
Approved July 15, 1924.
J. S. ARNESON,
Mayor.

Attest,
P. G. PEDERSON,
City Clerk.

RESOLUTION

At a duly called Special meeting of the City Council held July 17, 1924, all members of the council being present, Alderman Paulson, seconded by Alderman Fossum, introduced the following resolution and moved its adoption:

BE IT RESOLVED, By the City Council of the City of Thief River Falls, Minnesota, that

WHEREAS, The Council deems it necessary and expedient, in order to advance the interest of the city, that an appropriation be made for the Mayor's contingent fund,

NOW, THEREFORE, Be It Resolved, that the sum of $1,250.00 be, and it is hereby appropriated out of the Current fund of the city, for the Mayor's contingent fund, and the clerk and treasurer are hereby directed to transfer said sum from the Current Expense fund of the City to the Contingent Fund of the Mayor.

ROLL CALL

Aldermen voting Yes: Fossum, Porter, Brumund, Rambeck, Evenson, Paulson.
Aldermen voting No: None.
Resolution declared passed.

M. V. EVENSON,
President of the Council.

Presented to the Mayor July 17, 1924.
Approved July 22, 1924.
J. S. ARNESON,
Mayor.

Attest:
P. G. PEDERSON,
City Clerk.

COUNCIL PROCEEDINGS

Thief River Falls, Minnesota

A regular meeting of the City Council was called to order by M. V. Evenson, President, at eight o'clock P. M. Tuesday, July 22nd, 1924, with all members present except Alderman Paulson.

Minutes of the meetings of July 8th, and July 17th, 1924, were on motion approved as read.

The monthly reports of the City Clerk, City Treasurer, Municipal Judge, Chief of Police, Dairy Inspector and City Scales were on motion of Alderman Brumund, seconded by Alderman Porter, and duly carried, approved and accepted.

The Mayor's appointment of Mrs. Daniel Shaw, Mrs. P. W. Mabey and Mrs. L. G. Larson as members of the Carnegie Library Board was read and a motion was made by Alderman Rambeck, seconded by Alderman Brumund, and duly carried that the same be approved.

An application for building repair permit was presented by Alfred Bredeson, and Alderman Fossum moved the granting of same. Alderman Brumund seconded the motion which was duly carried.

An application for refreshment license from J. F. Farr, was read. A motion was made by Alderman Brumund, seconded by Alderman Porter, and carried that the same be referred to the License Committee to report at the next regular meeting.

Motion was made by Alderman Brumund, seconded by Alderman Rambeck, and duly carried that the Plumber's Bond of Union Plumbing and Heating Company, having been approved by the City Attorney, be accepted and filed.

A motion was made by Alderman Porter, seconded by Alderman Fossum, and duly carried that bids for street tractor be opened. The following bids were submitted:

McFarland Auto Co.

1 Fordson Tractor complete F. O. B. Thief River Falls ... $540.00
Optional equipment of four extra wheels equipped with solid rubber tires ... 150.00

Emerson Brantingham Implement Co.

1—12-20 4 cylinder Model AA Emerson Brantingham Tractor F. O. B. Thief River Falls ... $650.00

A resolution was introduced by Alderman Fossum, seconded by Alderman Porter, that the bid of the Emerson Brantingham Implement Co., be accepted. The roll being called on a vote on the adoption of the resolution the same was declared unanimously adopted.

A motion was made by Alderman Porter, seconded by Alderman Rambeck, and duly carried that the City Clerk take possession of the Police Department motorcycle and advertise the same for sale.

On motion the council adjourned.

M. V. EVENSON,
President of the Council.

Attest:
P. G. PEDERSON,
City Clerk.

RESOLUTION

At a regular meeting of the City Council held July 22, 1924, Alderman Fossum, seconded by Alderman Porter, introduced the following resolution and moved its adoption:

BE IT RESOLVED, By the City Council of the City of Thief River Falls, Minnesota, that the proposal of Emerson-Brantingham Implement Company to furnish and deliver to the City one Four Cylinder Model AA Emerson-Brantingham Tractor for the total sum of $650.00, pursuant to the City's call for bids, be, and the same is hereby accepted, and,

RESOLVED, FURTHER, That the Mayor and Clerk be and hereby are authorized to issue and deliver to said bidder the warrant of the City in said sum of $650.00, drawn upon the current expense fund, in payment of said tractor, upon delivery thereof to the city in accordance with said proposal.

ROLL CALL

Aldermen voting Yes: Fossum, Porter, Brumund, Rambeck, Evenson.
Aldermen voting No: None.
Resolution declared passed.

M. V. EVENSON,
President of the Council.

Presented to the Mayor July 23, 1924.
Approved July 28, 1924.

COMMUNITY NEWS

ROSEWOOD

A. C. VORSETH TO MANAGE H. & B. ELEV.

On Aug. 1st, J. E. Thompson who has been manager of the Hanson & Barzen interests at this place for the past four years, will leave for Minneapolis where he will investigate several positions and if not suited there he will go to North Dakota, to investigate another elevator position. A. C. Vorseth of Thief River Falls has been secured to relieve Mr. Thompson. Mr. Vorseth was elevator man here for several years and was relieved by Mr. Thompson for years ago when he went to Thief River Falls to become employed at the Soo Rip track. Both men enjoy the esteem and full confidence of the grain producing farmers, who while they dislike to see Mr. Thompson leave are glad to see Mr. Vorseth secured to take his place. Mr. Vorseth will enter on his duties next Friday.

California Visitor Here

Mrs. Chas. Davis from California, formerly Miss Martha Jacobson and at one time a resident of this township, arrived here on Thursday from Wannaska for a week's visit with her sister, Mrs. Julia Axelson. Mrs. Davis has spent a couple weeks visiting with her parents Mr. and Mrs. Helge Jacobson, and with two sisters, Mesdames Carl Nelson and O. H. Olson at Wannaska, arriving there from Rochester where she underwent two serious internal operations at the Mayo clinics, and from which she is recuperating at a satisfactory rate.

The Radium base ball players motored here on Sunday to clash with the locals, and this time brought home a victory with a score of 1 to 12. Rosewood was victorious at Radium two weeks ago and the boys feel they are about even by this time. Radium was assisted by two Warren players, and Rosewood also had two subs being unable to gather all the home players for the day.

Mission meetings were conducted at the Swedish Mission church in town over Sunday with large attendance, delegations from several nearby towns. Revs. C. W. Olson from Warren and Werner Drotts arrived on Saturday evening and commenced with a splendid young peoples society that same evening. Three services were conducted on Sunday and drew appreciative audiences each time.

The Rindal Young Peoples society held their monthly meeting with program and lunch on Sunday afternoon and was well attended.

Mr. and Mrs. George Moothart and two daughters from Galloway, Iowa, are visitors this week with Mr. and Mrs. Chas. Schnabel. Mrs. Moothart is a sister of Mr. Schnabel.

Mrs. Lynn Vanderlick from Minneapolis has been visiting the last week at the home of her brother, F. G. Dols and family. She returned last Friday.

Mrs. O. S. Hellerud returned last Sunday from Twin Valley where she has been visiting at the home of her parents, Mr. and Mrs. N. C. Holm the past two weeks. Mrs. Hellerud left together with her husband on Monday for different points in North Dakota where they will spend the week in the interests of Mr. Hellerud's agency.

Miss Gladys Sagmoen spent Saturday at Thief River Falls to have dental work done.

Mrs. Carl Stromberg left this week for Duluth where she will be a guest for some time at the home of her sister, Mrs. Gust Nakken who moved there this spring.

Richard Hall left on Sunday morning by car for Roosevelt in Roseau county where he will look over some real estate, which is being offered for sale.

Veterinarians Dr. Haney and Twete from Thief River Falls were called here on Thursday on a professional call to the J. E. Sholberg farm.

Emil Mellem from Red Lake Falls and Miss Hilda Hanson from Angus were over Sunday visitors at the T. Mellem home and with other relatives.

The cutting and stacking of wild hay has commenced in general, and harvest of winter rye will be in full swing this week.

Miss Gunda Mattson left Monday for Thief River Falls where she will be employed at the Soo Cafe.

The Adolph and Selmer Haugen families motored to Crookston last Sunday where they were guests at the homes of Oscar Blomberg and David Mosbeck.

GOODRIDGE

Bert McEnelly has returned from a trip to Minneapolis where he has been on business for a few days.

A. S. Gaudland and wife and daughter Tina motored to Shelley, where they will make their future home. Mr. Gaudland has previously been engaged as miller in the Farmers Elevator & Milling Co. He is going to have charge of a lumber yard and elevator there.

Mr. and Mrs. J. M. Bishop of Thief River Falls were business visitors in this village Thursday. They were guests of Mr. and Mrs. J. Payne for dinner.

Mrs. R. H. McDonald and niece Mildred Argall were shoppers in Thief River Falls Wednesday.

Matt Barzen of Hanson & Barzen Milling Co., was a business visitor in this village Wednesday.

Jay Payne and wife of this village were visitors at the C. H. Toomey home south of Thief River Falls Sunday where they had a very enjoyable visit.

John Maney of the Maney Transfer Co., of Grygla, made a trip to Shelley, with a truck load of household goods for A. S. Gaudland Wednesday.

H. Christianson and sons Carl and Joe motored to Red Lake Sunday where they spent a very enjoyable day. They report that in time this will be a great summer resort.

Andrew Wells and family were visitors at Red Lake Narrows Sunday.

Misses Gretta Gulrud and Della Urdahl were shoppers in Thief River Falls Monday.

Harry E. Halvorson and Geo. Johnson motored to Thief River Falls Saturday evening.

Lee Babcock and family of Thief River Falls were visitors at the Nick Bundlund home here Sunday.

J. A. Sundquist and son George of this city were visitors in Thief River Falls Sunday morning.

P. O. Tvedt, wife and son Earl, motored to McIntosh Sunday where they visited relatives of Mrs. Tvedt's.

A surprise party was held at the A. B. Rockne home in honor of Mrs. Rockne who was 80 years old. The ladies brought lunch and the afternoon was spent in conversation. The following ladies were present: Mesdames M. Olson, H. Christianson, Carl Edseth, Chas. Stephenson, J. Stephen-A. Halvorson, S. Anderson, G. Gunderson, Ole Kirklie and G.C. Gulrud.

Andrew Sand, Thelma Erickson, Mrs. O. Torgeson, son Oscar and daughter Thelma, motored to North Dakota to take in the fall harvest season Tuesday.

R. S. Bergsather and family of Bricelyn stopped here Monday evening enroute to the home of R. L. Mork where they intend to visit.

Harry E. Halvorson, J. P. Jensen and son Raymond were Thief River Falls visitors Sunday evening.

A surprise party was held at the Vaughan home south of Goodridge in honor of Mrs. Morgan Vaughan's 40th birthday. The ladies brought lunch. They presented Mrs. Vaughan with a purse with which she should purchase a present for herself. The following ladies were invited: Mesdames J. P. Ferdinandsen, A. Josephson, Geo. Josephson, M. O. Seavey, J. Payne, Geo. Johnson, P. O. Tvedt, R. H. McDonald, Mae Argall and Miss Mildred Argall.

Helmar Johnson

Helmar Johnson, fourteen year old son of Mr. and Mrs. Hans Johnson of Kratka, died after a long lingering illness Friday, July 25th. The funeral was held from the home and the Bethania church last Sunday. Rev. V. O. Aaker and O. Svare conducting the services. A very large congregation gathered to honor the memory of the departed and to show their sympathy with the bereaved parents who about three months ago followed another son to the final resting place. The loss of a loving son and brother is mourned by the parents, four sisters and one brother. Miss Anna Knutson sang a solo. The Sunday school children sang "Den store hvide flok vi se." A mission offer was taken as a memorial tribute to the deceased.

Goodridge Lutheran Church

V. O. Aaker, Pastor.

Sunday, Aug. 3, Norwegian services at Jelle at 11 a. m. and at Goodridge at 8 p. m. Y. P. S. of Torgerson meets Sunday afternoon at the home of Mr. and Mrs. Solberg. Good program. Eric's Ladies Aid meets with Mrs. O. Omlid Wednesday, Aug. 6. The Luther League of Goodridge invites the public to enjoy a good program at the home of Mr. and Mrs. Henry Thorson, three miles west of town, Sunday, Aug. 10. Good lunch and ice cream. Y. P. S. of Bethania will meet with Mr. and Mrs. Newton Sunday, Aug. 10, not this Sunday as previously announced. The confirmants meet as usual: Bethania every Tuesday at 4 p. m. and Erie and Torgerson every Friday at 11 a. m. and at 2:30 p. m.

A dredge arrived here by train from Alvarado for Hugeth and Adolphson. They intend to use this dredge on the extension of the road straight north from here.

A wolf was killed by one of the employees of the Thief River Falls Creamery in a wolf hunt held three miles west of here. W. J. Shanley, conducted the hunt as the wolf had been killing some of his turkeys and sheep.

Tourists are passing through here from many states and reports heard from them are that this country is looking fine.

Mrs. Tena Reed

Mrs. Tena Reed, wife of Willard Reed, died July 25th after four years illness of tuberculosis. She was born at Minneota, June 30, 1892. Eleven years ago she was married to Willard Reed and the past few years have resided in this vicinity. Mr. Reed was janitor at the Physicians hospital three years, leaving a year ago.

To mourn her passing she leaves her husband and a daughter, Leafy.

CATARRH

of nose or throat is made more endurable, sometimes greatly benefited by applying Vicks up nostrils. Also melt some and inhale the vapors.

Over 17 Million Jars Used Yearly

NOTICE
Sisters and Brothers

The Lake of the Woods Good Fellowship Club, of Warroad Lodge I. O. O. F., No. 160, and Lake of the Woods Rebecca Lodge No. 196, will hold their Annual Picnic at Rocky Point, on Sunday, Augst 3rd. There is a good automobile road to the Picnic grounds.

The GOOD SHIP RESOLUTE, owned and navigated by our genial Brother, Capt. Fay Young, has been chartered for the use of those who wish to enjoy the pleasures of a lake trip. Boat will leave Resolute's dock, foot of Main Street, at 9:00 A. M. Fare, for round trip, will be, for Brothers, $1.00, Sisters 50c, Children over ten 25c, under ten free. We assure you of a good social time. Be sure to come, and have no after regrets.

The Lake of the Woods Good Fellowship Club,
Paul Marschalk, Pres.
Audrey Stein, Sec'y.

Valley Farmers Attend Meeting of Crops Ass'n At Crookston A. C. Tues.

A large attendance of plant breeders and pure seed specialists from this section of the state gathered at the Northwest Experiment Station on Tuesday of this week to inspect the new grain, corn and soybean varieties at the station and to discuss pure seed problems. Among those present were the following from Pennington county: Oluf, Gynther and Edwin Tessum, city; Mr. and Mrs. T. J. Sumpter and son Charles, and Paul Borgie, Hazel; Mr. and Mrs. H. C. Woolson, St. Hilaire; Ole Homme and son, Highlanding.

Beardless barley, Chippewa flax which is wilt resistant, and crosses between Victory and White Russian oats which have resulted in a new oats that is both resistant and stiff strawed aroused considerable interest. In addition plots showing crosses between marquis and durum wheats which are rust resistant and have milled well received special attention.

MAYFIELD NEWS

The Jesperson home was the scene of a delightful birthday party last Tuesday afternoon when Miss Alice, who is spending her vacation at home, was surprised by a number of her friends and relatives. Lunch brought by the self-invited guests was served at four o'clock, a birthday cake brot by Miss Haugen forming the center piece. The following were present to enjoy the occasion: Mesdames Wm. Jesperson, J. Larson, L. Klove, H. Cooper, N. O. Johnson, J. Carlson, O. Omdahl, J. Jesperson and Misses Alice Jesperson, guest of honor, Gina and Hannah Haugen, Ruth Omdahl, Margaret Carlson, Viola Stennes and Mabel Jesperson.

Miss Julia Langaas, who has been a guest at the Wedul home during the past week, left for Thief River Falls last Sunday, enroute for her home near Greenbush.

Misses Johanna Wedul and Bessie Hegland returned from Bemidji to their respective homes last Tuesday.

Mrs. A. Stennes and daughter, Viola, and Bertha and Luella Klove visited at the Wedul home Saturday afternoon.

Mrs. N. O. Johnson entertained a large group of young folks at her home Saturday in behalf of her son, Leland. The evening was spent in dancing. Refreshments were served at midnight.

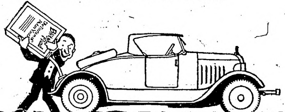
Rambeck & Stone

Treat Your Gasoline With:

Blitzen Fluid

"The Fountain of Motor Youth"



Blitzen Fluid added to your Gas-
Increases Mileage of Gas from 4 to 7 miles per gallon.

CARBON DEPOSITS, the most common and ruinous enemy to all gasoline motors, is the original cause of ninety per cent of motor troubles. Blitzen Fluid eliminates this serious handicap in motor engineering, as it softens the fiery coke-like carbon deposits and expels it through the exhaust. Once the motor is clean, Blitzen Fluid forms a film on the surface of the metal parts and makes it impossible for carbon to adhere to same.

When carbon is gone grinding of valves becomes the exception rather than the rule. Your motor valves and plugs will be kept clean and perform at their highest efficiency; carbon knocks and motor heating will disappear, starting will be easier and you will enjoy that extra power and smoothness of a clean well preserved motor.

Blitzen Fluid is used by men in the Auto Motive industry who know that it will not injure the most sensitive motor. It is produced by chemists to put and keep your motor in the state of highest efficiency and saves in gasoline and repair bills sufficiently to entirely or largely reduce the cost.

ADD 2 OUNCES OF Blitzen Fluid TO EACH 5 GALLONS OF GAS and give Blitzen Fluid a fair test in accordance with the condition of your motor. Notice the difference.

In your community Blitzen Fluid "The Fountain of Motor Youth" is sold at Pyramid pumps and service stations.

Sinking fund (C. D's)	16,429.48
Total	$124,915.33

L. M. RAYSON,
Treasurer.

LIST OF BIG CREAM CHECKS GROWING HERE

Patrons of Local Creamery Paid $27,580 During June, Secretary Bjerke Reports

51 RECEIVE CHECKS IN EXCESS OF $100

Engelstad Brings More Pounds Butterfat Than All But Two Patrons Have Cream

Patrons of the Thief River Falls Co-operative creamery were paid a total of $27,580 for butterfat during the month of June, according to the secretary, Thos. H. Bjerke, 138 patrons receiving checks in excess of $50 during that period. Of these 51 were paid more than $100 each, indicating that many of the dairymen in this vicinity are getting greater production from their cows. The showing made during June is considered very good, the pastures having suffered somewhat from the cool and dry weather the previous month.

The price paid for butterfat during June was 39 cents for sour and 42 cents for sweet cream. The greater portion of the cream received here is sweet and consequntly received the top price.

1172 Lbs. Butterfat in June

A record in production here was made last month by Peter Engelstad, who brought to the local creamery more pounds of butterfat than all but two of the other patrons ever brought pounds of cream, during a period of the same duration. A total of 1172 pounds, more than one-half ton, of butterfat was brought to the creamery by Mr. Engelstad during June. He is milking 50 cows all Guernseys, and is a firm believer in the silo and alfalfa as essentials of successful dairying.

The Thief River Falls creamery now has more than 300 monthly patrons, in addition to many who receive cash payments. The patron list is reported to be steadily growing, indicating that the institution is giving satisfactory service and returns.

MORTGAGE FORECLOSURE NOTICE

Default having been made in the payment in the sum of Two Hundred Thirty and 91-100 Dollars, which is claimed to be due at the date of this notice upon a certain mortgage, duly executed and delivered by Philip A. VonWald and Helle VonWald, his wife, mortgagors, to Olava Anderson, mortgagee, bearing the date of the 8th day of January, 1916 and with a power of sale therein contained, duly recorded in the office of the Register of Deeds in and for the county of Pennington and State of Minnesota, on the 10th day of January, 1916, at 11 o'clock A. M. in Book 13 of mortgages on page 195, and no action or proceeding have been instituted, at law or otherwise, to recover the debt secured by said mortgage or any part thereof,

NOW, THEREFORE, NOTICE IS HEREBY GIVEN, That by virtue of the power of sale contained in said mortgage, and pursuant to the statute in such case made and provided, the said mortgage will be foreclosed by a sale of the premises described in and conveyed by said mortgage, viz:

Lots numbered Four (4), Five (5), Six (6), Seven (7), Eight (8), Nine (9), Ten (10), Eleven (11), and twelve (12) in Block twenty-six (26) of Porter's Addition to the City of Thief River Falls, in the county of Pennington and, state of Minnesota. Which sale will be made by the sheriff of said Pennington County at the main front door of the Court House in the City of Thief River Falls, in said county and state on the 9th day of August, 1924, at 10 o'clock A. M., of that day, at public vendue to the highest bidder for cash to pay said debt of $230.91 and interest, and the taxes, if any, on said premises and Twenty-five Dollars ($25.00) attorney's fees as stipulated in and by said mortgage in case of foreclosure and the disbursements allowed by law; subject to redemption at any time within one year from the day of sale, as provided by law.

Dated June 18, 1924.

OLAVA ANDERSON,
Mortgagee.

H. O. CHOMMIE,
Attorney for Mortgagee,
Thief River Falls, Minn.

(July 17-Aug. 21)

NOTICE OF MORTGAGE FORECLOSURE SALE.

WHEREAS, default has been made in the condition of a certain Indenture of Mortgage, made, executed and delivered by Peter W. Korstad and Blanche Korstad, his wife, of Pennington County, Minnesota, as mortgagors, to the First and Peoples State Bank, Thief River Falls, Minnesota, a Minnesota corporation, as mortgagee, upon and covering the following described real property, lying and being in the County of Pennington, and State of Minnesota, to-wit:

The Northeast Quarter (NE¼), and the North Half of the Southwest Quarter (N½ SW¼), and the Southeast Quarter of the Southwest Quarter (SE¼ SW¼), and Lot One (1), Section Twenty-one (21), Township One Hundred Fifty-three (153) North, of Range Forty (40) West, of the Fifth Principal Meridian, containing Three Hundred Nineteen and 80-100 (319-80-100) acres, more or less, according to the United States Government Survey thereof, which said mortgage bears date the Thirteenth (13th) day of February, A. D., 1920, and was filed for record in the office of the Register of Deeds, in and for said County of Pennington, in the State of Minnesota, on the Twenty-seventh (27th) day of February, A. D., 1920, at 10:00 o'clock A. M., and was duly recorded in Book 13 of Mortgages, on page 571, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by assignment dated the Second (2nd) day of March, A. D. 1920, and filed for record in said Register of Deeds office on the Tenth (10th) day of March, A. D. 1920, at 1:00 o'clock P. M., and was duly recorded in Book 63 of Mortgages, on page 181, and

WHEREAS, said default consists in the failure of said mortgagor to pay an installment of interest due December First (1st), 1923, and failure to pay taxes, and

WHEREAS, by reason of the default made as aforesaid The Minnesota Mutual Life Insurance Company, as authorized by said mortgage and the notes thereby secured, has declared and does hereby declare the whole of said principal and accrued interest thereon to be immediately due and payable, and

WHEREAS, there is claimed to be due upon said mortgage and the notes thereby secured at the date of this notice the sum of Eight Thousand Seven Hundred Ten and 79-100 ($8,710.79) Dollars, being Eight Thousand ($8,000.00) Dollars principal and Seven Hundred Ten and 79-100 ($710.79) Dollars interest, and no action or proceedings at law or otherwise, has been instituted to recover the same or any part thereof,

NOW, THEREFORE, notice is hereby given that in and pursuant to the power of sale said mortgage contains, and the statute in such cases made and provided, the said mortgage will be foreclosed and the real property therein described will be sold by the Sheriff of said County of Pennington, in the State of Minnesota, or by his Deputy, at public auction to the highest bidder therefor for cash, at the East front door of the Pennington County, Minnesota, Court House, in the City of Thief River Falls, and in said County of Pennington, on Saturday, the Thirtieth (30th) day of August, A. D. 1924, at 10:00 o'clock in the forenoon of that day, to pay the amount which will then be due upon said mortgage, including taxes if any, and the costs and expenses of this foreclosure, also including an Attorney's fee of One Hundred ($100.00) Dollars as stipulated in said mortgage to be paid in case of foreclosure thereof.

Dated July 1st, 1924.

THE MINNESOTA MUTUAL LIFE INSURANCE COMPANY,
Assignee of Mortgagee.

S. GRANT HARRIS,
Attorney for Assignee of Mortgagee,
11th Floor Commerce Building,
St. Paul, Minnesota.

June 26-July 31

Notice of Mortgage Foreclosure Sale

Default having been made in the terms and conditions of that certain mortgage made, executed and delivered by Cash Waldron and Annie Waldron, his wife, mortgagors to The Farmers and Merchants State Bank of Oklee, mortgagee bearing date the 1st day of January, 1919 and recorded in the office of the Register of Deeds in and for said Pennington County in the State of Minnesota on the 13th day of January, 1919 at 8 o'clock A. M. in Book 53 of Mortgages on page 634 thereof, which said mortgage and the debt secured thereby was duly assigned by the said mortgagee to Ellsworth and Jones (Incorporated) by an instrument in writing bearing date the 15th day of May, 1921 and duly recorded in the office of the said Register of Deeds on the 18th day of June, 1924 at 1 o'clock P. M. in Book 63 of Mortgages on page 343 thereof, and the said mortgagee and its assigns have paid two interest coupons on the prior mortgage each in the sum of $42.00 paid under the terms and conditions of the said mortgage and with accrued interest thereon amounting to the sum of Ninety two and 86-100 dollars ($92.86) and that there is now due and claimed to be due under the terms and conditions of the said mortgage, including the aforesaid sum, the sum of One Hundred Twelve and 28-100 dollars ($112.28) and no action or proceeding at law or otherwise has been instituted to collect the said indebtedness or any part thereof.

Now, therefore, notice is hereby given that by virtue of the power of sale in the said mortgage contained and the statute in such case made and provided the said mortgage will be foreclosed by a sale of the property therein described and thereby conveyed lying and being in the County of Pennington in the State of Minnesota described as follows, to-wit:

The West half of the Southeast quarter of Section No. Nine (9) in Township No. One Hundred Fifty two (152) North of Range No. Thirty nine (39) West of the 5th P. M., which sale will be made by the sheriff of the said Pennington County at the front door of the said county Court House in the City of Thief River Falls in the County of Pennington in the State of Minnesota on Saturday the 9th day of August, 1924, at 10 o'clock A. M. of that day, at public vendue, to the highest bidder for cash, to pay the said indebtedness in the sum of One Hundred Twelve and 28-100 dollars ($112.28) unpaid taxes, if any on said premises together with an attorney's fee in the sum of $25.00 and the costs and disbursements allowed by law, subject to redemption at any time within one year from the date of sale as provided by law.

Dated June 21st, 1924.

(July 17-Aug. 21)

NOTICE OF MORTGAGE FORECLOSURE SALE.

Whereas, default has been made in the conditions of a certain Indenture of Mortgage, made, executed and delivered by Anton Knudson and Ada Knudson, his wife, of Pennington County, Minnesota, as mortgagors, to the Citizens State Bank of Thief River Falls, a Minnesota corporation, as mortgagee, upon and covering the following described real property lying and being in the Counties of Pennington and Marshall, and State of Minnesota, to-wit:

The Southeast Quarter (SE¼) of Section Ten (10); Northwest Quarter of the Northwest Quarter (NW¼ NW¼) of Section Fourteen (14); Northeast Quarter of Northeast Quarter (NE¼ NE¼) of Section Fifteen (15); South Half of the Northwest Quarter (S½ NW¼) and the Northwest Quarter of the Northwest Quarter (NW¼ NW¼) of Section Eleven (11), all in Township One Hundred Fifty-four (154) North of Range Thirty-nine (39) West of the Fifth Principal Meridian, containing Three Hundred Sixty (360) acres, more or less, according to the Government survey thereof, which said mortgage bears date the First (1st) day of December, A. D., 1919, and was filed for record in the office of the Register of Deeds in and for said Pennington County, in the State of Minnesota, on the Twenty-second (22nd) day of December, A. D. 1919, at 4:00 o'clock P. M., and was duly recorded in Book 12 of Mortgages, on page 534, and was also filed for record in the office of the Register of Deeds in and for said Marshall County, in the State of Minnesota, on the Ninth (9th) day of January, A. D. 1920, at 2:00 o'clock P. M., and was duly recorded in Book 93 of Mortgages, on page 551, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by two assignments dated the Eighth (8th) day of July, A. D. 1920, one filed for record in said Register of Deeds office of Pennington County, on the Twenty-first (21st) day of September, A. D. 1920, at 1:00 o'clock P. M., and was duly recorded in Book 63 of Mortgages, on page 244, the other filed for record in said Register of Deeds office of Marshall County, on the Twenty-first (21st) day of September, A. D. 1920, at 2:00 o'clock P. M., and was duly recorded in Book 98 of Mortgages, on page 606, and

WHEREAS, said default consists in the failure of said mortgagors to pay an installment of interest due December First (1st), 1923 and failure to pay taxes, and

WHEREAS, by reason of the default made as aforesaid The Minnesota Mutual Life Insurance Company, as authorized by said mortgage and the notes thereby secured, has declared and does hereby declare the whole of said principal and accrued interest thereon to be immediately due and payable, and

WHEREAS, there is claimed to be due upon said mortgage and the notes thereby secured at the date of this notice the sum of Six Thousand Five Hundred Thirty-three and 10-100 ($6,533.10) Dollars, being Six Thousand ($6,000.00) Dollars principal and Five Hundred Thirty-three and 10-100 ($533.10) Dollars interest, and no action or proceedings at law or otherwise, has been instituted to recover the same or any part thereof,

NOW, THEREFORE, notice is hereby given that in and pursuant to the power of sale said mortgage contains, and the statute in such cases made and provided, the said mortgage will be foreclosed and the real property therein described will be sold by the Sheriff of said County of Pennington, in the State of Minnesota, or by his Deputy, at public auction to the highest bidder therefor for cash, at the East front door of the Pennington County, Minnesota, Court House, in the City of Thief River Falls, and in said County of Pennington, on Saturday, the Thirtieth (30th) day of August, A. D. 1924, at 10:00 o'clock in the forenoon of that day, to pay the amount which will then be due upon said mortgage, including taxes if any, and the costs and expenses of this foreclosure, also including an Attorneys' fee of One Hundred ($100.00) Dollars, as stipulated in said mortgage to be paid in case of foreclosure thereof.

Dated July 1st, 1924.

THE MINNESOTA MUTUAL LIFE INSURANCE COMPANY,
Assignee of Mortgagee.

S. GRANT HARRIS,
Attorney for Assignee of Mortgagee,

St. Paul, Minnesota.

(July 17-Aug. 21)

NOTICE OF MORTGAGE FORECLOSURE SALE.

WHEREAS, default has been made in the conditions of a certain Indenture of Mortgage, made, executed and delivered by Henry Runnestrand and Clara Runnestrand, his wife, of Pennington County, Minnesota, as mortgagors, to the Citizens State Bank of Thief River Falls, Minnesota, a Minnesota corporation, as mortgagee, upon and covering the following described real property, lying and being in the County of Pennington, and State of Minnesota, to-wit:

The Southwest Quarter (SW¼) of Section Four (4) in Township One Hundred Fifty-three (153) North, of Range Forty-one (41) West of the Fifth Principal Meridian in Minnesota, containing One Hundred Sixty (160) acres, more or less, according to the Government Survey thereof, which said mortgage bears date the Fifteenth (15th) day of December, A. D. 1921, and was filed for record in the office of the Register of Deeds in and for said County of Pennington, in the State of Minnesota, on the Seventh (7th) day of February, A. D. 1922, at 3:00 o'clock P. M., and was duly recorded in Book 12 of Mortgages, on page 629, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by assignment dated the Fifteenth (15th) day of February, A. D., 1922, and filed for record in said Register of Deeds office on the Eighteenth (18th) day of February, A. D., 1922, and was duly recorded in Book 63 of Mortgages, on page 402, and

WHEREAS, said default consists in the failure of said mortgagors to pay an installment of interest due December Fifteenth (15th), 1923, and failure to pay taxes, and

WHEREAS, by reason of the default made as aforesaid The Minnesota Mutual Life Insurance Company, as authorized by said mortgage and the notes thereby secured, has declared and does hereby declare the whole of said principal and accrued interest thereon to be immediately due and payable, and

WHEREAS, there is claimed to be due upon said Mortgage and the notes thereby secured at the date of this notice the sum of Two Thousand Seven Hundred Seventy-six and 95-100 ($2,776.95) Dollars, being Two Thousand Five Hundred ($2,500.00) Dollars principal, and Two Hundred Seventy-six and 95-100 ($276.95) Dollars interest, and no action or proceedings at law or otherwise has been instituted to recover the same or any part thereof.

NOW, THEREFORE, notice is hereby given that in and pursuant to the power of sale said mortgage contains, and the statute in such cases made and provided, the said mortgage will be foreclosed and the real property therein described will be sold by the Sheriff of said County of Pennington, in the State of Minnesota, or by his Deputy, at public auction to the highest bidder therefor for cash, at the East front door of the Pennington County, Minnesota Court House, in the City of Thief River Falls, and in said County of Pennington, on Saturday, the Thirtieth (30th) day of August, A. D. 1924, at 10:00 o'clock in the forenoon of that day, to pay the amount which will then be due upon said mortgage including taxes, if any, and the costs and expenses of this foreclosure, including an Attorney's fee of Fifty ($50.00) Dollars, as stipulated in said mortgage to be paid in case of foreclosure thereof.

Dated July 1st, 1924.

NOTICE OF TAX JUDGEMENT SALE FORFEITED LANDS

Notice is hereby given that all parcels of land bid in for the state and not assigned to purchasers or redeemed within three (3) years from the date of the tax sale at which they were offered, shall be disposed of as provided by Section 2127 and 2128 General Statutes of 1913 and acts amendatory thereof.

Pursuant to the Statutes in such case made and provided, I shall on Monday, the 11th day of August A. D. 1924, at 10 o'clock in the forenoon, at the office of the County Auditor at the Court House in the City of Thief River Falls, and County of Pennington, State of Minnesota, sell said lands which are charged with taxes, penalties and costs and on which taxes shall not have been previously paid.

Dated at the City of Thief River Falls, this 18th day of July, 1924.

T. P. ANDERSON,
Auditor of Pennington County, Minn.

If some one we don't like has real wits, it is a human failing to dislike them twice as much.

(July 17-Aug. 21)

NOTICE OF MORTGAGE FORECLOSURE SALE.

WHEREAS, default has been made in the conditions of a certain Indenture of Mortgage, made, executed and delivered by E. P. Heggestuen, a widower, of Pennington County, Minnesota, as mortgagor, to the Citizens State Bank of Thief River Falls, Minnesota, a Minnesota corporation, as mortgagee, upon and covering the following described real property, lying and being in the County of Pennington and State of Minnesota, to-wit:

The Southeast Quarter (SE¼) of Section Eight (8), in Township One Hundred Fifty-three (153) North, of Range Forty (40) West of the 5th Principal Meridian, containing One Hundred Sixty (160) acres, more or less, according to the Government survey thereof, which said mortgage bears date the First (1st) day of December, A. D. 1919, and was filed for record in the office of the Register of Deeds, in and for said County of Pennington, in the State of Minnesota, on the Eighth (8th) day of December, A. D. 1919, at 1:00 o'clock P. M., and was duly recorded in Book 12 of Mortgages, on page 530, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by assignment dated the Seventeenth (17th) day of June, A. D. 1920, and filed for record in said Register of Deeds office on the Fifteenth (15th) day of July, A. D. 1920, at 1:00 o'clock P. M., and was duly recorded in Book 63 of Mortgages, on page 221, and

WHEREAS, said default consists in the failure of said mortgagor to pay an installment of interest due December First (1st), 1923, and failure to pay taxes, and

WHEREAS, by reason of the default made as aforesaid The Minnesota Mutual Life Insurance Company, as authorized by said mortgage and the notes thereby secured, has declared and does hereby declare the whole of said principal and accrued interest thereon to be immediately due and payable, and

WHEREAS, there is claimed to be due upon said mortgage and the notes thereby secured at the date of this notice the sum of One Thousand Six Hundred Thirty-three and 28-100 ($1,633.28) Dollars, being One Thousand Five Hundred ($1,500.00) Dollars principal and One Hundred Thirty-three and 28-100 ($133.28) Dollars interest, and no action or proceedings at law or otherwise, has been instituted to recover the same or any part thereof.

NOW, THEREFORE, notice is hereby given that in and pursuant to the power of sale said mortgage contains, and the statute in such cases made and provided, the said mortgage will be foreclosed and the real property therein described will be sold by the Sheriff of said County of Pennington, or by his Deputy, at public auction to the highest bidder therefor for cash, at the East front door of the Pennington County, Minnesota, Court House, in the City of Thief River Falls, and in said County of Pennington, on Saturday, the Thirtieth (30th) day of August, A. D. 1924, at 10:00 o'clock in the forenoon of that day, to pay the amount which will then be due upon said mortgage, including taxes if any, and the costs and expenses of this foreclosure, also including an Attorney's fee of Fifty ($50.00) Dollars, as stipulated in said mortgage to be paid in case of foreclosure thereof.

MORTGAGE FORECLOSURE SALE

Whereas default has occurred in the conditions of that certain mortgage made by John J. Stenvik and Nelsine Stenvik, his wife, mortgagors to the Citizens State Bank of Thief River Falls, a corporation, mortgagee, dated the 20th day of December, 1919, and with a power of sale therein contained recorded in the office of the Register of Deeds of the county of Pennington and State of Minnesota on the 25th day of May, 1920 at 2:15 o'clock P. M., in Book 61 of mortgages on page 441, such default consisting in the non-payment of the installments upon the said mortgage in the sum of Thirty-seven and 50-100 Dollars ($37.50) each due respectively on the first day of December in the years 1920, 1921, 1922 and 1923, and, whereas, the said mortgagee has declared and does hereby declare the whole sum secured by said mortgage to be due and payable and, whereas, the said mortgagee did pay as they became due the installments of interest upon a prior mortgage in the principal sum of Three Thousand Dollars ($3000.00) such interest being due and payable on said prior mortgage on December 1, 1920, December 1, 1921 and December 1, 1922 respectively and whereas there is now claimed to be due and is due at the date of this notice upon said mortgage first above described the sum of Eight Hundred Forty-nine and 79-100 Dollars ($849.79) including the interest on said prior mortgage paid as aforesaid, and no action or proceeding having been instituted at law or otherwise to recover the debt secured by said mortgage or any part thereof.

NOW, THEREFORE, NOTICE IS HEREBY GIVEN, That by virtue of the power of sale contained in said mortgage and pursuant to the statute in such case made and provided, said mortgage will be foreclosed by a sale of the premises described in and conveyed by said mortgage, to-wit:

South half of the Southwest quarter (S½SW¼) of section Twenty-eight (28) and North half of Northwest quarter (N½NW¼) of Section Thirty-three (33) in township One Hundred Fifty-four (154) north of Range Thirty-nine (39) West of the fifth principal Meridian, in the county of Pennington and State of Minnesota, which sale will be made by the Sheriff of Pennington county, at the main front door of the Court House in the City of Thief River Falls, in the said county and state, on the 9th day of August, 1924, and at 10 o'clock A. M., of that day, at public vendue, to the highest bidder for cash to pay said debt of $849.79 and the interest and taxes, if any, and Twenty-five Dollars ($25.00) attorney's fees and the disbursements allowed by law, subject to redemption at any time within one year from the day of sale as provided by law.

Date June 14th, 1924.

CITIZENS STATE BANK, OF THIEF RIVER FALLS, A CORPORATION, Mortgagee
By A. J. Veigel, as Superintendent of Banks of the State of Minnesota.

H. O. CHOMMIE,
Attorney for Mortgagee,
Thief River Falls, Minn.

July 31-Sept. 4

Notice of Mortgage Foreclosure Sale.

Default has been made in the conditions of a mortgage dated January 26th, A. D. 1921, made and executed by Harris F. Atwood and Effie C. Atwood, his wife, Perry M. Atwood and Myrtle Atwood, his wife, Arthur H. Atwood and Blanche Lidia Atwood, his wife, mortgagors, and delivered by them to the State Bank of Viking, a corporation, mortgagee, and recorded in the office of the Register of Deeds in and for the County of Pennington, State of Minnesota, on the 15th day of February, A. D. 1921, at 8 o'clock A. M. in Book 4 of Mortgages on page 622.

Which said mortgage together with the debt secured thereby was duly assigned by an instrument in writing, dated the 24th day of March, A. D. 1921, by said State Bank of Viking, a corporation, to The Lincoln National Life Insurance Company, a corporation, and duly filed and recorded in the office of the Register of Deeds in and for said County of Pennington, State of Minnesota on the 24th day of March, A. D. 1921 at 5 o'clock P. M. in Book 64 of Mortgages on Page 302.

Said default consists in the failure to pay the sum of Four Hundred Twenty Dollars ($420.00) which became due and payable on the 26th day of January, A. D. 1924, and whereas, The Lincoln National Life Insurance Company, a corporation, assignee of mortgagee and holder of said mortgage has duly elected and does hereby elect to declare the whole principal sum of said mortgage due and payable at the date of this notice under the terms and conditions of said mortgage and the power of sale therein contained, and whereas there is actually due and claimed to be due and payable at the date of this notice the sum of Six Thousand Six Hundred Thirty-Two and 99-100 Dollars ($6,632.99) and whereas, the said power of sale has become operative and no action at law or otherwise having been instituted to recover the debt secured by said mortgage or any part thereof;

Now, Therefore, notice is hereby given that by virtue of the power of sale contained in said mortgage and pursuant to the statute in such case made and provided, said mortgage will be foreclosed by a sale of the premises described in and conveyed by said mortgage, which said premises are situate in the said County of Pennington, State of Minnesota, and more particularly described as follows, to-wit:

The East Half (E½) of Section numbered Thirty-four (34) in Township numbered One Hundred Fifty-four (154) North of Range numbered Forty-five (45) West of the Fifth principal Meridian, containing Three Hundred Twenty (320) acres, more or less, according to the government survey thereof, together with all hereditaments and appurtenances thereunto belonging.

Said sale will be made by the Sheriff of said Pennington County, State of Minnesota, at the front door of the Court House in the City of Thief River Falls, in said County of Pennington, State of Minnesota on the 12th day of September, A. D. 1924 at 10 o'clock A. M. of that day, at public vendue to the highest bidder for cash to pay said debt and interest, and the taxes if any, on said premises, together with the costs and disbursements of foreclosure and expenses allowed by law including One Hundred Dollars ($100.00) attorney's fees as stipulated in said mortgage in case of foreclosure, subject to redemption at any time within one (1) year from date of said sale.

Dated July 23, 1924.

THE LINCOLN NATIONAL LIFE INSURANCE COMPANY,
a corporation,
Assignee of Mortgagee.

Notice to Well Contractors

Sealed bids will be received by the Oakland Park Sanatorium Commission up to 6 P. M. August 4th, 1924 for the construction of a well on the Sanatorium ground, according to specifications to be submitted by the Commission. Bids to cover completed well of six and eight inch size ready for operation.

Board reserves right to reject any or all bids.

OAKLAND PARK SANATORIUM
j24-31 Thief River Falls, Minn.

J. J. Vornchek and son Charles returned Monday evening from Mahnomen where they spent a week looking after farm interests. They report that not sufficient rain had fallen in that section but that the crops look quite promising.

DELEGATION VISITS NORTHWEST SCHOOL-VIEWS EXPERIMENTS

Tour to Experiment Station Enjoyed by Small Group—Much is Learned

Only a small group represented Thief River Falls and Pennington county in the community visit to the Northwest School of Agriculture near Crookston last Thursday, the majority of farmers being busy haying. This is the first time an event of this kind has been attempted here and it is hoped that a larger number will take part next year, the plan being to make the visit an annual affair.

Arriving at the farm station the local delegation was met by a committee of Crookston business men and members of the school staff who joined in a picnic dinner on the campus. Prior to the tours of inspection Superintendent C. G. Selvig gave a brief history of the development of the experiment station since its establishment in 1895.

The land on which it is situated, a tract of 570 acres, was donated by J. J. Hill, president of the Great Northern railway. At this time 50 acres of the weed infested land were tillable, the remainder of the farm was a swamp and duck pond. Surface drainage was relied upon until in 1909 when an experimental underdrainage system of tile lines was established. In 1911 about one-half of the farm was virgin land and in this year experimental work was systematically begun and the entire farm brought under cultivation.

The Northwest school, established in 1906, has grown from 31 students to 501 in 1919, with the present average between 200 and 300. Quite a number of boys and girls from Pennington county attended last year and many alumni are now scattered thruout the community. Emphasis was made upon the experimental phase of the school and that it is maintained by the entire state of Minnesota as a part of the state university. Every taxpayer supports the institution and should interest himself in its accomplishments.

It was pointed out by members of the staff of the Northwest school, who showed the visitors around the station, that agricultural facts are determined by actual field trials over a period of years. The experimental field plots are so conducted as to make direct comparisons between plots or lots receiving various treatments or care. Experiments are carried on to find out best practices, not to demonstrate them. Farmers were urged to take advantage of the many experiments carried out at the station from time to time. A great deal is found out as to adaptability of seed varieties, which could be easily ascertained at this time of the season with all the grain crops heading out.

The men were accompanied by R. S. Dunham, agronomist, and T. M. McCall, horticulturist, while the women were given poultry demonstrations by A. M. Pilkey of the poultry department and canning demonstrations by Miss Fannie Lippit of the home economics department.

Wonderful results have been attained in creating new varieties of seed grains, the Northwest station now growing a Velvet barley which can be handled without gloves because the teeth have been bred off the beards. Chippewa flax, which is wilt-resistent, is also a new variety that can be seen at the station this year.

Crosses between Victory and White Russian oats have made a new oats that is both rust-resistant and stiff-strawed. Crosses between Marquis and Durum wheats are rust-resistant and have milled well.

Recommendations regarding adaptability of varieties are made after a series of experimentations, and farmers of the Northwest could be saved immense sums if these recommendations weer followed.

A considerable quantity of pedigreed seed is being raised at the station, which is sold to farmers of the valley.

A great deal is also being accomplished in the animal husbandry division which contains herds of 21 Holsteins, 24 Shorthorns, 5 Guernseys, 28 beef steers, 112 hogs and 70 Shropshire sheep. Much poultry is being raised, some of which is sold as breeding stock and some consumed at the school. The vegetable requirements of the school are met by the station gardens.

Farm clubs and community organizations thruout the Red River valley have sponsored tours to the station the past summer, practically every day being taken up. From some places delegations of several hundred persons have attended.

MUCH POULTRY IN THIS TERRITORY, NORBY DECLARES

Manager Reports Many New Members Thruout Valley in Intensive Campaign

Workers for the recently organized Thief River Valley Co-operative Egg and Poultry Marketing association are reporting much interest in the movement thruout the district, producers signing up membership agreements at an encouraging rate. So far approximately 700 members have been secured and present indications are that the quota will be reached within a short time, according to B. O. Norby, who has been secured by the directors of the association to take charge of the campaign and has been offered the position as permanent manager.

Farmers in the Erskine, Winger and Brooks localities were visited Monday by Mr. Norby and Olaf Neset, president of the association, who state that they were met with much enthusiasm. On the same day Elmer Tandberg made a trip thru the vicinity of Angus and Radium where a number of farmers were lined up. A meeting of producers in that locality will be held this evening, Neset and Tandberg being scheduled to address the gathering.

Stuart McLeod, prominent Goodridge farmer and Guernsey breeder, has been canvassing the eastern territory. Thursday of last week he signed up many new members at the Tri-county Farm club meeting south of Grygla. It is reported that the Grygla community has a membership of 80, many farmers there being heavy poultry producers.

A trip thru Lancaster, Karlstad and Halma last Saturday indicates a great deal of interest in those communities, Norby and Tandberg report. A thoro canvass of that territory will be made later.

The largest producer signed up so far is Mrs. Books, near Oklee who has 600 chickens. Another near Winger has 500. Mr. Norby states that in his travels thru this district he has found a marked increase in the poultry business the last few years, with indications of a heavy export of eggs, poultry and turkeys from now on. Farmers have learned that big returns can be realized from the hen when properly cared for and with proper marketing methods.

As soon as 1,000 members are signed up the local marketing association will begin operating.

Delinquents Pay Up

Nearly $4,000 in delinquent personal property tax has been collected in Pennington county by Sheriff O. L. Ihle since May 1. The total to be collected is about $6,000.

STRANDQUIST LOSES TO LOCALS BUT ST. HILAIRE WINS ONE

Thursday's Game Won 5-9 But Picked Team Sunday Wallops T. R. F. 10 to 1

Thursday's base ball game ended in a victory for Thief River Falls, with a score of 9-5. The locals started out with a few errors in the first inning and when the Strandquist nine came up to bat they made two runs. When the second inning ended with a score of 4-0 in favor of the visitors, the locals "stepped on her" and in the third inning sent four men around the diamond. In the fourth inning they made five more runs which left the Strandquist team as many behind. Hard hitting characterized Thursday's game. Two neat catches were made by Howe in center field. Following is the box score:

Strandquist—	AB	R	H	PO	A	E
Anderson, lf.	3	0	0	0	0	0

Totals	32	9	11	18	10	7

St. Hilaire was the victor in Sunday's ball game when the team representing them scored over the local aggregation to the tune of 10 to 1. The winners exhibited the best brand of baseball shown on the local diamond this year and played a hard hitting and errorless game.

The locals, despite a few errors, exhibited a good brand of ball and with a strictly local team did well in keeping the game within the resultant limits against the picked team of the district which carried the St. Hilaire pennant. A fairly good sized crowd witnessed the game but it is declared the team needs more financial backing in order to continue:

Following is the box score:

Banner Fair of Northwestern Minnesota Opens Gates Wide On Thursday Morning, Aug. 7

(Continued from page 1.)

ed up to Monday, the last day for entries. They include animals from the finest herds in the country. Among outsiders who will show here are Albert Paradis of Brooks, who has 20 Aberdeen-Angus, and Franks Brothers of Warren, who will exhibit about 20 head of Herefords. The regular barns have already been filled, additional room to be provided in the sheds. Fred Beerbower is in charge.

Judging of livestock will commence on Thursday, the premium winners to be announced in front of the grand stand. Livestock parades will feature the programs of Friday and Saturday afternoons. Hogs, sheep and poultry will also be exhibited in large numbers and may be entered until the first day of the fair.

All boys and girls who have entered club work in this county are entitled to compete in the dairy judging contest Thursday afternoon, the two winners to be awarded a free trip to the state fair in addition to cash prizes, which will also be received by all other contestants.

Hint to Club Workers

It is pointed out by Mr McCann that all who enter the dairy calf contest should accompany their calf with a story on the project. First and second prizes include free trips to the state fair, and the boy or girl having the grand champion calf will be given a free trip to the International Livestock show in Chicago and the winner in the Holstein exhibit a purebred Holstein sire awarded by the local Holstein Breeders' association. Seventeen have entered so far.

Entries are also being made in the sheep, pig and poultry divisions, the winners of which will also receive free trips and liberal premiums. All the winners *will be announced before the* grand stand Friday afternoon. S. E. Hunt has charge of club exhibits and also agricultural entries.

Women's Exhibits

The women's departments will be far superior to the usual exhibitions, says Mrs. H. W. Froehlich, superintendent. The heads of the various divisions have spared no effort to make it one that is worth the while and demonstrates something. Many changes were made from last year's premium list and those who plan to exhibit in the flower, art, fancy needle work or culinary divisions should look over them any attractive prizes offered.

The revision included the addition of a practical department which will demonstrate plain sewing, economical house dresses and other practical things around the house. It is hoped that a large number of women thruout the county will partake in this new feature. Mrs. Herbert Fuller and Mrs. Geo. Booren are in charge.

Women in charge of other departments are: Art—Mrs. Nate Harris; fancy work—Mrs. Daniel Shaw and Mrs. Bert Walker; flowers—Mrs. Nels Christianson, Mrs. Fred Herrick and Mrs. Albert Johnson; culinary—Mrs. A. Heggan and Mrs. W. W. Prichard, Jr. The usual school exhibits will also be in evidence. Mrs. Ed. Hill is in charge of a health exhibit.

Indications are that the agricultural exhibits will also be plentiful, as the crops at this time look particularly promising.

Grand Fireworks

The fireworks display by the Thearle-Duffield company of Chicago is the grandest that has ever been secured for a fair here. It is the same display as was put on at the Grand Forks fair recently and is without a doubt something worth going miles to witness.

In addition to the grand stand, bleachers will also be provided this year, those used by the high school at the basketball tournament being secured for all three days. Admission to the fair grounds is set at 35 cents for adults and 25 cents for children. Season tickets may be obtained at Secretary McCann's office for $2.00.

Crops Look Good In Grygla Country

C. W. Mattson and family autoed to Grygla Sunday afternoon and visited at the home of Mr. and Mrs. H. E. Mussey, publishers of the Grygla Eagle. Mr. and Mrs. Mussey are both very proud boosters of the Grygla country and took the Mattsons for an inspection tour of the farms in that vicinity and pointing out many very prosperous looking farms with crops that are looking very good, and will produce big yields this year.

They stopped at the farm home of Mr. and Mrs. Charles Bucholz and inspected his half section farm. Mr. Bucholz also professes great faith in the country. He showed the visitors some excellent fields of grain and hay, and a herd of Holstein cattle that are hard to beat anywhere.

Both Mr. Mussey and Mr. Bucholz are of the opinion that the land in that vicinity is the very best and with up-to-date farmers on the land it will bring big returns.

Carl Franson from Warren visited with friends here Sunday.

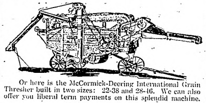
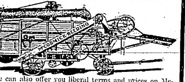
Threshing
The Golden Grain
How would you like to do some threshing in 1924 with a Grain Separator that has proven satisfaction, second to none, right in Pennington County and all parts of the world?
IF EVER THERE WAS A LIBERAL PROPOSITION HERE IT IS—
The New Racine 24-40 Separator complete, fully equipped
$200.00 and freight cash
$236.00 this fall
$300.00 next fall
$300.00 fall of 1926
The New Racine 20-32 Fully Equipped, only
$170.00 and freight cash
$200.00 this fall
$255.00 next fall and
$255.00 fall of 1926
Built for the small tractors
No interest until this fall, no matter when you buy. Further discounts from above prices on shorter term payments.



Or here is the McCormick-Deering International Grain Thresher built in two sizes: 22-38 and 28-46. We can also offer you liberal term payments on this splendid machine.



We can also offer you liberal terms and prices on McCormick-Deering 15-30 Tractors or McCormick-Deering 10-20 Tractors. We also have other bargains in tractors, new and second hand.
We are here to serve you and believe that we can sell you an outfit that will prove a profitable investment and hope to have you call on us if interested. And if not interested perhaps you ought to be and will be after reading the above and then seeing the machines, and we have them.
Yours for service,
C. Gustafson & Son

THIEF RIVER FALLS TIMES
Volume 14. Thief River Falls, Pennington County, Minnesota, Thursday, August 7, 1924 Number 27

LEGION CONVENTION HERE NEXT YEAR

Pennington's Greatest Fair Opens Today

SCHALL TO ADDRESS CROWDS AT FAIR TOMORROW-MAGNUS JOHNSON SPEAKS SATURDAY

Event Opens With Entries Of Wonderful Displays in Every Department

AMUSEMENT FEATURES WILL THRILL CROWDS

Indications that Event Will Surpass All Others in History of Pennington County

Pennington county's twenty-third annual fair is now in full swing at the fair grounds in Thief River Falls, with every indication that it will surpass all previous records in attendance, number and quality of exhibits and general excellence of free attractions. The gates to this greatest of northern Minnesota exhibitions were swung open to the public this morning, the forenoon being taken up largely in making entries.

As this goes to press large crowds are already being noted at the fair grounds, bidding favorably for a big turnout of local and outside people from the entire valley during the three days, providing the weather man is reasonable. This evening the "white way" will be in full operation and the city is expected to turn out en masse to enjoy the many amusement features provided by the C. F. Zieger Shows, where the kiddies, as well as older persons who enjoy it, may ride in the ferris wheel, merry-go-round and the sea plane, in addition to viewing the free acts and display of fireworks.

Thousands of children invaded the grounds today, 10,000 free tickets for the opening day being distributed to children under high school age thruout the entire territory tributary to Thief River Falls. Distribution was made by merchants in 22 towns of this section. It is proving a popular stunt and will greatly swell the crowds for the first day.

Candidates to Speak

As has been announced previously Minnesota's dirt-farmer senator, Magnus Johnson, will speak here on Saturday afternoon at 2 o'clock, and in addition Thomas Schall, the blind congressman from Minnesota and Republican senatorial candidate opposing Johnson on the Farmer-Labor ticket, has been secured to address the crowds tomorrow, Friday, afternoon.

Much interest centers around these two men in this fall's campaign and it is needless to say that both will be heard by immense crowds. Both are forceful speakers and are filling speaking engagements thruout the state.

Unusual Attractions

The management deserves much credit for the high grade of free attractions furnished fair visitors this year. Races of all kinds, including several novelty events, are provided by Hoaglan's Gigantic Hippodrome which will present ten free acts, while acrobatic stunts are performed by the Carlson sisters, aerialists, special numbers by Chelcott's Novelty Troupe and Lester, Bell & Griffin, comedians.

A total of seventeen free acts are scheduled for each afternoon and evening, a varied program being offered each time.

New Fireworks Features

The programs this evening and tomorrow night will wind up with an extraordinarily elaborate display of fireworks, put on by the Thearle-Duffield company, greatest producers of fireworks in the country.

Two feature subjects have been arranged by Thearle-Duffield and the directors, in addition to the regular program of rockets, shells, bombs, set pieces and other displays. One of them will be "The Head on Collision," and the other, "The Bombardment of Fort McHenry." These two features have never before been offered in this state, and are the result of much experimenting and laboratory work during the past winter at the Thearle-Duffield plant in Roby, Indiana.

Wonderful Exhibits

Every department of the fair shows up well and exhibits in many lines surpass those of previous years. Especially is this true of the livestock, more than 150 head of cattle being entered in this division. Excellent specimens of Guernsey, Holstein, Shorthorn and other types of cattle are on exhibition by farmers of this community who are showing increased interest in the event. A big livestock parade will be staged on Friday afternoon in front of the grandstand. Entries of sheep, hogs and poultry indicate that Pennington farmers are headed in the right direction.

Grain exhibits are also taking a prominent place, the excellent crop conditions at this time being particularly favorable for displays.

Every inch of space in the Woman's building is filled with something of interest to visitors. Fancy work of all kinds, the culinary department, samples of work from country and city schools, horticultural display and special booths are only a few of the things found in the building.

Theodore Thompson

Theodore Thompson of Duluth, aged about 48, who attempted suicide Sunday of last week, died from the wound Saturday morning. Interment will be made in Greenwood cemetery this week. A sister in Norway survives to mourn his death.

STORES CLOSING FRIDAY p. m.

Tomorrow, Friday, afternoon will be Thief River Falls day at the Pennington county fair, as all business places in the city which can conveniently do so will close up at 12 o'clock noon to give proprietors and employees opportunity to visit the fair grounds, view the exhibits and take in the programs. It is expected that a majority of the merchants will follow this idea which is customary during fair time, the Commercial club committee in charge deeming Friday afternoon the most convenient time for closing up the city for general attendance at the fair.

SENATOR MAGNUS JOHNSON who will give an address at the Pennington county fair in Thief River Falls on Saturday, August 9, at 2 p. m. Thousands are expected to attend the fair on that day to hear Minnesota's dirt farmer senator.

FEATURE EXHIBITS BY BOYS AND GIRLS

Pennington County Fair Lays Special Stress on Work Done By Juniors

Exhibits by boys and girls enrolled in junior club work are among the many features on the educational program of the Pennington county fair starting today.

A large group of boys and girls of this county have entered the various contests under the supervision of S. E. Hunt. Club projects carried out under the direction of County Agent J. J. McCann which have proved popular in Pennington county will be emphasized.

The progress that the youths of the county have made along practical lines will be visualized in the dairy calf, pig, sheep and poultry exhibits, and also in the dairy judging contest which takes place this afternoon under the direction of A. J. Kittelson of Crookston, district boys' and girls' club leader.

The usual large number of articles are shown in the industrial department, including charts, maps, booklets, posters, samples of wood work, sewing and other occupational work entered by pupils of the county. These are of particular interest to the children who visit the fair. Miss Mary Ann Votava is in charge of the rural school exhibits, while Misses Emma Tandberg and Minnie Leavitt take charge of the displays from the city schools.

Local Young Man Pays $13 For Speeding on Streets

Speeding on the streets of Thief River Falls cost Roy Favrow, local young man, $13 when brought before Judge N. W. Tarrant in municipal court on Wednesday, July 30. The arrest was made by Chief of Police A. D. Ralston. The fine and costs were paid promptly.

"Next time you are brought here for speeding," the judge told the young man, "it will mean parting with $25 and spending 90 days in the city jail. There is no need of such hurry thru the streets of this city."

Judge Tarrant declares that efforts will be made to put a stop to all unnecessary speeding in the city and that all offenders will be given the maximum sentence. Favrow is the third speeder to be brought before the judge this season, according to court reports.

to Attend Fraternal Picnic

The entire force of the local branch of the J. C. Penney company expects to motor to Grand Forks Sunday to attend a picnic of the staffs of the Grand Forks, Thief River Falls, Crookston and Fargo branches of the chain store. The picnic will be held at the Riverside park in that city.

Fire Completely Destroys Red Lake Falls Elevator

Lightning struck the Red Lake Falls Milling company elevator at Red Lake Falls at three o'clock Tuesday morning, causing a fire that totally destroyed the building and 3,500 bushels of wheat and rye, besides a carload of flour. The loss estimated at $12,000 was fully covered by insurance. Prompt work on the part of the fire department kept the flames from spreading to the oil tanks of the Standard Oil company adjoining. Three streams of hose were kept on the blaze.

The elevator will be rebuilt immediately, according to reports.

GRAIN CROPS LOOKING BEST EVER SO FAR

Cutting of Winter Rye Has Been Started by Farmers of Pennington Co.

STORM DESTROYS CROPS IN NO. DAK. TERRITORY

Marked Decrease in Weed Pest is Noted Thruout County—Better Farming

Farmers in Pennington county have started to garner their 1924 crop, with every indication of it being one of the best in its history. Some farmers in the community started cutting winter rye the latter part of the week, altho most of the fields are invaded this week.

Wheat, oats and barley are maturing in fine shape and promise exceptional yields. With continued favorable weather it is expected that the cutting of wheat may begin the latter part of the coming week, altho it will not be general in this section for about two weeks yet, according to reports from farmers. No instances of rust in this community have been reported so far and no damaging storms or excessive rains have visited the section to cut down prospects for record yields.

Cutting of spring wheat has become quite general in southern Minnesota and South Dakota and has begun in the southern tier of North Dakota counties. Reports from points where cutting is now in progress forecast good yields, altho there are no accurate reports as yet since threshing has not started.

Storms in North Dakota

Crops worth millions of dollars were destroyed by a hail storm or a series of storms which Monday night swept from northern Stutsman county in North Dakota, striking portions of seven counties in that state and also did some damage in the vicinity of Perley, Minn. Hail as large as eggs fell in some places.

Thousands of tons of fine hay has been stacked in the county the past few weeks, the alfalfa and clover fields yielding heavily. Reports are that other hay crops are not so satisfactory, demonstrating the value of alfalfa and clovers as the real hay crops for this section where dairying is at the forefront.

Potatoes and sugar beets have been greatly benefited by the occasional rains the past weeks and both of these crops should yield abundantly. Corn is also showing considerable improvement and it is safe to say that there will be a large crop of this forage in the county this year.

Weed Pest Decreased

It is a noticeable fact that there is a marked decrease in the amount of sow thistle on land here which is cropped. Buckwheat, sweet clover, alfalfa, rye and correct methods of cultivation and crop rotation have successfully smothered it out in many places, and many driving thruout the surrounding country remark about the clean fields which can be found in every direction. It is estimated that the weed pest has decreased at least 25 per cent.

The state law requires that all noxious weeds be cut wherever possible, especially on vacant lots whether in the city or in the country. All township chairmen of Pennington county have been instructed and have expressed their willingness to co-operate in helping to eradicate the weed pest.

Potato Exchange Will Pay Growers for Home Storage

The Minnesota Potato Growers Exchange will pay members for storing potatoes on their farm and make an allowance for shrinkage. This was announced recently by the executive board at a recent meeting in St. Paul.

The Exchange will allow a member 3 cents a bushel for putting potatoes into storage and taking them out, to which will be added a cent a bushel for each month or fraction thereof the potatoes remain on the farm. It will be possible for a member to get a bonus of 9 cents a bushel, if potatoes are stored until the spring. Allowance for shrink is 1½ per cent per month on delivered weights.

This regulation is expected to greatly increase the amount of home storage in Minnesota. Exchange officials point out that income from storage the first year will practically pay for the materials needed.

Arrangements are now under way to provide ample storage space for Pennington coutny growers.

Home Trade is Vital to Community's Prosperity

The chief argument in favor of home trade is the fact that it not only rebounds to the benefit of all residing in the adjacent trade territory which is a part of every community but pays in dollars and cents. Every dollar sent away to build up business in some big city is just that much taken away from the resources of the home community.

If people will only figure up the incidental costs and inconviencies occasioned by sending out of town for anything that can be purchased in their home town they will readily see that it pays to trade at home. It is customary to ignore such items, but they are there just the same and are part of the cost of the goods that are *purcased in that manner. For instance* the cost of a trip to the city hotel bill, time wasted away from employment, goods bought that are not really needed, higher prices actually paid for the goods on account of the stupendous overhead of the big city stores. All this means cost and must be charged up against the purchases if one is honest with oneself.

In case of mail order purchases there are money order and postage fees, express or freight charges, time wasted and delay in waiting for the goods, annoyance of exchanging the goods that do not fill the bill, or that they do not measure up to the grade expected,—these and many other charges of like nature should honestly be figured up against the purchases. If this is done and quality of goods compared it will be found that it is a case of trying to lift yourself by your bootstraps. There is no easy way to secure goods for a less figure than they can be supplied by the experienced business man of Thief River Falls.

Perhaps nothing is studied any closer than the retailing of merchandise and you can safely figure that your live home merchant is working hard to secure the best of merchandise to place before his customers at the lowest possible figure consistent with sound business principles. And in this day of keen competition there are few business men who do not run *close to the danger line in fixing* prices that will attract trade and meet competition anywhere.

It is only necessary to use common sense in dealing with these problems. The field is open to all who may wish to enter any line of business, and if there were big profits to be made that condition would not last for every opening for business is carefully searched out, and competition has reduced everything to the level of lowest possible prices.

On another page of the Times will be found the special advertisements of business men of Thief River Falls who are interested in getting the facts of the value of home trade before the people.

WILL RAISE FUNDS FOR MARKING NEW JEFFERSON ROUTE

Quota of $259 to be Solicited by Committee—Red Lake Falls Men Here

Thief River Falls will raise its quota of $250 as its share for the support of the Jefferson Highway association following action taken by the Commercial club Thursday. It was voted that a committee be appointed to solicit the funds by general subscription, the money to be used for marking the trail according to the new routing north from this city thru Holt, Newfolden, Strandquist and Karlstad. The work will be done under the supervision of Daniel Shaw, a director of the Minnesota association, the vouchers for the work to be turned in to the association by the committee as they are paid.

The meeting Thursday was attended by a delegation from Red Lake Falls and another from Newfolden. It was pointed out that the towns north of here have already turned in their quotas and that it remained for Thief River Falls and Red Lake Falls to do likewise, which has now been acted upon by the clubs of both cities. The Red Lake Falls delegation came here with their contribution of $150 which will also be used for painting markings on the new routing. It was declared that this city would be benefited by a more extensive tourist trade by the proper marking of the trail directing the tourists from Winnipeg and other northern points to Thief River Falls.

Several of those present at the meeting who had traveled over the route thru Newfolden and Strandquist spoke enthusiastically of the splendid condition of this road, which when the St. Hilaire-Thief River Falls highway is completed, will provide the finest route possible between southern points and Winnipeg.

Trinity Church Builds Permanent Dining Hall At Local Fair Grounds

Visitors to the Pennington county fair are now provided with a first class dining hall, the Trinity Lutheran church having erected a permanent building on the grounds. It is the first one of its kind to be erected here and will undoubtedly prove a popular addition to the accommodations.

The building, which is 28 by 32 feet, is fully equipped and has a seating capacity of more than 20. Along one side there is also an outside counter were lunches will be served. It is located near the Woman's building, on the lot used by the Sons of Norway lodge last year. Hot meals as well as lunches will be served there all three days of the fair. Members of the Trinity Ladies aid have donated a considerable amount of food stuffs. J. J. Weeks is general manager of the hall and was in charge of raising funds in the city for the building.

Crookstonite Pays Fine of $15 for Being Drunk

Appearing on the streets of this city in a state of drunkenness became a costly affair for George Salem, a young man from Crookston, when taken in hand by the local authorities. After being arrested by Chief of Police A D. Ralston on Sunday night he was promptly placed in the city cooler for the remainder of the night and brought before Judge N. W. Tarrant in municipal court on Monday morning. Upon pleading guilty to the charge he was sentenced a fine of $15 which was paid.

Don't miss the Pennington County Fair.

Nineteen Take Teachers Examinations Last Week

Examinations for first and second grade teacher's certificates were given at the high school the first three days of last week, conducted by Miss Magdalen Thill, who is in charge of the county superintendent's office during O. R. Sande's absence. Nineteen registered for the examination here, some to obtain a certificate and others merely for the purpose of getting additional credits. They are:

Paul T. Erickson, Wylie; Harvey Olsen, St. Hilaire; A. Bendix Isaacson, Middle River; Ethel Ericson, Grygla; Agnes G. Johnson, Radium; Helen Radniecki, Wanke; Stanley Olsen, St. Hilaire; Lillian F. Anderson, Middle River; Hazel Bergsing, Grygla; Malcolm J. Stucy, Goodridge; Effie Fredrickson, St. Hilaire; Gabrielle de Cathelineau, St. Hilaire; Mrs. Gladys Olson, Trail; Irene Peterson, St. Hilaire; Leona May Allen, St. Hilaire; Winnifred D. Sampson, Trail; Arthur Anderson, Jelle; Evelyn M. Peterson, Hazel; and Gunhild Haugen, Kratka.

SMITH BROS. HAVE 25 ACRES PERFECT STAND SUGAR BEETS

Plant Soy Beans on Last Year's Beet Ground—Seed in Great Demand Now

The story of Alfred Flattum's 108 per cent stand of sugar beets appearing in The Times two weeks ago has brought to light a number of splendid beet fields in this community. The other day Smith Brothers, who operate a farm five miles northwest of Thief River Falls, were callers at the office and presented photographs of their 25-acre field of sugar beets, which is in A number 1 condition. Every spot in the entire tract gives promise of producing a maximum yield and is splendid evidence of the adaptability of this soil to the production of beets. It is also an indication of the progressiveness of farmers here in becoming experts in the culture of beets. Last year the Smith brothers raised beets for the first time, but are meeting with as much success as any old-timers in the industry.

Traveling thru the vicinity surrounding Thief River Falls one sees numerous fields of beets in perfect condition and it would be extremely difficult at this time to pick out the field which gives promise of the largest yield.

On the 25 acres which were planted to beets last year Smith Brothers this year have a crop of soy beans, of the Wisconsin Black variety. Altho somewhat delayed by cool weather during the early part of the season the beans show indications of giving a good yield.

Attractions at Fair This Week are Sure to Please

County Agent J. J. McCann, Roy Lambert, V. C. Noper and W. H. Akre of the Pennington county fair board motored to Roseau Monday to attend the fair. They declare the amusement features, which are the same as will be shown here, are excellent and everything to be desired along that line. Particularly, Hoaglan's Hippodrome is worthy of high praise, according to the local men, this company appearing only at state fairs except for the two engamenets, at Roseau and Thief River Falls, secured by a joint contract.

The races provided by the Hoaglan company are equal to any seen at the fair grounds here and include many feature and novelty events.

St. Hilaire Farmers Get Large June Cream Checks

Patrons of the St. Hilaire Co-operative creamery were paid $15,000 during the month of June according to The Spectator. Heading the list of 34 names of those who received in excess of $100 is Arne Vik with $315.33. N. E. Beebe received $225.19. The St. Hilaire creamery is enjoying an encouraging increase in business this summer.

The Plummer creamery paid out $15,850 during the same month, 45 passing the $100 mark and two getting more than $200.

SHERIFF MAKES THREE ARRESTS OVER WEEK-END

North Dakota Man Held in Jail Here Unable to Raise Bail of $500.00

ARTHUR OMDAHL FINED FOR HITTING OFFICER

Mayfield Farmer Pays $50 Fine For Conducting Dance Without Proper License

Trouble was aplenty where Sheriff O. L. Ihle was an uncalled-for caller last Saturday night. As a result of his efforts John Omdahl of Mayfield township paid a fine of $50 and costs for conducting a dance without a license; Arthur Omdahl, also of Mayfield, paid a fine of $100 for assaulting Simon Breiland at the dance conducted by the former Omdahl; and Lars Christianson of Hatton, N. D., is lodged in the city jail trying to provide bonds of $500 placed upon him by Judge N. W. Tarrant who bound him over to the next term of district court. All three cases were tried in municipal court Monday.

Things first began to happen Saturday night when Christianson together with one Emil Beck, also of Hatton, while on their way to visit Edward Hanson of Reiner township, collided with another car about a mile west of the city. The latter car was driven by a Mr. Olson residing west of Thief River Falls. Both machines were badly damaged and had to be hauled to a local garage for repairs but none of the occupants were injured altho it was a head-on collision, the driver of the Hatton car being unable to handle the car and drove on the wrong side of the road, according to reports.

Has Bottle of "Moon"

Upon being notified of the accident about 11 p. m. Sheriff Ihle, accompanied by Deputies L. O. Kongelf and Simon Breiland, went to the scene of the accident, meeting the two Hatton men on their way to town on foot. Not knowing who the men were, the officials went on to the place where the cars collided and when told that the occupants of the Dakota car were on their way, turned back and overtook them. Upon being halted Christianson was seen taking a bottle from his pocket and throwing it into the ditch, where it was immediately picked up by the officials and found to contain a quantity of moonshine.

Christianson was at once placed under arrest for transporting liquor while Beck was released upon his promise to appear as a witness at the hearing Monday. The former after spending the intervening time in jail appeared in municipal court Monday morning but Beck was nowhere to be found. After hearing the evidence in the case Judge Tarrant bound Christianson over to district court under $500 bail.

It is believed both were drunk at the time the collision occurred but it is not expected that any effort will be made to apprehend Beck, as the damages to the other car were paid for at once. Christianson is about 55 years old.

Visit Mayfield Dance

Having put Christianson away safely for the night Sheriff Ihle and his assistants continued their activities by visiting a barn dance at the John Omdahl farm in Mayfield, having been notified that similar affairs conducted there previously were not as they should be. Arriving there after midnight the officials report seeing plenty of evidence of moonshine and its effects, one group being surprised by the sheriff while in the act of passing around a bottle of the forbidden juice.

Arthur Omdahl, who was intoxicated, disliked the presence of Constable Breiland and indicated his attitude by delivering the Mayfield official a blow in the back. When brought before Judge Tarrant Monday morning Omdahl plead guilty and paid the fine of $100 for assault. Theodore Ness of Wanke was also taken along as a witness and placed in jail over Sunday together with Omdahl, but was released.

Must Have License

Upon leaving the dance Saturday night Sheriff Ihle ordered John Omdahl to appear in court on Monday morning, where he plead guilty to the charge of conducting a dance without the required permit from the town board, and paid his fine of $50 and $3 costs assessed by Judge Tarrant. It was the first fine imposed in Pennington county under the new dance law.

Sheriff Ihle is determined to put a stop to illegally conducted country dances and declares that he will secure enough deputies thruout the county to keep an eye on all offenders.

HARD FIGHT AT ST. CLOUD WON BY T. R. FALLS

Strong Delegation of Boosters Land Biggest Convention Ever Held in City

ENTERTAINMENT OF VISITORS BIG JOB

Hibbing, Also 1925 Bidder, Pledges Support to T. R. F. And Promises 5 Bands

"Thief River Falls lands 1925 state Legion convention," was the glad tidings received by The Times yesterday afternoon from Commander Oscar Smith and Morlan Bishop in attendance at the St. Cloud convention this week.

"We got it, we got it," is heard on the lips of practically every citizen in Thief River Falls, interest and enthusiasm over the successful efforts of the local delegation running high with the realization of this great event to be held in this city next year.

The landing of the convention for this city was brought about by the consistent and energetic campaigning done by members of the citizens committee representing the Commercial club composed of Mayor J. S. Arneson, H. A. Brumund, L. R. Johnston, Dr. H. W. Froehlich, E. O. Mogensen and Herman Bischoff, and the live-wire representatives of the Elmer J. Eklund post of the American Legion, all of whom did their utmost in convincing their buddies that Thief River Falls would be the logical meeting place next year.

Landing the convention was no easy job with Hibbing, the richest village in the world, putting up a stiff fight, offering large sums of money for entertainment features to attract the delegates to decide in their favor, and appearing at the convention in fine limousines to make a showing, in addition to other expensive demonstration.

The local delegation, however, backed by the entire Ninth district representation and accompanied by a clown band which proved a feature of the convention, took the city of St. Cloud by storm with a grand parade, and from the very start firmly established themselves, determined to win. Badges bearing the slogan, "We are going to Thief River Falls in 1925," were pinned on practically every person in attendance at the convention and Thief Riverites were continually on the go proclaiming the advantages of this northwestern center and treating every delegate to arguments in favor of Thief River Falls as the desirable convention city.

During the monster snake dance the Thief River Falls delegation became the center of attraction, the crowds being entertained by Herman Bischoff, the talented blind musician, who proved a second Harry Lauder with his snappy Scotch selections, singing alternately at the Breen and Grand hotels, the leading hotels in St. Cloud. Mr. Bischoff had the distinction of singing two songs just before National Commander Quinn addressed the convention Monday afternoon and those present at the session are unanimous in their declarations that it is a question whether the great commander received a more enthusiastic reception than did the local singer. Other talented entertainers from this section of the state also helped in putting Thief River Falls to the fore-front ground.

Speech making was a popular diversion among local representatives while at the convention, according to their own testimonials. Some are said to have made as high as 20 speeches from hotel balconies, trucks, automobiles and anything from which attention could be attracted—all paving the way for Thief River Falls in the final selection.

The matter of deciding the convention city first came before the "Time and Place", committee, of which Supt. O. R. Sande was a member. He presented the case for Thief River Falls in a splendid manner and was in no small way responsible for the favorable report of the committee yesterday morning. The committee stood 7 to1 for this city, two members being absent.

When the convention adopted the report of the committee Thief River Falls received 369½ votes and Hibbing 248½.

Morlan H. Bishop, chairman of the state finance committee and executive board member and Oscar R. Smith, commander of the Eklund post, are in a large degree responsible for the securing of the convention, altho every member of the delegation is worthy of sincere congratulations upon their successful efforts, fighting against odds as they did.

It will be the greatest convention that has ever come to Thief River Falls and will necessitate the hearty co-operation of every citizen in order that the affair may be put across in the proper manner. It means an attendance of approximately 1000 delegates of the Legion and about half that many Auxiliary delegates, with a likelihood of from 3000 to 5000 visitors in the city during the three days.

The local post has been promised the use of about 40 pullmans for sleeping quarters and special trains to Winnipeg by the Soo line, if the Legion desires.

Men of national and state prominence will speak at the convention and staff writers from all the big dailies will be here to record events.

The regular delegates of the Eklund post at the St. Cloud convention were

SOCIAL ITEMS

Entertains for Friends

Mrs. Dena Evenson entertained a group of her friends at her home on Wednesday afternoon, last week. The hours were spent at needle work and at five o'clock refreshments were served by the hostess. Those present were the Mesdames C. M. Evenson, Ed Evenson, M. V. Evenson, Carl Hilliard, E. J. Overland, Ed. Korstad, J. H. Hermanson and H. G. Frissell.

For Mrs. Davis

Mrs. E. O. Erickson was the hostess Wednesday afternoon last week when she entertained in compliment to Mrs. R. V. Davis of Casper, Wyoming, at her home on Horace avenue. The afternoon was spent at needle work and refreshments were served at 5:30 o'clock. Those present were the Mesdames A. Bredeson, J. Wold, Alfred Bredeson, Junie Olson ,and Miss Louise Erickson.

For Mrs. Thompson

Mrs. B. O. Thompson was the honor guest Tuesday evening of last week when a few of her friends gathered at her home and tendered her a surprise in the event of her birthday anniversary. Mrs. Thompson was the recipient of a set of dishes as a token of the esteem of her friends. Sixteen ladies were present.

Pre-nuptial Surprise

Miss Orra McMahon and B. H. Dickey, whose marriage will take place this month, were guests of honor Friday evening at the farm home of Miss McMahon's parents, Mr. and Mrs. Sam McMahon, eight miles east of this city, when a number of their friends surprised them by tendering them a kitchen shower. The evening's fun was begun by a mock wedding staged by a number of the participants in the party and the remainder of the evening was spent at dancing and games. Refreshments were served by the selfinvited guests at midnight. Those who took part in the event were Mr. and Mrs. Clarence Knudsen, The Misses Alvina Jonas, Esther Gjertson, Dorothy Lane, Elfrida Knudsen, Hilda Hammarsten, Ruth Wold, Ruth Rustad, Mildred Engen and Huldah Fossum and the Messrs. L. R. Twete, Oscar Paulson, Charles Vorachek, R. G. Lane, Dreng Bjornaraa, Palmer Tommerdahl, Philip Larson, Elra Porter and Harold Nelson.

Family Reunion

The F. T. Satre farm was the scene of a family reunion Sunday when a number of relatives of Mr. and Mrs. Satre gathered there and spent the day. Among those present were Mr. and Mrs. Satre and family, Miss Myrtle Satre who is taking a nurses training course in Chicago, Mr. and Mrs. Martin Benson, Mr. and Mrs. L. Holksvig and children of Crookston, Mr. and Mrs. Ed. Korstad and children of this city and Dr. and Mrs. P. M. Dale of Granite City, Ill.

Picnic Supper

The Mesdames C. E. Carlson and Martin Carlson entertained a number of their friends at Lovers Lane Friday afternoon in compliment to their uncle and aunt, Mr. and Mrs. P. M. Carlson and Mrs. Engebretson of Red Wing. A picnic supper was served by the hostesses. The Red Wing residents declared the Lovers Lane or tourist park as being one of the prettiest they had camped in. Those present were Mr. and Mrs. P. M. Carlson, Mr. and Mrs. John Carlson, Mrs. Engebretson, Herman Carlson and Albert Carlson.

For Miss Hanson

Miss Marguerite DeCremer entertained a number of her friends at her home at 522 Arnold avenue north on Tuesday evening in compliment to Miss Alice Hanson of Minneapolis, formerly of this city, who is a guest at the DeCremer home. The rooms were decorated in crimson and white and the hours were spent at bridge. Refreshments were served at 11 o'clock by the hostess. Those present included the Mesdames Clarence Erickson and W. B. Stone and the Misses Eileen Arneson, Kathryn Flanagan of St. Paul, who is a guest at the Arneson home, Sybil McGinn, Lucille and Marguerite Burns, Helen Strand, Lulu Cook and Lucille and Phyllis Curtis.

For Miss Shanahan

Miss Vernice Shanahan was the guest of honor Tuesday afternoon when her mother, Mrs. F. M. Shanahan entertained a number of her friends at her home at 801 Labree avenue north in commemoration of her eleventh birthday anniversary. The afternoon was spent at games and lunch served at 5:30 o'clock. The rooms were decorated for the occasion. Miss Shanahan was the recipient of many gifts. Those present were the Misses Jeanette Mogensen, Lois Oden, Vernice Helgeland, Rose Sheedy, Virginia Quale, Lillian Roark, Grace Provencher and Frances Storholm.

Community Club to Meet

Much important business will come up at the next regular meeting of the Girls' Community club, Monday evening, and all members are asked to be present. The Misses Esther Werner, Hilda Hammarsten and Emily Fossum will entertain.

Another matter of importance to Community club members is the picnic supper which will be held at the fair grounds Friday evening. A committee of Beatrice Erickson, M. Helen Montgomery, Nora Steen, Vallerrie Parenteau, Irma Johnson and Emily Fossum will have charge and all who wish to partake in the supper will please notify one of these committee members.

The club is also maintaining a rest room in the Woman's building at the fair grounds this year and members will have a convenient and comfortable place to make their headquarters.

Miss Pierson Entertains

Miss Birdie Pierson entertained a number of her friends at her home Saturday evening. The hours were spent at dancing and refreshments were served at midnight by the hostess. The invited guests included the Misses tMargaret Blaska, Marjore Hoppa, Happy Keating, Marie Blaska, Helen Keating, Faythe Warner, Mable Lonson, Hazel Fricker and Evelyn Michaels and the Messrs. Thomas Melgaard, Howard Davidson, Richard Zeh, Roy Langevin, John Sether, Paul Scanlon, Robert Erickson, Donald McCrum, Lester Rolland, Harvey Cathlineau, Leo King, Oscar Nelson and Clarence Benson.

Tennis Court Under Way

Tennis fans have anxiously awaited the completion of the tennis court which is being erected under the auspices of the Girls' Community club at 606 Horace avenue north and according to announcements the court will be ready for use by the first of next week. A meeting was held Monday evening for the purpose of organizing a tentative club to work with but nothing definite was done. B. H. Dickey and Clarence Knudsen were appointed to take charge of the completion of the court. About twenty persons have joined and a few more will be admitted. The membership fee of $5 will include next year's membership also. A Tennis club will be organized to conduct all affairs and the organization will be separate from the Girls' Community club.

Mrs. Barnard Entertains

Mrs. W. A. Barnard entertained a number of her friends at her home at 723 Bridge street Friday afternoon in compliment to Miss Helga Olsen, formerly her music instructor, who is a guest at the Barnard home. The hours were spent in music, a number of vocal solos were given by Mrs. O. F. Mellby, also a former pupil of Miss Olsen, and piano selections given by Miss Olsen. Refreshments were served at five o'clock by the hostess. Twelve guests were present.

Y. P. S. Meets

The Telemarken Young Peoples Society meets at the R. M. Johnson home Sunday afternoon, August 10. Everybody is cordiallly welcomed.

For Clara Helgerson

About one hundred persons gathered at the farm home of Mr. and Mrs. Martin Helgerson, east of Hazel, Sunday afternoon and tendered a surprise to their daughter, Clara, who leaves shortly for Chicago where she will receive treatment for an injury to her knee from which she has been suffering the past year. Theo. Quale of this city presented her with a gift and a purse of money in behalf of those present. The afternoon was spent in a social way and at 5:30 a lunch was served by the self-invited guests. Those present to honor Miss Helgerson were the Messrs. and Mesdames Theo. Quale, Oscar J. Peterson, Jas. Evenson, E. Evenson, O. Odegaard, P. Borgio, J. R. Hesby, I Rehm, G. A. Wilson and A. Bolstad and their respective families, Mrs. Simon Brieland and children, the Misses Evelyn and Marie Peterson, Verna and Helen Kiel, Clara, Marie and Ruth Olen, Lydia Palm, Ethel Anderson, Myrtle Hofdal, Sophie and Ruby Brieland, Elsie Rehm, Stella, Olga and Christella Larson and the Messrs. Louis and Edwin Evenson, Ray Kiel, Alfred Bolstad, Julius Peterson, Edwin Nelson, Alfred Helgerson, Leland Johnson, Willie Kiel, Orlie Hofdal, E. N. Engebretson, Gillard Larson and O. S. Brieland.

For Mrs. Falk

Mrs. Ed. Hilson entertained a number of her friends at her home at 524 Knight avenue north, Friday evening, in compliment to her daughter, Mrs. Ralf Falk, who left for Missouri to join her husband after a three months visit in this city. The hours were spent at whist and refreshments were served at 11 o'clock by the hostess. Twelve guests were present.

For Miss Ruprecht

Miss Maverette Hilson entertained a group of her friends at the home of her parents, Mr. and Mrs. Ed. Hilson on Knight avenue north Tuesday evening in compliment to Miss Melvina Ruprecht of Minneapolis who is a guest of friends and relatives in this city. The hours were spent in a social way and refreshments were served by the hostess at 11 o'clock. Eight guests were present.

For Miss Helga Olson

Mrs. N. K. Harris entertained a number of her friends at her home at 101 Conley avenue south Tuesday afternoon in compliment to Miss Helga Olson of Minneapolis, who is a guest at the home of her former pupil, Mrs. W. A. Barnard. The hours were spent in a social way and refreshments were served at five o'clock.

Share Honors

Miss Helga Olson, pianist, of Minneapolis, who is a guest at the home of Mrs. W. A. Barnard, and Judge Andrew Grindeland of Warren were guests of honor Thursday evening when the latter's daughter, Mrs. O. F. Mellby, entertained at 6:30 o'clock dinner. Covers were laid for eight. Mrs. Barnard and Mrs. Mellby were pupils of Miss Olson some years ago.

Reitz-Olson

A marriage license was issued yesterday by Clerk of Court Adolph Eklund, to Mrs. Minnie W. Reitz and Ole M. Olson.

A Hot Day Causes Many More Telephone Calls

A very hot day will often cause as many as one-fourth more telephone calls. On such days, more people stay indoors and use the telephone.

Rainy days and very cold days also mean that more telephone calls will be made.

Snow storms, likewise, add to the problem of providing service by tying up transportation and causing people to transact their business by telephone. And frequently sleet storms tear down poles and wires, shutting off service.

Uniformly satisfactory telephone service is our constant aim, but occasionally conditions arise which are temporarily beyond all human control. At such a time we especially appreciate the patience of our patrons until the situation can be met.

The story of the J. C. Penney Company is an important chapter in the history of modern mercantile methods. It is more than important! It is inspiring! It is a story of a business with a Big Idea behind it—an Idea that is clean, clear cut! The Big Idea with us for 22 years has been and is today, the patent fact that it is unfailingly governed by the Golden Rule: "*Whatsoever ye would that Men should do to you, do ye even so to them.*" Every customer pays the one and same price! No more! No less! And that price assures a superior value! No sales! No discounts! No charge accounts! The same square deal and just treatment alike to all!

Penney store, and Miss Katherine Jensen, all of Grand Forks, motored to this city Sunday and spent the day as guests at the H. E. Nelson home. The Messrs. Martin and Arthur Nelson and Miss Jensen are employed at the J. C. Penney store at Grand Forks.

THEY EARN IT BACK IN ONE MONTH

The Union Commercial C[illegible] Grand Forks, No. Dak., a standarized, accredited school, begins its next term Sept. 1. Learn Secretarial Work, Shorthand, Typewriting, Accounting, Banking, Bookkeeping, Correspondence, etc., and prepare for a good position. Union Commercial students are going to good positions every week. Miss Louise Rindahl goes to the U. S. Seed Loan office while Mr. Jas. Carter goes to Nash Bros. wholesalers. They will earn back the first month more than their tuition cost. When you can do this the expense of acquiring a business education is pretty reasonable isn't it. Students of the U. C. C. are doing it month after month. Send for our free catalog and let us tell you about it. tf.

BIRTHS

To Mr. and Mrs. Iver Bugge, Friday, Aug. 1, at their home at 720 Dewey avenue north, a boy.

To Mr. and Mrs. Walter Thompson, Tuesday, Aug. 5, a boy.

To Mr. and Mrs. Harry Myrum Monday, August 4, a girl.

Don't miss the free attractions at the Pennington County fair. Bigger and better than ever before.

What's freezing in the bucket?

Chances are, you'd be curious, too, if you didn't know what a simple way this is to have as delicious fruit ices as ever made hot days cool.

There's a can of DEL MONTE Sliced Peaches in that bucket (or maybe it's Pears, Crushed Pineapple, Apricots, Strawberries, Loganberries, Fruits for Salad, etc.)

It has simply been packed in equal parts of ice and coarse or ice-cream salt and then allowed to stand and freeze slowly for about three hours. In a few minutes, now, this can will be opened, and then certain lucky people are going to enjoy as cool and refreshing a treat as ever was served on a hot day.

And remember—ice is just as helpful to you these hot summer days in many other uses. It not only adds to your enjoyment of food, but safeguards your health as well.

Let us see that you always have a *regular* supply on hand.

Motorists Want to Know

Motorists frequently put this question to attendants at service stations of the Standard Oil Company (Indiana):

"Is it not a fact that gasoline prices vary more throughout the United States than do the prices of any other product?"

The answer is quoted from the Oil and Gas Journal issue of June 12, 1924:

"Gasoline prices are more uniform than most of the widely utilized commodities. Thirty-five states have gasoline taxes varying in amounts from 1 to 4 cents. This fact would necessitate a difference in retail prices of as great as 4 cents in some states. Crude oil is found in a comparatively small area of the United States and this fact also necessitates variances in the retail prices due largely to the difference in transportation costs from the crude producing fields and the refineries to the gasoline consuming areas. The price differences, however, are not as great as in many other products. For instance, a recent monthly survey made by the United States Bureau of Labor covering twenty-nine cities scattered throughout the United States showed the following high and low range in prices in several commodities: Sirloin steak, 26 to 61.5 cents per lb.; sugar, 9.6 to 12.7 cents per lb.; bituminous coal, $4.50 to $17.40 per ton; flour, 3.3 to 5.5 cents per lb., and oranges, 27.9 to 49.5 cents per dozen. The low in gasoline prices for the same cities was 12.8 cents and the high 20 cents. The survey was made last December when gasoline prices were lower than they are at the present although the same price range is in effect."

The Standard Oil Company (Indiana) serves the automobiling public by maintaining at convenient intervals throughout the Middle West, an efficient chain of service stations, which sell gasoline and oils of uniform high quality, at prices as nearly uniform as freight rates and tax laws permit.

The price of gasoline sold by this Company is subject only to the uncertainties of economic laws, which no commodities may avoid.

This highly trained organization of 27,000 men and women is straining every nerve and fibre that you may have gasoline when and where you want it—of highest quality and at a price which is fair, equitable and low at all times.

Official Paper of Pennington County
Official Paper, City Thief River Falls
Official Paper, School District No. 18

The three fair days will be tag days for the purpose of raising funds for the purchase of a radio receiving set for the Oakland Park sanatorium. The move is sponsored by members of the W. C. T. U., of this city, who with the help of a number of other interested persons are attempting to raise the necessary funds for the instrument. The cause is a good one, as the patients at the Sanatorium have a need for entertainment of some kind and a dependable radio set will be appreciated most highly by them. While enjoying yourself at the fair, help the less fortunate by a small donation.

It is well to mark the decreasing amount of weeds in Pennington county fields this year compared to former years. This fact seems like an emphatic contradiction of the stories carried in some well known farm publications a few years ago to the effect that this section of the country was so infested with weeds as to make it almost impossible to raise a crop. The Times would like to suggest that the writers of such misstatements be treated to a trip thru this community at this time.

It pays to have visitors go away from Thief River Falls with a pleasant impression of the community and they are likely to take with them such an impression if those whom they *meet are pleasant and courteous*.

At this time when tourists are coming to this city in large numbers every day it is particularly of value to render courtesies. The returns will come back manifold. One tourist tells another and the treatment extended becomes a reflection on the entire community and its citizens.

"The fellow with the big cream check is also the fellow with the big grain check," declared D. P. O'Neill, former Pennington county resident in a talk to the Commercial club here Thursday. He maintained that dairying and grain farming must go hand in hand and that the raising of livestock is essential for the success of the latter. He said that in all the years he had been in the valley crop prospects never looked any better and emphasized that the optimistic spirit now prevailing thruout this section is decidedly encouraging.

It looks as tho the Pennington county fair this week is really going to be one of the leaders in the state. With Magnus Johnson and Thomas Schall, candidates for United States senator on the speaking program, a first class free entertainment program and excellent exhibits, good crowds are assured. See what is produced in Pennington county by visiting the fair grounds.

The Pennington county fair held here this week is a display of community enterprise and productivity and should be visited by every true citizen of this community.

Norway has a law compelling everyone to plant tree saplings for every tree cut down, but in this country, not even one is planted for every three cut down.

Bobbed hair is reported to have played havoc with the hairpin business, but it's an ill wind that blows nobody good, the barbers say.

To Eyota for Two Weeks

B. O. Norby, in charge of the drive for membership conducted by the Thief River Valley Co-operative Poultry Marketing association, accompanied by his wife, left last week for Eyota to finish up some work in connection with the school there, of which he has been superintendent the past two years. He intends to return in two weeks. In the meantime a number of workers will canvass the various parts of the districts to complete the sign-up for the necessary quota of the association. Mr. Norby has been successful in creating an unusual amount of interest in the movement the past three-four weeks during which he has been active in getting the proposition before the producers. Producers in the vicinity of Winger, Rindal and Erskine are joining the local unit and Carl Berg of Erskine is now busy canvassing the territory.

Fixing Up Court House

Work on the enlargment of the basement under the east end of the court house here is progressing rapidly and will be completed some time this month. Three additional office rooms will be provided, to be used by the county superintendent and highway engineer, and a vault for storage room.

TOURIST CAMP IS ENJOYED BY MANY

Visitors from Many States Stop Here to Enjoy Splendid Accommodations

A visit to the tourist camp on the river bank commonly known as Lovers Lane on any evening shows that a large number of tourists are taking advantage of the splendid camp ground that is provided here. All the necessary things for a tourist camp—fuel, water, light for night and shade for daytime—are found there, and Jos. Dostal employed by the city to care for the grounds, is on duty to see that the wants of the traveling public are supplied. It is quite a surprise to many tourists to find wood already split up for use in the stoves on the grounds.

Practically every state in the union is represented by the visitors who stop here daily on their summer vacations. A large number of Canadian tourists also come thru here on their way to points farther south, following the Jefferson Highway thru this city.

Comments regarding the camp here indicate the greatest satisfaction, some visitors classing it among the best in the country. One party said it was the best park they had come to on their tour thru several states.

Mrs. J. H. Hardisty to Attend Meet of Minnesota W.C.T.U.

Scientific education in public schools of the effect of alcohol on the human system will be one of the subjects given special emphasis at the 48th annual convention of the Minnesota Women's Christian Temperance Union to be held at Worthington, August 21 to 25, according to advance announcement. The Thief River Falls unit will be represented by Mrs. J. H. Hardisty.

Believing that if lasting results are to be obtained, this information must be disseminated to the younger generation, the temperance union will lay stress on the feature of this public school instruction, which it is contended has not been given the same consideration since the advent of prohibition.

Other topics which will be laid before the 250 to 300 delegates who will attend the meeting will be law enforcement, peace, and co-operation with various women's organization in getting out the vote, it is declared. Records of candidates for state offices on the wet and dry question will be gone over, and the Union will campaign against those of moist tendencies.

Mrs. Josephine E. Sizer, of St. Paul, is state president of the temperance union, and will preside at the convention.

More Road Building

New improvements on Minnesota trunk highways to be paid for with auto taxes collected in Pennington and other counties, are being put under contract this week by Charles M. Babcock, state highway commissioner. They include about 75 miles of new grading, six and one-half miles of paving, 30 miles of guard rail and two bridges and will cost about $520,000. S. G. Enebak of Warren was awarded the contract for grading 12½ miles on T. H. No. 6, near Wolverton, at $36,276.

Installs Soda Fountain

Thompson Bros. cafe now has the largest and most complete soda fountain in the city, having recently made the installation as will be seen by their announcement on another page of this issue. Besides having one of the most up to date and sanitary restaurants in this city they are also prepared to give first class soda fountain service.

Evangelistic Meetings

A series of religious meetings are being held at the corner of LaBree avenue and Fourth street under the auspices of the Holiness Methodist church. Rev. Jacob Williams, Evangelist has charge and his wife, Rev. and Mrs. Z. L. Reynolds of this city and Miss Margaret Hall, deaconess, are assisting. The meetings begin at eight o'clock each evening. Sunday services will be held at 10:30 a. m., and 2:30 and 8 p. m.

HAY FEVER

No "cure"—but welcome relief from night distress may be had by applying Vicks at bedtime—also by inhaling vapors at frequent intervals.

VICKS VAPORUB
Over 17 Million Jars Used Yearly

Installation of Trinity Pastor Here August 31st

Rev. S. L. Tallakson, new pastor of the Trinity Lutheran church here, motored to this city from Grand Forks Wednesday evening, last week, accompanied by his family, to attend the meeting of the ladies aid, Thursday afternoon. He preached here Sunday morning and evening, and will be formally installed by Rt. Rev. I. T. Aastad of Detroit on Sunday, August 31. On Aug. 10, Rev. P. E. Moen of Crookston will occupy the pulpit at the evening services but there will be no services the following Sunday. Morning services will be conducted by Rev. C. M. Grimsrud of St. Hilaire on Aug. 24.

Flag Decorations

The city is all dressed up for the fair today, more than 100 flags purchased by merchants of the city being displayed from the sides of buildings thruout the business section. Brackets for holding the flag staffs which extend out over the sidewalk were placed on the buildings by Earl Eifinger and Roy Miller this week, the local Legion post being in charge of securing these permanent decorations.

Whiting Breaks Leg

Carl R. Whiting, Soo line yard foreman, was run down by a coasting freight car in the local yards about 11 o'clock Thursday night and as a result suffered a compound fracture to his left leg just above the ankle and severe body bruises. Mr. Whiting was crossing a track and did not notice the approaching car on account of the darkness and when directly between the rails the coasting freight car struck him to the ground and fractured the leg. He will be confined for about six weeks and be unable to be about for about twelve weeks according to attending physician.

Unable to Raise Bail

Pat Horton, 23, transient and farm hand, who was arrested a week ago last Saturday night by John Bordewich, Marshall county deputy sheriff, and Ole L. Lisle, Pennington county sheriff, at a barn dance in Grand Plain township, near Germantown, will apparently have to remain in the Warren jail until his hearing on Aug. 11, being unable to raise his bail set at $400. He faces a charge of selling liquor at the dance.

New Auto Exchange

Another automobile business has been started in Thief River Falls, this being The New Auto Exchange with Gran Brothers and Thyre Carlson as proprietors. The new firm occupies the building formerly used by Hall Brothers Hardware company, recently closed out, and is dealing in used cars of all makes. Victor Gran returned about two months ago from Arizona where he was employed for some time, and Mr. Carlson is ticket agent at the Soo station here.

Card of Thanks

We wish to express our heartfelt thanks by this means to our many friends who so kindly assisted and comforted us in our hour of sorrow in the death of our beloved daughter and sister, Gilma, and for the many floral offerings, and especially do we thank the Trinity Ladies aid, the Trinity Young Peoples society, the Dorcas society, the Girls' Community club and the Rebekah lodge and the railroad employees.—Mr. and Mrs. Nels Ostvolden and Bert Ostvolden.

Magnus Stops in City

Senator Magnus Johnson spent a brief time in Thief River Falls Tuesday morning on his way to Roseau where he spoke at the Roseau county fair that day. From there he goes to the Lake of the Woods on an outing and to obtain some information as to the water level. Senator Johnson will return to this city Saturday to speak

Sweger Accepts Pastorate

Rev. T. E. Sweger, formerly pastor of the Trinity Lutheran church here, has accepted a call to Blair, Wis., as pastor of a congregation of about 2,000 members. He will move to that city with his family to assume duties the first of September. He is now in Montana, attending to the work of the budget.

Polarine
THE PERFECT MOTOR OIL
Made in Five Grades

Effects Marked Fuel Saving

Among the heaviest users of Polarine are trucking companies. These companies trace their costs, and operate their motors on a sound business basis. They have proved by tabulating their experience that Polarine *pays*.

One such company writes: "For the past six years we have been users of Polarine on our heavy duty motor trucks. Our experience shows that the use of Polarine reduces friction to a minimum, cuts our repairs costs and *effects a considerable saving in fuel.*"

Polarine makes gasoline go further—it produces more mileage by reducing friction. Polarine forms a perfect seal around the piston, preventing escape of gasoline past the rings.

When you use the right grade of Polarine—the grade specified in the chart at the left—you conserve the power your motor develops, and you guard against undue dilution of oil in the crankcase.

To form this perfect piston seal in *all* motors, the Standard Oil Company (Indiana) manufactures Polarine in five grades, differing only in body, weight and consistency. The *right* grade for *your* car is specified in the chart. This grade is the *one right* oil for your motor—*the* oil which gives you scientifically correct lubrication.

Drain your crankcase every 500 miles and refill with the correct grade of Polarine.

Put your car operation on a business basis.

Announcement

Safe and Conservative Banking Stands the Test."

As a depositor that is your demand. As a borrower that is your protection.

With a view only to sound banking principles, on and after September first, 1924, The First National Bank of Thief River Falls will pay 4% interest on Time Deposits and Savings Accounts.

Thru more sound principles of operation in all lines of business, including diversification in agriculture, risks are being eliminated and interest rates can thus be reduced. Such is the history of all countries as business comes to a firm basis.

It is the aim of this bank to render real service to our community, having first in mind at all times—ABSOLUTE SAFETY TO DEPOSITORS.

Very respectfully yours,

The First National Bank
of Thief River Falls

Chiropractic for Headache

Every individual who suffers from headache owes it to himself to have his spine so adjusted that disease cannot exist, even though temporarily dormant. The time required to bring about that condition where headaches no longer occur is dependent not upon the severity, character or location of the headache, but entirely upon the time required to replace the segments of the spine in their normal position and thus make possible the free expression of Innate Intelligence in the bodily organs.

Consultation and spinal analysis free.

DR. J. G. CARLSON

There is a Reason

There is a reason why the dairyman is able to receive accommodations from his merchant and banker. When he desires credit he is able to state definitely that twice a month he will have a Cream Check to make good his obligations. With him it is not a case of marketing his product if the prices are right, or if certain conditions happen to be right as is the case with other products. While the price of butterfat usually declines in the summer time, the cost of production likewise declines, making dairying a profitable year-around business.

Decide now, to get your share of the profits by marketing your Cream co-operatively.

In Every Seed there is a something

DEFINITION
The practice of Chiropractic consists of the adjustment, with the hands, of the movable segments of the spinal column to normal position for the purpose of releasing the prisoned impulse

Ask Your Chiropractor for "The Last Word"

that knows how to take from its environment the wherewith to build the body of the organism which it animates.

From the little seed you place in the ground this something sends roots into the earth, blades or branches into the air, and takes from the earth and the air that with which it builds. Within the egg this something is wooed to life by the warmth of the broody mother's breast.

Chiropractic teaches that this something knows the secret of converting food into flesh and blood, and carries on all the processes of life in the human body by means of impulses sent over the nerves. It teaches that when a nerve is impaired by a vertebra becoming misaligned these impulses do not flow over the nerves normally and the result is what we call disease. To get the diseased member to function normally again it is necessary to adjust the vertebra that is pressing on the nerve and permit the normal flow of impulses over the nerve.

To adjust the vertebra to normal alignment is the work of a competent Chiropractor.

Do not employ an incompetent.

Write for information regarding Chiropractors or Schools to the
Universal Chiropractors' Association, Davenport, Iowa, U.S.A.

S. M. DISHER YARD — Ireland Lumber Yard

DAIRY RECEIPTS FOR MONTH EXCEED $600 ON ENGELSTAD FARM

Ton and a Quarter of Cream Brought to Creamery During Each of Past Two Months

That Pennington county and the Thief River Falls Co-operative creamery have dairy producers which rank high is evidenced by the production of milk and cream from the Peter Engelstad farm, near the city, this summer. During the month of June 3,60[illegible] pounds, over one and one-half ton cream and 600 gallons milk was brot to the creamery here from this fine Pennington county dairy farm, the product of 50 splendid Guernsey cows. Mr. Engelstad's herd includes more than 60 cows but he is milking 50 at the present time. The cream tested from 30 to 39 per cent butterfat.

The June production brought in over $600, according to Mr. Engelstad, while the July receipts are even higher. During the month just passed the Engelstad farm brought to the creamery a total of 3,774 pounds cream, nearly a hundred pounds more than the preceding month. In addition the milk sold here totalled 1519 pounds. The butterfat contained in the cream was more than one-half ton, it being 1,110 pounds.

In June Mr. Engelstad brought more pounds of butterfat to the creamery than all but two patrons brought pounds of cream, a record which has never been equalled here, according to reports from the secretary's office.

Last week the cutting of 175 acres of alfalfa was completed on the Engelstad farm, the average yield being about two tons an acre. Besides the 175 acres already producing a hay crop 30 acres more were planted this spring, this from the shipment of certified Grimm seed brought here thru the efforts of the Pennington County Bankers' association.

With a total acreage of 205 acres seeded into alfalfa Mr Engelstad is without a doubt the "alfalfa king" of Pennington and perhaps several other counties of the state. He is a firm believer in alfalfa for his cows and the production records cited above demonstrate the results. He has also a number of silos on his farm.

It is interesting to note that one plot of alfalfa seeded 20 years ago is still producing as good yields as ever before, although nothing has been done in the way of cultivation or reseeding, showing the vigorousness and hardiness of the plant. After having been cut every year since 1904 this field this year yielded about one and a half ton.

According to Mr. Engelstad the alfalfa seeded this spring is getting an excellent start, the stand on his 30 acres being uniform and unusually heavy on account of the timely rains thruout the season.

It is predicted that the second cutting this year will produce more than the first crop, owing to the fact that the supply of moisture here the past few weeks has been greater than during the earlier part of the season.

Many Cases

A total of 74 cases have been instituted in the Marshall county district and justice court since Jan. 1, 1924, a total of 122 cases are pending, 32 have been bound over from justice court to district court, 22 have been convicted, 36 cases have been dismissed because of lack of sufficient evidence or because of convictions or acquitals in other cases, and fines totaling $1,810.50 have been collected, costs during this period being $582.82.

Returning to Ohio

Mr. and Mrs. W. B. Stone, accompanied by the latter's parents, Mr. and Mrs. Andy Anderson, will leave on August 16 for an extended trip to the twin cities, Chicago, Cleveland and other points on their way to New Concord, Ohio, where Mr. and Mrs. Stone are instructors in the Muskingum college. The latter have been guests at the Anderson home here during their summer vacation and will resume duties at the college this fall, Mrs. Stone in the conservatory and Mr. Stone as coach and instructor. Mr. and Mrs. Anderson expect to be gone for two weeks. They will make the trip in the Stone car.

No Suffering From Heat in City During July '24

July this year was a cool month compared to the corresponding period last year, according to statistics submitted by L. M. Rayson, local weather observer. The average maximum temperature during the month just past was 78.52 degrees while the previous year it was 84.1, the average minimum temperature being 51.68 and 59.03, for 1924 and 1923, respectively. The warmest day last month was the 6th with a maximum of 88 degrees, while 92 degrees was reached in July 1923. The lowest temperature in July this year was 40 degrees and last year 45.

The rainfall for the month just passed was only 2.36 inches compared to 6.06 inches last year, when several heavy rains occurred during the month, the heaviest being 1.51 inches within a period of 24 hours. The heaviest rain this year was .64 inches. Rainfall of more than .01 are recorded for 12 days of last month, the number of electrical storms being eight, or twice as many as in July, 1923.

Welfare Board Meets

A meeting of the Child Welfare board of Pennington county was held in this city Monday, the usual large amount of work being handled. Mrs. J. M. Bishop, chairman of the board, was named to attend the annual state meeting to be held at the Minnesota University next month, but it is likely that Mrs. L. G. Larsen will represent the local board. The meeting was attended by Miss Elsa Castendyck of the state children's bureau.

Tuesday night Mrs. Bishop and Miss Castendyck met with members of the city council to consider some cases which the city is co-operating in handling.

Col. Webb in City

Col. and Mrs. R. H. Webb and Mr. and Mrs. Charles Kiewel motored to this city from Winnipeg Saturday on a brief business trip. Mr. Kiewel, owner of the Kiewel Products company at Crookston and this city, is opening a brewery at Winnipeg. Col. Webb operates the Marleborough hotel in Winnipeg.

Breaks Forearm in Fall

Thelma Stene, seven year old daughter of Mr. and Mrs. Tobias Stene, residing in Smiley township, six miles southeast of this city, suffered a fracture to her forearm Thursday evening about 10:30 when she fell from the car, which was parked in the yard at their home. She was taken to this city at once and Dr. O. F. Melby set the arm, which is reported to be healing rapidly. Both bones were broken.

SOCIAL ITEMS

Community Club Picnic

The Fred Conklin farm east of this city was the scene of a picnic supper Thursday evening when the Girls' Community club availed themselves of an invitation extended to them some time ago by Mr. Conklin to picnic on the river bank of his farm. The affair took the form of a wiener roast and the entire meal was prepared on the grounds over a camp fire. Twenty-five members took part.

River Falls Girl Weds

The Ivanhoe Times recently gave an account of the marriage of Miss Ann Norman, daughter of Mr. and Mrs. John Norman of River Falls township, to Carl Ingvaldson of Ivanhoe, Minn. state, the wedding taking place on June 19. The bride has taught in the Ivanhoe high school the past three years and Mr. Ingvaldson is engaged in the automobile business there.

Mrs. Nellie E. Paine

Mrs. Nellie E. Paine died at the home of her daughter, Mrs. George Curran, Saturday morning, August 2, at 2 a. m., death being directly due to a cerebral hemorrhage. She was born in Illinois August 2, 1847, and recently has made her home with her daughter. The remains were shipped to Brainerd Saturday for interment.

July Slack Month for Cupid

In spite of splendid crop prospects and indications of improved conditions in general, Dan Cupid's activities in Pennington county during the month of July were almost negligible. During the entire period of 31 days only two marriage licenses were issued here, according to Clerk of Court Adolf Eklund. June, however, with nine licenses issued, again proved its popularity as a matrimonial month.

Entertain Jointly

Miss Eileen Arneson and Miss Mildred Cloney entertained about fifty of their friends at a dancing party at the Sons of Norway hall Wednesday evening last week in compliment to their respective friends, Miss Kathryn Flanagan and Caroline Nueland. The hall was decorated for the occasion and the guests indulged in dancing until a late hour. Refreshments were served by the hostesses.

Share Honors

The home of Mr. and Mrs. Math Barzen, Sr., at 203 Riverside avenue was the scene of a bridge party Monday evening when Mrs. Barzen entertained in compliment to Miss Marie Gross of Minneapolis, Miss Sophie Weaver of Duluth, and Mrs. Barzen's son, Roy, of Minneapolis. The rooms were decorated in flower favors for the occasion. Bridge was played at seven tables, W. B. Stone winning first, and Guy Johnson, receiving the consolation. Among out of town guests were Mr. and Mrs. M. J. Dunn and daughter, Lois, Max Dunn and F. Butler of Minneapolis.

Pederson-Anderson

Miss Nonie Peterson, daughter of Mrs. Ingardine Pederson residing at 120 Kendal avenue, and Ferdie Axel Anderson of Kittson county, were married Tuesday, Judge Lars Backe officiating. Miss Pederson is a graduate of the local high school and the past year has been engaged as school instructor. The young couple will reside on the groom's farm in Kittson county.

Thora Hanson Entertains

Miss Thora Hanson entertained a number of her friends at the J. L. Magnuson home Monday evening in compliment to the Misses Lena Evenson and Agnes Austad, who are spending a few weeks in this city with friends. The hours were spent at needle work and in a social way. Refreshments were served by the hostesses at a late hour. Twenty guests were present.

Motor Here From Florida

Mr. and Mrs. W. R. Hoag, residents of this city for some time until eight years ago, now of Lake Worth, Florida, near Palm Beach, were guests at the home of Mr. and Mrs. J. M. Bishop from Friday until Sunday. On Saturday evening a number of friends of the former residents joined in a picnic in their honor at the tourist park. Mr. Hoag was engaged in considerable drainage work in this section and was engineer on the drainage ditch No. 11 system. Mrs. Hoag has the distinction of being the first president of the local Woman's club when it was organized 11 years ago. It will be of interest to people here to know that Miss Helen Hoag, who taught in the Thief River Falls schools, is now married and lives at Ocala, Fla. Her name now is Mrs. C. E. Carmichael.

Hoags came here by car and reported a very enjoyable trip thru Washington, D. C., Chicago, Twin Cities, Duluth and other points of interest. They were very enthusiastic about the progress made in this city since their departure and were delighted over the splendid appearance of the crops here.

STARTS WORK AT $5.00 PER DAY

The very day Viola Culbertson finished her course at Dakota Business College, Fargo, she was sent to a $5-a-day position with the Ford Motor Co., making 42 "Dakotans" employed by this branch. Many have become executives and department heads. "Dakota" graduates are constantly being employed by Standard Oil Co., International Harvester Co., etc. at good salaries.

Proper training opens the door of Big Business to you. Watch these weekly stories. "Follow the Succe$$ful." Fall term opens Sept. 1-8. Write F. L. Watkins, Pres., 806 Front St., Fargo.

LOCAL NEWS

Alfred Paulson returned to this city Sunday, after having spent two weeks at St. Cloud as relief agent for the American Express company.

Mr. and Mrs. Peter Quandie and three children of Sisseton, S. D., arrived Sunday night by car to spend a few days as guests at the homes of the former's sister, Mrs. F. T. Satre, and sister, Mrs. Ed. Korstad.

Mr. and Mrs. Ralf Aasland of this city returned to their home Saturday night from Superior, Wis., where they spent the time since Wednesday as guests at the home of Mr. Aasland's brother, Thales Aasland.

Mrs. T. Tharaldson and children, Elva and Ray, left Saturday afternoon for Buxton, N. D., to spend a week or ten days as guests at the home of Mrs. Tharaldson's brother-in-law and sister, Mr. and Mrs. Albert Bjorgie.

Mr. and Mrs. A. E. J. Walgren, who spent a few days as guests of Mrs. Walgren's father, H. A. Brumund, left Saturday for Gull Lake and Lake Minnetonka to spend two weeks before returning to their home in Minneapolis.

Mrs. R. Oen and sons, Robert and Roy, returned from their summer camp at Cass Lake by car Thursday and Miss Myrtle Oen and Mrs. S. Hanson returned that evening by train after having spent three weeks there.

Miss Mary Wing of Middle River who has attended the Dakota Business college the past summer months, arrived in this city Saturday to spend a brief time with her sister, Mrs. E. C. Ristau on her way to her parental home.

Mr. and Mrs. Charles Walsted motored to this city Monday from Hallock after spending a week attending the wedding of their niece. They spent Monday visiting at the home of Mrs. John Fellman. They returned to their home in Bemidji Tuesday morning.

Miss Eileen Herron, a student at the Bemidji state teachers' college during the summer term, and her mother, Mrs. A. Herron, who was a guest there for a week, have returned to this city.

Mr. and Mrs. W. H. Funnell and daughter, Joyce, of Glenwood, returned to their home Monday after having spent the time since Saturday as guests at the home of Mrs. Funnell's parents, Mr. and Mrs. George Leimers.

Miss Anna Leimers, daughter of Mr. and Mrs. George Leimers, proprietors of the Ogamah Hotel, arrived Friday night from Minneapolis to spend an indefinite time at her parental home. Miss Leimers is employed in Minneapolis.

Misses Mildred, Helen, Clara and Inga Waxwik, accompanied by the Misses Paulson and Haugen motored here from Grand Forks Friday to visit briefly at the Bernhard Knudsen home. Mrs. Knudsen is an aunt of the Misses Waxwik.

Miss Adlyn LaBree returned to the home of her parents, Mr. and Mrs. W. J. LaBree Saturday, accompanied by Miss Olga Stenmoe of Grand Forks, of whom she was a guest the past two weeks. Miss Stenmoe will be a house guest of Miss LaBree this week.

Mr. and Mrs. A. E. Bratt and son and daughter of Overly, N. D., returned from Superior and Hibbing Tuesday evening, the latter place at which they visited Mrs. Bratt's sister, Miss Helen Flecke, known to many in this city. Miss Flecke is employed in Hibbing.

"Spider" Yost, former manager of the local ball team, arrived in the city Monday from Appleton, this state, where he was in charge of a team during the season. He expects to leave Monday for the harvest fields in North Dakota after attending the fair here.

Roy Barzen, son of Mr. and Mrs. Math Barzen, Sr., of this city, and Miss Marie Gross of Minneapolis, will return to that city Saturday, having spent two weeks as guests at the Barzen home. Mr. Barzen is employed with the Montana-Dakota grain company.

Mr. and Mrs. Albert Johnson and Mr. and Mrs. L. R. Roberts and daughter, Gladys, motored to Crookston, Grand Forks and Warren Sunday, and spent the day with friends.

Mrs. Carl Engen and daughters, Leona, Blanch and Helen, and son, Glen, of Minneapolis, arrived yesterday morning for a few days visit at the home of Mrs. Engen's brother-in-law, Albert Engen.

Mr. and Mrs. W. A. Booren, who have been guests at the homes of Mr. and Mrs. P. W. Mabey and friends in this city the past week, left Sunday night for their home in Minneapolis. They were formerly residents of this city, having moved to Minneapolis five years ago.

Mr. and Mrs. John S. Nelson and son Johnnie, and Mr. and Mrs. S. S. Nelson and daughters, Marian and Olive, residing 10 miles east of this city, motored to Winger Sunday and spent the day as guests at the home of Mrs. Nelson's sister, Mrs. Albert Johnson, and other relatives.

Dr. and Mrs. P. R. Fossum of Forest River, N. D., returned by car to their home Tuesday last week after having spent a week with relatives in this city. They will leave for Middletown, Conn., from Forest River where Dr. Fossum is engaged as instructor in the Wesleyan college.

K. B. Bergerson of Christiania, Norway, and Ole Tornaard of Minneapolis, who lectured in this city about two weeks ago, have visited various points west of here and leave this week for Cass Lake to spend some time outing and camping. Lectures are given on social and religious problems.

William F. Head, farmer near Warren, daughter Nannie, Misses Ethel Munger and Pearl Brown motored thru this city Tuesday on their return from the narrows of Red Lake where they spent the time since Saturday outing. They were all very enthusiastic about the place as a summer resort.

Mr. and Mrs. Clarence Andrews of Grand Rapids arrived Thursday to spend a few days as guests at the home of the former's parents, Mr. and Mrs. Anton Dybvik. They returned to their home Monday morning with Mr. and Mrs. Henry Melby, who motored to Grand Rapids to spend a few days as guests at the Andrews home.

Mrs. Ole Isaacson and Mrs. Ottis Dokken and children, Wilson, Nyal and Corlan, left last week for Glenwood, Minot and Valley City, N. D., and other points for an indefinite visit with relatives and friends. At Genwood they will be guests at the home of Mrs. Ole Hanson and her daughter, Mrs. Perkins, both formerly residents of this city, and at Minot will visit with Mrs. Isaacson's son, Chester Wilson, and Mr. and Mrs. Fred Hendrickson, the latter her daughter.

Mrs. Rolf Falk, who has been a guest at the home of her parents, Mr. and Mrs. Ed. Hilson the past three months, left last week for Hawley, accompanied by her mother-in-law, Mrs. Ben Falk, to spend the weekend with their sister and daughter, Mrs. Jennings. Mrs. Rolf Falk will leave from that city for points in Iowa for a brief visit and then continue on to St. Louis, Mo., to join her husband, who is working in that territory for a Seattle importing company.

Dr. and Mrs. P. M. Dale of Granite City, Ill., who have been guests at the home of the latter's parents, Mr. and Mrs. F. T. Satre, residing south of this city, the past three weeks, left for their home Tuesday noon, accompanied by Miss Myrtle Satre, who is taking a nurses training course in Chicago and who returns to resume duties. They are spending a week on the return trip, going by way of Itasca State Park and visiting at Friendship, Wis., and Chicago, Ill. Dr. Dale is chief surgeon for the Commonwealth Steel company at Granite City.

Craig Halvorson, son of Mr. and Mrs. G. Halvorson of this city, returned to his parental home Thursday from Wayzata for an indefinite visit.

Mrs. Sever Egeness and daughter returned Monday morning from points in North Dakota where they spent two weeks as guests of relatives, visiting at Stanley, Hatstad and Harvey.

Mr. and Mrs. Ray Flynn and Mr. and Mrs. J. A. Gjelhaug and children, Ronald and Walter, of Baudette are expected to arrive today to attend the Fair and visit at the Louise Fossum home.

Mr. and Mrs. J. H. Fenton leave tomorrow for Camel to spend the week end as guests at the home of Mr. Fulton's sister, Mrs. Ernest Kemel. On their return they will be accompanied by their son, Sam, who has been a guest at the Kemel home since the Fourth.

Mr. and Mrs. H. Blaska of St. Hilaire returned to their home Sunday afternoon from an auto trip to the twin cities, Forrest Lake, Anoka, Big Falls and various points in the southern part of the state. In St. Paul they spent some time visiting with their son who is employed there.

Mrs. Cora E. Wold arrived from Grand Forks yesterday to spend a week or ten days in this city to take charge of the LaVogue shop, during the absence of Mr. and Mrs. Henry Melby, who are spending a two weeks' vacation at a resort near Grand Rapids.

Mrs. Inga Simonson of Denver, Col. is a guest at the farm home of her brother, Jorgen Eide, north of this city. Mr. Eide had not seen his sister since they were in Norway, 58 years ago. Mrs. Simonson will be a guest at the Eide home for about three weeks.

Dr. and Mrs. Dahlquist, daughters Helen and Eba, and son John, of Fargo, visited at the E. O. Erickson home Tuesday enroute to Lancaster. Miss Helen will remain in the city for the fair and will join her parents on their return to Fargo next week. Dr. Dahlquist formerly practised at Lancaster.

Mrs. Albert Erickson of this city returned to her home Tuesday evening from Viking where she spent a week with her parents, Mr. and Mrs. Frank Anderson. On her return she was accompanied by her sister, Mrs. August Gustafson of Duluth, who was a guest at the Anderson home and who will spend a week in this city.

Something startling in the fireworks display never before shown before people of this state at the Big Pennington Fair Each Night.

Dr. and Mrs. R. L. Barackman and son, Rufus, formerly of this city arrived Friday evening by car from Lincoln, Kansas, to spend a week as guests at the home of their daughter and sister, Mrs. Mauritz Brink. On their way to this city they were guests at the homes of Dr. Barackman's sister, Mrs. M. Winegarth, and cousins, Misses Jennie and Josie Martin. They also visited at St. Paul and Detroit. The Misses Martin are missionaries in India and are home on a furlough. Dr. Barackman and family will spend two weeks at other points in this state before returning. They left yesterday for Detroit for a brief visit.

Treat Your Gasoline With Blitzen Fluid

"The Fountain of Motor Youth"

Blitzen Fluid added to your Gas- Increases Mileage of Gas from 4 to 7 miles per gallon.

CARBON DEPOSITS, the most common and ruinous enemy to all gasoline motors, is the original cause of ninety per cent of motor troubles. Blitzen Fluid eliminates this serious handicap in motor engineering, as it softens the fiery coke-like carbon deposits and expels it through the exhaust. Once the motor is clean, Blitzen Fluid forms a film on the surface of the metal parts and makes it impossible for carbon to adhere to same.

When carbon is gone grinding of valves becomes the exception rather than the rule. Your motor valves and plugs will be kept clean and perform at their highest efficiency; carbon knocks and motor heating will disappear, starting will be easier and you will enjoy that extra power and smoothness of a clean well preserved motor.

Blitzen Fluid is used by men in the Auto Motive industry who know that it will not injure the most sensitive motor. It is produced by chemists to put and keep your motor in the state of highest efficiency and saves in gasoline and repair bills sufficiently to entirely or largely reduce the cost.

ADD 2 OUNCES OF Blitzen Fluid TO EACH 5 GALLONS OF GAS and give Blitzen Fluid a fair test in accordance with the condition of your motor. Notice the difference.

In your community Blitzen Fluid "The Fountain of Motor Youth" is sold at Pyramid pumps and service stations.

COMMUNITY NEWS

ROSEWOOD

Thompsons Surprised

A community farewell surprise party was tendered Mr. and Mrs. James Thompson at the Rosewood hall last Wednesday evening by about fifty of their friends. The evening was merrily passed at dancing and socially, and refreshments were served. The Thompsons left Sunday for Gully their former home town, where they will spend some time before proceeding to Minneapolis where Mr. Thompson plans to secure future employment. The household belongings have been shipped to Gully by truck. All the good wishes of the community are extended to Mr. and Mrs. Thompson.

Leave For Thief River Falls

Mr. and Mrs. L. L. Furan who have made their home at this place for several years since Mr. Furan dissolved partnership with Severt Benson in the barber business at Thief River Falls, will leave this month for that place where Mr. Furan will be employed at the Benson barber shop. Mr. Furan has been engaged in various business opportunities during the years he has been at Rosewood, coming here first as a county organizer for the at that time so popular Non-Partisan League political organization. At one time he was in partnership with John Sorenson in the garage business and was one of the starters of the Rosewood garage. He has been agent for various lines of trade and radio apparatus, and also taken a few turns more or less satisfactory at farming in this community.

A. C. Vorseth arrived here on Friday morning from Thief River Falls and will take charge of the Hanson & Barzen elevator, besides being agent for the Thief River Falls Co-operative Cream station, and custodian of the Soo property here. Mrs. Vorseth and daughter, Elsie will arrive here in a few days, and their household belongings will be brought here by truck.

Mr. and Mrs. F. G. Dols and family and Mr. and Mrs. D. N. Peterson motored to Red Lake Sunday where they spent the day camping.

Ted Nelson who has been employed at road work near Barnesville this summer came home on Saturday, and will remain at home for some time to put up hay for the winter.

Miss Gladys Sagmoen spent several days the first of the week visiting with Miss Elsie Vorseth at Thief River Falls.

Rev. and Mrs. A. O. Anderson and Mrs. Peterson from Spooner arrived here in car on Monday afternoon to visit among friends and also conducted a religious service at the Mission church in the evening.

Two students, J. A. Peterson and Anker S. Berg from Augsburg seminary at Minneapolis will be at this place two evenings on Aug. 23 and 25 and will conduct Evangelistic services at the Rindal church north of town. These gentlemen are on their way to Canada where they will enter into direct Mission work and are filling dates at several places on the route. They come heartily recommended and this place is fortunate in securing two evening services.

Mr. and Mrs. Oscar Blomberg and family, Mr. and Mrs. Dave Mosbeck and Percy Hanson from Crookston were here last Sunday visiting among relatives and picking June berries.

Several parties from here attended the horse sales at Thief River Falls Monday afternoon.

Mrs. G. W. Davison left last Tuesday for Fargo and other North Dakota points where she will spend some time visiting and looking after real estate interests before returning to her home at Ontario, Cal.

Violet Furan is employed at the home of Mr. and Mrs. Olof Nordhagen this week.

The Rindal Ladies aid will be entertained by Mrs. I. M. Westby at her home north of town tomorrow afternoon.

GOODRIDGE

G. C. DeVries returned home Sunday from Grygla where he has been a patient at the Grygla hospital the past three months.

Mrs. Inez Eberhard of Galesbury, Ill., arrived here Sunday night to spend an indefinite time visiting with her mother, Mrs. Martin Olson.

A large number of the villagers attended the Young Peoples' Society at the Hans Solberg farm near Erie Sunday.

Alfred Anderson, Leonard Gunderson and Joe Christianson autoed to Gatzke Sunday where Joe assisted the Grygla nine in a game of baseball versus Gatzke. The boys report a good game, the score being 5 to 1 in the favor of Gatzke.

Herbert Nelson, formerly a resident of this county, arrived from St. Paul where he has been going to college, having finished his freshman year. He is visiting at the L. P. Papenhagen home north of here.

A. B. Mandt and son Bennie, Mrs. S. Gunderson and son Norton and daughter Edith, Miss Hazel Aarness left Saturday for Minneapolis by car where Norton Gunderson and Bennie Mandt will attend the Citizens Military training camp. Mr. Mandt had business in the cities. *Mrs. Gunderson* and daughter Edith were going to Austin to visit Mrs. Gunderson's daughter, Mrs. B. Johnson. Miss Hazel Aarness was going to Blooming Prairie to visit with relatives.

The following girls spent Tuesday evening very enjoyably by having a weiner roast south of here one-half mile: Misses Lillian Stephenson, Gundy Gilbertson, Manda Adsero, Anna Nystul, Ethel Vaughan, Gutla Gulrud, Hazel Aarness, Gitengle Anderson and Emma Gethelson.

Mr. and Mrs. Geo. Susksloff and daughter, Mrs. R. Knight and children Ruth, Lester and Carrol Jean were visitors at the Theo. Gilbertson home Sunday.

R. H. McDonald, wife and son Henry and daughter Ruth and niece Miss Mildred Argall left for Mahnomen Saturday afternoon; where they will meet Mr. Oscar Stusrud and the two cars will make a trip through Iowa and Wisconsin and return.

Miss Sarah Vaughan of Thief River Falls came to visit at the home of her brother Morgan Vaughan Friday.

Goodridge Lutheran Church
V. O. Aaker, Pastor

Sunday, Aug. 10. English services at Torgerson at 11 a. m. The confirmants will be catechised after the sermon. The following young peoples society invite you to their entertaining and social gathering this Sunday afternoon: Goodridge Y. P. S. meets with Mr. and Mrs. Henry Thorson, 3 miles west of town; Bethania Y. P. S. meets with Mr. and Mrs. A. Newton, 6 miles southeast of Thief River Falls, and Erie Y. P. S. meets with Mr. and Mrs. Aubol. Good program and lunch at all places. Attorney Chommie of Thief River Falls will address the Y. P. S. of Goodridge. The Ladies Aid of Goodridge will have an ice cream social on the church lawn Thursday, Aug. 14. The confirmation classes meets as usual: Bethania every Tuesday at 4 p. m., Erie and Torgerson every Friday at 11 a. m. and at 2:30 p. m.

HOLT

Born to Mr. and Mrs. Renie Werner at Holt, a daughter, Friday, July 25.

J. A. Sorum, John Hagberg, Ole Davidson and son Hilmer of Holt went to Roseau county last week, Mr. Sorum having a contract for the construction of a 36-foot bridge several miles northeast of Middle River. He has also been awarded the contract for building the abutments for a bridge on the range line between Excell and Agdar townships.

Carl Sorenson has completed the construction of a 150 ton silo on his father-in-laws farm west of Holt.

MAYFIELD NEWS

The Young Peoples' society will be entertained at the Wedul home Sunday, August 24th. The Western Ladies' aid will also meet there Thursday, August 27th.

The Misses Helen and Annie Cooper, who have been employed in Red Lake Falls, are spending a few days vacation with their parents, Mr. and Mrs. H. Cooper.

Misses Gena Haugen and Alice Jesperson left for St. Paul last Tuesday after spending a three weeks' vacation at the Haugen and Jesperson homes, respectively. Miss Ruth Omdahl accompanied them back.

The Messrs. Jacob, Orvil, Manford, and Julian Stennes called at the Wedul home Friday evening.

Roy Kiel, who has been employed in the cities, returned to his home here last Saturday.

Mrs. Helgerson accompanied by Alfred Helgerson, sought medical treatment from Mrs. Asp last Sunday.

Mexican Workers Arrested

Seven Mexicans were arrested last week by Sheriff Nelson of Polk county for jumping their contracts with a Fisher sugar beet farmer. The men, who had agreed to work in the beet fields all season quit their jobs Saturday and were found sleeping in a wheat field south of Crookston Monday morning. They were expected to return to their work.

Grygla Youth Dies

Jorgen K. Austad, 25, son of Mr. and Mrs. Gunder K. Austad of Valley township, near Grygla, died at his home Monday, July 28, following an illness of about four years. He leaves to mourn his death his parents, two brothers and three sisters.

LEGAL NOTICES

(July 17-Aug. 21)

NOTICE OF MORTGAGE FORECLOSURE SALE.

WHEREAS, default has been made in the condition of a certain Indenture of Mortgage, made, executed and delivered by Peter W. Korstad and Blanche Korstad, his wife, of Pennington County, Minnesota, as mortgagors, to the First and Peoples State Bank, Thief River Falls, Minnesota, a Minnesota corporation, as mortgagee, upon and covering the following described real property, lying and being in the County of Pennington, and State of Minnesota, to-wit:

The Northeast Quarter (NE¼), and the North Half of the Southwest Quarter (N½ SW¼), and the Southeast Quarter of the Southwest Quarter (SE¼ SW¼), and Lot One (1), Section Twenty-one (21), Township One Hundred Fifty-three (153) North, of Range Forty (40) West, of the Fifth Principal Meridian, containing Three Hundred Nineteen and 80-100 (319-80-100) acres, more or less, according to the United States Government Survey thereof, which said mortgage bears date the Thirteenth (13th) day of February, A. D., 1920, and was filed for record in the office of the Register of Deeds, in and for said County of Pennington, in the State of Minnesota, on the Twenty-seventh (27th) day of February, A. D. 1920, at 10:00 o'clock A. M., and was duly recorded in Book 13 of Mortgages, on page 571, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by assignment dated the Second (2nd) day of March, A. D. 1920, and filed for record in said Register of Deeds office on the Tenth (10th) day of March, A. D. 1920, at 1:00 o'clock P. M., and was duly recorded in Book 63 of Mortgages, on page 181, and

WHEREAS, said default consists in the failure of said mortgagor to pay an installment of interest due December First (1st), 1923, and failure to pay taxes, and

WHEREAS, by reason of the default made as aforesaid The Minnesota Mutual Life Insurance Company, as authorized by said mortgage and the notes thereby secured, has declared and does hereby declare the whole of said principal and accrued interest thereon to be immediately due and payable, and

WHEREAS, there is claimed to be due upon said mortgage and the notes thereby secured at the date of this notice the sum of Eight Thousand Seven Hundred Ten and 79-100 ($8,710.79) Dollars, being Eight Thousand ($8,000.00) Dollars principal and Seven Hundred Ten and 79-100 ($710.79) Dollars interest, and no action or proceedings at law or otherwise, has been instituted to recover the same or any part thereof,

NOW, THEREFORE, notice is hereby given that in and pursuant to the power of sale said mortgage contains, and the statute in such cases made and provided, the said mortgage will be foreclosed and the real property therein described will be sold by the Sheriff of said County of Pennington, in the State of Minnesota, or by his Deputy, at public auction to the highest bidder therefor for cash, at the East front door of the Pennington County, Minnesota, Court House, in the City of Thief River Falls, and in said County of Pennington, on Saturday, the Thirtieth (30th) day of August, A. D. 1924, at 10:00 o'clock in the forenoon of that day, to pay the amount which will then be due upon said mortgage, including taxes if any, and the costs and expenses of this foreclosure, also including an Attorney's fee of Seventy-five ($75.00) Dollars, as stipulated in said mortgage to be paid in case of foreclosure thereof.

Dated July 1st, 1924.

THE MINNESOTA MUTUAL LIFE INSURANCE COMPANY,
Assignee of Mortgagee.

S. GRANT HARRIS,
Attorney for Assignee of Mortgagee,
11th Floor Commerce Building,
St. Paul, Minnesota.

(July 17-Aug. 21)

NOTICE OF MORTGAGE FORECLOSURE SALE.

Whereas, default has been made in the conditions of a certain Indenture of Mortgage, made, executed and delivered by Anton Knudson and Ada Knudson, his wife, of Pennington County, Minnesota, as mortgagors, to the Citizens State Bank of Thief River Falls, a Minnesota corporation, as mortgagee, upon and covering the following described real property lying and being in the Counties of Pennington and Marshall, and State of Minnesota, to-wit:

The Southeast Quarter (SE¼) of Section Ten (10); Northwest Quarter of the Northwest Quarter (NW¼ NW¼) of Section Fourteen (14); Northeast Quarter of Northeast Quarter (NE¼ NE¼) of Section Fifteen (15); South Half of the Northwest Quarter (S½ NW¼) and the Northwest Quarter of the Northwest Quarter (NW¼ NW¼) of Section Eleven (11), all in Township One Hundred Fifty-four (154) North of Range Thirty-nine (39) West of the Fifth Principal Meridian, containing Three Hundred Sixty (360) acres, more or less, according to the Government survey thereof, which said mortgage bears date the First (1st) day of December, A. D., 1919, and was filed for record in the office of the Register of Deeds in and for said Pennington County, in the State of Minnesota, on the Twenty-second (22nd) day of December, A. D. 1919, at 1:00 o'clock P. M., and was duly recorded in Book 12 of Mortgages, on page 534, and was also filed for record in the office of the Register of Deeds in and for said Marshall County, in the State of Minnesota, on the Ninth (9th) day of January, A. D. 1920, at 2:00 o'clock P. M., and was duly recorded in Book 93 of Mortgages, on page 551, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by two assignments dated the Eighth (8th) day of July, A. D. 1920, one filed for record in said Register of Deeds office of Pennington County, on the Twenty-first (21st) day of September, A. D. 1920, at 1:00 o'clock P. M., and was duly recorded in Book 63 of Mortgages, on page 241, the other filed for record in said Register of Deeds office of Marshall County, on the Twenty-first (21st) day of September, A. D. 1920, at 2:00 o'clock P. M., and was duly recorded in Book 98 of Mortgages, on page 409, and

WHEREAS, said default consists in the failure of said mortgagors to pay an installment of interest due December First (1st), 1923 and failure to pay taxes, and

WHEREAS, by reason of the default made as aforesaid The Minnesota Mutual Life Insurance Company, as authorized by said mortgage and the notes thereby secured, has declared and does hereby declare the whole of said principal and accrued interest thereon to be immediately due and payable, and

WHEREAS, there is claimed to be due upon said mortgage and the notes thereby secured at the date of this notice the sum of Six Thousand Five Hundred Thirty-three and 10-100 ($6,533.10) Dollars, being Six Thousand ($6,000.00) Dollars principal and Five Hundred Thirty-three and 10-100 ($533.10) Dollars interest, and no action or proceedings at law or otherwise, has been instituted to recover the same or any part thereof,

NOW, THEREFORE, notice is hereby given that in and pursuant to the power of sale said mortgage contains, and the statute in such cases made and provided, the said mortgage will be foreclosed and the real property therein described will be sold by the Sheriff of said County of Pennington, in the State of Minnesota, or by his Deputy, at public auction to the

(July 17-Aug. 21)

NOTICE OF MORTGAGE FORECLOSURE SALE.

Those who learn that there is fun in something besides pleasure have the best time out of life.

Notice is hereby given that on the 5th day of August A. D. 1924, the above named Edwin Hill, sole trader, doing business as Hill's Auto & Electric Supply Co., was duly adjudicated a bankrupt and that the first meeting of his creditors will be held at the office of the undersigned referee in bankruptcy, in the City of Crookston, in the county of Polk, in said District, on the 15th day of August A. D. 1924, at 10 o'clock in the forenoon, at which time said creditors may attend, prove claims, examine the bankrupt, appoint a trustee and transact such other business as may properly come before said meeting.

Dated August 5th, 1924.

OLE J. VAULE,
Referee in Bankruptcy.

RESOLUTION

At a regular meeting of the City Council held July 22, 1924, Alderman Rambeck, seconded by Alderman Fossum, introduced the following resolution and moved its adoption:

BE IT RESOLVED, By the City Council of the City of Thief River Falls, Minnesota, that the City Council of the City of Thief River Falls deems it necessary and expedient that a sidewalk be constructed along the street hereinafter named:

NOW, THEREFORE, Be It Resolved, That a sidewalk be and the council hereby on its own motion does order the same constructed along the East side of Tindolph Avenue, between the intersection of said Tindolph Avenue with Mussey Street and Johnson Street, and the owners of property fronting on said portion of Tindolph Avenue and hereinafter named, and all other owners of property fronting thereon, are hereby notified and required to construct said sidewalk, of a width of five (5) feet, of cement or concrete, in accordance with the requirements and specifications of sidewalk construction on file with the city clerk; said sidewalk to be so constructed and completed on or before the 23rd day of September, 1924, and that this resolution be served as provided by law upon all the owners of the lots or parcels of ground fronting on said portion of said Tindolph Avenue, whose names with their respective holdings are hereinafter stated, viz:

Name of Owner	Description of Property	
Albert LaMae, Thief River Falls	Lots 25 and 26	Block 18 R. L. Rapids
Albert LaMae, Thief River Falls	Lots 27 and 28	Block 18 R. L. Rapids
Mrs. Wm. Pilger, Milbank, S. D.	Lots 29 and 30	Block 18 R. L. Rapids

P. G. PEDERSON,
City Clerk.

V.97/5

MUCH INTEREST IN READING IS SHOWN BY CITY

Total of 1,329 Adults and 1,325 Children Borrow 23,336 Library Books in Year

COST OF OPERATING LIBRARY IS $3,066

Mrs. Christina Frissel, Resigned, Is Succeeded as Librarian by Mrs. Esther Myrland

The annual report of the Carnegie Library in this city filed with the city council recently is filled with interesting information as to what this valuable institution is doing for the people of this vicinity.

Its 2,654 borrowers from the library, of whom 1,329 are adults and 1,325 children—almost evenly divided—last year took out 23,336 volumes, or nearly ten books for each person. This included fiction and non-fiction, the total of each kind taken out being 16,526 and 6,810, respectively.

Of the 11,027 books borrowed by adults, 9,100 were fiction and 1,927 non-fiction, while of the 12,309 volumes borrowed by children, 7,426 were fiction and 4,883 non-fiction.

New borrowers from the library last year numbered 401, of whom 206 were adults and 195 children. Seventy persons residing outside the city have borrowing privileges, according to the report.

255 Volumes Added

There were 3,567 volumes for adults on hand a year ago and 1,568 for children to which were added during the year thru three methods—purchase, gift and binding—144 volumes for adults and 111 for children, which with withdrawals of 75 and 90 respectively, left on hand July 1 this year 3,636 volumes for adults and 1,589 for children, or more than two to one.

The report brings to light the fact that the library is open to the public every week day practically, being closed only on holidays and a few other days occasionally, having been open an average of 35 hours weekly for 344 days last year. The estimated reading room attendance for the entire year is placed at 41,280, or an average of 120 daily. Forty-eight periodicals are on file, together with nine newspapers.

Cost to City Nearly $3000

Economy has been the watchword of the library board for the past year as usual and the financial report shows that starting with a balance of $79.76 a year ago, receipts totaled $3,884.65 and expenditures were $3,066.52, leaving a balance on hand July 1 this year of $897.89. Of the expenditures the city paid $2,916.93. The rate of library tax as given in the annual report shows 2.4 mills.

A large number of used magazines have been distributed among individuals and rural schools of the county during the past year, according to the librarian. Thief River Falls citizens have been generous in bringing their old magazines to the library where someone else may get them. It is urged that country schools avail themselves of this service during the coming year.

Librarian Resigns

Mrs. Christina Frissel, who has served efficiently as librarian the past three and one-half years, has tendered her resignation which was effective Aug. 1. Mrs. Frissel, who is quite advanced in age has decided to retire, altho she states that she enjoys the work immensely. She is being succeeded by Mrs. Esther Myrland, daughter of Mrs. Anna Kretchmar, who has been taking a special course in library work at the university the past six weeks. She arrived Monday and has already taken up duties at the library. Miss Jennie Moen will remain as assistant.

Members of the library board, each appointed for a term of three years, are: Mrs. E. E. Zeh, Mrs. T. L. Melgaard, Mrs. H. W. Froehlich, Mrs. P. W. Mabey, Mrs. E. O. Mogensen, Mrs. Daniel Shaw, Mrs. L. G. Larsen, Mrs. Chas. Gerlinger and H. A. Brumund.

Certifies Potato Seed

A. G. Tolaas, representing the Minnesota university was a caller in the community a short time ago to certify 80 acres of potatoes grown by Chas. Correll, Peter Engelstad, Lawrence and Jens Letness. In order to be certified the seed must be true to variety and must be free from disease.

Gust Mellum to Asylum

Gust Mellum, 46, was on July 25 committed to the insane asylum at Fergus Falls, being taken there by Sheriff Ole L. Ihle. While staying at the Central hotel, where he has made his home the past few years, Mellum began acting out of the ordinary and was taken to the Physicians hospital, where it was found that he was mentally unbalanced. Hope is held for his recovery thru treatment at the state hospital. It is believed that worrying over religious and money matters caused the mental breakdown. Mellum, who is unmarried, has been employed at various jobs in the city for some time.

ST. HILAIRE WINS SUNDAY'S GAME BY CLOSE SCORE, 5-3

Local Aggregation to Meet Warroad on their Diamond Sunday, Aug. 17

St. Hilaire was the victor in Sunday's baseball game when the local team met them on their diamond, the game ending with a score of 5 to 3.

The Thief River Falls team gave the St. Hilaire team a run for the score and but for a few flukes would have carried off the game. St. Hilaire finished the first inning with two runs, one of which was made on a walk, while the locals completed one run. The St. Hilaire aggregation made three more in the third inning which was the last they scored. Robinson, who began pitching, was hit by a ball and in the fourth inning dropped out substituted by Dean. The local nine nearly made the game in the last inning, knocking Engh out of the box, Kiefenheim retiring the side with three men on bases, the locals scoring two runs. Following is the box record:

St. Hilaire—	AB	R	H	PO	A	E
E. Hallanger, 3b	3	1	0	2	2	1
Duchaine, 2b	5	0	2	1	6	0

Sunday, August 17th, the Thief River Falls team meets Warroad on the latter's diamond.

EXPERTS SECURED TO JUDGE AT FAIR

Exhibits Entered on Opening Day Largest Display Ever Seen Here

Judging of the hundreds of entries in the various departments of the Pennington county fair held here this week begins this afternoon, according to Secretary J. J. McCann, and will be performed by a group of specialists who are experts in their respective lines. This is a very important part of the fair exhibition as more than $2,000 in premiums are distributed among the winners.

R. L. Aney, Soo Line agricultural agent, is here to judge dairy cattle, while the other livestock will be judged by W. E. Morris, assistant county agent of the state. Entries in the livestock department are more numerous and better than ever before. A livestock parade are features of the programs on Friday and Saturday afternoons. Prize winners will be announced before the grand stand.

Grains, vegetables and flowers will be judged by T. M. McCall, horticulturist at the Northwest School of Agriculture, and well known to local people. A. M. Pilkey, also of the Northwest School, has been secured to pick the winners in the poultry division, which is well represented.

Exhibits in the home economics department in the Womans building, which is one of the most interesting on the grounds, will be judged by Miss Schenke of the Northwest School of Agriculture. Those in charge of this department declare the display this year exceeds any shown at previous fairs here and indicates much interest among the women of the country districts as well as in the city, and villages.

A feature of the women's exhibit this year is the practical department demonstrating practical house dresses and other garments.

Everyone who visits the fair grounds should make it a point to view all the exhibits. It will open one's eyes to what is produced in Pennington county.

Sheriff Collects Motor Tax

Motor tax delinquents in Pennington county now have to explain or pay up to Sheriff O. L. Ihle, the list being turned over to him for collection on July 31. So far about a dozen of the 50 whose names appear in the list published in The Times recently have cleared up the matter by explaining their removel from the state, sale or dismantling of machine, and failing to report to the office of the secretary of state. The sheriff states that he expects only three or four cars to be sold for taxes this year.

Legion Dances This Week

At a meeting of the Eklund post two weeks ago it was decided to give dances during the Pennington county fair to help defray the expenses of delegates to the state Legion convention in St. Cloud, and arrangements have been made to sponsor dances at the city auditorium each night—tonight, tomorrow and Saturday night. Excellent music will be furnished by Emard's orchestra of Grand Forks, consisting of six pieces.

The committee in charge of the affair are: Ray Kiland, chairman, Roy Miller, Verner Nelson, Dave Robinson, Oscar Paulson and Henry Froseth. It is expected that large crowds will join the Legion boys in the events this week, a good time being assured everyone in attendance, as the "boys" are known as jolly entertainers.

Will Tour Europe

Senator C. L. Hansen, formerly president of the First National bank here and who disposed of his interests last month to a Minneapolis company, sailed Tuesday for Denmark, where he will spend some time visiting his mother, and tour various parts of Europe. He expects to remain for three months. Upon his return here he may enter into a loan, real estate, insurance and bond business.

Area Testing in Red Lake

Dr. L. R. Twete, local veterinarian and municipal dairy inspector, is among the 15 veterinarians making the Red Lake county area testing for tuberculosis, which started July 28 and will be completed next Monday. The purpose is to rid the county of all diseased cattle. The work is under the direction of state experts and their selection of Dr. Twete as a member of the field force speaks well for his qualifications along that line.

LEGION CONVENTION HERE NEXT YEAR

(Continued from Page 1.)

Commander Smith, H. O. Chommie, Dr. A. W. Swedenburg and Supt. O. R. Sande. Other local men in attendance, many of whom composed the band which was a hit of the convention, besides the above mentioned citizens committee are: V. C. Polman, H. S. Snyder, Art Granum, Francis Burns, F. E. McGinn, G. A. Russell, L. A. Hermanson, P. G. Pederson, Perry Froseth, Dr. C. M. Haug, Howard Sandum and Kermit Anderson. Mrs. Roy Erickson and Mrs. Geo. Nelson represented the Auxiliary.

Practically the entire delegation is now back, many returning last night, greeted enthusiastically by everyone.

Thief River Falls having been awarded the 1925 convention the mayor of Hibbing offered a motion to make the vote unanimous and promised five bands from that city next year instead of three at St. Cloud.

PENNINGTON COUNTY TO ENTER EXHIBIT AT MINNESOTA FAIR

Agricultural Prosperity of County to be Depicted in Display Booth

Pennington county will be one of the 44 counties which will have an exhibit at the 1924 state fair, as a result of action taken at a meeting of interested business men of Thief River Falls last Thursday night. Tentative plans were made for this important county-wide project emphasizing the productivity of Pennington county.

Last year Pennington county entered an agricultural booth at the state fair for the first time, the project then being handled by J. S. Arneson. Considerable favorable publicity resulted from the initial showing which included some fine samples of what can be raised here, and naturally those in charge hope to do still better this year. Crop prospects, which are so excellent in Pennington county at present, augur well for a premier exhibit from this county.

At the meeting Thursday Geo. M. Wilson was named to act as general manager of the enterprise while a number of men were selected to assist in securing material for the exhibit. County Agent J. J. McCann will pick out the finest sugar beets grown in the county, Paul Engelstad the best samples of potatoes, F. F. Haynes the best alfalfa, while others will be secured to select specimens of the various grains and other products included in the exhibit.

Pennington county will compete with counties of the Northern section, the state being divided into three sections. Counties in this section besides Pennington are Roseau, Norman, Becker, St. Louis, Koochiching, Lake, Crow Wing and Aitkin. Competition is keen and some of the exhibitors in charge are persons of much experience in that line, but those in charge of the local exhibit promise that if the material is gotten together it will be displayed to the best possible advantage. Work will be started at once in lining up material.

The winner from the northern section last year was Koochiching county. The state fair guarantees $350 to every county exhibit scoring at least 800 points out of a possible 1,250 points.

Wedmer Breaks Arm

Carl Wedmer suffered a fracture to his right arm yesterday noon while cranking the motor of the delivery truck, which he drives for the Zeh Grocery store.

Attend Wheat Growers Meet

G. W. Connell and Jorgen Eide of this city attended the meeting of the board of directors at Minneapolis yesterday. Among questions to be taken up was the moving of the offices from this city to the twin cities.

Must Stop at Gates

Directors of the fair association at a meeting last week made a ruling that taxi cabs will not be permitted to enter the fair grounds during the fair next week, but must load and unload at the gates. This is done to avoid accidents and congestion.

Grindeland in City

Judge Andrew Grindeland of Warren was in the city last Thursday to hold a special court session, but no cases were heard. The First National bank vs. Mrs. Bertha Giller case was slated to be heard before the district judge at this time but due to the absence of one of the main witnesses, C. L. Hansen, was continued until some later date.

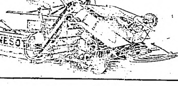
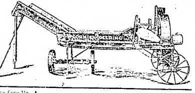
THIS LOOKS INTERESTING

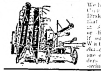


We have 2 No. one 7 ft. cut Minnesota Grain Binders left on hand that we have decided to sell at $145.00 for cash. These Binders are complete with truck and outside reel support. New and in first class condition.

Your chance to get a good binder cheap.

Now is the time to get lined up for your Silo filling, and we wish to show you the McCormick-Deering Ensilage cutter before you buy. We have one on our sample floor and believe that there is none equal to this new machine. Priced right.





We have four McCormick Corn Binders on hand that we will sell at $195.00 cash, or slight addition if on time deal. Watch your chance and get one of these binders at the big saving in price.

We have one second hand Dowden Potato Digger on hand that is good as new which we will sell at $70; also one large Standard at $65.00.

We have a limited amount of Standard BINDER TWINE that we will sell at $5.25 for 50 lb. sack.
How about this? The High Grade McCormick-Deering Stationary Engines as follows:
1½ H. P. formerly $80, only $ 62.00
3 H. P. formerly $118, only $100.00
6 H. P. formerly $185, only $165.00
10 H. P. formerly $355, only $325.00

The No. 1 McCormick-Deering Manure Spreader, formerly $195.00 now $158.00
The No. 2 McCormick-Deering Manure Spreader, formerly $210.00 now $168.00

We have a number of bargains to offer our trade, and we invite you to call on us to look over our substantial stock of Implements, Tractors, Threshers and Supplies. Our aim shall be to give you a good deal every time.

Yours for service,

C. GUSTAFSON & SON

Red Crown

The High-Grade Gasoline

Is the Business Gasoline

MANY motorists have put Red Crown in the tanks of their coupes, limousines, touring or other passenger cars, after having proved in their trucks that for service and economy, Red Crown is the business gasoline

One of the large packing houses writes:

"We find that Red Crown Gasoline gives entire satisfaction in our large fleet of motor trucks—starting easily, accelerating rapidly, and giving excellent mileage.

"In our business every truck must move on time. Dependability is essential in order that exacting schedules may be maintained in the distribution of perishable products.

"Included in our fleet are trucks of various makes and sizes, from 1-ton delivery cars to 15-ton tractor trailers, and they operate efficiently on Red Crown Gasoline."

Summer tourists will find Red Crown everywhere in ten Middle Western States, and everywhere the same. By using Red Crown, they will get more and better mileage; uniformity in quality, thoroughly dependable operation with consequent avoidance of the irritation and delay occasioned by constant carburetor adjustment.

Use Red Crown and enjoy a banner mileage summer.

GREATEST FAIR BREAKS RECORD IN EXHIBITION

This Year's Exhibits at Pennington County Fair Best Ever Shown Here

GATE RECEIPTS SECOND DAY TOTAL OVER $2,000

Record Crowds Attended—Directors in Charge Highly Pleased With Results

Closing its gates Saturday night the 23rd annual Pennington county fair goes down in the history of the fair association as one of the most successful ever held. Everything connected with the fair received unstinted praise from the visitors—exhibits, attractions and amusements, being pronounced better than ever before. As in the past few years the fair here again takes its place among the leading in the state.

It is estimated that a total of 17,000 persons visited the fair grounds during the three days, the biggest day being Friday when approximately 7,000 persons attended the fair, the gate receipts on that day being more than $2,000. On the opening day children were admitted free, 10,000 free tickets having been distributed thruout the surrounding territory. It is thought that about half of these were used, greatly swelling the crowds Thursday.

Large Gate Receipts

The total gate receipts of $3,480 exceed last year by a considerable amount, according to fair officials. Grand stand and bleechers brought in $763, while a trifle over $1,000 was realized by the association from the concessions of which there was a great number. The commission on merry-go-round and ferris wheel rides amounted to $278.

Premiums totaling about $1,800 are awarded to exhibitors, practically the entire sum being reimbursed by the state. The city and county contribute $800 to the association. Free attractions, including band, races, auto polo, push ball and other free acts cost about $2,500, a considerable amount also being necessary for advertising, labor and other expenses. All in all it was a success financially and otherwise, with practically ideal weather every day of the event.

Visitors from all parts of the northwestern part of Minnesota were seen every day of the fair, to view the wonderful exhibits of Pennington county home and farm products, as well as to enjoy the fine programs.

Displays Best Ever

Displays in all departments of the fair were the best ever seen here and show the great interest taken by Pennington county people in such matters. Cattle, horses, hogs, sheep, grains, vegetables, flowers—everything produced on farms and in gardens, were there in profusion, and were pronounced by many as some of the finest specimens to be found in the Northwest. The poultry building also contained a large number of high class exhibits.

The stock exhibit was the largest in the history of the fair, more than 150 animals being entered, mostly by local breeders. Albert Paradis of Brooks was here with 17 head of Aberdeen-Angus and Franks Brothers of Warren with 12 Herefords, both herds winning without competition. There was much competition in the Guernsey class, some of the finest animals in the state being entered by Albert Johnson, F. B. Conklin, Peter Engelstad, H. C. Woolson and others, while the Holstein breed was represented by McMurray Brothers of Holt, Fred Beerbower, Math Barzen and Dr. J. T. Bowers, the winners to be listed in next week's issue of The Times. Halvor Engstad and Jens Letness showed some fine Shorthorns, the latter also showing Ayrshires.

H. C. Fuller and Ralph Mayhew entered purebred Poland China hogs, Duroc Jerseys being shown by Peter Engelstad and D. Patterson of St. Hilaire. Among the sheep entries were 17 head owned by Paradis of Brooks.

The Silverton company stallion won honors in his class, as did also the team owned by Henry Hanson of Silverton.

Many Club Entries

A great deal of interest was centered in the exhibits in the boys' and girls' clubs, the results of which are not definitely known at this time, as the papers and records accompanying the exhibits will also be considered in determining the winners. Several will be awarded free trips to the state fair and the livestock show in St. Paul. Five youths took part in the dairy stock judging contest.

A feature of the program Friday afternoon was a livestock parade in which all the blue-ribbon animals were shown in front of the grand stand. L. R. Aney, dairy livestock judge, declared it one of the very best county exhibits he had ever seen and equal to some state fair displays.

Fine Crop Samples

In the agricultural department all lines of farming were represented, the specimens of grains and other crops being unusually encouraging. There were samples of corn stalks more than seven feet in height, in spite of the backward season and the sheafs of alfalfa and clovers showed splendid growths.

The best sample of alfalfa seed was entered by F. T. Sumpter, prominent Hazel farmer, this being the fourth prize won by this sample. He intends to show it at the state fair this year and may also compete at the national show. Alfred Flattum, not only has a sugar beet field of 108 per cent stand, but also had the best beets shown at the county fair. He also received first prize for Chippewa wilt resistant flax, grown in this community for the first time. Some entries were made by Marshall, Polk and Red Lake county farmers.

Free Attractions Please

The program of free attractions presented during the afternoon and evening of each day were of a class seldom seen at county fairs, all members of the various troupes being high class entertainers and performers. Particularly was the fireworks a spectacular affair. It was advertised as a magnificent display and fulfilled every expectation. The usual class of shows were run by the Zieger company.

A band directed by H. S. Snyder and composed of players from this city, Grand Forks and Warren, was on the job all the time and added greatly to the enjoyment of the days with their snappy and appropriate selections.

Features of the programs were the novelty mule races in which Mayor J. S. Arneson, Dr. H. W. Froehlich, president of the fair association, and other local men participated, Mayor Arneson winning in the driving race and V. C. Noper in the riding race.

Thomas Schall, candidate for the United States senate on the Republican ticket, did not arrive to speak here on Friday as scheduled, but Senator Magnus Johnson and Congressman Knud Wefald addressed the crowds on Saturday.

Deserve Credit

Taking everything into consideration the fair directors and department superintendents have good reason to feel gratified over the results. They worked hard to make the fair a success and deserve credit for the highly efficient manner in which the event was handled. Secretary J. McCann and President H. Fuller and a crew of assistants were on the job early and late.

RED LAKE RESORT ASS'N MEETING TO BE HELD AUGUST 21

Final Arrangements to be Made at Initial Gathering of Members Next Thursday

Those who have signed up as members of the recently incorporated Red Lake Summer Resort association will hold their first meeting at the Commercial club rooms next Thursday, Aug. 21, at 3:30 p. m., according to a decision made by the present directors at a meeting called yesterday by President E. O. Mogensen.

The purpose of this meeting is to make a selection of lots, elect permanent officers, decide on by-laws and determine other necessary details of the organization.

Memberships in the association which includes the leasing of a lot, are being signed up at a very encouraging rate, and present indications promise well for the future popularity of the Red Lake narrows as a summer resort for the entire territory, many residents of other towns in the valley having already entered. Those who desire to join should do so now before the meeting next week, according to officers of the association.

All members are urged to be present at the meeting next week.

STORM SUFFERERS AIDED IN SUM OF $500 FROM COUNTY

County Board Appropriates Pennington's Quota for Storm Relief Fund

Pennington county is aiding the storm sufferers in Lyon, Redwood, Cottonwood, Lincoln and Murray counties with a contribution of $500, this amount having been appropriated by the county commissioners in session Wednesday of last week. This was the quota fixed for this county by the committee in charge of solicitation throughout the state, the request for help being issued by Governor Preus.

The county board thinking it unwise to attempt a solicitation here at this time, decided to draw the necessary sum from the county's treasury, thus making everyone contribute.

Many homes in the southern part of the state were totally destroyed leaving the families destitute when several counties were swept by a terrific tornado a short time ago, and practically every community in the state is assisting in furnishing relief for the unfortunates.

The commissioners at last week's session also decided to send Christian Endstad of Hickory township, Pennington county patient at the Oakland Park sanatorium, to the state institution at Walker, where he can get the sun treatment. He is suffering from a tubercular hip and has been confined here since a year ago last March. It is expected that he will be moved to Walker within a few days, County Auditor T. P. Anderson and Dr. B. C. Bernard awaiting word from there. Hope is held for Endsrud's recovery.

Breaks Leg When Shirley Truck Turns Over at Fair Ground Gate Sunday Morn.

Ernest Hickey of Franklin, Ind., suffered a broken leg when a truck in which he was riding overturned at the entrance to the Fair grounds last Sunday. Charlie Shirley, who was driving the truck, started to drive in thru the wrong side of the entrance and upon meeting a car, attempted to turn out of the way, upsetting the truck. There were five occupants of the truck besides the driver but with the exception of one man getting his hand cut by a piece of glass, Mr. Hickey was the only one injured.

Mr. Hickey is a resident of Franklin, Indiana, and has been traveling with Hoaglan's Hippodrome Show, which furnished the free attractions at the Pennington county fair. He is being treated at the Swedenburg hospital and will remain there for from four to six weeks.

W.C.T.U. Solicits $245 For Purchase of Radio Outfit For Patients at Sanatorium

A generous response was accorded W. C. T. U. solicitors selling tags during the three days of the fair for the purchase of a radio receiving set for entertainment of patients at the Oakland Park sanatorium here. It is reported by those in charge of the movement that fair visitors contributed a total of $245, the officers of the Union being assisted by a group of girls who tagged practically everyone on the grounds. It is stated that about $400 is needed for buying the desired equipment, those in charge now working out plans for securing the additional funds.

The local W. C. T. U. is to be highly commended for their action in providing cheer to the inmates of the sanatorium in this manner.

Mrs. J. H. Hardisty will represent the local union at the annual state convention in Worthington, Aug. 21 to 25.

BUTTERMAKER OLSON TO BARNESVILLE TO ENTER NEW POSITION

Bjerke and Neuland to Manage Affairs of Creamery—Tremendous Production Now

An important change took place at the Thief River Falls Co-operative creamery this week, Harold Olson, for the past four years buttermaker and manager at the local plant, having resigned and left Tuesday with his faimly for Barnesville, where he has accepted a similar position. The Barnesville creamery is also a co-operative institution and has an output of about 300,000 pounds butter a year. The plant has a modern structure similar to the one being erected here.

Mr. Olson has given the very best of service to patrons of the creamery here and his leaving is regretted by a large circle of friends. His competency as a buttermaker and business man are indicated by the fact that he receives a considerably higher salary in his new position. He came here from Grand Forks where he was connected with the Bridgeman-Russel branch, succeeding Lars Haselrud.

The local creamery is now in the charge of Secretary Thos. H. Bjerke as business manager and John Neuland, in charge of the production crew at the plant. The position held by Olson will be dispensed with at the present, in an effort to cut down operating costs, the directors in taking this action feeling that the work can be handled efficiently by the present force of employees.

The Thief River Falls creamery now has a yearly output of approximately 600,000 pounds of butter, the greatest of any creamery in this district which includes the entire valley section. The output in 1920 when Olson came here was about 400,000 pounds, an increase of 200,000 pounds a year in four years. This is a splendid record and speaks well for the plant and its efficient crew of about a dozen persons.

So far this year, during the first seven months of 1924, a total of 427,279 pounds of butter was manufactured at the creamery here, or practically the same amount as was made during twelve months four years ago. With five months of the year remaining it is safe to predict that this will be the greatest production year in the history of the plant.

Secretary Bjerke announces that hereafter milk will be delivered to the creamery in the evening to be pasteurized and bottled during the night for sale the following morning. This procedure assures fresh supply of milk to creamery customers and is expected to increase the milk sales of the institution.

GETTING READY FOR GREAT SCHOOL YEAR

Sept. 2 is Day Set for Opening of School—Supt. Simley to Return Monday

Schools in Thief River Falls will open in earnest Tuesday, Sept. 2, according to a letter received by The Times from I. T. Simley, superintendent of the local schools, who has spent the greater part of his summer vacation taking an advanced course in education and school administration at Columbia University, New York. He states that he is enjoying the stay but is extremely busy. Mr. Simley is expected to return next Monday to line up affairs here prior to the opening of the 1924-1925 term.

Morris Bye, principal of the high school is expected to arrive the latter part of this week. He has been taking a course in education at the Minnesota university during his summer vacation.

Monday, Sept. 1, will be organization day at which time a general teachers' meeting will be held and other preliminary matters attended to. Enrollment was practically completed last spring at the close of the school year, so that with the return of a majority of last year's teachers, it is a certainty that the educational machinery will be put in motion without any friction from the very start.

A complete teaching staff has been secured, according to reports, and the buildings are being fixed up in readiness for the opening of the term. As previously stated extensive repairs are being made in the high school gymnasium which was badly needed.

Mr. Simley requests that at any time after Monday, Aug. 18, those in the city who have places for room or board, call the Superintendent's office, where this information will be listed and sent to the teachers.

Indications point to a large enrollment and the board looks forward to a successful year.

People who magnify the faults of others are always the last to see their own.

ASSESSMENT ON CITY PROPERTY WORRIES BOARD

Personal Property Assessments Thruout County Raised in Equalization

REAL ESTATE VALUES IN CITY $105,638 LOW

Difficult Problem Confronts Board in Making Up Difference—Meeting Tomorrow

Practically every item in the personal property assessment list turned in to the board of equalization, consisting of the county commissioners and the county auditor, were raised in townships of Pennington county, when the board met Wednesday and Thursday of last week.

It seems that assessors in every township have placed the values too low and it was found necessary to raise items from 10 up to 500 per cent, the latter advance being on *household goods and wearing apparel* in Reiner township. Decreases are noted in only a few instances, several being made in Smiley township.

Real Estate Values Down

In going over the real estate assessments for the city of Thief River Falls it was found that the assessed valuation is $105,368 below the total last year, practically the same amount being necessary this year to raise sufficient funds.

Strong objection to the real estate assessments in the city have been raised by some taxpayers and the board of equalization is finding it a difficult task to make a satisfactory adjustment.

Auditor T. P. Anderson in a letter to the State Tax commission stated that altho the assessed valuation of real estate in the city is $105,368 below that of the previous year, some of the property along the main business streets is considerably higher than last year, which is also a fact with some of the residence property. The communication continues, "The county board feels that under the present conditions they are unable to complete the equalization at this time and asks for suggestions as to what might be done. The board does not like to have a re-assessment."

Suggests Percentage Raise

In replying the commission states, "The fact that certain properties have been assessed for more this year than they were in the last assessment does not necessarily indicate an inequality. It may be that these same properties have been assessed too low in the preceding assessment. The values returned to the county board represent the judgment of the assessor and city board of equalization as to the value of individual properties, and if in the judgment of the county board the entire assessment is too low, this can be remedied by an increase of the entire real estate in the city on the percentage basis."

A meeting of the equalization board has been called for tomorrow to further consider the matter.

COUNCIL TAKES UP ROUTINE MATTERS

W. C. T. U. Files Objection to Granting Refreshment License to J. J. Farr

After a three week respite, except for a hastily called and short special session, the city council met Tuesday night with all members present and transacted considerable business of a routine nature.

Formal objection on the part of the W. C. T. U., to the granting of a refreshment license to Jas. Farr was filed with the council and as the license committee did not favorably recommend the request it was filed away without any action being taken.

The W. C. T. U. also asked that the city install electric lights at the entrances to the various school buildings where the entrances are recessed, as instances of disorderly conduct have become quite common this summer. Formerly a light burned all night at some of these places but for a year or more they have been discontinued. The council acted favorably on the request and the lights will be connected up with the street lights, thus insuring an all night light, turned on and off at the power plant.

The matter of repair to the power dam was considered informally by the council for half an hour, following the reading of a communication from the Jacobson Engineering company, of Minneapolis, who seek the supervision of rebuilding the dam. It was decided to clean out the channel below the dam first and ascertain how much more of a head could be secured at a site a little further down stream. The matter was placed in charge of Chairman Martin Evenson.

The appointment of Mrs. Della Zeh to succeed her late husband as a member of the Park board was duly confirmed by the council. The aldermen also upheld the approval of the dairy inspector for a renewal of the milk license of Albert Johnson, and granted a building permit to the Trinity Lutheran church for repairs costing about $700 to the parsonage. The petition of property owners on LaBree avenue between Third and Fourth streets for the erection of white way posts was laid on the table as it was not accompanied by the money necessary to cover the cost, this being borne heretofore by the property owners and not the city.

Elks Meet Tomorrow

An important meeting of the Elks lodge will be held tomorrow, Friday night, one important matter to be taken up being the time for the annual summer picnic which is usually held on the last Sunday in August.

Live Communities are Built by Co-operation

When you find high class public schools located accessable to your children; when you find a community of fine churches; when you find all the conveniences of modern life at your elbow, just stop and think that this is the result of successful home trade, which has made it possible to create a splendid center of civilization in your locality. If everybody had decided to trade away from home these things could not exist in your neighborhood. They might exist in some remote city where your welfare is never considered, and you might as well be in the wilds of Africa, for all those who had profited by the money you sent them would care.

A safe and sound bank, a live mercantile establishment, or an industry that is commanding business in the community is a great asset to every person in that community. It is the thing that decides the stability of the town, and determines the growth of the place and its desirability as a place in which to live. No person cares to locate in a town where business is uncertain and shaky, or where conditions are so uncertain that investments in real estate would be a doubtful venture. And all of these conditions depend in the final analysis on what you are doing with your money and whether the town is receiving the business to which it is entitled.

In home trade, however, you are dealing with neighbors and friends. You are dealing with those who sorrow with you when your loved ones are taken. You are dealing with those who are ready to chip in and help as far as their means will allow them when you and your family are in distress; you are dealing with those who are your joint partners in the joys and sorrows of your home community. Disaster to you is disaster to them.

The welfare of the people of a community is inseparable. Selfishness and shortsightedness exists but its the liberal broadminded spirit of live and let live that makes your home community an abiding place worth while.

Very few of the country towns of the state offer better business opportunities than they did twenty years ago, and in many of them the prospects are not so promising as they were at that time. One reason for this, perhaps, is the growing tendency to patronize mail order houses and stores located in the larger centers. It is worth noting that farm values depend, in some measure, at least, on the proximity of the property to a good town. Eliminate the country town, and land values surely will drop. We believe the small town is needed, and that farmers and townspeople are exceedingly shortsighted when they fail to patronize home merchants and their home institutions.

DISPLAY IN WOMAN'S BUILDING IS FINEST IN HISTORY OF FAIR

Gorgeous Display of All Kinds of Flowers Impresses Many Fair Visitors

One of the chief centers of attraction at the fair grounds last week was the Woman's building, filled with the finest display of exhibits in every department. It was the most successful exhibition in this division of the fair, both as to quality and number of exhibits. Much credit is due Mrs. H. W. Froehlich, superintendent of the department, and her energetic assistants in making it the success it was.

The flower display particularly attracted the attention of fair visitors, Miss Mildred Schenck of the Northwest School of Agriculture, who judged most of the entries in the women's department, and T. M. McCall, also from the Northwest school, judge of flowers, declaring it one of the finest and largest displays they had seen outside of state fairs. The center of the building pyramided with bouquets and flower pots of all kinds, presented a beautiful sight. There were 31 bouquets of sweet peas alone.

The culinary department was also exceptionally well represented, the entries being very numerous. A feature was a demonstration of home products—home made biscuits with butter and sugar beet sirup being served to approximately 2,000 persons.

The art department was the best in the history of the fair, being made especially attractive by the large displays of articles by Mrs. T. L. Melgaard and Mrs. B. C. Bernard.

The practical department proved a popular feature and was three times the size of last year's display. It is pointed out by those in charge that women thruout the county should prepare entries for this department during the entire year preceding the fair as it is one of the most educational demonstrations of the exhibition. Increased interest was also shown in the sewing and fancy work departments this year.

The school exhibits were numerous and presented a fine display of the work carried on in the rural and city school of the county.

Special mention was made by many fair visitors regarding the splendid rest room accommodations provided in the Woman's building by the Girls' Community club of this city, of which Miss Emily Fossum is president. Hundreds made use of the room every day, fresh water and cups being given free. It was a fine demonstration of community service and the girls are to be highly commended for their effort in this line.

Local Woman Named as Delegate to National Convention in St. Paul

Mrs. Geo. Nelson, delegate from the local Auxiliary of the American Legion to the state convention in St. Cloud, was there selected as a delegate from the Ninth district to the national Legion convention in St. Paul.

Other delegates to the national gathering from this district are Dr. C. A. Gunnarson, Warren and Lars Fosse, Fertile.

Edwin L. Lindell of Minneapolis was elected commander of the Minnesota American Legion to succeed Ludwig I. Roe of Montevideo. Mrs. Milton E. Spencer of Winona was elected department president of the Legion Auxiliary. Other Legion officers named are: P. M. Weyrens, of St. Cloud, first vice commander; Edgar M. Hall of Cokato, second vice commander; Miss Margaret Reamy of Minneapolis, third vice commander, and Rev. Martin D. Hafferman, third district chaplain, department chaplain.

G. Howard Spaeth of Ada and J. K. McCauley of Detroit represent the Ninth district on the executive board, Morlan H. Bishop of this city having been a member the past year.

Among the important reports to be given at the St. Cloud convention was one by Mr. Bishop, as chairman of the state finance committee. Much effective work was done by Mr. Bishop in landing the convention for Thief River Falls.

Be optimistic about the future because optimism gathers no moss.

LEGION MEETING TONIGHT

All business men and members of the Eklund post of the American Legion are requested to be present at a meeting at the club rooms this, Thursday, evening, to form committees relative to the state legion convention to be held in Thief River Falls next year. The convention has been landed and the big job now before the citizens of Thief River Falls is to make arrangements for properly entertaining the thousands of visitors from all parts of the state. It is a tremendous undertaking but will mean a great deal to the city and entire community and should be backed up by everyone. "The Legion post alone cannot put it across," says Commander Oscar Smith, "but with the co-operation of all the citizens a creditable showing can be made."

THREE YOUNG MEN FACING SERIOUS CHARGE BY WOMAN

Youths Arrested Here Monday Bound Over to District Court—$1,000 Bail

Charged with indecent assault three young men, Harold Olson and Elmer Borquist of Warren and Ralph Swenson of this city, were bound over to the next term of district court when arraigned in municipal court before Judge N. W. Tarrant Monday. They were released upon furnishing a $1000 bond each.

The arrest was made by Sheriff O. L. Ihle and Patrolman Krogstad Monday noon as a result of complaint made by one Marguerite Cordell, who alleges that the young men took her in their car a short distance north of the fair grounds where she was assaulted. Passers-by on the way to town notified the sheriff who immediately went out to make the arrest, Fred Stromberg also of Warren, another member of the party, making his get-away.

The young men, all of whom showed signs of having been drinking, according to the sheriff, waived preliminary examination and details of the incident will be aired out in the next term of district court.

Depositors' Committee of Citizens Bank Works Out Plan for Re-Opening Soon

The committee of twelve, selected by the depositors of the closed Citizens State bank at the meeting held here July 8 is working on a plan of re-opening that institution. The plan will be submitted to the superintendent of the state banking department and the court at the hearing set for this evening at 8 o'clock, to be held in the court house in this city before District Judge Andrew Grindeland of Warren.

It was definitely decided at a joint meeting of stockholders of the Citizens State bank and the depositors committee at the municipal court rooms last night to appear at the hearing tonight requesting an extension of time in order to put the plan in operation.

If the outcome of tonight's hearing is favorable steps will be taken immediately to sign up depositors under the reorganization plan as worked out.

The reorganization plan of the committee if approved will help greatly in restoring public confidence and relieve at once many existing cases of stress in the community.

Swedenburgs Have Narrow Escape when Car is Struck

While driving on the state road last Friday night about three miles east of the city on their return from Erie, Dr. and Mrs. A. W. Swedenburg were hit by an oncoming car and their machine was badly damaged. Dr. Swedenburg received slight scalp wounds and Mrs. Swedenburg was badly shaken, though uninjured. The other car was going fast and suddenly coming upon a horse and buggy, turned across the road and collided with the Swedenburg car.

PROMINENT MEN SPEAK AT FAIR HERE SATURDAY

Sen. Magnus Johnson and Cong. Wefald Make Strong Plea for "Square Deal"

FAVOR LA FOLLETTE AS 3rd PARTY CANDIDATE

Farmer-Labor Candidates Make Hit With Big Crowds—Predict Great Victory

Among features of the Pennington county fair last week were addresses by Senator Magnus Johnson and Congressman Knud Wefald, both of whom spoke to the large crowds assembled at the grand stand Saturday afternoon. Both are candidates for re-election on the Farmer-Labor ticket and discussed various issues in a very entertaining manner.

Wefald, who was the first speaker, opened his talk by calling attention to the change in attitude towards the *Farmer-Labor movement*, "the fear once held by many of its opponents now gradually passing away as they realize they are not so radical after all."

Endorse LaFollette

Both speakers made strong appeals for LaFollette's candidacy for president on a third party ticket, their declarations in favor of his election being met with generous applause, indicating a strong sentiment in his favor in this section. Predictions of a decided victory for the Farmer-Labor forces in Minnesota were made by the two candidates.

Preceding Wefald a brief talk was given by J. W. Gorby, of the American Economic Institute, who urged the public's co-operation in solving the railroad problems. Exception to his remarks was taken by both the Farmer-Labor speakers. "The railroads have not been deflated while the farmers have," Wefald declared, "and farmers in Minnesota have failed in spite of generosity to the railroads."

Square Deal for Farmers

The congressman also appealed for legislation to put farming on the same level as other industries and cited what he did while in congress in the interest of the McNary-Haugen bill, stating that he was responsible for keeping ten members of the Tammany delegation of New York democrats from voting against the measure.

Senator Johnson, who has been the object of so much publicity the past year, proved his popularity in appearing here and was greeted with hearty applause thruout his talk. His address was peppered with the usual pointed remarks peculiar to himself. He declared "the American farmer must take more interest in politics in order to get a square deal. Other industries are at all times interested in getting favorable legislation and measures such as the McNary-Haugen bill for the relief of agriculture are not designed to injure other industries."

Must Get a Fair Price

"Altho in the minority group I feel that a great deal has been accomplished," he continued, "much progressive legislation having been brot about thru our efforts. The farmer must receive a reasonable price for his products and along this line the McNary-Haugen bill would have proved of great benefit."

Magnus also spoke of the campaign of ridicule which is being waged against him at this time, declaring that the real issues are being evaded. "I may not be as well educated and as cultured as some; but I have common horse-sense," he asserted. "If elected this fall I pledge myself to do all in my power to give all the people a square deal." Interesting incidents from his stay in Washington were cited by the senator, including the milking contest.

The speakers were introduced by Mayor J. S. Arneson.

SAME SCHOOL BOARD OFFICERS ELECTED

Organization Meeting Held Last Week—Budget to be Determined Later

Members of the board of education of Independent District No. 18 at their organization meeting Wednesday evening, last week, re-elected all officers. E. O. Mogensen is president, Math Barzen, vice president, L. M. Rayson, treasurer, and Mrs. L. G. Larsen, secretary. V. C. Noper, the only new member of the board was duly installed. It was voted to fix the treasurer's bond at $10,000 and his salary $200, the secretary to receive $100. All the janitors were re-elected at their present salaries.

Another meeting was held Monday evening at which various routine matters were taken up and plans for the coming school year considered. The budget will not be fixed until Supt. I. T. Simley returns from New York, where he is attending Columbia University. It is likely that this matter will be taken up at the next regular session on Sept. 8. A special meeting is called for Aug. 29 to consider bids for the transportation of school children on the regular routes.

Teachers Being Hired

Teachers for rural schools in Pennington county are being hired very rapidly at the present time, according to Supt. O. R. Sande, who is now back at his office after taking a summer course at the Minnesota University. Mr. Sande estimates that about half of the county's schools have engaged their teachers for the coming year, many of the teachers secured being local girls graduated from the local high school training department.

MUCH INTEREST IN READING IS SHOWN BY CITY

Total of 1,329 Adults and 1,325 Children Borrow 23,336 Library Books in Year

COST OF OPERATING LIBRARY IS $3,066

Mrs. Christina Frissel, Resigned, Is Succeeded as Librarian by Mrs. Esther Myrland

The annual report of the Carnegie Library in this city filed with the city council recently is filled with interesting information as to what this valuable institution is doing for the people of this vicinity.

The 2,654 borrowers from the library, of whom 1,329 are adults and 1,325 children—almost evenly divided—last year took out 23,336 volumes, or nearly ten books for each person. This included fiction and non-fiction, the total of each kind taken out being 16,526 and 6,810, respectively.

Of the 11,027 books borrowed by adults, 9,100 were fiction and 1,927 non-fiction, while of the 12,309 volumes borrowed by children, 7,426 were fiction and 4,883 non-fiction.

New borrowers from the library last year numbered 401, of whom 206 were adults and 195 children. Seventy persons residing outside the city have borrowing privileges, according to the report.

255 Volumes Added

There were 3,567 volumes for adults on hand a year ago and 1,568 for children, to which were added during the year thru three methods—purchase, gift and binding—144 volumes for adults and 111 for children, which with withdrawals of 75 and 90 respectively, left on hand July 1 this year 3,636 volumes for adults and 1,589 for children, or more than two to one.

The report brings to light the fact that the library is open to the public every week day practically, being closed only on holidays and a few other days occasionally, having been open an average of 35 hours weekly for 344 days last year. The estimated reading room attendance for the entire year is placed at 41,280, or an average of 120 daily. Forty-eight periodicals are on file, together with nine newspapers.

Cost to City Nearly $3000

Economy has been the watchword of the library board for the past year as usual and the financial report shows that starting with a balance of $79.76 a year ago, receipts totaled $3,884.65 and expenditures were $3,066.52, leaving a balance on hand July 1 this year of $897.89. Of the expenditures the city paid $2,916.93. The rate of library tax as given in the annual report shows 2.4 mills.

A large number of used magazines have been distributed among individuals and rural schools of the county during the past year, according to the librarian. Thief River Falls citizens have been generous in bringing their old magazines to the library where someone else may get them. It is urged that country schools avail themselves of this service during the coming year.

Librarian Resigns

Mrs. Christina Frissel, who has served efficiently as librarian the past three and one-half years, has tendered her resignation which was effective Aug. 1. Mrs. Frissel, who is quite advanced in age has decided to retire, altho she states that she enjoys the work immensely. She is being succeeded by Mrs. Esther Myrland, daughter of Mrs. Anna Kretchmar, who has been taking a special course in library work at the university the past six weeks. She arrived Monday and has already taken up duties at the library. Miss Jennie Moen will remain as assistant.

Members of the library board, each appointed for a term of three years, are: Mrs. E. E. Zeh, Mrs. T. L. Melgaard, Mrs. H. W. Froehlich, Mrs. P. W. Mabey, Mrs. E. O. Mogensen, Mrs. Daniel Shaw, Mrs. L. G. Larsen, Mrs. Chas. Gerlinger and H. A. Brumund.

Certifies Potato Seed

A. G. Tolaas, representing the Minnesota university was a caller in the community a short time ago to certify 80 acres of potatoes grown by Chas. Correll, Peter Engelstad, Lawrence and Jens Letness. In order to be certified the seed must be true to variety and must be free from disease.

Gust Mellum to Asylum

Gust Mellum, 45, was on July 25 committed to the insane asylum at Fergus Falls, being taken there by Sheriff Ole L. Ihle. While staying at the Central hotel, where he has made his home the past few years, Mellum began acting out of the ordinary and was taken to the Physicians hospital, where it was found that he was mentally unbalanced. Hope is held for his recovery thru treatment at the state hospital. It is believed that worrying over religious and money matters caused the mental breakdown. Mellum, who is unmarried, has been employed at various jobs in the city for some time.

ST. HILAIRE WINS SUNDAY'S GAME BY CLOSE SCORE, 5-3

Local Aggregation to Meet Warroad on their Diamond Sunday, Aug. 17

St. Hilaire was the victor in Sunday's baseball game when the local team met them on their diamond, the game ending with a score of 5 to 3.

The Thief River Falls team gave the St. Hilaire team a run for the score and but for a few flukes would have carried off the game. St. Hilaire finished the first inning with two runs, one of which was made on a walk, while the locals completed one run. The St. Hilaire aggregation made three more in the third inning which was the last they scored. Robinson, who began pitching, was hit by a ball and in the fourth inning dropped out substituted by Dean. The local nine nearly made the game in the last inning, knocking Engh out of the box, Kiefenheim retiring the side with three men on bases, the locals scoring two runs. Following is the box record:

St. Hilaire—	AB	R	H	PO	A	E
E. Hallamon, 3b	3	1	0	2	2	1
Dochana, 2b	5	0	2	1	6	0

Sunday, August 17th, the Thief River Falls team meets Warroad on the latter's diamond.

EXPERTS SECURED TO JUDGE AT FAIR

Exhibits Entered on Opening Day Largest Display Ever Seen Here

Judging of the hundreds of entries in the various departments of the Pennington county fair held here this week begins this afternoon, according to Secretary J. J. McCann, and will be performed by a group of specialists who are experts in their respective lines. This is a very important part of the fair exhibition as more than $2,000 in premiums are distributed among the winners.

R. L. Aney, Soo Line agricultural agent, is here to judge dairy cattle, while the other livestock will be judged by W. E. Morris, assistant county agent of the state. Entries in the livestock department are more numerous and better than ever before. A livestock parade are features of the programs on Friday and Saturday afternoons. Prize winners will be announced before the grand stand.

Grains, vegetables and flowers will be judged by T. M. McCall, horticulturist at the Northwest School of Agriculture, and well known to local people. A. M. Pilkey, also of the Northwest School, has been secured to pick the winners in the poultry division, which is well represented.

Exhibits in the home economics department in the Womans building, which is one of the most interesting on the grounds, will be judged by Miss Schenke of the Northwest School of Agriculture. Those in charge of this department declare the display this year exceeds any shown at previous fairs here and indicates much interest among the women of the country districts as well as in the city and villages.

A feature of the women's exhibits this year is the practical department, demonstrating practical house dresses and other garments.

Everyone who visits the fair grounds should make it a point to view all the exhibits. It will open one's eyes to what is produced in Pennington county.

Sheriff Collects Motor Tax

Motor tax delinquents in Pennington county now have to explain or pay up to Sheriff O. L. Ihle, the list being turned over to him for collection on July 31. So far about a dozen of the 50 whose names appear in the list published in The Times recently have cleared up the matter by explaining their removel from the state, sale or dismantling of machine, and failing to report to the office of the secretary of state. The sheriff states that he expects only three or four cars to be sold for taxes this year.

Legion Dances This Week

At a meeting of the Eklund post two weeks ago it was decided to give dances during the Pennington county fair to help defray the expenses of delegates to the state Legion convention in St. Cloud, and arrangements have been made to sponsor dances at the city auditorium each night—tonight, tomorrow and Saturday nights. Excellent music will be furnished by Emard's orchestra of Grand Forks, consisting of six pieces.

The committee in charge of the affair are: Ray Kiland, chairman, Roy Miller, Verner Nelson, Dave Robinson, Oscar Paulson and Henry Froseth. It is expected that large crowds will join the Legion boys in the events this week, a good time being assured everyone in attendance, as the "boys" are known as jolly entertainers.

Will Tour Europe

Senator C. L. Hansen, formerly president of the First National bank here and who disposed of his interests last month to a Minneapolis company, sailed Tuesday for Denmark, where he will spend some time visiting his mother, and tour various parts of Europe. He expects to remain for three months. Upon his return here he may enter into a loan, real estate, insurance and bond business.

Area Testing in Red Lake

Dr. L. R. Twete, local veterinarian and municipal dairy inspector, is among the 15 veterinarians making the Red Lake county area testing for tuberculosis, which started July 28 and will be completed next Monday. The purpose is to rid the county of all diseased cattle. The work is under the direction of state experts and their selection of Dr. Twete as a member of the field force speaks well for his qualifications along that line.

LEGION CONVENTION HERE NEXT YEAR

(Continued from Page 1.)

Commander Smith, H. O. Chommie, Dr. A. W. Swedenburg and Supt. O. R. Sande. Other local men in attendance, many of whom composed the band which was a hit of the convention, besides the above mentioned citizens committee are: V. C. Polman, H. S. Snyder, Art Granum, Francis Burns, F. E. McGinn, G. A. Russell, L. A. Hermanson, P. G. Pederson, Perry Froseth, Dr. C. M. Haug, Howard Sandum and Kermit Anderson. Mrs. Roy Erickson and Mrs. Geo. Nelson represented the Auxiliary.

Practically the entire delegation is now back, many returning last night, greeted enthusiastically by everyone.

Thief River Falls having been awarded the 1925 convention the mayor of Hibbing offered a motion to make the vote unanimous and promised five bands from that city next year instead of three at St. Cloud.

PENNINGTON COUNTY TO ENTER EXHIBIT AT MINNESOTA FAIR

Agricultural Prosperity of County to be Depicted in Display Booth

Pennington county will be one of the 44 counties which will have an exhibit at the 1924 state fair, as a result of action taken at a meeting of interested business men of Thief River Falls last Thursday night. Tentative plans were made for this important county-wide project emphasizing the productivity of Pennington county.

Last year Pennington county entered an agricultural booth at the state fair for the first time, the project then being handled by J. S. Arneson. Considerable favorable publicity resulted from the initital showing which included some fine samples of what can be raised here, and naturally those in charge hope to do still better this year. Crop prospects, which are so excellent in Pennington county at present, auger well for a premier exhibit from this county.

At the meeting Thursday Geo. M. Wilson was named to act as general manager of the enterprise while a number of men were selected to assist in securing material for the exhibit. County Agent J. J. McCann will pick out the finest sugar beets grown in the county, Paul Engelstad the best samples of potatoes, F. F. Haynes the best alfalfa, while others will be secured to select specimens of the various grains and other products included in the exhibit.

Pennington county will compete with counties of the Northern section, the state being divided into three sections. Counties in this section besides Pennington are Roseau, Norman, Becker, St. Louis, Koochiching, Lake, Crow Wing and Aitkin. Competition is keen and some of the exhibitors in charge are persons of much experience in that line, but those in charge of the local exhibit promise that if the material is gotten together it will be displayed to the best possible advantage. Work will be started at once in lining up material.

The winner from the northern section last year was Koochiching county. The state fair guarantees $350 to every county exhibit scoring at least 800 points out of a possible 1,250 points.

Wedmer Breaks Arm

Carl Wedmer suffered a fracture to his right arm yesterday noon while cranking the motor of the delivery truck, which he drives for the Zeh Grocery store.

Attend Wheat Growers Meet

G. W. Connell and Jorgen Fide of this city attended the meeting of the board of directors at Minneapolis yesterday. Among questions to be taken up was the moving of the offices from this city to the twin cities.

Must Stop at Gates

Directors of the fair association at a meeting last week made a ruling that taxi cabs will not be permitted to enter the fair grounds during the fair next week, but must load and unload at the gates. This is done to avoid accidents and congestion.

Grindeland in City

Judge Andrew Grindeland of Warren was in the city last Thursday to hold a special court session, but no cases were heard. The First National bank vs. Mrs. Bertha Giller case was slated to be heard before the district judge at this time but due to the absence of one of the main witnesses, C. L. Hansen, was continued until some later date.

Volume 14. Thief River Falls, Pennington County, Minnesota, Thursday, Aug. 14, 1924 Number 28

GREATEST FAIR BREAKS RECORD IN EXHIBITION

This Year's Exhibits at Pennington County Fair Best Ever Shown Here

GATE RECEIPTS SECOND DAY TOTAL OVER $2,000

Record Crowds Attended—Directors in Charge Highly Pleased With Results

Closing its gates Saturday night the 23rd annual Pennington county fair goes down in the history of the fair association as one of the most successful ever held. Everything connected with the fair received unstinted praise from the visitors—exhibits, attractions and amusements, being pronounced better than ever before. As in the past few years the fair here again takes its place among the leading in the state.

It is estimated that a total of 17,000 persons visited the fair grounds during the three days, the biggest day being Friday when approximately 7,000 persons attended the fair, the gate receipts on that day being more than $2,000. On the opening day children were admitted free, 10,000 free tickets having been distributed thruout the surrounding territory. It is thought that about half of these were used, greatly swelling the crowds Thursday.

Large Gate Receipts

The total gate receipts of $3,480 exceed last year by a considerable amount, according to fair officials. Grand stand and bleechers brought in $763, while a trifle over $1,000 was realized by the association from the concessions of which there was a great number. The commission on merry-go-round and ferris wheel rides amounted to $278.

Premiums totaling about $1,800 are awarded to exhibitors, practically the entire sum being reimbursed by the state. The city and county contribute $800 to the association. Free attractions, including band, races, auto polo, push ball and other free acts cost about $2,500, a considerable amount also being necessary for advertising, labor and other expenses. All in all it was a success financially and otherwise, with practically ideal weather every day of the event.

Visitors from all parts of the northwestern part of Minnesota were seen every day of the fair, to view the wonderful exhibits of Pennington county home and farm products, as well as to enjoy the fine programs.

Displays Best Ever

Displays in all departments of the fair were the best ever seen here and show the great interest taken by Pennington county people in such matters. Cattle, horses, hogs, sheep, grains, vegetables, flowers—everything produced on farms and in gardens, were there in profusion, and were pronounced by many as some of the finest specimens to be found in the Northwest. The poultry building also contained a large number of high class exhibits.

The stock exhibit was the largest in the history of the fair, more than 150 animals being entered, mostly by local breeders. Albert Paradis of Brooks was here with 17 head of Aberdeen-Angus and Franks Brothers of Warren with 12 Herefords, both herds winning without competition. There was much competition in the Guernsey class, some of the finest animals in the state being entered by Albert Johnson, F. B. Conklin, Peter Engelstad, H. C. Woolson and others, while the Holstein breed was represented by McMurray Brothers of Holt, Fred Beerbower, Math Barzen and Dr. J. T. Bowers, the winners to be listed in next week's issue of The Times. Halvor Fodstad and Jens Letness showed some fine Shorthorns, the latter also showing Ayrshares.

H. C. Fuller and Ralph Mayhew entered purebred Poland China hogs, Duroc Jerseys being shown by Peter Engelstad and D. Patterson of St. Hilaire. Among the sheep entries were 17 head owned by Paradis of Brooks.

The Silverton company stallion won honors in his class, as did also the team owned by Henry Hanson of Silverton.

Many Club Entries

A great deal of interest was centered in the exhibits in the boys' and girls' clubs, the results of which are not definitely known at this time, as the papers and records accompanying the exhibits will also be considered in determining the winners. Several will be awarded free trips to the state fair and the livestock show in St. Paul. Five youths took part in the dairy stock judging contest.

A feature of the program Friday afternoon was a livestock parade in which all the blue-ribbon animals were shown in front of the grand stand. L. R. Aney, dairy livestock judge, declared it one of the very best county exhibits he had ever seen and equal to some state fair displays.

Fine Crop Samples

In the agricultural department all lines of farming were represented, the specimens of grains and other crops being unusually encouraging. There were samples of corn stalks more than seven feet in height, in spite of the backward season and the sheafs of alfalfa and clovers showed splendid growths.

The best sample of alfalfa seed was entered by F. T. Sumpter, prominent Hazel farmer, this being the fourth prize won by this sample. He intends to show it at the state fair this year and may also compete at the national show. Alfred Flattum, not only has a sugar beet field of 108 per cent stand, but also had the best beets shown at the county fair. He also received first prize for Chippewa wilt resistant flax, grown in this community for the first time. Some entries were made by Marshall, Polk and Red Lake county farmers.

Free Attractions Please

The program of free attractions presented during the afternoon and evening of each day were of a class seldom seen at county fairs, all members of the various troupes being high class entertainers and performers. Particularly was the fireworks a spectacular affair. It was advertised as a magnificent display and fulfilled every expectation. The usual class of shows were run by the Zieger company.

A band directed by H. S. Snyder and composed of players from this city, Grand Forks and Warren, was on the job all the time and added greatly to the enjoyment of the days with their snappy and appropriate selections.

Features of the programs were the novelty mule races in which Mayor J. S. Arneson, Dr. H. W. Froehlich, president of the fair association, and other local men participated, Mayor Arneson winning in the driving race and V. C. Noper in the riding race.

Thomas School, candidate for the United States senate on the Republican ticket, did not arrive to speak here on Friday as scheduled, but Senator Magnus Johnson and Congressman Knud Wefald addressed the crowds on Saturday.

Deserve Credit

Taking everything into consideration the fair directors and department superintendents have good reason to feel gratified over the results. They worked hard to make the fair a success and deserve credit for the highly efficient manner in which the event was handled. Secretary J. McCann and President H. Fuller and a crew of assistants were on the job early and late.

RED LAKE RESORT ASS'N MEETING TO BE HELD AUGUST 21

Final Arrangements to be Made at Initial Gathering of Members Next Thursday

Those who have signed up as members of the recently incorporated Red Lake Summer Resort association will hold their first meeting at the Commercial club rooms next Thursday, Aug. 21, at 3:30 p. m., according to a decision made by the present directors at a meeting called yesterday by President E. O. Mogensen.

The purpose of this meeting is to make a selection of lots, elect permanent officers, decide on by-laws and determine other necessary details of the organization.

Membership in the association which includes the leasing of a lot, are being signed up at a very encouraging rate, and present indications promise well for the future popularity of the Red Lake narrows as a summer resort for the entire territory, many residents of other towns in the valley having already entered. Those who desire to join should do so now before the meeting next week, according to officers of the association.

All members are urged to be present at the meeting next week.

STORM SUFFERERS AIDED IN SUM OF $500 FROM COUNTY

County Board Appropriates Pennington's Quota for Storm Relief Fund

Pennington county is aiding the storm sufferers in Lyon, Redwood, Cottonwood, Lincoln and Murray counties with a contribution of $500, this amount having been appropriated by the county commissioners in session Wednesday of last week. This was the quota fixed for this county by the committee in charge of solicitation throughout the state, the request for help being issued by Governor Preus.

The county board thinking it unwise to attempt a solicitation here at this time, decided to draw the necessary sum from the county's treasury, thus making everyone contribute.

Many homes in the southern part of the state were totally destroyed leaving the families destitute when several counties were swept by a terrific tornado a short time ago, and practically every community in the state is assisting in furnishing relief for the unfortunates.

The commissioners at last week's session also decided to send Christian Endsrud of Hickory township, Pennington county patient at the Oakland Park sanatorium, to the state institution at Walker, where he can get the sun treatment. He is suffering from a tubercular hip and has been confined here since a year ago last March. It is expected that he will be moved to Walker within a few days, County Auditor T. P. Anderson and Dr. B. C. Bernard awaiting word from there. Hope is held for Endsrud's recovery.

Breaks Leg When Shirley Truck Turns Over at Fair Ground Gate Sunday Morn.

Ernest Hickey of Franklin, Ind., suffered a broken leg when a truck in which he was riding overturned at the entrance to the Fair grounds last Sunday. Charlie Shirley, who was driving the truck, started to drive in thru the wrong side of the entrance and upon meeting a car, attempted to turn out of the way, upsetting the truck. There were five occupants of the truck besides the driver but with the exception of one man getting his hand cut by a piece of glass, Mr. Hickey was the only one injured.

Mr. Hickey is a resident of Franklin, Indiana, and has been traveling with Hoaglan's Hippodrome Show, which furnished the free attractions at the Pennington county fair. He is being treated at the Swedenburg hospital and will remain there for from four to six weeks.

W.C.T.U. Solicits $245 For Purchase of Radio Outfit For Patients at Sanatorium

A generous response was accorded W. C. T. U. solicitors sellings tags during the three days of the fair for the purchase of a radio receiving set for entertainment of patients at the Oakland Park sanatorium here. It is reported by those in charge of the movement that fair visitors contributed a total of $245, the officers of the Union being assisted by a group of girls who tagged practically everyone on the grounds. It is stated that about $400 is needed for buying the desired equipment, those in charge now working out plans for securing the additional funds.

The local W. C. T. U. is to be highly commended for their action in providing cheer to the inmates of the sanatorium in this manner.

Mrs. J. H. Hardisty will represent the local union at the annual state convention in Worthington, Aug. 21 to 25.

BUTTERMAKER OLSON TO BARNESVILLE TO ENTER NEW POSITION

Bjerke and Neuland to Manage Affairs of Creamery—Tremendous Production Now

An important change took place at the Thief River Falls Co-operative creamery this week, Harold Olson, for the past four years buttermaker and manager at the local plant, having resigned and left Tuesday with his faimly for Barnesville, where he has accepted a similar position. The Barnesville creamery is also a co-operative institution and has an output of about 300,000 pounds butter a year. The plant has a modern structure similar to the one being erected here.

Mr. Olson has given the very best of service to patrons of the creamery here and his leaving is regretted by a large circle of friends. His competency as a buttermaker and business man are indicated by the fact that he receives a considerably higher salary in his new position. He came here from Grand Forks where he was connected with the Bridgeman-Russel branch, succeeding Lars Haselrud.

The local creamery is now in the charge of Secretary Thos. H. Bjerke as business manager and John Neuland, in charge of the production crew at the plant. The position held by Olson will be dispensed with at the present, in an effort to cut down operating costs, the directors in taking this action feeling that the work can be handled efficiently by the present force of employees.

The Thief River Falls creamery now has a yearly output of approximately 600,000 pounds of butter, the greatest of any creamery in this district which includes the entire valley section. The output in 1920 when Olson came here was about 400,000 pounds, an increase of 200,000 pounds a year in four years. This is a splendid record and speaks well for the plant and its efficient crew of about a dozen persons.

So far this year, during the first seven months of 1924, a total of 427,279 pounds of butter was manufactured at the creamery here, or practically the same amount as was made during twelve months four years ago. With five months of the year remaining it is safe to predict that this will be the greatest production year in the history of the plant.

Secretary Bjerke announces that hereafter milk will be delivered to the creamery in the evening to be pasteurized and bottled during the night for sale the following morning. This procedure assures fresh supply of milk to creamery customers and is expected to increase the milk sales of the institution.

GETTING READY FOR GREAT SCHOOL YEAR

Sept. 2 is Day Set for Opening of School—Supt. Simley to Return Monday

Schools in Thief River Falls will open in earnest Tuesday, Sept. 2, according to a letter received by The Times from I. T. Simley, superintendent of the local schools, who has spent the greater part of his summer vacation taking an advanced course in education and school administration at Columbia University, New York. He states that he is enjoying the stay but is extremely busy. Mr. Simley is expected to return next Monday to line up affairs here prior to the opening of the 1924-1925 term.

Morris Bye, principal of the high school is expected to arrive the latter part of this week. He has been taking a course in education at the Minnesota university during his summer vacation.

Monday, Sept. 1, will be organization day at which time a general teachers' meeting will be held and other preliminary matters attended to. Enrollment was practically completed last spring at the close of the school year, so that with the return of a majority of last year's teachers, it is a certainty that the educational machinery will be put in motion without any friction from the very start.

A complete teaching staff has been secured, according to reports, and the buildings are being fixed up in readiness for the opening of the term. As previously stated extensive repairs are being made in the high school gymnasium which was badly needed.

Mr. Simley requests that at any time after Monday, Aug. 18, those in the city who have places for room or board, call the superintendent's office, where this information will be listed and sent to the teachers.

Indications point to a large enrollment and the board looks forward to a successful year.

People who magnify the faults of others are always the last to see their own.

ASSESSMENT ON CITY PROPERTY WORRIES BOARD

Personal Property Assessments Thruout County Raised in Equalization

REAL ESTATE VALUES IN CITY $105,638 LOW

Difficult Problem Confronts Board in Making Up Difference—Meeting Tomorrow

Practically every item in the personal property assessment list turned in to the board of equalization, consisting of the county commissioners and the county auditor, were raised in townships of Pennington county, when the board met Wednesday and Thursday of last week.

It seems that assessors in every township have placed the values too low and it was found necessary to raise items from 10 up to 500 per cent, the latter advance being on household goods and wearing apparel in Reiner township. Decreases are noted in only a few instances, several being made in Smiley township.

Real Estate Values Down

In going over the real estate assessments for the city of Thief River Falls it was found that the assessed valuation is $105,368 below the total last year, practically the same amount being necessary this year to raise sufficient funds.

Strong objection to the real estate assessments in the city have been raised by some taxpayers and the board of equalization is finding it a difficult task to make a satisfactory adjustment.

Auditor T. P. Anderson in a letter to the State Tax commission stated that altho the assessed valuation of real estate in the city is $105,368 below that of the previous year, some of the property along the main business streets is considerably higher than last year, which is also a fact with some of the residence property. The communication continues, "The county board feels that under the present conditions they are unable to complete the equalization at this time and asks for suggestions as to what might be done. The board does not like to have a re-assessment."

Suggests Percentage Raise

In replying the commission states, "The fact that certain properties have been assessed for more this year than they were in the last assessment does not necessarily indicate an inequality. It may be that these same properties have been assessed too low in the preceding assessment. The values returned to the county board represent the judgment of the assessor and city board of equalization as to the value of individual properties, and if in the judgment of the county board the entire assessment is too low, this can be remedied by an increase of the entire real estate in the city on the percentage basis."

A meeting of the equalization board has been called for tomorrow to further consider the matter.

COUNCIL TAKES UP ROUTINE MATTERS

W. C. T. U. Files Objection to Granting Refreshment License to J. J. Farr

After a three week respite, except for a hastily called and short special session, the city council met Tuesday night with all members present and transacted considerable business of a routine nature.

Formal objection on the part of the W. C. T. U., to the granting of a refreshment license to Jas. Farr was filed with the council and as the license committee did not favorably recommend the request it was filed away without any action being taken.

The W. C. T. U. also asked that the city install electric lights at the entrances to the various school buildings where the entrances are recessed, as instances of disorderly conduct have become quite common this summer. Formerly a light burned all night at some of these places but for a year or more they have been discontinued. The council acted favorably on the request and the lights will be connected up with the street lights, thus insuring an all night light, turned on and off at the power plant.

The matter of repair to the power dam was considered informally by the council for half an hour, following the reading of a communication from the Jacobson Engineering company, of Minneapolis, who seek the supervision of rebuilding the dam. It was decided to clean out the channel below the dam first and ascertain how much more of a head could be secured at a site a little further down stream. The matter was placed in charge of Chairman Martin Evenson.

The appointment of Mrs. Della Zeh to succeed her late husband as a member of the Park board was duly confirmed by the council. The aldermen also upheld the approval of the dairy inspector for a renewal of the milk license of Albert Johnson, and granted a building permit to the Trinity Lutheran church for repairs costing about $700 to the parsonage. The petition of property owners on LaBree avenue between Third and Fourth streets for the erection of white way posts was laid on the table as it was not accompanied by the money necessary to cover the cost, this being borne heretofore by the property owners and not the city.

Elks Meet Tomorrow

An important meeting of the Elks lodge will be held tomorrow, Friday night, one important matter to be taken up being the time for the annual summer picnic which is usually held on the last Sunday in August.

Live Communities are Built by Co-operation

When you find high class public schools located accessable to your children; when you find a community of fine churches; when you find all the conveniences of modern life at your elbow, just stop and think that this is the result of successful home trade, which has made it possible to create a splendid center of civilization in your locality. If everybody had decided to trade away from home these things could not exist in your neighborhood. They might exist in some remote city where your welfare is never considered, and you might as well be in the wilds of Africa, for all those who had profited by the money you sent them would care.

A safe and sound bank, a live mercantile establishment, or an industry that is commanding business in the community is a great asset to every person in that community. It is the thing that decides the stability of the town, and determines the growth of the place and its desirability as a place in which to live. No person cares to locate in a town where business is uncertain and shaky, or where conditions are so uncertain that investments in real estate would be a doubtful venture. And all of these conditions depend in the final analysis on what you are doing with your money and whether the town is receiving the business to which it is entitled.

In home trade, however, you are dealing with neighbors and friends. You are dealing with those who sorrow with you when your loved ones are taken. You are dealing with those who are ready to chip in and help as far as their means will allow them when you and your family are in distress; you are dealing with those who are your joint partners in the joys and sorrows of your home community. Disaster to you is disaster to them.

The welfare of the people of a community is inseparable. Selfishness and shortsightedness exists but its the liberal broadminded spirit of live and let live that makes your home community an abiding place worth while.

Very few of the country towns of the state offer better business opportunities than they did twenty years ago, and in many of them the prospects are not so promising as they were at that time. One reason for this, perhaps, is the growing tendency to patronize mail order houses and stores located in the larger centers. It is worth noting that farm values depend, in some measure, at least, on the proximity of the property to a good town. Eliminate the country town, and land values surely will drop. We believe the small town is needed, and that farmers and townspeople are exceedingly shortsighted when they fail to patronize home merchants and their home institutions.

DISPLAY IN WOMAN'S BUILDING IS FINEST IN HISTORY OF FAIR

Gorgeous Display of All Kinds of Flowers Impresses Many Fair Visitors

One of the chief centers of attraction at the fair grounds last week was the Woman's building, filled with the finest display of exhibits in every department. It was the most successful exhibition in this division of the fair, both as to quality and number of exhibits. Much credit is due Mrs. H. W. Froehlich, superintendent of the department, and her energetic assistants in making it the success it was.

The flower display particularly attracted the attention of fair visitors, Miss Mildred Schenck of the Northwest School of Agriculture, who judged most of the entries in the women's department, and T. M. McCall, also from the Northwest school, judge of flowers, declaring it one of the finest and largest displays they had seen outside of state fairs. The center of the building pyramided with bouquets and flower pots of all kinds, presented a beautiful sight. There were 31 bouquets of sweet peas alone.

The culinary department was also exceptionally well represented, the entries being very numerous. A feature was a dmonstration of home products—home made biscuits with butter and sugar beet sirup being served to approximately 2,000 persons.

The art department was the best in the history of the fair, being made especially attractive by the large displays of articles by Mrs. T. L. Melgaard and Mrs. B. C. Bernard.

The practical department proved a popular feature and was three times the size of last year's display. It is pointed out by those in charge that women thruout the county should prepare entries for this department during the entire year preceding the fair as it is one of the most educational demonstrations of the exhibition. Increased interest was also shown in the sewing and fancy work departments this year.

The school exhibits were numerous and presented a fine display of the work carried on in the rural and city school of the county.

Special mention was made by many fair visitors regarding the splendid rest room accommodations provided in the Woman's building by the Girls' Community club of this city, of which Miss Emily Fossum is president. Hundreds made use of the room every day, fresh water and cups being given free. It was a fine demonstration of community service and the girls are to be highly commended for their effort in this line.

Local Woman Named as Delegate to National Convention in St. Paul

Mrs. Geo. Nelson, delegate from the local Auxiliary of the American Legion to the state convention in St. Cloud, was there selected as a delegate from the Ninth district to the national Legion convention in St. Paul.

Other delegates to the national gathering from this district are Dr. C. A. Gunnarson, Warren and Lars Fosse, Fertile.

Edwin L. Lindell of Minneapolis was elected commander of the Minnesota American Legion to succeed Ludwig I. Roe of Montevideo. Mrs. Milton E. Spencer of Winona was elected department president of the Legion Auxiliary. Other Legion officers named are: P. M. Weyrens, of St. Cloud, first vice commander; Edgar M. Hall of Cokato, second vice commander; Miss Margaret Reamy of Minneapolis, third vice commander, and Rev. Martin D. Hafferman, third district chaplain, department chaplain.

G. Howard Spaeth of Ada and J. K. McCauley of Detroit represent the Ninth-district on the executive board; Morlan H. Bishop of this city having been a member the past year.

Among the important reports to be given at the St. Cloud convention was one by Mr. Bishop, as chairman of the state finance committee. Much effective work was done by Mr. Bishop in landing the convention for Thief River Falls.

Be optimistic about the future because optimism gathers no moss.

LEGION MEETING TONIGHT

All business men and members of the Eklund post of the American Legion are requested to be present at a meeting at the club rooms this, Thursday, evening, to form committees relative to the state legion convention to be held in Thief River Falls next year. The convention has been landed and the big job now before the citizens of Thief River Falls is to make arrangements for properly entertaining the thousands of visitors from all parts of the state. It is a tremendous undertaking but will mean a great deal to the city and entire community and should be backed up by everyone. "The Legion post alone cannot put it across," says Commander Oscar Smith, "but with the co-operation of all the citizens a creditable showing can be made."

THREE YOUNG MEN FACING SERIOUS CHARGE BY WOMAN

Youths Arrested Here Monday Bound Over to District Court—$1,000 Bail

Charged with indecent assault three young men, Harold Olson and Elmer Borquist of Warren and Ralph Swenson of this city, were bound over to the next term of district court when arraigned in municipal court before Judge N. W. Tarrant Monday. They were released upon furnishing a $1000 bond each.

The arrest was made by Sheriff O. L. Ihle and Patrolman Krogstad Monday noon as a result of complaint made by one Marguerite Cordell, who alleges that the young men took her in their car a short distance north of the fair grounds where she was assaulted. Passers-by on the way to town notified the sheriff who immediately went out to make the arrest, Fred Stromberg also of Warren, another member of the party, making his get-away.

The young men, all of whom showed signs of having been drinking, according to the sheriff, waived preliminary examination and details of the incident will be aired out in the next term of district court.

Depositors' Committee of Citizens Bank Works Out Plan for Re-Opening Soon

The committee of twelve, selected by the depositors of the closed Citizens State bank at the meeting held here July 8 is working on a plan of re-opening that institution. The plan will be submitted to the superintendent of the state banking department and the court at the hearing set for this evening at 8 o'clock, to be held in the court house in this city before District Judge Andrew Grindeland of Warren.

It was definitely decided at a joint meeting of stockholders of the Citizens State bank and the depositors committee at the municipal court rooms last night to appear at the hearing tonight requesting an extension of time in order to put the plan in operation.

If the outcome of tonight's hearing is favorable steps will be taken immediately to sign up depositors under the reorganization plan as worked out.

The reorganization plan of the committee if approved will help greatly in restoring public confidence and relieve at once many existing cases of stress in the community.

Swedenburgs Have Narrow Escape when Car is Struck

While driving on the state road last Friday night about three miles east of the city on their return from Erie, Dr. and Mrs. A. W. Swedenburg were hit by an oncoming car and their machine was badly damaged. Dr. Swedenburg received slight scalp wounds and Mrs. Swedenburg was badly shaken, though uninjured. The other car was going fast and suddenly coming upon a horse and buggy, turned across the road and collided with the Swedenburg car.

PROMINENT MEN SPEAK AT FAIR HERE SATURDAY

Sen. Magnus Johnson and Cong. Wefald Make Strong Plea for "Square Deal"

FAVOR LA FOLLETTE AS 3rd PARTY CANDIDATE

Farmer-Labor Candidates Make Hit With Big Crowds—Predict Great Victory

Among features of the Pennington county fair last week were addresses by Senator Magnus Johnson and Congressman Knud Wefald, both of whom spoke to the large crowds assembled at the grand stand Saturday afternoon. Both are candidates for re-election on the Farmer-Labor ticket and discussed various issues in a very entertaining manner.

Wefald, who was the first speaker, opened his talk by calling attention to the change in attitude towards the Farmer-Labor movement, "the fear once held by many of its opponents now gradually passing away as they realize they are not so radical after all."

Endorse LaFollette

Both speakers made strong appeals for LaFollette's candidacy for president on a third party ticket, their declarations in favor of his election being met with generous applause, indicating a strong sentiment in his favor in this section. Predictions of a decided victory for the Farmer-Labor forces in Minnesota were made by the two candidates.

Preceding Wefald a brief talk was given by J. W. Gorby, of the American Economic Institute, who urged the public's co-operation in solving the railroad problems. Exception to his remarks was taken by both the Farmer-Labor speakers. "The railroads have not been deflated while the farmers have," Wefald declared, "and farmers in Minnesota have failed in spite of generosity to the railroads."

Square Deal for Farmers

The congressman also appealed for legislation to put farming on the same level as other industries and cited what he did while in congress in the interest of the McNary-Haugen bill, stating that he was responsible for keeping ten members of the Tammany delegation of New York democrats from voting against the measure.

Senator Johnson, who has been the object of so much publicity the past year, proved his popularity in appearing here and was greeted with hearty applause thruout his talk. His address was peppered with the usual pointed remarks peculiar to himself. He declared "the American farmer must take more interest in politics in order to get a square deal. Other industries are at all times interested in getting favorable legislation and measures such as the McNary-Haugen bill for the relief of agriculture are not designed to injure other industries."

Must Get a Fair Price

"Altho in the minority group I feel that a great deal has been accomplished," he continued, "much progressive legislation having been brot about thru our efforts The farmer must receive a reasonable price for his products and along this line the McNary-Haugen bill would have proved of great benefit."

Magnus also spoke of the campaign of redicule which is being waged against him at this time, declaring that the real issues are being evaded. "I may not be as well educated and as cultured as some; but I have common horse-sense," he asserted. "If elected this fall I pledge myself to do all in my power to give all the people a square deal." Interesting incidents from his stay in Washington were cited by the senator, including the milking contest.

The speakers were introduced by Mayor J. S. Arneson.

SAME SCHOOL BOARD OFFICERS ELECTED

Organization Meeting Held Last Week—Budget to be Determined Later

Members of the board of education of Independent District No. 18 at their organization meeting Wednesday evening, last week, re-elected all officers. E. O. Mogensen is president, Math Barzen, vice president, L. M. Rayson, treasurer, and Mrs. L. G. Larsen, secretary. V. C. Noper, the only new member of the board was duly installed. It was voted to fix the treasurer's bond at $10,000 and his salary $200, the secretary to receive $100. All the janitors were re-elected at their present salaries.

Another meeting was held Monday evening at which various routine matters were taken up and plans for the coming school year considered. The budget will not be fixed until Supt. I. T. Simley returns from New York, where he is attending Columbia University. It is likely that this matter will be taken up at the next regular session on Sept. 8. A special meeting is called for Aug. 29 to consider bids for the transportation of school children on the regular routes.

Teachers Being Hired

Teachers for rural schools in Pennington county are being hired very rapidly at the present time, according to Supt. O. R. Sande, who is now back at his office after taking a summer course at the Minnesota University. Mr. Sande estimates that about half of the county's schools have engaged their teachers for the coming year, many of the teachers secured being local girls graduated from the local high school training department.

SOCIAL ITEMS

Reitz-Olson Marriage

Mrs. John Reitz and Ole M. Olson of this city were married at the home of Mrs. Reitz at 709 Atlantic avenue north on Wednesday evening at eight o'clock by Rev. T. J. Dixon of the Methodist church. They were attended by Miss Mabel Klockman, sister of the bride, and Arthur Berg. The guests were Mr. and Mrs. Carl Klockman, parents of the bride, Henry Klockman and family, John Phillips and family, and Mr. and Mrs. R. H. Clausen of Germantown; Gunder Senum and family of Silverton, and Mrs. Joe Weirus of this city. The bride and groom will leave tomorrow on a two weeks' wedding trip to Woodrow, Minn., Minneapolis and Stevens Point, Wis., where they will visit with relatives of Mrs. Olson. On their return they will reside in Mrs. Olson's present home at 709 Atlantic avenue north.

Kisner-Lacoursiere

Miss Grace O. Kisner and Frank LaCoursiere, residing near Red Lake Falls, were united in marriage at the Zion Lutheran parsonage here Saturday, Rev. George Larson officiating in the presence of Miss Alice Kisner and Martin Mosbeck. The newlyweds will reside on the groom's farm near Red Lake Falls.

For Dorothea Mae Noper

Mrs. V. C. Noper entertained at her home Wednesday afternoon for Miss Dorothea Mae in honor of her fifth birthday. The afternoon was spent in playing amusing games. At five o'clock a three course luncheon was served in the dining room, which was daintily decorated with pink and white sweet peas and a birthday cake covered with five pink candles. The guests were the Misses Margaret and Jean Gustafson, Mary and Irma Chittick, Vivian Ward, Dorothy Travers, Evelyn Kinsela, Wandabell Semisch, Ardith Virginia Melby, and Dolly Pope, and Mesdames Dave Gustafson, Oscar Melby, Thomas Chittick and Thomas Kinsela.

Dinner Party

In honor of Mr. and Mrs. G. W. Connell's wedding anniversary, a seven o'clock dinner was served at the Ben Bradford home near Holt Tuesday evening. The guests were Mr. and Mrs. G. W. Connell, Mrs. Lucille Johnson, Roy Brown and Rolf Rasmussen.

Birthday Party

Mrs. J. A. Wassgren was hostess at a delightful birthday party for her daughters, Helen, aged ten and Ruth, eight, on Tuesday afternoon from three to six. The rooms were decorated for the occasion with sweet peas and nasturtiums and a large birthday cake served as a centerpiece for the table. Music and games furnished entertainment for the nineteen young guests.

For Capt. Hovland

Mrs. A. Hovland entertained a number of friends at a seven o'clock dinner party Monday evening in honor of the departure of her husband, Capt. A. Hovland, for Iron Mountain. The guests were entertained with several violin numbers and spent the remainder of the evening in a social way. Mr. and Mrs. Anton Langsth, Mr. and Mrs. Bert Umland, Mrs. August Brown and Laura Brown were the guests.

Senator Johnson Entertained

Senator Magnus Johnson was a dinner guest at the O. A. Naplin home at 713 Knight avenue on Saturday evening.

Community Club Picnic

Members of the Girls' Community club held a six o'clock picnic in the grand stand at the fair grounds last Saturday evening. The purpose of the affair was to get as any of the girls as possible together some time during the fair. About thirty-five members were present.

Dinner Party

Capt. A. Hovland was the honor guest at a seven o'clock dinner served by Mrs. Gust Geske Friday evening at the Geske home in Rocksbury township. The twenty-two guests were members of the immediate family and close relatives.

Community Club Meets

The Girls Community Club held its regular bi-weekly meeting at the club rooms Monday evening. They discussed putting up a permanent rest-room at the Fair grounds and appointed a committee to take charge of the matter. At the next meeting a plan will be formed for carrying on an extensive membership campaign.

Penney Store Employees Frolic

Members of the J. C. Penney company force at the local store last Sunday joined with employee from the stores in Crookston, Fargo and Grand Forks in a picnic at River side park, Grand Forks, the event being in the form of a birthday surprise on C. A. Preiss, manager of the Grand Forks store. About 100 people took part in the event which proved a most enjoyable affair for young and old. A picnic dinner and supper was served by the Dynamo club of the North Dakota city.

Those who motored to Grand Forks Sunday were: Manager and Mrs. H. E. Nelson and children, Mr. and Mrs. Archie Dahl, Mr. and Mrs. Geo. Howe, Mr. and Mrs. E. O. Iverson, Misses Olga Lund, Olive Olson, Hilda Hammersten, O. Howe and Orra McMahon and B. H. Dickey.

Mr. and Mrs. Ed. Korstad and family, Mrs. F. T. Satre and her three daughters, and their guests, Mr. and Mrs. Peter Quande and family of Sisseton, S. D., and Mr. and Mrs. Oscar Larson and family of Madison, Minn., motored Tuesday morning to Red Lake to spend a few days camping.

Teacher of Piano

Doris Halvorson-Pope

Graduate of Oberlin Conservatory. Pupil of Madame Bailey-Apfelbeck.

First Semester Begins Monday, Sept. 1. Registration August 29th and 30th.

Studio 322 Main Ave. N.

Phone 481 or 126

Mr. and Mrs. H. Olson Honor Guests at Farewell Party

A delightful farewell party was tendered Mr. and Mrs. Harold Olson at the Sons of Norway hall last Monday night by members of the Sons of Norway lodge in this city. Mr. Olson, local buttermaker the past four years, left with his family Tuesday for Barnesville to take charge of a creamery there.

More than 60 couples took part in the event Monday, bearing evidence of the esteem in which the departing lodge members ar held, a purse of money being presented to them as a remembrance from the many friends assembled to bid them goodbye. The gift was presented by Bernhard Knudsen, president of the Snorre lodge, short talks being given by Jorgen Eide, P. Engelstad, Mrs. Bernard Knudsen and Mrs. E. J. Overland. The evening was spent in a social way, dancing and cards being the main forms of diversion. Refreshments were served at midnight.

Piano Instructor Makes Announcement to Pupils

Mrs. Doris Halvorson Pope this week announces that the first semester of her piano classes will begin Monday, Sept. 1, registration to take place Aug. 29th and 30th.

Those who wish to begin or continue their study of piano should avail themselves of this opportunity to get instruction here. Mrs. Pope, who is a graduate of Oberlin conservatory, and is now an advanced pupil of Madame Bailey Apfelbeck of Minneapolis, has had the musical advantages and education of more than the ordinary teacher and is thus able to give the most thorough and excellent training.

Those who have attended her recitals from time to time have observed how carefully her pupils are trained as to technique, poise and thoroughness. Her knowledge of pedagogy, theory of music, and musical history serve to give her pupils an all-around musical education.

Those who wish to apply should turn to the announcement elsewhere in this issue.

Many Help Legion Boys

Many fair visitors made merry at the American Legion dances at the auditorium conducted each night by the Elmer Eklund post to raise funds for sending the delegates to the St. Cloud convention last week. A considerable amount of money was realized, according to those in charge, a splendid time being enjoyed by all who participated. A pleasing program of music was furnished by Emard's orchestra of Grand Forks.

Means for raising sufficient funds for properly entertaining the state Legion convention here next year are now being considered by the local post and it is expected that citizens generally will respond generously when called upon for assistance.

For Capt. Hovland

Mrs. Albert Geske entertained Sunday at her home in Rocksbury township for friends and relatives of Capt. A. Hovland, her brother-in-law. The guests spent the day at her home, the hostess serving a one o'clock dinner and a late supper.

Mrs. Curtis Entertains

Mrs. J. P. Curtis entertained a few friends at her home on Markley ave, Monday afternoon. The hours were passed in an informal manner in rooms decorated with yellow flowers. Luncheon was served at five-thirty. The guests were Mesdames O. F. Melby, C. Nason, F. M. Schatt, L. M. Rayson, I. T. Simley, Clarence Erickson, Andy Anderson, W. B. Stone, and H. S. Dahlen.

St. Olaf Quartette Coming

Music lovers in the city will be interested to hear that the college quartet, a musical organization of St. Olaf College, will present a program in Thief River Falls on Monday, August 25. The program includes quartets, vocal solos, instrumental solos, duets and many other entertaining numbers. The members of this quartet belong to the world famous St. Olaf Lutheran Choir and have broadcasted many programs by radio from station WCAL.

Thanks For Help

The Community Girls' club wishes to publicly thank the Larson Furniture company, Kiewel Products company, Winton-Nichols Lumber company, Thief River Grocery company, and the Thief River Ice company for their donations toward the Community Girls' club rest room in the Woman's building at the fair grounds.

Beauty Parlor Assistant.

Miss Ruth Olson of the Beauty Shoppe announces that she has engaged Miss Eleanore Bernard of Warroad to assist her in the future at the Shoppe. Miss Bernard was formerly with Smart's Beauty Shoppe in Chicago and makes a specialty of marcels.

LOCAL NEWS

Elnor Overland has been engaged as organist at the Lyceum theater during the absence of Miss Mildred Cloney.

Mrs. Ole Isaacson and Mrs. Ottis Dokken and children returned last Wednesday from a trip to Glenwood, Minot and Valley City, N. D., where they visited with relatives and friends.

J. W. Black, president of the First National bank of this city and O. H. Sahr, both of The Marquette company of Minneapolis, spent Monday in the city attending to business matters.

Math Rafteseth, who is employed in Hibbing, arrived Thursday to visit for a few days at his parental home at Rosewood and attend the Pennington county fair. He returned this week. He states that employment is scarce on the iron range at the present, there being a large labor supply.

Mr. and Mrs. B. O. Greslie of Middle River, motored to this city Thursday and spent the afternoon with friends. On their return they were accompanied by their daughter, Miss Beatrice Greslie, who arrived that evening from Bovey, where she has been employed in a photograph studio.

The Misses Betsy and Gena Legvold returned last Thursday from Fisher where they spent two weeks visiting an aunt, Mrs. Mary Knutson. They were accompanied by the Misses Clara Knutson and Gertie Olson of Fisher, the former leaving Sunday and the latter intending to leave tomorrow.

Mr. and Mrs. Lester Hendry and Mrs. C. S. Simonson left Wednesday by car for Duluth where they will take a boat trip with the Elks to Port Arthur. They will visit in Minneapolis before returning to this city. The annual convention of the 25 Elks lodges in Minnesota is being held this week in Duluth.

Mrs. T. Tharaldson and children, Elva and Ray, returned Saturday evening from Buxton, N. D., where they visited a week with Mrs. Tharaldson's brother-in-law and sister, Mr. and Mrs. Albert Bjorgie. On their return they were accompanied by Mr. Tharaldson who is employed in Fargo. He returned Sunday.

Mrs. Peter Whalen of Grand Forks arrived Thursday to attend the funeral of her sister, Mrs. Berger Wold. Mrs. Anna Carlson of St. Vincent, Tony Erickson of Minneapolis, and John Erickson of Waterville arrived Saturday morning to likewise attend the funeral of their sister. All returned Sunday evening.

William Froehlich of St. Clair and Mrs. John Kamrath of New Ulm, arrived Thursday evening for an indefinite visit at the home of Dr. and Mrs. H. W. Froehlich, the former their son and brother, respectively. They are both known to a large number of friends in this city, particularily Dr. Froehlich's aged father.

Mr. and Mrs. Melvin Rud and the Misses Anne and Dorothea Tharaldson of Grand Forks motored to this city Saturday, Mr. and Mrs. Rud to visit at the home of the latter's mother, Mrs. Mary Kish, and the Misses Tharaldson at the home of T. Tharaldson, their uncle. They returned to Grand Forks Sunday evening.

Mrs. August Gustafson of Duluth who was a guest of her sister, Mrs. Albert Erickson for a week, left Sunday morning for Viking. She will visit with her parents, Mr. and Mrs. F. Anderson of Viking, for a week and then go to Warren where she will be a guest of her sister, Mrs. S. C. Olson, for a few days before returning to her home in Duluth.

Walter Jorgenson of Kindred, formerly employed in the local office of the American Express company, accompanied by his other, arrived here Thursday from Minneapolis where they visited with their sister and daughter. The latter left Saturday for Oslo to spend a few days while Mr. Jorgenson left the first of the week.

Miss Doris Richter, secretary to Supt. I. T. Simley, is expected to return next Monday from Chicago where she has been taking a course at the Gregg Business school the past six weeks. Miss Monica Bambrick, who will return here this fall to resume teaching in the high school, is also taking a course at the Gregg school.

Mrs. L. J. Langness and sons, Chas. and Lewis, of Lake City, returned to their home Thursday evening after having spent a week as guests at the home of Mrs. Langness' cousin, Mrs. Carl Surmo, residing east of Holt, and other relatives. They were accompanied to this city by Mr. and Mrs. Carl Surmo, who spent a brief time with relatives and friends.

FOR SALE—Team of horses, pick out of six, from 3 years and up. Some good milk cows and young stock. Also one John Deere Gang plow, 13 inch. L. W. Knadle, one mile north of Silverton elevator, Thief River Falls. 28-29p

Representative of Agricultural Corporation in City

A. L. Ingram, purchasing agent for the Agricultural Credit corporation which is assisting the farmers of the Northwest in getting a start in diversified farming methods, is making headquarters in this city this week while placing about 30 head of cattle among farmers of this community who have made loans with the corporation. The animals purchased so far have been obtained locally but Mr. Ingram states that the surplus is now practically exhausted, a number of local animals having been purchased by farmers of other counties in this section. It is likely that cattle from outside points will be shipped here to meet the demand. Mr. Ingram expects to remain here until the latter part of the week. He is accompanied by his brother S. L. Ingram.

So far about 15 loans have been made to farmers in this vicinity and more are forthcoming, according to the committee of which Albert Lonson of the Farmers and Merchants State bank is secretary.

Runaways Picked Up

Two youths whose home is on a farm near Plummer, Leonard Carpenter, 15, and Medrick Carpenter, 17, were picked up in the city by Chief of Police A. D. Ralston on Aug. 3 and upon investigation it was found that they had run away from home. The parents were called up by the chief and the youths ordered to return to their home. They came here in a car.

Veterinarians Meet

Dr. L. R. Twete left yesterday for the twin cities to attend the third annual short course for veterinarians and the 26th semi-annual meeting of the state veterinary medical association at the University Farm this week. Many interesting features have been provided for the meeting today and tomorrow, one of the outstanding being a clinic. Leaders in the profession are speakers at the sessions. Dr. Twete expects to return Sunday. While in St. Paul he will check up some matters with the state health department in connection with his work here.

Odelin Breaks Leg

Ed Odelin, an employee of the Soo railroad, was severely injured Tuesday when a plank fell on his leg, causing a compound fracture. The accident took place at the local yards and Mr. Odelin was immediately removed to the Swedenburg hospital where he is now taking treatments. The break was unusually bad so that recovery will probably be slow.

Miss Lillian Provencher left Tuesday evening for Glenwood to spend a few days with friends, expecting to leave tomorrow for Minneapolis where she will be engaged in private duty nursing for a month. She intends to leave in September for Palm Beach, Fla., to spend the winter. Miss Provencher has spent the past three months at the home of her parents, Mr. and Mrs. J. Provencher.

Herman and Richard Aakre of Goodridge left Sunday for Crookston where they will be employed at the Northwest School of Agriculture. Richard will take the place of his brother, Einar, who will attend the Minnesota University this year, and Herman will remain at the farm school until the opening of the school year when he will resume teaching in a rural school north of Goodridge.

Start Brick Laying

Construction work on the new creamery building being erected by the local co-operative association is progressing very rapidly, the basement having been completed and the laying of bricks started this week. The cement floor will be poured this week. The building is being built by Contractor Bert Norby and is to be completed by Dec. 1.

R. O. Gorden in City

R. O. Gorden, of Rhoda, candidate for the legislature in the 65th district and endorsed by the Farmer-Labor forces, was a caller in the city Monday. The race in the district this year is a three-cornered fight, the other two candidates being Marius Waldal of Plummer and W. A. Day of Bagley, present incumbents. The latter is endorsed on the Farmer-Labor ticket while the former is running independently. This is Mr. Gorden's first entry into politics and he plans to visit every part of the district in the course of the campaign. Mr. Gorden was also among the fair visitors who heard Magnus Johnson Saturday.

Made Happy

Miss Olive Mjoen was yesterday placed in a position as stenographer with Attorney Chance; Miss Pulvermacher, with Attorney Elton, and Miss Horn has just gone into a bank position at Halma. Similar positions will be open to you in case you take a course of training at Aaker's Business College, Grand Forks, N. Dak. Send for catalog. 28c

FOR RENT—Rooms for school girls. Inquire R. O. Ness, 209 Kendall ave. N. 28p

Mrs. Berger Wold

Mrs. Helma Christina Wold, wife of Berger Wold and for fourteen years a resident of this city, died August 7, at her home, 513 Markley avenue south. Tuberculosis was the cause of her death.

Mrs. Wold was born in Pennington county on August 4, 1885, and lived on her father's farm until November 16, 1912, when she married Berger Wold and moved to Thief River Falls. She is survived by her father, H. Erickson, of Nickom, Sask., her husband, Berger Wold, four children, Stella, 8; Ardith, 6; Ralph, 4; and Raymond, 2, besides two sisters, Mrs. Peter Whalen of Grand Forks and Mrs. Anna Carlson of St. Vincent, and two brothers, Tony Erickson of Minneapolis and John Erickson of Waterville.

Funeral services were held August 10th from the Swedish Lutheran church with Rev. Albin Larson officiating. Interment was made at Greenwood cemetery.

Mrs. Sam Mickelson

Mrs. Sam Mickelson of Holt, a sister of O. G. Storholm of this city, passed away at her home last Saturday, following a lingering illness. She had suffered from cancer of the stomach for some time, being confined to her bed since in May. Mr. and Mrs. Storholm were at her bedside at the time death occurred.

Mrs. Mickelson, whose husband is operating a hotel in Holt, was about 58 years of age at the time of her death and had resided in the village the past 12 years. She is survived by her husband, three daughters, Amanda and Olive and Mrs. Adolph Burtness of Holt.

Funeral services were held Tuesday afternoon, Rev. Ordahl officiating, and interment made in the Holt cemetery. The funeral was attended by Mr. and Mrs. Storholm and children and other friends here.

Mrs. N. W. Chommie Dies

Mrs. N. M. Chommie, mother of H. O. Chommie of this city, died at her home in Decorah, Iowa, on August 3, following a second paralytic stroke suffered last spring. Mrs. Chommie, who was 79 years old and an invalid for almost three years, became gradually weaker after the second stroke. She is survived by two daughters, Mrs. Robert Peterson of Moline, Ill., and Mrs. John Holter of Wild Rose, N. D.; and two sons, H. O. Chommie of this city, and Gustave Chommie.

Mr. Chommie, who was in St. Cloud attending the Legion convention at the time of her death, left at once for Decorah to attend the funeral.

Ole P. Medlang Dies

Ole P. Medlang of Kelvin, N. D., died in this city August 7, from tuberculosis. Mr. Medlang, 53 years of age, was born in Norway. Funeral arrangements were made by the Larson Undertaking parlors who sent the body to Dunseith, N. D., for burial August 10.

Fined $15

A colored woman, answering to the name of Dora Johnson, was fined $15 and costs by Judge Tarrant when she was brought before him on a charge of disorderly conduct at the Fair grounds.

To New Richmond, Wis.

Hoaglan's Hippodrome Shows, which furnished the free attractions at the Pennington county fair, left on the Great Northern railroad Tuesday afternoon for New Richmond, Wis., where they will make their next appearance on Monday.

Partners in Prosperity

You and your home town are partners. If your town prospers, you prosper—if the town goes backward you lose. Your interests are here. Keep your money where your interests live. When you patronize outside merchants the money you spend can never be used toward the growth of this community. When you spend your money here you invest it and the investment will pay dividends in making our home town a better place in which to live.

Keep Your Money Right Here

Announcement

Safe and Conservative Banking Stands the Test.

As a depositor that is your demand. As a borrower that is your protection.

With a view only to sound banking principles, on and after September first, 1924, The First National Bank of Thief River Falls will pay 4% interest on Time Deposits and Savings Accounts.

Thru more sound principles of operation in all lines of business, including diversification in agriculture, risks are being eliminated and interest rates can thus be reduced. Such is the history of all countries as business comes to a firm basis.

It is the aim of this bank to render real service to our community, having first in mind at all times—ABSOLUTE SAFETY TO DEPOSITORS.

Very respectfully yours,

The First National Bank of Thief River Falls

What Chiropratuors Do

The first thing to be determined is the nature of the patient's rouble. Then the responsibility is fixed by an examination of the spine. After being positive that the subluxation of certain vertebrae (small bones of the spine) have caused the patient's present condition—the next thing in order is the adjustment. Consult a competent chiropractor and after a few visits you will wish you had taken this step long ago.

Consultation and spinal analysis free.

Does the churn make butter? Does the pot make coffee?

DOES the liver make bile? Does the stomach digest the food?

Does the ear hear, the eye see, the nose smell, the mouth taste and the hand feel?

A corpse has eyes, ears, nose, mouth and hands, yet these organs of special sense do not function.

A corpse has a liver and a stomach, yet there is no secretion of bile—no digestion of food. Why?

Is it not a self-evident proposition that it is because the power that manifests itself through the body, soul and mind of man has departed?

Just as the butter maker makes butter in the churn, or as the housewife makes coffee in the pot, so this "power within" sees with the eye, hears with the ear, makes bile in the liver, digests food in the stomach and performs all the other functions of the living.

DEFINITION

The practice of Chiropractic consists of the adjustment with the hands, of the movable segments of the spinal column to normal position for the purpose of releasing the prisoned impulse

Chiropractic

teaches that these functions are performed by means of impulses sent over the nerves, and that when the nerve is impinged by a subluxated vertebra these impulses cannot travel over the nerve and we have a lack of normal function, called dis-ease.

SCHOOL DISTRICTS REPORT ELECTIONS

Many Rural Schools Will Have Only Seven Months of School This Year

Sixty of the 73 ungraded school districts in Pennington county had submitted their annual reports to the county superintendent's office up to last Tuesday. All reports are for the year ending July 31 and should be sent in by Aug. 10.

Following is a list of the officers elected at the annual meeting last month, the amount of special tax voted for the coming year and length of the school term:

District No. 1—K. P. Christian, clerk; H. E. Schneider, treasurer; Anton Anderson, chairman; $1440 tax; nine months.

District No. 3—Elick Halvorson, clerk; $900 tax; seven months.

District No. 7—D. D. Sandry, clerk; $1100 tax; seven months.

District No. 8, Goodridge—A. B. Mandt, clerk; G. C. Gulrud, treasurer; Stuart McLeod, chairman; nine months.

District No. 10—Mrs. Sivert Leirfallom, clerk; Christ Thompson, treasurer; Staale Tveiten, chairman; $1300 tax; seven months.

District No. 11—Otto Rehm, clerk; Ole Christofferson, treasurer; Ole Breiland, chairman; $500 tax; seven months.

District No. 14—Gust A. Iverson, Clerk; Ludvig Johnson, treasurer; Tollef Hovet, chairman; $500 tax; seven months.

District No. 15—Ferd Hincik, clerk; J. M. Schei, treasurer; James Hruby, chairman; $2,210 tax; nine months.

District No. 16J—M. O'Leary, clerk; J. P. Johnson, treasurer; Thom Pugh, chairman; $600 tax; seven months.

District No. 17—Albert P. Boutani, clerk; Eli Boutani, treasurer; E. Audette, chairman; $1,000 tax; eight months.

District No. 25—Waldie Christensen, clerk; $775 tax; eight months.

District No. 26—Tobias Stene, clerk; Nels Burtness, treasurer; J. D. Turnwall, chairman; $600 tax; eight months.

District No. 28—H. C. Woolson, clerk; John Hegreness, treasurer; Syvert Hanson, chairman; $350 tax; seven months.

District No. 29—M. H. Ballingrud, clerk; T. H. Bjerke, treasurer; Andrew Jorde, chairman; $500 tax; eight months.

District No. 33J—Sigward Grothe, clerk; S. C. Jenson, treasurer; Carl Magnell chairman; $500 tax; seven months.

District No. 37—Mrs. Wm. Vaughan, clerk; Mrs. H. I. Finstad, treasurer; Mrs. W. H. Crampton, chairman; $1,000 tax; eight months.

District No. 38—Clarence E. Peterson, clerk; Matt Erickson, treasurer; Ole Geving, chairman; $700 tax; eight months.

District No. 41—M. J. Grattinger, clerk; Gunder Olson, treasurer; B. E. Tieman, chairman; $500 tax; seven months.

District No. 44—Andrew Anenson, clerk; $450 tax; eight months.

District No. 48—T. G. Helle, clerk; Even Grimley, treasurer; J. S. Miller, chairman; $586 tax; seven months.

District No. 46—J. E. Hruby, clerk; Joseph Hruby, treasurer; S. Ptacek, chairman; $50 tax; no school this year on account of lack of pupils.

District No. 52—Emert Gisselquist, clerk; Frank Lundeen, treasurer; John Peterson, chairman; $600 tax; seven months.

District No. 53—Mrs. H. P. Rued, clerk; $1100 tax; seven months.

District No. 54—Ed. A. Aubol, clerk; John Engelbart, treasurer; Geo. H. Hanson, chairman; $800 tax; eight months.

District No. 55—Anton Danda, clerk; $870 tax; eight months.

District No. 58J—Ole Dahle, clerk; O. A. Lindberg, treasurer; A. K. Breiland, chairman; $625 tax; seven months.

District No. 59—Mrs. Eva Elg, clerk; J. V. Hoffman, treasurer; Hans Fjeld, chairman; $810 tax; eight months.

District No. 64—Olaf Larson, clerk; Mrs. Mary Knutson, treasurer; Joseph Oseness, chairman; $700 tax; seven months.

District No. 66—T. Hemmestvedt, clerk; Olaf Wahlberg, treasurer; Theo. Halvorson, chairman; $900 tax; seven months.

District No. 69—M. H. Wood, clerk; John Scholien, treasurer; Christ Person, chairman; $430 tax; seven months.

District No. 70J—Albin Dahl, clerk; Rev. J. O. Hoyum, treasurer; N. T. Torgerson, chairman; $845 tax; seven months.

District No. 108—Mike Ford, clerk; Thos. Sherry, treasurer; Felix Grandbois, chairman; $755 tax; 9 months.

District No. 124—Peter Sherrick, clerk; Fred Gather, treasurer; Erdman Schultz, chairman; $605 tax; seven months.

District No. 133—C. A. Swanson, clerk; Paul Thyren, treasurer; John Sjobetr, chairman; $500 tax; eight months.

District No. 135—G. M. Olson, clerk; Emil Ness, treasurer; S. L. Sorenson, chairman; $850 tax, eight months.

District No. 147—Oscar Pederson, clerk; A. J. Wasley, treasurer; Peder Bugge, chairman; $625 tax, seven months.

District No. 148—Matt Gerardy, clerk; Otto Schroeder, treasurer; L. J. Hesse, chairman; $550 tax; eight months.

District No. 149—A. K. Lockrem, clerk; John Seavorson, treasurer; Erik Andersen, clerk; $800 tax; eight months.

District No. 165—P. Engelstad, clerk; H. O. Lee, treasurer; S. E. Hunt, chairman; $600 tax; eight months.

District No. 178—W. F. Wilson, clerk; Aug. Swanson, treasurer; Mrs. Geo. Breitsprecher, chairman; $625 tax, eight months.

District No. 180—Selmer N. Olson, clerk; Harry Hawkinson, treasurer; I. A. H. Johnson, chairman; eight months.

District No. 219J—Peter Solem, clerk; Martin Rustebakke, treasurer; Hugh Best, chairman; $565 tax; eight months.

District No. 227J—John Mortenson, clerk; E. S. Erdman, treasurer; Philip Anderson, chairman.

District No. 228-153J—Edwin Wahlin, clerk; Andrew Feragen, treasurer; Ed. Kivle, chairman; $550 tax; eight months.

In most districts the school term opens about the middle of September or the first part of October.

District No. 2—Ben Peterson, clerk; Charles Schnabel, treasurer; A. O. Borgen, chairman; $175 tax; eight months.

District No. 5—Even Sjulestad, clerk; $800; seven months.

District No. 6—Anton Peterson, clerk; O. E. Wilson, treasurer; John E. Peterson, chairman; $500 tax; eight months.

District No. 12—Paul Borgie, clerk; Anton E. Anderson, treasurer; Mrs. B. Theo. Johnson, chairman; $800 tax; eight months.

District No. 13—Michael J. Quirk, clerk; Arne Gunderson, treasurer; Wm. Causin, chairman; $400 tax; seven months.

District No. 30—A. B. Newton, clerk; J. M. Thiege, treasurer; Ole Helgeland, chairman; $600 tax; seven months.

District No. 34—O. M. Mandt, clerk; Mrs. Elizabeth Syversrud, treasurer; C. T. Lundin, chairman; $675 tax; seven months.

District No. 35—N. O. Johnson, clerk; Isaac E. Wilson, treasurer; A. J. Stennes, chairman; $650 tax; eight months.

District No. 42—R. A. Gausen, clerk; $711 tax; seven months.

District No. 47—Mrs. Ben Kveste, clerk; John Nelson, treasurer; John Homme, chairman; $410 tax; seven months.

District No. 50—A. W. Hanson, clerk; E. K. Rime, treasurer; Alois Srnsky, chairman; $360 tax; eight months.

District No. 57—Mrs. J. A. Race, clerk; Ole A. Olson, chairman; $150 tax; seven months.

District No. 60—John Asp, clerk; Dreng O. Roisland, treasurer; John Solberg, chairman; $670 tax; seven months.

District No. 65—Mrs. Ben Rindahl, clerk; N. P. Larson, treasurer; F. H. Korupp, chairman; $400 tax; seven months.

District No. 68—Stephen Singer, clerk; $385 tax; seven months.

District No. 166—Betsy Mogen, clerk; Ole Larson, treasurer; Ole Anderson, chairman; $700 tax; seven months.

BIG FARMER-OWNED GRAIN CO. ORGANIZED

Company Capitalized at $26,000,000 Will Handle Grain Now Being Marketed

The new Grain Marketing company which amalgamates four Chicago grain companies and one Kansas City company, is capitalized at $26,000,000 and is designed eventually to be farmer owned, controlled and operated, will start without delay to handle the grain crops now coming to market from elevators it controls. These elevators have a total capacity of 50,000,000 bushels.

As managing directors of the new company, five men representing the companies proposing to sell to the farmers have been named. They are: George E. Marcy, president, Armour Grain corporation; E. E. Rosenbaum, president, Rosenbaum Grain corporation; Edward S. Glaser, president, Rosenbaum Brothers; John J. Stream, vice president, J. C. Shaffer Grain Company; and George H. Davis, president, Davis-Noland-Merrill Grain company.

The incorporators of the new company, which will maintain headquarters at Chicago, are: Millard H. Meyers, co-operative Elevator spokesman; E. O. Bradfute, president, and J. W. Coverdale, secretary, American Farm Bureau Federation; Gray Silver, Washington representative of the Farm Bureau; Fred A. Mudge, Peru, Ill., Louis J. Tabor, Columbus, Ohio; Oscar B. Ashworth, Mattoon, Ill., and J. M. Dyer, Spencer, Iowa.

The names of 11 members of the temporary board of directors have not yet been announced.

In addition to the elevators in Chicago, the new company is in control in Kansas City, Omaha, Minneapolis, Winona, Minn.; Fort Worth, Texas; Toledo, Fairport, Ohio; Erie, Pa.; Buffalo and the export ports of Galveston, Texas City, Norfolk and Depot Harbor, Georgian Bay.

To finance the plan, stock will be offered for sale to the farmers including 1,000,000 shares of common stock par value $1 a share; 1,000,000 shares of "A" preferred stock at $25 a share and 500,000 shares of "B" preferred stock with a par value of $50 a share. The preferred stock will bear an 8 per cent dividend. Patronage dividends also will be given to the farmers. The company will operate according to the rules and customs of the various exchanges.

A Growing Business

The growth of the automobile business in the office of Mike Holm, secretary of state, during the past four years, is shown in a compilation of figures in that office which discloses that the business has increased from $154,851.50 in 1920 to $7,851,529.25 at the close of business June 7 last. Cars registered this year totalled 461,144.

In 1920, which closed a three-year period, the system then in operation, brought total collections for the year to $154,681.50. In 1921, which was the beginning of the new automobile license law, there were 332,632 cars licensed and receipts totaled $5,674,332.55; in 1922, 386,124 cars registered, receipts, $6,544,397.48, and in 1923, 454,395 registered, receipts, $7,318,752.07.

Longest Homestead in U. S.

Louis O'Dell of Esplee, Marshall county, was in Crookston recently and made homestead filing at the government land office for a strip of land three miles long and about 500 feet wide, along the north border of Red Lake Indian reservation, in sections 4, 5 and 6 of Township 154-37, according to the Crookston Daily Times. This it is believed is the longest homestead in the United States and is said to consist of prairie land, so that plowing can be done the full length of the place.

Find Plenty of Evidence

There must have been plenty of booze in East Grand Forks last week when federal agents swooped down on four violators of the prohibition laws who are said to have had in their possession 225 gallons of alcohol, 40 cases of beer and two quarts of Scotch whiskey, valued at approximately $5,000. The offenders, Joe Filteau, Bob Becker, T. Hagen and Edmond Larson, were all bound over to United States federal court in Fergus Falls.

Neighbors who can still be neighbors after the children have a dozen or so fights a day are real people.

RAILROAD PROBLEM DISCUSSED AT FAIR

J. W. Gorby of American Economic Institute Pleads Cause and Urges Co-operation

"Transportation is the basis of business life and must be kept up," declared Captain John W. Gorby, director of public relations, American Economic Institute, Inc., Chicago, in pleading for the railroads before the crowds at the Pennington county fair Saturday afternoon. He emphasized the fact that the public must consider the railroad problem from an unbiased standpoint in order that it may be solved to the best interests of everyone concerned. Mr. Gorby represented the Great Northern railway.

In speaking of agricultural conditions Mr. Gorby cited a survey made by sending out questionnaires asking "What is the matter with Agriculture?" Forty-two per cent of the replies gave the reason for the period of depression as the low prices of farm products; 17 per cent, the high cost of manufactured articles; and others the high cost of labor, high cost of transportation and too much credit. "Present high prices, however, indicate that better times are now in store for the American farmer," the speaker said.

"The railroads must make a margin over their expenses in order to serve the people," said Mr. Gorby. "This margin must cover repairs, lean years and provide a surplus for further expansion.

Government ownership of railroads was flayed by the speaker who cited figures showing the high cost of operation during the war period when the railroads were operated by the government. "In December, 1917, under private ownership, the cost of operating the railroads per day was approximately $8,000,000," the speaker said. "In February, 1920, this sum rose to $14,000,000 under government operation. It is now down to about $12,500,000 a day. Under private operation the railroads employed fewer persons than under Federal control and consequently held down the cost of operation." The tonnage was also considerably reduced during government operation, according to Mr. Gorby. He quoted the director general of railroads as having said that more than a billion dollars was lost by the government in its railroad operation experiment, during 26 months which deficit was made up by the taxpayers.

The cost of service in this country under private operation is low compared to the charges made in foreign countries, where they are operated by the government, according to the speaker, who stated that it costs only 1.1 cents to transport one ton for a distance of one mile here, compared to several times that amount in other countries.

"We must all work together for a square deal for all—the public, the two million employees and their families, the 772,000 stockholders, the shippers and the government."

ESTABLISH JOINT SCHOOL DISTRICT

Petition for New District Granted by Pennington and Red Lake Counties

Children of farmers living on the east side of Red Lake river in River and River Falls towns will be able to go to school next fall without having to ferry across the river or cross the ice like Eliza did in the Uncle Tom's Cabin story, says the Red Lake Falls Gazette. The board of county commissioners of Red Lake county a short time ago granted the petition of ten freeholders for the organization of a new district to be composed of lands taken from District 3, 227, 133 and 88 in Red Lake county. District 133 also contains Pennington county land.

The petition for the new district was granted by the Pennington county board in session July 14.

The hearing was attended by more than forty farmers from the affected districts. The petitioners headed by Fred Erdman told of the inconvenience suffered by their children in having to cross the river to the school in District 227. Mr. Erdman said that because of the difficulty of attending school his daughter had only had ninety days' of schooling in three years.

The prospects for a bridge across the river were admittedly remote and the organizing of a new district seemed to be the only practical solution. The objectors to the petition made it clear that they were not against the establishment of the new district but they did object to so much territory being taken away from their districts and wanted the new district laid out differently. Miss Erba E. Pouliot, county superintendent of schools, spoke in favor of laying out the new district.

The county board by unanimous vote decided to grant the petition for the new district, and established the boundaries precisely as petitnoned for.

When established the new district will be known as Joint No. 236. The school house is proposed to be located in the Northeast corner of Section 29, Town of River.

Whether the new district will receive a share of the $500 insurance money now belonging to District 227 for the school house which burned last winter, is an open question and will perhaps be settled soon.

Refunding Income Tax

"Preparations are going forward rapidly for the refunding to individual taxpayers (who paid in full on March 15th) of one-fourth of the amount of Federal Income taxes as paid by them for the year 1923, as provided for in the Revenue Act of 1924," says L. M. Willcuts, Collector of Internal Revenue for the District of Minnesota.

The work of preparing the necessary schedule and the refund checks is going along nicely, and the actual mailing of same will be done as soon as possible.

Inasmuch as the Revenue Act of 1924 provides that these refunds be made without action on the part of the taxpayers, it is not necessary to file a claim of any kind or go to any expense to get this refund.

The reduction does not apply to corporations.

COMMUNITY NEWS

ROSEWOOD

Harvest of winter rye and other early varieties of small grain is in full swing, and the gathering of hay is nearing completion.

Mr. and Mrs. Christ Eggen, and Mr. and Mrs. Ingvall Eggen accompanied by several children were over Sunday visitors at the Gullseth and Nordhagen homes here. Accompanying them was Mrs. A. M. Gullseth who has spent a couple weeks with the Eggen people at Kelliher and also has been on a tourist trip along the Iron Range and including Duluth, and from which they came here to attend the fair at Thief River Falls and to visit with relatives. Mesdames Eggen are sisters of Mrs. A. M. Gullseth of this place and Mrs. Inga Remmem of Thief River Falls and G. J. Nordhagen of town of Norden.

Olaf Opseth who has been employed at Chisholm the last year at various building enterprises arrived home on Friday and will spend some time with home folks at this place.

M. B. Rafteseth of Hibbing motored up last Thursday for an over Sunday visit with his home folks at this place and to attend the fair at Thief River Falls.

Miss Ethel Styrlund together with a number of Viking people motored to Warren on Saturday to attend a surprise party.

The Pennington county fair during the last week has been well represented by Rosewood people the majority of which have motored there to attend one or more sessions.

Miss Lilly Holson of Warren attended the fair at Thief River Falls and visited with her sister, Mrs. Carl Mellem here.

Mr. and Mrs. J. E. Thompson motored up from Gully on Tuesday to look after their final interests here and bid farewell to some of their friends.

Mr. and Mrs. L. L. Furan expect to leave this week for Thief River Falls where Mr. Furan will be employed at the barber trade and Mrs. Furan employed at the telephone central.

August Peterson from Viking, agent of the Marshall county Mutual Fire Insurance company, was here on Tuesday renewing policies and attending to other business matters.

John Remmem has spent a week visiting and assisting with work at the Nels Nora farm west of Thief River Falls.

Mr and Mrs. Chas. Flodstrom and John Flodstrom from Viking were Sunday visitors at the J. E. Hellquist home.

Selmer Sorensom has been employed at the J. E. Hellquist farm during haying; Melvin Nordgaard from Viking at the Carl Mellem farm; Berton Furan by Selmer Haugen and Glenn Sagmoen by Joel Shoberg.

August Nordlund from Thief River Falls spent several days here this week picking blue berries, visiting with friends and also been employed at haying.

Miss Linda Blomberg from Crookston is a visitor this week at the Emil Blomberg home.

GOODRIDGE

Roy Halseth has returned home from Detroit, Mich., where he has spent the three past months doing contracting work.

Harry E. Halvorson and P. O. Tvedt were business visitors in Thief River Falls Saturday evening.

A large number of the local people attended the county fair at Thief River Falls last week.

M. J. Stephenson was a business visitor in Thief River Falls Friday night.

Harry E. Halvorson and Joe Christianson autoed to Gatzke Sunday where they assisted the Moylan baseball team in a game against Gatzke which resulted in a 7 to 11 score in favor of Gatzke.

Goodridge Lutheran Church

V. O. Anker, Pastor

Sunday, Aug. 17th English services and catechising of the confirmants at Bethania church at 11 a. m. The north ladies aid of Erie meets with Mrs. Edwine Hanson, Wednesday, Aug. 20 and the following day the ladies aid of Torgerson meets with Mrs. R. Johnsrud. The pastor will conduct Norwegian services at Oak Ridge church, seven miles west of Thief River Falls, Sunday afternoon at 3 p. m. The confirmation classes meet as usual.

Low Harvest Fares

The Great Northern, Northern Pacific and soo railroads are making flat one-way fares of $5.00 from the twin cities and $6.50 from Sioux City to Minnesota and North Dakota harvest fields when five or more men will travel second class on one ticket. The railroad officials express the hope that some of the men so transported will find it to their interest to remain on some of the abandoned farms either as buyers or renters.

MAYFIELD NEWS

Last Sunday, August 10th a number of young people enjoyed an outing trip to Itasca State Park, returning by way of Bemidji. The partakers of the trip were the following: Misses Marie and Clara Oien, Johanna and Anna Wedul, Lida Isaacson and Lydia Palm, and the Messrs. G. Gustafson, Clifford Hedeen, Benny Lind and Martin Finstad.

Mr. and Mrs. A. J. Stennes and daughter, Viola, visited at the Hauge home Sunday.

Misses Anna and Johanna Wedul called at the J. Solberg home Wednesday.

Misses Anna and Helen Cooper were hostesses at a delightful party given at their home Saturday evening. The evening was spent in various forms of entertainment and lunch was served at midnight.

Misses Clara Oien and Lida Isaacson and Clifford Hedeen visited at the Wedul home Wednesday evening.

John Omdahl called at the Cooper home last Sunday.

The following boys spent an enjoyable afternoon hiking to the Clearwater river last Sunday: Tilmer Johnson, Manford, Julian and Arnold Stennes and Oscar and Melvin Wedul.

Arnt Wedul, who is employed in road work near St. Hilaire, spent the weekend visiting at home.

HAZEL

Mrs. A. Anderson, son Erling and daughter Mayme, have returned from Cooperstown, N. D., where they visited with friends and relatives.

Willy Knutson arrived from Baudette Monday.

Willy Knutson and Ed. Knutson were visitors at Neptune Tuesday.

Miss Lydia Palm of Minneapolis was visiting at the home of Mr. and Mrs. Ole Odegaard last week.

Mrs. Sherva of St. Hilaire was visiting at the home of Mr. and Mrs. Ole Odegaard.

Mrs. Oscar Bergie and baby of Grand Forks were visitors at the home of Mr. and Mrs. Paul Borgie.

Johanna Wedul, Anna Wedul, Mary Oien, Clara Oien, Lydia Palm from Minneapolis, Clifford Ledeen from Alexandria, Martin Finstad and Gust Gustafson motored to Itasca Park last Sunday where they had their dinner, and enjoyed seeing the wonderful works of nature. Returning they had supper at Diamond Point at Bemidji. They all enjoyed the trip.

Mrs. Odegaard will entertain the ladies aid Friday, Aug. 15th.

State Co-op. Poultry-Egg Exchange Starts Business

The Minnesota Co-operative Egg and Poultry Exchange, which officially commenced business at St. Paul, July 14, is now handling about six carloads each of eggs and poultry a week. The combined poultry and egg business, therefore, is about 50 cars a month.

The value of each car of poultry averages $2500 and of each car of eggs $3500. On this basis the monthly business on poultry amounts to nearly $85,000 and on eggs, $60,000.

The offices of the Egg Exchange will be with the Central Warehouse Company, adjoining those of the Minnesota Co-operative Creameries association. While the Egg Exchange will work in conjunction with the Creameries Association, using the credit and traffic departments of the latter association, it will be maintained as an entirely separate organization. It is the feeling of the Director of the Exchange that by using some of the machinery of the Creameries Association they can maintain the organization in the beginning at a minimum of expense and a maximum of service.

Under the present arrangement all district associations are to market their poultry and eggs through the Exchange which will act as a central selling agency. The products of the Exchange will be marketed under proper brands which will be established by it in the near future.

Officials of the Thief River Valley association with headquarters in this city state that they expect to begin operations here about September 1. This will assure handling of the poultry and turkey output as well as the egg production during the fall season.

Much Timber in Roseau

Receipts from timber products shipped out of Roseau county from July 1, 1923 to July 1, 1924, totalled $248,033, states an item in the Greenbush Tribune of last week. This, of course, does not represent the entire output. More than 1300 cars were shipped out.

Hall's Catarrh Medicine is a Combined Treatment, both local and internal, and has been successful in the treatment of Catarrh for over forty years. Sold by all druggists.
F. J. CHENEY & CO., Toledo, Ohio

Quality Should be Basis of Marketing Eggs According to Advice from Specialist

If all poultry keepers could be induced to market their eggs on a quality basis the aggregate value of the egg production of the country would be increased many millions annually. If all buyers and handlers of eggs would insist on a quality production the annual loss in the movement from producers to consumer would be greatly reduced.

"A strict grading of market eggs would so improve the quality that average personal consumption would be greatly increased to the advantage of all interested in the poultry industry," says N. E. Chapman, university poultry specialist. In grading, three pieces of equipment are particularly essential:

First, a candling device. A lamp or electric bulb in a box or other receptacle may be used to reveal the interior quality of the egg. The development of the germ on the egg yolk is also shown.

Second, an air cell scale. This is a device placed over the large end of the eggs to measure the depth of the cell. The depth of the cell shows the amount of evaporation.

Third, an egg grading scale. To teach one how to estimate the weight of the individual eggs that they may not be below the weight required in the tolerance of different grades. Eggs with blood clots of the developed germs may be used as food for animals on the farms.

One of the purposes of the recently organized Thief River Valley Co-operative Poultry Marketing association is to standardize egg qualities so as to give the producer full returns on his product. A careful system of grading will be used making it essential that the eggs are of good quality and size.

The egg production in this community amounts to a good deal and if something were done to increase the receipts it would mean considerably in an aggregate sum, even tho the individual amounts may be small.

Potato Cellar Plan

In connection with the announcement recently made by the new Minnesota Potato Growers' Exchange that all members of the exchange will be encouraged by means of a bonus to store at least a part of their potato crops on their farms, comes the announcement of the engineering division of the Minnesota College of Agriculture that it has prepared plans for the construction of a farm potato cellar out of such material as the average farm itself produces.

The plan is for a storage cellar set in the side of a slope, with supports of posts, walls of boards, and a roof of pole-rafters, brush, straw, and earth; the whole, except a vestibule at the front, to be covered with earth. A ventilation system is also provided for.

While the plan as drawn calls for a cellar 12' by 20', with a storage capacity of 810 bushels, the plan is so made that a larger cellar may be constructed simply by adding to the length.

The plan is for distribution thru the Division of Publications, University Farm, St. Paul, at the mere cost of the blueprint, plus postage—10 cents in all.

No Monopoly in Oil

"I am told that the Standard Oil Company has practically all the refineries. Is this true?" a correspondent asks the Oil and Gas Journal.

Reply is made in issue of June 19, as follows: "It certainly is not. In the first place when you mention the Standard Oil Company you are speaking of several companies which, since the dissolution decree United States Supreme Court of 1911, are as separate in their ownership and control as any of the several thousand oil companies which operate in the United States.

"No company bearing the name of 'Standard' including its subsidiary organizations has more than 11 refineries in the United States. There are several of the so-called 'independent' companies which have from 5 to 9 refineries. According to the Oil and Gas Journal's compilation of May 1, there are 574 refineries in the United States of which 382 were operating on that date. Of this number only 39 belong to the several Standard Oil Companies and their subsidiary organizations. Thus you see that approximately only 1 out of 15 refineries belong to the Standard Companies."

The Standard Oil Companies loom much larger in the public mind than is warranted by the percentage of their refineries as compared with all other oil companies.

The Standard Oil Company (Indiana) has but six refineries — Whiting, Indiana; Sugar Creek, Missouri; Wood River, Illinois; Casper, Wyoming; Greybull, Wyoming: and Laramie, Wyoming.

The oil industry of today is of such vast proportions as almost to defy figures. Perhaps that is why it appeals so strongly to the imagination.

As the oil industry is organized today, a monopoly in oil, whether crude or refined, is beyond possibility. The industry is too enormous for dictation by any one company or any group of companies. It is too big and too varied for "understandings". It is too big for anything but the keenest sort of competition, and for the winning and holding of business through service.

The Standard Oil Company (Indiana) is strictly a competitive organization of service. That it is able to compete profitably with other oil companies is due solely to its initiative in invention of new methods and processes, and to its superior organization for the refining and distribution of oil products. In both of these capacities it is rendering an essential service to the thirty million people of the Middle West in such a way as to have gained their respect, confidence and esteem.

A Query

You say your taxes are too high,
But do you vote?
About extravagance you sigh,
But do you vote?
How long, you wail, must we endure
This state of things which keeps us poor?
How long? I do not know, I'm sure;
But do you vote?

The lights are bad, the streets a mess;
But do you vote?
Your indignation you express,
But do you vote?
You say the bosses rule the show,
That graft is reaching high and low,
And doubtless all you say is so.
But—do you vote?

You growl at rotten politics,
But do you vote?
You howl at bosses and their tricks.
But do you vote?
You say, "Oh, Decent Citizen,
(We've heard you, time and time again)
We want things run by business men!"
But—do you vote?

Unless you do (I wonder, DO you?)
You've got just what is coming to you!—

—Berton Braley,
—In the Charleston "Mail."

MADMAN KILLS TWO THEN SHOOTS SELF

Roseau Man Crazed as Result of Moonshine Performs Horrible Deed

Running amuck on a Great Northern train at Cass Lake Tuesday of last week N. J. Lindberg, about 32 years old, attacked passengers and trainmen, jumped from the train at Cass Lake, where he killed one man and fatally wounded another, and then killed himself.

Lindberg, who is known to some local people, had come from Portland, Ore., for a short visit at Roseau, where he resided until a year ago. He hired a car from Roseau to Crookston Tuesday and boarded a Great Northern train there about midnight. The Roseau Times-Region states that it is believed Lindberg had been drinking, the moonshine making him crazy.

The men killed were Charles Richards and Roy Jondahl of Cass Lake.

Lindberg suddenly became violent while on train No. 36 near Cass Lake and picked up a big wrench hanging on the wall, going down the aisle striking at passengers as he went. The conductor, brakeman and three passengers were all knocked to the car door, none of them being seriously hurt.

When the train slowed down at the station Lindberg leaped to the platform and fled into the darkness. From the depot he made his way to the home of an Indian who was forced to accompany him to Richard's home and rap on the door. When Richards came to the door Lindberg demanded to know if he was a member of the American Legion, the former replying affirmatively.

"You know what they do when they *want to bump off a man?*" Lindberg asked. Without waiting for an answer he swung his wrench and hit Richards a crushing blow on the head. Then he dragged his body out into the yard where he beat his head to a pulp.

In the meantime the Indian had run for help and a posse of 300 men had been organized and taken up the hunt. Lindberg went to the Nick Scheuter farm, south of Cass Lake, where he ransacked the house and secured firearms, also ransacking other farm houses taking guns and kives.

Roy Jondahl, a member of the posse, was shot while on the hunt and died last Thursday in a Bemidji hospital.

After firing several shots at Jondahl the madman turned the revolver on himself and committed suicide.

Both victims were ex-service men, Richards being survived by widow and child.

Changes Management

At a recent meeting of the board of directors of The Polk County Leader, progressive Crookston weekly, J. C. Pratt former member of the legislature, was selected manager and editor to succeed Juls Anderson, candidate for lieutenant governor on the Farmer-Labor ticket.

Retain County Agent

Commissioners of Lake of the Woods county last week voted to continue the county farm development work the coming year by appropriating $1500 for the maintenance of a county agent. "Good results have been obtained here," says The Baudette Region, "and more than justify the expenditure."

SCHOOL BOARD PROCEEDINGS

Regular adjourned organization meeting held at Lincoln High School Wednesday evening, Aug. 6, 1924. The following members present: Barzen, Melgaard, Rayson, Noper, Larsen. Absent, Froehlich, Mogensen, Stanley.

Moved by Barzen, seconded by Rayson, that the bid submitted by the Prichard Co., for above mentioned work be accepted. Carried.

Adjournment.

T. L. MELGAARD, Secretary, Pro Tem.

E. O. MOGENSEN, President.

LEGAL NOTICES

(July 17-Aug. 21)

NOTICE OF MORTGAGE FORECLOSURE SALE.

WHEREAS, default has been made in the condition of a certain Indenture of Mortgage, made, executed and delivered by Peter W. Korstad and Blanche Korstad, his wife, of Pennington County, Minnesota, as mortgagors, to the First and Peoples State Bank, Thief River Falls, Minnesota, a Minnesota corporation, as mortgagee, upon and covering the following described real property, lying and being in the County of Pennington, and State of Minnesota, to-wit:

The Northeast Quarter (NE¼), and the North Half of the Southwest Quarter (N½ SW¼), and the Southeast Quarter of the Southwest Quarter (SE¼ SW¼), and Lot One (1), Section Twenty-one (21), Township One Hundred Fifty-three (153) North, of Range Forty (40) West, of the Fifth Principal Meridian, containing Three Hundred Nineteen and 60-100 (319-60-100) acres, more or less, according to the United States Government Survey thereof, which said mortgage bears date the Thirteenth (13th) day of February, A. D. 1920, and was filed for record in the office of the Register of Deeds, in and for said County of Pennington, in the State of Minnesota, on the Twenty-seventh (27th) day of February, A. D. 1920, at 10:00 o'clock A. M., and was duly recorded in Book 13 of Mortgages, on page 571, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by assignment dated the Second (2nd) day of March, A. D. 1920, and filed for record in said Register of Deeds office on the Tenth (10th) day of March, A. D. 1920, at 1:00 o'clock P. M., and was duly recorded in Book 63 of Mortgages, on page 181, and

WHEREAS, said default consists in the failure of said mortgagor to pay an installment of interest due December First (1st), 1923, and failure to pay taxes, and

WHEREAS, by reason of the default made as aforesaid The Minnesota Mutual Life Insurance Company, as authorized by said mortgage and the notes thereby secured, has declared and does hereby declare the whole of said principal and accrued interest thereon to be immediately due and payable, and

WHEREAS, there is claimed to be due upon said mortgage and the notes thereby secured at the date of this notice the sum of Eight Thousand Seven Hundred Ten and 79-100 ($8,710.79) Dollars, being Eight Thousand ($8,000.00) Dollars principal and Seven Hundred Ten and 79-100 ($710.79) Dollars interest, and no action or proceedings at law or otherwise, has been instituted to recover the same or any part thereof.

NOW, THEREFORE, notice is hereby given that in and pursuant to the power of sale said mortgage contains, and the statute in such cases made and provided, the said mortgage will be foreclosed and the real property therein described will be sold by the Sheriff of said County of Pennington, in the State of Minnesota, or by his Deputy, at public auction to the highest bidder therefor for cash, at the East front door of the Pennington County, Minnesota, Court House, in the City of Thief River Falls, and in said County of Pennington, on Saturday, the Thirtieth (30th) day of August, A. D. 1924, at 10:00 o'clock in the forenoon of that day, to pay the amount which will then be due upon said mortgage, including taxes if any, and the costs and expenses of this foreclosure, also including an Attorney's fee of One Hundred ($100.00) Dollars as stipulated in said mortgage to be paid in case of foreclosure thereof.

Dated July 1st, 1924.

11th Floor Commerce Building,
St. Paul, Minnesota.

July 31-Sept. 4

Notice of Mortgage Foreclosure Sale.

Default has been made in the conditions of a mortgage dated January 26th, A. D. 1921, made and executed by Harris F. Atwood and Effie C. Atwood, his wife, Perry M. Atwood and Myrtle Atwood, his wife, Arthur H. Atwood and Blanche Lidia Atwood, his wife, mortgagors, and delivered by them to the State Bank of Viking, a corporation, mortgagee, and recorded in the office of the Register of Deeds in and for the County of Pennington, State of Minnesota, on the 15th day of February, A. D. 1921, at 8 o'clock A. M. in Book 4 of Mortgages on page 622.

Which said mortgage together with the debt secured thereby was duly assigned by an instrument in writing, dated the 24th day of March, A. D. 1921, by said State Bank of Viking, a corporation, to The Lincoln National Life Insurance Company, a corporation, and duly filed and recorded in the office of the Register of Deeds in and for said County of Pennington, State of Minnesota on the 24th day of March, A. D. 1921 at 5 o'clock P. M. in Book 61 of Mortgages on Page 302.

Said default consists in the failure to pay the sum of Four Hundred Twenty Dollars ($420.00) which became due and payable on the 26th day of January, A. D. 1924, and whereas, The Lincoln National Life Insurance Company, a corporation, assignee of mortgage and holder of said mortgage has duly elected and does hereby elect to declare the whole principal sum of said mortgage due and payable at the date of this notice under the terms and conditions of said mortgage and the power of sale therein contained, and whereas there is actually due and claimed to be due and payable at the date of this notice the sum of Six Thousand Six Hundred Thirty-Two and 99-100 Dollars ($6,632.99) and whereas, the said power of sale has become operative and no action at law or otherwise having been instituted to recover the debt secured by said mortgage or any part thereof;

Now, Therefore, notice is hereby given that by virtue of the power of sale contained in said mortgage and pursuant to the statute in such case made and provided, said mortgage will be foreclosed by a sale of the premises described in and conveyed by said mortgage, which said premises are situate in the said County of Pennington, State of Minnesota, and more particularly described as follows, to-wit:

The East Half (E½) of Section numbered Thirty-four (34) in Township numbered One Hundred Fifty-four (154) North of Range numbered Forty-five (45) West of the Fifth principal Meridian, containing Three Hundred Twenty (320) acres, more or less, according to the government survey thereof, together with all hereditaments and appurtenances thereunto belonging.

Said sale will be made by the Sheriff of said Pennington County, State of Minnesota, at the front door of the Court House in the City of Thief River Falls, in said County of Pennington, State of Minnesota on the 12th day of September, A. D. 1924 at 10 o'clock A. M. of that day, at public vendue to the highest bidder for cash to pay said debt and interest, and the taxes if any, on said premises, together with the costs and disbursements of foreclosure and expenses allowed by law including One Hundred Dollars ($100.00) attorney's fees as stipulated in said mortgage in case of foreclosure, subject to redemption at any time within one (1) year from date of said sale.

Dated July 23, 1924.

NOTICE OF MORTGAGE FORECLOSURE SALE.

Whereas, default has been made in the conditions of a certain Indenture of Mortgage, made, executed and delivered by Anton Knudson and Ada Knudson, his wife, of Pennington County, Minnesota, as mortgagors, to the Citizens State Bank of Thief River Falls, a Minnesota corporation, as mortgagee, upon and covering the following described real property lying and being in the Counties of Pennington and Marshall, and State of Minnesota, to-wit:

The Southeast Quarter (SE¼) of Section Ten (10); Northwest Quarter of the Northwest Quarter (NW¼ NW¼) of Section Fourteen (14); Northeast Quarter of the Northeast Quarter (NE¼ NE¼) of Section Fifteen (15); South Half of the Northwest Quarter (S½ NW¼) and the Northwest Quarter of the Northwest Quarter (NW¼ NW¼) of Section Eleven (11), all in Township One Hundred Fifty-four (154) North of Range Thirty-nine (39) West of the Fifth Principal Meridian, containing Three Hundred Sixty (360) acres, more or less, according to the Government survey thereof, which said mortgage bears date the First (1st) day of December, A. D., 1919, and was filed for record in the office of the Register of Deeds in and for said Pennington County, in the State of Minnesota, on the Twenty-second (22nd) day of December, A. D. 1919, at 4:00 o'clock P. M., and was duly recorded in Book 12 of Mortgages, on page 534, and was also filed for record in the office of the Register of Deeds in and for said Marshall County, in the State of Minnesota, on the Ninth (9th) day of January, A. D. 1920, at 2:00 o'clock P. M., and was duly recorded in Book 93 of Mortgages, on page 551, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by two assignments dated the Eighth (8th) day of July, A. D. 1920, one filed for record in said Register of Deeds office of Pennington County, on the Twenty-first (21st) day of September, A. D. 1920, at 1:00 o'clock P. M., and was duly recorded in Book 63 of Mortgages, on page 241, the other filed for record in said Register of Deeds office of Marshall County, on the Twenty-first (21st) day of September, A. D. 1920, at 2:00 o'clock P. M., and was duly recorded in Book 98 of Mortgages, on page 406, and

WHEREAS, said default consists in the failure of said mortgagors to pay an installment of interest due December First (1st), 1923 and failure to pay taxes, and

WHEREAS, by reason of the default made as aforesaid The Minnesota Mutual Life Insurance Company, as authorized by said mortgage and the notes thereby secured, has declared and does hereby declare the whole of said principal and accrued interest thereon to be immediately due and payable, and

WHEREAS, there is claimed to be due upon said mortgage and the notes thereby secured at the date of this notice the sum of Six Thousand Five Hundred Thirty-three and 10-100 ($6,533.10) Dollars, being Six Thousand ($6,000.00) Dollars principal and Five Hundred Thirty-three and 10-100 ($533.10) Dollars interest, and no action or proceedings at law or otherwise, has been instituted to recover the same or any part thereof.

NOW, THEREFORE, notice is hereby given that in and pursuant to the power of sale said mortgage contains, and the statute in such cases made and provided, the said mortgage will be foreclosed and the real property therein described will be sold by the Sheriff of said County of Pennington, in the State of Minnesota, or by his Deputy, at public auction to the highest bidder therefor for cash, at the East front door of the Pennington County, Minnesota, Court House, in the City of Thief River Falls, and in said County of Pennington, on Saturday, the Thirtieth (30th) day of August, A. D. 1924, at 10:00 o'clock in the forenoon of that day, to pay the amount which will then be due upon said mortgage, including taxes if any, and the costs and expenses of this foreclosure, also including an Attorneys' fee of One Hundred ($100.00) Dollars, as stipulated in said mortgage to be paid in case of foreclosure thereof.

Dated July 1st, 1924.

(July 17-Aug. 21)

NOTICE OF MORTGAGE FORECLOSURE SALE.

WHEREAS, default has been made in the conditions of a certain Indenture of Mortgage, made, executed and delivered by W. H. Crampton and Minnie Crampton, his wife, of Pennington County, Minnesota, as mortgagors, to the First and Peoples State Bank, Thief River Falls, Minnesota, a Minnesota corporation, as mortgagee, upon and covering the following described real property, lying and being in the County of Pennington, and State of Minnesota, to-wit:

The Northwest Quarter (NW¼) of Section Twenty-nine (29), Township One Hundred Fifty-three (153) North, of Range Forty (40) West, of the Fifth Principal Meridian, containing One Hundred Sixty (160) acres, more or less, according to the United States Government Survey thereof, which said mortgage bears date the Nineteenth (19th) day of May, A. D., 1921, and was filed for record in the office of the Register of Deeds, in and for said County of Pennington, in the State of Minnesota, on the Twenty-third (23rd) day of May, A. D. 1921, at 9:00 o'clock A. M., and was duly recorded in Book 51 of Mortgages, on page 53, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by assignment dated the Twenty-seventh (27th) day of June, A. D. 1921, and filed for record in said Register of Deeds office on the Twenty-ninth (29th) day of June, A. D. 1921, at 1:00 o'clock P. M., and was duly recorded in Book 63 of Mortgages, on page 339, and

WHEREAS, said default consists in the failure of said mortgagors to pay an installment of interest due December First (1st), 1923, and failure to pay taxes, and

WHEREAS, by reason of the default made as aforesaid, The Minnesota Mutual Life Insurance Company, as authorized by said mortgage and the notes thereby secured, has declared and does hereby declare the whole of said principal and accrued interest thereon to be immediately due and payable, and

WHEREAS, there is claimed to be due upon said mortgage and the notes thereby secured at the date of this notice the sum of Four Thousand Four Hundred Fifty-four and 77-100 ($4,454.77) Dollars, being Four Thousand ($4,000.00) Dollars principal and Four Hundred Fifty-four and 77-100 ($454.77) Dollars interest, and no action or proceedings at law or otherwise, has been instituted to recover the same or any part thereof.

NOW, THEREFORE, notice is hereby given that in and pursuant to the power of sale said mortgage contains, and the statute in such cases made and provided, the said mortgage will be foreclosed and the real property therein described will be sold by the Sheriff of said County of Pennington, in the State of Minnesota, or by his Deputy, at public auction to the highest bidder therefor for cash, at the East front door of the Pennington County, Minnesota, Court House, in the City of Thief River Falls, and in said County of Pennington, on Saturday, the Thirtieth (30th) day of August, A. D. 1924, at 10:00 o'clock in the forenoon of that day, to pay the amount which will then be due upon said mortgage, including taxes if any, and the costs and expenses of this foreclosure, also including an Attorney's fee of Seventy-five ($75.00) Dollars, as stipulated in said mortgage to be paid in case of foreclosure thereof.

NOTICE OF MORTGAGE FORECLOSURE SALE.

WHEREAS, default has been made in the conditions of a certain Indenture of Mortgage, made, executed and delivered by E. P. Heggestuen, a widower, of Pennington County, Minnesota, as mortgagor, to the Citizens State Bank of Thief River Falls, Minnesota, a Minnesota corporation, as mortgagee, upon and covering the following described real property, lying and being in the County of Pennington and State of Minnesota, to-wit:

The Southeast Quarter (SE¼) of Section Eight (8), in Township One Hundred Fifty-three (153) North, of Range Forty (40) West of the 5th Principal Meridian, containing One Hundred Sixty (160) acres, more or less, according to the Government survey thereof, which said mortgage bears date the First (1st) day of December, A. D. 1919, and was filed for record in the office of the Register of Deeds, in and for said County of Pennington, in the State of Minnesota, on the Eighth (8th) day of December, A. D. 1919, at 1:00 o'clock P. M., and was duly recorded in Book 12 of Mortgages, on page 530, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by assignment dated the Seventeenth (17th) day of June, A. D. 1920, and filed for record in said Register of Deeds office on the Fifteenth (15th) day of July, A. D. 1920, at 1:00 o'clock P. M., and was duly recorded in Book 63 of Mortgages, on page 221, and

WHEREAS, said default consists in the failure of said mortgagor to pay an installment of interest due December First (1st), 1923, and failure to pay taxes, and

WHEREAS, by reason of the default made as aforesaid The Minnesota Mutual Life Insurance Company, as authorized by said mortgage and the notes thereby secured, has declared and does hereby declare the whole of said principal and accrued interest thereon to be immediately due and payable, and

WHEREAS, there is claimed to be due upon said mortgage and the notes thereby secured at the date of this notice the sum of One Thousand Six Hundred Thirty-three and 28-100 ($1,633.28) Dollars, being One Thousand Five Hundred ($1,500.00) Dollars principal and One Hundred Thirty-three and 28-100 ($133.28) Dollars interest, and no action or proceedings at law or otherwise, has been instituted to recover the same or any part thereof.

NOW, THEREFORE, notice is hereby given that in and pursuant to the power of sale said mortgage contains, and the statute in such cases made and provided, the said mortgage will be foreclosed and the real property therein described will be sold by the Sheriff of said County of Pennington, or by his Deputy, at public auction to the highest bidder therefor for cash, at the East front door of the Pennington County, Minnesota, Court House, in the City of Thief River Falls, and in said County of Pennington, on Saturday, the Thirtieth (30th) day of August, A. D. 1924, at 10:00 o'clock in the forenoon of that day, to pay the amount which will then be due upon said mortgage, including taxes if any, and the costs and expenses of this foreclosure, also including an Attorney's fee of Fifty ($50.00) Dollars, as stipulated in said mortgage to be paid in case of foreclosure thereof.

MORTGAGE FORECLOSURE SALE

Default having been made in the payment of the sum of Seven Hundred Ninety-six and 56-100 Dollars, together with interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1921, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1922, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1923, which is claimed to be due and is due at the date of this notice upon a certain Mortgage, duly executed and delivered by Melvin H. Wood and Cora E. Wood, his wife, as Mortgagors, to State Bank of Viking (a banking corporation under the laws of the State of Minnesota), as Mortgagee, bearing date the 13th day of March, 1920, and with a power of sale therein contained, duly recorded in the office of the Register of Deeds in and for the County of Pennington and State of Minnesota, on the 23rd day of March, 1920, at nine o'clock A. M., in Book 62 of Mortgages, on page 437 thereof; which said mortgage is given to secure the sum of One Hundred and Seventy-five Dollars, payable in five annual installments of Thirty-five Dollars each, payable on March 13th of each of the years of 1921 to 1925 inclusive, and provides that if default be made in the payment of said note, or any installment thereof, or in the payment of interest due on a prior mortgage, then said mortgagee was and is authorized to pay such interest and the money so paid with ten per cent per annum from the date of such payment shall be deemed a part of the debt secured by this mortgage, and the money so paid and the note hereby secured, at the option of the mortgagee herein, shall become immediately due and payable and the payment thereof enforced by the foreclosure of this mortgage.

AND WHEREAS, The said State Bank of Viking, the Mortgagee and Holder of said Mortgage, has duly elected and does hereby elect to declare the whole principal sum of said Mortgage due and payable at the date of this notice, under the terms and conditions of said Mortgage and the power of sale therein contained; and whereas there is actually due and claimed to be due and payable at the date of this notice the sum of Eight Hundred Thirty-one and 56-100 Dollars, together with interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1921, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1922, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1923, and whereas the said power of sale has become operative, and no action or proceeding having been instituted, at law or otherwise, to recover the debt secured by said Mortgage, or any part thereof;

NOW, THEREFORE, NOTICE IS HEREBY GIVEN, That by virtue of the power of sale contained in said Mortgage, and pursuant to the statute in such case made and provided, the said Mortgage will be foreclosed by a sale of the premises described in and conveyed by said Mortgage, viz: The Southwest Quarter of the Southwest Quarter and the East One-half of the Southwest Quarter and the West one-half of the Southeast Quarter and the Northeast Quarter of the Southeast Quarter of Section ten, in Township One Hundred and Fifty-three North of Range Forty-five West, containing two hundred and forty acres, more or less, according to the Government Survey thereof, in Pennington County and State of Minnesota, with the hereditaments and appurtenances; which sale will be made by the Sheriff of said Pennington County at the front door of the Court House, in the City of Thief River Falls, in said County and State, on the 19th day of September, 1924, at two o'clock P. M., of that day, at public vendue, to the highest bidder for cash, to pay said debt of Eight Hundred Thirty-one and 56-100 Dollars, and interest, and the taxes, if any, on said premises, and Twenty-five Dollars, attorney's fees as stipulated in and by said mortgage in case of foreclosure, and the disbursements allowed by law; subject to redemption at any time within one year from the day of sale, as provided by law.

Dated August 6, 1924.

NOTICE OF MORTGAGE FORECLOSURE SALE.

WHEREAS, default has been made in the conditions of a certain Indenture of Mortgage, made, executed and delivered by Henry Runnestrand and Clara Runnestrand, his wife, of Pennington County, Minnesota, as mortgagors, to the Citizens State Bank of Thief River Falls, Minnesota, a Minnesota corporation, as mortgagee, upon and covering the following described real property, lying and being in the County of Pennington, and State of Minnesota, to-wit:

The Southwest Quarter (SW¼) of Section Four (4) in Township One Hundred Fifty-three (153) North, of Range Forty-one (41) West of the Fifth Principal Meridian in Minnesota, containing One Hundred Sixty (160) acres, more or less, according to the Government Survey thereof, which said mortgage bears date the Fifteenth (15th) day of December, A. D. 1921, and was filed for record in the office of the Register of Deeds in and for said County of Pennington, in the State of Minnesota, on the Seventh (7th) day of February, A. D. 1922, at 3:00 o'clock P. M., and was duly recorded in Book 12 of Mortgages, on page 629, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by assignment dated the Fifteenth (15th) day of February, A. D. 1922, and filed for record in said Register of Deeds office on the Eighteenth (18th) day of February, A. D. 1922, and was duly recorded in Book 63 of Mortgages, on page 402, and

WHEREAS, said default consists in the failure of said mortgagors to pay an installment of interest due December Fifteenth (15th), 1923, and failure to pay taxes, and

WHEREAS, by reason of the default made as aforesaid The Minnesota Mutual Life Insurance Company, as authorized by said mortgage and the notes thereby secured, has declared and does hereby declare the whole of said principal and accrued interest thereon to be immediately due and payable, and

WHEREAS, there is claimed to be due upon said Mortgage and the notes thereby secured at the date of this notice the sum of Two Thousand Seven Hundred Seventy-six and 95-100 ($2,776.95) Dollars, being Two Thousand Five Hundred ($2,500.00) Dollars principal, and Two Hundred Seventy-six and 95-100 ($276.95) Dollars interest, and no action or proceedings at law or otherwise has been instituted to recover the same or any part thereof.

NOW, THEREFORE, notice is hereby given that in and pursuant to the power of sale said mortgage contains, and the statute in such cases made and provided, the said mortgage will be foreclosed and the real property therein described will be sold by the Sheriff of said County of Pennington, in the State of Minnesota, or by his Deputy, at public auction to the highest bidder therefor for cash, at the East front door of the Pennington County, Minnesota Court House, in the City of Thief River Falls, and in the said County of Pennington, on Saturday, the Thirtieth (30th) day of August, A. D. 1924, at 10:00 o'clock in the forenoon of that day, to pay the amount which will then be due upon said mortgage including taxes, if any, and the costs and expenses of this foreclosure, including an Attorney's fee of Fifty ($50.00) Dollars, as stipulated in said mortgage to be paid in case of foreclosure thereof.

(Aug. 7-Sept. 11)

NOTICE OF MORTGAGE FORECLOSURE SALE

Whereas default has been made in the conditions of that certain mortgage dated March 17th, 1919, executed by Peter William Korstad and Blanche Korstad, his wife, mortgagors, to C. L. Hansen, mortgagee, and recorded in the office of the Register of Deeds of Pennington County, Minnesota on March, 18th, 1919 in Book 57 of Mortgages on page 201, which mortgage was duly assigned in writing by said C. L. Hansen to Louis Heyduk, the present owner thereof, which assignment was dated on March 27th, 1919 and recorded in the office of the Register of Deeds of Pennington County, Minnesota on the 14th day of July, 1924 in Book 65 of Mortgages on page 275; and whereas there is claimed to be due on said mortgage at the date of this notice the sum of $2,013.78 which sum includes the sum of $359.78 taxes for the years 1920, 1921, 1922, 1923 which have been paid by Louis Heyduk, the said assignee, and which is claimed as part of the debt secured by said mortgage under the terms thereof, and no action or proceeding at law or otherwise has been instituted to recover the same or any part thereof.

Now, Therefore, Notice is hereby given, that by virtue of the power of sale in said mortgage contained and pursuant to the statute in such case made and provided, the said mortgage will be foreclosed and all the real property described in and mortgaged by said mortgage, to-wit:

The South West Quarter (SW¼) of Section Twenty-two (22) in Township One Hundred Fifty-three (153) North of Range Forty (40) West of the Fifth P. M., in Minnesota, containing One Hundred Sixty (160) acres, more or less, according to the U. S. Government survey thereof, will be sold at public auction to the highest bidder for cash at the front door of the Court House Building in the City of Thief River Falls, in said Pennington County, Minnesota, on the 23rd day of September, 1924, at 10:00 A. M. to pay the amount which shall then be due upon said mortgage, together with the expenses of foreclosure and sale and the sum of Seventy-five ($75.00) Dollars attorney's fees stipulated in said mortgage to be paid in case of foreclosure, subject to redemption as provided by law.

Dated at St. Paul, Minnesota, August 2nd, 1924.

PENNINGTON COUNTY IS GETTING RID OF CROWS AND GOPHERS

Bounties Paid in June Total $1,099 and in July $610—Ten Cents for Crows

Crows and gophers in Pennington county are scarce and scared now as a result of the warfare waged against these creatures of destruction during the past summer months. No count has been made of the actual number of each killed this season but the fact that crow and gopher bounties totalling $1,099.04 were paid out by the county during the month of June and $610.43 in July, indicates that the number is by no means small. A considerable amount was also paid in May and it is estimated by officials in the county auditor's office that the total for the season will reach between $3,000 and $4,000.

Pennington county pays a bounty of 10 cents for crows, five cents for pocket gophers and three cents for common gophers, a leg of the crow or the tail of the gopher being brought to the chairman in each respective township, who in turn receives a warrant from the county auditor. Sanders and Numedal townships on the ridge have received large sums. The largest individual warrant, $109.88, being issued to the latter township in July.

No bounty was paid for crows during July. On Aug. 15 payment of crow bounty will be resumed for one month, until Sept. 15, while the gopher bounty is paid thruout the season.

The state allows the payment of a certain amount of bounty, and the county board decides whether the county shall pay it or not. This is *the largest amount of* money paid for crow and gopher bounties in the history of the county and it is believed that much has been accomplished in ridding the community of these undesirables.

Quite a number of boys thruout the county, particularly on the ridges, have made neat sums of pocket money during the summer months as a result of their crow and gopher hunts. This popular sport among boys not only furnishes interesting experiences but also sufficient remuneration to make it worth while, besides a service to the community.

Sixty-six Volumes Added to Local Library Shelves

Following is a list of 66 new books added to the shelves of the Carnegie library in this city. Included are 41 adult non-fiction books and the remaining 25 adult fiction, and all are splendid additions to the supply of literature afforded the reading public of this city.

The list of new books follows:

Naturalization Hearing

Clerk of Court Adolf Eklund announces that a naturalization hearing will be given in this city March 25, 1925. Petition for becoming a citizen must be filed 90 days prior to the date of the hearing and previous to that the applicant must file with the clerk of court a preliminary form for the petition, to get what is commonly termed the "first papers." This must be approved by the chief naturalization examiner in St. Paul before the petition for the final papers is entered, and should be attended to at the earliest date possible in order to assure a hearing on the date set by Judge Andrew Grindeland.

Zealand Leaves Crookston

C. H. Zealand, who for the past ten years or more has acted as secretary of the Crookston Association of Public Affairs and of the Red River Valley Development association, has tendered his resignation to both of these positions and has left for Chicago where he has accepted the position as assistant secretary of the National Agricultural Council, organized at the recent farm conference in St. Paul. Mr. Zealand has been an active booster for the Red River Valley and has done much to put this section on the map. He has worked consistently in the interest of the McNary-Haugen bill since its appearance on the legislative rolls.

Interesting Reports Are Submitted to Councilmen

The various monthly reports submitted to the council Tuesday night for approval were carefully scrutinized by the aldermen, following which they were ordered filed. They all were found satisfactory and showed the various departments were active.

Dr. L. R. Twete, dairy inspector, in his report showed that 39 head of cattle in eight herds had been inspected for tuberculosis and all were found to be in good condition.

Nine dairy herds were tested for butterfat and were found satisfactory, the percentage of butterfat running from 3.40 up to 4.24 with a required minimum of 3.25, thus assuring a healthful supply of milk to the people of this city.

Of the 39 tests for sediment 30 were found to be clean, 5 fair, 4 poor and none dirty. In the tests for specific gravity only three out of the 39 were found illegal, while only two were not up to standard out of the 39 tested for solidarity.

Judge N. W. Tarrant reported fines and fees collected in July totalling $40.35, while Chief of Police Ralston reported four arrests, one for burglary, two for drunkenness and one for speeding.

City Clerk P. G. Pederson reported a balance in the city funds of $12,729.96 on Aug. 1, after issuing city warrants totalling $61,171.66, the greater portion of which were for the power dam and part of which are outstanding. Receipts from all sources during July totalled $37,559.05 while the balance July 1 had been $36,342.57.

The report also showed that the electric light fund during July had earned $3,862.39—a very good showing for the summer months. The quarterly reading of water meters showed a revenue for that department of $2,510.67.

LOCALS WIN OVER HOLT LAST NIGHT BY SCORE 11 TO 4

Thief River Falls Will Invade Warroad Camp Next Sunday for Hard Game

The locals won the second game played during the week, last night, defeating the highly touted Holt team, 11-4. Holt had recently defeated Middle River twice so the boys feel as though they made up for the Sunday's loss. After Holt had scored two runs in their half of the first inning, the locals made four scores with doubles by LaBree, McGinn and Anderson coming with two errors.

The game was called in the seventh inning because of darkness, after the home boys had scored in every inning but the fifth. Peterson, star Warren hurler, was on the mound for Holt but could do nothing against the hard hitting attack of Prugh's men.

Sunday, the home team goes to Warroad where the undefeated American Legion team of that city will be played. The upstate team has defeated the best teams in Northern Minnesota and Manitoba.

Merley Robinson of Oslo will be on the mound for Thief River. He has a wonderful record for the year with a no-hit game and several other low hit games to his credit.

It is expected that many fans from this city will take advantage of the fine roads and an exciting game and support the home team in their hardest battle of the year.

Times Staff on Vacation

Harold "Scoop" Nelson, local reporter of The Times, is taking a week's vacation, relieved by Miss Margaret Melgaard, formerly editor of the High School Progress. Dreng Bjornaraa, editor of the Times, leaves Monday for a week's vacation, relieved by Mr. Nelson.

Woodmen at Roundup

More than thirty camps of this section of the state were represented at the Northwestern Minnesota Midsummer Round-up of the Modern Woodmen of America held at Central Park, Crookston, Wednesday of last week. Features of the event were a parade, a picnic dinner, various sports and races and dance in the evening. A class of 140 candidates was adopted. It is estimated that about 3,000 Woodmen attended.

Visit Sanatorium

Frank Grenier, Eivind Gunstenson, John Greenwald, Nels L. Rossen and S. E. Hunt, commissioners of Red Lake county, accompanied by Dr. N. M. Watson of Red Lake Falls, motored to this city Wednesday, last week, to inspect the Oakland Park sanatorium operated jointly by the counties of Pennington, Red Lake, Marshall and Roseau. The Red Lake men report having found conditions in a most gratifying manner. There are at present 32 patients at the institution with quite a number on the waiting list.

Demand For Harvest Help

The splendid crop prospects have had the effect of creating an unusual demand for harvest hands thruout Northern Minnesota. A bulletin just issued by the Northern Pacific railroad states that after a canvass made by agents at the principal points on its lines it finds that employment can be furnished for 200 men at Crookston, 200 at Dillworth, 600 at East Grand Forks, 30 at Hawley and 100 at Red Lake Falls. This community is supplied largely by home labor, except for the Mexican beet field workers.

DELEGATION FROM RED RIVER VALLEY TO MINNESOTA FAIR

Entire Northwest Section of State to Unite in Boosting at 1924 Exposition

Embodying the experience of a half century of grain and livestock farming in its personnel, a caravan of 150 cars carrying over 700 farmers and business men will trek its way southward through the Red River Valley on Aug. 31 and Sept. 1 to the Northwest Dairy Exposition to see a visual presentation of the inside story of dairying and diversified farming.

This delegation, from 12 Red River Valley counties is by far the largest organized body to travel so great a distance to any similar exposition in the country.

Counties which will have representative cars in the caravan are Kittson, Roseau, Marshall, Pennington, Red Lake, Polk, Norman, Mahnomen, Clay, Becker, Ottertail and Wilkin. E. M. Bennes is in charge of the local delegation.

Plans for the tour as assembled by Delmer H. La Voi, field representative for the Northwest Dairy Exposition Committee in a recent trip through the Red River Valley, include action by each civic and business men's association, commercial club, chamber of commerce, Kiwanis club, Lions club, Rotary club and all others, in the larger towns in each county to furnish one car and pay the transportation expenses of from three to five farmers for that car. Such action has already been taken by most of the organizations in the territory.

Continuing last year's plan the Commercial club of this city will send as its guests a delegation of ten Pennington county farmers whose expenses will be paid by the club. The method of selecting these representatives has not been agreed upon as yet.

Starting Sunday morning, August 31, two separate parties will be organized on the Canadian border at Hallock and Roseau and travel south to Warren where they will converge and join a third party waiting for them at that point.

From Warren the caravan will continue southward to Crookston where cars from Thief River Falls, Red Lake Falls, and Grand Forks will join in Heading toward the twin cities thru Mahnomen the delegation will gather additional strength as it goes.

Reaching Detroit at noon the delegation will stop for lunch. The Detroit Commercial club has invited the entire caravan to be its guests at a luncheon party.

When the party reaches St. Cloud it will be met by cars from Ottertail county. These cars will gather at Fergus Falls and travel to St. Cloud together.

At the night stop the auto-train will be met by representatives of the twin city civic associatons who will escort it to cities, where convoys of motorcycle policemen will meet the delegates to clear the way for a parade thru the two cities. In the parade will be carried three floats depicting the history and development of the Red River valley and a vision into the future of that community. At least three bands will march at the head of the procession, which will disband after the parade to view the Dairy Exposition exhibits.

To keep members of the tour in touch with one another during their stay arrangements have been made for a Red River Valley headquarters tent to be placed near the Como avenue entrance.

Work on T. H. No. 32 to St. Hilaire Two-thirds Done; Detour in Good Condition

Construction work on state trunk highway No. 32 between Thief River Falls and St. Hilaire is progressing rapidly, the project being about two-thirds completed, according to reports this week. A. T. Crown, who was awarded the contract, expects to complete the grading about the middle of October.

Mr. Crown is employing a crew of about 20 men and 24 horses in one camp, while Theodore Pahlen of Red Lake Falls, sub-contractor, has a crew of a dozen men and about 20 horses working from this end of the project, near the sanatorium. E. S. Rankin is the resident engineer in charge, under the supervision of the state highway department.

It is reported that the present detour of two miles will be abandoned in a couple of weeks. The detour, however, is in good condition and is being traveled extensively. With the completion of this stretch of the Jefferson highway and the marking of the recently established part of the route north from this city, it is predicted that tourist traffic thru this point will increase a great deal, particularly as the Red Lake narrows are becoming more popular. The new road between this city and St. Hilaire, which is laid out along the Great Northern track on the east side, is 32 feet in width and will be one of the finest pieces of road in the country when gravelled. It is a much needed improvement and will mean much to the entire community as a part of the great national trail.

Nearly 39 miles of new graveling, 37 miles of grading, 3 miles of paving, 20,000 lineal feet of guard rail, 4 bridges and 3 bridge widenings on ten different state trunk highways will be placed under contract on bids Sept. 2, Charles M. Babcock, state highway commissioner, announced this week.

The cost estimates aggregate $325,000, and are for projects largely in the southern half of the state.

SUMMER COLDS

VICKS VAPORUB

Over 17 Million Jars Used Yearly

Prefer Pennington After Touring Several States

Mr. and Mrs. J. H. Kuecks and daughter Lucinda returned Sunday afternoon from a seven weeks' tour thru the eastern states and visited with their daughter, Eleanor, who has been visiting with her grand parents the past year. They left on June 23, going by way of Bemidji, on the Jefferson Highway, then to the Iron Range passing through the cities of Hibbing and Virginia on their way to Lake Vermillion. At the latter place they camped and fished several days.

On their way to Indiana they passed through Northern Wisconsin and Michigan passing through Chicago on July 4th. They took Highway No. 10 from Superior and while it was solid it was far from being smooth. The roughness was due to heavy tourist traffic. On their return they came by way of Aurora, Ill., Madison, Wis., Barabo, Black River Falls, Eau Claire, St. Paul. At Barabo, Wis., they camped at Devils Lake Park where they found 300 cars camped for the night. At Kilburn a trip was taken up the Wisconsin Dells in the Wisconsin river. Here nature has changed the course of the Wisconsin River and carved many a beautiful images of a variety of things out of the rocks that hold the river within its bounds, according to the travelers.

On Sunday night, July 3, they were in the midst of the heavy storm and rain at Kilburn and with several inches of water around their cots their bedding kept dry and only for the terrible lightning they otherwise fared very well. Many tourists who failed to park their tent on high ground left to seek shelter within cabins. The next morning it was reported that not a road was passable for over 20 miles but, by taking detours managed to get to Eau Claire by night. From there the roads were fine to St. Paul. At St. Paul they visited with friends for several days. Returning on the Jefferson by way of St. Cloud, Wadena they stopped over at Itasca State Park for the night. At the latter place signs of nearing home were in evidence as the Cronstroms and Olson families were there fishing.

They passed through a variety of country and found crop conditions as good here if not better than anywhere on the trip. "We saw the finest crop of red clover within 50 miles of Thief River Falls," declares Mr. Kuecks. "Believe we could raise it right in Pennington county if attempts were made to do so. We saw more wheat raised in Indiana than in any other state we passed through. Once upon a time wheat could not be raised there due to blight. Through rotation of clover, corn and pasture they now can produce good wheat. Corn is their main crop but is a mighty poor one this year. Some corn was only two feet high when we left. The best of farmers say that nothing short of a miracle must happen if they are to get a corn crop this year. We saw corn near Minneapolis, altho not as large a type of corn, was farther advanced than the best of Indiana corn. Farmers were selling their hogs during the recent bulge in prices for fear that they will have nothing to fatten the hogs on."

Not a meal nor a bed was bought on the trip as they had a complete camping equipment. Two hundred and twenty gallons of gasoline and 15 gallons of oil were consumed on the trip of approximately 3200 miles.

Rural Carrier Examination to be Held Here Sept. 13th

The United States Civil Service Commission has announced an examination to be held at Thief River Falls, on Sept. 13, 1924 to fill the position of rural carriers at Thief River Falls, Mavie, Hazel, Plummer, Oklee and Strathcona, and vacancies that may later occur on rural routes from those post offices.

The salary of a rural carrier on a standard daily wagon route of 24 miles is $1,800 per annum, with an additional $30 per mile per annum for each or major fraction thereof in excess of 24 miles. The salary on motor routes ranges from $2,450 to $2,600 per annum, according to length. Separate examinations for motor routes and wagon routes are no longer held. Appointments to both positions will be made from the same register. The examination will be open only to citizens who are actually domiciled in the territory of the post office where the vacancy exists and who meet the other requirements set forth in Form 1977. Both men and women, if qualified, may enter this examination, but appointing officers have the legal right to specify the sex desired in requesting certification of eligibles. Women will not be considered for rural carrier appointment unless they are the widows of U. S. soldiers, sailors, or marines, or the wives of U. S. soldiers, sailors, or marines who are physically disqualified for examination by reason of injuries received in the line of military duty.

Form 1977 and application blanks may be obtained from the vacancy offices, mentioned above or from the United States Civil Service Commission at Washington, D. C. Applications should be forwarded to the Commission at Washington, D. C., at the earliest practicable date. At the examination applicants must furnish unmounted photographs of themselves taken within two years.

Display Super Radio

Among interesting exhibits at the fair this year was a super hetrodyne radio receiving set with a range of 5,000 miles, constructed by the Barzen brothers. It was viewed by many radio fans with special interest.

MIDDLE RIVER NINE WINS OVER LOCALS

Score Stands 2-2 Until Ninth Inning When Visitors Make Six Runs

In a badly contested game here Sunday afternoon the local team went down to defeat at the hands of the Middle River nine by a 2 to 8 score. At the opening of the ninth inning the score was 2 to 2 but during the last period the tables were turned against the Thief River Falls team, the visitors getting four hits on Robinson, making six runs. During the last part of the inning Robinson was relieved on the mound by Peterson, who succeeded in holding the opponents in their rampage.

Middle River started scoring in the first inning, when two runs were made but no more scoring was allowed by the Robinson-McGinn battery until in the ninth. Peterson scored the first point for the locals in the second inning and Olson made the other counter in the seventh.

"Spider" Yost, formerly manager of the Thief River Falls club, was on the mound for the visitors and struck out 14 men.

The game was witnessed by a good sized crowd and is said to be one of the best games played on the local diamond this season.

Bemidji Teachers College Reports Large Enrollment

The summer session of the Bemidji teachers college which closed recently had an enrollment of 540 students, indicating a tremendous growth compared to 130 five years ago. Forty-two graduated from the institution this year, including those who received their diplomas at the close of the summer term, among whom were Misses Josie Weeks, Huldah Fossum and Grace Craik of this city. Heretofore a five-year course and a two-year course have been offered, but because of the increasing number of high school graduates the State Teachers College Board has decided not to offer the first year of high school work, which means that one year of high school work or its equivalent will be required of students who desire to take the five-year course. The fall term opens Sept. 2.

Alvarado Bank May Reopen

The State Bank of Alvarado, closed Nov. 13, 1922, by the state banking department because of depleted reserves may open again by Sept. 1, if all stockholders are inclined to agree to re-opening, according to the Warren Sheaf. Practically the entire $400,000 in stock and deposits is represented by those who have signed up but a few are still holding back and the bank cannot resume business until all have signed up, according to reports.

37 EMPLOYEES FROM ONE SCHOOL

For the 37th time the International Harvester Co. has secured office help from Dakota Business College, Fargo. Their latest employees are Misses Emma Arnason and Mabel Bergstrom. Miss Lillian Meiers, another "Dakotan", has gone to the North Dakota Metal Culvert Co., N. P. Whiting to the Dodge Auto Co. at Fergus Falls.

These weekly stories of pupils placed in good positions should tell you plainly what school to attend and recommend. "Follow the Successful." Fall term opens Sept. 1-8. Write F. L. Watkins, Pres., 806 Front St., Fargo.

Mrs. N. B. Hanson and daughters, Lucy and Anitra, of McIntosh arrived Friday at the Dr. J. T. Bowers home and left Tuesday. Mrs. Hanson is a sister of Mrs. Bowers.

Mr. and Mrs. A. Tollefson of Minneapolis who have been visiting at the H. S. Snyder home left Monday afternoon for Grand Forks before returning to Minneapolis.

BIRTHS

To Mr. and Mrs. Carl Johnson of Holt, on August 11, a girl.

THEY EARN IT BACK IN ONE MONTH

The Union Commercial College, Grand Forks, No. Dak., a standarized, accredited school, begins its next term Sept. 1. Learn Secretarial Work, Shorthand, Typewriting, Accounting, Banking, Bookkeeping, Correspondence, etc., and prepare for a good position. Union Commercial students are going to good positions every week. Miss Louise Rindahl goes to the U. S. Seed Loan office while Mr. Jas. Carter goes to Nash Bros. wholesalers. They will earn back the first month more than their tuition cost. When you can do this the expense of acquiring a business education is pretty reasonable isn't it. Students of the U. C. C. are doing it month after month. Send for our free catalog and let us tell you about it. tf.

Camphor For Sore Eyes

It is surprising how quickly eye inflamation is helped by camphor, hydrastis, witchhazel, etc., as mixed in Lavoptik eye wash. One small bottle helps any case sore, weak or strained eyes. Aluminum eye cup free. F. J. Stebbins, Druggist.

What's freezing in the bucket?

Chances are, you'd be curious, too, if you didn't know what a simple way this is to have as delicious fruit ices as ever made hot days cool.

There's a can of Del Monte Sliced Peaches in that bucket (or maybe it's Pears, Crushed Pineapple, Apricots, Strawberries, Loganberries, Fruits for Salad, etc.)

It has simply been packed in equal parts of ice and coarse or ice-cream salt and then allowed to stand and freeze slowly for about three hours. In a few minutes, now, this can will be opened, and then certain lucky people are going to enjoy as cool and refreshing a treat as ever was served on a hot day.

And remember—ice is just as helpful to you these hot summer days in many other uses. It not only adds to your enjoyment of food, but safeguards your health as well.

Let us see that you always have a *regular* supply on hand.

THE SUGAR BEET INDUSTRY

A sugar beet factory in the Red River Valley is now apparently a certainty. The Red River Sugar company, a Deleware corporation which proposes to build a sugar beet factory in East Grand Forks in time to take care of the 1925 crop, has set out to complete the sale of $500,000 in stock in Minnesota and North Dakota, $1,000,000 to be furnished by the company.

Although not located in Thief River Falls this sugar factory will be of inestimable value to the sugar beet industry of Pennington county and the entire valley as a whole. The beet crop is here to stay and when the time comes, perhaps in the very near future, more factories will be established in the valley and this city should be able to make a strong bid for such a plant.

The natural facilities are here. We have water power, excellent transportation facilities and the best soil for beet growing found anywhere in the country. It is to be remembered that beets grown right in this neighborhood have been singled out as having the greatest sugar percentage of any produced in the state. A survey of Pennington county beet fields at this time will convince anyone that the sugar beet thrives here. A 100 per cent stand is reported from a great number of the fields, and that is one of the biggest items when it comes to tonnage.

The returns derived from the sugar beet crop by growers in this locality last year were so encouraging that this year there was a demand for several times the acreage that could be taken care of by the present manufacturing facilities. With a factory within 65 miles from here it is hoped that as many farmers as wish to will be able to plant beets next year. Every indication points to a record yield from the 800 acres in this locality this season.

"It never looked more promising," declares County Agent McCann.

STOPPING PROGRESS

Let us suppose that we as a community stop counting time; stop dead in our tracks, and play Rip Van Winkle.

Conjure up in your mind how Thief River Falls would look a hundred years hence. Picture how the weeds would be growing up through the paved streets, how the business buildings would be rambling spectress of their former selves, how the beautiful public buildings would be crumbling, how attractive residences would be tumbling down in decay, and flower gardens converted into a wilderness.

And while in a speculative mood, turn back to the beginning of this great country and let us suppose that our ancestors had not counted time—had stood still.

We would be living in a swamp with malaria and kindred ailments making life miserable. We would be lighting our homes with candles, making the cloth for our clothing with spinning wheels, hunting wild animals for our meat and grinding our grain in some crude way for our daily bread.

We would have no electric lights, no telephones, no railroads, no electric lines, no coal, no gas, no sanitary sewers, no pure water supply—none of the modern conveniences that make life joy.

Yet there are people who want us to stop counting time now. They don't believe in progress. They want to stand still.

They are willing to enjoy the benefits that our forbears made possible for us, but they have no desire to carry on for the generations yet unborn.

If those who would sit down and eat the fruit of our ancestors' toil, had controlled the destiny of this community a century ago, where would we be now?

Fortunately, there are people who feel that it is a privilege to enjoy the blessings made possible by the trials of their parents and their parents' parents.

And they realize that it is their duty and obligation to leave the world a better place when they depart, than it was when they entered it.

They will keep on counting time—and make the most of every precious moment.

Every booster of Pennington county can unite in getting material for a Pennington county agricultural exhibit at the state fair this fall, in an effort to put our county to the front in the show window of the state. It is a Pennington county project for every one and will do much in demonstrating the fertility of the soil here and the progressiveness of the farmers in this community.

"Every county in the state should have a county exhibit at the state fair," says R. F. Hall, superintendent of the agricultural department. "The advertising value of such an exhibit cannot be valued in dollars and cents. The interest aroused in the development of many counties, and their settlement by persons from other states attracted to them by an exhibit at the state fair, has been worth hundreds of thousands of dollars to them as a result of only one exhibit."

Every citizen of the county should pride himself in being able to contribute to this exhibit.

Five of the railroads running out of the twin cities have announced that they are going into competition with the motor buses. Four of them will use rail riding motor cars and the other is putting in a fleet of cars to compete against commercial lines now operating. It is claimed by the railroads that the motor buses operating on the highways of Minnesota are cutting seriously into their business and while they are hard users of roads they pay only a small license fee compared to the tax paid by the railroad companies. The contest for patronage will be interesting and it will probably bring out the necessity for heavier taxation of motor buses.

What old-fashioned parents used to call cussedness is too often passed off as individuality nowadays.

A BASIS OF CREDIT

According to recently published figures, one city dwelling is destroyed by fire in the United States every four minutes. Farm buildings are burned at the rate of one every seven minutes. One hospital, five churches and five school houses burn down every day.

Every day 41 persons lose their lives and 47 are injured by fire.

The prosperity of a country is determined quite as much by the amount of its needless waste as by the amount of its accumulated wealth.

As a necessity in establishing a sound basis of credit in commercial transaction; insurance had its origin in private enterprise and it has attained its commanding position as a world force for betterment of social conditions of mankind through the initiative, ability and courage of a group of men as much deserving of immortal fame and glory as any other class of benefactors of the human race.

Necessary reforms and changes as dictated by experience have been evolved by private companies and it is due to these that insurance business has become one of the colossal magnitude and world-wide extent.

BUSINESS OUTLOOK IMPROVING

Prospects for a moderate trade revival during the fall months are gradually growing stronger. These prospects are based almost entirely upon the improved position of the farmer because of the higher prices now prevailing for our principal cereal crops. Sentiment is growing more cheerful every day, and there has been a marked improvement during the last few weeks. While industrial activity remains about 10 per cent below normal, there are indications that industry will awaken presently from its slumber of the last few months. With the turn for the better in the agricultural outlook has also come a turn for the better in essential industries.—The Farmer, St. Paul.

The decision of the Federal trade commission directing the United States Steel corporation and its subsidiaries to abandon the practice under which they charge "freight from Pittsburgh to destination" on all steel shipments, no matter where the steel is produced or shipped from, comes as a boon to farmers and other users of steel products in the Northwest, who have waged a constant fight against this practice.

Millions of dollars will be saved to the people of the interior states, who have been forced to pay excessive prices as a result of the practice. The repeal of the act will mean greater activity in various industries besides the establishment of steel plants thruout the Northwest. It is predicted that Duluth will become a great manufacturing center as a result of the new order, being located near the iron range and having a large tributary territory for the sale of farm machinery especially.

True sportsmen are pleased to note that the Minnesota Game Protective League meeting in Park Rapids recently recommended that the governor prohibit, by executive order, the killing of does and fawns during the deer season this year. Some are in favor of a completely closed season but upon this subject there are varied opinions. If the action approved by the league is taken, it will mean that the ultimate measure for the protection of deer, the one buck law, will be enforced a year before that measure is expected. It is declared that protection of does and fawns this year is not only desirable but necessary, as they are decreasing at an alarming rate.

It behooves Minnesota to protect its game resources now in order that future generations may enjoy the existance of wild animal life. Game refuges have been established in Pennington county in accordance with this movement.

It is to be hoped that the state authorities see the necessity of protection for deer at this time.

It was pointed out to visitors from this community at the Northwest Experiment station two weeks ago that soy beans is particularly valuable as a cash seed crop at this time. Last year, agronomists at the station said, many farmers raised up to 10 bushels per acre, for which they received $4 to $5 a bushel. One farmer was said to have raised 31 bushels on a two-acre tract.

The Chestnut variety was recommended for hay and silage, a big tonnage being derived from this kind. Last year's average was about nine tons of green silage to the acre. The Wisconsin Black and Minn. soy are early maturing varieties and are also well adapted to this territory, and are declared practically the only safe varieties to grow here for seed purposes. The experimental plots showed them to be growing very favorably and were farther advanced than the other kinds.

Drilling is advised against, trial plots showing very poor results by this method. It was stated that there are very few instances where somewhat satisfactory results are obtained. Planting together with corn was also discouraged as a decidedly unprofitable practice.

Soy beans in many farming sections is one of the leading forage crops and quite a number of farmers in the Red River valley are beginning to grow a considerable acreage, which is gradually increasing as farmers become familiar with its culture. At the present time seed is in great demand.

An exchange explains the proposed gasoline tax as follows:

"A gasoline tax is intended to compel the man who uses the roads to pay for them. A certain traveling man who calls on this office representing a paper house drives on an average of 100 miles a day through the driving season and only pays the same tax on his car that farmers living around here pay who drive probably not to exceed an average of 10 miles a day through the driving season. This tax will also compel the trucks, buses, the big rich man's car, all to pay their share of the road upkeep. It is a well-known fact that a big car does a great deal more damage than does the light car and that they do not pay taxes in proportion to the damage they do. The legislature will no doubt make some arrangements if the gas tax bill is made a law so the farmers gas for power purpose will be exempt, but if they do not, the difference will be so small for each individual farmer as compared to what he will save on auto gasoline."

A university professor says that the world is ten billion years old, in which case it ought to be old enough to know better than to do some of the things it does.

People who often marvel at the sort of stuff that fills the pages of the nation's daily press will be interested in observations by Will Irwin, veteran reporter: "The burning necessity for circulation and still more circulation puts a premium on the trivial, a discount on the serious and education. I am not one who would abolish the comic strip; three or four series of which I could name give me daily joy. But the minor comics strike me as waste stuff; I find it hard to see how they could amuse the lowest moron. They and other features just as trashy fill daily thousands of pages which might be put to higher uses—and that, I think, without loss of circulation. Most managing editors, in playing for public favor, tend to underestimate public taste. That is a common mistake not only in newspaper making but in theatrical production and moving picture manufacture. And from the average American newspaper of the period one often gets a general impression of useless triviality—too much frosting and too little cake."

Co-operation and advertising has made the Steele County fair the largest in the state, it is said by officials in charge of the event. The receipts this year are expected to reach the $50,000 mark. The association has been in the habit of advertising in 100 newspapers each year and the business men and farmers throughout the whole community join whole heartedly in boosting for the fair. A successful county fair is a credit and benefit to the whole county.

The Northfield News points with just pride to the Alex Marshall company of that city which has carried an advertisement in The News since the store was opened 34 years ago. It is said that today this is the most successful mercantile business in Northfield. We venture to say that consistent advertising had something to do with its progress.

Pennington county is rarely visited by hail storms or other hazardous storms. This is an advantage that should mean a great deal to the buyer of farm lands. There are many farms in the Red River Valley on which crops have never been damaged by hail.

ON VARIOUS TOPICS
By Martin Widsten
in Crookston Daily Times

The Dearborn Independent—Henry Ford's weekly—is publishing some articles about the Northwest Wheat Growers Associated, wherein it is claimed that many of the farmers of the western association have not been paid for their 1921 wheat crop; more have not been paid for their 1922 wheat crop and none of the members have been paid for their 1923 wheat crop. This is important, if true. It is not clear whether it is intended to charge that they have been only partly paid or that they have not been paid anything. At any rate the charge is so serious and the Ford weekly so extensively circulated that it ought be cleared up.

Reports of unemployment in the twin cities are somewhat exaggerated. The bulletin boards of the employment agencies are covered all over with notices of men wanted—mostly for farm work. There is some unemployment there because there is unwillingness to go out of the cities to obtain work. There has been a steady stream of people flowing into the twin cities for several years, and naturally the jobs are not so plentiful.

There is some indignation over in Canada over the wheat price in the American markets having a boom on the strength of a partial Canadian crop failure. They deny that it exists. The reason they deny that it exists is that they fear it will affect the value of lands. But the crop shortage there evidently does exist. Every traveler who has been there says it exists. And when the Canadians discover they can get more profit from a small crop than from a big one they will feel better about it.

No doubt there are spots in western Canada where the crop is good. But a matter of three or four bushels per acre on the Canadian acreage makes an immense difference in the world's supply. In the Red River Valley district, north of the boundary, the acreage was cut about half by persistent rains last spring, and what there is promises much less than an average yield. Earlier in the season the poor crop area began north of Stephen. With a favorable season it has been backed northward well beyond Hallock and with continued favorable weather a fair crop may be had as far north as the boundary line.

It will be a race between Jack Frost and the corn crop this year—in this section of the state. If Jack stays away a little longer than the usual date of his first appearance there is going to be a fair corn crop. It is in excellent condition, but about two weeks late.

Henry Ford has issued an edict that any employee who appears at the works with a moonshine aroma on his breath is to be immediately discharged. He wants no competition with the exhaust pipes of the tin lizzie.

The American mail order houses—most of which are in Chicago—are not doing as much business as they did before the war. That seems to be the general idea of all persons conversant with merchandising.

Higher cost of doing business and less attractive prices are the reasons for the decrease. Also the issuance of large quantities of "watered stock" during the war period, greatly increasing the capitalization on which a profit must be made.

Legislation promoted by the labor unions is probably the main cause, however, for the increased prices of mail order goods that makes them much easier competition for the small merchants. The work in the big mail order houses was done by grossly underpaid boys and girls receiving from $2 to $5 per week. Now their help costs them from $125 to $150 per month. Also their taxes have greatly increased. And now Congress threatens to raise the parcel post rates, on which the government has been carrying the mail order goods largely at a loss.

GOLF TOURNAMENT SATURDAY-SUNDAY

Third Event of Season Creating Much Interest Among Local Golfers

Much interest is centered in the third golf tournament to be staged at the links north of the city this season next Saturday afternoon and Sunday, according to Ernest Barzen, chairman of the tournament committee. Announcement is made that it will be an individual matched handicap tournament, all nine holes to be played. The committee asks that as many as possible play on Saturday afternoon. Those desiring full information regarding the event should see some member of the committee.

No entry fee will be charged the ladies but the men will be assessed 50 cents, the money thus collected to be used for prizes to the winners. One of the best turnouts of the season is looked for, say those in charge.

There is now much enthusiasm over the golf sport in this city, the local club having about 70 members and a complete course of nine holes. The greens are in good condition and speak well for the live club started here last year.

Froehlich and Noper Attend Grand Forks Meeting Today

Dr. H. W. Froehlich, president of the Commercial club, and V. C. Noper, farmer near the city, left this morning for Grand Forks in response to an invitation from the Commercial club there to attend a meeting of residents of districts tributary to Grand Forks to consider plans for allotment of acreage of sugar beets and the building of the proposed beet sugar factory in East Grand Forks. The meeting is in the form of a luncheon to acquaint people in the district with the Red River Sugar company.

It is pointed out that the building of this factory will result in the raising of between 12,000 and 20,000 acres of sugar beets in the Red River Valley and the receipt of more than $1,000,000 annually in new wealth for the farmers.

Over $185,000 worth of stock had been sold in the Red River Sugar company in Grand Forks and East Grand Forks Saturday, $102,400 having been disposed of by the East Grand Forks committee. Stock to the amount of $500,000 will be sold in the valley territory.

Police Make Two Arrests During Fair—$20 in Fines

E. J. Brown, negro member of the show company appearing here at the fair last week, paid a fine of $10 for drunkenness when arraigned in municipal court before Judge N. W. Tarrant last Sunday morning. The arrest was made Saturday night by Patrolmen Krogstad and A. D. Kelley, the police department being called by Brown's wife from the hotel where Brown was attempting to beat her, being in a very drunken condition.

The only other arrest made by the local police department during the county fair was for disorderly conduct, T. A. Sthofes, proprietor of one of the blanket stands on the grounds, being arrested Saturday afternoon by Chief A. D. Ralston and assessed a fine of $10 when brought before Judge Tarrant. A careful watch was kept by police on the operators of various games.

Warren Paper Lauds Sheriff

Here is what the Warren Sheaf has to say about the Pennington county sheriff, O. L. Ihle, indicating that his activities are known beyond the confines of his own county:

"Because he is sheriff 24 hours of the day and shows alarming traits of inquisitiveness and curiosity wherever there is a possibility of finding moonshine, Sheriff Ihle is feared by the law breaking element of his county, according to friends of the sheriff. Mr. Ihle frequently inspects dances and their premises and if any moonshine is uncovered there are usually fines to pay to the judge at Thief River Falls."

Broadcasts From Car

J. A. Gjelhaug of Baudette, who spent a few days in this city with friends during the fair, has his automobile equipped with both transmitting and receiving radio sets. As a tryout he spoke to friends at Oslo from both Argyle and this city, verifying the reception of the message at Oslo by telephone. Arrangements were made previously that at certain hours he was to try his sending outfit and the message was picked up from both places. He can also "listen in as he rides" as he has the aerial attached underneath the top of the car and the sets are operated bly the storage battery of the car. The receiving set works as well when the car is in motion as when standing.

Breaks Leg in Fall

Walter Hoppe, 16, residing eight miles north of the city, was brought to the Physicians hospital Sunday evening to receive treatment to his left leg, which was broken below the knee. The accident occurred when the young man fell off the horse on which he was riding while chasing the cattle home from the pasture. It is expected that he will remain at the hospital thru this week, but no permanent injury is likely.

A Scrap of Paper

When you come to think of it, nearly as much can be accomplished today with a sheet of plain white paper, as the magician of old could encompass with all his charms and amulets and touchstones.

For a scrap of paper can be made into a check which will convey a fortune half around the world. It can be made into a deed which will transfer the possession of a an enormous property. Upon it a warrant of arrest can be written; or a pardon. The musician can compose upon it a song that will cheer the hearts of millions. Or the poet, a verse that will be passed on to future generations.

Yet withal, there is such an abundance of this commodity that it may be freely used, not only for the rarer purposes of commerce and art, but for universal dissemination of the day's news and wide spread selling of a multitude of goods.

Truly, paper is a magic carpet and an Aladdin's lamp and a fairy scepter all rolled into one.—The Apeode.

HAVE YOU ANY?

Those who have rooms and board for teachers or students would confer a favor by calling the superintendent's office, phone No. 52, where the information will be listed for sending out to teachers and students. This information should be at the office on or before Aug. 25. Supt. I. T. Simley expects to be back at his office Monday.

To Decide On Selection of 10 Farmers to State Fair as Guests of Club

The manner of selecting members of the farmers delegation from Pennington county to be sent to the state fair this year by the Thief River Falls Commercial club will be considered at the club luncheon today. Efforts are being made to arrange a Red River Valley delegation and it is likely that the ten farmers who will be sent by the club and other state fair visitors from this county will join in this caravan to boost the entire valley section. E. M. Bennes is chairman of the committee in charge of making preparations for Pennington county's delegation.

Capt. John W. Gorby, director of public relations, American Economic Institute, who spoke at the fair grounds Saturday, is also scheduled to speak at the club meeting today.

At each meeting many matters of vital interest to the welfare of the community are taken up by club members and it is urged that business men, professional men, farmers and lobrers join efforts in this civic organization.

Known Condition of Your Health, Advises Clinician

Among features at the Pennington county fair last week was the health clinic conducted all three days by Dr. D. C. Lochead, field secretary of the Minnesota Public Health association, St. Paul, at which a number of persons, including children and adults, were examined.

It was explained by the physician in charge that the aim of these clinics, which are being conducted thruout the state, is not so much to disgnose conditions as to demonstrate to the public the necessity of being examined by the local physician or dentist while well, instead of waiting until suffering from some ailment. The examinations given were rather to discover if anything might be wrong with the person's health, a definite course of treatment being recommended in very few cases.

The clinics are conducted primarily in co-operation with various health organizations and movements in fighting tuberculosis to impress upon the people the importance of controlling this dread disease at an early stage, and are a part of an educational program emphasizing the fact that people should consult their family physician and dentist from time to time so as to definitely know the condition of their health.

Dr. Lochead stated that the manner of conducting baby clinics thruout the state is undergoing a change at the present time making it more of an educational movement than diagnostical examinations, it being the belief of those heading the movement that more can be accomplished thru this procedure.

Supt. Sande Returns

Ole R. Sande, county superintendent of schools, returned Tuesday morning from Minneapolis where he has been taking a six weeks' course in rural school management at the University of Minnesota. He also took up principles of supervision and teaching of English in elementary grades. On his return Mr. Sande attended the Legion convention in St. Cloud and was responsible for presenting the case for Thief River Falls in the bid for the 1925 meeting when the matter came up before the "Time and Place" committee of which he was a member.

The commissioners of Murray county showed a progressive spirit when they decided to continue the services of a county agent for agricultural extension work, in spite of the fact that a number of petitioners asked for the suspension of the service. The county board felt that it was not the time to dispense with the county agent at the time of the completion of area testing. The second reason for tabling the petition was that the board could not see wherein the agent is a burden to the taxpayers, a survey showing that the cost of the agent, so far as cost to the county is concerned, is only 54 cents on a quarter section of land, or less than one-third of a cent an acre.

The cost being so negligible it seems that every county could profit manifold by the services of an agricultural agent, and it is encouraging to note that their number in Minnesota is increasing.

Auto thefts are not as common as they once were because nearly everybody has one.

You'll like the appearance of a Lanpher hat as much six months hence. Perfect quality makes the good looks stay put.
You'll like the price, too.
LANPHER HATS
FIVE DOLLARS
Chas. Lieberman

Area Testing of Cattle in Red Lake Completed

Less than 1 per cent of reactors were found among the several thousand cattle tested in the Red Lake county area test for tuberculosis which was completed this week. This is regarded as an excellent record. Tubercular cattle are shipped to South St. Paul and sold to packers subject to inspection. Animals that are far gone are made into fertilizer while those in which the disease is just starting and is localized, are carefully cut up and only the diseased part sent to the fertilizer factory. Owners are reimbursed by the federal and state governments to the extent of one-half the market value of the animal.

Dr. L. R. Twete, veterinarian of this city was among the 12 field inspectors doing the testing. Red Lake county is the fourth in the state to complete the area testing project.

Sanatorium Display at Fair

Miss Beatrice E. Lindberg, occupational therapist and secretary of the Minnesota Advisory commission in charge of tuberculosis work in the state, was in charge of a booth at the county fair displaying various articles made by patients at the Oakland Park sanatorium. Baskets and other reed articles bore proof that much is being done in keeping patients who are able to do something occupied, and the excellence of the exhibits is very commendable. The articles displayed are sold to the public at the fair and also at a Christmas sale, the year's output being disposed off in this way. Miss Lindberg visits the fourteen sanatoriums in the state instructing the patients in occupational work, and is to a great degree responsible for the fine display.

Defense Day Sept. 12

Citizens of the state were called upon yesterday by Governor Preus to assist in carrying out plans for Defense Day, September 12th, designated by President Coolidge.

The purpose of Defense Day, as explained by the Governor, is to enable the citizens to visualize the initial processes which will be necessary to mobilize the forces for national defense in conformity with the national defense act of 1920. The Governor said:

"As long as the possibility of war exists, we must maintain reasonable preparedness for it." P. J. Eide of Crookston is a member of the committee for the state.

Cant Did

Following is a clipping from the Warren Sheaf of last week:

"'You said Cant can't do it but Cant did.'

"This is the way an ungenerous friend of a Federal prisoner who is serving a term at the Marshall county jail for conviction on a liquor charge, comforted his friend. A post card to this effect was received recently by the prisoner who still has several months of a 14 months term to serve. Cant is the federal judge that sentenced the prisoner and is feared by moonshiners because of the stiff sentences he metes out."

Local interest is added to this item when it is remembered that C. B. Bradley, of this city, is the only federal prisoner in the Warren jail, serving a 14 months' sentence.

May Broadcast Price

A resolution which, it was said, would save the housewife any confusion about the price of Thanksgiving turkey, recommending that the department of agriculture broadcast by radio poultry prices, has been adopted by United Master Butchers' association. Such action, the resolution said, would prevent "unscrupulous persons from giving false quotations on poultry, to the detriment of the producer and consumer."

Injures Foot

Ludvig Larson of Hazel suffered serious wounds last Friday when his foot was caught and lacerated in a mower. Infection set in and though recovery is expected he is improving very slowly. He was brought to the Swedenburg hospital here.

Oscar Smith To Speak

Oscar Smith, local commander of the American Legion, will speak to the members of the Warren Post Friday evening, concerning the state convention which is to be held in this city next year. Dr. C. A. Gunnarson, commander of the Warren Post, the Warren band, and many other Legion members of that city were active in securing the 1925 convention for Thief River Falls and have promised their strong support towards making it a complete success.

They Liked it

Here's what the Warren Sheaf said last week regarding the summer resort now being developed at the narrows of Red Lake:

"The unusual possibilities of the Red Lakes as a summer resort is emphasized by three Warren families who visited there Sunday. Although a new road to the lakes was opened only recently traffic there has already increased greatly and the Red Lakes will undoubtedly be the leading northern Minnesota summer resort."

Minnesota State Fair
And
N. W. Dairy Exposition
"World's Greatest State Fair"
THE NORTHWEST'S Greatest Live Stock Show of cattle, horses, sheep and swine is offered premiums of $60,000, the biggest sum set aside for that purpose by any fair or exposition in the world.
The finest dairy cattle in America will be shown at the Northwest Dairy Exposition. Beef cattle, horses, sheep and swine from the best herds, stables and flocks on the continent will be exhibited.
Eighty acres of machinery, the work of 1,000 boys and girls, and many other wonderful educational attractions will be featured.

Volume 14. Thief River Falls, Pennington County, Minnesota, Thursday, Aug. 21, 1924 Number 29

CITY SCHOOLS SCHEDULED TO OPEN SEPT. 2

Over 1500 Pupils Will Return to Their Studies for the Nine Month Term

SUPT. SIMLEY AND PROF. BYE RESUME WORK

High School Students Must Register With Principal Before Opening Day

Summer vacation is nearly over and this gentle reminder that school is to re-open in less than two weeks is likely to prove quite a jolt to the students who have practically forgotten there ever was a school to go to, while others will likely welcome the beginning of school and the numerous activities connected with the school year at Thief River Falls.

All departments of the local public schools are to open Tuesday, September 2. A strong teaching force has been secured and prospects for a good year are bright, according to an announcement by Superintendent I. T. Simley.

A large number of out of town people are taking advantage of the excellent high school which this city boasts and the number of out of town pupils this year is expected to be larger than ever before.

Superintendent of city schools, I. T. Simley and Morris Bye, high school principal, are back at work, arranging for the opening and assisting in arranging of courses for students. Last year the total attendance in the grade schools was 1103 and in the high school department, 429. Expectations are that the attendance will be somewhat greater this year altho it may not vary to any large extent.

Text books for high school use must be purchased by the pupils and for the average courses will cost from five to seven dollars. Text books are furnished for the grade schools. Only a very few used books are left in the high school departments.

Beginners in the first grade must enter before the end of the second week as no pupil will be accepted after that date, and beginners must be six years of age on or before the close of the first half of the first semester, which is November 10. Children below six years of age on that date must wait until the next term. No kindergarten department will be maintained.

High school courses will include industrial training, domestic science, physical training, teacher training and the regular academic work, consisting of courses in English, foreign languages, mathematics, natural sciences and history and social science. Students who intend to enroll in the high school department and who have not yet registered should see Principal Morris Bye before the opening of school. The normal training department is already filled.

SELECTION OF LOTS TO COME UP TODAY AT RESORT MEETING

Organization to be Perfected and By-laws to be Adopted By Association

Members of the Red Lake Resort association will meet at the Commercial club rooms this afternoon to decide upon the manner of the selection of lots and conduct such other business as may properly come before this meeting.

This is the first meeting of the members of the association and no doubt will be attended by a majority of those who have signed up for membership, which now number about seventy. A tentative organization has been formed and incorporated and has met with much success thus far. At the meeting this afternoon a permanent organization will be formed, by-laws adopted and the organization perfected in other respects.

The Red Lake narrows is looked upon by cottage site seekers of the surrounding territory, as well as those of this city, as the most ideal spot for summer vacations that could be obtained. Many from Middle River, Gatzke and other surrounding towns and villages have joined the association and will begin the erection of summer cottages as soon as the sites are selected.

As an indication of the approval with which the Narrows meet with resort-seekers, following is an excerpt from a letter addressed to E. O. Mogensen, president of the association, from S. O. Ostgaard, of the Farmers State Bank, Gatzke:

"The narrows at Red Lake presents the best proposition I have seen for a resort for a long time. The thing to do is to get your people down there interested, as I know you are already doing. A bunch of Middle River and Gatzke people have planned to drive down there on Saturday evening, camp there over night and return home the next evening. We intend to have along a few parties who would be interested in joining the association."

With about 70 members paid up in advance to date, the association expects to enroll about a hundred before the season is up. With a road straight east to the narrows, making a 60 mile drive on a hard surfaced road as is anticipated, the Narrows will be an ideal place to spend week-ends. At present the roads are difficult, tho not impassable. It is estimated that hundreds have visited that portion of the lake this summer and according to reports, all are satisfied that it is the coming resort of Northern Minnesota.

Chastizing Young Girl Cost J. S. Schmitz $13

J. Schuyler Schmitz, residing on Arnold avenue south, is minus a ten dollar fine and costs of three dollars for slapping the face of Clara Krogstad, daughter of Night Patrolman E. L. Krogstad. Schmitz had parked his car on a street near the Knox school Monday night and while away a group of boys moved it across the street. When he approached the mischief-makers fled but Miss Krogstad, who happened to be present, remained near the car. She denied having taken part in the incident but Schmitz chastised her with a slap on the face. The girl swore out a complaint in municipal court Tuesday morning and Schmitz was arrested by Krogstad. He pleaded guilty in municipal court and paid the fine and costs assessed by Judge Tarrant.

BOYS AND GIRLS AWARDED TRIPS TO STATE FAIR

Nine Pennington County Junior Exhibitors Get Free Trips to State Fair

CLUB WORK HELPS FOR FINE EXHIBITS

George Wilson and Byron Westphal to be Guests of Club Camp at U. Farm

Nine boys and girls of this county received free trips to the Minnesota State fair this year thru club work and exhibits at the county fair, which is a strong indication that the youth of the Red River Valley is taking more than a passing interest in the agriculture industry. Two of these will be entertained by the club camp at the University Farm.

George Wilson, son of Mr. and Mrs. W. P. Wilson, and Byron Westphal, son of Mr. and Mrs. L. A. Westphal, of St. Hilaire, received honors in club work as a whole, for the year 1923 and will be members of the club camp, which is established on the university farm each year.

Other club members who won free trips to the state fair are as follows:

Judging—Gordon Hunt, son of Mr. and Mrs. S. E. Hunt, and Randal Noper, son of Mr. and Mrs. V. C. Noper.

Calf Club—Natalie Woolson, daughter of Mr. and Mrs. H. C. Woolson, first on guernsey calf and Lawrence Letness, son of Mr. and Mrs. Jens Letness, first on Ayrshire calf.

Pib Club—Lena Best, daughter of Mr. and Mrs. Hugh Best, first on Poland China pig.

Bread Club—Miss Grace Mostue, first, and Miss Ansof Dahlen, second, in the county breadbaking contest held here last June. Miss Dahlen may not attend the fair but, if the State fair board permits, will name an alternate.

In addition to those whom received trips to the state fair, Miss Estella Hanson and Miss Helen Satre, who received ribbons for Shropshire ewe lambs at the fair were awarded free trips to the junior livestock show in St. Paul in November.

Premiums, medals and cash of a total value of $26,000 will be distributed among Minnesota club boys and girls attending or making exhibits at the Minnesota State Fair August 30 to September 6. More than 1,000 juniors will have their railroad fares paid to and from the fair and some will have all or part of their expenses paid the week of the state exhibit.

The club camp will be established this year, as usual, at University Farm where an instructional short course under the direction of college of agriculture faculty men and club leaders will be given every day from 8 until 10 a. m. All the rest of the time will be used in visiting the state fair and making sight seeing trips over the cities. Some special feature will be provided each evening, culminating Thursday evening in a banquet by the Minneapolis Civic and Commerce association at the new Nicollet hotel.

A club pageant and parade before the grand stand on Wednesday evening, September 3, will be a distinctive new feature of club work at the fair this year. Every division of club work will be on a larger and better scale than ever before, says T. A. Erickson, the state leader.

Chlorine Ejector Installed By Thief River Clinic For Treatment of Flu and Colds

Equipment for the treatment of acute colds and influenza by chlorine gas has been installed at the Thief River clinic by Drs. H. W. Froehlich and O. F. Mellby. The chlorine machine, known as the Gilchrist Chlorine Ejector, is comparatively new but has been used in the east with great success. President Coolidge was successfully treated for an acute cold sometime ago and many prominent patients in Washington in official circles are being treated daily.

The idea of using chlorine gas as an antiseptic has been known for a long time, but it was not until last winter that Dr. Vedder and Sawyer of the Medical Corps, U. S. A. perfected the method of treatment. There is at present one apparatus installed in the War Department at Washington, D. C.

The apparatus consists of a glass container in which the chlorine gas is measured before being released into the room. The chlorine gas, itself, is shipped in steel tanks from the manufacturers.

During treatment the patient is placed in a practically airtight room, in which the chlorine gas is liberated. The patient remains in this room for one hour, and by breathing the chlorine laden atmosphere, the germs of influenze, colds, bronchitis, whooping cough, etc., are killed.

PLANS FOR RE-OPENING LOCAL BANK PREPARED

Depositors Committee of Twelve Plan For Re-establishing Closed Bank

STATE DEPT. GRANT ADDITIONAL 30-DAY STAY

Plan of Depositors Not Ready For Action Or General Publicity

That a solution for the problem of the reopening of the Citizens State bank, which was closed by the state banking department January 5, will be found in the near future is the belief of those who are in close touch with the situation.

The committee of twelve depositors, who were appointed to carry on the work of reopening the bank under the direct control of the depositors, has had several meetings the past few months and by careful and close study of the situation and the problems involved in reopening the bank, are getting an understanding of the manner in which the work will have to be conducted. They believe the plan on which they are now working will meet with the favor of the state banking department but it has not yet reached the stage where it can be made public or where action can be taken upon it.

Hearing of the bank was called for Thursday last week by petition by the state banking department, and the result of the hearing was favorable to the committee, but depositors being granted a continuance of 30 days and representatives of the state banking department expressed willingness to grant further stay if the depositor's committee found it necessary, and as long as progress was being made by the committee. That the bank will eventually be reopened seems quite certain say those who are in close touch with the situation.

Three Potato Fields In Vicinity Are Certified

Three potato fields, owned by Charles Correll, containing 40 acres, Jens Letness, containing 20 acres and Peter Engelstad, containing 10 acres, were certified for seed by Mr. Henagan of St. Paul, of the state department of agriculture last week. The certification of fields for seed is an assurance of the heredity of the crop and is a great aid in securing a ready and desirable market. Mr. Heggan is certifying fields in the entire Red River Valley and stated that the potato fields which he saw in this vicinity were exceptionally fine.

PATRONIZING HOME BUSINESS IS VITAL TO THIEF R. FALLS

Big Stores Cajole Business Away from Home Town—May Become Dangerous

The word "bargain" is sometimes, one of camouflage used by big city concerns who are trying to centralize the business of the country and bring it finally to a monopoly. They shout "bargains, bargains, cheap, cheap," until it seems the words have the psychological effect of making people think they are getting something for nothing, when a little common sense applied to the situation would show there is no reason at all for supposing that they can sell an article for less than it is ordinarily sold on the public market. Nor do they sell cheaper, but they talk, cheaper, that is all.

It may not seem very important to some people if merchandising should be centralized in a few of the big cities, and the home town merchant disappear for lack of trade. But a glance at the local tax lists will reveal what it would mean in the loss of taxes to the local community to say nothing of the loss of improvements and the decay of the town. But outside of all the draw-backs to a locality from loss of trade and the shifting of the benefits of trade and business to big congested centers, there is another and even a more important fact to be considered. And that is the possibility of a retail trust organized and controlled by the mail order concerns. All they need to do to control merchandising is to get control of 33 per cent of the retail trade. Once that si accomplished they can absolutely monopolize the retail business of the country and fix the prices of merchandise, for they will be able to control the manufacture and output of goods. They can then offer inducements to the manufacturer that will shut out the marketing of their goods except through the monopoly.

So that is another strong point in favor of patronizing home trade. If you send your money out of town you are not only depriving yourself and your community of further use of your money, but you are aiding in the establishment of a retail monopoly that can and will fix the price of goods once they get control.

As an opponent of monopoly and the filching of large sums out of the people by organized greed, we feel that we must oppose anything that leads to the organization of such things that are dangerous to the interests of the people.

Read the series of home trade advertisements of the business men of Thief River Falls in this issue of The Times who are awake to the dangers of this situation and wish to call attention of the people to it by a friendly discussion of the problems through The Times.

St. Olaf College Singers Coming to City Aug. 25th

Monday evening, Aug. 25, will bring to Thief River Falls a male quartette from the well known musical organization of St. Olaf college, which group of singers will present a program at the Trinity Lutheran church. They appear here under the auspices of the Dorcas society of the Trinity church. The quartette is composed of members of the world famous St. Olaf Lutheran choir and has been heard many times by local radio fans, being broadcasted from the WCAL station at Northfield.

Those who compose the quartette are L. Kenneth Onsgard, Houston; Osgood Westley, Cooperstown, N. D.; O. Mathew Lyders, Ellsworth, Ia.; and Obed L. Grinder, Mt. Horeb, Wis. The program will include quartets, vocal solos, instrumental solos, duets, etc.

GASOLINE WAR CONTINUES AS CITY PREPARES

Orders For 24,000 Gallon Capacity Tanks Will be Filled In Near Future

STORAGE TANK SITE CONSIDERED BY CITY

Individual Stations Undersell Service Stations by Tank-Price Margin

While a number of delays have cropped up in establishing a gasoline distributing station by the city, the was is still on and definite steps are being taken to retail gasoline at a price fair to the motorist. Gas is now retailing at 20.8 cents at all filling stations in this city while in some of the surrounding cities the motor fluid is retailing as low as 16 cents.

The snag holding back activities of the city in retailing gasoline is the securing of storage tanks and a suitable site. Two tanks, with a capacity of 12,000 gallons each, three carloads, have been ordered and are in the process of manufacture, according to Mayor Arneson. A suitable site, however, has not been secured for placing the storage tanks. Officials of both Soo Line and Great Northern railroads were in the city Tuesday to consider leasing of such sites to the city. On both of the roads mentioned, sites are taken in practically all favorable locations and no final bargain was struck. The matter of a site is one of great importance, both from the standpoint of accessability and distance from the business section of the city and practically all desirable locations adjoining the right-of-way of the roads are leased.

One filling station will be maintained in the business section of the city and perhaps a second will be installed as soon as the other obstacles in getting set are surmounted. Thief River Falls officials are determined to beat the gasoline interests at their own game. It is the margin between the refiners price and the service station tank price that makes the large variation in the price of gas according to those in a position to know. It is claimed that gasoline, of the same quality as sold by standard and reputable companies can be had from the refiners at 14 cents or less and that the brokers commission is the cause of the wide spread. In Bemidji gasoline is retailing at 16 cents. At points in southern Minnesota, according to motorists who have filled their tanks there, gas is sold as low as 14 cents.

For a short time two local garages served their customers with gas at the tank price of 18 cents and took the shrinkage loss themselves in an effort to bring down competitors. It was necessary to discontinue the practice, however, as they were unable to get gasoline in large enough quantities to provide for the increased trade. However it is their intention to resume the low price in a short time.

TIMES EDITOR JOINS RANKS OF BENEDICTS

Miss Elfrida Knudsen and Dreng Bjornaraa Married at Winnipeg June 14

Friends of Miss Elfrida Enid Knudsen, daughter of Mr. and Mrs. Bernhard Knudsen of this city, and Dreng Bjornaraa, editor of the Times and son of Mr. and Mrs. Bj. Bjornaraa of Wauke, were much surprised today to receive cards announcing their marriage June 14th in Winnipeg by Rev. J. Rovick of the Norwegian Lutheran church.

The bride was born on a farm in Marshall county, north of Thief River Falls, but has made her home in this city since 1909. She attended the public schools here and graduated from Lincoln high school with the class of 1919. Since completing a three-year course in nursing at the Minneapolis General Hospital Training School for Nurses in 1922, she has been engaged in nursing here and in a Chicago hospital.

Mr. Bjornaraa came to Pennington County with his parents from Pope county in 1912 and after completing the country school course, entered the local high school, graduating in 1921. The year after graduation he taught in a rural school in the eastern part of this county. He started in as a member of the Times staff in June, 1922, becoming editor at the death of T. J. Austed in March, 1923.

Mr. and Mrs. Bjornaraa, who are now on a trip to Winnipeg with the newly married Mr. and Mrs. B. H. Dickey, will make their home in Thief River Falls.

The Times staff joins their friends in extending congratulations to the newly wedded pair. May their voyage on life's matrimonial sea be pleasant and their troubles little ones.

DAIRY FARMERS WILL BE GUESTS AT STATE FAIR

Commercial Club Sends Ten Prominent Dairy Men as Delegates to Exposition

AGR. COMMITTEE SELECT MEN AT SPECIAL SESSION

Club Shows Splendid Spirit of Co-operation With Farmers In Annual Trip

Ten Pennington county farmers will be guests of the Commercial club of Thief River Falls at the state fair this year, a custom which was established last year and which it is the plan of the club to continue. It is the belief of the club that the farmers who attend the state fair will see improved stock, varieties of farm produce and learn new methods of field culture and come back to the county with new ideas and inspirations that, when put into practise on their farms and eventually passed on to neighbors will be a great factor in putting Pennington county *permanently on the map* as one unexcelled from an agricultural standpoint.

The ten men were selected by the agricultural committee of the Commercial club at a special session of the committee at the office of County Agent McCann Saturday evening and are N. A. Anton, S. E. Hunt, Henry Koop, Will Smith, Karl Beiswenger, Kratka; R. M. Johnson, Kratka; Gunstad Knutson, Fred Kreamer, Albert Johnson, Morgan Vaughn, and alternates are Paul Engelstad, Gust Wilken, Jens Letness, Hans Fjeld and Henry Oen.

Beginning this year the farmers to attend the fair were selected on a competitive basis, those showing the best progress in production of farm produce being selected, barring of course those who attended the fair last year. The club is making this an annual event and to make it of the greatest possible benefit to the community, the club is careful not to send any one farmer two successive years.

The Commercial club is showing a splendid example of cooperation between business man and farmer in making the latter their guests at the state exposition. The idea has been noted in other communities and was recommended by representatives of the state fair commission when on their annual advertising campaign this summer.

These men are also guests at the commercial club noon luncheon today.

The delegation leaves, via the Soo Line, Sunday August 31 and will return the following Saturday.

OFFICES OF WHEAT GROWERS TRANSFERED TO MINNEAPOLIS

G. W. Connel To Have Charge Of Minnesota Association Offices

Offices of the Minnesota Wheat Growers association, which have been located in this city since their organization early last summer, will be moved to Minneapolis the first of next week, as a result of a decision made at the last meeting of the directors held at Minneapolis two weeks ago yesterday.

G. W. Connell, now with the wheat growers and engaged at this office, will have charge of the organization and pool offices in Minneapolis, which will be located at 400 Corn Exchange building, in the same location as the American Wheat Growers associated. The reason for the move is to get in a position to enable closer and more rapid communication with the American Associated, which organization attends to the selling of the grain. The state organizations, the Minnesota association included, organize and handle the crops as far as the farmer is concerned, while the national organization markets and reports to the state organizations.

L. R. Roberts will also be connected with the Minneapolis office and the Misses Elsie Sundahl and Dagny Tharaldson, who are employed as stenographers, will be transferred to the Minneapolis office.

If the wheat could have been properly handled from the office here, keeping the office in this city would have meant considerable to the city as the organization progressed, but it is the opinion of the officers that the move to Minneapolis is the expedient step.

Four-Year-Old Dies After Being Mutilated in Binder

Orlando Hamm, four-year-old son of Mr. and Mrs. Theodore Hamm of Highlanding, died Thursday evening at the Swedenberg hospital after having an arm and a leg almost completely severed when cut by a binder.

Olando had strayed from the house and wandered into a nearby field where he lay down either to sleep or to hide. Mr. Hamm was cutting the rye in the same field and as the child was entirely hidden by the tall grain, he failed to notice him until too late. He was rushed immediately to this city but during the 25 mile drive lost so much blood that recovery was impossible and he died a little before nine o'clock, two hours after reaching the hospital.

Funeral services were held Monday from the Norwegian Lutheran church at Highlanding with Rev. S. L. Tallakson of this city officiating. Mrs. Blanche Korstad directed the choir singing at the services.

The cat's nine lives have little chance in present day automobile traffic.

Peterson-Biddick Building Occupied by Company Mon.

The Peterson-Biddick produce company began business in their new quarters on the Soo line right-of-way at the east end of Fourth street Monday morning and are in a position to handle their usual line of poultry, eggs, potatoes, hides and wool and other farm produce with greater efficiency and service to their many patrons.

The erection of the forty by eighty foot brick and tile structure is testimony of the faith of business men in the agricultural situation in this section and in the future of Thief River Falls. The building has a full basement to be used for storage of potatoes and the main floor is free of any upright supporting timbers, giving the full floor space, save the office room, for handling the various commodities.

PENNINGTON CO. CROPS ARE BEST IN MANY YEARS

Wheat and Oats Escape Rust and Run Consistantly High Average Yields

SUGAR BEET BEST SINCE INTRODUCTION TO COUNTY

Damage by Early Frosts is Comparatively Neglible; Corn Expected to Mature

While crops in Canada are drying out and parts of North Dakota and Montana are suffering from drouth and hail, Pennington county is boasting the best small grain crop in ten years. Corn on the average has not been hurt by frost. Sugar beets are the best since introduced here and potatoes not hit by frost are better than the average. According to County Agent J. J. McCann, wheat, oats and barley are the best since 1915.

Wheat is now in the hard dough stage and is well filled out. Some red rust and a very little black rust has appeared but has not eaten thru the stem and the wheat has so far advanced as to be entirely out of danger. It is the opinion of authorities that wheat will average 20 bushels to the acre in this section, and many fields are expected to make a much better showing. Winter wheat is also good this year and some fields are expected to yield 25 bushels per acre. This crop is comparatively new to many in this section, while a few farmers have raised crops of winter wheat for several successive years and in instances have received yields of 3 to 6 bushes more per acre than from spring wheat on the same ground.

No Danger From Rust

Oats also has some red rust but likewise is considered past the point where it will be materially damaged. The heads are unusually heavy and large yields are expected. The quality is also high this year and the cool weather has tended to permit the kernels to fill without forced ripening, and while the season has been short, growth has been rapid.

Barley is making exceptional yields in practically every instance. E. M. Bennes of this city reports having seen a load of barley bundles threshed out south of this city producing 60 bushels.

Flax has been touched by frost in some localities but where grown on highland is very good. Due to the cool days this spring the flax was delayed in germinating but is expected to mature before further frosts.

The alfalfa hay crop is very good this year and the clover and timothy good, altho the latter was somewhat thin to make for bumper yields. Very little alfalfa seed will mature here this year as heavy rains at the time flowers polonized prevented seed in paying yields. Sweet clover as a seed crop is good.

Beets Best Ever

Sugar beets, which is fast becoming one of the most important crops in the county, and of which there are 750 acres this year, are giving the best yields since beets were first propagated in this section. It is hard to estimate the tonnage at present but County Agent McCann states that an average yield of 10 and 12 tons is a safe guess. Ten tons per acre is considered good. A few fields in the county are expected to go as high as 18 tons. Sugar content tests have not been made yet but in the course of a short time individual specimens of the crop will be sent to the factory for tests. The beets must be very near mature before sugar tests can be made.

Potatoes are good. Some fields show exceptional yeilds, altho the average is not expected to be particularly high. Three large fields in this immediate vicinity were certified for seed last week by a Mr. Henagan of the state department of agriculture and he stated that potatoes in this vicinity were good.

Prices on small grains show a steady incline at present and considering the large areas where crops are poor, it is ikely that they will continue to advance or at least hold their own.

State Report

Following is part of the August crop report for the state by Paul H. Kirk, federal agricultural statistician for Minnesota:

With the exception of corn, which shows a forecast reduction of 2,752,000 bushels from the July 1 report, all other forecasts of small grains, potatoes and tame hay for Minnesota show increases in production over the July 1 report. Outside of some local areas damaged by hail, wind, and probably some damage by rust on the

(Continued on page 4)

To Open Grocery Store

A. W. Suckstorff, of Morris, has leased the building formerly occupied by Hills Auto Supply store on Third street, and will open a cash grocery store in the near future.

EKLUND POST TO STAGE PEP MEET FRIDAY EVENING

Legionnaires Begin Work of Laying Plans For 1925 Convention in This City

COMMITTEE OF BUSINESS MEN APPOINTED THURS.

State Commander Lindell Offers Services and Will Meet Legionnaires Here Soon

Members of the Elmer J. Eklund post of the American Legion are already getting the ball rolling for the entertainment of the 1925 state legion convention in this city. At the meeting Thursday last week a committee of six business men was appointed to enlist the co-operation of the citizens of Thief River Falls immediately to assist in handling the big 1925 event, and tomorrow evening at 8 o'clock members of the post and residents will meet in the club rooms to lay *initial plans and consider ways and* means of procedure.

If early preparation has any bearing on the ultimate results and cities which have entertained large conventions in the past say it has, then Thief River Falls will show the 3000 to 5000 delegates and visitors one gala time. "It is essential that everyone meet with us Friday night," says Oscar Smith, post commander, "as we must get the wheels moving immediately if we are to be in a position to properly and creditably handle the convention".

The committee which has been appointed to work with the citizens of this city includes Dr. G. A. Penney, chairman, J. Provencher, H. A. Brumund, Carl B. Larson, Rasmus Oen and L. M. Rayson. The chief work of this committee is to arouse and keep the interest of the business men of the city and the citizens to co-operate with the Legion where they need the help of non-legionnaires. When it is considered that with a probable 5000 attendance of Legion and Auxiliary delegates and visitors, the town will be visited by one stranger for every citizen, it is easily realized that it will take the assistance of every wide awake resident, and necessitate the waking of some of the sleepy ones, to entertain the visitors and send them off with the impression that Thief River Falls would not be the last place in the world they would care to visit again.

The local post has already communicated with St. Cloud, asking to be permitted to go over the plans as they worked them out that they might use them as a pattern or guide in preparing for the 1925 meet. It is said that St. Cloud began work the week after the convention was assured and kept it up thruout the last day, and the Stearns county city deserves credit for the showing it made.

State Commander Edward Lindell has announced that he will meet with the members of the local post in the near future to give any assistance and offer any suggestion that might be of value in making the plans, that he is able to give. Whether or not Thief River Falls will be known after the convention as a good or poor convention city will be judged with fair accuracy by the interest and enthusiasm displayed by the citizens at the outset. Whether or not he thinks he can be of service, every citizen is asked to meet at the Legion club rooms tomorrow evening and at least see what the next fellow can do.

BIG PICNIC PLANNED FOR LABOR DAY

Soo Line Employees and Elks Join in Picnic at Squaw Point

Labor day, Monday, September 1st, in Thief River Falls this year will be akin to a community day when the Soo Line employees and members of the Elks lodge join in a picnic at Squaw Point. The stores will be closed in the afternoon of that day, according to decision of the committee of the Commercial club selected to consider the closing of the stores for the occasion.

Nearly the entire day will be spent on the grounds as the families of those included in the Soo Line men and the Elks lodge will enjoy their noon dinners there in picnic style. Coffee, cream and sugar will be furnished by various merchants and picnic lunches will be brot by each family.

One Gala Time

Barring unfavorable weather the entire afternoon will be a succession of sports events, speeches, bowery dancing, band entertainment if a band can be secured, and other exciting and interesting diversions. It is planned to begin the noon lunch at 12:30. Promptly at 1:30 the sports events will begin. Thirty events are booked, including races, jumping, tug of war, baseball, handicap events. Prizes will be donated by merchants and individuals for winners in the contests.

Speeches will be delivered by Mayor J. S. Arneson and possibly two other speakers, the theme of which will no doubt be of an interesting and entertaining nature. A bowery will be erected and dancing will be in vogue both afternoon and evening, it being the plan of the hosts to furnish the best available orchestra music.

Transportation will be furnished and those who wish to avail themselves will call members of the transportation committee, which will be announced next week in The Times. Refreshments will be sold on the grounds.

The complete program will be published in The Times next week.

SOCIAL ITEMS

Herdis Steen Married

Miss Herdis Steen, daughter of Mr. and Mrs. Carl Steen former residents of this city and now of Warroad, was recenty united in marriage to Harvey Selvog, also of Warroad, according to the Warroad Pioneer.

Macabee Picnic

Members of the Macabee lodge will meet next Tuesday afternoon in Lover's Lane for a picnic supper, if weather conditions permit. In the event of bad weather, the picnic will be held on Tuesday evening in the club rooms at the Sons of Norway hall.

For Sophie Wieber

Mrs. Math Barzen was hostess at a farewell party Tuesday afternoon in compliment to Miss Sophie Wieber, who has been her guest for the past two weeks. A five o'clock luncheon was served by the hostess in rooms prettily decorated with bouquets of sweet peas.

Celebrate Anniversaries

Mr. and Mrs. Albert Johnson gave a dinner party last Tuesday at their home near the city to honor the occasion of the tenth wedding anniversary of Mr. and Mrs. Clyde Montieth and the fifteenth anniversary of Mr. and Mrs. L. R. Roberts. The guests included only members of the immediate families.

For Thora Sweger

The Misses Lucille Hermanson and Olive Carlson were delightful hostesses Tuesday at a party given for Miss Thora Sweger, who is leaving soon for Blair, Wis. The rooms were decorated for the occasion with yellow and white flowers and the twenty guests enjoyed a most pleasant afternoon. Refreshments were served at about five-thirty.

Gladys Roberts Entertains

Miss Gladys Roberts entertained eight of her young friends at a picnic supper Wednesday afternoon in Lover's Lane. The hours were passed quickly and pleasantly playing out-of-door games.

For Elsie Bowers

Miss Esther Bennes was hostess Friday evening at her home on Markley avenue when she entertained for Miss Elsie Bowers of Fosston, who is a guest at the Arthur Granum home. At ten o'clock light refreshments were served to the guests, the Misses Elsie Bowers, Lylian Arnold, Harriet Morgan, Ruth Mellby and Ansof Dahlen.

J. C. Penney Picnic

The managers and employees of the J. C. Penney company in Fargo, Grand Forks and Crookston will meet with those of this city Sunday at a picnic in Lovers' Lane park. A similar picnic was held two weeks ago in Grand Forks when about one hundred employees of the company met and spent an enjoyable day.

Dancing Party

Miss Juanita Biddick entertained at a dancing party Tuesday evening at her home on LaBree avenue. The rooms were decorated artistically for the occasion with orange crepe paper and flowers of the same color. Dancing and cards furnished entertainment from eight-thirty until twelve-thirty, light refreshments being served at about eleven. The guests invited were the Misses Margaret Blaska, Elmyra Langseth, Lillian Krohn, Lillian Johnston, Pearl Field, Mary Alexander, Hilda Ness, Maverette Hilson, Dorothy Swedenburg, Melvina Rupprecht, and Salome Wikel; and Messrs. Henry Arneson, Leigh Anderson, Charles Booren, Edward Kiland, Morris Holznecht, Robert Halvorsen, Thorston Williamson, Ernest Jaranson, Henry Espley, Allan Sorenson, Lester Rolland, William Anderson and Clifton Connor.

Ladies Aid

The Ladies Aid of the German Lutheran church will serve lunch in the church basement on Wednesday afternoon, August 27. The hostesses are Mesdames H. W. Froehlich, A. P. Fox, G. W. Booren, L. A. Babcock.

To Mr. and Mrs. Ben Lane

Mrs. E. F. Dolan announces the arrival of a son to her brother-in-law and sister, Mr. and Mrs. Ben Lane, of Fergus Falls. Mrs. Lane was formerly Alice Erickson and is well known to many residents of this city, having been a guest at the Dolan home on several occasions.

Picnic Supper

Manager G. A. Russel and employees of the Northwestern Bell Telephone company in this city enjoyed a picnic supper last Thursday evening at one of the many pleasant spots along Red Lake river.

For Mrs. G. W. Connell

Mrs. Fred Herrick and Mrs. G. W. Booren were charming hostesses at an afternoon party last Thursday when they entertained at the Herrick home for Mrs. Gerald Connell, who is leaving the city shortly. The rooms were beautifully decorated in pink and white with numerous bouquets of roses, sweet peas, and gladiolas. The flower theme was further carried out in the place cards, each guest receiving a different kind of flower and finding her place where there was a similar one. A five o'clock luncheon was served by the hostesses, who were assisted in serving by the Misses Peggy Shaw and Katherine Mellby. The remainder of the time was spent in having each guest write out her favorite recipe, all of them being collected and made into a booklet, which was presented to Mrs. Connell. Those present were Mesdames Gerald Connell, honor guest, Willis Akre, Lucille Johnson, Harry Protzeller, G. Howard Smith, H. O. Chommie, L. H. Larson, C. M. Haug, W. H. Bon Durant, Roy Lambert, T. L. Melgaard, W. H. Frederick, Dan Shaw, Don Gamble, G. A. Penney, E. M. Schutt, Albert Lonson, Ted Hunt, of this city, and Mrs. Marie Rulland of Black River Falls, Wis., Mrs. C. J. Peterson of St. Paul, Mrs. J. W. Britton of St. Paul, and Miss Winigred Booren of Stillwater.

McMahon-Dickey

A wedding or much interest to the many friends of the contracting parties took place at the Presbyterian church Sunday evening at 6 o'clock when Miss Orra M. McMahon, daughter of Mr. and Mrs. Samuel McMahon residing near the city, was united in marriage to Benj. H. Dickey of this city. The ceremony was performed by Rev. Chas. Gerlinger in the presence of Mr. and Mrs. Dreng Bjornaraa as attendants and immediate relatives and friends.

As the couple entered the church Lohengrin's wedding march was played by Mrs. Clarence O. Erickson. The bride was attired in a goblin blue canton crepe dress trimmed with silver lace and carried a bouquet of white roses and sweetpeas. The bridesmaid, who wore a dress of blue flat crepe, carried a bouquet of pink sweetpeas.

The bride is well known to people of this community, having been born in the city and attended the local schools. Since her graduation from the Wright Memorial hospital in Fergus Falls in 1922 she has been engaged in nursing in Thief River Falls and vicinity and is well liked by all with whom she comes in contact.

Mr. Dickey, who came here from Pennsylvania two years ago, is manager of the dry goods department of the J. C. Penney company's store here. Previous to his coming to this city he was connected with the McAllister stores of Chicago. During his stay here he has made a host of friends and is known to the large patronage of the Penney store as a most congenial and accommodating business man. His knowledge of the dry goods department and ability as window trimmer is doing much to bringing the local store among the leading branches of the company.

Mr. and Mrs. Dickey left Sunday evening for Winnipeg and other points in Canada to spend a week's honeymoon, making the trip by car together with Mr. and Mrs. Bjornaraa. On *their return they will make their* home in this city.

A large circle of friends join in extending their congratulations and best wishes for the future to the newlyweds.

Family Reunion

Rev. and Mrs. August Bredeson entertained members of their family Tuesday at a dinner party in honor of their guests, Mrs. Irving Carlson of St. Cloud and R. V. Davis and family of Casper, Wyoming. Those persent were Mr. and Mrs. Alfred Bredeson and family, Mr. and Mrs. I. Wold and family, Mrs. V. Trochman and daughter, Vernon, Mr. and Mrs. B. B. Hammer and family, Mrs. J. Wold and the honor guests. There were four generations among those present, namely, Mrs. J. Wold, great-grandmother, Mrs. Aug. Bredeson, grandmother, Mrs. R. V. Davis and daughter, Virginia Anne.

For Mrs. Roberts

A group of ladies of the Presbyterian church entertained for Mrs. L. R. Roberts Friday afternoon at Lovers' Lane park. A picnic lunch was served at about four o'clock and the remaining hours were passed in a social way. Mrs. Roberts has been a very active member of the church and the picnic was given in honor of her departure for Minneapolis next week.

Mrs. C. M. Haug Entertains

Mrs. C. M. Haug entertained a group of friends last Friday evening in honor of Mrs. Gerald Connell, the hours being passed pleasantly at three tables of bridge. The guests were Mesdames G. W. Connell, guest of honor, W. H. Bon Durant, G. W. Booren, Roy Lambert, Fred Herrick, A. M. Heggan, W. W. Prichard, Jr., Lucille Johnson, Harry Protzeller, Lawrence Hermanson, Willis Akre and A. Anderson of Crookston.

Sandridge Club Meets

The Sandridge club will be entertained by Mrs. D. W. Ayres and Mrs. Carl Jensen on Thursday afternoon, August 28th, at the home of Mrs. Jensen, west of the city. Everybody welcome.

Mrs. Oscar Johnson Entertains

Mrs. Oscar F. Johnson entertained Friday evening for her guests Mrs. Gust W. Johnson and daughter, Dorothy, of Duluth. The twenty-five guests spent the evening in a delightful manner, dancing furnishing the main entertainment.

Post-card Social

The Northfield Young Peoples society will give a post-card social at the Northfield school house on Saturday, August 30. The ladies are asked to bring lunch for two and a post-card.

Maccabees Picnic

The Maccabees lodge will hold a picnic at two o'clock in the afternoon, August 26, the outing being held in Lovers' Lane. If rain should attempt to spoil the plans, a gathering will be held instead at the lodge rooms in the Sons of Norway hall the same evening at eight o'clock. This gathering is for the pleasure of Maccabees only.

An Extension Telephone Brings the Calls to You

An extension telephone upstairs makes housework easier. It brings the calls to you and saves stair-climbing.

The cost of an extension is but a few cents a day. Just call our Business Office.

COUNTY SCHOOL GRADUATION TO BE HELD THURS.

Exercises to be Held Thursday Evening at High School Auditorium

TWENTY-EIGHT STUDENTS TO BE AWARDED DIPLOMAS

Standard of Graduation Requirements in Pennington County are High

Commencement exercises for graduates of the rural schools of Pennington county will be held next Thursday evening, August 28, at 8 o'clock at the high school auditorium when 28 pupils will receive their diplomas for the eight years of grammar school work, completed according to state and county requirements.

Due to the fact that County Superintendent O. R. Sande has been absent a great part of the summer attending the University of Minnesota, the graduation exercises have been delayed but arrangements are being made for the graduation for next week. Mr. Sande is communicating with the state department for a speaker. Eighth grade county graduations have been held in this county for a number of years and are looked forward to with much interest by the rural school pupils, as well as their parents.

The requirements for graduation from the eighth grade in this county are of a higher standard than some of the other counties. State board certificates are required in arithmetic, grammar, geography and history and either civics or spelling, making five state board certificates in all. In Marshall county, for instance, only four are required, only one of either geography or history being required. In some counties the teachers report cards or teachers recommendation are considered.

Following are the names of those who have received their diplomas from the Pennington county rural schools:

Agnes Angell, district 31; Arthur Asp, district 26; Selma Beiswenger, district 31; Sophie Breiland, district 11; Eunice Gilmet, district 108; Clara Grand, district 53; Gladys Halverson, district 26; Estelle Hanson, district 28; Elmer Johnson, district 26; Florence Knadle, district 42; Delbert Kron district 2; Evelyn Larson, district 31; Aslaug Leirfallom, district 10; Emma Letnes, district 28; Ollie McEnnelly, district 48; Emil Martinson, district 147; Celaine Prestegaard, district 59; Halvor Sannes, district 9; Bertha Schaak, district 148; Olaf Sche, district 15; Adeline Solomonson, district 30; Harold Stenick, district 57; Manford Stennes, district 35; Doris Weiner, district 4; Margaret Wiener, district 4; Helen Wilken, district 221; Chester Wilson, district 35; Natalie Woolson, district 28.

The above list includes all those who received state board certificates for examinations taken in rural schools in this county. However, there may be a few others who have received the required state certificates from school districts in other counties of which the county superintendent has no record and if they will notify Superintendent Sande, diplomas will be issued and part may be taken in the county graduation next week.

Golf Tourney Draws Many Spectators; Finals Pending

The Thief River Falls Golf Club Tournament, which was played last Saturday and Sunday on the local course, is still unfinished because several of the participants were out of the city on the tournament days. The winner will not be known until the final match is played off but George Mostue is in the lead of the twenty-five who have taken part so far.

The course was in excellent condition, the turf being in better shape than ever before, and an unusually large number of spectators were present. It is expected that the men's champion will be decided this week while the women's tournament will be played off sometime next week.

Elks Plan Stag-Dinner and Dance in Honor of Connell

A stag dinner party will be given in honor of G. W. Connell Saturday evening this week by the Elks club at the lodge rooms. After the dinner ladies will be invited to the dance. G. W. Connell, a live wire lodge member and favorably known in this city for many years, leaves next week to assume duties in charge of the offices of the Minnesota Wheat Growers in Minneapolis. His departure is regretted by his many friends but the new work offers greater possibilities than are to be found here and all join in extending a sincere farewell.

To Harvest Fieds

As usual quite a number from this locality are leaving for the harvest fields of North Dakota, the prospects for a large crop indicating that employment will be plentiful. Many from other points are also passing thru the city on their way to Grand Forks and other employment centers.

Laziness is at times so artistically employed, that a man gets a fine reputation for good judgment.

Will Move Here Soon

Rev. S. L. Tallakson, new pastor of the Trinity Lutheran church, expects to move his family to this city from Grand Forks the latter part of the month in order that he may be settled in his new home by the date of his installation. He will be officially installed in his charge here on Sunday, Aug. 31 the service to be conducted by Rt. Rev. I. T. Aastad of Detroit, for 23 years pastor of the local church.

Community Club Meets Tuesday

Too many people would rather be regarded as "well bred" than industrious and useful.

Simley Returns

Superintendent I. T. Simley returned to his home in this city Sunday from New York City where he attended the six weeks session of the Columbia University. He took a course in school administration and in his studies there received a very thoro and comprehensive knowledge of modern methods in school administration. He also attended the National Education association at Washington, D. C., in July, which took a week's time. He spent eight weeks in the east and comes back with new inspiration for nine months, or more, work in the city schools.

Pennington Beats West

Dr. and Mrs. J. Biederman and Mr. and Mrs. J. Provencher, who returned recently from the west where they spent six weeks at various points on the coast and intermediate points, report crop conditions there poor, with the exception of irrigated areas, in comparison to those of this locality. Rain had not fallen for seven months in some districts and Pennington county seemed a veritable garden spot on their return. Minnesota roads have western roads backed off the map they reported, as graveled and maintained highways were not to be found except near large cities and right on the coast. This state is fast gaining a reputation for its good roads and consistently good crops.

Purchase New Tractor

Knute Dahle, one of the progressive farmers from near Erie, purchased a new McCormick-Deering tractor last Thursday from C. Gustafson & Son.

Card of Thanks

We hereby wish to express our hearty thanks to every one who showed their sympathy during the sickness and death of our beloved wife, daughter and sister. Likewise do we thank all those who brought flowers and were present at the funeral and partook in our deep sorrow.—John Sunsdahl, Mr. and Mrs. Carl Bakken, Alvin Bakken, Mrs. Arveson, Mrs. John Strand, Erma, Mabel, Selma, Esther and Lily Bakken.

It is often the case that the people who pretend to be shocked are in reality delighted.

Alfred Bredeson and family, Rev. August Bredeson and family, Mrs. Irvin Carlson of St. Cloud, and Mrs. R. V. Davis and daughter, Virginia Anne of Casper, Wyo., spent Sunday visiting at the C. Olson home at Winger.

Mr. and Mrs. August Sortland returned Sunday from Portland, N. D., where they have been visiting Mrs. Sortland's sister. Mrs. Sortland has been away for two months and Mr. Sortland for about two weeks.

Mr. and Mrs. Gynther Tessum, Miss Mildred Engen and Harold Nelson returned to this city Sunday night from Itasca State Park where they spent a week's vacation. They returned by way of Walker, Remer, Winnibigoshish Dam, and Bemidji. Roads on that route were good. A large number of tourists visit the park, many coming in the evening and staying overnight, continuing, perhaps on a transcontinental journey, in the morning. Some days over a hundred names are registered.

TOO LATE TO CLASSIFY

FOR RENT: A corner house east of Zeh and Curran's grocery, Sept. 2. T. K. Rynsted. 29-30c.

LOST—Ten dollar bill, between Lyceum theatre and Fourth Street on LaBree avenue, Monday evening. Finder return to Randall Noper. 29-30p

R. V. Davis arrived Monday morning from Casper, Wyoming, to join his wife for a two weeks' visit at the home of Mrs. Davis' parents, Mr. and *Mrs. August Bredeson.*

Mrs. Alta Peterson of White Bear and Miss Mabel Thompson of St. Paul arrived Sunday to visit a few days at the G. Howard Smith home.

Miss Elsie Vanler of Fosston arrived a week ago to spend the remainder of the month as a guest of her aunt, Mrs. Arthur Granum.

Miss Doris Richter returned Monday evening from Chicago where she has been taking a summer course at the Gregg School of Business.

Miss Dorothy Pederson left Friday evening for Minneapolis to visit for an indefinite time at the home of her sister, Mrs. V. L. Caton. She was accompanied by her brother, Robert.

Mrs. A. L. Hoover and daughter, Mary Jane, of Chicago, arrived last evening to be guests at the J. M. Bishop home. A. L. Hoover accompanied them as far as Minneapolis, leaving from there on a fishing trip, but will arrive here later to join his wife and visit with his sister, Mrs. Bishop.

You, Eligible

If you want a good position, a real worth-while position; if you want to earn a bigger income; if you want clean, dignified, uplifting, permanent employment; if you want to live well, dress well, have a few of the comforts of life now; if you want to associate with successful men and women—take a course at Anker's Business College, Grand Forks, N. Dak., and you can accomplish every one of these things. Send for catalog. 29c

HAVE YOU ANY?

Those who have rooms and board for teachers or students would confer a favor by calling the superintendent's office, phone No. 52, where the information will be listed for sending out to teachers and students. This information should be at the office on or before Aug. 25.

THEY EARN IT BACK IN ONE MONTH

The Union Commercial College, Grand Forks, No. Dak., a standarized, accredited school, begins its next term Sept. 1. Learn Secretarial Work, Shorthand, Typewriting, Accounting, Banking, Bookkeeping, Correspondence, etc., and prepare for a good position. Union Commercial students are going to good positions every week. Miss Louise Rindahl goes to the U. S. Seed Loan office while Mr. Jas. Carter goes to Nash Bros. wholesalers. They will earn back the first month more than their tuition cost. When you can do this the expense of acquiring a business education is pretty reasonable isn't it. Students of the U. C. C. are doing it month after month. Send for our free catalog and let us tell you about it. tf

Good For Weak Eyes

The quick action of simple camphor, hydrastis, witchhazel, etc., as mixed in Lavoptik eye wash astonishes people. One small bottle helps any case weak, sore or strained eyes. Aluminum eye cup free. F. J. Stebbins, Druggist.

PENNINGTON CO. CROPS ARE BEST IN MANY YEARS

(Continued from page 1.)

very late wheat, the season up to August 1 has been unusually favorable for all small grain crops, and good yields generally can be expected from the August conditions. The outcome of the corn crop and the late planted potatoes is still problematical, and is one entirely of weather conditions and the lateness of frost. Should frosts hold off and favorable weather continue, Minnesota would produce large crops of corn and potatoes. If early frosts come, the total yeild—but more especially the merchantable amount—of corn would be small in comparison with the acreage planted this spring. An early frost would also hurt late potatoes. Small grain harvest is now general and a large per cent is completed. As exchange work is common and many women are assisting in harvest work, it is safe to assume that the cost of harvesting the 1924 crop will be lower than for several years. High wages for harvest hands will not be paid this year.

Products of Pennington Co. To Be Shown at State Fair; Exhibit is Nearly Complete

Pennington county agrarian products will be represented at the Minnesota State fair this year following action of the commercial club, which has appointed George M. Wilson to prepare an exhibit and take it to the state exposition.

The exhibit will be composed of various grains, grasses, forage, root and tuber crops and will be in all respects a representative sample of Pennington county farm produce, except for live stock.

This was done last year also and created a great deal of interest. An exhibit at the state fair is proof to the rest of the state that the county is up and doing and possibly surpassing other communities.

Anyone having samples of farm produce that they feel would be a desirable addition to the exhibit may call Mr. Wilson or County Agent McCann and the article will be called for. The job of placing such an exhibit is no small one and the best obtainable material must be used and to this end all should be willing to cooperate.

Robbery Attempted On La Vogue Shop Monday Night

The LaVogue Garment shop on Third street was the scene of an attempted robbery Monday night when a midnight prowler entered the shop through the basement door and then forced open the trap door leading to the main floor. There were evidences of the cash register having been tampered with, but due to lack of knowledge the intruder was unable to open it.

Local police are now endeavoring to discover the identity of the person, whom they believe to be young and inexperienced.

Board of Equalization Gives Approval of Tax Assessment

Final approval of the assessment of taxes on the real estate of the city of Thief River Falls was made Tuesday evening by the county board of equalization when that body met at the office of County Auditor, T. P. Anderson. The assessment was duly filed by the assessor after approval of the board. Proceedings of the board are published in another column of The Times.

When the reckless driver of an automobile gets on the road, he endangers the lives of himself and everyone riding with him, he places in jeopardy the lives of all people riding in automobiles, who chance to pass him, and he does even more.

He causes discomfort and inconvenience to hundreds of thousands of persons every year.

He will have to be dealt with in some way, but few states or municipalities have ever found the cure.

No one cares what harm he does to himself, but as long as he menaces the lives and property of others, he represents a problem that has to be solved by every community.

The style of your Lanpher hat is so good you're doubly grateful for the quality that perpetuates it.

You're also grateful for the moderate price.

INSTALLATION OF NEW PASTOR WILL TAKE PLACE 31ST

S. L. Tallakson to be Installed As Pastor of Trinity Lutheran Church

Rev. S. L. Tallakson, who recently accepted a call to the pastorate of the Trinity Lutheran church in this city, will be installed in his new charge Sunday, August 31. The installation services will be held at the city auditorium at 10:45 in the forenoon, conducted by the Rt. Rev. I. T. Austad of Detroit, district manager of the Lutheran church, assisted by neighboring pastors.

Rev. Tallakson has been in charge of the Lutheran congregation at Grand Forks the past five years, the four preceeding years at Chicago and prior to that five years at Roseau. His work has met with more than hearty approval and members of the Trinity congregation are more than pleased to secure the services of Rev. Tallakson. His work with the young people and the various church organizations in the churches he has served as pastor has made him the more valuable and Rev. Tallakson will find the Trinity congregation here a large and excellent field for endeavor of this kind.

The program of the installation services will be published in The Times next week.

THREE MOTIONS BEFORE DIST. COURT HERE THURS. NIGHT

Bank Hearing Postponed. Street Vacation Continued. Safarik Case Continued

Three motions came up at the special session of district court before Judge Andrew Grindeland at the local courthouse Thursday evening. The matter of the postponement for the hearing of the Citizens State bank; the petition for reopening that portion of Duluth avenue directly west of the Lincoln high school building, which was closed by the city a year ago and the matter of suit against the Empire Farms company and F. F. Haynes by Charley Safarik and Anna Safarik were presented.

Postponement of thirty days of the hearing of the Citizens State bank was granted as progress was being made by the committee. The state banking department was represented by Attorney H. O. Chommie and the committee of the re-establishment of the bank was represented by Attorney O. A. Naplin.

In the suit against the Empire Farms company and F. F. Haynes, Theo. Quale as attorney for the defense, brot by Charley Safarik and Anna Safarik, charging over valuation of lands, G. Halvorson attorney for the plaintiff, petition was entered for a new suit. The case was dismissed at the previous hearing on technicalities, the irregularity, said to having occurred over six years ago and the law requires complaint to be entered within that time. The case may be appealed to the state supreme court.

Residents on the southern portion of Duluth avenue requested opening of the portion of that avenue closed by the city last year when school district No. 18 secured closing of that avenue for athletic ground use. G. Halvorson represented the complaint. The vacation proceedings were continued to a later date to be set at some future time.

CLUB BOOTHS MAKE SHOWING AT FAIR

Blue Ribbon and Gold Medal Clubs Give Fine Booth Exhibit at Fair

The Blue Ribbon club of this city and the Gold Medal club of St. Hilaire conducted exhibition booths at the fair this year that were worthy of particular mention. The exhibits consisted mostly of grains, grasses and forage crops on which animals of prize winners were fed, ribbons won at previous fairs, and photographs taken on trips to state fairs. The two booths were located in the floral building and were the center of much attraction.

Club work in the Red River Valley is growing in leaps and this section of the state is one of the leading districts in boys and girls club work. The interest taken in the work by the younger generation is evidenced by the number of ribbons "copped off" by junior exhibitors and the state fair trips won by club members.

Four Escape Serious Injury in Unusual Auto Accident

Mr. and Mrs. Ed. Dolan of this city, Miss Theresa Dolan and Edward McMahon of Superior miraculously escaped death Monday evening when the car in which they were riding hurdled over a ten-foot embankment and landed right side up in Red Lake River at Red Lake Falls. Though everyone was badly shaken and suffered from the shock, there were no broken bones or serious injuries.

The party was returning from Grand Forks and just when they reached the end of the main street in Red Lake Falls and were about to turn to go up the hill, the steering wheel jammed and the car ran back of the mill, over the river bank and landed in the river. Mrs. Dolan was thrown clear of the car and bruised her back severely. Mr. McMahon was thrown from the front seat into the back and received a very deep cut on one finger. Mr. Dolan slightly sprained one arm and bruised his side, and Miss Dolan was bruised in several places. They managed to secure a car in Red Lake Falls and upon their arrival home were immediately cared for by Dr. and Mrs. Swedenburg.

The car, a Cadillac owned by Mr. McMahon, was hauled out of the river the next day, and thought not badly damaged outwardly, the engine was almost a complete wreck.

COMMUNITY NEWS

GOODRIDGE

Obituary

Mrs. John Sunsdahl was born about twenty-two years ago and died at her parents' home at Neptune, Minn. Aug. 14, after a few month's illness. She was married to John Sunsdahl two and a half years ago. Funeral services were held at home and at Ekelund Lutheran church, Erie. Rev. V. O. Anker officiated and read the last rites at the grave. The choir sang and floral gifts were numerous and beautiful. In spite of the busy season a great number of people were present. The deceased is survived by her husband, John Sunsdahl; parents, Mr. and Mrs. Carl Bakken; one brother, Albin Bakken, and the following sisters: Mrs. Eddie Arveson, Mrs. John Strand, Lily, Esther, Selma, Mabel, and Erma Bakken.

Joe Gangness, M. G. Thoreson and their wives were visitors at the raspberry grounds near Mud Lake Sunday.

H C. Christianson, son Joseph, H. E. Halvorson, P. J. Ovrebo and P. O. Tvedt motored to Moylan Sunday where Joseph and Harry helped the Moylan baseball team to an 8 to 1 victory over Gatzke. The game ended in the 5th inning because of one of the Gatzke players broke his leg.

Andrew Olson of Thorhult is spending a few days in town on business.

Mesdames Geo. Wold, A. Halvorson, O. S. Kirklie and J. Stephenson visited at the M. Lindvick home north of Goodridge Monday evening.

The Garden Valley Telephone company received a truck load of cables here and work will soon begin as they are going to install underground cables in this village.

Mrs. Martin Olson and sons, Owen and wife, Harold and Robert. Roy, and daughter Inez motored to Red Lake Saturday afternoon, returning Sunday. They report as having had a good time.

R. H. McDonald, wife, son Harry, daughter Ruth, neice Miss Mildred Argall and Oscar C. Stusrus of Mayville, N. Dak., returned here Saturday evening after a two weeks trip through Minnesota, Iowa and Wisconsin visiting friends and relatives in various places. They report as having had a fine trip camping outdoors, etc. Mr. Stensrud returned to his home Sunday afternoon to resume his work in the Goose River State Bank.

Julius Stephenson left for the Dakota harvest fields Thursday.

The following people visited at the Theo. Gilbertson home here Sunday: Mr. and Mrs. M. Oness and son Ernest of Minneapolis, Mr. and Mrs. Gilbert Heiele of Devils Lake, N. Dak., Mr. and Mrs. Geo. Suckstorff of Thief River Falls, Mr. and Mrs. Roy Knight of Harvey, N. D.

Nick Bundhund and family motored to Bemidji Sunday, returning with his daughter who will spend the winter at home.

A. B. Josephson and family and Jay Payne and wife motored to Warroad Saturday evening, returning Sunday.

Freida Bundhund, who has been home for a short vacation, returned to Bemidji Monday where she will begin work in the new Grand Cafe.

Robert Johnson departed for the harvest fields Monday evening.

Goodridge Lutheran Church
V. O. Anker, Pastor

Sunday, Aug. 24, English services at Jelle at 11 a. m., and at Goodridge at 8 p. m. The Torgerson Y. P. S. meets with Mr. and Mrs. Edwin Grimely Sunday afternoon. Good program and lunch. Bethania ladies aid meets at church, Tuesday, Aug. 26, Mrs. ing at the school house by Henry Dahing at the schol house by Henry Dahlen, Kennedy, Aug. 27. The confirmation classes meet as usual.

MAYFIELD NEWS

Mr. and Mrs. E. A. Bakke and children, Florence and Herbert, visited at the Stennes home Sunday afternoon.

Mrs. O. Wedul spent Wednesday and Thursday of last week visiting with Mrs. I. Nelson.

A number of Mayfield young people attended a party at the O. J. Peterson home Saturday evening.

The Wedul young folks visited at the J. P. Johnson home last Tuesday evening.

Holt Postmistress Resigns

Miss Gunhild Sollom has resigned from her position of postmaster at Holt and expects to take up teaching again, according to the Holt Weekly News of last week. A civil service examination to fill the vacancy will be held in Thief River Falls on Sept. 6. The compensation for the last fiscal year was $762.

Providing Storage Room

Potato growers in the vicinity of St. Hilaire plan to erect a temporary sorting shed and loading platform at the vilage this fall, according to reports, planning to build a permanent warehouse next year. Practically the entire potato crop here this year will be handled by the Pennington county unit of the Minnesota Potato Growers' Exchange, which is now making arrangements to take over most of the warehouses in the areas where the growers have signed up in the exchange.

CITY COUNCIL PROCEEDINGS

PROCEEDING OF THE BOARD OF REVIEW

Pursuant to law the City Council acting as a Board of Review met in the Council Chambers on Monday, June 23, 1924, for the purpose of reviewing and adjusting assessments for the year 1924 and for the purpose of hearing any and all complaints of persons feeling themselves aggrieved by said assessments.

The meeting was called to order by M. V. Evenson, Chairman, at 9:00 A. M. with a quorum present.

After being in session from 9:00 A. M. to 5:00 P. M. on each of the following days: June 23, 24, 25, 26, 27 and 28 with a quorum present and having reviewed the assessments as listed by the assessor, the Board on motion adjourned until Monday, June 30th at 9:00 A. M.

Pursuant to adjournment the Board of Review met in the Council Chambers on June 30th, 1924, with a quorum present.

The meeting was called to order by M. V. Evenson, Chairman, at 9:00 A. M.

It appearing that a re-assessment was deemed advisable, a motion was introduced by Alderman Brumund, seconded by Alderman Porter, that Mr. T. L. Melgaard be employed at a fee of $7.50 per day to assist the assessor in making a re-assessment of the taxable property in the city. On the roll being called on the motion and all members voting in favor the motion was declared carried.

There being no further business the Board on motion adjourned until such time as the re-assessment would be completed.

The assessor and assistant having completed their reassessment the Board met in the Council Chambers in the city auditorium on Thursday, July 31st, 1924.

The meeting was called to order by M. V. Evenson, Chairman, at 9:00 A. M. with a quorum present.

After being in session from 9:00 A. M. to 5:00 o'clock P. M., reviewing the assessments as listed, hearing complaints and having made such corrections as were deemed adviseable the books were on motion approved and accepted and the Board adjourned.

M. V. EVENSON,
Chairman.

Attest:
P. G. PEDERSON,
Clerk of the Board.

COUNCIL PROCEEDINGS
Thief River Falls, Minnesota

A special meeting of the city council was called to order by M. V. Evenson, President, at 2:30 o'clock P. M., Thursday, August 7th, 1924, with all members present, as follows: Porter, Fossum, Brumund, Rambeck, Evenson, Paulson.

The meeting was called for the purpose of going further into the proposition of the city engaging in the business of selling gasoline to the public.

Alderman Brumund, seconded by Alderman Porter, introduced a motion that two members of the city council be appointed to act with the mayor on the proposition. The motion was duly carried and Aldermen Rambeck and Fossum were duly appointed as the two members to assist the mayor in the matter.

An application from the American Legion for permission to conduct a public dance on the evenings of Aug. 7, 8 and 9, was read and a motion was made by Alderman Brumund, seconded by Alderman Rambeck, that permit be granted them to conduct a public dance in the city auditorium at a fee of $1.00 per night. There being no objections thereto the motion was declared carried.

There being no further business the council adjourned.

M. V. EVENSON,
President of the Council.

Attest:
P. G. PEDERSON,
City Clerk.

COUNCIL PROCEEDINGS
Thief River Falls, Minnesota

A regular meeting of the City Council was called to order by M. V. Evenson, President, at eight o'clock P. M., Tuesday, August 12th, 1924, with all members present.

Minutes of the regular meeting of July 22nd, and special meeting of August 7th, were read and on motion approved as read.

On the application of J. F. Farr for refreshment license which was referred to the license committee at the last regular meeting, the committee advised that they had nothing to report.

Mrs. J. O. Sether appeared before the Council requesting that lights be installed for moral purposes in the open vestibules of the city schools and a motion was made by Alderman Porter, seconded by Alderman Rambeck, and duly carried, that the same be installed and connected with the city street lights.

The Mayor's appointment of Mrs. Della Zeh as a member of the Park Board for a term ending on the second Tuesday in January, 1929 was read and on motion approved.

An offer from Oliver K. Loyland for the police motorcycle in the sum of $100.00 was read and motion was made by Alderman Porter, seconded by Alderman Rambeck, that the offer be accepted contingent upon the legal transfer of the same to the prospective purchaser. There being no objections thereto the motion was declared carried.

An application for renewal of license to sell milk and cream of Albert Johnson was read and on motion by Alderman Fossum, seconded by Alderman Brumund, and duly carried, said application was declared granted.

An application for permission to repair the building known as the parsonage of the Trinity Lutheran church was read and Alderman Porter moved the granting of same. Alderman Paulson seconded the motion which was duly declared carried.

Alderman Brumund, seconded by Alderman Rambeck, moved the acceptance and filing of the monthly reports of the city clerk, city treasurer, municipal judge, chief of police, city dairy inspector, city scales. There being no objections thereto the motion was declared carried.

A motion was introduced by Alderman Brumund, seconded by Alderman Rambeck and carried that Alderman Evenson be placed in charge of the work of cleaning out the river below the dam.

A motion was made by Alderman Fossum, seconded by Alderman Brumund, and duly carried that the city clerk be instructed to advertise for bids for heating equipment in the city poor house; bids to be opened on Sept. 9th, and advertisement to call for bids on hot water, hot air and steam installation.

There being no further business the council on motion adjourned.

M. V. EVENSON,
President of the Council.

Attest:
P. G. PEDERSON,
City Clerk.

ROLL CALL

Aldermen voting Yes: Fossum, Porter, Brumund, Rambeck, Evenson and Paulson.

Aldermen voting No: None.

Resolution declared passed.

M. V. EVENSON,
President of the Council.

Presented to Mayor Aug. 13th, 1924.
Approved August 18th, 1924.
J. S. ARNESON,
Mayor.

Attest:
P. G. PEDERSON,
City Clerk.

RESOLUTION

At a regular meeting of the City Council held August 12, 1924, Alderman Porter, seconded by Alderman Brumund, introduced the following resolution and moved its adoption:

"BE IT RESOLVED, by the City Council of the City of Thief River Falls, Minnesota, that

WHEREAS, By resolution adopted by the Council on July 1, 1924, the Council authorized the purchase of the property known as "Kretzschmar Water Power" on the Red Lake River, and

WHEREAS, In the description of the said property there was included the following lots, to-wit:

Lots 4, 5, 6 and 7, of Block 2, of Porters Addition to said City, and,

WHEREAS, Such lots are not connected with said water power property, and were included in said description by mutual mistake of the council and the vendors of said property, and,

WHEREAS, In said resolution there was also described as part of the property to be so conveyed to the City the rear 20 feet of lots 2, 3 and 4, of Block 1, of said Porter Addition, and, Whereas, subsequently to the adoption of said resolution it was agreed between the council and the said vendors that in lieu of deed of conveyance of said property last above described the city should take a conveyance of an easement over the rear 20 feet of lots 1, 2, 3 and 4 of said Block 1, for the purpose of building and maintaining a retaining wall thereon to protect the dam in said river, and, Whereas, pursuant to said agreement and understanding, the officers of the city have accepted such deed of said water power property without the property first above described, and have taken and executed in behalf of the city a contract granting to the city an easement over the property last above particularly described, and have issued to the vendors, to-wit: W. A. Schreiter and Anna Kretzschmar the warrants provided and authorized in said resolution adopted as aforesaid.

NOW, THEREFORE, Be It Resolved, that the action of the officers of the city in so taking said deed, executing said contract for said easement, and issuing said warrants, and the winding up of said transaction whereby said water power and appurtenant properties were so conveyed to the city, be, and the same is hereby in all things ratified and confirmed.

ROLL CALL

Fair Board Meets

The board of directors of the Pennington County Fair association met at the commercial club rooms Saturday evening to give bills incurred in the fair this year their O. K., and for a brief business session. The fair board is well pleased with the results of this year's exposition and while expenses were high, receipts were correspondingly high.

D.B.C. MAN WINS $UCCE$$ IN BANK

J. J. Goehring, newly elected Vice-President of the Security State Bank, Whitetail, Mont., is the 227th graduate of Dakota Business College, Fargo, to become a bank executive. His assistant cashier is also a D. B. C. graduate.

Ellen Olin, a "Dakota" girl, was recently employed by the Farmers & Merchants Bank, Moorhead. Their cashier is a D. B. C. man. Every Fargo bank and 685 others employ "Dakota" graduates.

Watch each week and "Follow the SucceSSful." Fall term opens Sept. 1-8. Write F. L. Watkins, Pres., 806 Front St., Fargo.

Northern Minnesota's Greatest

FAIR

At Bemidji August 26-27-28-29

Better Exhibits Than Ever Before in all Departments
Plenty of good wholesome amusement and entertainment
Plenty of speedy racing events

Politics Discussed
A number of prominent candidates have been invited to speak. Come and hear them.

Base Ball Games
Played by different teams in the Northern Minnesota League

Grand Display of Fireworks Nightly
Admission only 50c at the gate

Come to Bemidji for the Holiday Event of the Year

Minnesota State Fair
and
Northwest Dairy Exposition

THE MOST STUPENDOUS ENTERTAINMENT program ever put on by any fair or exposition in the world has been booked. Among its leading features are three days of auto racing, four days of harness and running horse racing; auto polo and auto push ball; seventeen big open-air circus acts; the spectacular fireworks production "Tokio"; Morris and Castle Shows; ten big bands and orchestras; and others too numerable to mention.

Aug. 30 to Sept. 6

Fare and Third Round Trip Rate on all Roads

Northern Minnesota Fair At Bemidji Takes Place 26-29

The Northern Minnesota fair which will take place at Bemidji August 26, 27, 28, 29 is offering the greatest program of its history. The entertainment features which include splendid speed events, a big baseball tournament in which Northern Minnesota League teams participate, plenty of good vaudeville, music by the famous Bemidji boys band and fireworks two evenings of the fair. Those attending will also have an opportunity to hear both republican and farmer-labor candidates for the office of governor of the state of Minnesota and congressman of the Sixth district. Thomas Schall, blind congressman who is a candidate for the United States Senate will also speak. There will be splendid exhibits in all departments and the fair will be well worth attending. Every effort has been made by the management to make it the best fair in the history of the association and there is every indication to lead to the belief that it will be the best.

Having "Booze" In Shop Costs Wm. Poirier $75

William Poirier, local barber, was arrested and hailed into municipal court Tuesday morning on a charge of keeping a nuisance when illegal liquor was found in his shop on Third street. He plead guilty to having liquor in his possession but stated that he had never sold any of the stuff, having kept it for his own use only. Judge Tarrant fined him $75.

Motor Vehicles Collide

A collision occurred at the intersection of Horace avenue and Third street on Tuesday morning when a Kiewel truck, driven by William LaFave, was rammed from the side by a new Chevrolet touring car. The truck was only slightly damaged but the radiator on the Chevrolet was smashed, one fender crumpled, a light broken, and the running board torn, the damages altogether amounting to about $60.

WE PAY CASH

There is a Reason

There is a reason why the dairyman is able to receive accommodations from his merchant and banker. When he desires credit he is able to state definitely that twice a month he will have a Cream Check to make good his obligations. With him it is not a case of marketing his product if the prices are right, or if certain conditions happen to be right as is the case with other products. While the price of butterfat usually declines in the summer time, the cost of production likewise declines, making dairying a profitable year-around business.

Decide now to get your share of the profits by marketing your Cream co-operatively.

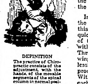
We Chiropractors Work with the Subtle Substance of the Soul



DEFINITION
The practice of Chiropractic consists of the adjustment, with the hands, of the movable segments of the spinal column to normal position for the purpose of releasing the prisoned impulse

We release the prisoned impulse, the tiny rivulet of force, that emanates from the mind and flows over the nerves to the cells and stirs them into life. We deal with the magic power that transforms common food into living, loving, thinking clay; that robes the earth with beauty, and hues and scents the flowers with the glory of the air.

In the dim, dark, distant long ago, when the sun first bowed to the morning star, this power spoke and there was life; it quickened the slime of the sea and the dust of the earth and drove the cell to union with its fellows in countless living forms. Through aeons of time it finned the fish and winged the bird and fanged the beast. Endlessly it worked, evolving its forms until it produced the crowning glory of them all. With tireless energy it blows the bubble of each individual life and then silently, relentlessly dissolves the form, and absorbs the spirit into itself again.

And yet you ask "Can Chiropractic cure appendicitis or the 'flu?'"

Have you more faith in a knife or a spoonful of medicine than in the power that animates the living world?

Employ none but a competent chiropractor.

Ask Your Chiropractor for "The Last Word"

Thief River Falls, city				

Owing to some misunderstanding in the Assessment in the City of Thief River Falls, the County Board adjourned subject to the call of the County Auditor.

EMIL LARSON, Chairman.

T. P. ANDERSON, Clerk.

Thief River Falls, Minnesota, Aug. 10th, 1924.

On the call of the County Auditor the County Board of Equalization met in the office of the County Auditor at 7 o'clock P. M. All members present.

Meeting was called to order by chairman Emil Larson.

The matter of the Assessment of the Real Estate of the City of Thief River Falls, was gone over again and on motion by Commissioner McGinn duly seconded by Commissioner Roy the Assessment of the Real Estate of the City of Thief River Falls, for the year 1924 was approved as filed by the Assessor. Motion carried.

Having compared and examined the returns and equalized the Real Estate and the Personal Property Assessment for the year 1924.

On motion duly carried the County Board of Equalization adjourned sine-die.

EMIL LARSON,
Chairman County Board of Equalization.

Attest:
T. P. ANDERSON, County Auditor.

Thief River Falls, Minnesota, July 21st, 1924.

Pursuant to law, A. W. Hanson, R. McGinn, Emil Larson, J. S. Roy and Carl G. Olson constituting the County Board of Equalization for the County of Pennington, Minnesota, met with T. P. Anderson, County Auditor, subscribed to the Statutory Oath and entered upon their duties as a Board of Equalization in and for the County of Pennington, Minnesota.

On roll call the following members were present: A. W. Hanson, R. McGinn, Emil Larson, J. S. Roy and Carl G. Olson and T. P. Anderson.

On motion duly carried Emil Larson was duly elected as Chairman of the Board of Equalization.

The Board of Equalization being duly organized proceeded to equalize the Personal Property in the townships as well as the Villages and the City of Thief River Falls

Changes made by the County Board of Equalization for the year 1924.

Owing to the delay in completing the Assessment of Thief River Falls, the County Board of Equalization adjourned until August 6th at 10 o'clock in the forenoon.

EMIL LARSON, Chairman.

T. P. ANDERSON, Clerk.

OFFICIAL PROCEEDINGS OF THE COUNTY BOARD PENNINGTON COUNTY, MINNESOTA

Thief River Falls, Minnesota, Aug. 6, 1924.

The County Board for Pennington County met in special session in the office of the County Auditor at 7 o'clock in the evening, all members present.

A letter had been received from Mr. Christian Ensrud a patient at the Oakland Park Sanatorium asking that he be transferred from the Oakland Park Sanatorium to the State Sanatorium at Walker and that the County Commissioners authorize such change.

The County Board took a recess and went to the Sanatorium to interview Mr. Ensrud and also Dr. Bernard. Dr. Bernard stated to the County Board that the change and the new treatment would be of great benefit to the patient. After taking this matter under due consideration Commissioner Olson offered the following resolution and moved its adoption duly seconded by Commissioner McGinn:

WHEREAS, after investigation it has been made to appear to this Board that Christian Ensrud afflicted with incipient pulmonary tuberculosis that he has resided in the State of Minnesota thruout the year last past, that he is unable to pay the charges for his maintenance and care in the State Sanatorium and is without kindred legally liable therefore and liable to pay the same.

NOW, THEREFORE, Be It Resolved, By the County Board of said County that request be made forthwith to the Superintendent of the Minnesota State Sanatorium for the admission thereto of the said Christian Ensrud and that the Chairman of this Board be and he is hereby authorized and directed to make such request in writing pursuant to the provisions of Section 4133 General Statutes of Minnesota for 1913.

The charge for the maintenance and care of said patient in said Sanatorium to be paid by the County of Pennington.

All members present voted for the resolution it was so declared approved.

The County Auditor presented a letter received from Governor J. A. O. Preus, the same being directed to the members of the County Board, asking for assistance for the families who had lost everything in the recent tornado in the Counties of Lyon, Lincoln, Murray, Redwood, and Cottonwood. The quota for Pennington County was set at $500.00. After due consideration the County Board did not think that this amount could be raised by solicitation in time to give the most needed help.

Commissioner McGinn offered the following resolution and moved its adoption, duly seconded by Commissioner Roy:

BE IT RESOLVED, That the sum of Five Hundred Dollars be and the same is hereby appropriated from the General Revenue Fund of the County to aid in such relief work for the tornado sufferers and the County Auditor hereby is authorized and directed to issue his warrant in the sum of Five Hundred Dollars in favor of Governor J. A. O. Preus.

All members present voted for the resolution it was so duly approved.

Motion was made by Commissioner Hanson and duly seconded by Commissioner Olson that the County Auditor be instructed to transfer from the account of County Ditch No. 38 the amount of the expense in cleaning the outlet of the same under contract by Halvor Holen, and to charge the same to State Road No. 7.

Motion was voted on and duly carried.

There being no further business the County Board adjourned sine-die.

A. W. HANSON,
Chairman.

Attest:
T. P. ANDERSON,
County Auditor & Ex-officio
Clerk of the Board.

Strong Nerves

You can't be healthy, happy or even good when you're nervous and irritable.

Every organ of the body is controlled by the nerves.

When they're out of order you're liable to have a nervous or physical break down.

Dr. Miles' Nervine

soothes irritated nerves and gives nature a chance to restore them to their normal functions.

Sold at pre-war prices—$1.00 per bottle.

High Prices Not Making Farmers Rich Over-Night

That the current increase in farm product prices is only a temporary relief and that the fundamental causes of the agricultural depression have not been removed is stated by the American Council of Agriculture in a message sent to President Coolidge in which the Council petitions the President to have appointed by the Secretary of Agriculture "an extraordinary commission" to study the basic needs of agriculture and recommend definite remedial legislation to Congress with a view to its enactment during the short session.

The American Council of Agriculture was formed at St. Paul last month by representatives of approximately 50 farm organizations, large and small, in order that a concerted effort might be made to secure legislation embodying the principle of the defeated McNary-Haugen bill.

In petitioning the President to appoint a commission, George N. Peek, Moline, Illinois, president of the Council, stated that the Council regards the agricultural price situation as essentially economic rather than political and aims to insure that this agricultural problem does not become the "foot ball of partisan politics."

"The Council does not regard the current increase in the price of farm products as fundamentally meeting the requirements of the agricultural situation," the petitioning letter stated, "but on the contrary it believes that these requirements can be met only by definitely and permanently establishing agriculture on a parity with industry and labor by extending to it the principles of the protective system in a manner that will insure an American price for the American requirements, independent of the world price for the surplus."

The petition specifically requests that the Secretary of Agriculture select the members of the commission.

To Walker Sanatorium

Christ Ensrud, who has been a patient at the Oakland Park sanatorium, was taken to the State Sanatorium at Walker Monday night, accompanied by Sheriff O. L. Ihle and John Gullingsrud.

Hall's Catarrh Medicine is a Combined Treatment, both local and internal, and has been successful in the treatment of Catarrh for over forty years. Sold by all druggists.

correct internal troubles, stimulate vital organs. Three sizes. All druggists. Insist on the original genuine GOLD MEDAL.

Saving 500 Million Dollars Annually

THE Oil and Gas Journal, of July 24, 1924, says: "Measured in terms of what is saved car and truck owners in the prices they must have paid for gasoline, if no cracking process had been in use, cracking saved the motorist last year probably $500,000,000."

"And this is the significance of cracking," continues this journal—"a significance that can be measured in dollars saved to the millions who call at the filling station for gasoline."

The entire business of cracking gasoline has been developed since January 7, 1913, when the Standard Oil Company (Indiana) was granted its first patent for what is known as the Burton Cracking Process.

In 1923 there were some 2000 cracking "units" in operation, of which about 1600 were Burton Process, and the remaining 400 scattered among other cracking processes of more recent origin.

During 1923 the 14 million cars and trucks used about 6,800,000,000 gallons of gasoline.

Despite the flood of crude oil, during 1923, there were but 4,950,000,000 gallons of straight run gasoline available for these 14 million cars and trucks.

Hence it is obvious that without the cracking process now so generally in use, gasoline prices would have been substantially higher than they were and one-fourth of these vehicles could not have been operated.

This clear, simple statement of facts, verified and set forth in a non-partisan manner in a keen review of the situation by Charles E. Bowles in the Oil and Gas Journal, is more convincing than a dozen arguments in proving the immense service which the Standard Oil Company (Indiana) has rendered the automobilist, by developing the Burton Cracking Process, and by inventing stills and other refining machinery to a point where there is practically no crude which cannot be treated and made to yield substantial quantities of good gasoline.

If the Oil and Gas Journal is correct in its figures, and we believe that they are conservative, the average saving per car was $35.72 for 1923—a saving essentially due to the progressive policy of the Standard Oil Company (Indiana).

COMMUNITY NEWS

ROSEWOOD

Rev. O. J. Peterson from St. Paul is a guest this week at the home of his son D. N. Peterson and family who are operating a general merchandise store at this place. Rev. Peterson is a minister of the Swedish Mission Friends, and on Sunday forenoon occupied the pulpit of the Mission church at Warren and in the evening spoke at the Mission church at Viking. Rev Peterson left on Monday for his home.

Ardith Ostrom from Thief River Falls visited for a few days this week at the John Sagmoen home.

The Ladies Friday afternoon club was entertained by Mesdames Emil Anderson and Albert Paulson at their home on Friday.

Alfred Raftoseth left last week for Nekoma, N. D., where he expects to be employed during harvest.

Selmer Sorenson accompanied by his mother Mrs. Bella Sorenson left last Sunday by car for Langdon, N. D., where Selmer will be employed during harvest at the farm of Ludwig Olson. Mrs. Sorenson will also remain out there at the home of her daughter, Mrs. Ludwig Olson.

Mrs. Johanne Nyhus from Thief River Falls is visiting this week at the Swen Swenson home and with other friends and relatives.

John Sorenson and John Sagmoen have accepted contract for a thorough refinishing job at the Rosebank school building and grounds and have commenced work this week. All woodwork both inside and out will be repainted, the woodshed and out buildings refinished, a new flag staff erected, the bell tower remodeled and other necessary improvements. School will open on Monday, Sept. 15.

Hans Hanson and Miss Olga Alby are visitors this week at the latter's parental home north of town.

Joel Shoberg and John Sorenson spent Sunday at the Red Lakes, going by way of Highlanding, Oklee and Gully to the Red Lake Agency and returning by the Red Lake outlet, Thorhult and Grygla. This lake which has of late been given so much attention by the people in this section as a probable summer resort is indeed worth seeing by those who have the opportunity, and it makes a fine Sunday camping out trip. The drive, however, is quite tiresome owing to the endless twists and sharp turns. The road is also quite narrow at many places and during or after a rain would be very difficult to travel. The agency has a fine view of the lake and is nice Indian town, with several large government buildings. The outlet shows two sunken government boats and the start of the Red Lake river, otherwise it has no special interest. The lake on the west is bordered by woods through which a winding trail leads the traveler, the beach here on several places is of fine smooth sand, and looking east no shore can be seen but water seems to meet the horizon giving the whole a very impressive look, and the waves during an ordinary day are just large enough to rise to the breaking point forming beautiful white caps which in the sunshine form a very ocean like contrast. An occasional white sail boat can also be seen, and the fish are numerous enough to be seen direct from the shore. Hundreds of tourists visited the lake on Sunday, the same as on all other Sundays when the weather is favorable.

J. E. Thompson, now of Gully, spent a few days here this week visiting with friends.

Mr. and Mrs. D. N. Peterson accompanied Rev. Peterson to Warren and Viking last Sunday to attend his church services.

Mr. and Mrs. Benhard Ranum and sons motored to Gatzke last Sunday where they were guests at the S. O. Ostgaard home. Mr. Ranum is a brother to Mrs. Ostgaard.

A dance was given at the Wilkens new barn east of Steiner which has been erected by Contractor B. Ranum of this place, last Saturday evening and was attended by several parties from this place.

A picnic was given at the B. Ranum farm on Sunday, Aug. 10, and in which partook several families from this place, and including Mr. and Mrs. S. O. Ostgaard from Gatzke and Mr. and Mrs. Christ Eggen and Mr. and Mrs. Ingvall Eggen from Kelliher.

Few Reactors in Red Lake County, Area Testing Shows

Arrangements have been made by the Plummer Co-operative Creamery association whereby it wil have the cattle of all patrons residing in Pennington county tested, making a product of that creamery produced from cattle that are free from tuberculosis, according to an item in the Red Lake Falls Gazette.

Of the 17,344 cattle tested in the recently completed area test of Red Lake county only 169 were tubercular. Red Lake is the first county in which less than 1 per cent of infections was found on the first county wide test and is given a rating of a modified accredited area.

Red Lake county is the fourth county tested under the county area law enacted by the last legislature. This law makes it possible for the Federal government, the state, and counties to combine appropriations for testing of all cattle within a county, in order to give counities an official rating as a modified accredited area when the percentage is reduced to ½ of 1 per cent.

If the next retest of infected herds results disclosing less than ½ of 1 per cent of the total number of cattle in the county reacted, which is to be expected, judging from the results of such retests in other counties, there will then be no further tax levy to the county, as the law provides that the state shall bear the expense of the necessary retests of infected herds, until the disease is eliminated. There will be no county wide test for at least three years, and under the present law, this will be made at state expense.

A large number of herds in Pennington county are tuberculin tested and accredited.

Notice to Cut Weeds

All property owners in Excell township are hereby notified to cut weeds along roadway adjoining their land. The cutting must be done promptly or the work will be done by the township and taxed to property which adjoins roadway where the cutting is done.

L. O. WILLIAMS,
Chairman Town Board of
A21-28 Excell.

LEGAL NOTICES

(July 17-Aug. 21)

NOTICE OF MORTGAGE FORECLOSURE SALE.

WHEREAS, default has been made in the condition of a certain Indenture of Mortgage, made, executed and delivered by Peter W. Korstad and Blanche Korstad, his wife, of Pennington County, Minnesota, as mortgagors, to the First and Peoples State Bank, Thief River Falls, Minnesota, a Minnesota corporation, as mortgagee, upon and covering the following described real property, lying and being in the County of Pennington, and State of Minnesota, to-wit:

The Northeast Quarter (NE¼), and the North Half of the Southwest Quarter (N½ SW¼), and the Southeast Quarter of the Southwest Quarter (SE¼ SW¼), and Lot One (1), Section Twenty-one (21), Township One Hundred Fifty-three (153) North, of Range Forty (40) West, of the Fifth Principal Meridian, containing Three Hundred Nineteen and 80-100 (319-80-100) acres, more or less, according to the United States Government Survey thereof, which said mortgage bears date the Thirteenth (13th) day of February, A. D., 1920, and was filed for record in the office of the Register of Deeds, in and for said County of Pennington, in the State of Minnesota, on the Twenty-seventh (27th) day of February, A. D. 1920, at 10:00 o'clock A. M., and was duly recorded in Book 13 of Mortgages, on page 571, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by assignment dated the Second (2nd) day of March, A. D. 1920, and filed for record in said Register of Deeds office on the Tenth (10th) day of March, A. D. 1920, at 1:00 o'clock P. M., and was duly recorded in Book 63 of Mortgages, on page 181, and

WHEREAS, said default consists in the failure of said mortgagor to pay an installment of interest due December First (1st), 1923, and failure to pay taxes, and

WHEREAS, by reason of the default made as aforesaid The Minnesota Mutual Life Insurance Company, as authorized by said mortgage and the notes thereby secured, has declared and does hereby declare the whole of said principal and accrued interest thereon to be immediately due and payable, and

WHEREAS, there is claimed to be due upon said mortgage and the notes thereby secured at the date of this notice the sum of Eight Thousand Seven Hundred Ten and 79-100 ($8,710.79) Dollars, being Eight Thousand ($8,000.00) Dollars principal and Seven Hundred Ten and 79-100 ($710.79) Dollars interest, and no action or proceedings at law or otherwise, has been instituted to recover the same or any part thereof.

NOW, THEREFORE, notice is hereby given that in and pursuant to the power of sale said mortgage contains, and the statute in such cases made and provided, the said mortgage will be foreclosed and the real property therein described will be sold by the Sheriff of said County of Pennington, in the State of Minnesota, or by his Deputy, at public auction to the highest bidder therefor for cash, at the East front door of the Pennington County, Minnesota, Court House, in the City of Thief River Falls, and in said County of Pennington, on Saturday, the Thirtieth (30th) day of August, A. D. 1924, at 10:00 o'clock in the forenoon of that day, to pay the amount which will then be due upon said mortgage, including taxes if any, and the costs and expenses of this foreclosure, also including an Attorney's fee of One Hundred ($100.00) Dollars as stipulated in said mortgage to be paid in case of foreclosure thereof.

Dated July 1st, 1924.

THE MINNESOTA MUTUAL LIFE INSURANCE COMPANY,
Assignee of Mortgagee.

S. GRANT HARRIS,
Attorney for Assignee of Mortgagee,
11th Floor Commerce Building,
St. Paul, Minnesota.

July 31-Sept. 4

Notice of Mortgage Foreclosure Sale.

Default has been made in the conditions of a mortgage dated January 26th, A. D. 1921, made and executed by Harris F. Atwood and Effie C. Atwood, his wife, Perry M. Atwood and Myrtle Atwood, his wife, Arthur H. Atwood and Blanche Lidia Atwood, his wife, mortgagors, and delivered by them to the State Bank of Viking, a corporation, mortgagee, and recorded in the office of the Register of Deeds in and for the County of Pennington, State of Minnesota, on the 15th day of February, A. D. 1921, at 8 o'clock A. M. in Book 4 of Mortgages on page 622.

Which said mortgage together with the debt secured thereby was duly assigned by an instrument in writing, dated the 24th day of March, A. D. 1921, by said State Bank of Viking, a corporation, to The Lincoln National Life Insurance Company, a corporation, and duly filed and recorded in the office of the Register of Deeds in and for said County of Pennington, State of Minnesota on the 24th day of March, A. D. 1921 at 5 o'clock P. M. in Book 64 of Mortgages on Page 302.

Said default consists in the failure to pay the sum of Four Hundred Twenty Dollars ($420.00) which became due and payable on the 26th day of January, A. D. 1924 and whereas, The Lincoln National Life Insurance Company, a corporation, assignee of mortgagee and holder of said mortgage has duly elected and does hereby elect to declare the whole principal sum of said mortgage due and payable at the date of this notice under the terms and conditions of said mortgage and the power of sale therein contained, and whereas there is actually due and claimed to be due and payable at the date of this notice the sum of Six Thousand Six Hundred Thirty-Two and 99-100 Dollars ($6,632.99) and whereas, the said power of sale has become operative and no action at law or otherwise having been instituted to recover the debt secured by said mortgage or any part thereof;

Now, Therefore, notice is hereby given that by virtue of the power of sale contained in said mortgage and pursuant to the statute in such case made and provided, said mortgage will be foreclosed by a sale of the premises described in and conveyed by said mortgage, which said premises are situate in the said County of Pennington, State of Minnesota, and more particularly described as follows, to-wit:

The East Half (E½) of Section numbered Thirty-four (34) in Township numbered One Hundred Fifty-four (154) North of Range numbered Forty-five (45) West of the Fifth principal Meridian, containing Three Hundred Twenty (320) acres, more or less, according to the government survey thereof, together with all hereditaments and appurtenances thereunto belonging.

Said sale will be made by the Sheriff of said Pennington County, State of Minnesota, at the front door of the Court House in the City of Thief River Falls, in said County of Pennington, State of Minnesota on the 12th day of September, A. D. 1924 at 10 o'clock A. M. of that day, at public vendue to the highest bidder for cash to pay said debt and interest, and the taxes if any, on said premises, together with the costs and disbursements of foreclosure and expenses allowed by law including One Hundred Dollars ($100.00) attorney's fees as stipulated in said mortgage in case of foreclosure, subject to redemption at any time within one (1) year from date of said sale.

Dated July 23, 1924.

NOTICE OF MORTGAGE FORECLOSURE SALE.

Whereas, default has been made in the conditions of a certain Indenture of Mortgage, made, executed and delivered by Anton Knudson and Ada Knudson, his wife, of Pennington County, Minnesota, as mortgagors, to the Citizens State Bank of Thief River Falls, a Minnesota corporation, as mortgagee, upon and covering the following described real property lying and being in the Counties of Pennington and Marshall, and State of Minnesota, to-wit:

The Southeast Quarter (SE¼) of Section Ten (10); Northwest Quarter of the Northwest Quarter (NW¼ NW¼) of Section Fourteen (14); Northeast Quarter of Northeast Quarter (NE¼ NE¼) of Section Fifteen (15); South Half of the Northwest Quarter (S½ NW¼) and the Northwest Quarter of the Northwest Quarter (NW¼ NW¼) of Section Eleven (11), all in Township One Hundred Fifty-four (154) North of Range Thirty-nine (39) West of the Fifth Principal Meridian, containing Three Hundred Sixty (360) acres, more or less, according to the Government survey thereof, which said mortgage bears date the First (1st) day of December, A. D. 1919, and was filed for record in the office of the Register of Deeds in and for said Pennington County, in the State of Minnesota, on the Twenty-second (22nd) day of December, A. D. 1919, at 4:00 o'clock P. M., and was duly recorded in Book 12 of Mortgages, on page 531, and was also filed for record in the office of the Register of Deeds in and for said Marshall County, in the State of Minnesota, on the Ninth (9th) day of January, A. D. 1920, at 2:00 o'clock P. M., and was duly recorded in Book 93 of Mortgages, on page 551, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by two assignments dated the Eighth (8th) day of July, A. D. 1920, one filed for record in said Register of Deeds office of Pennington County, on the Twenty-first (21st) day of September, A. D. 1920, at 1:00 o'clock P. M., and was duly recorded in Book 63 of Mortgages, on page 244, the other filed for record in said Register of Deeds office of Marshall County, on the Twenty-first (21st) day of September, A. D. 1920, at 2:00 o'clock P. M., and was duly recorded in Book 93 of Mortgages, on page 400, and

WHEREAS, said default consists in the failure of said mortgagors to pay an installment of interest due December First (1st), 1923 and failure to pay taxes, and

WHEREAS, by reason of the default made as aforesaid The Minnesota Mutual Life Insurance Company, as authorized by said mortgage and the notes thereby secured, has declared and does hereby declare the whole of said principal and accrued interest thereon to be immediately due and payable, and

WHEREAS, there is claimed to be due upon said mortgage and the notes thereby secured at the date of this notice the sum of Six Thousand Five Hundred Thirty-three and 10-100 ($6,533.10) Dollars, being Six Thousand ($6,000.00) Dollars principal and Five Hundred Thirty-three and 10-100 ($533.10) Dollars interest, and no action or proceedings at law or otherwise, has been instituted to recover the same or any part thereof.

NOW, THEREFORE, notice is hereby given that in and pursuant to the power of sale said mortgage contains, and the statute in such cases made and provided, the said mortgage will be foreclosed and the real property therein described will be sold by the Sheriff of said County of Pennington, in the State of Minnesota, or by his Deputy, at public auction to the highest bidder therefor for cash, at the East front door of the Pennington County, Minnesota, Court House, in the City of Thief River Falls, and in said County of Pennington, on Saturday, the Thirtieth (30th) day of August, A. D. 1924, at 10:00 o'clock in the forenoon of that day, to pay the amount which will then be due upon said mortgage, including taxes if any, and the costs and expenses of this foreclosure, also including an Attorneys' fee of One Hundred ($100.00) Dollars, as stipulated in said mortgage to be paid in case of foreclosure thereof.

Dated July 1st, 1924.

NOTICE OF MORTGAGE FORECLOSURE SALE.

WHEREAS, default has been made in the conditions of a certain Indenture of Mortgage, made, executed and delivered by E. P. Heggestuen, a widower, of Pennington County, Minnesota, as mortgagor, to the Citizens State Bank of Thief River Falls, Minnesota, a Minnesota corporation, as mortgagee, upon and covering the following described real property, lying and being in the County of Pennington and State of Minnesota, to-wit:

The Southeast Quarter (SE¼) of Section Eight (8), in Township One Hundred Fifty-three (153) North, of Range Forty (40) West of the 5th Principal Meridian, containing One Hundred Sixty (160) acres, more or less, according to the Government survey thereof, which said mortgage bears date the First (1st) day of December, A. D. 1919, and was filed for record in the office of the Register of Deeds, in and for said County of Pennington, in the State of Minnesota, on the Eighth (8th) day of December, A. D. 1919, at 1:00 o'clock P. M., and was duly recorded in Book 12 of Mortgages, on page 530, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by assignment dated the Seventeenth (17th) day of June, A. D. 1920, and filed for record in said Register of Deeds office on the Fifteenth (15th) day of July, A. D. 1920, at 1:00 o'clock P. M., and was duly recorded in Book 63 of Mortgages, on page 221, and

WHEREAS, said default consists in the failure of said mortgagor to pay an installment of interest due December First (1st), 1923, and failure to pay taxes, and

WHEREAS, by reason of the default made as aforesaid The Minnesota Mutual Life Insurance Company, as authorized by said mortgage and the notes thereby secured, has declared and does hereby declare the whole of said principal and accrued interest thereon to be immediately due and payable, and

WHEREAS, there is claimed to be due upon said mortgage and the notes thereby secured at the date of this notice the sum of One Thousand Six Hundred Thirty-three and 28-100 ($1,633.28) Dollars, being One Thousand Five Hundred ($1,500.00) Dollars principal and One Hundred Thirty-three and 28-100 ($133.28) Dollars interest, and no action or proceedings at law or otherwise, has been instituted to recover the same or any part thereof.

NOW, THEREFORE, notice is hereby given that in and pursuant to the power of sale said mortgage contains, and the statute in such cases made and provided, the said mortgage will be foreclosed and the real property therein described will be sold by the Sheriff of said County of Pennington, or by his Deputy, at public auction to the highest bidder therefor for cash, at the East front door of the Pennington County, Minnesota, Court House, in the City of Thief River Falls, and in said County of Pennington, on Saturday, the Thirtieth (30th) day of August, A. D. 1924, at 10:00 o'clock in the forenoon of that day, to pay the amount which will then be due upon said mortgage, including taxes if any, and the costs and expenses of this foreclosure, also including an Attorney's fee of Fifty ($50.00) Dollars, as stipulated in said mortgage to be paid in case of foreclosure thereof.

(Aug. 7-Sept. 11)

MORTGAGE FORECLOSURE SALE

Default having been made in the payment of the sum of Seven Hundred Ninety-six and 58-100 Dollars, together with interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1921, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1922, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1923, which is claimed to be due and is due at the date of this notice upon a certain Mortgage, duly executed and delivered by Melvin H. Wood and Cora E. Wood, his wife, as Mortgagors, to State Bank of Viking (a banking corporation under the laws of the State of Minnesota), as Mortgagee, bearing date the 13th day of March, 1920, and with a power of sale therein contained, duly recorded in the office of the Register of Deeds in and for the County of Pennington and State of Minnesota, on the 23rd day of March, 1920, at nine o'clock A. M., in Book 62 of Mortgages, on page 437 thereof; which said mortgage is given to secure the sum of One Hundred and Seventy-five Dollars, payable in five annual installments of Thirty-five Dollars each, payable on March 13th of each of the years of 1921 to 1925 inclusive, and provides that if default be made in the payment of said note, or any installment thereof, or in the payment of interest due on a prior mortgage, then said mortgagee was and is authorized to pay such interest and the money so paid with ten per cent per annum from the date of such payment shall be deemed a part of the debt secured by this mortgage, and the money so paid and the note hereby secured, at the option of the mortgagee herein, shall become immediately due and payable and the payment thereof enforced by the foreclosure of this mortgage.

AND WHEREAS, The said State Bank of Viking, the Mortgagee and Holder of said Mortgage, has duly elected and does hereby elect to declare the whole principal sum of said Mortgage due and payable at the date of this notice, under the terms and conditions of said Mortgage and the power of sale therein contained; and whereas there is actually due and claimed to be due and payable at the date of this notice the sum of Eight Hundred Thirty-one and 58-100 Dollars, together with interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1921, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1922, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1923, and whereas the said power of sale has become operative, and no action or proceeding having been instituted, at law or otherwise, to recover the debt secured by said Mortgage, or any part thereof;

NOW, THEREFORE, NOTICE IS HEREBY GIVEN, That by virtue of the power of sale contained in said Mortgage, and pursuant to the statute in such case made and provided, the said Mortgage will be foreclosed by a sale of the premises described in and conveyed by said Mortgage, viz: The Southwest Quarter of the Southwest Quarter and the East One-half of the Southwest Quarter and the West one-half of the Southeast Quarter and the Northeast Quarter of the Southeast Quarter of Section ten, in Township One Hundred and Fifty-three North of Range Forty-five West, containing two hundred and forty acres, more or less, according to the Government Survey thereof, in Pennington County and State of Minnesota, with the hereditaments and appurtenances; which sale will be made by the Sheriff of said Pennington County at the front door of the Court House, in the City of Thief River Falls, in said County and State, on the 18th day of September, 1924, at two o'clock P. M., of that day, at public vendue, to the highest bidder for cash, to pay said debt of Eight Hundred Thirty-one and 58-100 Dollars, and interest, and the taxes, if any, on said premises, and Twenty-five Dollars, attorney's fees as stipulated in and by said mortgage in case of foreclosure, and the disbursements allowed by law; subject to redemption at any time within one year from the day of sale, as provided by law.

Dated August 6, 1924.

NOTICE OF MORTGAGE FORECLOSURE SALE.

WHEREAS, default has been made in the conditions of a certain Indenture of Mortgage, made, executed and delivered by Henry Runnestrand and Clara Runnestrand, his wife, of Pennington County, Minnesota, as mortgagors, to the Citizens State Bank of Thief River Falls, Minnesota, a Minnesota corporation, as mortgagee, upon and covering the following described real property, lying and being in the County of Pennington, and State of Minnesota, to-wit:

The Southwest Quarter (SW¼) of Section Four (4) in Township One Hundred Fifty-three (153) North, of Range Forty-one (41) West of the Fifth Principal Meridian in Minnesota, containing One Hundred Sixty (160) acres, more or less, according to the Government Survey thereof, which said mortgage bears date the Fifteenth (15th) day of December, A. D. 1921, and was filed for record in the office of the Register of Deeds in and for said County of Pennington, in the State of Minnesota, on the Seventh (7th) day of February, A. D. 1922, at 3:00 o'clock P. M., and was duly recorded in Book 12 of Mortgages, on page 629, which said mortgage was thereafter duly assigned by said mortgagee to The Minnesota Mutual Life Insurance Company, a Minnesota corporation, by assignment dated the Fifteenth (15th) day of February, A. D., 1922, and filed for record in said Register of Deeds office on the Eighteenth (18th) day of February, A. D., 1922, and was duly recorded in Book 63 of Mortgages, on page 402, and

WHEREAS, said default consists in the failure of said mortgagors to pay an installment of interest due December Fifteenth (15th), 1923, and failure to pay taxes, and

WHEREAS, by reason of the default made as aforesaid The Minnesota Mutual Life Insurance Company, as authorized by said mortgage and the notes thereby secured, has declared and does hereby declare the whole of said principal and accrued interest thereon to be immediately due and payable, and

WHEREAS, there is claimed to be due upon said Mortgage and the notes thereby secured at the date of this notice the sum of Two Thousand Seven Hundred Seventy-six and 95-100 ($2,776.95) Dollars, being Two Thousand Five Hundred ($2,500.00) Dollars principal, and Two Hundred Seventy-six and 95-100 ($276.95) Dollars interest, and no action or proceedings at law or otherwise has been instituted to recover the same or any part thereof.

NOW, THEREFORE, notice is hereby given that in and pursuant to the power of sale said mortgage contains, and the statute in such cases made and provided, the said mortgage will be foreclosed and the real property therein described will be sold by the Sheriff of said County of Pennington, in the State of Minnesota, or by his Deputy, at public auction to the highest bidder therefor for cash, at the East front door of the Pennington County, Minnesota Court House, in the City of Thief River Falls, and in the said County of Pennington, on Saturday, the Thirtieth (30th) day of August, A. D. 1924, at 10:00 o'clock in the forenoon of that day, to pay the amount which will then be due upon said mortgage including taxes, if any, and the costs and expenses of this foreclosure, including an Attorney's fee of Fifty ($50.00) Dollars, as stipulated in said mortgage to be paid in case of foreclosure thereof.

Dated July 1st, 1924.

THE MINNESOTA MUTUAL LIFE INSURANCE COMPANY,
Assignee of Mortgagee.

S. GRANT HARRIS,
Attorney for Assignee of Mortgagee,
11th Floor Commerce Building,
St. Paul, Minnesota.

(Aug. 7-Sept. 11)

NOTICE OF MORTGAGE FORECLOSURE SALE

Whereas default has been made in the conditions of that certain mortgage dated March 17th, 1919, executed by Peter William Korstad and Blanche Korstad, his wife, mortgagors, to C. L. Hansen, mortgagee, and recorded in the office of the Register of Deeds of Pennington County, Minnesota on March, 18th, 1919 in Book 57 of Mortgages on page 261, which mortgage was duly assigned in writing by said C. L. Hansen to Louis Heyduk, the present owner thereof, which assignment was dated on March 27th, 1919 and recorded in the office of the Register of Deeds of Pennington County, Minnesota on the 14th day of July, 1924 in Book 65 of Mortgages on page 275; and whereas there is claimed to be due on said mortgage at the date of this notice the sum of $2,013.78 which sum includes the sum of $389.78 taxes for the years 1920, 1921, 1922, 1923 which have been paid by Louis Heyduk, the said assignee, and which is claimed as part of the debt secured by said mortgage under the terms thereof, and no action or proceeding at law or otherwise has been instituted to recover the same or any part thereof.

Now, Therefore, Notice is hereby given, that by virtue of the power of sale in said mortgage contained and pursuant to the statute in such case made and provided, the said mortgage will be foreclosed and all the real property described in and mortgaged by said mortgage, to-wit:

The South West Quarter (SW¼) of Section Twenty-two (22) in Township One Hundred Fifty-three (153) North of Range Forty (40) West of the Fifth P. M., in Minnesota, containing One Hundred Sixty (160) acres, more or less, according to the U. S. Government survey thereof, will be sold at public auction to the highest bidder for cash at the front door of the Court House Building in the City of Thief River Falls, in said Pennington County, Minnesota, on the 23rd day of September, 1924, at 10:00 A. M. to pay the amount which shall then be due upon said mortgage, together with the expenses of foreclosure and sale and the sum of Seventy-five ($75.00) Dollars attorney's fees stipulated in said mortgage to be paid in case of foreclosure, subject to redemption as provided by law.

Dated at St. Paul, Minnesota, August 2nd, 1924.

LOUIS HEYDUK,
Assignee of Mortgagee.

EVERETT J. MOHL,
Attorney for Assignee of Mortgagee,
423 Capital Bank Bldg.,
St. Paul, Minn.

Order Limiting Time to File Claims, and for Hearing Thereon.

STATE OF MINNESOTA, County of Pennington—ss. In Probate Court.

In the Matter of the Estate of John L. Bamford, Decedent.

Letters of Administration this day having been granted to Mary Bamford.

It is Ordered, That the time within which all creditors of the above named decedent may present claims against his estate in this Court, be, and the same hereby is, limited to six months from and after the date hereof; and that Saturday, the 28th day of February, 1925, at ten o'clock A. M., in the Probate Court Rooms at the Court House at the City of Thief River Falls, in said County, be, and the same hereby is, fixed and appointed as the time and place for hearing upon and the examination, adjustment and allowance of such claims as shall be presented within the time aforesaid.

Let notice hereof be given by the publication of this order in the Thief River Falls Times, a weekly newspaper, as provided by law.

Dated August 19th, 1924.

LARS BACKE,
(Court Seal) Judge of Probate.

(Aug. 21-Sept. 4)

Citation For Hearing on Final Account and For Distribution

STATE OF MINNESOTA, County of Pennington—ss. In Probate Court.

In the Matter of the Estate of Adolph H. Rinker, Decedent:

The State of Minnesota, to Elizabeth A. Rinker, William A. Rinker and Charlotte Rinker Swanson, and all persons interested in the final account and distribution of the estate of said decedent: The representative of the above named decedent, having filed in this Court her final account of the administration of the estate of said decedent, together with her petition praying for the adjustment and allowance of said final account and for distribution of the residue of said estate to the person thereunto entitled. Therefore, YOU, and EACH OF YOU, are hereby cited and required to show cause, if any you have, before this Court at the Probate Court Rooms in the Court House in the city of Thief River Falls, in the County of Pennington, State of Minnesota, on the 15th day of September, 1924, at 10 o'clock A. M., why said petition should not be granted.

WITNESS, The Judge of said Court, and the Seal of said Court, this 18th day of August, 1924.

LARS BACKE,
(Court Seal) Judge of Probate.

LIST OF BIG CREAM CHECKS REACHES 160

Forty More Patrons of $50 Check List This Month Than July of Last Year

FIFTY PATRONS RECEIVE CHECKS EXCEEDING $100

Total of $28,500.24 Paid Out. Fat Brings Two Cents More Than Last Month

Patrons of the Farmers Co-operative creamery in this county receiving checks of $50 and over reached 160 in number during the month of July, 22 more than the previous month and 40 more than July of last year, and a total of $28,500.24 was paid out to farmers for the produce of the humble but dependable dairy cow.

Fifty patrons received checks of $100 or over and 110 passed the $50 mark. The monthly patron list aggregated a sum of $19,121.96 and $9,378.28 was paid to cash patrons. The average price paid to patrons for the month of July was 41 cents for butter fat and 44 cents for sweet cream, two cents more than was paid during June. The July payroll exceeded that of June by about $1,000. Following is the list of patrons receiving $50 and over:

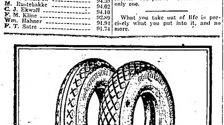
To Ballot on Amendments

Pennington county voters will be asked to ballot on five amendments to the state constitution at the general election Nov. 4, T. P. Anderson, county auditor, announces. One of the proposed amendments provides for the establishment of state-owned public terminal grain elevators in Duluth and Minneapolis and the maintenance of the plants.

The other four amendments are for the gasoline tax, the encouragement and promotion of reforestation, granting of power to the state to prevent and abate forest fires, and to limit the number of newspapers in which amendments to home rule charters are printed from three to only one.

What you take out of life is precisely what you put into it, and no more.



Don't Be Confused About Tires

With scores of different brands of tires on the market, each looking pretty much like the others—with everyone claiming the best—with this and that "special offer"—it's no wonder car owners are confused.

But the safe, sane, sensible, time-saving thing to do is to buy a good tire at the right price from a good dependable dealer.

Isn't that the way you buy nearly everything else?

GOVERNMENT OWNERSHIP OF R. R. IS FLAYED BY SPEAKER

J. W. Gorby of American Economic Institute Addresses Commercial Club

John W. Gorbey, director of public relations, American Economic Institute, Chicago, who addressed the county fair crowds, again spoke in Thief River Falls when he appeared before the Commercial club last Thursday, urging co-operation in solving the problems of transportation which he pointed out are so fundamental in the welfare of the country.

"There must be a margin over and above the expenses of doing business, in order to keep going," the speaker declared. "The railroad must make a net profit, if it is to continue to serve the farmer and his family, so dependent upon the success of the transportation facilities.

"On September 1, 1920," he continued," all guarantees of earnings to the railroads by the federal government stopped. For the three years and four months ending December 31, 1923, the railroads failed to earn the amount of 5¾ per cent of the physical valuation by the sum of $1,109,934,766, as allowed by the commerce commission. The tentative valuation placed on the railroads in 1914 was $18,900,000,000, which with the added improvements and expansion is now estimated at $20,000,000,000."

Figures were cited by Mr. Gorbey indicating decreased efficiency in railroad operation under government control.

The speaker quoted Judge James C. Davis, director general of railroads for the government, as follows: "When the final page of the history of this period is written it will be found that the government for its share in the venture lost in the neighborhood of $1,800,0000,000——. No greater mistake in my judgment could be made nor a more expensive experiment be undertaken than to have the government permanently take over and operate the great railroad systems of this country."

The speaker compared freight and passenger rates under private ownership in America with European countries, where the government in part or entirely owns or controls the railroad industry. In England recent reports show that it cost 4 and one sixth cents to ship one ton freight one mile; in Sweden 4 2-3 cents; Norway 5 1-3 cents; and in Brazil 6 7-8 cents, while in the United States for the first six months in 1923 it cost only 1.1 cents to haul one ton of freight one mile.

"Passenger service in America is cheaper for first class than the European rate," Mr. Gorbey said. "For example from London to Exminster a distance of a 144 miles each way, the rate is $14.72, whereas from Chicago the Savannah, Ill., an equal distance, the fare is $3.10 cheaper or $11.62. From Paris to Biaritz, 508 miles the fare is $32.67, while from Chicago to Leavenworth, Kan., an equal distance, is but little more than half of the European rate or $17.54. From Rome to Florence, 196 miles, the fare is $21.95, while the fare from Chicago to Gladstone, Iowa, is $7.07, or a little less than one-third. This shows conclusively that private ownership is in the interest of the American shipper.

"Private ownership is better for the railroad employees than government ownership as witness the following figures: The average wage of railroad employees this year in America is $1664. This sum is 54 per cent more than the proportionate amount paid under government control in January and February in 1920; $178 per year more than the amount paid under government control in 1919 and $225 per year more than was paid under government control in 1918.

"In February, 1924 the daily operating expense of the railroads was $1,424,000 a day less than it was under government control in February, 1920."

Peat Fuel Plant Will Be Built Near Bemidji Soon

A plant for the manufacture of peat fuel will soon be a reality, according to last week's issue of the Bemidji Pioneer. Stockholders of the recently organized Peat Fuel Dehydrating company have signed articles of incorporation and named directors and officers. Construction of the plant on a farm one mile from Bemidji will be started at once, ample capital being provided.

The company is incorporated for $250,000 and the directors named are W. L. Brooks, Carl Opsata, D. O. Mecklemburg of Bemidji, C. F. Lillo of Lengby and F. A. Plummer of Minneapolis, Mr. Mecklemburg being elected president.

It is planned to begin operations in time to place the peat fuel briquettes on the market before next winter. The dehydration process used in drying peat is the same as that used for the dehydration of milk. When the peat is dried it is an easy matter to briquette it as it contains its own binder. It is claimed that peat can be manufactured into fue at an exceptionally low cost by using the Plummer process of dehydration patented by F. A. Plummer of Minneapolis, which will make it a popular fuel as peat briquettes are said to contain practically the same heat units and other qualities as the best anthracite coal.

With the successful operation of a peat fuel plant in Bemidji, thousands of acres of peat lands thruout the state that are now considered practically worthless will become valuable and the new industry providing a low priced fuel may be the means of large manufacturing plants being brought to this part of the state.

Bus Line to Bemidji

Starting Tuesday of last week a new bus line began operations between Bemidji and Thief River Falls. The bus starts from Bemidji at 8:00 a. m. and arrives here at 11:45 a. m. On the return trip it leaves here at 2:00 p. m., arriving in Bemidji at 5:45 The route is along the Jefferson Highway to Bagley and from there the route passes thru Shevlin, Solway and Wilton. At present a large Winton car is being used but it is expected that a large bus will be put into operation as soon as business warrants.

Poultry Winners at County Fair are Announced—Natalie Woolson Awarded Free Trip

As usual poultry was well represented at the Pennington county fair this year, indicating much interest in the poultry industry here. Judging was done by A. M. Pilkey of the Northwest School of Agriculture.

Following were the results: White Leghorns—Mrs. O. Drotts, Viking, 3rd cockerel; Wm. Yonke, Thief River Falls, 1st, 2nd, 3rd pullet, 1st, 2nd cockerel.

Barred Rocks—C. D. Gustafson, Thief River Falls, 1st cock, 1st hen, 1st cockerel, 2nd pullet, 1st pen; Ed. Rosendahl, Warren, 2nd, 3rd hen, 3rd cock, 3rd cockerel, 3rd pullet, 2nd pen; W. J. Janda, Thief River Falls; 1st pullet, 2nd cockerel.

Sangshans—W. J. Janda, Thief River Falls, 1st cock, 1st hen.

Silver Laced Wyandotte—E. O. Hegland, St. Hilaire, 1st cockerel, 1st and 2nd pullet, 1st, 2nd, 3rd hen.

Anconas—Mapledale Poultry Farm, Detroit, 1st, 2nd cockerel, 1st, 2nd, 3rd pullet.

Buff Orpingtons—Frank La Fleui, Thief River Falls, 1st cock 1st, 2nd hen, 1st, 2nd pen, 1st, 2nd cockerel, 1st, 2nd pullet.

Black Minorcas—Frank La Fleui, Thief River Falls, 1st, 2nd, 3rd hen.

S. C. Rhode Island Reds—Olaf Neset, Thief River Falls, 1st cock, 1st, 2nd, 3rd hen, 1st old pen, 1st, 2nd, 3rd cockerel, 1st, 2nd, 3rd pullet; R. C. Rhode Island Reds—W. H. Quist, Thief River Falls, 2nd cock.

Black Jersey Giant—Dr. O. F. Mellby, Thief River Falls, 1st, 2nd pullets.

Bronze Turkeys—Syvert Hanson, 2nd, 3rd hen; W. J. Janda, Thief River Falls, 1st cockerel, 1st pullet, 1st hen; C. H. Fuller, Mavie, 1st gobler.

Boys and Girls club: Natalie Woolson, Thief River Falls, 1st Toulouse geese; Gladys Hanson, Thief River Falls, 2nd Bronze Turkey poults; Martin Hanson, Thief River Falls, 3rd Bronze turkey poults; Bernice Woolson, Thief River Falls, 4th Toulouse geese.

Natalie Woolson receives a free trip to the livestock show in St. Paul as an award for first honors in the poultry division of junior club work.

Clinics Held Thruout State to Promote Public's Health

That 42 Pennington county people took an inventory of their health during the recent county fair is information contained in a final report on the free clinic, held by the Minnesota Public Health association. The clinic truck, purchased by the state association with Christmas Seal funds early this summer to carry health "on wheels" into every corner of the state had made more than 1,000 examinations before it came to Pennington county, as county fair attraction. More than half of those examined here were found to have some physical disorder, requiring medical attention, and were advised to start treatment with their family physician.

"The slight disorder of this year may be the serious disease of tomorrow" is the clinic slogan of the state association, and it is to find defect early that it offers its free examinations, and conducts an educational campaign of the importance of periodic physical examinations for all. The examination of 42 patients was just one phase of the local program, which also included health exhibits, showing in a graphic way how to promote health and prevent disease, and demonstrations, teaching first aid methods.

Other county fairs at which the Clinic truck is appearing are: Carver, Ramsey, Renville, Scott, Yellow Medicine, Roseau and Isanti counties.

The state-wide campaign for the promotion of health and prevention of disease is entirely financed by the little Christmas seals, which are sold each year during the holiday season, and the extent of the work is limited only by the amount sold. In addition to the Clinic truck two other types of clinics: infant and child welfare and tuberculosis clinics are held under the auspices of the state association in its effort to seek out those that are frail and threatened with disease, and to extend its educational work.

Horton Bound Over

Pat Horton, 23, transient and farm hand, who was arrested three weeks ago by Pennington and Marshall county officials at a barn dance in Grand Pain township, Marshall county, was given a hearing in Warren Wednesday of last week and was bound over to the grand jury of the next district court, his bail being placed at $800. He was charged with selling liquor at the dance. So far he has been unable to furnish the bail and is still lodged in the Warren jail.

Will Handle Potato Seed

The Minnesota Potato Growers' Exchange has made arrangements to handle seed stock separately from the tabel stock, and expects to build up a strong reputation for northern-grown seed. W. V. Longley, former county agent of Kittson county and an experienced man in handling seed stock, will have charge of this department. In years of service Mr. Longley is one of the oldest county agents in the state.

Getting Potato Warehouses

A deal was closed last week whereby the Minnesota Potato Growers' exchange came into possession of the warehouse belonging to the Farmers Produce Exchange of Red Lake Falls to handle the potato crop in the vicinity of that city. Warehouses at Oklee and Dorothy have been leased and another is being secured at Brooks. A large number of warehouses have also been lined up in Marshall county, so there will be ample facilities for handling the crop.

In East Grand Forks a new $14,000 potato warehouse will be completed by Sept. 20.

LOCAL MEN ATTEND GR. FORKS MEETING

Dr. Froehlich and Noper Hear Discussion of Proposed Sugar Beet Plant

Seventeen communities in that district of North Dakota and Minnesota from which sugar beets will be drawn for the proposed factory of the Red River Valley Sugar company, were represented at a luncheon held in the Grand Forks Commercial club rooms Thursday noon when the project was fully explained. Seventy persons altogether attended the luncheon.

Among those in attendance were Dr. H. W. Froehlich, president of the Commercial club and V. C. Noper, local farmer.

Two addresses were given, one by Miles E. Etricker, chairman of the beet sugar factory committee, and one by Julius F. Bacon, president of the Commercia club. Stressing the point that the proposed factory would bring more than $1,000,000 in new wealth annually to the farmers of the district, the two speakers told of the various phases of the proposed factory, of how it would require from 12,000 to 20,000 acres of beets.

They also told of the plan for the establishment of the factory with a million dollars in capital furnished from the outside provided half a million dollars in stock is taken locally, preferably among those who are going into the sugar beet business to supply the plant.

Over $200,000 worth of stock already has been sold by the Grand Forks and East Grand Forks committees, over $102,000 in East Grand Forks and over $98,000 in Grand Forks. Subscriptions for the total amount are to be closed September *10, and those anticipating investment* are advised to make a study of the proposition immediately rather than lose altogether the opportunity to invest in it.

Communities in North Dakota and Minnesota represented at the luncheon Thursday are: North Dakota—Northwood, Mekinock, Gilby, Buxton, Grafton, Kempton, Larimore, Grand Forks, Minnesota—Red Lake Falls, Alvarado, Thief River Falls, Oslo, Warren, Plummer, Crookston, Fisher, Ada, East Grand Forks.

Among those present at the luncheon were: O. T. Johnson and A. Berg, Oslo; K. J. Moe, J. W. Sands, J. N. Loedon and A. J. Swenson, Alvarado; Dr. H. W. Froehlich, V. C. Noper, Thief River Falls; John P. Mattson, Chas. B. Wittensten, R. B. Taralseth, O. H. Taralseth, Warren; M. Waldal, Plummer; Mr. McCall, Crookston; S. E. Hunt, Mr. Higgenbotham, I. E. Healy, Mr. Orr and Dr. N. M. Watson of Red Lake Falls.

Must Have Fire Warden's Permit Before Building

The practise of various contractors and individuals in this city to start buildings without first securing permits therefor, and especially within the downtown districts, is liable to bring some of the offenders into court unless it is stopped, according to Paul Midderigh, fire warden.

There is a city ordinance in the matter and for some time past little attention has been paid to it, yet it is a law and should be lived up to. Every city in the country has such an ordinance and it is legal in every respect. Some people think they can erect a building or make repairs without a permit and that they are within their rights. It is not denied that they can erect and make repairs, but they must get a permit to do so and the cost is so small as not to be a hardship—only a dollar.

An instance of this sort is the repairs being made at the Trinity Lutheran church, located within the fire imits. Before asking for a permit work was started and about half completed. Then came the request to the council without the O. K. of the fire warden. Clearly this action was wrong, altho not intentional. It is to be hoped that contractors especially *will advise their clients to secure the* necessary permit before they undertak any work in the future.

Gets Fur Coat

Chas. Warner received the $350 fur coat that was given away at the Lieberman Department store Saturday evening. Mr. Warner is city salesman for the Thief River Grocery company.

An Appreciation of Red Crown

The High-Grade Gasoline

THERE'S just one way you can know the vast difference between Red Crown and other gasolines. That is by asking Red Crown to get you out of difficulties. It does it every time.

Here's one man's experience:

"Red Crown had been my engine fuel for many years — long tried, well tested, and entirely satisfactory—

"But, in a foolish moment, YOU KNOW, on the advice of a (so-called high-test) gasoline salesman, I changed my brand, and for several months used *other* kinds of gasoline with various unsettling results, as: Short mileage, with more frequent filling of my gas tank; hard to start after the lighter elements were used out of my tank; lack of power on a hill, with always in low as I climbed; and, to top my difficulties, one day I ran out of 'gas' on the hill.

"Then I was cured. I had always carried a gallon of Red Crown under the seat, and I put it in the tank and climbed the hill on high gear for the first time in months. Red Crown for me from now on."

Furthermore, Red Crown takes a hint with a haste that will delight you. It has the right attitude toward its job—peppy, active, ready to anticipate your desires, and always dependable.

Forestall trouble. Put Red Crown in your tank now—and laugh at sand, grades and mud!

MINNESOTA HISTORICAL SOCIETY

THIEF RIVER FALLS TIMES

Volume 14. Thief River Falls, Pennington County, Minnesota, Thursday, Aug. 28, 1924 Number 30

YOUNG AMERICA BEGINS SCHOOL WORK TUESDAY

Complete Staff With One Exception Secured in Thief River Falls Schools

38 OF LAST YEAR'S FACULTY RETURNING

Everything Ready for Opening of Successful Term—List of Instructors Announced

Instructors for the Thief River Falls school for the ensuing term have all been secured, according to announcement by I. T. Simley, superintendent of city schools, with the exception of the school nurse, in which instance two applicants are under consideration. The faculty will be, for the most part, the same as last year, with but few changes. This is a big factor in getting down to efficient work from the start.

Members of the faculty this year are experienced teachers and are able to carry on the high standard of instruction which is demanded by *schools of the size of those in this city.*

Many Teachers Return.

Of the 53 instructors employed in the city schools this year 15 were not members of last year's staff and many of the 38 teachers who have taught here before have been serving the local district for a number of years, some of them being veterans in the work. There are seven new members of the high school faculty of 21 instructors, three of the 10 teachers in the Northrop building are new to the system, three of the eight in the Knox building, one of the seven in the Washington building and one of the seven in the Central building. This record speaks well for the local educational system and is a great factor in its success. Greater results can be accomplished by a staff of teachers familiar with the workings of the system and acquainted with the pupils and school patrons.

Fifteen, or nearly one-third, of the teachers in the 1924-1825 roster are residents of Thief River Falls.

School Heads Prepare

Supt. I. T. Simley returned Sunday from New York where he attended the Columbia university taking a course in school administration, getting in touch with newer and more modern methods in city, graded and high school supervision and is back at work making the necessary preparations for the opening of school activities.

Morris Bye, who is again principal of the high school, also returned last week from a summer course at the University to care for registrations and other preparatory work for the ensuing term. Athletics will again be in the hands of Leonard A. Thune, who has gained an enviable reputation as coach. Miss Maude L. Johnson, music supervisor here the past four years, will be back to continue her work in the advancement of music in the city. Her assistance in providing musical entertainment at various functions in the past has made her services highly valued by the citizens of Thief River Falls.

All preparations are now complete for the opening of school next Tuesday morning. The janitors have been busy all summer going over the buildings and all necessary repairs have been made. Special attention was given the high school gymnasium where extensive repairs were made to provide proper quarters for physical training and basketball practice, the whole physical plant now looking spick and span. When school opens it is expected that all the wheels of the educational machinery will get

(Continued on page 4)

CROOKSTON LAWYER SHOOTS WIFE THEN TURNS GUN ON SELF

Eric O. Hagen Fires Three Shots at Divorced Wife in Presence of Daughter

Eric O. Hagen, 45, prominent Crookston attorney and known to many Times readers, shot and killed Agnes Hagen, 36, his divorced wife, and then committed suicide in a Minneapolis apartment Monday. According to reports Hagen came to Minneapolis a week previous in an effort to effect a reconciliation.

The tragedy was witnessed by their daughter Beret, 14, who made her home with her father and was visiting with her mother at the time. Hagen and his daughter were about to return to Crookston and had just bid Mrs. Hagen goodbye when Hagen drew a concealed revolver and fired three shots at his divorced wife, who died almost instantly having been shot one in the mouth and twice in the head. The shooting of Mrs. Hagen occurred in the hallway of the apartment from where Hagen ran into the bedroom and turned the gun on himself, dying while being taken to a hospital with two bullets in his head.

Hagen, a graduate of the Minnesota university, had practised law in Crookston since his graduation in 1896. He served as county attorney in Polk county for two terms and was appointed as judge of probate to complete the term of Judge A. L. Hovland who was killed in an automobile accident in 1921.

A year ago Hagen suffered a stroke of paralysis and since that time had been far from strong, having been brooding over his domestic troubles, according to friends. Besides, his daughter, he is also survived by a son, George, and a brother, Dr. Paul Hagen of Crookston.

"BOB McGINN VICTOR IN BUNDLE TYING CONTEST

Washington may have its milking contests but Thief River Falls can boast a champion of a bundle binding contest. Out at the Stone farm, near the city, there was some argument the other day as to who could show the greatest speed in tying loose grain bundles with straw and as a result of the discussion "Bob" McGinn, president of the Farmers and Merchants State bank and A. E. Olson, retired farmer, were pitted against each other to determine who could tie up six bundles in the shortest time. The contest was of but a moments duration but referee M. C. Burns reports that Olson was still tying when McGinn had finished his half dozen. However, some spectators declare that McGinn's bundles were rather fragile and would necessitate special care in handling, while Olson's were secure. Both are old-timers here and claim to be expert binders and considerable interest was centered in the event.

EGG MARKETING BY CO-OP. BODY TO START SOON

District Unit With Headquarters in This City Making Final Preparations

WILL START OPERATING ABOUT SEPTEMBER 15th

Manager B. O. Norby Explains Workings of Organization—Securing Receiving Stations

Operations of the Thief River Valley Cooperative Poultry and Egg association, which has been under the process of organization the past several months, is scheduled to begin by the fifteenth of September, according to announcement made by Olaf Neset of this city, president of the association.

Over 800 members have already been signed up on the five year contracts and the association expects to secure 200 additional members this fall. The association will handle all the poultry produced by the farmers who are members, and the egg production from the flocks. With 1000 members the shipments, in all probabilities, will amount to 35 carloads per year, or an average of three carloads per month, without very much increase over the present production. This means that the profits which ordinarily go to the commercial shipper of three carloads per month will go to the farmers. The value of each car averages about $3,500 and of each car of poultry about $2,500, according to officials of the local unit.

Norby Accepts Managership

B. O. Norby, who has been engaged in the organization of the association the past summer months, has returned from Eyota, where he has been engaged as high school instructor and principal, having tendered his resignation from that institution, and will assume active charge as manager, with headquarters in this city.

Until a short time ago, the organization of the association was an uphill proposition but as the poultry raisers became acquainted with the plan and the movement became generally known, the membership enlistment went forward with encouraging rapidity.

Plan of Operation

Briefly the working plan of this organization will be as follows: The producer will have two or more 15-dozen egg cases with his name stamped on each one. The egg cases will be brought to his local creamery or to such other place as may have been arranged for by the association. The eggs will be gathered at least three times a week or oftener during the summer months from the various receiving stations and taken to the assembly point, which will be Thief River Falls. Here the eggs will be checked and graded according to weight and freshness and shipped out in carload lots and sold directly to the consumers in the eastern markets, thus eliminating a number of handlings which are necessary under the present marketing system.

The association will sell the eggs at the highest available market price and will remit to the producer in full, less the actual handling expense and freight charges, assuring the highest possible net returns, according to officials. It is the plan to make payments to producers on the fifth and 20th of each month.

The co-operative egg marketing associations in Minnesota now operating paid on an average 26½ cents per dozen net for No. 1 eggs for the last half of July.

Will Use New Creamery

Arrangements are now being made for temporary headquarters for the district association in this city. After the completion of the new creamery now being erected by the Thief River Falls creamery association the plan is to use a portion of this building for the handling of eggs and poultry, the plant being specially designed to meet this purpose. A large refrigerator and cooler is being provided in the basement of the new building.

Manager Norby is now busy making arrangements for local receiving stations, meeting with the various creamery boards in the district in an effort to make use of creamery buildings in towns were one is located.

The egg and poultry marketing body has been organized along lines similar to the potato growers exchange in that members are bound by contract to sell their eggs and poultry thru the association.

The local association is to affiliate with the state exchange which has been operating since July 14 and is reporting much success. According to reports from the state headquarters eight additional local associations will start operations next month.

SOO EMPOYEES TO STAGE BIG PICNIC MONDAY

Railroaders and Families Joined by Elks and Masons Sponsor Labor Day Event

PUBLIC URGED TO JOIN IN COMMUNITY AFFAIR

Picnic Lunch and Program of Talks, Music, Sports and Races To Make Up Afternoon

A gala time is in store for everyone, young and old, whether an employee of the Soo line or not, who attends the second annual picnic sponsored by Soo Line employees of the Winnipeg division at Squaw Point next Monday, Labor Day. It has been decided that all business places in the city which can conveniently do so close for the afternoon so that as many as possible may participate in the merry-making and observance of the day. The local Elks lodge and the Masons are also joining in the celebration, altho everyone is cordially invited to attend.

It is planned that those who attend spend the entire day on the grounds, picnic dinners to be brought by the visitors and partaken of at 12:30, the program to open at 1:30. Coffee, donated by the Thief River Grocery company, sugar from the Gamble-Robinson company, ice cream cones from the Kiewel Products company, and cream and milk from the local creamery will be furnished free on the grounds, while pop and other soft drinks and cigars will be sold. Visitors are asked to bring their own cups.

Wm. Peterson, Lancaster attorney, has been secured as the speaker of the day and efforts are also being made to secure J. H. Hay, former superintendent of the local city schools, or some other able speaker. Music will be furnished by the city band so that part of the program will be well taken care of.

Races and Sports

An extensive program of sports has been prepared and assurance is made by the committee in charge that there will be something doing on the grounds every minute of the afternoon. The sports are scheduled to start at 1:30 and include every imaginable kind of a race or contest, 33 events in all. There will be ladies' and men's demonstrations as car repairers, boys' wheel barrow race, running races, guessing contest, potato race, three-legged race, monkey race, mouth organ contest, peanut race, fat ladies' and men's race, rope skipping contest, baseball and others.

With the aid of the business men of the city who have donated prizes the winners will be awarded with liberal prizes consisting of various useful articles.

Other features of the program are a ladies' tug-of-war and a men's tug-of-war, the latter between the mechanical and other forces of the Soo line personel. Prizes will also be awarded the largest family on the grounds, fattest man on grounds, best looking man on Soo line, lady with best hair bob and for the prize waltz and prize foxtrot.

Dance Afternoon and Evening

In addition to the sport and other entertainments there will also be bowery dancing during the afternoon and evening, for which the best of music has been secured, old-time and modern dances to be a enjoyed. A large platform will be erected.

Transportation to the grounds will be furnished upon application to a committee composed of G. J. Conklin, Norbert Holzknecht and Olaf H. Sorenson.

The general committee in charge of the event is headed by L. M. Rayson as chairman, with the following other members: E. F. Dolan, I. H. Fossum, Theo. Bundy, J. W. Hendry, G. J. Conklin, Henry Pederson, G. A. Mostue, H. A. Pratt, A. J. Berg, Miss Nettie Ove and Miss Alvina Jonas.

Large Attendance Assured

The local division of the Soo line at present employs more than 300 men, who together with their families will make certian one of the biggest picnics of the season. Many Soo line men headquartering at other points along the line will be here for the occasion to join local workers in a real funfest. Gatherings of this kind are being held by Soo line workers in various parts of the country.

In connection with the event here it is emphasized by the committee that it is a community affair.

Leak in Dam is Closed and Rapids are Dug Out To Increase Water Head

Extensive repairs have been made on the dam property owned by the city the past week, the large hole in the part of the structure connecting the old and new portion of the dam being filled so that practically no water is lost now, while it is estimated that about one-third passed thru this opening before the improvement was made. It is expected that this improvement will suffice for a few years until the city sees fit to complete the dam. The work was done by a crew of five men under the supervision of Alderman M. V. Evenson.

Yesterday workmen started excavating a channel in the rapids below the dam in an effort to lower the water level. By doing this it is believed that the water head will be increased about two feet which will mean greatly increased power. A water wheel expert from Grand Rapids will come here in a few days to make an extension on the water wheel and other repairs to increase efficiency of power machinery. The river is very low at present so that improvements can easily be made.

The finest ambition anyone can have is the ambition to grow.

Soo Flier Derailed Near Orleans—No One Injured

A broken rail caused the tender a combination baggage and mail car, a mail car, three coaches and the front trucks of a dinner of the southbound Soo line flier between Winnipeg and Minneapolis, to be derailed Monday night about one and one-half miles north of Orleans, near the Canadian border. The engine, the rear end of the dinner and five sleepers remained on the tracks.

No one was injured, according to reports, the presence of mind displayed by Engineer John Mitchell preventing a more serious wreck, it is said.

A wrecker was sent from here and the cars placed back on the tracks by four o'clock in the morning. The passengers were taken back to Noyes where a new train was made over the Great Northern to Warren and on the Wheat Line to this city. W. J. Douville of this city was fireman on the train at the time the wreck occurred.

FINE EXHIBIT PREPARED FOR STATE SHOWING

Pennington's Second Exhibit Includes Wonderful Samples of All Products

GRAND DISPLAY WILL ADVERTISE COMMUNITY

Delegation of Ten Farmers and Club Workers Will be Among State Fair Visitors

Agricultural possibilities of Pennington county will be well advertised at the state fair this year in the county exhibit being taken there this week. Geo. M. Wilson and his assistants have been securing the county for samples of various grains and other products and have succeeded in getting a collection which will undoubtedly make an excellent showing at the Minnesota exhibition and make a strong bidding for high honors in the northern district in which Pennington competes with eight other counties in northern Minnesota.

This exhibit will do much towards getting residents of other parts of the state acquainted with the productivity of this county and will undoubtedly be one of the best at the fair. Mrs. Thelma Erickson, whose father, Secretary of State Mike Holm, had charge of the Roseau county exhibit which won first prize four successive years, has prepared the products for the local exhibit. The collection includes wonderful samples of sugar beets, grains, alfalfa and other grasses and all kinds of vegetables, and fruits. It will all be taken to the state fair by truck in sufficient time to be properly arranged for the opening of the exhibition.

List of Farmer Delegates

N. A. Anton, S. E. Hunt, Henry Koop, Wm. Smith, Karl Beiswenger, R. M. Johnson, Fred Kreamer, Albert Johnson, Paul Engelstad and Henry Oen comprise the group of ten farmers who will attend the state fair as guests of the local Commercial club. They will leave by train Sunday night expecting to return the following Saturday.

Nine Pennington county boys and girls, winners in club work who were awarded free trips to the state fair, will leave the latter part of the week. Club workers thruout the state will be feted by the Civics and Commerce association of Minneapolis on Friday of next week.

A number of local persons expect to attend the state fair this year, including Geo. Wilson, L. R. Johnston and Mayor J. S. Arneson.

J. JETLAND BREAKS THRU JAIL WINDOW AND MAKES ESCAPE

Young Man Held on Serious Charge Escapes by Sawing Bar and Wires

Joe Jetland, held in the county jail since Saturday unable to furnish bail of $1,000 for his release after being bound over from municipal court to the district court on a charge of carnal knowledge of a 16-year old girl, last night made his get-away by sawing a bar and the heavy wire netting of the rear window of the jail. His disappearance was discovered this morning but so far no clue as to his whereabout has been found, altho the authorities are making efforts for his apprehension.

It is believed that assistance was rendered from the outside, judging by the looks of the window. The center bar was sawed off at the lower end and pulled in and an opening made in the wire netting, each wire being cut. The opening thus made is small and the culprit evidently made his passage thru with difficulty.

Jetland was arrested by Sheriff O. L. Ihle Friday on complaint of Helga Hetland, now an inmate of a state school in Shakopee. When brought before Judge N. W. Tarrant the following day he waived preliminary examination and was bound over on a $1000 bail, which he was unable to furnish.

A warrant is also out for Jetland's arrest on charges of driving an automobile without a license, according to the sheriff, who has been on his trail for some time past.

Fair Winners Get Premiums

Distribution of approximately $1800 in premiums to prize winners at the recent Pennington county fair was started this week by J. J. McCann, secretary of the Pennington County Agricultural society. Practically the entire sum spent in premiums is reimbursed to the society by the state.

PREPARING FOR RE-OPENING OF CITIZENS BANK

Reorganization Committee Submits Plan to Depositors of Closed Institution

REDUCTION AGREEMENT SENT TO DEPOSITORS

State Department Outlines Plan by Which Bank May Reopen Within 2-3 Months

Reorganization of the Citizens State bank closed last winter on account of depleted reserves is now in process and the depositors' committee in charge of the work in an effort to reopen the bank has progressed so far with the preliminary details that the plans will this week be presented to the depositors for their approval.

The members of the committee feel confident that the bank can be reopened in 60 to 90 days if the depositors act promptly in signing the stock subscription blanks and the "reduction agreement" sent out by the committee. An outline of the plan of reopening is given in the letter which follows, from W. A. Smith, examiner in charge of liquidation of banks, addressed to W. W. Prichard, Sr., who has charge of the work of reorganization.

Those who have given the matter thought believe that this is the only possible way under which the bank can be reopened and it insures the depositors that they will get every dollar possible, as the overhead expense of handling is done for nothing.

Must Have Support

To function in the best possible way it is necessary that the reopened bank have the strongest support of the local depositors of the closed bank both morally and financially and the committee is firmly of the belief that to accomplish this end a large part of the new stock required should be subscribed among the depositors and friends of the old Citizens State Bank.

The depositors will do well to bear in mind the fact that the bank is in liquidation and unless the committee can show the court and superintendent of banking that there is good prospect of the depositors signing the "reduction agreement" and the stock being subscribed, the liquidation will continue and the bank not reopened. Every person interested in the welfare of the city and community should assist the committee in every possible way, it is urged. The Citizens State bank reopened for business will mean better times for all.

The Depositors' committee in charge of the work of reorganizing and reopening the Citizens State bank, has progressed so far with the preliminary details that the plan will now be presented to the depositors for their approval.

Examiner's Letter

Following is the letter from the state banking department offering its co-operation in reopening of the bank under a plan agreeable to the creditors and which meets with the approval of the department:

"It is the policy of this department not to permit the reopening of a closed bank until a voluntary assessment of 100 per cent upon the entire capital stock of the bank is paid by its stockholders. This assessment can be paid either by the record owner of the stock or by some other person taking over the stock and paying the assessment. This payment is the equivalent of the stockholders' statutory liability which would result in case of completing its liquidation.

"The interests of the stockholders and the depositors are mutual in the reopening of a bank, the stockholders in paying for their shares of stock want to feel assured that the assets of the bank are all 100 per cent and that consequently their stock has real value behind it, likewise the depositors who consent to a temporary reduction and accept certificates of deposit in the reopened bank want to be assured that the assets of the bank upon its being reopened are all full value and that the certificates of deposit are worth the amount called for.

"It will probably be advisable to issue new certificates of deposit in payment of the outstanding certificates payable on the same day of the same month as the maturity date of the present outstanding certificates but not earlier than one year from the reopening of the bank and having one-third due in one year from the maturity date of the first certificate, etc. As to the savings accounts, have the extension agreement provide that not to exceed 15 per cent can be withdrawn on any regular interest credit date which would be in conformity with the custom of the bank. All new certificates of deposit to draw interest at the rate of 4 per cent per annum payable annually. In the reopening of most banks interest on savings accounts and on certificates of deposit is only computed to the date of the closing of the bank. This of course places all creditors on an equal basis, whether having checking accounts, savings accounts or time certificates of deposit.

"Checking or commercial accounts by the agreement can be withdrawn not exceeding 10 per cent in any one month. The agreement should also contain a clause giving the reopened bank full authority in the case of any note or asset left in the bank at its reopening proving to be less than its present worth that the same can be taken from the assets of the bank and placed in the trusteed assets and monies collected from the trusteed assets used to pay the same or in cases where the notes in the trusteed assets have been renewed and security given to make them bankable that these may be substituted for the note taken from the bills receivable of the bank.

"The agreement should also contain clause providing that trust receipts should be given to the various credi-

WARM WAVE ENCOURAGES PENNINGTON CORN CROP

Exceptionally warm weather has been enjoyed by this community the past week following a spell of low temperature, and the corn is reported to be growing by leaps and bounds and the crops ripening in fine shape. The damage done by frost so far is only in isolated spots and is said to be almost negligible. The last several days have been particularly beneficial to the farmers who are busy harvesting. The cutting of wheat, oats and barley is now going on in full blast and will be completed in a short time if the excellent weather conditions prevail. The best yields in years are indicated thruout the section.

CITIZENS JOIN LEGION MAKING PLANS FOR 1925

Enthusiastic Gathering of Eklund Post and Citizens to Consider Preliminaries

TO BEGIN PREPARING FOR STATE MEETING

Convention Will be Great Boost to Entire Community—Thousands to Visit City

That the citizens of Thief River Falls are backing up the Elmer J. Eklund post in preparing for the great state legion convention to be held in this city next year was emphatically demonstrated at the special meeting called by post officers last Friday night. The Legion hall was packed with enthusiastic veterans, business men and professional men of the city who showed every indication of being willing to "do their bit" in making the convention here what the visitors expect in every detail.

The matter of entertaining the convention is no small task, citizens were told by Commander Oscar Smith and other leading Legionnaires who are making special efforts to keep the stone rolling from now until convention time. The importance of getting the machinery for making the arrangements together at once was particularly stressed as it is a huge undertaking and takes painstaking work and co-operation by the entire city.

Committees Outlined.

The functions and duties of sixteen committees as outlined by a special committee were thoroly explained by Commander Smith, Oscar Paulson, Morlan Bishop and G. Howard Smith. They are: Reception, finance, registration, housing, transportation, entertainment, decorations, Winnipeg tour, publicity and printing, meals, parade, program, convention hall, law and order, prizes and concessions. A tentative personel of each committee has been named by a committee appointed by Smith, with a Legionnaire heading each as chairman and including business and professional men as well as post members. The list of committees will be approved by State Commander Lindell when he visits the city in the near future relative to plans for the 1925 gathering.

The committee chairmen will compose an executive committee, which will be headed by a general chairman and secretary, thru whom the various committees will coordinate, altho each will perform its particular duties independently as assigned. A budget will be made out, allowing a certain amount to each committee, according to plans. It was brought out at the meeting that it is necessary to raise about $3,000 to meet the expenses connected with preparations for the event.

On the basis of an attendance of 5000 it is estimated that at least $40,000 would be spent here for necessities, while the total can easily be placed at about $100,000 for the three days. Practically every business in the city will share in the benefits of this huge crowd of visitors.

Not only are the direct financial returns from the convention of importance, it was pointed out. One of the big results will be the advertising of this community among young men from every part of the state, many of whom are looking for a location. The splendid advantages of Pennington county will be realized by persons fro the southern and central part of Minnesota who know little or nothing about this section, and in many instances carry erroneous opinions regarding its condition.

Thousands of programs containing information and statistics regarding this city and community will be circulated thruout the state, boosting the agricultural, dairy and business possibilities of this community.

The Eklund post members are highly pleased with the spirit shown by citizens and there is every indication that the convention will be properly cared for when they come here next year.

Dr. C. A. Gunnarson, commander of the Warren post, and Dr. O. N. Meland were present at the meeting and offered the support of the Warren post.

Plans are now under way to send a large delegation of local legionnaires to the national convention in St. Paul next month, H. O. Chommie being chairman of the comittee in charge.

Arrangements are also being considered for a speed carnival some time in the near future.

Meeting Tonight.

A regular meeting of the post will be held at the club rooms tonight.

At Postalmen's Meeting.

Theodore Rustad, rural free delivery carrier at Erie, was the only Pennington county representative at the second annual meeting of the North Central Minnesota Postal Workers association held at Bemidji Sunday, Aug. 17. A large representation from points nearer the meeting place is reported.

PAVING COSTS TO BE PARTLY PAID BY STATE

Highway Department Orders Reimbursement of $18,906 to City for Main Ave. Paving

STATE PAYS FOR 18-FOOT STRIP SIX BLOCKS LONG

Refund Will Be Great Help To Property Owners Fronting on T. H. No. 32 Route

Taxpayers abutting to Main avenue between the Great Northern tracks and Sixth St., where the pavement is laid on the route of trunk highway No. 32 will be benefited to the extent of nearly $19,000 as a result of an order issued last week by Chas. M. Babcock, commissioner of highways, authorizing issuance of a warrant to the amount of $18,906.62 by Pennington county for payment to the city of Thief River Falls. The order was received by County Auditor T. P. Anderson, who has called a meeting of the county board on Sept. 10 to consider the matter and authorize payment of warrant to the city, after which the county will be permitted to issue bonds to be reimbursed by the state.

It is likely that the money derived by the city thru the state under the reimbursement plan will be used to apply on the paving taxes in each respective case and will mean a considerable relief for the property holders along the highway street.

Pavement of Good Quality

In issuing the order payment to the city is ordered for a strip of pavement 18 feet wide commencing at the intersection of the Great Northern tracks and the center line of Main avenue to its intersection with the south line of Sixth street, thus establishing the route of that highway thru this city. The plans and specifications under which the paving was done by Bithulithic Contracting, Limited, Winnipeg, completed in 1921, were approved by the commissioner in the order. The value of the improvement was determined upon the basis of bearing quality and durability as compared with the value thereof had the same been constructed according to the plans of the commissioner, and on the basis of prevailing costs at the time of the letting of the contract.

In computing the cost of the paving for reimbursement purposes the highway department finds a total distance of 2303 feet or 4606 square yards of pavement contained in the 18-foot strip supposed to be paid for by the state. It figures the cost of this paving at $4.18 per square yard which will be reimbursed to the extent of 91.218 per cent, or $17,561.70, while $1,610.92 additional is allowed for excavation of 1119.2 square yards at $1.35 per yard. However, investigation costs of $166 are deducted, this being for testing the paving, verifying measurements, figures, etc.

County To Issue Bonds.

Under the law by which the reimbursement is made to municipalities, the county is required to issue its warrants in payment, and the county commissioners must thereupon issue bonds for the total amount of the reimbursement, which bonds the law requires the state highway department to take over and pay, both as to the principal and interest.

The law provides that the owners of property along such streets shall be paid from the reimbursement fund to the amount assessed against their property in proportion to the amount paid by the state highway department. The payment may be made either by cash reimbursement or by credit on assessments, according to the decision of the city council.

RED LAKE RESORT ASS'N BECOMES PERMANENT BODY

Mogensen Named President at First Meeting of Members—Outlook is Bright

Towns and villages from all parts of the Red River Valley were represented at the first meeting of members of the Red Lake Resort association held in this city Thursday afternoon, August 21, at the commercial club rooms, when the election of directors and adoption of bylaws took place.

E. O. Mogensen of this city was recommended as president by the member body. The board of directors, which elects its own officers, includes E. O. Mogensen, city; A. D. Borneman, Hallock; George M. Wilson, city; A. C. Kvennes, Middle River; R. Taralseth, Warren; and William Hunt, Red Lake Falls, to serve for a period of two years and Math Barzen, city; Fred Herrick, city; Martin Myrbo, Viking; J. Payne, Goodridge; George G. Johnson, Grygla, and S. O. Ostgaard, Gatzke, for a period of one year.

At their meeting, the directors elected E. O. Mogensen as president; Math Barzen, first vice president; A. D. Borneman, second vice president; Fred Herrick, treasurer and Geo. M. Wilson, secretary.

Work of platting the grounds began this week with Engineer B. F. Umland in charge. The point will be laid out in plats for each town and each town in turn lease lots to members. Grounds for community activities will be reserved. It is expected that a large number of cottages will be erected before spring. A committee is already laying plans for securing logs for cottages.

With the activities of the association progressing so rapidly and smoothly the outlook for the finest resort in Minnesota is good.

SOCIAL ITEMS

Alderman Paulson Marries Laura Jorgenson of Leeds

Miss Laura Josephine Jorgenson, daughter of Peter Jorgenson of Leeds, N. D., and Oscar C. Paulson, son of Mr. and Mrs. Peter Paulson and member of the city council, were married at the home of the bride's parents Tuesday afternoon, August 26.

The bride wore a gown of white georgette and crepe de chine trimmed in lace and carried a bouquet of Ophelia roses. The brides maid, a sister of the bride, was dressed in flowered crepe de chine. The room was decorated for the occasion. The bridal couple, attended by the bride's sister, and the groom's brother, Alfred, entered the room to the strains of the wedding march played by Miss Esther Moe of rGand Forks and immediately before the service Miss Alice Brandvold sang the song, "Oh Promise me." After the ceremony a buffet luncheon was served, with only a few relatives and friends present.

Mrs. Paulson is a graduate of the high school at Leeds and the University of North Dakota. She was engaged as grade school instructor in this city for two years and is well known here.

Mr. Paulson attended the local schools, graduating from the high school. During the late World war he served over seas 18 months. He has been employed on the Soo Line here and is now manager of the office of the American Express company here. Last fall he was elected alderman-at-large and is serving the city in that capacity. He is also active in various other civic enterprises and is known as a most dependable worker in everything he undertakes.

The bridal couple are spending a honeymoon at Duluth, Port Arthur and Minneapolis and will attend the state fair. On their return they will be at home at 809 Horace avenue after September 10.

Mrs. Leo Desmond of Fargo, Miss Lorna Dodge of Rock Lake, N. D., Miss Esther Moe of Grand Forks, Carl Gulrud and Alfred Paulson of this city attended the ceremony.

The Times joins the many friends of the newlyweds in extending congratulations and best wishes.

Mrs. Froehlich on Program of State Club Convention

Among the important reports to be delivered at the 30th annual convention of the Minnesota Federation of Women's clubs to be held in Excelsior on Sept. 9, 10 and 11 will be one by Mrs. H. W. Froehlich of this city, chairman of the state community service committee. It is likely that Mrs. Froehlich will be the only representative of the local club to the state gathering, altho the matter of sending a delegate will be taken up at a meeting which may be called the latter part of the week, according to Mrs. G. W. Booren, president.

An extensive program is being arranged for the convention, approximately 1,000 women from all parts of the state being expected to attend. Community service will be the keynote of the discussions, special emphasis being placed upon the importance of getting everyone in the community to co-operate in making a better place in which to live.

Much has been accomplished along this line thru the efforts of the club here during its ten years of existence and it is to be hoped that even greater results may be achieved in the future.

Miriam Bishop to Elgin, Ill.

Miss Miriam Bishop, who has spent a part of the past summer vacation at the home of her parents, Mr. and Mrs. J. M. Bishop, leaves tomorrow night for Elgin, Ill., a suburb of Chicago, where she has accepted a position to take charge of a newly established department for sub-normal children in the schools of that city. The position offers splendid opportunity for psychological work and the selection of Miss Bishop to fill it at its inception in the Elgin schools is a recognition of her ability along this line. Last year she was engaged in social service work in Pittsburg and also studied at the university there, expecting to complete her masters degree next summer. Miss Bishop is intensely interested in work of this nature and is meeting with decided success and recognition.

McMurtry-Prichard

Miss Fern McMurtry, daughter of Mrs. Melissa McMurtry of Redfield, S. D., and James Skewis Prichard, son of Mr. and Mrs. W. W. Prichard, Sr., of this city, were married at the home of the bride's mother, August 11. The couple left that evening for Storm Lake, Iowa, to spend a week and are now at home at 1598 Charles street, St. Paul.

Miss McMurtry graduated from the University of Minnesota and the past two years has been engaged as instructor in a special department of the St. Paul schools. Mr. Prichard attended the local schools and completed a course at the University of Minnesota, also serving in the late World war. He is now engaged as special accountant by the Northern Pacific railway company. The groom's many friends here join in extending congratulations.

Honored Jointly

Miss Magdelen Thill and N. B. Waldorf were honored guests Wednesday last week when Mrs. Gertrude and Mrs. Waldorf entertained at picnic supper at Lovers Lane. Twelve guests were present. The party spent the evening hours after the repast at the Thill home.

For Mrs. Schmitz

The Macabees lodge honored Mrs. Catherine Semitz Tuesday afternoon when they gathered in picnic at Lovers Lane and entertained about fifty of their members and friends in compliment to her as one of their charter members and past sargeant. Mrs. Mrs. Schmitz was presented with a gift as a token of esteem.

For Mrs. Melby

Members of the Methodist church choir, of which Mrs. Oscar Melby is a member, entertained in compliment to her at the V. C. Noper farm Tuesday evening. Mrs. Melby left yesterday for Overly, N. D., where she will make her future home. As a token of esteem, Mrs. Melby was presented with a gift by the choir. Sixteen guests participated.

McCrum-Cabot

Miss Grace McCrum, youngest daughter of Mr. and Mrs. W. L. McCrum residing east of this city in Smiley township, and Dr. Geo. Sheryle Cabot, son of Mr. and Mrs. Geo. H. Cabot of Minneapolis were married at the home of the bride's parents, yesterday forenoon at 11 o'clock. The ceremony was performed by Rev. J. B. Smith in the presence of Miss Mary Vance, bridesmaid, and Dr. Frank Cabot of Minneapolis, groomsman, and about forty relatives and friends.

The bride was attired in a gown of georgette crepe, trimmed with chantilly lace with a veil in cap effect fastened with orange blossoms and carried a bouquet of sweet peas. The bridesmaid wore a dress of terra cotta canton crepe trimmed in valenciennes lace. The rooms were decorated with ferns and sweet peas. "Because" was sung by Miss Alice McCabe before the bridal group entered and "At Dawning" after the service.

Mrs. Cabot has been a resident of this city and vicinity nearly all her life. She graduated from the local high school in 1919. She began the course in nurses training at the Physician's hospital and completed it at General hospital in Minneapolis. The past summer she was engaged as superintendent at the Physician's hospital.

Dr. Cabot received his education in Minneapolis, taking the medical course at the University of Minnesota.

Dr. and Mrs. Cabot left yesterday afternoon for Bemidji to spend a brief time and will continue on from there to Minneapolis to make their home.

A large circle of the bride's friends here join in extending wishes for many years of happiness.

Brandrude-Lillevig

Miss Anna Brandrude, whose parents reside at St. Hilaire, and Arthur Lillevig of Graceton, Lake of the Woods county, were united in marriage at the Zion Lutheran parsonage last Friday, Rev. George Larson officiating in the presence of Dora Evenson and Gordon Larson.

The bride who is a graduate of the Thief River Falls high school has been teaching at Graceton. The newlyweds will make their home at Graceton where the groom operates a farm.

Thelemarken Church

The young peoples society of the Thelemarken church will be entertained by Mrs. E. O. Sabo and Mrs. Sarah Knutson at the Knutson home. Everybody welcome.

Post-card Social

The Northfield Young Peoples society will give a post-card social at the Northfield school house on Saturday evening, Aug. 30. The ladies are asked to bring lunch for two and a post-card.

For G. W. Connells

Mrs. W. H. Frederick was hostess to a seven o'clock dinner Thursday evening in honor of Mr. and Mrs. G. W. Connell. The guests were Mr. and Mrs. Fred Quale, Mr. and Mrs. Ben Bradford of Holt, Roy Brown and Rolf Rasmussen.

Family Dinner

Mr. and Mrs. Ed Evenson were hosts at a family dinner Friday evening when they entertained for Mr. and Mrs. Oscar Evenson of Hibbing. Dinner was served at six and the remainder of the evening was passed in a social manner. Besides the honor guests were Charles Evenson and family, Lena Evenson, and Miss Esther Gjertson.

Theatre Party

Mrs. A. M. Campbell, residing at 321 Atlantic avenue, entertained a group of friends of Miss Dagny Tharaldson at a theatre party in compliment to her sister, Miss Tharaldson, who leaves for Minneapolis to be employed with the Minnesota Wheat Growers in the near future. After the theatre the guests repaired to the home of Mrs. Campbell and spent the remainder of the evening in a social way. The rooms were decorated in tones of lavender. Refreshments were served at a late hour. Those present were the Misses Dagny Tharaldson, honor guest, Elsie Sundahl, Eileen Arneson, Lorraine Will, Bertha Ordahl, Doris Richter, Adlynn LaBree and Anne Tharaldson.

Share Honors

Mrs. A. I. Anderson of Whittier, Cal., daughter of Mr. and Mrs. W. W. Prichard, Sr., and Miss Jennie Skewis of Storm Lake, Iowa, a sister of Mrs. Prichard, Sr., shared honors Tuesday afternoon when Mrs. Prichard entertained a number of friends at her home in compliment to them. The hours were spent in a social way and refreshments served at five o'clock. The invited guests included Mrs. J. M. Bishop, Mrs. Hoover and daughter of Chicago, who are guests at the Bishop home; Mrs. Charles Nason, Mrs. Albert Johnson, Mrs. W. W. Prichard, Jr., Miss Miriam Bishop and Miss Mildred R. Nelson.

Penney Stores Stage Picnic

Staffs of the Grand Forks, Crookston and Thief River Falls Penney company stores gathered at the tourist park here Sunday and participated in a picnic event as guests of members of the Service Club of the local branch of that organization. About ninety persons participated. Minnesotans, and Pennington Countyites particularly, showed their superiority over North Dakotans in a tug of war contest in which four members of the local house "pulled" five members of the Grand Forks staff. This is the second joint picnic event of that company, the other being held at Grand Forks recently.

Mrs. Melby to Overly

Mrs. Oscar Melby and children left yesterday morning by car for Fordville, N. D., where they will be joined by Mr. Melby, and continue on to Overly, N. D., where they will make their future home. The household goods were shipped this week. A large circle of friends regret their departure and extend wishes for happiness in their future home.

Clinic Well Attended

The clinic for expectant mothers and mothers of young babies which was held by the Division of Child Hygiene in Holt on Aug. 23, was well attended. Many women availed themselves of the opportunity to see the exhibit and hear the talk given by Dr. C. O. Maland of Minneapolis. The motion picture, "Well-Born," was shown in the evening. Other clinics will be held in Grygla Sept. 5th, and in Gatzke Sept. 6.

Wedding Anniversary

Dr. and Mrs. O. F. Mellby entertained a number of relatives at their home Sunday in commemoration of their eighteenth wedding anniversary which was Monday, August 25. Those present were Judge and Mrs. Andrew Grindeland of Warren, parents of Mrs. Mellby, their daughter, Miss Gladys Grindeland, Mr. and Mrs. J. N. Halvorson and son, and Mathew Halvorson also of Warren.

Entertains St. Olaf Boys

Dr. and Mrs. O. F. Mellby entertained the members of the St. Olaf quartette at their home Monday evening after the concert at the Trinity church. The hours were spent in music and in a social way. Dr. Mellby is a graduate of St. Olaf. Twelve guests were present.

Royal Neighbors Meet Sept. 3

A regular meeting of the Royal Neighbor lodge will be held next Wednesday, Sept. 3, a social time to follow the business session. Each member may invite one lady friend. Cards will be the chief amusement of the hours, lunch to be served in the course of the evening.

To Mr. and Mrs. Mattson

Mr. and Mrs. C. W. Mattson are the proud parents of a girl born to them Tuesday, August 26, and members of The Times staff join their friends in extending congratulations.

LOCAL NEWS

Mrs. E. L. Speningsby of Ada left for Holt Friday after spending three days in the city on business.

Mrs. Frank Edwards and daughter, Edith, of Superior returned Tuesday after having spent a week's time at the Paul Quinlog home.

Walter Bugge returned to this city Friday from Chicago where he spent a week as a guest at the home of his sister, Mrs. Teth Myrom.

Mr. and Mrs. F. C. Niclai left Tuesday last week for Little Falls to spend two weeks as guests at the home of Mrs. Niclai's parents, Mr. and Mrs. Landahl, who were guests at the Niclai home here for a day's visit and whom they accompanied on their return home.

Mr. and Mrs. George Nelson and daughter, Dorothy, of Minneapolis, motored to this city and spent Sunday as guests at the home of H. E. Nelson. They also attended the J. C. Penney company employees' picnic. They left Sunday night for Bemidji for a brief visit on their return.

Mrs. I. V. Hanson and son, Norman of Scobey, Mont., arrived Saturday morning to spend a day at the home of Mr. Hanson's sister, Mrs. W. A. Barnard. Sunday the Bnarnard family and Mrs. Hanson and son motored to Fertile and spent the day at the home of Mrs. Barnard's mother, where Mrs. Hanson is visiting.

Mrs. John Simonson and daughter, Ida, of Denver, Col., returned to their home Tuesday evening, after having spent a month at the home of their brother and uncle, Jorgen Eide. Mr. Eide had not seen his sister since he left Norway 38 years ago and her visit was a most pleasant one for the Eide family and Mrs. Simonson.

Mr. and Mrs. P. J. Keating, Mrs. Bertha Munt and Mrs. Alfred Erickson returned Friday evening from an auto trip to the twin cities and Shakopee at which latter place they visited Mr. Keating's sister. They also stopped at Wadena and Itasca State park on their return. They report crops promising exceptionally large yields all along the line.

Mr. and Mrs. Peter A. Morse, formerly of this city and now of Chicago, arrived Monday evening to spend a few days here with friends. Mr. Morse operated the bowling alley in the Citizens State bank building two years ago and is now shipping the fixtures to Chicago and disposing of some in this city. They will make their home in Chicago.

Mrs. O. Peterson and Mrs. O. J. Tagland and daughter, Betty, and Mrs. I. Peterson and daughter, Phyllis, arrived from their home at Fosston Friday to spend a brief visit at the home of Mrs. O. Peterson's son, P. G. Peterson. They also visited at the C. G. Gulrud home at Goodridge, and at the Albert Engen home in this city.

Mrs. Cora Wold of the LaVogue shop of this city and the Smart shop of Grand Forks spent Thursday and Friday in this city on business, returning to Grand Forks Friday evening, enroute to New York City on her annual fall buying tour. The new garments will arrive in a week or two.

Mrs. R. B. Shetler left Tuesday afternoon for Big Sandy, Mont. where she will join her daughter, Pearl and sons, Kenneth and LeRoy, and spend a week at the home of her brother, John F. Matheson. On her return she will be accompanied by her two sons. Miss Pearl Shetler will be engaged as school instructor at Chinook, near Big Sandy, this year.

Rev. and Mrs. Albin A. Larson and children, Florence, Naomi, Evordus and Evodia, and Miss Esther Lunsetter of Gatzke, returned to this city Wednesday last week from Eagle Lake, near Fergus Falls, where they spent 10 days at the resort and visiting with relatives. They were guests at the home of Rev. Larson's brother, Herman Larson, and his cousin, Frans Pearson, at Fergus Falls.

Miss Winnie Booren of Stillwater, who is a guest at the home of her brother and sister-in-law, Dr. and Mrs. G. W. Booren, left Friday for Plummer to visit with her brother, Harry; Mr. and Mrs. Harry Booren, son Harry, Jr., and Miss Winnie Booren are expected to arrive today to visit at the Booren home here. Miss Booren expects to return to Stillwater next week.

Mr. and Mrs. B. O. Norby arrived Friday from Eyota where Mr. Norby attended to various affairs in connection with his moving to this city to take over the permanent managership of the Thief River Valley Co-operative Poultry and Egg association. They will reside in the house vacated by G. W. Connell, 104 Markley avenue north, who is moving to Minneapolis.

The following item from the Alexandria Citizens News regarding Gordon B. Melby, instructor in the Thief River Falls high school three years ago, will be of interest to his many local friends: Gordon B. Melby, who taught under Superintendent H. B. Gough at Buffalo the past year, will succeed Donald Duncan as science teacher. Mr. Melby not only will act as a teacher but he will also help in coaching the athletic teams, and besides this it is very likely that the school will make use of his ability at playing band instruments."

Mr. and Mrs. H. W. Douttiel of Cleveland, Ohio, returned to that city Tuesday after having visited at the home of the latter's parents, Mr. and Mrs. Sam Lovaas residing east of Plummer. Mrs. Douttiel, formerly Miss Selma Lovaas, graduated from the Thief River Falls high school in 1914 and for four years prior to her marriage in 1923 taught in the schools of Cleveland. Mr. and Mrs. Douttiel made the trip by car and reported good roads practically the entire way. They stated that the Minnesota road system was particularly commendable.

St. Olaf Choir Pleases Many at Concert Monday Evening

Talent, coupled with excellent coaching, was exhibited by the quartette of St. Olaf singers Monday evening at the concert at Trinity Lutheran church, sponsored by the Dorcas society of that church.

The program consisted chiefly of sacred songs, which were delivered with a fine conception of interpretation. Both solo and quartette numbers were given. The attack in all numbers was good. Each part was sung with an accuracy which made the result a most pleasing and effective blend. A few numbers of a lighter theme were given and much enjoyed by the audience. Few male quartettes in this state can be said to be better, according to music lovers who were present. The chorus consisted of Osgood Westley, first tenor; Obed L. Grinder, second tenor; O. Matthey Lyders, first base and L. Kenneth Onsgaard, second bass. The choir appears at St. Hilaire this evening and it is expected that many will attend.

Mrs. Hardisty Will Give Report of W.C.T.U. Meet

Mrs. J. H. Hardisty represented the local unit of the Woman's Christian Temperance Union at the annual state convention held in Worthington for four days, closing Sunday. Among the important matters to come up before the convention was the question of Sunday dances and it was decided to wage war on this violation of the Sabbath. Efforts will be made to secure effective legislation putting a ban on this form of Sunday frolic in the next session of legislature.

A complete report of the state meeting will be heard at a meeting of the local Union to be held at the home of Mrs. C. M. Carlson next Tuesday afternoon, which will mark the opening of the season after having closed activities for the summer months since July 1. Everyone is cordially invited to attend. Lunch will be served by Mrs. Carlson and Mrs. J. O. Sether.

New Night Cop

E. L. Krogstad, for the past eleven months night patrolman in this city, who tendered his resignation some time ago, took off the star Tuesday and Fritz Christianson took his place. Christianson has served as relief officer at various times. Mr. Krogstad, brakeman of the Soo line has returned to duties on the road, which was his reason for resigning.

Regarding First Graders

With respect to the ages of first graders on entrance to school, Superintendent I. T. Simley announces that pupils will be granted three months in which to reach the age of six years after the opening of the semester, instead of six week as was formerly planned.

To Middle River

Elmer Tandberg expects to leave Saturday for Middle River to take up duties as superintendent of the schools there, which open next Tuesday. Albert Westby of Zumbrota will be principal of the high school which position was formerly held by Mr. Tandberg, who succeeds John Nystul.

Phenomenal Star Seen Here

Many eyes were turned skyward Tuesday forenoon when an unusual arrangement of some of the heavenly bodies was observed, a star, the planet Mars, shining brilliantly in broad daylight close to the moon, which was at last quarter. It was a very extraordinary sight and caused considerable interest.

Thorwick-Bethlehem
O. J. Raaum, Pastor

Services in Thorwick Sunday at 11 o'clock. Services in Bethlehem at 2:30 p. m.

Highway Engineers Enjoy Lake of the Woods Trip

Highway engineers, from various parts of Minnesota, enjoyed a splendid outing on Lake of the Woods last week, when they gathered at Warroad Thursday evening and spent the time until Sunday evening at points of interest on the lake.

The party, including 26 persons, took the boat "Scout" at Warroad Friday morning at 6:30. A sturgeon dinner was enjoyed at noon on board the boat and at 4:30 the party reached Kenora. At that place members of the Rotary club of Kenora took upon themselves the office of guides and took the party to such places of interest as the large paper mill, the power plants, the Norman dam and the flour mills of the Lake of the Woods Milling company. Excursions thru the islands of the lake in speed boats were arranged and Friday night the body of engineers and their wives were entertained at the C. P. R. bungalow camp at a dinner-dance and remained there until Sunday. Much credit for the success of the trip is due to B. W. Sewell of Crookston, maintenance superintendent, who arranged the trip.

Among those of this city who took part were Mr. and Mrs. L. R. Johnston and son, Gordon, and daughter, Lillian.

Soo Trains Discontinued

Soo line trains, Nos. 164 and 165, the night trains between this city and Duluth, will make their last trip Aug. 31, according to announcement this week.

Council Meets Tonight

A quorum not being present at the regular meeting of the city council Tuesday night the meeting was adjourned until tonight.

Cool as a snow-capped mountain

Delicious fruit ices — easily made

Hot? Well, here's a relief suggestion you'll surely enjoy. Fruit ices—cool as a breeze from the mountain-top. And so easily made.

Just pack a can of DEL MONTE Peaches, Crushed Pineapple, Pears, Apricots, Strawberries, Blackberries, Raspberries, Loganberries—any variety you wish—in an ordinary bucket between equal layers of chopped ice and coarse or ice-cream salt. Let it freeze that way for three hours. Then take the can out, punch a hole in the bottom, cut off the other end and turn out one of the [illegible] delicious fruit ices that ever he[illegible] the hot days cool.

Slice like brick ice-cream and serve plain or with whipped cream. You'll say it's delicious refreshment for any occasion.

NEW CLOTH COATS AND NEW DRESSES ARE ARRIVING HERE DAILY

We now have a fine selection of newest styles for the coming season—featuring the season's approved fabrics and styles as adopted by the country's leading modistes.

Make your selection now and a deposit will hold any garment until you want to use it.

Here you will find individual styling at prices that are refreshingly moderate.

Whose Rent Do You Pay?

Are you helping to pay the rent of the big city stores?

Are you contributing to the taxes, insurance, interest, employees' wages, and the hundreds of other expenses of the department stores or mail order houses?

Most surely you are if you are buying anything from them.

Every dollar's worth of goods sold by such businesshouses must help pay these expenses. These costs are enormous and must be paid—and if you buy, you pay.

Isn't it better economy to buy from the merchants of your town?

You pay less and you get more, and your money stays where it will be invested for our own good.

If You are Sick

and have failed to get results from other methods, investigate Chiropractic. It will get results in most of the so-called incurable cases. The inner mind, some times named the sub-conscious mind, also called nature, controls the physical body. The instrument used is the brain and nerves. Therefore when the nerves are right, you are enjoying Health, and when there is inpungement on the nerves, cutting off part of their power you get sick. We have 24 movable vertebrae and nerves passing out from the spinal cord between each pair of vertebrae. There is where the inpungement occurs and chiropractic adjustments relieve this pressure providing we know the existing conditions. This can be learned perfectly by the use of Ex-Ray pictures. All uncertainty may thus be eliminated and results are better in practically all cases. This has been proven by years of experience.

Chiropractic has no quarrel with the germ theory

DEFINITION
The practice of Chiropractic consists of the adjustment, with the hands, of the movable segments of the spinal column to normal position for the purpose of releasing the prisoned impulse

Ask Your Chiropractor for "The Last Word"

Chiropractic teaches that we live in a sea of life; that in every drop of water, in every breath of air, and in every morsel of food there are myriads of germs that yield their lives to ours. We hold that if germs caused disease the human race would, long since, have perished from the earth.

Germ theorists explain the fact that all who come in contact with the germs do not contract disease by saying that such are not "susceptible." Why is one person susceptible and another not?

Chiropractic

teaches that "susceptibility" or "lack of resistance" is due to an absence of the functional impulses sent over the nerves by the "power within" that carries on all the processes in the living body. It teaches that when a vertebra becomes misaligned it impairs the conductivity of the nerve and steps down "resistance" to the point of "susceptibility."

The work of the chiropractor is to adjust the vertebra, thereby permitting normal resistance to the stress of environment.

Employ none but a competent chiropractor.

Write for information regarding Chiropractors or Schools to the Universal Chiropractors' Association, Davenport, Iowa, U.S.A.

OFFICIAL PROCEEDINGS OF THE COUNTY BOARD PENNINGTON COUNTY, MINNESOTA

Thief River Falls, Minnesota
Aug. 19th, 1924

The County Board for Pennington County, Minnesota met in special session in the office of the County Auditor in the City of Thief River Falls, at 7:30 P. M. All members being present.

Meeting was called to order by the Chairman Commissioner Hanson.

Application of G. C. Gulrud as Village Clerk for the Village of Goodridge for abatement of taxes on certain lot in said Village was presented to the County Board for their approval and was so duly approved subject to the approval of the Minnesota Tax Commission.

Applications of John Norman and C. H. Anderson to be set off from School District No. 108, and attached to School District No. 227 was presented to the County Board for their approval. The same was duly approved and the following order was issued:

WHEREAS, A petition signed by John Norman, a freeholder of School District No. 108 in this County, with the approval of the County Superintendent endorsed thereon, representing that he is the owner of the following described lands situate in said District, to-wit:

The Northeast Quarter of Section 24, Twp. 152, Range 44.

Said lands adjoin School District No. 227 and asking that his said lands may be set off from said District No. 108 to said District No. 227 for the following reasons:

That it is planned to rearrange School Districts No. 108 and 227 and 133 by forming a new School District on the east side of the Red Lake River and by changing the site of the School house in District No. 227 by moving it three-fourths of a mile west from its present location; that this will make school facilities more accessible to the occupant of said land as well as to other residents of the territory affected; that it will place the school house in District 227 on a main traveled Trunk Highway in the centre of the District as proposed to be changed and generally to improve school conditions in all the territory affected; that said lands adjoins District No. 227 as now constituted, was presented to the County Board of Pennington County, Minnesota, at a session of said Board held on the 19th day of August A. D. 1924, for the action of said Board thereon.

Now, therefore, it is ordered that said petition will be heard by this Board at the session thereof commencing on the 10th day of September A. D. 1924, at the office of the County Auditor in the City of Thief River Falls, in said County.

And it is further ordered that notice of time and place of such hearing be given by a two weeks published notice thereof, and posting a notice of such hearing in three public places in each of the School Districts to be affected by said petition and by serving upon the clerk of each of said School Districts by mail, a copy of said notice of hearing, at least ten days before the time appointed for such hearing.

A. W. HANSON,
Chairman of County Board,
Pennington County, Minn.
Attest: T. P. ANDERSON,
County Auditor, and Ex-Officio Clerk of Board.

WHEREAS, A petition signed by C. H. Anderson and R. Anderson, a freeholder of School District No. 108, in this County, with the approval of the County Superintendent endorsed thereon, representing that he is the owner of the following described lands situate in said District, to-wit:

The Southeast Quarter Section 24, Twp. 152, Range 44.

Said lands adjoin School District No. 227 and asking that his said lands may be set off from said District No. 108 to said District No. 227 for the following reasons:

That it is planned to rearrange School Districts 108, 227 and 133 by forming a new School District on the east side of the Red Lake River and by changing the site of the school house in District No. 227 by moving it three-fourths of a mile west from its present location: that this will make school facilities more accessible to the occupants of said lands as well as other residents of the territory affected; that it will place the school house in District No. 227 on a main traveled Trunk Highway in the center of the District as proposed to be changed, and generally to improve school conditions in all the territory affected. That said land adjoins District No. 227 as now constituted, was presented to the County Board of Pennington County, Minnesota, at a session of said Board held on the 19th day of August, A. D. 1924, for the action of said Board thereon.

Now, Therefore, it is ordered that said petition will be heard by this Board at the session thereof commencing on the 10th day of September A. D. 1924, at the office of the County Auditor in the City of Thief River Falls, in said County.

And it is further ordered that notice of time and place of such hearing be given by a two weeks published notice thereof, and posting a notice of such hearing in three public places in each of the School Districts to be affected by said petition and by serving upon the clerk of each of said School District by mail, a copy of said notice of hearing, at least ten days before the time appointed for such hearing.

A. W. HANSON,
Chairman of County Board,
Pennington County, Minn.
Attest: T. P. ANDERSON,
County Auditor, and Ex-Officio Clerk of Board.

On motion duly carried the following bills were audited and ordered paid.

Carl G. Olson, One day Committee work	6.20
Carl G. Olson, Mileage to Sanatorium and Committee work	8.00

There being no further business the County Board adjourned sine-die.

A. W. HANSON,
Chairman.
Attest:
T. P. ANDERSON,
County Auditor and Ex-Officio Clerk of the Board.

$3,000,000 FAIR PROGRAM READY

Greatest Exposition in History, Aug. 30 to Sept. 6—$144,716.50 In Prizes

The Minnesota State Fair, Twin cities, August 30 to September 6, will present the greatest program in its 65 years history. It will be a $3,000,000.00 Exposition. It will be educational, recreational and inspirational.

The "world's greatest State fair"—the Northwest's biggest show window—comprising 260 acres of exhibits—will reflect all the progress, growth and development which has been made in agriculture and livestock the past twelve months.

Fair Leads in Premiums.

Premiums and special prizes totaling $144,716.50 are offered by the management. This is more money than is being offered by any other fair or exposition in America, and clinches Minnesota's claim to being the "world's greatest Fair."

One hundred times bigger than the biggest circus, this year's Fair will bring together the finest exhibits of agriculture, livestock, boys' and girls' club work, women's work and machinery ever assembled anywhere in the world.

So many big, startling educational exhibits have been booked that to single out any one or two departments as outstanding features would be like trying to find the proverbial needle in the haystack.

Agriculture Comes Back.

That Agriculture is staging a come-back in the Northwest is best proved by the large number of county exhibits this year. Forty-two counties already have entered in the county competition, and several more are expected to be added to the list in the next few days. This is nearly three times as many county exhibits as were entered in 1922.

The second annual Northwest Dairy Exposition will be larger and better than the first one. Cash premiums totaling $16,305.00 are offered for the leading breeds of dairy cattle, putting the Northwest Dairy Exposition on par with the National Dairy Show, at Milwaukee, and other expositions of similar nature to be staged in America this year.

Plums To Be Featured.

"The Story of the Plum," one of the most dramatic tales of progress in fruit breeding ever chronicled in the world, will be the big feature of the horticultural show. New varieties of plums that have been evolved by the State Fruit Breeding Farm, that are destined to drive the California plum off the northwest market and make Minnesota one of the greatest plum-producing states of the Union, will be shown.

One thousand boys and girls from every part of the state, enrolled in boys' and girls' club work, will compete for the $22,652.60 in prizes offered by the fair. These children are the winners in the preliminary contests throughout the state in which more than 20,000 competed. A boys' and girls' parade in front of the grandstand will be one of the high spots on the program.

In addition to this most wonderful educational program, a stupendous entertainment bill has been arranged which will feature horse racing, auto racing, fireworks, vaudeville, horse shoe pitching, auto push ball, and other spectacular attractions.

Life consists of a lot of things we don't know and a few things we do know.

Minnesota State Fair
And
N. W. Dairy Exposition

"World's Greatest State Fair"

EIGHTY ACRES OF FARM Machinery of latest model, valued at millions of dollars, will make the machinery show at the Fair this year the largest held anywhere in the world.

See the other great educational features: Forty county exhibits; 1,000 boys and girls in club work demonstrations; tons and tons of fruit; an endless amount of women's work; $500,000 art exposition; Northwest Dairy Expositions; all latest models of automobiles; and many other wonderful and instructive things.

There will be lots of activity, plenty of variety and something new.

Lunch at 12:30 P. M.
Program and Sports at 1:30 p. m.
COME AND PLAY WITH US.

POTATO GROWERS MAKE REAL GAINS

Local Warehouse Leased by Association to Handle This Year's Crop

The Minnesota Potato Growers exchange last week leased the warehouse owned by R. Oen just north of the new Peterson-Biddick building on the Soo right-of-way and plan handling a large proportion of the potato crop in this section this year. C. E. Weigart of McIntosh, district superintendent for the association was in the city recently making plans for handling the crop and organizing the local committee. As the warehouse again yesterday. As the warehouse in question is not equipped for storage, it will be used only during the fall and spring months for grading and shipping. Farmers will have to store the potatoes over winter in their own quarters if they wish to hold them until spring. Grading machinery and other equipment will be installed this week.

That the potato growers of Minnesota are making distinct progress in methods and results obtained was clearly seen in the potato fields inspected on the state's third annual potato tour, which closed at Meadowlands, near Duluth, Saturday, August 9.

The average producer is going in for the raising of standard varieties and is avoiding mixtures, says S. B. Cleland, district leader of county agents, who was a member of the tourist party throughout. The average producer is also getting a better understanding of potato diseases and of the losses imposed by insects, and is learning how to control both enemies of his crop.

Again, a distinct gain is being made in the growing of potatoes on peat lands through a knowledge of right drainage and the use of ample supplies of commercial fertilizers. In every county visited on the tour, fine potato fields on peat soils were found.

Interest is growing, furthermore, in certified seed potato production, reports A. G. Tolaas, in charge of certification work for the state. Last year about 4,000 acres of potatoes were entered for seed certification. This year the acreage is 5,500.

The Minnesota Potato Growers Exchange last week shipped its first car of potatoes. It moved from Anoka, one of sixteen shipping points at which the Exchange last week opened warehouses for the receipt of potatos. Other warehouses are being opened daily and by Sept. 1, Exchange officials expect to be receiving potatoes at 50 stations, at least.

Instructions sent by Leo H. Wright to warehousemen, call for close grading, the Exchange's best potatoes being packed on a basis that makes them superior to U. S. No. 1, the best grade under government regulations. Only member's best potatoes will get in to this grade, as the Exchange has adopted a policy of close grading for the purpose of re-establishing the standing of Minnesota potatoes in the terminal markets.

Thus far, arrangements have been completed for 185 houses and, according to Mr. Wright, receiving facilities have been completed at all except a very few stations in the entire potato growing sections of the state.

Among the new stations at which arrangements were completed last week was McIntosh, one of the most prominent potato shipping points in the state.

W. E. Rumble, one of Minnesota's best authorities on co-operative marketing law, has been retained as general counsel for the Exchange, it was announced at St. Paul by Frank Kiene, president. Mr. Rumble is general counsel for the state co-operative creamery association and the Central Commission company.

It's a wise speaker who knows what the master of ceremonies means when he says a short address.

RED RIVER VALLEY FAIR DELEGATES

Pennington County Will Not Be Represented in Joint Tour to Minnesota Fair

One hundred and fifty communities representing 80 counties in Minnesota are co-operating with the Northwest Dairy Exposition Committee in marshalling organized train, auto, and bus delegations of farmers and business men to travel to the Committee's second annual Dairy Exposition opening Saturday in conjunction with the Minnesota State Fair.

Heading the list of these delegations is an automobile caravan of 250 cars from 12 Red River Valley counties carrying nearly 800 farmers and business men to the exposition.

It was planned to send a delegation from Pennington county and Thief River Falls to join the great Red River tour but according to present plans this community will not be represented, arrangements having been made for the group of ten Pennington county farmers going to the fair as guests of the Commercial club, to go by train Sunday night.

Each business and civic organization in the valley cities is furnishing one car driven by a business man to carry from three to five farmers. The tour wgill sart from the northern counties Saturday and travel southward through the valley gathering strength as it goes. Other groups will join it Sunday and at St. Cloud, where the cavalcade will stop Sunday night, special entertainment features have been planned by the Commercial club.

The caravan will parade from St. Cloud down the pavement in full strength on Monday morning, Sept. 1, with bands, flags, floats and banners. About noon the pilgrimage will parade both Minneapolis and St. Paul before proceeding to the grounds.

Another new group of visitors to come to the "dairy show" in force is being organized in the 48th Minnesota legislative district, embodying Big Stone, Traverse, Stevens and Grant counties, and will arrive over the highway on Monday. Their slogan is "West Central Minnesota—purebred sires, tuberculin tested cows, and certified alfalfa." They will bring a float depicting the dairy progress of their community.

"Kows, Klover and Korn" is the slogan of a delegation coming by automobile from Todd, Hubbard and Wadena counties, emphasizing their dairy cattle, sweet clover, and quality corn.

The shrewd man steps into the path a little ahead of progress and waits for it to catch up with him.

CREDIT BODY AIDS FARMERS IN COUNTY

Diversification Program is Promoted by Credit Corporation by Easy Loans

Farmers who desire to take advantage of the opportunity to secure livestock such as dairy cows and other cattle, hogs and sheep, by means of loans thru the Agricultural Credit corporation should make application as soon as possible, according to A. L. Ingram, purchasing agent for the corporation, who spent a week in this territory looking after loans and placing cattle on farms in Pennington and other counties of this corner of the state. About 15 loans were accepted here and quite a number of animals were placed.

Practically all the livestock purchased with the aid of the corporation by local farmers has been bought right here, but it is expected that the forthcoming loans will be filled with stock shipped in from counties in the southern part of the state where there is a surplus, according to statement by Mr. Ingram.

Not to exceed $1,000 will be loaned, to any farmer for the purchase of cattle, sheep or hogs at the rate of six per cent interest. Cattle loans are payable ten per cent of the principle in the first year, 20 per cent the second year, 30 per cent the third year, and 40 per cent four years from date. Chattel mortgages are taken on the stock purchased to secure the loans. No other security is required in the mortgages. It is only necessary that a farmer have ample facilities and ability for the care and feed of the stock and be able to make a satisfactory financial statement for the corporation as a basis for the loan. It is not necessary that he should be in an unfavorable financial condition in order to secure the loan. Tennants as well as owners can secure the loans. The loans is to permanently broaden and expand the diversified farming program of the territory which has heretofore been largely devoted to a practice of one crop farming.

Farmers in Pennington county desiring assistance from the credit corporation are urged to make application with any of the following members of the county committee: County Agent J. J. McCann, Math Barzen, Waldie Christensen, Hans Anton, Morgan Vaughan and Albert Lonson, secretary. Those desiring further information regarding the loans are particularly requested to see Secretary Lonson or Agent McCann in this city. The application must first be approved by the local committee.

C. E. Leedy, general agricultural development agent for the Great Northern railway, in a statement last week warns that the prospect of a profitable harvest this year should not be permitted to crowd out consideration of a diversification program. "In fact a profitable harvest," he said, "should be only a greater incentive to stimulate interest in a more diversified farming system."

Mr. Ingram reported a very heavy demand in North Dakota for these loans and present indications point towards a great change in the farming methods of many communities in that great grain state.

Bloviate, a New Word

There is a word which, so far as I know, is local to Washington, and largely to its newspaper and political fraternity. The word is "bloviate." It is not in the dictionary. (I have just looked and found there is no word of which the first four letters are "blov." You pass from "blousing" immediately to "blow.") But although the word is not in the dictionary, those whose ears have quick apprehension of the meaning inherent in sounds, will already have guessed its significance. When a public man, especially one rather given to speechmaking, is invited to adorn and address the annual dinner of this or that, we say he has gone out of town to bloviate. The word carries an implication of ornate, rotund speech and partly of expansion of the ego.—Mark Sullivan in McNaught's Monthly.

Caught the Post

Pat was walking along the road when, hearing a whir, he looked back and saw Larry flying fast and furious on a bicycle.

"Hi, wait a minute," shouted Pat. "I want to speak to you."

"I can't; I'm in a hurry. I want to catch the post," cried Larry, flying by.

Suddenly the bicycle swerved and crashed into a telegraph pole and Larry and the machine lay in a helpless tangle. When Pat came up Larry was extricating himself from the wire puzzle.

"Begorra," said Pat, with a grin, "I see you caught the post."

New Uses for Silver

The bureau of mines was authorized by Secretary Work to begin a research into possible new uses for silver. Dr. L. I. Shaw, assistant chief chemist of the bureau, was named to conduct the experiments at the Reno (Nev.) laboratory. As a result of a preliminary investigation, the bureau has reported that a "systematic research to develop a nontarnishing silver alloy or one in which the tendency to tarnish is reduced and the development of a silver alloy for use on automobiles would be of benefit to the industry."

The Outcome

It is a fact that almost every American girl expects to marry a millionaire. Yet we know there are not nearly enough millionaires to go around.

What is the result?

Many a girl marries a poor man who is trying to act rich.

Forced to It

"I was only acting the part of peacemaker," explained a prisoner.

"But you knocked the man senseless," said the magistrate.

"I did," was the answer. "There was no other way to get peace."—Pearson's Weekly.

Hard Luck

Rub—Well, I got justice from the court at last.

Dub—You don't say? I thought you'd be acquitted.—Town Topics.

DIVERSIFIED FARMING VS. ONE CROP GAMBLING

Agricultural Director of the American Bankers Association Tells of Efforts to Solve Farmers' Problems.

One of the leading problems that is confronting many of our states is that of diversified farming, says D. H. Otis, Agricultural Director of the American Bankers' Association.

"During the past year the Agricultural Commission of the association has arranged for conferences in eight of the twelve Federal Reserve districts," he says. "At these conferences we have tried to get in touch with the agricultural needs of the respective regions and advise with the bankers and others interested as to what the banks might do to help in their solution. A resolution adopted in the Fifth District serves as an example of what is needed in many sections:

"'Encouragement of a proper system of diversified farming in which farmers will grow as far as practical all the food and feed crops necessary for feeding the family and livestock of the farm, and to keep on the farms the requisite kinds and amounts of livestock best to meet the economic needs of farming in this district.'

"The conference in the Ninth District emphasized strongly the need of greater diversification. The farmer who raises nothing but wheat is unwise, even foolish. He is one of the worst kinds of gamblers, one who gambles on the weather, on insects, on drought, and various other things that affect the quality of the product. The farmer who raises wheat and along with it the other crops and keeps a reasonable amount of livestock has something to fall back on when wheat is plentiful and cheap. He is not putting all of his eggs in one basket.

Diversification for Contentment

"In many of the states the first step in diversified farming is to get the farmer to raise sufficient livestock to feed his own family. He needs to get a cow, sow and a couple of dozen chickens so that his own needs can be supplied without going into debt at the store. Livestock used to furnish food for the family will frequently consume large amounts of feed that would otherwise go to waste. Livestock enables the family to set a better table and live under more healthful conditions. More work is furnished to the family, making possible larger family income. If the farm family is producing enough to feed itself, there will be much more contentment and much less idle time in which to criticize the government.

"The Agricultural Commission is doing all in its power to encourage a sane system of diversified farming. The subject is being discussed at various conferences, articles and editorials are being published for the purpose of acquainting bankers with the importance of this work.

Bankers Are Assisting

"It is encouraging at these conferences to find that the bankers are incorporating the subject of diversified farming in their program and laying plans in every way possible to carry it out. To this end we have records of a number of banks who are putting up money to their farmers to purchase livestock. They are encouraging boys and girls to go into club work.

"For the coming year we hope to carry on this work in greater detail and as far as possible hold conferences with the officers and members of the agricultural committee in each of the respective states at the Agricultural College. We believe that in co-ordinating this work with the college, we will reap the benefit of team effort. We are pleased with the hearty response we are receiving from the various colleges of agriculture and we believe that the opportunity is great for influencing various communities in better types of farming and in improved methods of business management."

More to Follow

A young Scotswoman had just lost her husband. It was a sort affliction and the minister called to condole with her. He found her in the kitchen eating a bowl of porridge.

"Ah, Janet," said the good man, "ye have met a sore affliction, indeed. It is too bad, too bad!"

"Aye, that it is, sir," was the reply, "and I greeted (wept) over it all the nicht. I just stopped long enough to eat my breakfast and as soon as I've finished this bowl of parritch I'm going to begin again."—Pittsburgh Chronicle-Telegraph.

Willing to Settle

A school teacher said to a small boy:

"Joe, this arithmetic problem of yours about the huckster and the apples is all wrong. You'll have to stay after school and work it out."

"How far wrong is it?" Joe asked.

"It's a dollar wrong," said the teacher.

Little Joe, a profiteer's son, drew forth a roll of bills and peeled a dollar off.

"I'll just pay up instead of working the thing out," he said. "You see, I'm awful busy this afternoon. Pop and me are goin' off for the week-end on our new flying boat."

Concealing Evidence

Judge—This man says that after he fired a shot, he saw you run from his chicken coop.

Rastus Johnsing—He could easy be mistaken, Jedge. Fust ez Ah was runnin', it mought have been someone else what faintly resembles me.—The American Legion Weekly.

Versatile

"Good gracious!" said the visiting bachelor, "does your baby always cry that way?"

"Oh, dear, no!" responded his host. "He has quite an extensive repertoire. This is only one of his lighter performances. He reserves his heavy work for 2 a. m."—Boston Transcript.

COMMUNITY NEWS

ROSEWOOD

Pioneer Resident Dies

Ole B. Hall, one of the pioneer residents of New Solum township, died last Wednesday following about a year's illness with various internal complications and for which he has sought considerable medical aid, being for several months an inmate at the Crookston hospital this winter, but without seeming avail. Mr. Hall was born in Norway 59 years ago, and has been a resident of New Solum for about thirty years. He is survived by Mrs. Hall and eight children, the majority of whom are full grown. Interment took place on Saturday afternoon at the Rindal cemetery with Rev. Geo. Larson officiating, and a large delegation of friends and neighbors paying their last respect and tribute.

A pleasant birthday surprise party was tendered Mrs. D. N. Peterson at her home last Monday afternoon by about thirty of her friends in this community. A beautiful silver casserole was presented to Mrs. Peterson in memory of the event and the afternoon was spent very socially and greatly enjoyed.

D. N. Peterson motored to Bemidji last Monday where he spent the day on business.

Miss Ethel Styrlund left on Saturday evening for Viking where she will remain over Sunday as a guest among her relatives.

J. A. Peterson and Anker S. Berg from Minneapolis spoke at the Rindal church on Saturday and Monday evening and both times drew full houses, a large number coming from Thief River Falls where these two men also conducted services. The talks were were in both the American and Norwegian languages and was very spirited, and were accompanied by splendid music and singing.

C. E. Hellquist and children from Thief River Falls spent Thursday afternoon visiting with J. E. Hellquist and family here.

The Rindal Ladies Aid will meet at the home of Mrs. Martin Jarshaw on Tuesday afternoon, Sept. 2nd.

Carl Ranum and Victor Axelson expect to leave the latter part of this week for Northland where they will be employed at the Chas. Johnson farm during harvest and threshing.

Viola Axelson spent a few days vacation visiting with her mother here last week and was accompanied by little Jimmy Cosgrove who is still staying at this place.

John Remmem left last Wednesday for Stephen where he will be employed at the George Merdink farm this fall.

Olof Opseth has been assisting Benhard Ranum at carpentry work on the Wilkins farm east of Steiner.

Gust Opseth will leave this week for Numedal where he may do a threshing run this fall.

Threshing has been carried on at the Nordhagen, Dols and Lappegaard farms this week and considerable winter wheat has been brought in at the local elevator. Rye is of a very fine quality and yields averaged about 20 bushels per acre.

Otto Lappegaard is employed at Mavie doing havest work.

(Aug. 28 Oct. 2)

MORTGAGE FORECLOSURE SALE

Whereas defaults have been made in the conditions of a certain Mortgage, duly executed and delivered by Pearl M. King, single, Mortgagor, to Claus Hagge, Mortgagee, bearing date the 4th day of April, 1914, and with a power of sale therein contained, duly recorded in the office of the Register of Deeds in Pennington County, and State of Minnesota, on the 2nd day of June, 1914, at 8 o'clock A. M., in Book 11 of Mortgages on page 363.

And Whereas, the Mortgagee and holder of said Mortgage has by reason of the defaults of said Mortgagor elected to exercise the power of sale in said mortgage contained and the right to foreclose by advertisement, and whereas there is actually due and payable upon said mortgage at the date of this notice the sum of $2167.40, and whereas no action or proceeding having been instituted at law or otherwise to recover the debt secured by said mortgage or any part thereof.

NOW, THEREFORE, NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said Mortgage, and pursuant to the statute in such case made and provided, the said Mortgage will be foreclosed by a sale of the premises described in and conveyed by said Mortgage, viz: The Northeast Quarter (NE¼) of Section Ten (10) in Township One Hundred Fifty-three (153) North, Range Forty-five (45) West of the Fifth Principal Meridian in Pennington County and State of Minnesota, with hereditaments and appurtenances; which sale will be made by the sheriff of said Pennington County, Minnesota, at the front door of the Court House in the City of Thief River Falls in said County and State, on the 11th day of October, 1924, at 10 o'clock A. M. of that day, at public vendue, to the highest bidder for cash, to pay the said debt of $2167.40, and interest and taxes, if any on said premises, and Seventy-five Dollars Attorney's fees as stipulated in said mortgage, in case of foreclosure and the disbursements allowed by law; subject to redemption at any time within one year from the day of sale, as provided by law.

Dated August 26, 1924

CLAUS HAGGE,
Mortgagee.
O. A. NAPLIN,
Attorney for Mortgagee.

(Aug. 28)

In the District Court of the United States For the District of Minnesota, Sixth Division.

In the Matter of Edward M. Korstad, Bankrupt. In Bankruptcy.

To the Creditors of Edward M. Korstad, of Thief River Falls, in the County of Pennington, in Said District, Bankrupt:

Notice is hereby given that on the 23rd day of August, A. D., 1924, the above named Edward M. Korstad was duly adjudicated a bankrupt and that the first meeting of his creditors will be held at the office of the undersigned referee in bankruptcy, in the city of Crookston, in the county of Polk, in said district, on the 4th day of September A. D. 1924, at 10 o'clock in the forenoon, at which time said creditors may attend, prove claims, examine the bankrupt, appoint a trustee and transact such other business as may properly come before said meeting.

Dated August 23rd, 1924.

OLE J. VAULE,
Referee in Bankruptcy.

Order Limiting Time to File Claims, and for Hearing Thereon.

STATE OF MINNESOTA, County of Pennington—ss. In Probate Court.

In the Matter of the Estate of John L. Bamford, Decedent.

Letters of Administration this day having been granted to Mary Bamford,

It is Ordered, That the time within which all creditors of the above named decedent may present claims against his estate in this Court, be, and the same hereby is, limited to six months from and after the date hereof; and that Saturday, the 28th day of February, 1925, at ten o'clock A. M., in the Probate Court Rooms at the Court House at the City of Thief River Falls, in said County, be, and the same hereby is, fixed and appointed as the time and place for hearing upon and the examination, adjustment and allowance of such claims as shall be presented within the time aforesaid.

Let notice hereof be given by the publication of this order in the Thief River Falls Times, a weekly newspaper, as provided by law.

Dated August 19th, 1924.

LARS BACKE,
Judge of Probate.
(Court Seal)

LEGAL NOTICES

(Aug. 7-Sept. 11)

NOTICE OF MORTGAGE FORECLOSURE SALE

Whereas default has been made in the conditions of that certain mortgage dated March 17th, 1919, executed by Peter William Korstad and Blanche Korstad, his wife, mortgagors, to C. L. Hansen, mortgagee, and recorded in the office of the Register of Deeds of Pennington County, Minnesota on March 18th, 1919 in Book 57 of Mortgages on page 261, which mortgage was duly assigned in writing by said C. L. Hansen to Louis Heyduk, the present owner thereof, which assignment was dated on March 27th, 1919 and recorded in the office of the Register of Deeds of Pennington County, Minnesota on the 14th day of July, 1924 in Book 65 of Mortgages on page 275; and whereas there is claimed to be due on said mortgage at the date of this notice the sum of $2,013.78 which sum includes the sum of $389.78 taxes for the years 1920, 1921, 1922, 1923 which have been paid by Louis Heyduk, the said assignee, and which is claimed as part of the debt secured by said mortgage under the terms thereof, and no action or proceeding at law or otherwise has been instituted to recover the same or any part thereof.

Now, Therefore, Notice is hereby given, that by virtue of the power of sale in said mortgage contained and pursuant to the statute in such case made and provided, the said mortgage will be foreclosed and all the real property described in and mortgaged by said mortgage, to-wit:

The South West Quarter (SW¼) of Section Twenty-two (22) in Township One Hundred Fifty-three (153) North of Range Forty (40) West of the Fifth P. M., in Minnesota, containing One Hundred Sixty (160) acres, more or less, according to the U. S. Government survey thereof, will be sold at public auction to the highest bidder for cash at the front door of the Court House Building in the City of Thief River Falls, in said Pennington County, Minnesota, on the 23rd day of September, 1924, at 10:30 A. M. to pay the amount which shall then be due upon said mortgage, together with the expenses of foreclosure and sale and the sum of Seventy-five ($75.00) Dollars attorney's fees stipulated in said mortgage to be paid in case of foreclosure, subject to redemption as provided by law.

Dated at St. Paul, Minnesota, August 2nd, 1924.

LOUIS HEYDUK,
Assignee of Mortgagee.
EVERETT J. MOHL,
Attorney for Assignee of Mortgagee,
423 Capital Bank Bldg.,
St. Paul, Minn.

(Aug. 7-Sept. 11)

MORTGAGE FORECLOSURE SALE

Default having been made in the payment of the sum of Seven Hundred Ninety-six and 50-100 Dollars, together with interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1921, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1922, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1923, which is claimed to be due and is due at the date of this notice upon a certain Mortgage, duly executed and delivered by Melvin H. Wood and Cora E. Wood, his wife, as Mortgagors, to State Bank of Viking (a banking corporation under the laws of the State of Minnesota), as Mortgagee, bearing date the 13th day of March, 1920, and with a power of sale therein contained, duly recorded in the office of the Register of Deeds in and for the County of Pennington and State of Minnesota, on the 23rd day of March, 1920, at nine o'clock A. M., in Book 62 of Mortgages, on page 437 thereof; which said mortgage is given to secure the sum of One Hundred and Seventy-five Dollars, payable in five annual installments of Thirty-five Dollars each, payable on March 13th of each of the years of 1921 to 1925 inclusive, and provides that if default be made in the payment of said note, or any installment thereof, or in the payment of interest due on a prior mortgage, then said mortgagee was and is authorized to pay such interest and the money so paid with ten per cent per annum from the date of such payment shall be deemed a part of the debt secured by this mortgage, and the money so paid and the note hereby secured, at the option of the mortgagee herein, shall become immediately due and payable and the payment thereof enforced by the foreclosure of this mortgage.

AND WHEREAS, The said State Bank of Viking, the Mortgagee and Holder of said Mortgage, has duly elected and does hereby elect to declare the whole principal sum of said Mortgage due and payable at the date of this notice, under the terms and conditions of said Mortgage and the power of sale therein contained; and whereas there is actually due and claimed to be due and payable at the date of this notice the sum of Eight Hundred Thirty-one and 50-100 Dollars, together with interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1921, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1922, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1923, and whereas the said power of sale has become operative, and no action or proceeding having been instituted, at law or otherwise, to recover the debt secured by said Mortgage, or any part thereof;

NOW, THEREFORE, NOTICE IS HEREBY GIVEN, That by virtue of the power of sale contained in said Mortgage, and pursuant to the statute in such case made and provided, the said Mortgage will be foreclosed by a sale of the premises described in and conveyed by said Mortgage, viz: The Southwest Quarter of the Southwest Quarter and the East One-half of the Southwest Quarter and the West one-half of the Southeast Quarter and the Northeast Quarter of the Southeast Quarter of Section ten, in Township One Hundred and Fifty-three North of Range Forty-five West, containing two hundred and forty acres, more or less, according to the Government Survey thereof, in Pennington County and State of Minnesota, with the hereditaments and appurtenances; which sale will be made by the Sheriff of said Pennington County at the front door of the Court House, in the City of Thief River Falls, in said County and State, on the 18th day of September, 1924, at two o'clock P. M., of that day, at public vendue, to the highest bidder for cash, to pay said debt of Eight Hundred Thirty-one and 50-100 Dollars, and interest, and the taxes, if any, on said premises, and Twenty-five Dollars, attorney's fees as stipulated in and by said mortgage in case of foreclosure, and the disbursements allowed by law; subject to redemption at any time within one year from the day of sale, as provided by law.

Dated August 6, 1924.

Notice of Mortgage Foreclosure Sale.

Default has been made in the conditions of a mortgage dated January 20th, A. D. 1921, made and executed by Harris F. Atwood and Effie C. Atwood, his wife, Perry M. Atwood and Myrtle Atwood, his wife, Arthur H. Atwood and Blanche Lidia Atwood, his wife, mortgagors, and delivered by them to the State Bank of Viking, a corporation, mortgagee, and recorded in the office of the Register of Deeds in and for the County of Pennington, State of Minnesota, on the 15th day of February, A. D. 1921, at 8 o'clock A. M. in Book 4 of Mortgages on page 622.

Which said mortgage together with the debt secured thereby was duly assigned by an instrument in writing, dated the 24th day of March, A. D. 1921, by said State Bank of Viking, a corporation, to The Lincoln National Life Insurance Company, a corporation, and duly filed and recorded in the office of the Register of Deeds in and for said County of Pennington, State of Minnesota on the 24th day of March, A. D. 1921 at 5 o'clock P. M. in Book 64 of Mortgages on Page 302.

Said default consists in the failure to pay the sum of Four Hundred Twenty Dollars ($420.00) which became due and payable on the 20th day of January, A. D. 1924, and whereas, The Lincoln National Life Insurance Company, a corporation, assignee of mortgagee and holder of said mortgage has duly elected and does hereby elect to declare the whole principal sum of said mortgage due and payable at the date of this notice under the terms and conditions of said mortgage and the power of sale therein contained, and whereas there is actually due and claimed to be due and payable at the date of this notice the sum of Six Thousand Six Hundred Thirty-Two and 99-100 Dollars ($6,632.99) and whereas, the said power of sale has become operative and no action at law or otherwise having been instituted to recover the debt secured by said mortgage or any part thereof,

Now, Therefore, notice is hereby given that by virtue of the power of sale contained in said mortgage and pursuant to the statute in such case made and provided, said mortgage will be foreclosed by a sale of the premises described in and conveyed by said mortgage, which said premises are situate in the said County of Pennington, State of Minnesota, and more particularly described as follows, to-wit:

The East Half (E½) of Section numbered Thirty-four (34) in Township numbered One Hundred Fifty-four (154) North of Range numbered Forty-five (45) West of the Fifth principal Meridian, containing Three Hundred Twenty (320) acres, more or less, according to the government survey thereof, together with all hereditaments and appurtenances thereunto belonging.

Said sale will be made by the Sheriff of said Pennington County, State of Minnesota, at the front door of the Court House in the City of Thief River Falls, in said County of Pennington, State of Minnesota on the 12th day of September, A. D. 1924 at 10 o'clock A. M. of that day, at public vendue to the highest bidder for cash to pay said debt and interest, and the taxes if any, on said premises, together with the costs and disbursements of foreclosure and expenses allowed by law including One Hundred Dollars ($100.00) attorney's fees as stipulated in said mortgage in case of foreclosure, subject to redemption at any time within one (1) year from date of said sale.

Dated July 23, 1924.

THE LINCOLN NATIONAL LIFE INSURANCE COMPANY,
a corporation,
Assignee of Mortgagee.

RURAL CREDITS AID 264 PENNINGTON FARMERS

$1,318,900 Loaned to Pennington County Farmers by Rural Credit Bureau

LOANS AVERAGE SUM OF $4,900 PER APPLICANT

Burea Reports Funds' Exhausted. No New Applications Accepted by Department

Rural Credit Loans in Pennington county have reached a total of $1,326,400 according to the register of deeds' records at the court house and are floating indebtedness of 266 farmers on long-term mortgages at low interest rates. Application returns from the bureau were at a standstill for some time but the past week or two have been coming in almost daily. Seventeen loans aggregating the sum of $81,400 were accepted by the Minnesota Rural Credit bureau the past six weeks.

Practically all of the loans made by the credit bureau were extended to the farmer to cover prior indebtedness and to advance a small sum to make permanent improvements. This means that a huge burden incurred by the local banks and loan companies, as well as a few outside loan companies, to carry the farmer thru has been relieved to a great extent. The 266 loans secured thru the credit bureau average $4,950 each. The largest loan made so far was for $15,000 and a few have been made for $8,000 and $10,000 approximately.

At present the credits bureau is not passing on new applications as the authorized amount of $40,000 will have been exhausted by the time the applications now in the hands of the bureau are closed. A number of applications from this county are now waiting for approval by the department and will be among those to be closed in the course of a few weeks.

Up to June 30, 1924, applications had been received by the bureau for loans on 9,413 farms, aggregating $55,076,226.00, and of this number 4,007 loans, aggregating $21,414,700.00, had been closed or partly closed, according to a report issued by the Minnesota Rural Credit Bureau recently, averaging over $5,000 each.

The popularity of the bureau is evidenced by the fact that in November, 1923, the correspondence had become so burdensome that an appeal was sent to all bankers in the state not to write the bureau any unnecessary letters and to discourage any letter or long distance telephone calls to the bureau on the part of individuals.

The bureau has sold $30,000,000 worth of bonds, the interest on which amounts to a little over 4½ per cent. This permits a rate of 5¼ per cent to borrowers, which probably has something to do with the rush of applications which the bureau has experienced.

Rep. Waldal in City

Marius Waldal of Plummer, legislative representative from this district and candidate for reelection, was a caller in Thief River Falls Monday. He states that he has been too busy on his farm to do much politically so far but expects to visit various parts of the district before the election this fall. During the past summer months Mr. Waldal has been active doing organization work and securing warehouse facilities for the Minnesota Potato Growers' Exchange. All the necessary facilities have been lined up in Red Lake county, according to Mr. Waldal, who stated that indications are promising for a very good potato crop in this locality this season. Practically no frost damage to potatoes here is reported. Mr. Waldal declared that had not rust done a slight damage to part of his wheat crop he would have received a yield of more than 40 bushels to the acre. The representative is a graduate of the agricultural department of the Minnesota University and is a firm believer in education in farming as well as any other industry or vocation.

Old Reading Class Is Need of Today

"Complaints of unsatisfactory conversations over the wire are largely due to the failure of the speaker to enunciate clearly. People used to be taught in the schools to speak words clearly, but reading aloud is not so much featured now. This is one reason why many persons habitually speak in a mumbling way. If the clearly defined tones of the alphabet are merged into a sloppy sound delivered at a distance from the receiver, they make a mess at the other end. The telephone could be operated with more efficiency and speed if people would talk as if they were reciting a lesson from the old fashioned school reader."—Virginia, Minn., Enterprise.

Cheese Factory is Boon to Gentilly Community

Gentilly cheese factory is one of the best in the state and a credit to the cheese industry, it is declared in a recent report by J. B. Baumgartner, inspector for the Minnesota Dairy and Food commission. It was awarded first prize at the Grand Forks fair a short time ago.

In connection with this recognition the Crookston Times makes the following comment upon the importance of the cheese factory to the Gentilly community:

"These testomonials are only small reward to Father Theillon for his ceaseless efforts in building the Gentilly community from a poverty stricken area whose inhabitants were on the verge of bankruptcy and starvation to one of the wealthiest communities in the state of Minnesota. About twenty years ago, according to information, residents of the Gentilly community were fighting odds of nature in attempting to raise crops on soil that was not adapted to profitable farming. Father Theillon came into this deplorable condition and at once recognized the feasibility of converting it into a dairying community. He soon started work on his theory and the present modern cheese factory and renewed prosperity are the results."

To Survey Lake Grounds

B. F. Umland, highway engineer, Leigh Anderson and Melford LaBree left Tuesday morning for the Red Lake Narrows to spend the week surveying and staking out the lots for selection by the members of the Resort association.

LOCAL TEAM LOSES ONE AND WINS ONE

Thief River Falls Base Ball Twirlers Make Good Showing Against Warroad

The local ball team broke even in two games played Aug. 15 and 17. Friday night, Middle River was defeated, 6 to 4, Warroad winning the Sunday game, 5 to 3.

The Middle River game was the best game played on the local diamond this year. The visiting team was strengthened considerably with some outside talent. Spider Yost, was on the mound for them but could not do much with the local sluggers. Only two men were left on bases showing the manner in which the locals treated him. Four of the six runs were direct results of the hit and run play which the locals used.

The fast Warroad team had their hardest game of the year against the locals. Winnipeg and Baudette have been the only team to defeat them during the year while they have won nearly twenty games.

Poor officiating was responsible for four of the Warroad runs, according to local men. The locals started out with a bang scoring two runs in the second on walks to Tandberg and Merley Robinson and a single by LaBree. These runs looked big until the fifth. With two men down the locals retired the last man but after being called out by the umpire, he was declared safe by the home official and three runs trickled over the rubber before the side was retired.

Another poor decision gave them another run in the sixth. Their final run came in the seventh on two hits. LaBree's bat was again responsible for runs when he batted Howe in after he had singled.

Prugh's men had fine chances to score in the eight and ninth innings with two men on bases but the necessary punch was lacking. Ardell Robinson, pinch hitting for Olson in the ninth, walked, going to second on McGinn's walk but Howe rolled to shortstop for the third out and the game.

Merley (Smokey) Robinson, of Oslo pitched for the locals. His speed ball was working in fine shape, whiffing nine of the Warroad men. He was given credit for pitching the best game against the Warroad team this summer. With a little better break in luck, he would have won hands down.

PENNINGTON COUNTY HAS TWO ENTRIES IN TON LITTER CONTEST

C. H. Fuller and Wife Enter Poland China Litters in State Contest

Pennington county has entered two pig litters in the first real "ton litter" contest held in Minnesota, in which 215 litters were nominated in the preliminary stages of the contest by more than 200 farmers in 43 counties of the state. C. H. Fuller and Mrs. Julia Fuller are the owners of the litters entered for Pennington county, each entering black Poland China litters of 9 and 10 pigs each.

The object of the contest is to raise litters yielding the greatest possible number of pounds, a ton considered as good. By raising the same tonnage of pork from fewer litters, necessitating fewer brood sows to be wintered and consequently making a saving in feed and greater profits for the farmer.

Five pigs constitute the average litter raised in Minnesota. If the same tonnage can be raised from fewer sows, a real economy has been brot about and this is the aim of the Minnesota Ton Litter contest. A number of litters have already dropped out on account of accident and disease but a large enough per cent remain to make it one of the biggest competitions of its kind in any state in the union this year.

Litters from eight different breeds of swine have been nominated for the contest. Duroc-Jerseys lead with 85 entries, Poland Chinas come next with 58, and Chester Whites are in third place with 21. Other breeds represented are the Hampshire, Berkshire, Yorkshire, Tamworths, and Spotted Poland Chinas.

Martin county leads the state with 30 litters nominated, Mower county coming second with 28, and Freeborn county third with 14. Dakota county has enrolled 12 litters, Rock county 11, and Dodge county 10.

Results of the contest cannot be announced until November. The agricultural extension service of the university is co-operating with the Minnesota Livestock Breeders' association and the Minnesota Swine Growers' association in carrying on the project, with H. G. Zavoral of University Farm in personal charge. Cash prizes totalling nearly $1,000 will be distributed among the winners.

St. Hilaire Faculty Complete

The St. Hilaire school will open next Tuesday with the following staff of instructors: H. F. Anderson, superintendent; C. E. Anderson, principal; Miss Agnes Tandberg, Thief River Falls, assistant principal; Miss Leta Bennett, Breckenridge, seventh and eighth grades; Miss Edith Dahl, St. Hilaire, fifth and sixth grades; Miss Ruby Susag, Moorhead, third and fourth grades; Miss Alice Field, Eveleth, primary.

Traffic Census This Week

Traffic census is this week being taken on the highways leading into the city near the fair grounds, all vehicles passing over the roads north and west being recorded by Miss Ersyle and Harriet Anderson, the latter taking the place of Leigh Anderson who accompanied B. F. Umland to the narrows of Red Lake to survey the resort grounds.

Telephone Manager Explains Long Distance Service System

Manager Geo. A. Russell of the local exchange of the N. W. Bell Telephone company submits the following article as the third and last of a series, on the telephone system. Each article has dealt with some vital and important branch of the telephone system.

Insomuch as modern business is becoming more and more dependant upon a rapid and dependable means of communication, it is natural that the general public should take a keen interest in the development of electrical transmission of speech. The astonishing strides that the telephone has made during the short period of its existance, more particularly long distance telephony, has made possible the universal development of this nation.

It is impossible to estimate what the long distance telephone means to the country. For one thing it is the final blow to sectionalism. Provincialism will become rarer and rarer, localisms, dialects, all such things that depend upon isolation, are getting to be an impossibility in the United States, and the telephone is responsible for bringing about this desirable condition.

The long distance telephone plant is considered separate and apart from the local telephone plant, although long distance service is dependant upon the local plant in its service to the public. The long distance lines come into the switchboard on the toll position and are handled by the toll operator. These lines are made of copper and they are kept clear and in perfect condition at all times because it is necessary that this class of plant be kept free from leaks and interference. Voice current travelling over miles of copper wire become weaker and weaker as the distance increases, and it is necessary to maintain special equipment in the shape of repeaters and load coils on long circuits. The repeater is perhaps the most interesting of the late developments of the telephone. It is a vacuum tube, similar to a radio tube, which when placed in a circuit has the property up taking the voice currents which have been weakened by fighting their way over long lines of copper wire, and rejuvinating them so that when they emerge from the apparatus they are capable of continuing on their journey, strengthened and revived.

Long distance service is divided into two general classes, which are Station to Station service and Person to Person service. The latter class of service has four sub-divisions, which are:

1. Completed Person to Person messages.
2. Reports on Uncompleted Person to Person calls.
3. Person to Person Messenger calls.
4. Person to Person appointment calls.

Each of these different kinds of service represents a different quality of operating labor, and toll circuit use, and the rates for these different classes of service are based accordingly. The labor for person to person calls is nearly double to the required for station to station calls, and the labor required preliminary to messenger and appointment calls is 3½ times greater than that required for station to station calls.

Evening and night rates apply only on station to station service, or service where the operator is not required to locate any particular party and the person calling is satisfied to talk with anyone who answers the telephone at the number called. The evening rate applies from 8:30 in the evening to 12 o'clock midnight, and the night rate applies between the hours of 12 o'clock and 4:30 in the morning. On this class of service, by taking advantage of these rates on station to station service, long distance telephoning can be done at a surprisingly low cost.

Boy Breaks Ankle

Romaine Howe, the 12-year old son of Mr. and Mrs. Geo. C. Howe, the former a clerk in the Penney store, sustained a broken ankle last Sunday as a result of an automobile wheel accidently passing over the limb at the J. C. Penney store picnic in the Tourist Park. He was immediately taken to Dr. J. T. Bowers for medical attention and although the lad will be laid up for some time he will regain complete use of his leg.

This Helps Eye Strain

Simple camphor, hydrastis, witchhazel, etc., as mixed in Lavoptik eye wash, strengthens eyes and helps any case weak, strained or sore eyes. Lavoptik acts very quickly. Aluminum eye cup free. F. J. Stebbins, Druggist.

ANNOUNCEMENT

THE RELIABLE RADIATOR SHOP

has moved to the Prichard building, one door south of Rambeck & Stone.

When in need of radiator repair work call on us. Our service will please you.

Reliable Radiator Shop

BABBITING

Burned out Connecting Rods and Brass Back Bearings.

For all makes of Automobiles and small Stationary Engines

Bring in your old connecting rods and have them rebabbited. Our work will compare with a factory job.

We also rebabbit Ford Main Bearings. Best babbit used and all work guaranteed.

If your crank shaft bearings are flat we are equipped to true them up perfectly round.

Our prices are very reasonable and can be had upon application.

More equipment is being installed to save you time and money. Announcements of these improvements will be made in the near future.

Borry's Garage

Wm. DeParcq Favored By Industrial Commission In Compensation Case

William DeParcq until recently of this city, who had his back broken in an automobile accident near Strathcona a little more than a year ago, was handed a decision by the state industrial commission a week ago Saturday entitling him to recover compensation for the injuries sustained.

The case was first heard by a referee of the commission who made findings and awarded compensation to the injured young man, the insurance company appealing to the commission proper. This appeal was on motion of the petitioner dismissed on account of some defects in the appeal papers of the company. The insurer later asked for a new hearing and when this motion came up the matter was argued before the commission with the result that the insurer has been denied the motion for a new hearing and the compensation awarded. This ends the case so far as the commission is concerned but the insurer may appeal the case to the supreme court. With a favorable decision by the referee and the commission it is considered likely that a similar decision would be rendered by that court.

The weekly indemnity awarded totals $10,000, payable during the continuance of the disability, which with additional medical and hospital expenses of several thousands dollars, involves a considerable sum.

H. O. Chommie, local attorney, represented DeParcq in the claim case.

The many local friends of "Billy" DeParcq will be pleased to hear that he is now progressing towards recovery at a very encouraging rate. He is at present at Lake Shamineau, near Staples. Mr. DeParcq, who was formerly proprietor of the Brumund Hotel, is now in Mankato where he has a position with the Standard Oil company.

Shoes To Start To School

To begin the school year right, good shoes are almost as essential as books. Nothing protects the health of the school child like good shoes. Though the weather may be nice when they leave in the morning, rain may be falling on their return home.

Durable Shoes

In selecting footwear for the boy or girl who is entering school, you want dependable shoes that will withstand the hardest usage.

We will stake our reputation on the shoes we sell. Prices are right—and they will wear.

Entered as second class mail matter at the postoffice at Thief River Falls, Minn.
Subscription Price: $2.00 Per Year
Official Paper of Pennington County
Official Paper, City Thief River Falls
Official Paper, School District No. 18

Farmers in Pennington county will soon know to what extent they have been enriched thru garnering the 1924 crops. Present indications point to a splendid yield of practically all crops, pioneers of the community declaring that crops look as promising as they ever did in history. The harvest is now well along and some threshing has already been started.

A large number of farmers in this community have long since discontinued the practice of placing their sole dependence on small grain crops, and are providing themselves with a dependable source of income thru the medium of the local creamery. A glance at the statements published in The Times from time to time giving a list of big checks issued by the creamery in this city is convincing proof that Pennington county farmers have a side line which is paying them very well indeed.

Ordinary weather uncertainties have little or no effect on the income from a herd of milch cows. Cattle feed and forage in sufficient quantities can be raised here when everything else fails, and the farmer who depends on the dairy industry is playing a game with every chance in his favor.

The splendid building now being erected by the Thief River Falls co-operative Creamery association is concrete evidence of the confidence placed in the dairy cow by farmers of this community. The thousands of new acres of afalfa here this year is also a manifestation of the progress of the dairy movement.

It is up to every citizen of Thief River Falls and surrounding community to do his "durndest" in making preparations for the 1925 state Legion convention which has been secured for this city by a bunch of local live-wire Legionnaires and business men. It is a big job and cannot be handled successfully and to the satisfaction of the thousands of visitors unless the entire community cooperates from now on until the convention halls open next summer.

The Elmer J. Eklund post in appealing to the business men and citizens in general to turn out for the meeting at the Legion quarters last Thursday night, desired to get the "ball started rolling" at once.

Stop to think a moment what the convention will mean to this city and the community as a whole, and you will at once be ready to offer your wholehearted support. Your interest in the community will be shown by putting your shoulder to the wheel.

That it means something to a city to maintain a free tourist park such as that located on the banks of Red Lake river here, is indicated by the following extract from an article appearing in a recent issue of the Saturday Evening Post: "From Jackson, near the Iowa border, to Baudette on the Canadian border, 436 miles north of Minneapolis, Minnesota is dotted with free auto camp towns, just as it is dotted with ten thousand lakes. These north of the route states are getting a big slice of the auto tourist business. "Visitors to the local tourist grounds are unanimous in their praise of the excellent accommodations offered.

Sugar beet growing in this section of Minnesota is attracting attention thruout the northern part of the state, with great possibilities for this crop becoming one of the leading in the state.

What has become of the fellow who used to think it was smart to remark a half dozen times during the evening, "It's a long time between drinks?"

If the driver in front holds out his hand, you can always tell what he is going to do if you are a mind reader.

The "nuisance taxes" may have been repealed, but there are a lot more which are a nuisance.

Not all bathers swim, but the colors in the bathing suits this season are beautiful.

A golfer is one who rides several miles in order to get to walk around a little bit.

For every hill you coast down, there is one to climb.

Farming is half work and half weather.

Graceful in contour, correct in proportion, perfect in quality—does that describe your hat? Yes, if it's a Lanpher.

The price is low, but enough for a good hat.

RURAL SCHOOLS ENGAGE TEACHERS FOR ENSUING TERM

August is Busy Month for School Superintendent in Placing Teachers

County School Superintendent O. R. Sande and School district clerks in the rural district are busy this month securing instructors for the coming term and to date about half of the districts have reported the engaging of teachers. Most of the teachers have had previous experience in this county, a great number of whom are residents of the county, and many are reinstated in the school in which they taught last year.

Great care is being used by the school boards in selecting instructors, in comparison with the more or less haphazard methods employed some years ago. The future of the community rests with the younger generation of today and the welfare of the country is dependent on the thrift and industry of the individual communities as co-operating units. Following is the list of teachers engaged to date as reported by the respective school district clerks:

2	Minnie Shefveland
6	Mrs. Jens Kirk
7	Linda Kogun
9	Bertha Christianson
9	Grace Sampson
14	Esther Fricker
16	Lillian Hileck
25	Gladys Smith
26	Mrs. George Erickson
28	Anna Longren
33j	Dora Magneil
34	Gladys Christianson
35	Ellen Nelson
37	Alyce Berg
42	Mrs. Sarah Thee
43	Marvel Jaiser
50	Sophie Solheim
52	Viola Buringrud
53	Augusta Anderson
55	Geneva Overum
58j	Effie Jorgenson
59	Tillie Ose
64	Evelyn Peterson
108	Marie Patnode
127	Clara Ostmoe
133	Nannie Erickson
148	Bernice Orr
154	Lily Gunstad
165	Annie Pedersen
166	Eric Anderson
178	Gladys Olson
180	Clara Lilleboe
228j	Daniel Payne

District No. 219 has engaged a teacher but the name of the instructor has not been reported. School district clerks having engaged instructors and not reported to Superintendent O. R. Sande are asked to make such report at their earliest convenience.

Quite a number of the rural schools in the county are having only seven months of school this year, altho there are several with an eight month term.

GRAIN SHIPMENTS WILL BE GREATEST EVER INDICATIONS

Moving of 1924 Crop Started Last Week and Will be in Full Swing by Sept. 1

Grain shipping from Thief River Falls and tributary territory will be in full swing by next week, according to statement this week by P. J. Keating, superintendent of grain inspection here. The first carload of grain from the 1924 crop was a car of rye shipped thru here from North Dakota Tuesday of last week and during the past week cars have been coming regularly.

Yesterday was a heavy day on the Soo line, 50 cars being inspected here.

Mr. Keating, who has been inspector in Thief River Falls the past 20 years and has watched the grain movement closely, declares that this year will be the greatest year in grain shipping thru this point since his coming here, the crop in this section being one of the best in history. The grain is of particularly good quality this year, the rye shipped here so far being largely No. 1.

Grain shipments thru this city in 1915, the banner year since Mr. Keating began inspection, totalled 23,000,000 bushels, but it is predicted that this figure will be passed by a good margin this year, even tho the grain acreage has been reduced in some localities where dairying has become an important industry.

Plenty of cars will be on hand to move the grain to the terminals, according to Mr. Keating, who states that empties cover the tracks thruout the territory. One of two trains of empties passing thru this city on the way to North Dakota points had 120 cars. A great share of the grain inspected here comes over the Wheat line from North Dakota points and communities west of Thief River Falls.

Will Get Buttons

At a meeting of the directors of the Commercial club Thursday it was decided to order a good-sized button carrying the club and city name, name and business of bearer to be given to each member of the club to be worn as a booster and identification button at tours and meetings.

Farm Spark Plugs

Are you planning to store potatoes on your farm this winter? Does that mean you are going to build a storage house or cellar? If so the Office of Publications, University Farm, St. Paul, has plans that may be of help to you.

Fresh eggs bring more money than stale eggs. It pays to collect eggs daily and to market them at least twice a week. Ask your dealer.

The grasshoppers have been a serious pest this year, and are likely to be worse next year. Is your county prepared to meet such an emergency?

Select seed corn for vigor. That counts more than score card car type.

The dates for the dairy short courses at University farm have been announced: Advanced ice cream makers, November 17-26; advanced creamery operators, December 1-13; creamery operators, January 5 to February 11.

The Office of Publications, University Farm, has for free distribution a bulletin on co-operative egg-marketing.

SPENDING MONEY IN HOME TOWN IS IMPORTANT TO ALL

Communities Grow and Prosper Thru Business Done With Local Business Places

As stated in The Times last week we intend to continue the discussion of the necessity of loyalty to the home town and community in the matter of doing business. There is only one reason why towns grow and become prosperous and that is, because of these who are loyal to their home institutions and industries and do business in their community.

There is absolutely no valid argument for sending your money away from your home community. It is only by the merest accidental chance that one can hope to secure even a slight temporary advantage, and this is more than offset by the fact that the money has left the community never to return to the channels of trade in your locality. Of course, a single small item sent away would not make much difference but when people send away so that it mounts into sums of thousands of dollars in the aggregate, then it becomes a very serious matter for the community.

If everybody, for instance, in Thief River Falls would make it a practice to send away for their merchandise, etc., business enterprises of this city would vanish for they could not live without patronage. It is only due to the fact that all do not send away their money that the community is able to survive and those who do business in their home town are the ones who should have credit for the schools, churches, and public conveniences that are only possible through the public enterprise and business of your home town.

Of course there are sometimes inequalities that arise to discourage home trade. There may happen to be a short sighted business man in the community who does not fully appreciate his opportunity for service to the people of his community. But it is a sure thing that he will sooner or later be eliminated, for business today, especially in the smaller cities and towns, is based on service.

The value of the business done in the town is definitely reflected in real estate values throughout the entire county and neighboring territory, and thus brings the question of the importance of home trade directly to the door of the farmers as well as everybody else, for it determines the value of his farm. There is also the social side, churches, schools, etc., as well as many other things of a public nature to be enjoyed by the general public.

These benefits are the direct results at cooperation. On another page appears advertisements of the business men of Thief River Falls who have selected The Times to carry their message of service in this home trade campaign to our people. The Times will continue this subject in future articles.

PREPARING FOR RE-OPENING OF CITIZENS BANK

(Continued from page 1.)

tors of the bank showing that they have pro rata interest in all monies salvaged from the trusteed assets and providing that dividends should be declared to the holders thereof on June 30 and December 31 of each year providing there is a sufficient amount on hand to equal or exceed 5 per cent dividend."

The communication continues that no overhead expense charge should be made and that a complete list of all trusteed assets be kept in the bank and record of all transaction in connection."

"The agreement also provides that in the event a sufficient amount shall be salvaged from the trusteed assets to pay the signers of the Depositors' Reduction Agreement the balance due them that in the event any surplus shall be credited to the undivided profit account of the bank for its use and benefit.

"The agreement also provides that the officers of said bank may at any time after its reopening waive any or all of these restrictions as to limited withdrawals if in their judgment conditions so warrant.

"The exact figures or basis upon which the bank is to be reopened will be determined as soon as arrangements have been completed for the payment of the voluntary assessment of 100 per cent and as to the exact percentage is not vital or material as under the plans of having a sufficient amount of good assets and cash on hand to base such percentage, all the balance of the bank's assets will be segregated and trusteed for the benefit of the depositors so that in the end they will get every dollar that the bank is worth at the present time plus the assessment."

YOUNG AMERICA BEGINS SCHOOL WORK TUESDAY

Continued from Page One

into motion without friction of any kind.

Immediate Attendance Urged.

Students who intend to enroll in the high school department are requested to register with Principal Bye before the opening of the semester. Supt. Simley wishes to impress upon all parents and pupils the necessity of starting strictly on time. Many pupils have been failures in school simply because of a late start. This holds true in every department. A late start will not only be a hindrance to the pupil who comes in late, but will also retard the work of the entire class and increase the burden of the teacher.

In high school the text books will be sold at the building and students should come prepared to buy their supply the first day.

Bulletin Being Prepared.

The various details of the school system for the ensuing year are fully explained in the fourth annual bulletin now being issued by the board of education. The bulletin is now in the hands of the printer and it is hoped to have a copy in the hands of every patron of the district before the opening of school next Tuesday.

Teachers will arrive over the week end to be on hand for the general teachers' gathering Monday afternoon.

Following is a complete list of the faculty as submitted by Supt. Simley:

High School

Morris Bye, Brandon, principal, English; Maude L. Johnson, Red Wing, music supervisor; Leonard A. Thune, Albert Lea, coach, general science; Clara Baumann, LaCrosse, Wis., physical training supervisor; Eva Farl, Grand Forks, N. D., home economics; Alice Stapleton, River Falls, Wis., teacher training; Loretta Kopriva, Bowbells, N. D., teacher training assistant; Clarence W. Pope, Thief River Falls, industrial training; Mildred Thompson, Mahnomen, history; Mrs. Blanche Korstad, Highlanding, algebra; A. C. Matheson, Browns Valley, languages; George Johnson, Minneapolis, science and boys' work; Mildred R. Nelson, Waverly, geometry and science; Lawrence Mickelson, Belgrade, English, debate; Minnie S. Leavitt, Thief River Falls, English, librarian; Dena Eskenes, Overly, N. D., English; Doreen Finnegan, Yankton, S. D., English, assistant commercial; Monica Bambrick, Buffalo, New York, commercial; U. H. Reque, Galesville, Wis., social science, Latin I, band; Benora Ingebretson, Mayville, N. D., home economics and social science.

Northrop

Emma Tandberg, Thief River Falls, principal and fourth grade; Clara Halvorson, Warren, first grade; Mrs. H. T. Eyde, Thief River Falls, first grade; Carrie E. Trogen, Enfield, second grade; Alice McLean, Grafton, N. D., second grade; Lovina Adams, Luverne, third grade; Vilo Jackman, River Falls, Wis., third and fourth grade; Gladys Ryan, St. Vincent, fifth grade; Theresa Alexander, Minneapolis, fifth and sixth grade; Ellen Lura, Mayville, N. D., sixth grade.

Knox

Mrs. E. Lacy, Thief River Falls, principal, fourth and fifth grade; Maurine Frank, Warren, first grade; Esther Tandberg, Thief River Falls, second grade; Theresa Garry, Wykoff, first grade; Agnes Auseng, McIntosh, second and third grade; Ruth Easter, St. Vincent, third grade; Linna Borchert, Burtrum, fifth grade; Sarah Vaughan, Thief River Falls, sixth grade.

Washington

Edna Larson, Thief River Falls, principal and fifth grade; Vera Byler, Moorhead, first grade; Carolyn Melby, Thief River Falls, first and second grade; Hattie Goldsmith, River Falls, Wis., second grade; Judith Porten, Alvarado, third grade; Aneta Dahlquist, Roseau, fourth grade; Marguerite Holmquist, Warren, sixth grade.

Central

Lyda Batten, Newfolden, principal, arithmetic; Mrs. Ed. Karwand, Thief River Falls, history; Anne Tharaldson, Thief River Falls, geography; Agnes Sands, Alvarado, history; Mrs. Tella Hill, Thief River Falls, English; Maude Frissell, Thief River Falls, arithmetic; Bessie Sedlacek, Radium, English.

Thos. A. Benston.

Thos. A. Benston, for 30 years a resident of this city, died at his home at 237 Crocker avenue north, Saturday, August 23. He was born in Green county, Wis., July 12, 1846, and moved to this county 30 years ago. He is survived by his wife, and two children, Clarence, at home, and Mrs. O. M. Anderson of Great Falls, Mont. The funeral services were held Monday afternoon from the chapel of the Larson Undertaking parlors by Rev. J. T. Dixon and interment made in Greenwood cemetery.

Repairing Mill

The Hanson-Barzen mill closed down last week for repairs expecting to open in another week.

RADIUM GAME ENDS BASEBALL SEASON

Visitors Sunday Defeated in Closing Contest by 11 to 0 Score

Thief River Falls closed its baseball season Sunday when the local team defeated Radium 11 to 0 in a game on the home grounds. Orville Herron pitched almost a perfect game for the locals, striking out thirteen of his opponents, while the Thief River Falls players hit Olson and Summers hard, getting 10 hits good for 11 runs.

Thief River Falls has had a successful season, winning ten out of 15 games played and winding up the season with a well developed team.

Following is the box score and summary:

Thief River—	AB	R	H	PO	A	E
Paronteau, lf.	5	0	1	1	0	1
Halbert, rf.	5	1	1	0	0	0

Clausen, cf.	1	0	0	0	0	0
Totals	29	0	1	24	11	5

Two base hits: LaBree. Stolen bases: Radium none. Thief River, Paronteau, 1; Halbert, 2; McGinn, 3; LaBree, 1; Tandberg, 2; Anderson, 2; Olson, 1; Herron, 3. Sacrifice hits: Tandberg. Struck out: Herron, 13; Olson, 6; Summers, 1. Hits off Olson, 4; Summers, 6. Umpire, Erickson.

County Graduation At High School Tonight

Theo. Utne of the state educational department, St. Paul, will speak at the county graduation exercises at the high school auditorium. Eighth grade diplomas will be awarded by Supt. O. R. Sande to about 30 boys and girls in the rural schools.

Club Meets Today

Among the matters likely to come up before the Commercial club for consideration today is the question of getting an effective city ordinance regulating solicitation of business in the city by outsiders, agents of all kinds frequenting the city continually.

NO "JOB-HUNTING" IN THIS FAMILY

When John Roholt finished his course at Dakota Business College, Fargo, the school at once placed him with the Morin Audit Co. at a good salary. When his sister, Miss Theresa, completed her studies, she was promptly sent to the big Hutchinson-Sperry Co.

Dakota Business College secures good positions for students without delay. Christine Westford was sent to the Dennstedt Land Co. before even completing her course. Watch results each week and "Follow the Succe$$ful." Fall term opens Sept. 1-8. Write F. L. Watkins, Pres., 806 Front St., Fargo.

Salvation Army Under New Staff of Officers

Ensign Lane of St. Cloud and Lieutenant Johnson of Hibbing are expected to arrive today to take charge of the local barracks of the Salvation army. Captain Youngberg has been transferred to Dickinson, N. D., and Captain Bollinger will have charge at Little Falls, both fields being large and requiring the services of able officers.

To Drill Sanatorium Well

Don Ostrand of Warren was the lowest bidder for the drilling of a six-inch well at the Oakland Park Sanatorium here, the contract being awarded by the commission Aug. 4. It is planned to start work next week.

Mrs. Reynolds in City

Mrs. Ila Reynolds returned to this city Saturday having been in Chicago and Detroit, Mich., and other cities the last three months. Mrs. Reynolds has been traveling for the last year for the Sannehill Manufacturing company of Minneapolis, makers of silk lingerie, silk and wool tailored dresses. She will be at home with her parents, Mr. and Mrs. O. Rumstad and daughter, Marion for a month.

LARGE CROWDS ENJOYED PICNIC ON LABOR DAY

Hundreds Attend Annual Soo Line Picnic at Squaw Point—Many Outsiders

ATTORNEY W. PETERSON GIVES MAIN ADDRESS

Interesting Program of Sports Furnishes Entertainment at Successful Event

More than 1200 people attended the second annual Labor Day picnic staged at Squaw Point Monday by employees on the Winnipeg division of the Soo Line and their families. The event was successful in every detail and a credit to those in charge. Weather conditions were ideal and an enjoyable time was had by the large crowd, the merry-making continuing thru the evening.

The Elks lodge and Masons joined with rail workers in the celebration, as did also many others, some from distant points. Soo Line employees from all along the line came to Thief River Falls to spend the day with fellow workers.

Picnic dinner was enjoyed at the grounds by a considerable number, the program opening at 1 p. m. with the address of the day delivered by Wm. L. Peterson, Lancaster attorney.

Peterson Speaks

In his introductory remarks Mr. Peterson stated that the average speaker who talked to an audience of laboring men, spoke about the horny handed sons of toil and dignity of labor not having the practical experience to appreciate the working men's viewpoint, while the speaker had been not only a laboring man but a railroad laboring man, having worked as an ordinary section hand.

He discussed the three factors in the production of wealth: nature, by which all of the so-called natural resources are producerd; labor, which consists of both mental and physical labor and the third element, capital. He showed the relationship among the three factors and that capital is necessary to our present industrial system.

Discusses Labor Unions

The speaker traced the development of the labor unions from their beginning and described some of the things that had been accomplished by them, such as child labor laws preventing the employment of children in most of our industries; obtaining shorter hours of work; a better pay in order to maintain a higher standard of living; better working conditions providing for the safety of workmen n all classes of labor. He predicted that the labor unions would continue to progress and by competent management and fair means obtain a still greater measure of rights.

He told the employees of the Soo Line that they were not really working for the Soo Line at all but were employees of the Public. That it is the Public who pays them; that it is the duty of each employee, no matter how humble his station, to strive to furnish to the Public the best possible service and render to the Public one hundred cents worth of effort for each dollar of wages received.

Mr. Peterson was introduced by W. W. Prichard, Jr. Preceding the address several musical selections were given by the city band.

Races Are Popular

During the afternoon an extensive program of races and contests, more than 30 events, was carried out, the list winners of which is not available at this time but will be published next week. Men, women and children participated in the events, providing much entertainment for the onlookers. During the afternoon and evening dancing was enjoyed on the bowery floor erected on the grounds, old time dances being featured.

It is reported that nearly 90 gallons of ice cream was consumed, this being served free to young and old.

Fire Team Rolls Down Steep Bank Into River Tuesday

For a while Tuesday afternoon the city was practically helpless in case of a fire, the team and wagon used by the fire department in attempting to put out the fire in the saw dust on the mill yard having rolled down the steep bank into the river on the East side, a short distance below the dam. Fortunately no one was on the wagon at the time of the mishap, which resulted in no damage to the horses and but a broken pole on the wagon. It is considered a miracle that the team escaped injuries in the tumble.

Tuesday afternoon while engaged in extinguishing fires in the saw dust, where the department was called for the third time the past week, the driver of the fire team, Theo. Lee, stopped the horses close to the edge of the river bank, throwing the lines over a hook on the wagon. According to reports of onlookers it seems that the lines fell down and pulling on the horses caused them to go backwards. As they approached the bank Carl Carlson, a member of the department, caught ahold of the horses but was unable to stop them until the weight of the wagon pulled them down over the bank. The water was only about three feet deep where the team and wagon fell in and the horses were soon released. The wagon was not pulled out until yesterday about 11 o'clock.

Farmer-Labor Federation Meeting

All members of the Farmer-Labor Federation here are requested to meet at the Municipal court rooms Friday, Sept. 5, at 8 p. m. Important matters will be considered according to announcement by J. E. Nelson, secretary.

Karlstad Delegation With Band Will Tour Thief River Falls Sunday, Sept. 7

With an itinerary including Strandquist, Newfolden, Holt, Middle River, Strathcona, Greenbush and Pelan the Karlstad band accompanied by a large delegation of towns people will visit Thief River Falls on a sociability tour next Sunday, Sept. 7. The trip is sponsored for the purpose of visiting and getting better acquainted with neighboring towns and to promote harmony and general good feeling, as well as for an enjoyable outing.

The tour starting out at 8:30 a. m. is scheduled to arrive here at noon, a trip around the city to be made before camp is established at the tourist park and a picnic dinner partaken of by those who bring their own lunch baskets. A concert by the Karlstad band will be a feature of the stay here, departure to be made at 2 o'clock for Holt and the other towns along the route. According to plans members of the party will enjoy a picnic supper at Pelan, the last stop.

Directors of the Commercial club met Tuesday and made plans to serve coffee and cream at the grounds and have a delegation on hand to meet the visitors.

ESTABLISHMENT OF NEW RURAL ROUTES HELD UP TO OCT. 1

Many Changes in Service in this Section—Exam. for Carriers Here Sept. 13

Establishment of rural free delivery routes Nos. 4 and 5 out of Thief River Falls to replace the present Kratka and Germantown star routes, respectively, which was to have taken effect the first of this month, has been postponed until Oct. 1, according to notice received from the postal department by Postmaster Daniel Shaw. Altho there is an insistent demand by a number of patrons along the route for the proposed change, according to Postmaster Shaw, there is also some opposition to the change and the department desires to make a further investigation of the matter.

The change will mean the abandonment of Kratka and Germantown post offices. It is to be noted that while there used to be some 80,000 post offices in the United States a few years ago there are now only a little over 50,000, indicating a marked decrease, largely among the smaller postoffices.

A new route has been established out of Hazel and Rural route No. 2 has been established at Plummer and route No. 1 amended, this change in the service taking place Sept. 2, according to notice from G. A. Kreuger, Plummer postmaster. The elimination of Rhoda post office is affected by this change, which also includes the establishment of routes Nos. 1 and 2 out of Oklee, serving Deer Park, Mayfield, Garnes and Equality townships. According to R. O. Gordon of Garnes, who was a caller here this week, route No. 1 out of Oklee beginning Sept. 2 is being served by Nels Strande and No. 2 by Elling Torgerson, as temporary carriers, while Edwin Jacobson is hauling the mail on route No. 2 from Plummer.

According to the Grygla Eagle orders have been received by Postmaster Wilson for extensive changes in the mail routing out of Grygla. Route No. 1 has undergone some changes and Nos. 2 and 3 have been added to the service, the announcement states.

Changes are also being made in the Mavie service, a new route being established.

The United States Civil Service Commission has announced an examination to be held in Thief River Falls on Saturday, Sept. 13, to fill the position of rural carriers at Thief River Falls, Mavie, Hazel, Plummer, Oklee and Strathcona and vacancies that may later occur on rural routes from these post offices. It is expected that a large number of applicants will appear for the examination, particulars of which may be had from the vacancy offices mentioned or from the Civil Service Commission in Washington, D. C.

CREAMERY BUILDING BONDS EASILY SOLD

Bond Issue of $25,000 Sold Locally—Construction of Building Progressing Fast

Bonds to the amount of $25,000 for the building of the new creamery by the Thief River Falls Co-operative Creamery association were sold with ease, reports Thos. H. Bjerke, secretary, who is completing the sale this week. Two hundred and fifty bonds of $100 each were issued by the association and they were in such demand that the sums called for by some buyers had to be reduced. This is decidedly encouraging and bespeaks the confidence which the people of this community have in the creamery business.

Local banks and patrons of the creamery share about equally in the amount of bonds purchased, states Secretary Bjerke, and it is expected that some of the bonds bought by the banks will be resold to patrons.

Erection of the new building is now going forward with great rapidity, five bricklayers starting work the first of this week, the foundation and the ground level floor of concrete construction having been completed. The structure will take definite form in a few days and will mean a splendid addition to the business structures of Thief River Falls as well as a monument to the dairy industry of this community. The building is to be in readiness by December 1, according to terms of the contract, and Contractor Norby is doing his utmost in pushing the work with the greatest possible speed.

RACE CARNIVAL WILL BE HELD HERE SEPT. 21

Speed Kings to Furnish Thrills at Event Put on by Local Legion Post

RAISING FUNDS FOR STATE MEETING HERE

Posts Thruout 9th District Will Send Delegations to Witness Great Program

Speed demons from all over the northwest will congregate in Thief River Falls on Sunday, Sept. 21, the date set for the Speed Carnival to be staged at the fair grounds here by the Elmer J. Eklund post of the American Legion. This will be the first event sponsored by the local post in an effort to raise funds to defray the expenses connected with the state Legion convention which will be held in this city next year, and it is hoped by those in charge that the city and surrounding community will show the same spirit of support in the effort to *finance this great undertaking* as was manifested in landing the convention.

This will be the first big program of racing in this city for some time and it goes without saying that it will create more than usual interest, particularly as it supplements the racing events of the county fair, which were not as numerous this year as in some former years. Large delegations of Legionnaires and other race fans will come here from points thruout this section.

Noted Drivers Coming

The card, which has been practically completed, includes five-mile, ten-mile and sweep stake auto races, Ford novelty races, open auto race for local entries, motorcycle and horse running races. Attractive purses have been tossed into the camps of drivers and car owners thruout this section and celebrities in the racing world from Fargo, Crookston, Bemidji, Hallock, Hickson, N. D., and Winnipeg already having signified their intentions of competing on the local track. Arrangements have been for the improvement of the track for speed contests.

To add pep to the event the snappy Warren band has been secured thru the co-operation of the Warren Legion post. Concessions will also be provided on the grounds.

Committe in Charge

The following committee has been appointed by the Legion to be in charge of the race meet: Francis Burns, chairman, Dr. C. M. Haug, Geo. Russel, E. E. McGinn, and M. H. Bishop. Advertising material is being prepared this week for distribution thruout the towns surrounding Thief River Falls.

PIONEER RESIDENT DIES UNEXPECTEDLY

Bert Walker, for 29 Years a Resident of City, Passes Saturday While on Trip

Bert G. Walker, a well and favorably known resident of this city for 29 years, died at a St. Cloud hospital Saturday morning, August 30, at five o'clock after a few days' illness of pneumonia. The remains were shipped to this city Saturday for burial and the funeral services will be held this afternoon at 2:30 o'clock from the Presbyterian church by Rev. Chas. Gerlinger and interment made in Greenwood cemetery.

Mr. and Mrs. Walker started for St. Cloud Monday to visit their son, James, and the former became ill on the way. St. Cloud was reached Tuesday evening. By Thursday his condition became critical and he was removed to Raphael's hospital. Saturday morning he died, pneumonia being the cause of the sudden death. With him at the time of death were his wife, his son, James and daughter, Mrs. W. J. Brown.

Mr. Walker was born in Dubuque, Iowa, September 15, 1865, where he resided until April 18, 1883. He then went to Hillsboro, N. D., where he was a resident for 12 years. On January 27, 1890, he married Miss Mary Rogers. They lived at Hillsboro until September 30, 1895 when they moved to Thief River Falls and have since been residents of this city. He was a barber by trade and by his geniality and pleasant ways made a host of friends who sincerely regret his passing. Recently he has been employed in shops in this city only a part of the time, attending also to farm interests near this city.

To mourn his passing he leaves his wife, two daughters, Mrs. H. A. Dybvig of Baudette, and Mrs. W. J. Brown, a son, James Walker of St. Cloud, a sister, Mrs. G. W. Gardner of LaPorte, and a brother, B. K. Walker of Gull Lake, Sask., Can.

Many Explain to Sheriff

Practically all of the 50 automobile license delinquents reported this year in Pennington county and turned over to Sheriff Ihle for collection have cleared up the matter, according to the sheriff. In many instances the car owner had moved out of the state and merely failed to report to the state department and in some cases the machine had been demolished. It is likely that only two-three, if any, cars will be sold by the sheriff this fall.

Holt School Opens

The consolidated school at Holt opened Tuesday with the following faculty of instructors: Mary Wagner, Red Lake Falls, primary; Rachel Eldridge, Two Harbors, lower intermediate; Eva Smith, Fergus Falls, upper intermediate; Arthur Hudson, St. Cloud, eighth grade and high school assistant; Geo. Smith, Fergus Falls, principal and high school.

Pupils Start Work at Once as Schools Open

Schools of this city started in earnest Tuesday morning with every member of the teaching staff on hand and a large enrollment, bidding fair for one of the most successful school years in history. With a majority of the teachers familiar with the system the educational machinery was put into motion on the opening day without a hitch, this being a marked characteristic of the opening of this year's term.

Religious instruction will be given at the respective churches to pupils in the fourth to eighth grades inclusive every Friday afternoon, according to a decision made last week by local pastors in a conference with Supt. I. T. Simley.

DAIRY FARMERS OF PENNINGTON AT STATE SHOW

Pennington County Exhibit of Farm Products Attracts Considerable Attention

CLUB GUESTS GAINING VALUABLE INFORMATION

Favorable Advertising Gained by County and City for Progressive Spirit

Much favorable publicity is being given Pennington county this week as a result of its showing at the Minnesota state fair. Writeups have appeared in the twin city papers and considerable comment is being made by fair visitors who have viewed the splendid exhibit of Pennington farm products displayed in the county booth.

Not only is the exhibit entered by this northern Minnesota county attracting attention but also the fact that the Commercial club of Thief River Falls is sending a delegation of farmers as its guests to the fair and Northwest Dairy exposition. Members of the group selected as representatives to the fair this year, who left Sunday night are N. A. Anton, S. E. Hunt, Henry Koop, William Smith, Karl Beiswenger, Henry Oen, Fred Kreamer and R. M. Johnson. The idea of sending a delegation to the state fair was inaugurated by the club last year, the plan being to send a different group each year, selected according to their progress in dairying during the past year.

Makes Good Showing

The county agricultural exhibit, altho exceptionally good considering the fact that this county took part in the contest last year for the first time, lost out in the contest with other northern Minnesota counties, Becker heading the list, with Koochiching and Roseau second and third in the race, respectively. The local exhibit was taken to the state fair in a large truck.

Alfalfa and sugar beets were particularly featured in the local exhibit grains and vegetables also being well represented.

A number of junior club workers of this county are attending the state exhibition, having been awarded free trips for their accomplishments in club work the past season. The dairy calf club contest, represented by Natalie Woolson and Lawrence Letness from this county, was a feature of the stock exhibits, according to press reports.

M'FARLAND SELLING GASOLINE FOR 18c A GALLON AT PUMP

Hauls Supply From St. Hilaire by Truck—Other Stations Still Charge 20.8

Gasoline is now selling in Thief River Falls for 18 cents a gallon, the McFarland Auto company having cut the price at the service pump from 20.8 cents, which is still being charged by the other stations of the city, in spite of efforts made by the city to establish a city distributing station to retail motor fuel at reduced prices.

Gasoline is being hauled to the McFarland pump on Third street by truck from St. Hilaire, where it is purchased at a tank wagon price of 16 cents a gallon. The price cut was made by Mr. McFarland last Thursday, and a large number of local motorists are taking advantage of the reduction.

Altho plans for a municipal station have been pending for some time since the opening of a gas war by Mayor J. S. Arneson some weeks ago, nothing definite has materialized as yet, and the McFarland station is still the only place where gasoline is sold at the new price level.

Two Local Men Members of Farmer-Labor State Group

O. A. Naplin of this city, former state senator from this district, has been notified of his selection as a member of the state Farmer-Labor central committee, of which R. P. Buckler of Crookston is chairman. The other member of the committee who hails from Thief River Falls is Andrew Trovaton, chairman of the county organization, who is at present located at McIntosh. Political activities will be started in earnest in a short time, a real battle before the election Nov. 4 being promised by both party camps.

A new creamery is to be erected at Badger, Boberg and Nelson, Roseau contractors being the successful bidders for the construction at $11,277. Plans call for a two-story building 54 by 58 of pressed brick and tile construction.

BUMPER CROP IS THRESHED IN VICINITY

Large Yields are Reported from Pennington County Farms as Threshing Begins

BARZEN RAISES 54 BU. OF WHEAT ON ONE ACRE

Grain of Exceptionally Fine Quality This Year—Corn Greatly Improved

Scattering crop reports received here bear out the claims of a bumper crop in this vicinity this year, the average yields being exceptionally large and some fields producing an unusually big bushelage. It is predicted that wheat here will average more than 20 bushels an acre, according to estimates by elevator men and farmers of the community, with other crops running proportionately. With the continuance of ideal weather conditions threshing in this vicinity will be well under way by the end of next week, and many farmers will know to what extent they have been enriched by the 1924 grain crop.

On the Barzen & Kraemer farm, a mile west of the city, wheat of the Kota variety averaged 31 bushels an acre, a yield of 54 bushels on one acre being reported. This is an extraordinary yield. The wheat tested 64 pounds to the bushel, No. 1 choice dark northern. Barley went 60 bushels to the acre, the grain being of very fine quality. Barley testing 49 pounds to the bushel was hauled to a local elevator yesterday by A. M. Jorde.

Henry Oen threshed 1000 bushels of wheat from a 36-acre tract and about 1800 bushels of oats from 27 acres. F. T. Satre south of the city is reported to have threshed 80 bushels of oats to the acre from a 30-acre tract.

Such reports from farms where threshing has been completed gives just cause for optimism. Indications are that the oat and barley crop in this community will be particularly heavy this year, a considerable surplus being expected.

The warm weather last week did much to encourage the corn crop and a good yield of forage is assured.

Grain prices which made big advances during the early season are remaining steady thru the rush grain movement, indicating that big returns will be in store for producers thruout the season.

It's proper for the punishment to be in proportion to the crime, but most important is to have it overtake the criminal.

OUR STORES PLAY IMPORTANT PART

Vital Factors in Everyday Life of Citizen—Bring Latest Creations

Have you ever noticed what a large part the downtown or neighborhood stores play in your everyday life? Although you may never have thot of the store in this connection, yet when brought to your attention the close relationship is obvious.

The merchant, to be sure, is not a social secretary, yet ask a woman where she saw-so-and-so and she will invariably say at such-and-such a store. Shoppers, urban or rural, expect to encounter their friends in the stores they visit. Shopping lowers all class bars.

There is another light in which the merchant is seldom seen though always present and that is as the patron of all progress, art, comfort and invention. He is the first to bring to us the invention, the newest creation in art, the latest appliance or commodity for our comfort aid or amusement. The wonders that he brings us are not less amazing and dazzling than those collected from the four corners of the world by the merchant ships of medieval times. Even today how often is the modern store seen as a fairyland and place of dream things.

The wags and wits have discovered a distinction between the definitions of "buying" and "shopping," but no such distinction is recognized by merchant themselves. An antiquated and now discredited business motto was "make a sale before the customer leaves the store." Today businessmen do not jam their merchandise down your throat and drag your money out of your pockets. They welcome you into their places of business either as "buyers" or "shoppers." They show what they have for sale and they leave the sale to the customer. They encourage "shoppers" because every "shopper" is after all a buyer.

Your physician recommends a physical examination for every member of the family at stated intervals, dentists urge regular examination and cleaning of the teeth, the piano and the automobile are overhauled once a year. Why not a periodic tour of the home-town stores as an efficient and effective way of diagnosing the needs of the house and family.

By occasional visits to the stores one may find that little household utensil or appliance so long desired, or see just the right paper for the library walls and curtain material which will harmonize well in the living room. The hardware store will be found a regular storehouse of necessary conveniences and repair parts for the household. The only way to buy books is to see them on the bookstore shelves. You can always find something you need at the department stores and more than one man on a chance visit to the men's shop has found the pair of trousers which will match that old coat and vest.

West-Siders vs. East-Siders in Golf Match Next Sunday; Tournament Winners Named

Members of the local golf club residing on the west side of the river, styling themselves the West-siders, have challenged the members on the East side to compete on the greens next Sunday. A hot contest is assured, the losers to pay for a "feed" at some future date.

In the matched tournament which closed last Friday, D. P. Gamble won high honors in the men's class, followed by George Mostue as second, while Mrs. Nels Christianson won first place among the ladies with Miss Irma Johnson second.

Lecturer Coming Here

K. B. Bergerson, well known lecturer from Norway, will open a series of social and religious lectures at the Sons of Norway hall next Sunday, Sept. 5, complete announcement of which is made elsewhere in this issue. No admission will be charged and everyone is cordially invited to attend the meetings, the last of which will be held Sept. 21. Details of the program and the subjects to be discussed are found in the announcement.

SOO LINE FORCE BEING INCREASED TO HANDLE GRAIN

Additional Freights Placed on Tracks to Meet Demand of Greatest Grain Movement

Shipments of grain thru Thief River Falls are steadily increasing as the 1924 crop is being marketed in this city and along the lines leading to this shipping center, according to P. J. Keating, superintendent of grain inspection here. During the first of the week grain came in at the rate of about 50 cars daily, which will soon be doubled. By the first of next week it is expected that the grain movement will be on in full blast.

To meet the increased shipping demands several freight trains on the Soo line which have heretofore been idle will again be put into motion and some extras added, states H. A. Pratt, local agent. This will mean the employment of a large number of men who have been laid off for some time and greatly increases the payroll of the force on this division. Last Tuesday three freights and one switch engine were put on the tracks for service, providing employment for about 25 additional men.

It is predicted by Inspector Keating that this will be the greatest year for grain shipping since he came here 20 years ago, exceptionally heavy yields being reported along every line tributatary to this city. It is reported that many wheat fields at Adams, N. D., and other points along the Wheat line are yielding 40 bushels an acre.

Hubert Jacobson and John Wengeler were added to the grain inspection force at the Soo yards the first of the week, daily freight trains on the Wheat line being started Monday.

Local Golf Experts Are Trimmed at Crookston

A delegation of local golfers consisting of Nels Christianson, W. A. Barnhard, D. P. Gamble, H. O. Chommie, F. H. Herrick, G. W. Booren, W. H. Protzeller, Ernest Barzen and G. Howard Smith motored to Crookston Monday to clash with wielders of the brassie of that city. The locals were trimmed but promised to show up the Crookston contingent when they come here Sunday, Sept. 14.

Plans for next year include a regular schedule of games with towns of this section—Crookston, Grand Forks, Fargo, Bemidji, Detroit and others.

No Trace of Jail Breaker

No clue as to the particulars connected with the escape of Joe Jetland who sawed his way out of the local jail last week, or anything pertaining to his whereabouts have been discovered as yet by the local authorities. The belief is expressd that he will keep as far distant from this city as possible in the future. It is believed that help was rendered from the outside.

PREPARATIONS FOR RESORT UNDER WAY

Delegation Meets With Indian Agent — Engineer Umland Makes Survey of Tract

E. O. Mogenson, president of the recently organized Red Lake Summer Resort association, Daniel Shaw, John Bratrud and Math Barzen, Sr. made a trip to the narrows of Red Lake yesterday to meet with Agent Dooley, superintendent of Indian affairs there, relative to the transferring of the lease on the 163- acre tract from its present holders to the resort association. Arrangements were made for the transfer to take place as soon as the necessay papers are drawn up.

Arrangements were also made by the local representatives for the buying of lumber and logs at reasonable prices for the construction of cottages and cabins on the lots leased by association members, and it is expected that several buildings will be erected in the near future.

At the rate the lake shore lots are being taken at present they will all be occupied in a short time, states Mr. Mogensen.

Bert F. Umland, county engineer, accompanied by Leigh Anderson and Melford LaBree spent four days of last week platting the leased tract and laying out the lots, all of which are reported to be of the most desirable kind. Mr. Umland is greatly enthused over the possibilities of Red Lake as a summer resort and predicts for the organization sponsored by local citizens a succesful future.

NEW PASTOR OF TRINITY TAKES CHARGE AUG. 31

Rev. S. L. Tallakson Formally Takes Over Pastorate of Lutheran Church

IMPRESSIVE INSTALLATION AT AUDITORIUM LAST SUN.

Rt. Rev. I. T. Aastad, former Pastor of Synod Here, Gives Forceful Sermon

Formal installation of Rev. S. L. Tallakson, for the past five years of Grand Forks, as pastor of the Trinity Lutheran church of this city took place at the city auditorium last Sunday morning, the spacious building being practically filled with members of the congregation and others who witnessed the impressive ceremonies and greeted the new pastor welcome to his new charge. The ceremony of installation was conducted by Rt. Rev. I. T. Aastad of Detroit, for more than 20 years of the same church and now president of the Northern Minnesota district.

Urges Cooperation

Rev. Aastad's address to the members of the congregation was a forceful plea for co-operation and consideration on the part of all concerned. He dwelt impressively on the duties of the people towards the man who has been called to lead the work of the church in the city and neighborhood and maintained that without the hearty support of those under his charge much of his efforts must necessarily be wasted. The parishioners were urged to show their appreciation by at least attending services.

A pastor's duty is not entirely confined to preaching alone, said Rev. Aastad, a large share of his work being of a different nature. For this reason too much is often expected. It is not sufficient nowadays that the minister confine himself to teaching the lessons of the Bible—he must also be a civic and social leader in the community. This makes the exactions of the calling doubly hard and all the facts should be considered in case either side at times concluded that a cause for fault-finding had developed. It was brought out that the pastor must preach the truths as given in the Bible and not be influenced by the rationalistic theories of the modern day and age.

The sermon, given in the Norwegian language, was excellent and of sound common sense.

Tallakson Forceful Speaker

Rev. Tallakson preached the regular sermon for the day in the English language, taking occasion thru his remarks to present his position to his hearers. He bespoke for himself the kindly offices of every organization within the congregation and expressed hope that he might prove worthy of the place and equal to the responsibility.

He chose as part of his text the various trinities of thought and association, bringing out the consolidation of three churches of this city, the Hauges Synod, the United Lutheran and the Norwegian synod in 1920, which now compose the Trinity Lutheran church. He asserted that during his service here, he would speak the word of God fearlessly.

Rev. Tallakson is an eloquent and forceful speaker and his unassuming manner and deep earnestness made a most favorable impression. He expects to move with his family to this city in the near future, the remodeling of the parsonage not being quite completed yet.

Selections by the choir directed by Dr. L. P. Vistaunet with H. O. Chommie as organist added much impressiveness to the occasion. Mrs. Gaston Ward, regular organist at the church, also accompanied on the piano while offering was taken and thru some of the hymns.

Other Pastors Take Part

Rev. M. B. Ordahl of Holt and Rev. C. M. Grimsrud of St. Hilaire assisted in conducting the services, the first half of which were in the Norwegian language and the second part in English.

Visitors from Holt, St. Hilaire, Mavie, Kratka, Roseau and Grand Forks attended the festival.

Members of Rev. Tallakson's congregation in Grand Forks have shown their appreciation of his work in that field the past five years in various ways, according to the Grand Forks Herald, which bespeaks the loss felt in his departure from that community.

Rev. Tallakson succeeds Rev. T. E. Sweger, who has accepted a call from Blair, Wis., for which he and family left Monday.

Encouraging Progress Made in Re-opening Closed Bank

The Times is informed that the work of reopening the Citizens State Bank which closed Jan. 5 last, is progressing favorably.

The reduction agreement blanks for depositors' signatures are being sent out and this work will be completed before the end of the week.

Hope is expressed by the committee that all depositors will realize the importance of promptly signing and returning same to the committee in charge. Returns are already coming in at a very satisfactory rate.

Those who do not fully understand the "depositors reduction agreement" should get in touch with members of the committee and have it fully explained, according to W. W. Prichard, Sr., in charge of reorganization work.

Attention of depositors is called to the fact that the members of the committee are giving of their time and energy in their behalf without any compensation and should be assisted in every possible way.

If prompt ratification of the plan follows reopening of the bank will be assured within a short time.

SOCIAL ITEMS

Kennedy-Weeks

Rev. Milton G. Weeks, son of Mr. and Mrs. J. J. Weeks of this city and Miss Dorothy M. Kennedy, daughter of Mr. and Mrs. Dwight H. Kennedy of Markville were united in marriage at the home of the bride's parents, Wednesday, August 27, at 12 o'clock noon. The ceremony was performed by the Rev. Earl R. Weeks of Kerkhoven, brother of the groom in the presence of Mrs. Allen S. Watson of Glenellyn, Ill., sister of the bride, and matron of honor, and Rev. Arling Thompson of Minneapolis, groomsman, and a number of close relatives.

The bride was attired in a gown of brides satin and lace and carried a shower bouquet of bride's roses and lilies of the valley and the matron of honor was dressed in orchid chiffon and carried a bouquet of ophelia roses. A program of wedding music was played by the groom's sister, Miss Pearl Weeks, the Lohengren wedding march being used as the processional. The double ring ceremony was used and Theodore Kennedy, a brother of the bride took the role of ring bearer and Duane Allen, page, carried the bridal veil. The bride was given in marriage by her father and the ceremony was solemnized at an improvised altar.

After the ceremony a wedding reception was given at the Guild hall at Markville by the parents of the bride, at which about forty relatives and friends were present. The hall was decorated in a color scheme of orchid and gold. Among prenuptial affairs was a bridal dinner given by the bride's parents at their home the evening before the ceremony.

Rev. Weeks is a graduate of the local high school, St. Olaf college and Luther Theological seminary and is now pastor of the Lutheran church at Webster, Wis. Local friends of the groom extend congratulations.

Those of this city who attended the ceremony are Mr. and Mrs. J. J. Weeks, Mr. and Mrs. William Sponheim, and the Misses Josie, Pearl and Gladys Weeks.

For Frances Will

Miss Frances Will was the honored guest Wednesday last week when her mother, Mrs. Fred Will, entertained seven of her little friends at her home on Conley avenue south in commemoration of her eighth birthday anniversary. The hours were spent and games and at five o'clock lunch was served. The decorations were carried out in a scheme of pink and white. Those present were Bernie McClelland, Laura Nelson, Geraldine Howe, Ardith Knight, Margaret Dillon, Arleen Zellmer and Dolly Bottelson.

St. John's Ladies Aid

The Ladies Aid of the St. John's Lutheran church will be entertained at the church baseent next Wednesday afternoon by Mrs. A. Gibson, A. E. Zellmer, Mrs. Geo. Howe, Mrs. A. Knauf and Mrs. Otto Geske.

Byklum-Torjusson

Miss Bella Byklum, daughter of Mrs. J. Thompson of Grand Forks, was Tuesday united in marriage to Torjei Torjusson of Four Town at the Zion Lutheran parsonage, Rev. George Larson officiating in the presence of Miss Ruth Larson and Peter Jacobson. The groom is a farmer at Four Town where the couple will reside.

For Mrs. Thoreson

Mrs. M. G. Toreson of Goodridge was the guest of honor Monday evening, August 25, when a number of her friends gathered at her home in commemoration of her birthday anniversary. Those present were Mr. and Mrs. E. M. Bennes and daughter, Ruby, of this city, the Mesdames Gangness, C. C. Gulrud, C. Edseth, J. Stephenson, J. Payne, H. B. Rockne, C. Stephenson, O. Urdahl, H. Christenson, M. Olson, A. Halvorson, P. Thorsten and the Misses Seren Thorsten and Vivian Thoreson and N. Nelson of Middle River and Donald Thoreson.

Entertains For Guests

Miss Ruth Vik of Strandquist, who was a guest at the W. W. Prichard, Sr., home last week, was honor guest at a party given Friday evening by Miss Mary von Prichard. The hours were spent at cards, unch being served by the hostess. The invited guests incuded Mr. and Mrs. Henry Melby, Mrs. A. I. Anderson of Whittier, Cal., Misses Phyllis Curtis, Elinor Dahlen, Dorothy Bottelson and Messrs. Elmer Tandberg, Roy Miller, Guy Johnson, Philip Larson and George Mostue.

Ladies Aid

The Presbyterian Ladies Aid will be entertained Friday afternoon, Sept. 5, in the church parlors by Mrs. N. B. Waldorf, Mrs. Geo. Nicholson and Mrs. Fred Roth. Following is the menu:

Potato Salad Parker House Rolls
Pickles Jelly
Devils Food Cake
Coffee

Rebecca Lodge to Meet

A meeting of the Rebecca lodge will be held next Tuesday evening at the Sons of Norway hall. Members are urged to attend as this will mark the opening of fall activities.

S. of N. Directors Meet

Bernhard Knudsen of this city and *Bj. Bjornaraa of Wanke returned yesterday* morning from Minneapolis where they attended a meeting of directors and others of the 1st dist. of Sons of Norway lodges. They also visited the state fair, speaking in high terms of the splendid display of farm products shown by Pennington county boosters.

A. C. Girls to State Fair

Among the 16 students from the Northwest School of Agriculture of Crookston, who are guests of the state fair management during the entire ten days of the fair are Miss Anna Flekke of Thief River Falls and Stella Sorenson of Plummer. While at the fair they assist in connection with the farm boys' camp. The Crookston and Morris schools alternate in sending sixteen girls to the fair, this opportunity being welcomed by the schools because it gives the students an opportunity to see the state fair and get valuable ideas from the exhibitions there.

"Summer Christmas Tree"

Boys and girls of the junior department of the Presbyterian Sunday school are asked to bring gifts for the summer "Christmas tree for China" one week from Sunday, Sept. 14, according to an announcement by the superintendent and teachers of the department. Stockings for girls, socks for boys, towels, wash cloths, toilet soap, Ivory or Palm Olive, tooth brushes, tooth paste, colored crayons, school supplies, dolls, and balls are suggested. Gifts may be brought next Sunday if more convenient.

During a Rush

Each telephone operator has a certain number of lines to answer.

If several people whose lines terminate at one operator's position lift their receivers at the same time, they cannot all be answered at once, but only one at a time.

It is no more possible for a telephone operator to answer every subscriber at once during a rush of calls than it is for a clerk in a bank or store to wait upon everyone immediately during a busy moment.

Drop in at the office any day and we shall be glad to show you how your calls are handled.

NORTHWESTERN BELL TELEPHONE COMPANY

TEACHERS ENGAGED IN LOCAL SCHOOLS ARE WELL TRAINED

New Members of 1924-1925 Faculty are Introduced to Readers of The Times

Times readers and patrons of the Thief River Falls schools will be interested in knowing something about the new members of the 1924-1925 faculty. Of the 51 instructors who are employed for the present term, only 13 are new to the system and all of these are well qualified to fill th positions to which they have been elected and come here highly recommended. The board of education and I. T. Simley, superintendent of the city schools consider themselves very fortunate in securing an exceptionally strong faculty and feel assured that the educational work will be well taken care of during the ensuing nine months.

Of the 20 teachers at the high school all but six were here last year. A school nurse has not been employed as yet.

Among the high school instructors two are of special interest as they will be in charge of work outside the actual school curriculum as well as their regular class instruction. They are U. H. Reque of Galesville, Wis., who will teach social science and Latin and have charge of the city boys' band, and Geo. J. Johnson of Prentice, Wis., who will teach science and have charge of boys work in the city. Band instruction for the boys of the city will be provided this year thru the cooperation of the city council which has appropriated $225 to be used during the term and it is anticipated that a splendid organization will be built up under the direction of Mr. Reque, who is an experienced band man and plays a number of instruments. Mr. Reque received his Bachelor of Arts degree in 1924 at Luther college, Decorah, Iowa, where he was a member of the famous Luther College band, orchestras, choirs and other musical organizations.

Mr. Johnson, who graduated from a normal school in 1917, taught a rural school in Wisconsin one year, served as principal of the school at Brentwood, Wis., two years, principal of the Dover, Wis., state graded school two years and graduated from the normal school at Stevens Point, Wis. He received his Bachelor of Arts degree at the University of Minnesota.

Special attention to boys' work in the local schools, particularly in the grades, is made possible this year thru the co-operation of the Elks lodge of this city, which is contributing $225 towards the work which will be conducted by Mr. Johnson, along the lines of general development supplementing the regular school activities.

Miss Loretta Kopriva of Bowbells, N. D., who has been secured as assistant in the teachers' training department, graduated from the Minot normal school and received her Bachelor of Arts degree at the Minnesota University this spring, specializing in teachers' training. She has four years experience in grade teaching. The teachers' training department this yar is headed by Miss Alice Stapleton, former member of the faculty, and has an enrollment of 32 students. The past two years only one teacher has been employed, with an enrollment of about 17, but the insistent demands brought additional aid from the state, making it possible to engage two instructors. The state pays the entire salary of both instructors.

Miss L. Benora Engebretson, whose home is at Mayville, N. D., teaches home economics and social science. She was awarded her Bachelor of Arts degree at the Agricultural College at Fargo, where she has assisted in the sociology department during the past year.

The other instructor in the domestic science department of the high school is Miss Eva Earl of Grand Forks, a graduate of the North Dakota university. She has taught at Crary, N. D., for one year.

Miss Dena Eikenes of Overly, N. D., has her B. A. degree from Concordia college, Moorhead, from where she graduated in 1923, having taught the past year at Middle River. She teaches English.

Miss Alice McLean of Grafton, N. D., one of the three new teachers in the Northrop building, completed her teacher's course at the North Dakota university and has taught for two years in the New Rockford schools. She has charge of the second grade.

Miss Vilo Jackman of River Falls, Wis., third and fourth grade teacher in the Northrop, is a graduate of the Wisconsin State Teachers' college and has had six years' experience in teaching, serving in the Miles City, Mont., schools the past year.

Mrs. Theresa J. Alexander, Minneapolis, fifth and sixth grade instructor at the Northrop, received her training at the Lutheran Normal School, Sioux Falls, S. D., and the St. Cloud State teachers training college and has also spent one semester at the South Dakota university and one semester at the University of California. She has taught for seven years.

Four of the eight teachers in the Knox building are spending their first year in the city. Miss Linna Borchert of Burtrum, Minn., fifth grade, has attended Moorhead and Bemidji state teachers' colleges, graduating from the latter and has spent over a year at Wesley college and University of North Dakota. She has taught for six years, the last two years in her home town.

Miss Thresa Garry, Wykoff, Minn., first and second grades is a graduate of the State Teachers' college at Winona and has had special training in playground work and games. She comes here with seven years teaching experience, the last two years of which were spent at Blooming Prairie.

Miss Ruth Easter, St. Vincent, third grade, attended the Moorhead and Bemidji state teachers colleges, graduating from the latter. She has had three years teaching experience, the last term at Kennedy.

The only new member of the Washington staff is Miss Marguerite Holmquist, daughter of Supt. G. Holmquist, of the Warren schools, received her training at the Moorhead teachers' college and taught English history in the upper grades at Fosston last year. She has charge of the sixth grade here.

Of the seven Central school instructors only Miss Bessie Sedlacek of Radium was not here last year. Miss Sedlacek is a graduate of the State Teachers college at Bemidji and has taught for seven years, last year as principal at Karlstad.

Noted Swedish Musicians Please in Concert Here

It is to be regretted that but a small audience attended the concert given Thursday evening at the Augustana church here by two famous musicians from Sweden, Goran O:n Follinger, violinist and Carl G. Berggren, pianist. The program, composed of high class compositions for both violin and piano, was a musical treat for all who heard these artists. Mr. Berggren, the pianist is himself a noted composer, who at present is a member of the faculty of the McPhail School of Music in Minneapolis. His selections as well as his accompaniment proved his ability as an artist on the ivory keys, while the violinist is also of high order.

The following program was given:
Sonata Op. 19 for Piano and Violin
Allegro Vivace, Andante, Presto ——— Sjogren
In Memoriam, Nattvakans Serenad, Duetto, "Jamtlansk Sagen"
O:n Follinger
Fantasi
Carl G. Berggren
In the Hall of the Mountain King ——— Grieg
"Ack Vermaland du Skona"
"Sater-gjentens Sondag" ——— Ole Bull
Rhapsodie ——— Liszt
Ave Maria ——— Schubert-Wilhelmj
Gypsy Air ——— Sarasato

The following is from the Warren Sheaf regarding the musicians' visit in the neighbor city:

"In a short talk after the concert, Mr. Berggren deplored the tendency and growth of Jazz music in this country and he hoped that Sweden would be spared the menace of such on importation. In his country Jazz is to be found only in the lowest and vilest places where people congregate and is not tolerated at all in cultured society. Jazz music, he said, is not original with America but has come to us from far away primitive and heathen peoples and has merely been changed, reconstructed and adapted by musical profiteers to suit American audiences. Such music appeals to the most primitive and lowest musical instincts in man instead of those that inspire, enoble and uplift. Jazz relates back to the days when man was a savage and shows retrogression instead of progress in the musical line.

It is often found in public eating places and in dance halls and he deplored the fact that so many young people, boys and girls in their teens, are allowed to congregate in such places at all hours of the night, when they ought to be at home in bed. The taste for good music as well as for the reading of good books has to be cultivated. The Swedish government, he said, is spending thousands of dollars for bringing good music to the people with a view to counteract and discourage the spread of Jazz."

BRIEF SESSION OF COUNCIL THURSDAY

Two Soft Drink Licenses Issued—Free Use of Auditorium Granted Legion Post

The city council were in session only a little over an hour last Thursday night, there being only routine matters to be disposed of. Alderman Oscar Paulson and T. A. Fossum were out of the city and unable to be present.

As the result of the approval of the license committee there will be two more places in the city where soft drinks will be dispensed, the council unanimously voting in favor of issuing licenses to J. J. Vorachek for 102 LaBree avenue north, and to Hans Finsand at 118½ LaBree avenue north. The former location is that where Jas. Farr had his place of business and the latter is the building between the Brumund hotel and The Times.

Free use of the auditorium at various times during the coming year for home talent plays and dances by the American Legion was granted by the council, following the request of the commander of the local post, Oscar Smith. The money received at these affairs is to be used in defraying the cost of the state convention of the Legion here next August.

Mrs. Christina Frissell's resignation and the appointment of Mrs. Esther Myrland in her place as librarian by the library board was read to the council and the letter ordered filed.

A petition for the vacation of Duluth avenue south beyond the new cut-off of the state highway leading south from the city signed by all the property owners effected thereby was received and laid on the table pending investigation thereof by the council.

An extension of the White Way on East Third street on the grounds of the Soo railway was asked for by the company who offer to pay the cost thereof, and the mayor and clerk were authorized to have the lamp installed as soon as possible.

M. V. Evenson reported the progress made in improving the dam, the leak having been stopped and a channel made in the rapids below to lower the the water level below the dam and thus increase the water head.

Teaching at Plummer

Mrs. E. W. Battenfeld of this city is a member of the faculty of the Plummer school this year, the other instructors being Mrs. Elsie Anderson, Fosston, principal; Miss Maureen Padden, Crookston; Miss Ida Tart, Alexandria; and Miss Dorothy Dunton, Bagley.

Bread cast upon the water will come back, but not always in wrapped loaves.

HAY FEVER

No "cure"—but welcome relief from night distress may be had by applying Vicks at bedtime—also by inhaling vapors at frequent intervals.

Mrs. O. N. Anderson,
Clarence Benston. p

William Landman

William Landman, 78, for 18 years a resident of Black River township, near Wylie, died Tuesday of last week at the home of his son, Fred, after a week's illness, death being caused by heart trouble.

Mr. Landman, who was a native of Alsace-Lorraine, came to the United States at the age of 15 locating in Chicago where he lived for a while until he moved to Willmar, this state, and later to Larimore, N. D. In 1891 he located at Fisher moving to Pennington county with his family in 1906.

Deceased is survived by his widow and six children, Mrs. Frank Hern, Atwater; Mrs. Frank Newton, Grand Forks; Mrs. Eugene Dargan, Bovey; Mrs. Otto Eckstein, Wylie; Ed and Rudolph of Black River township.

Funeral services were held Friday from the German Lutheran church at Wylie, Rev. E. Widenhoefer officiating.

It Looks Much Better

Mail boxes along the routes out of Thief River Falls show a marked improvement in appearance as a result of a campaign inauguarated last spring by Postmaster Daniel Shaw. Many of the boxes and standards have been fixed up to conform with the proposed regulation type and a large number have been gone over with the paint brush. It is to be hoped that these patrons who still have a shabby looking box along the road side get busy fixing it up at the earliest convenience.

Cool as a snow-capped mountain
Delicious fruit ices — easily made

Hot? Well, here's a relief suggestion you'll surely enjoy. Fruit ices—cool as a breeze from the mountain top. And so easily made.

Just pack a can of DEL MONTE Peaches, Crushed Pineapple, Pears, Apricots, Strawberries, Blackberries, Raspberries, Loganberries—any variety you wish—in an ordinary bucket between equal layers of chopped ice and coarse or ice-cream salt. Let it freeze that way for three hours. Then take the can out, punch a hole in the bottom, cut off the other end and turn out one of the most delicious fruit ices that ever helped make hot days cool.

Slice like brick ice-cream and serve plain or with whipped cream. You'll say it's delicious refreshment for any occasion.

Chiropractic

Is a system of adjusting the human spine for the purpose of relieving human ailments when other methods have failed. For the best results we must start right. We should know all details of existing conditions in order that we may be able to do good work. Dr. Palmer, the head of the Palmer School of Chiropractic, has stated that he loses 25 per cent of detail in superficial examinations, therefore he advises the use of Ex-Ray in nearly all chronic conditions. It is true that most cases get some results without the use of Ex-Ray pictures but many of such results are only partly and even when results are fairly good much more time is needed, so that it will cost more money for the patient without than with the use of Ex-Ray. Also many cases will be successful with Ex-Ray services that would otherwise have been failures.

Carl Sannes of Hickory township was in the city Tuesday on his way to the harvest fields in North Dakota going from here to Grand Forks.

Oscar Johnson of Barnesville spent a brief time in this city Tuesday with his sister, Mrs. Ole Johnson on his return home from Warroad where he was employed.

Miss Esther Malmquist of St. Hilaire left last week for Great Falls, Mont., to spend a week before going to Riverton, Wyo., where she will teach during the ensuing term.

Miss Gladys Sorum of Holt spent Saturday in this city on her way to Minneapolis to resume training at the General hospital, from which she graduates in January from the three year course.

Miss Christine Klemmetson, daughter of Mr. and Mrs. Elling Klemmetson of near Hazel, left Thursday evening for Erskine where she is employed, to resume duties after having spent a vacation at her parental home.

Mr. and Mrs. Carl Abrendson and family of Millard, Nebr., returned to their home Wednesday of last week after spending a week at the home of their former neigbors, Mr. and Mrs. Chas. Krause west of St. Hilaire.

Mrs. Stanley A. Bateman, wife of the Brumund hotel proprietor, left on Tuesday of last week for Crookston to spend the week with friends. Before coming to this city Mr. and Mrs. Bateman were residents of Crookston for many years.

Mrs. Verner Nelson and daughter Clarine, and Miss Esther Fricker of St. Hilaire, who was a guest of her sister, Mrs. Nelson, left Thursday for Grygla to spend the weekend with friends. Mrs. Nelson formerly resided at Grygla and Miss Fricker was engaged as school instructor there.

Jas. Farr and Axel Rod returned Thursday evening from Baudette where they attended to business matters. Mr. Rod formerly resided at Baudette. They made the trip by car leaving Tuesday and going by way of Warroad and International Falls. They report the roads in pretty good condition but state that the heat was intense in the heavy timber.

Hall's Catarrh Medicine will do what we claim for it—rid your system of Catarrh or Deafness caused by Catarrh.

F. J. CHENEY & CO., Toledo, Ohio

Miss Agnes Thompson left Tuesday for Greenbush to spend a few days with friends.

G. O. Gregorson left Monday evening for Minneapolis to spend a week at the state fair.

T. Tharaldson, who is employed in a book bindery in Fargo, visited with his family in this city over Sunday.

Mr. and Mrs. J. Berry and son Vincent returned Thursday from Bemidji where they spent two weeks on an outing.

Miss Judith Christenson resumed duties at the office of Dr. J. T. Bowers Monday after having enjoyed a two weeks' vacation.

Miss Agnes Tandberg left Monday for St. Hilaire to begin duties as instructor of English and biology in the high school department.

Mrs. C. J. Bugge and children left Sunday evening for Chicago to spend an indefinite time as guests at the home of Mrs. Bugge's daughter, Mrs. Ted Myrom.

Mr. and Mrs. August Carlson and children returned Saturday from the twin cities where they attended to business matters, leaving here Wednesday by car.

Mr. and Mrs. Walter E. Smith and son, Robert, motored to Bemidji Friday evening to spend the weekend as guests at the home of Rev. and Mrs. J. B. Smith, formerly of this city.

Mr. and Mrs. P. G. Pederson and son, Donald, left Saturday morning for Fosston to spend the weekend at the home of Mr. Pederson's parents, Mr. and Mrs. O. Pederson, returning Monday evening.

Mrs. Emil Norquist of this city received the sad word of her father, August Hendrickson's serious illness Saturday and left that evening for his home at Willmar. She will also visit at the home of her brother, Hans Hendrickson.

Mrs. Carl Peterson and daughter and son returned to their home at Crookston after a week's visit at the home of Mrs. Peterson's parents, Mr. and Mrs. Andrew Eklund, and brother and sister, Adolf Eklund and Mrs. H. N. Rhodegaard.

Mrs. C. L. Clark and son, Arthur, of Harvey, N. D., who arrived Thursday to spend a few days at the home of the former's brother-in-law and sister, Mr. and Mrs. Herman Ohm, left Saturday evening for New Richmond, Wis., to spend two weeks at the home of Mrs. Clark's and Mrs. Ohm's mother, Mrs. James Bary.

"DAKOTANS" IN ABOUT 700 BANKS

N. J. Roehrich, a graduate of Dakota Business College, Fargo, recently accepted a position with the First National Bank, Grand Forks. E. M. Anderson, another "Dakotan", has gone to the First National Bank, East Grand Forks. Every Fargo bank and 685 others employ D. B. C. graduates. This school is famous for its thoroughness. Nine Fargo bank officers are D. B. C. graduates; so are 218 other bank executives, 42 of whom are women.

Watch each week, and "Follow the SucceSSful." Fall term opens Sept. 1-8. Write F. L. Watkins, Pres., 806 Front St., Fargo.

Gum Chewing Aids the Teeth

You have the authority of doctors and dentists for this statement. Your own experience will prove it, if you will use WRIGLEY'S after every meal.

The following quotations from a recent work on teeth and health are worth remembering:

"Dentists have found that the exercise of gum chewing brings about a better nutrition of the teeth . . . ."

"The cleansing action of the gum between the teeth helps to keep them free from the particles which lodge in the crevices and cause decay."

The busy man—or woman either—rarely has time to clean the teeth after eating. Yet they *should* be cleaned, and

WRIGLEY'S *after every meal*

will do it. Also it will aid digestion and furnish welcome refreshment to mouth and throat.

Sealed in its purity package, bringing all its original goodness and flavor to you.

Credit Corporation Will Make Direct Farm Loans

That the Agricultural corporation has accomplished much in the rehabilitation of the Northwest since its organization a short time ago is indicated in a recent report of its activities to date.

It has extended credit to 231 banks in the northwest whose aggregate deposits are more than $62,000,000; loaned nearly $5,000,000 to banks, including both closed institutions and banks hampered with low reserves; reopened 16 banks in communities suffering from banking service; placed nearly 2,000 high grade dairy cattle, of which 200 were purebred, in 87 communities; extended credit to 350 farmers for the purchase of these animals to help them get started in dairying.

During the coming months the corporation will center its efforts on promotion of diversified farming by direct loans to the farmers, according to announcement by C. T. Jaffray, chairman of the board. In view of the recent improvement in the northwest banking situation, the corporation's bank relief work will assume a minor position, it is said.

About fifteen farmers n Pennington county have had their loans for purchase of livestock accepted so far and applications are still being received by the committee, according to Albert Lonson, secretary.

Narrowly Escape Death

The following item regarding M. and Mrs. Arthur Lillevig of Graceton, who were married in this city August 22, appeared in last week's issue of the Roseau Times-Region:

"Mr. and Mrs. Arthur Lillevig had a narrow escape from being killed near Warroad, last Sunday. They were returning from their honeymoon trip to their home at Graceton. They failed to see the coming of the Canadian National flier as they approach the trunk highway crossing to the new grade south of Warroad before their car and the locomotive met. The car was demolished but the occupants escaped with minor injuries."

Mrs. Lillevig was formerly Miss Anna Brandrude of St. Hilaire.

COMMUNITY NEWS

ROSEWOOD

Mr. and Mrs. Oscar Blomberg and children, Mr. and Mrs. Dave Mosbeck and Percy Hanson motored up from Crookston on Sunday to visit with the Haugen families. Accompanying them back was Herman Blomberg who has been assisting with work at the Haugen farms this fall.

Considerable threshing has been done thruout the community during the week, and the customary shock threshing run north and south of town will commence this week. Yields on the average are quite satisfactory, rye having on farms gone as high as 25 bushels per acre, and wheat over 20. On a 25 acre plot of rye on the Lappegaard farm last week 568 bushels of No. 1 rye was threshed out. Wheat is mostly No. 1 except in some exceptions where late stands were caught with rust.

A farmers price setting meeting was held at the J. E. Hellquist farm last Tuesday evening and was well attended by New Solum and Norden farmers, and it was decided that threshing could be secured at 5 cents per bushel for wheat and rye and 3 cents per bushel for feeds. Last season some rigs here threshed at 7 and 5 cents respectively.

Miss Julia Axelson from Thief River Falls was a visitor at the home of her mother, Mrs. Julia Axelson between trains last Friday.

Misses Elsie Vorseth and Gladys Sagmoen entertained a few guests at a slumber party at the former's home last Saturday evening.

J. E. Thompson from Gully motored here last Thursday calling on friends and looking after some business.

Miss Alice Moen from Thief River Falls was up on Monday evening to attend the Peterson and Berg services at the Rindal church.

Mrs. Julia Axelson, Mr. and Mrs. Emil Blomberg and R. Hall spent Monday at Warren where the latter were bidders on a ditch cleaning contract along Ditch No. 20.

Mrs. Clara Ranum and children of Viking have visited this week with Mr. and Mrs. John Ranum north of town.

Ernest Styrlund from Viking has been here a few days this week doing shocking on the Styrlund farm near this place.

Simon Nakken arrived on Saturday from Duluth where he has been employed this summer, and will commence high school at Thief River Falls.

Willard Furan who has spent the summer vacation at the Martin Furan farm at Slayton arrived on Saturday and will resume his high school duties at Thief River Falls.

Some petty thievery has been reported at several farms in the neighborhood during the last weeks, but no definite clue has been found as to the culprits. The garage at the Mrs. Bertha Saugen farm was broken into one night and several tools taken and one of the rear wheels of the Ford removed. In Norden township chickens have been found missing on several farms, and on one place a quantity of feed had been stolen.

S. Swenson returned on Tuesday from a business stay at Thief River Falls.

The Labor Day celebration at Thief River Falls last Monday drew quite a percentage of Rosewood people both for the afternoon and evening. Among those who spent the day there included Mesdames R. Sagmoen, D. N. Peterson and O. S. Hellerud, Mr. and Mrs. John Sagmoen and family, Mr. and Mrs. A. C. Vorseth and daughter Elsie, J. S. Sorenson, Steiner Johnson, Sigurd Rafteseth and others.

Mrs. Lawrence Stengelson from Duluth is a visitor at the home of her husband's parents, Mr. and Mrs. P. Stengelson.

Misses Elsie Vorseth and Delma Dols left on Monday evening for Thief River Falls where they attend high school.

Miss Mabel Hemstad from Plummer is visiting with her sister, Mrs. Olof Nordhagen.

Mr. and Mrs. Morris Halvorson and family and Mr. and Mrs. C. E. Hellquist and family, the latter from Thief River Falls motored to Crookston last Sunday where they visited at the Oscar Blomberg home.

Mr. and Mrs. S. Rafteseth and Mr. and Mrs. Carl Stromberg from Dakota Junction motored to Helgeland on Sunday where they were guests at the Ole Gjerde home.

T. J. Bjerke, secretary of the Thief River Falls Co-operative creamery association was in town one day this week in conference with the local agent, A. C. Vorseth and inspecting the cream station at this place.

Mr. and Mrs. Carl Stromberg motored to Strandquist last Sunday where they spent the day visiting with reatives and friends.

W. O. Gast from Argyle who is operating a meat truck route through this section has included Rosewood in his tour the last week and has stopped here shortly before noon every Monday and Friday. However, as his route is very well occupied he may be here only on Fridays, as that strikes a cream shipping day here, and consequently draws the best trade.

A carload of rye was shipped out from the Hanson & Barzen elevator this week, being the first car of this season's crop.

Mr. and Mrs. C. Christensen and daughter, Edna from Thief River Falls attended the Rindal church services here last Monday evening.

HAZEL

Mr. and Mrs. Ole Odegaard and children were visitors at Holly Saturday and Sunday.

Misses Phoebe and Annie Anderson were visitors at Lancaster and Bronson last week.

Mr. and Mrs. Paul Borgie and family were visitors at Crookston Sunday.

Misses Anna and Hilda Alberg arrived from Chicago Friday to visit with friends and relatives.

Miss Hilma Jenson of Baudette was a visitor at the home of Mr. and Mrs. E. Knutson Friday.

Miss Maria Oien and Miss Lydia Palm were visitors at the home of Mr. and Mrs. P. Thune Monday.

Mrs. Ole Thune and children were visiting at Thief River Falls Tuesday.

Mr. and Mrs. A. Sandberg and daughter, Myrtle, were visitors at the home of A. Anderson Sunday.

Mr. and Mrs. H. Sniting, Miss Lydia Palm, Miss Maria Oien and Gust Gustafson motored to Clearbrook where they visited with friends.

GOODRIDGE

J. P. Jensen returned from a business trip to the twin cities Thursday morning.

Mrs. Geo. Werstlien and son, William, were visitors at the R. H. McDonald home Wednesday.

G. A. Gilbertson was a business visitor in this village Thursday.

A. B. Josephson and family left on Friday for Austin where they will spend their vacation. Jay Payne will take care of his mail route while he is gone.

Gulda Nelson who will be one of the teachers here for the following term arrived here Saturday from her home at Brooten.

Jay Payne and Mrs. Steve Nobles left Monday morning for Rock Lake, N. D., where they visited a few days returning here Thursday.

Tellof Tollefson and sister Bertina motored through here on their way to Duluth from their home a few miles north of here.

Daniel Payne who has been going to summer school in Valley City, N. D., returned to his home here Friday morning.

Mrs. Steve Nobles returned to her home at Austin Friday after a short visit with her sister, Mrs. J. Payne.

Carl Christianson left here Saturday for the twin cities where he will attend to business matters.

Mrs. E. L. Fore who will be principal in the high school here, was a visitor in this village Thursday.

Ida Anderson who for the past few months has been in Grand Forks returned home Thursday.

Miss Mildred Aargall left for Hatton, N. D., Friday after a visit with relatives in this village.

P. O. Tvedt and family left for Larimore, N. D., Friday where they will visit friends and bring Eunice Tvedt here as she has been attending summer school at Mayville, N. D.

Mr. and Mrs. J. M. Bishop, son Morlan and Mrs. H. Hoover and daughter, Mary Jane, the latter of Chicago, were business visitors in this village Saturday.

H. M. Rhodegaard and family of Thief River Falls and Mrs. Carl Peterson and children of Crookston were visitors at the Roy Halseth home here Wednesday evening.

Bert Vottendahl spent the weekend in this village visiting. He arrived from Bemidji Sunday and returned on Monday.

Many school children from out of town are arriving. They are looking for rooms, etc.

Mr. and Mrs. Theo. Gilbertson and daughters Guida and Emma were Thief River Falls visitors Sunday evening.

Ole Nygaard was a business visitor in this village Monday.

Martha Olson has been taking Inga Blackstead's place in the cafe here while she has been taking her vacation.

A surprise party was held for Raymond Stephenson Saturday as it was his birthday. Presents were given him by many of his friends.

Carl Mandt has returned to his home here to attend school after spending the summer on a farm near Highlanding.

Norton Gunderson and Bennie Mandt, who have been attending the C. M. T. Camps at Fort Snelling returned home Sunday. They report having had a good time.

Rueben and Edith Gunderson, who have been visting relatives in Austin, returned to their home here Sunday.

A. B. Mundt motored to Thief River Falls Sunday and brought his son Bennie, Norton, Rueben and Edith Gunderson home as they arrived on the morning train.

Mr. and Mrs. Paul Sund and daughters Cora and Wilma of Esplee passed through here Monday enroute to Bemidji where the girls will stay this winter and attend the normal school.

Young Peoples' Society was held at Mrs. R. Knutson's near Kratka Sunday.

Agnes Maloney, who will be one of the teachers here next year arrived Monday from her home in St. Paul.

A baseball game was played between Goodridge and Grygla Sunday. As Goodridge has no regular team they picked up a team. The game was played on the Grygla grounds and everything went fine until the first half of the ninth inning when Grygla found a small excuse to throw the game up. The score was 8 to 5 in Goodridge's favor when they forfeited the game.

Mary Snortland arrived from Sherron, N. D., Monday to teach school here.

S. Anderson and son Alfred and daughter Ida and Leafie Graff motored to Bemidji Monday where Ida and Leafie will attend the normal.

Goodridge Lutheran Church

Bethania every Saturday at 4 p. m., and Eric and Torgerson every Friday at 4:30 and 1 p. m.

GET AT THE CAUSE!

Many Thief River Falls Folks Are Showing How to Avoid Needless Suffering.

There's nothing more annoying than kidney weakness or inability to properly control the kidney secretions. Night and day alike, the sufferer is tormented and what with the burning and scalding, the attendant backache, headache and dizziness, life is indeed a burden. Doan's Pills—a stimulant diuretic to the kidneys—have brought peace and comfort to many Thief River Falls people. Profit by this Thief River Falls resident's experience.

Ed. Stokke, prop. of shoe repair shop, First St., E. says: "My kidneys weren't acting just right, due to sitting for such long spells at my work. There was a dull, steady pain across my back and I tired easily. My kidneys were disordered, too. Doan's Pills checked the trouble and made me feel fine, again."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills — the same that Mr. Stokke had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Pennington Alfalfa Seed Competing at State Fair

T. J. Sumpter, prominent Pennington county farmer, near Hazel, is among the contenders for state honors in the alfalfa seed exhibition at the state fair this week, having entered an excellent exhibit which captured first prize at the Pennington county fair and last winter was awarded first place in a state contest put on by the Minnesota Crops and Soils Improvement association. Mr. Sumpter's sample is of the certified Grimm variety and is expected to make a big showing at the state exhibition. Mr. Sumpter plans to take part in the international contets later in the season.

Mr. Sumpter, who is a strong believer in certified Grimm seed as most adaptable to Minnesota conditions, is a director of the state Grimm Alfalfa Seed association. His experiences with alfalfa growing has brought much publicity to Pennington county and is doing a great deal to establish this county as "The home of alfalfa."

Some folks get all of the enjoyment possible out of this life on the theory that it will have to last them through the next.

LEGAL NOTICES

Sept. 4-Oct. 9

NOTICE OF MORTGAGE FORECLOSURE SALE.

Whereas default has been made in the conditions of that certain mortgage made, executed and delivered by C. Biglow and M. Mabel Biglow, husband and wife, as mortgagors, to Peoples State Bank of Thief River Falls, as mortgagee, which said mortgage is dated June 10, 1910, and was recorded in the office of the Register of Deeds of Pennington County, Minnesota, June 12, 1910, at 9 o'clock a. m., in Book 12 of Mortgages, on Page 298, which said mortgage was heretofore duly assigned to the undersigned, Northwestern National Life Insurance Company, and whereas said default consists in the failure to pay an instalment of interest heretofore coming due on said mortgage, and whereas because of said default the undersigned owner and holder of said mortgage has elected and hereby does elect to declare the whole amount secured by said mortgage immediately due and payable and whereas there is now due and claimed to be due upon the said mortgage and the indebtedness thereby secured the sum of $3,422.03.

NOW, THEREFORE, Notice is hereby given that the said mortgage will be foreclosed and the premises therein described and mortgaged thereby, which said premises are situated in the County of Pennington, and the State of Minnesota, and are described as follows, to-wit:

The east half of Southwest quarter and Lots 3 and 4 of Section 31, in Township 153, of Range 43, containing 159.50 acres according to Government survey thereof.

Will be sold by the Sheriff of said Pennington County at public vendue to the highest bidder for cash, at the front door of the courthouse in the city of Thief River Falls, in said county, on Monday, the 20th day of October, 1924, at 10 o'clock a. m., to pay the amount of said mortgage and the debt and interest and the expenses of sale and $75.00 attorney's fees.

Dated September 2, 1924.

Citation For Hearing on Final Account and For Distribution

STATE OF MINNESOTA, County of Pennington—ss. In Probate Court.

In the Matter of the Estate of Adolph H. Rinker, Decedent:

The State of Minnesota, to Elizabeth A. Rinker, William A. Rinker and Charlotte Rinker Swanson, and all persons interested in the final account and distribution of the estate of said decedent: The representative of the above named decedent, having filed in this Court her final account of the administration of the estate of said decedent, together with her petition praying for the adjustment and allowance of said final account and for distribution of the residue of said estate to the person thereunto entitled. Therefore, YOU, and EACH OF YOU, are hereby cited and required to show cause, if any you have, before this Court at the Probate Court Rooms in the Court House in the city of Thief River Falls, in the County of Pennington, State of Minnesota, on the 16th day of September, 1924, at 10 o'clock A. M., why said petition should not be granted.

WITNESS, The Judge of said Court, and the Seal of said Court, this 18th day of August, 1924.

LARS BACKE,
Judge of Probate.

MORTGAGE FORECLOSURE SALE

Whereas defaults have been made in the conditions of a certain Mortgage, duly executed and delivered by Pearl M. King, single, Mortgagor, to Claus Hagge, Mortgagee, bearing date the 4th day of April, 1914, and with a power of sale therein contained, duly recorded in the office of the Register of Deeds in Pennington County, and State of Minnesota, on the 2nd day of June, 1914, at 8 o'clock A. M., in Book 14 of Mortgages on page 363.

And Whereas, the Mortgagee and holder of said Mortgage has by reason of the defaults of said Mortgagor elected to exercise the power of sale in said mortgage contained and the right to foreclose by advertisement, and whereas there is actually due and payable upon said mortgage at the date of this notice the sum of $2167.10, and whereas no action or proceeding having been instituted at law or otherwise to recover the debt secured by said mortgage or any part thereof,

NOW, THEREFORE, NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said Mortgage, and pursuant to the statute in such case made and provided, the said Mortgage will be foreclosed by a sale of the premises described in and conveyed by said Mortgage, viz: The Northeast Quarter (NE¼) of Section Ten (10) in Township One Hundred Fifty-three (153) North, Range Forty-five (45) West of the Fifth Principal Meridian in Pennington County and State of Minnesota, with hereditaments and appurtenances; which sale will be made by the sheriff of said Pennington County, Minnesota, at the front door of the Court House in the City of Thief River Falls in said County and State, on the 11th day of October, 1924, at 10 o'clock A. M. of that day, at public vendue, to the highest bidder for cash, to pay the said debt of $2167.40, and interest and taxes, if any on said premises, and Seventy-five Dollars Attorney's fees as stipulated in said mortgage, in case of foreclosure, and the disbursements allowed by law; subject to redemption at any time within one year from the day of sale, as provided by law.

Dated August 26, 1924.

CLAUS HAGGE,
Mortgagee.

O. A. NAPLIN,
Attorney for Mortgagee.

NOTICE TO CONTRACTORS

Sealed bids for the construction of a potato loading warehouse will be received by the board of directors of the St. Hilaire Potato Warehouse Association on the 15th day of September, 1924, at 8:00 o'clock P. M. at the Farmers State Bank of St. Hilaire.

Said warehouse to be constructed according to plans and specifications which are on file at the office of the St. Hilaire Lumber Co. in St. Hilaire.

A certified check for 10 per cent of the amount of the bid must accompany the bid, said check payable to the Treasurer of the St. Hilaire Potato Warehouse Association.

The Board reserves the right to reject any and all bids. Bids should be addressed to the undersigned.

A. F. Hall, Secretary,
St. Hilaire Potato Warehouse Ass'n.

(Aug. 7-Sept. 11)

NOTICE OF MORTGAGE FORECLOSURE SALE

Whereas default has been made in the conditions of that certain mortgage dated March 17th, 1919, executed by Peter William Korstad and Blanche Korstad, his wife, mortgagors, to C. L. Hansen, mortgagee, and recorded in the office of the Register of Deeds of Pennington County, Minnesota on March, 18th, 1919 in Book 67 of Mortgages on page 201, which mortgage was duly assigned in writing by said C. L. Hansen to Louis Heyduk, the present owner thereof, which assignment was dated on March 27th, 1919 and recorded in the office of the Register of Deeds of Pennington County, Minnesota on the 14th day of July, 1924 in Book 65 of Mortgages on page 275; and whereas there is claimed to be due on said mortgage at the date of this notice the sum of $2,013.78 which sum includes the sum of $389.78 taxes for the years 1920, 1921, 1922, 1923 which have been paid by Louis Heyduk, the said assignee, and which is claimed as part of the debt secured by said mortgage under the terms thereof, and no action or proceeding at law or otherwise has been instituted to recover the same or any part thereof.

Now, Therefore, Notice is hereby given, that by virtue of the power of sale in said mortgage contained and pursuant to the statute in such case made and provided, the said mortgage will be foreclosed and all the real property described in and mortgaged by said mortgage, to-wit:

The South West Quarter (SW¼) of Section Twenty-two (22) in Township One Hundred Fifty-three (153) North of Range Forty (40) West of the Fifth P. M., in Minnesota, containing One Hundred Sixty (160) acres, more or less, according to the U. S. Government survey thereof, will be sold at public auction to the highest bidder for cash at the front door of the Court House Building in the City of Thief River Falls, in said Pennington County, Minnesota, on the 23rd day of September, 1924, at 10:00 A. M. to pay the amount which shall then be due upon said mortgage, together with the expenses of foreclosure and sale and the sum of Seventy-five ($75.00) Dollars attorney's fees stipulated in said mortgage to be paid in case of foreclosure, subject to redemption as provided by law.

Dated at St. Paul, Minnesota, August 2nd, 1924.

(Aug. 7-Sept. 11)

MORTGAGE FORECLOSURE SALE

Default having been made in the payment of the sum of Seven Hundred Ninety-six and 56-100 Dollars, together with interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1921, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1922, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1923, which is claimed to be due and is due at the date of this notice upon a certain Mortgage, duly executed and delivered by Melvin H. Wood and Cora E. Wood, his wife, as Mortgagors, to State Bank of Viking (a banking corporation under the laws of the State of Minnesota), as Mortgagee, bearing date the 13th day of March, 1920, and with a power of sale therein contained, duly recorded in the office of the Register of Deeds in and for the County of Pennington and State of Minnesota, on the 23rd day of March, 1920, at nine o'clock A. M., in Book 62 of Mortgages, on page 437 thereof; which said mortgage is given to secure the sum of One Hundred and Seventy-five Dollars, payable in five annual installments of Thirty-five Dollars each, payable on March 13th of each of the years of 1921 to 1925 inclusive, and provides that if default be made in the payment of said note, or any installment thereof, or in the payment of interest due on a prior mortgage, then said mortgagee was and is authorized to pay such interest and the money so paid with ten per cent per annum from the date of such payment shall be deemed a part of the debt secured by this mortgage, and the money so paid and the note hereby secured, at the option of the mortgagee herein, shall become immediately due and payable and the payment thereof enforced by the foreclosure of this mortgage.

AND WHEREAS, The said State Bank of Viking, the Mortgagee and Holder of said Mortgage, has duly elected and does hereby elect to declare the whole principal sum of said Mortgage due and payable at the date of this notice, under the terms and conditions of said Mortgage and the power of sale therein contained; and whereas there is actually due and claimed to be due and payable at the date of this notice the sum of Eight Hundred Thirty-one and 56-100 Dollars, together with interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1921, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1922, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1923, and whereas the said power of sale has become operative, and no action or proceeding having been instituted, at law or otherwise, to recover the debt secured by said Mortgage, or any part thereof;

NOW, THEREFORE, NOTICE IS HEREBY GIVEN, That by virtue of the power of sale contained in said Mortgage, and pursuant to the statute in such case made and provided, the said Mortgage will be foreclosed by a sale of the premises described in and conveyed by said Mortgage, viz: The Southwest Quarter of the Southwest Quarter and the East One-half of the Southwest Quarter and the West one-half of the Southeast Quarter and the Northeast Quarter of the Southeast Quarter of Section ten, in Township One Hundred and Fifty-three North of Range Forty-five West, containing two hundred and forty acres, more or less, according to the Government Survey thereof, in Pennington County and State of Minnesota, with the hereditaments and appurtenances; which sale will be made by the Sheriff of said Pennington County at the front door of the Court House, in the City of Thief River Falls, in said County and State, on the 19th day of September, 1924, at two o'clock P. M., of that day, at public vendue, to the highest bidder for cash, to pay said debt of Eight Hundred Thirty-one and 56-100 Dollars, and interest, and the taxes, if any, on said premises, and Twenty-five Dollars, attorney's fees as stipulated in and by said mortgage in case of foreclosure, and the disbursements allowed by law; subject to redemption at any time within one year from the day of sale, as provided by law.

Dated August 6, 1924.

July 31-Sept. 4

Notice of Mortgage Foreclosure Sale.

Default has been made in the conditions of a mortgage dated January 20th, A. D. 1921, made and executed by Harris F. Atwood and Effie C. Atwood, his wife, Perry M. Atwood and Myrtle Atwood, his wife, Arthur H. Atwood and Blanche Lidia Atwood, his wife, mortgagors, and delivered by them to the State Bank of Viking, a corporation, mortgagee, and recorded in the office of the Register of Deeds in and for the County of Pennington, State of Minnesota, on the 15th day of February, A. D. 1921, at 8 o'clock A. M. in Book 4 of Mortgages on page 622.

Which said mortgage together with the debt secured thereby was duly assigned by an instrument in writing, dated the 24th day of March, A. D. 1921, by said State Bank of Viking, a corporation, to The Lincoln National Life Insurance Company, a corporation, and duly filed and recorded in the office of the Register of Deeds in and for said County of Pennington, State of Minnesota on the 24th day of March, A. D. 1921 at 3 o'clock P. M. in Book 64 of Mortgages on Page 302.

Said default consists in the failure to pay the sum of Four Hundred Twenty Dollars ($420.00) which became due and payable on the 20th day of January, A. D. 1924, and whereas, The Lincoln National Life Insurance Company, a corporation, assignee of mortgagee and holder of said mortgage has duly elected and does hereby elect to declare the whole principal sum of said mortgage due and payable at the date of this notice under the terms and conditions of said mortgage and the power of sale therein contained, and whereas there is actually due and claimed to be due and payable at the date of this notice the sum of Six Thousand Six Hundred Thirty-Two and 99-100 Dollars ($6,632.99) and whereas, the said power of sale has become operative and no action at law or otherwise having been instituted to recover the debt secured by said mortgage or any part thereof;

Now, Therefore, notice is hereby given that by virtue of the power of sale contained in said mortgage and pursuant to the statute in such case made and provided, said mortgage will be foreclosed by a sale of the premises described in and conveyed by said mortgage, which said premises are situate in the said County of Pennington, State of Minnesota, and more particularly described as follows, to-wit:

The East Half (E½) of Section numbered Thirty-four (34) in Township numbered One Hundred Fifty-four (154) North of Range numbered Forty-five (45) West of the Fifth principal Meridian, containing Three Hundred Twenty (320) acres, more or less, according to the government survey thereof, together with all hereditaments and appurtenances thereunto belonging.

Said sale will be made by the Sheriff of said Pennington County, State of Minnesota, at the front door of the Court House in the City of Thief River Falls, in said County of Pennington, State of Minnesota on the 12th day of September, A. D. 1924 at 10 o'clock A. M. of that day, at public vendue to the highest bidder for cash to pay said debt and interest, and the taxes if any, on said premises, together with the costs and disbursements of foreclosure and expenses allowed by law including One Hundred Dollars ($100.00) attorney's fees as stipulated in said mortgage in case of foreclosure, subject to redemption at any time within one (1) year from date of said sale.

Dated July 23, 1924.

THE LINCOLN NATIONAL LIFE INSURANCE COMPANY,
a corporation,
Assignee of Mortgagee.

LEGIONNAIRES PREPARING FOR NATIONAL MEET

Arrangements Being Made For Special Sleeper from Here to St. Paul Convention

OTHER TOWNS OF 9th DISTRICT CO-OPERATE

Unusual Opportunity to Attend Great Gathering—Eklund Post to Make Showing

That the Elmer J. Eklund post of the American Legion and other posts of this section will be well represented at the national legion convention to be held in St. Paul Sept. 15 to 19 inclusive is now practically a certainty, a committee headed by H. O. Chommie as chairman having worked out plans for the chartering of one or more special sleepers on the Soo Line for the event.

Excerpts from a letter sent to post adjutants in the Ninth district towns having convenient connections with Thief River Falls by Chairman Chommie give the details of the proposed trip:

Special Rate Explained

"A representative of the general passenger agent of the Soo Line was here and informs me that the Soo Line can furnish one or more sleepers, not less than 25 occupants in each. The rates and an estimated cost per person on the regular tourist sleepers are as follows:

Charter rate	$ 165.00
Parking	60.00
25 tickets	287.25
Surcharge	28.75
Total	$541.00

Average cost per person, $21.64

"If more than 25 come in on it the cost of course will be less per person. The above price includes the regular sleeper service, porter, ice water, linens, etc. The time consumed is based on 5½ days, leaving here on No. 110 about 9:37 p. m. Monday, Sept. 15, returning on train No. 109 Saturday, Sept. 20, and arriving here at 2:35 a. m. Sunday. The car may be occupied until later in the morning. Parking space in St. Paul has been provided for at Seventh and Neal streets within seven or eight blocks from the heart of the city, on the Seventh street car lines.

Must Notify Committee

"In order to provide for the necessary accommodations it is necessary that the Soo line be informed promptly of the number of people who expect to make the trip. If the number runs over 48 we shall have to have two sleepers, otherwise one will serve the purpose. There are 14 sections and 28 beds in the car.

"Going to the convention in this way undoubtedly is the best way. You will have regular sleeping car accommodations in the heart of the city and a porter will be in charge at all times. Grips and baggage may be left in safety."

Those who wish to join the delegation at this special rate should make it a point to notify the local committee at once, it is urged. Mr. Chommie will be notified by the various post adjutants as to how many are coming from each of the other towns invited to participate. Warren has already promised several members of the delegation.

Will Boost City

As Thief River Falls has been successful in landing the 1925 state convention it is of special importance and interest that it be represented by a strong delegation at the national convention and demonstrate to the other Minnesota posts in particular that this is a live-wire city. It will be an unusual opportunity for Minnesota Legionnaires to attend a nationwide gathering of buddies at a very low cost.

"Pullman City" for which ten miles of track has been laid, will take shape as the special trains arrive. There will be special phone service for the coaches and all the modern accommodations and fittings of an up-to-date community.

Honors For Fertile

Fertile Post in Polk County will furnish the color guard for the third division of the big St. Paul Legion Convention parade Sept. 16. The Ninth District organization, which is headed by Lars Fosse, was accorded this honor by Department Commander Edwin L. Lindell, Department Adjutant Stafford King and Mayor George E. Leach of Minneapolis, marshal of the Gopher Gang contingent, because of the membership record the post has made.

Some men are born great, some achieve greatness and others have it thrust upon them, but most of them just imagine they are great.

L. A. "LARS" THUNE
Thief River Falls Athletic Coach

PROSPECTS GOOD FOR '24 FOOTBALL THUNE DECLARES

Many Veterans Returning to Gridiron Practice at Opening of School Year

All indications point to the probability that the Thief River Falls high school will this year have one of the *strongest football teams for years*, according to Coach Leonard Thune, who arrived last week to make preliminary preparations for the opening of practice at the opening of school this week. A majority of last year's men will be back with a year's growth in age and weight and increased experience as a result of spring training. Two full aggregations were out for practice last spring, much new material being developed. The only men lost from last year's team are Barzen, Sether, Lundell and Gavin.

With the return of Captain Parenteau, Penney, Zeh, Bennes, Bjorkman, Larson and Holzknecht the backfield material will be exceptionally good. The return of "Toby" Holmgren, star tackler, will greatly bolster up the line, other candidates for line positions being Mulry, Sorenson, Berg, Wengeler, Halvorson, McCrum, Ihle and many others who were out for practice last year.

An eight-game schedule has been arranged and it is expected that the first game of the season will be played the latter of September. Local fans will be pleased to know that plans are to play five games on the home grounds.

The football field at the fair grounds is being rearranged so that it will border the track in front of the grand stand, making it possible for spectators to witness the games from the grand stand.

Coach Thune, whose home is in Albert Lea, spent six weeks of his summer vacation taking a course in theory and practice of football and basketball in Superior, Wis., the school being conducted by Knute Rockne of Notre Dame university, one of the leading athletic coaches of the country, and Dr. Meanwell, who is in charge of basketball at the University of Wisconsin. More than 300 coaches and athletic directors, many connected with universities of the country, were in attendance and the training given was of the best obtainable. The most modern and effective tactics of football and basketball were taught and it goes without saying that "Lars" Thune will inculcate some real football knowledge into his eleven this fall. Having worked with the boys the past year adds greatly to the possibility of working up an exceptionally strong aggregation.

Web-Worm on Sugar Beets

The sugar beet web worm has made its appearance in the Red River valley but is said to have done but little damage. R. Oen's field near the city was invaded last week and a tract of about two acres affected. The worms feed on the leaves, thus defoliaging the plant and reducing tonnage and sugar content. No serious attacks of local fields are reported so far. The spraying of four pounds Paris Green with a spraying machine developing about 100 pounds of pressure is recommended. Small hand potato sprayers can be used, according to County Agent McCann. Moths of the web worm show a patricular liking for lambs-quarters and Russian thistle on which to deposit their eggs.

Soliciting JH Funds

Efforts to fill Thief River Falls' quota of $250 to the Jefferson Highway association to be used in marking the new routing north of this city are being undertaken by a special committee of the Commercial club, headed by Alf Borry, the other members being F. F. Haynes and Carl B. Larson.

Members of the committee are expecting enthusiastic support from most local merchants as the highway is responsible for bringing a large share of the tourist traffic thru this city. Red Lake Falls has already contributed $150 towards the fund and as soon as this city's quota is filled work on the marking will be started under the direction of Daniel Shaw, director of the state association.

Attending Wheat Growers Meet

Jorgen Eide, a director of the Minnesota Wheat Growers Co-operative Marketing association left Tuesday night for Minneapolis to attend a directors' meeting, expecting to return tonight or tomorrow. The purpose of the meeting was to consider marketing problems and plans for the 1924 wheat pool, which will take care of a large share of the wheat crop this year. Mr. Eide was formerly president of the wheat growers' organization, that position now being held by Edward Hagen of Milan.

Employs New Butcher

Victor Mylerberg of Hallock has been engaged as butcher and sausage maker at the Farmer's Co-operative Meat market in the place of S. Holmberg, who recently resigned. F. M. Shanahan, manager, has also engaged Francis Parenteau and Herbert Meyer, the latter of whom returned last week from Montana where he was employed. Mr. Holmberg left Monday for Warren and will be employed at the Boardson meat market.

GAS CONSUMPTION IN COUNTY IN 1923 IS 694,434 GALLONS

Report of State Department Shows Large Quantity of Motor Fuel Used in Year

Pennington county used 694,434 gallons of gasoline during 1923, according to annual report of the division of oil inspection of the Dairy and Food department. In addition to this quantity of gasoline shipped to the two distributing points in this county, a total of 240,467 gallons of kerosene was used during the same period. The report shows the total amount of gasoline used in the state in 1923 to be 185,785,042 gallons and 44,115,939 gallons of kerosene.

Thirty-two of the 87 counties in Minnesota used less than a million gallons of gasoline, the reports shows. Hennepin leads the list with more than 34,000,000 gallons, Ramsey being second with nearly 23,000,0000. The gasoline consumption in Red Lake county last year was 350,854 gallons, Marshall 1,184,528 gallons and Polk 2,745,660 gallons.

The amount paid for gasoline in Pennington county in 1923 at an average of 25 cents a gallon is about $174,000.

The oil inspection department is self sustaining, the receipts from the oil companies for the fiscal year closing June 30, 1924, being $212,329 and the cost of operation, salaries and expenses, of the department amounting to $143,365.

Oscar Smith with headquarters in this city is inspector in district No. 62, incuding Pennington, Red Lake, *Lake of the Woods, and parts of Marshall*, Kittson and Roseau counties. There are 19 tank stations in the district.

Fewer Birds Killed in '23 Than Previous Year—Hunters Must Make Report

A total of 25,395 big game licenses were issued in Minnesota in 1922 of which only 16,000 were reported according to a recent report issued by the state department. The reports show a total of 11,425 animals killed, of which 6,361 adult male deer, 2,677 adult female deer, 2,168 fawn and 219 moose. A strong campaign is now on in many parts of the state for better protection for deer and it is likely that legislation will be secured along that line.

Last year only 444,956 ducks were reported, compared to 1,355,376 in 1922. Ducks totalled 2,282 in 1922 and only 928 in 1923. The total for all birds is given as 2,082,736 in 1922 and 640,245 in 1923, indicating a marked decrease in the shooting of birds during the past year. Last year 109,638 prairie chickens were reported. The season for partridge is open this year while the chicken season is closed.

The duck season opens Sept. 16, but that doesn't mean anything to many hunters who had licenses last year and failed to report the game killed as required by law.

County auditors of the state have been instructed by State Game and Fish Commissioner J. F. Gould to issue no hunting license to any applicant who had a permit last year but neglected to report to the state department. The last day for filing the report was Monday, Sept. 1.

Licenses for the season have been received at the auditor's office here and huntsmen desiring a permit can secure them from T. P. Anderson at any time. The fee is one dollar for minors as well as adults. A list of all hunters in Pennington county who failed to make their returns, and there is quite a large number of them, will be sent to Auditor Anderson this week.

Between Sept. 16 and Dec. 31 ducks, geese, coot, rail, gallinules, Wilson snipe, jack snipe, greater and lesser yellow legs can be taken, the partridge season opening on Oct. 15.

State Co-op. Sells Much Butter to Eastern Market

Shipmens of butter to New York, Chicago and Philadelphia from the Minnesota Co-operative Creameries association in July totaled 278 cars.

Of this number 228 cars went to New York, 17 cars to Chicago and 31 cars to Philadelphia. This is an increase of 31 cars over the shipments for June.

It is the practice of the Creameries association to advance the local creameries composing its membership eighty percent of the value of their shipments, the balance being paid at the end of each month. During July the advance payments to creameries amounted to approximately $1,-800,000, while the twenty percent balance at the end of the month totaled approximately $635,500.

The local co-operative creamery has not yet started shipping thru the state selling agency, altho the agreement has been signed and it is likely that the selling method will be changed within a short time. At present orders of from 300 pounds to 2,000 pounds from various concerns are being supplied here. During July about 83,000 pounds of butter was shipped from the Thief River Falls creamery and it is expected that the August report will show up as well if not better.

September Awakens Activities

With the present week is ushered in the September month when activities in school, church and social circles will begin anew after the summer period of relaxation and vacation. People are returning from vacations, teachers in the city schools are back on the job, the pupils in their seats, college and university students preparing to leave for their respective institutions and the various societies, clubs and fraternal orders making plans for a more active season. A new spirit is realy instilled into everyone as September marks the opening of the fall season.

Finds Body in River

Wm. Eichhammer of East Grand Forks, a brother of Misses Margaret and Josephine Eichhammer of this city, last Friday was instrumental in finding the body of William Healy, 16, who drowned in the Red Lake river while swimming. Mr. Eichhammer dove to the river bottom and discovered the body after an extended search had been made.

City Uses Nearly Ten Million Gallons of Water During August

Judging by the records of water consumption at the local city filtration plant one would be led to believe that August is the warmest month of the season, that month leading July by a million and a half gallons. During August a total of 9,559,200 gallons were filtered for use in the city, according to figures submitted by L. J. Erickson, who is in charge of the plant, this being the largest quantity consumed during any 30-day period since to opening of the plant in March 1923. In August last year the total reached 9,214,800, or more than 300,000 gallons less than this year's record.

Mr. Erickson believes that the fact that the sprinkling of lawns has been general the past month has been responsible for the higher figure, fair week also contributing considerably. On four days of fair week it was necessary to operate the plant for 11 hours daily, preparing 369,000 gallons each day, which is the biggest daily consumption, according to records. On four other days of the month it was also necessary to operate for an 11-hour period to meet the demands of the city. The capacity of the plant is 560 gallons per minute.

The monthly figures showing the amount of water filtered at the plant during each of the eight first months this year indicate that people here use varying amounts, especially as compared with the record month, only half as much being necessary for January. Following are the figures:

January	4,971,000 gallons
February	5,177,000 gallons
March	6,410,000 gallons
April	5,215,000 gallons
May	5,779,000 gallons
June	6,408,000 gallons
July	8,053,800 gallons
August	9,559,200 gallons

There is always a sufficient supply of water on hand in case of a fire, the capacity of the clear well, stand pipe, and reservoir being 60,000, 75,000 and 460,000 gallons, respectively, or a total of nearly 600,000 gallons. This is practically twice as much water as is usually consumed during the day. The plant is operated on an average nine hours daily, with about six hours on Sundays. The reservoirs are filled to capacity each evening.

REPUBLICAN CAMP BEGINS ACTIVITY

Pennington Co. Central Committee Appoints Precinct Chairmen and Chairwomen

The Pennington County Republican Central committee met last week to appoint chairmen and chairwomen for each precinct in the county. As some acceptances still remain to be received by F. F. Haynes, chairman, a complete list of those in charge of Republican activities in the county prior to the campaign this fall, will be made public in a later issue.

Those appointed for the four wards of Thief River Falls are: First ward, Bernhard Knudsen and ——; second ward, Mrs. Gaston Ward and W. J. LaBree; third ward, Mrs. W. W. Prichard, Jr., and P. J. Keating; fourth ward, Mrs. E. M. Bennes and O. L. Bakken. Mrs. Gust Fellman and K. O. Gigstad were appointed in St. Hilaire.

Chairman Haynes announces that a meeting of all the chairmen and chairwomen thruout the county will be called in the near future to consider matters relative to the fall campaign.

Mrs. J. H. Hardisty was appointed by Chairman Haynes as chairwoman of the county central committee.

Members of the county committee are F. F. Haynes, chairman; Mrs. Theo. Tandberg, Thief River Falls, secretary; F. A. Hall, St. Hilaire, treasurer; Chas. M. McCracken, Thief River Falls and Ed Singer, Erie.

No Defense Day Rally Here

Defense Day, Friday, September 12, will not be officially observed in this city, as no organization has as yet taken any action regarding the matter. The day has been proclaimed by President Coolidge in an effort to gain some idea of what part of the population would be counted upon for defense of the nation in case of an emergency, as a test mobilization and patriotic demonstration.

Local Girl Has Prominent Part in Valley Fair Tour

Altho not officially represented in the Red River Valley caravan to the Minnesota state fair this week, Pennington county nevertheless had a representative in Miss Anna Flekke of Thief River Falls, who took the part of "Miss Red River Valley" in a *float depicting the products of the* valley counties, which annually amount to $93,000,000. The float was particularly symbolic of the diversified farming program carried on in this section.

It is pointed out that the large representation from rural communities of Minnesota at the state fair this year reflects a brand of optimism, which can be based only on the fact that prosperity on the farms in the Northwest is assured.

Opens Recreation Parlor

Hans Finsand and T. A. Tasa are the proprietors of the new Palace recreation parlor on LaBree avenue next door to The Times in the location formerly occupied by the Ralston barber shop. The proprietors are selling candies and lunches and providing card tables as well as soft drinks.

Rev. Sweger and Family Leave For Blair, Wis.

Rev. and Mrs. T. E. Sweger and children left this city Monday afternoon for Blair, Wis., where the Rev. Sweger has accepted a call to the Lutheran pastorate there.

Rev. Sweger has been engaged in the work of the budget in the mountain and coast states and had not anticipated the call to Blair. In his work here, Rev. Sweger made a large number of close friends, as well as did his family, and members of the Trinity congregation, of which he was pastor for four years, join in extending sincere wishes for happiness in their new place of endeavor.

Mexicans In Harvest Fields

Practically all the Mexican sugar beet field workers are now employed in the harvest fields of this community, according to County Agent McCann, who states that there is plenty of labor available. The beet fields do not require much attention until next month. Quite a number of local men have left for the North Dakota harvest fields where the extensive grain fields afford employmnt for thousands.

REPORTS QUICK RELIEF FROM STOMACH PAINS

After suffering tortures for years from stomach pains, an old mother found relief through the efforts of her daughter, Mrs. J. E. McDonough, Box 99, Barronett, Wis. Mrs. McDonough writes as follows: "I can truthfully say that mother is in better condition than for five years. When she began taking Sto-li-gal she was in an awful condition. She had pains in the stomach and back and could not eat or sleep. And the doctors said all *they could do would be to give her* only temporary relief. Then I heard of Sto-li-gal and procured it for her. Now she does not feel any of the old distressing symptoms." Through the use of Sto-li-gal thousands of sufferers have been quickly relieved from the tortures of gassy, sour stomach, pains in stomach and back, indigestion, dyspepsia, shortage of breath, stomach ulcers, heartburn, dizziness, torpid liver, yellow jaundice, chronic appendicitis, gallstones and chronic constitpation. If you are a sufferer demand Sto-li-gal from your druggist. If he cannot supply you send $1.00 for a full combination treatment or 10c for a trial treatment sent postage paid by Digestive Chemical Co., 800 University ave., St. Paul, Minn. Sto-li-gal is sold in Thief River Falls by Dr. H. B. Newell and Roy Lambert's Drug Store.

WANTED—Men and women everywhere who are capable of assisting business concerns. Write or call upon the CROOKSTON COLLEGE, Crookston, Minn., and learn how you can qualify for these positions. 31tf

Completes Hospital Training

Miss Harriet Wedmer arrived Wednesday morning from Minneapolis where she completed her training in nursing at the General hospital, having affiliated from the Physicians hospital here a year ago. She will spend an indefinite time at the home of her parents, Mr. and Mrs. Carl Wedmer.

Return From Boys' Camp

William Froehlich and Richard Mabey returned last week from Grand Rapids where they spent two months at Camp Missawauka, a camp for boys conducted by Geo. Green, physical instructor in the schools of Washington, D. C. He is assisted by 12 college men who act as counsellors for the smaller groups of boys. The enrollment this year was 86, boys between the ages of 10 and 17 participating. The camp is such a popular place that reservations in some instances have to be made a year in advance. While at the camp the boys are given training in general camp life, aquatics, canoing, tramping and other activities of development, and needless to say the local youths are enthusiastic about the interesting course offered.

THEY DO

Do Want Ads "Get Results"? Would you expect to find a $10 bill thru the Classified columns a week after you lost it? But it has been done. Randal Noper, prominent dairyman of this county, lost a $10 bill one Saturday night. The following Thursday noon Mr. Noper placed an ad in The Times classified ad section. That afternoon Mr. Noper received a telephone call from the finder of the piece of currency, a few hours after he had placed the ad, and before he had received his own paper, which he gets on a rural route. Mr. Noper rewarded the finder, Ned Beiderman, $2.50, had paid 50 cents for the ad and considers himself $7 ahead on the deal.

Wedge Family Moves Here

Mr. and Mrs. P. J. Wedge and three children arrived Thursday by car from their home at Miles City, Mont., to make their future home here. They are now residing at 714 Knight avenue north. Mr. Wedge is vice president of the First National Bank which changed hands recently and a large number of local people extend a hearty welcome to the new residents.

Use Red Crown
The High-Grade Gasoline
For Perfect Motor Response

The willing start, the leap ahead, the noiseless regularity of the piston stroke, the steady purr of a satisfied engine—all these lie in Red Crown, the BETTER motor fuel.

The finer shades of Red Crown performance are due to its perfect chain of boiling point fractions. Red Crown begins to vaporize at a very low temperature, with consequent prompt and easy starting, summer or winter. Red Crown vaporizes steadily throughout the entire stroke of the piston, thus yielding smooth and rapid acceleration and maximum mileage.

Red Crown service lies in this wide flexibility. It is an ideal fuel—it not only moves the car, but it gives the driver a sense of perfect control—a thrill of power—an exhilaration due to instant and eager response.

Red Crown service represents the ideals of the Standard Oil Company (Indiana) carried into performance. It yields more power—greater economy—more mileage—manifesting in all these the aim of the Company to provide a better motor fuel.

It is available everywhere—and everywhere the same—to the man who buys 1 gallon or 1,000 gallons.

SOLITE
(REG US PAT OFF)
A Perfect Gasoline
is for the motorist who demands a little quicker action from his car and is willing to forego extreme economy.

FARM FUTURE BRIGHT

E. G. Quamme, president of the federal land bank of St. Paul, predicts that farming will be better and more profitable from now on, the upward trend to continue for perhaps thirty years or longer.

He expresses the view that farming will be the safest, best and most satisfactory business in America within the next ten years.

Everything points in this direction and as this feeling of security begins to permeate the farming industry, farm land prices are going to rise because farmers are beginning to appreciate that their possessions are rated higher than they supposed.

A billion dollar increase in the agricultural wealth of the nation in the last few weeks has been foundation enough for the renewed hope arising in the breast of the farmer.

Farm buying power is higher today than it has been for several years and indications are that it will go higher.

Farm prices are going up and commodity prices are going down. The farmer takes in more money and can buy more merchandise with the money he takes in.

He is unaffected by industrial unrest and he has no unemployment problem. Business on the farm is going ahead at full speed because there is an assured market for his products.

On the whole, the farmer has as much, if not more, reason to feel encouraged than any other business man.

SEPTEMBER IN THE COUNTRY

A few more days and then the call to return to the schoolroom will be answered by over 300,000 rural boys and girls throughout the land. Most of them will enter buildings freshly cleaned, some redecorated, to make them more pleasant and suitable "temples of learning." A few will enter new buildings dedicated "to the service of the community and to the common cause of a better life for all."

Most of this youthful throng are eager to return and join their school friends. Most of them will enter advanced grades with new fields of study to explore. Most of them will have new teachers. About one-fifth of them will be entering school for the first time. A few of them will be entering schools in new communities into which they have moved or to which they must go for advanced educational instruction.

Everything possible should be done to make the first week a red letter week for the beginners and the newcomers, to be remembered by them for the remainder of their lives. First impressions are lasting impressions. A favorable attitude towards school and community gained during these first few days will largely determine the wholeheartedness with which these pupils will enter into cooperation with the school and its enlarged society.

Just as first impressions largely determine the attitude of the pupils so do they affect the teacher. The teacher should become an intergral part of the community during her period of tenure. Most teachers realize this and are glad to respond to the welcome extended them by the community. The teacher will not only be happier but she, in increased service, will repay the community for any efforts expended in her behalf.

The St. Hilaire Spectator, a Pennington county booster, ventures the statement that "sugar beets are growing so large around here that growers are seriously contemplating getting stump pullers to hoist them out when they are full grown." Brother Gunstad may be exaggerating a bit, but anyone taking a look at the beet fields here will admit that no crop grows any better, nor do beets grow any better anywhere.

"The next time you get into trouble and the newspaper gives you the front page remember the paper did not get you into trouble—it simply recorded it," says the Warren Sheaf. If you don't want unfavorable publicity don't get into trouble.

"The glory of a woman is her hair," is an old saying. This may be true but most of the women in Thief River Falls prefer comfort to glory. Long tresses will soon be a curiosity on the streets here.

A good man can force himself ahead almost anywhere except in a traffic jam.

People who think they are sick greatly outnumber those who really are.

One of the rudiments of domestic science is to know how to throw a rolling pin straight.

A good fur felt hat has a lively, resilient "feel"—run your hand over your new Lanpher and you'll get the idea.
The low price gives a pleasant reaction, too.

WHEAT GROWERS OF MINNESOTA EXPECT BIG CROP RETURNS

Ten Thousand Members of State Co-op. Will Market 8,000,000 Bushels in Pool

Minnesota Wheat Growers this year have the first opportunity they have ever had to test out the real value of cooperative marketing with a substantial volume of the crop under control.

The Minnesota Wheat Growers' Co-operative Marketing association is entering the 1924 crop year with ten thousand members enrolled in the ranks, and with approximately eight million bushels of wheat signed up in the state pool. That is nearly forty per cent of the entire spring wheat crop in Minnesota this year.

Last year this association was organized, and it entered the 1923 marketing season with but few members and handled only a small port of one-half million bushels of wheat. Yet the existance of this new organization had an effect upon the market that was felt by every farmer in the state, according to W. H. Frederick, secretary of the association.

"During the 1923 crop year," says Mr. Frederick, "for the first time in the history of the grain trade in Minnesota, country elevators paid a premium of two to eleven cents over the station card price for wheat, averaging five cents throughout the state. This premium brought an added income of one million dollars to the wheat growers of Minnesota. It never would have been received if the wheat growers' association had not been in the field.

"This year the association has a sufficient volume of business to be a real factor in the market throughout the season. With nearly forty per cent of the Minnesota crop signed up in the pool, and with practically one-third of the entire spring wheat crop signed up in the four state pools of Minnesota, North and South Dakota, and Montana, the wheat growers of the Northwest are really coming to the point where they will have something to say as to the price their product shall bring."

The organization offices of the Minnesota Wheat Growers Co-operative Marketing association, which have been located in Thief River Falls since the inception of the organization in May, 1923, have been moved to Minneapolis. The change was made to co-ordinate the work of the state and national associations and because Minneapolis is a more logical center of Northwest business, nearer markets and more convenient to association members. The pool offices are also located in Minneapolis and by operating the organization headquarters in conjunction considerable economy will be affected.

The transfer of the organization headquarters removes from this city three families. G. W. Connell, will continue in charge of the organization activities and W. H. Frederick remains secretary, while L. R. Roberts, Misses Elsie Sundahl and Dagny Tharaldson are retained in the office in the new location, 400 Corn Exchange building.

WOOL RECEIPTS ARE HEAVY THIS SEASON

Co-op. Association Buys Much Wool in State — Producers Here Sell to Local Buyers

Latest reports from the Minnesota Co-operative Wool Marketing association show that to date the association has received approximately 300,000 pounds of wool during the season of 1924. This wool has been received from practically every county in the state.

According to R. E. Jones, Manager of the association patrons throughout the state have received an average net price f. o. b. Wabasha of from 39 to 40 cents. Reports received by the association from county agents and secretaries of county wool associations in 36 of the principal wool growing counties of the state indicate that the season's prices paid by local dealers average 32 to 32½ cents. A few of the counties assembled their wools into a pool in the county and sold at auction to the highest bidder. One sale was made at 33 cents and another at 33½ cents for the clear wools and 29¼ cents for the rejects.

Most of the wool produced in Pennington county this season was sold to local buyers, according to reports. The Northern Trading company of this city, which reports an extensive wool business during the past season, bought approximately 50,000 pounds in this locality, of which about 30,000 pounds was sold by Pennington farmers.

The largest wool receipts in this county according to the Northern Trading company, were received by Krist Larson, east of Thief River Falls and Albert Johnson, just south of the city. Larson, who has about 400 sheep, clipped 260 head averaging about eight pounds of wool from each, producing a total of approximately 2,000 pounds, for which he was paid more than $600. Johnson clipped 170 sheep, from which he realized close to 1300 pounds.

The wool produced here is said to be of exceptionally good quality, according to buyers. Many farmers in this vicinity have greatly increased their flocks during the past year and are getting good returns.

A crew of men arrived at Holt last week to begin construction of the high line which will connect with the present line about a mile south of Newfolden, and then run east to Mrs. O. J. Backlund's farm and enter the village on the east side so as not to interfere with the telephone lines.

Glycerine Mixture Prevents Appendicitis
Simple glycerine, buckthorn bark, etc., as mixed in Adlerika is excellent to guard against appendicitis. Most medicines act only on lower bowel but Adlerika acts on BOTH upper and lower bowel and removes all gasses and poisons. Brings out matter you never thought was in your system. Helps any case gas on the stomach in TEN minutes. F. J. Stebbins, druggist.

ON VARIOUS TOPICS

By Martin Widsten in Crookston Daily Times

There has been nothing on the sport page about the great race now going on between King Corn and Jack Frost. But there are a great many people watching the outcome, and the stakes run into the millions. King Corn is the hero and Jack is the villain, and everyone is rooting for Corn.

August Sixteenth—and the two days before and after—have always been crucial dates in agriculture in the Red River Valley. The first frost of the season may be expected at that time. Somewhere in the machinery that controls the weather there is a cog that turns on a draft from the ice house about the middle of August. Years ago it used to be more regular, and the corn and cucumbers used to get theirs at that time, but of late years it seems to have moderated somewhat. When that period is past it usually runs along into September before there is another frost period.

Reports are that the August frost got considerable of the corn in the higher altitudes to the east and northeast, but as far as we have heard there was little damage in the valley. Frosted corn can be saved for fodder by cutting it immediately before the sap runs back in the roots.

Not all the corn that looks wilted has been hit by frost. On some of the high ridges it grows along in the sand quite well until it gets ready to grow at high speed. Then there isn't nourishment enough in the soil to keep up the speed and the plant wilts. A corn stalk that gets to growing three or four inches a day must have something to grow from.

Calvin Coolidge has presented a sap bucket to Henry Ford, and Henry says he appreciates it more than anything he has ever received, except Mrs. Ford. Henry has the biggest automobile plant in the world, but has never been quite satisfied with his possessions. He has never known exactly what was lacking, but has now discovered that it was a sap bucket. This defect having been cured Henry should now find permanent happiness.

Has Mr. Coolidge consulted the corrupt practices act, which strictly regulates what a candidate for office may hand out as gifts? If he hasn't he may have La Follette contesting the election on the ground that Calvin wilfully and unlawfully presented a sap bucket to Mr. Ford in an effort to influence his vote and that of Mrs. Ford. Call in the legal experts.

Looks as if America will have to be the trustee and umpire of Europe, as well as its banker, before there can be settled conditions there. Looks as if Woodrow Wilson was right about that, but we were unwilling to see it at that time. Time seems to have demonstrated that we can not escape from it.

You will hear of thirty and forty bushel per acre yields of wheat, but it is well to recollect that an average of twenty-three bushels per acre is the most that ever happened. That was in 1895. The next highest figure was eighteen bushels per acre in 1918.

We have now had plenty of cold summer weather and much rain, and if the average holds out—as it generally does—we should have a dry and warm fall. The average temperature does not vary more than two or three degrees from year to year and the rainfall does not vary more than three or four inches. We are furnished with approximately the same amount each for every year, and it is merely a matter of how and when it is delivered.

The potato crop appears to have gone and done it again. Last spring it was confined to a smaller acreage, with the main idea that less bushels would be produced, and a higher price realized. But Mr. Potato just got up and raised more bushels than before on the smaller acreage. He's Irish, and hard to control.

Farmers and business men are not the only ones that are pleased with the big crops this year. You hear the railroad men—who are supposed to have the world by the ears—rejoicing because there will be less waste time and more working hours for them when the new crop gets to moving.

Standard Force to Lake

Members of the Standard Oil company's force including C. M. Greene, Ole Ness and wife, Albert Swanson, Bernard Sundahl, David Christensen, accompanied by Miss Edna Christensen and Miss Anna Majeres, motored to the Red Lake narrows Sunday for the day.

Tearing down one industry never builds up another one.

PublicForum

Wants Bank Guarantee Law

Editor Times:

Will you kindly permit me to bring the matter of a Bank Deposit Guarantee Law before the public through the columns of your paper. Legislation providing for sound and thorough banking inspection and regulation together with some system of a Depositors Guarantee Fund is one of the big, vital questions of the day and of the campaign. It seems that an effort is being made in some quarters to evade and ignore this big, vital question and perhaps to trick the people once more. The question is no longer a partisan one as both the leading parties have at different times expressed themselves favorably. It is now simply a question of getting down to brass tacks and getting definite assurance or pledges from our Gubernatorial and Legislative candidates on the subject.

We have so far seen no definite, clear-cut statement from Floyd B. Olson and Theodore Christianson as to where they stand on this matter. It is now up to them to make a clear cut statement as to their attitude towards this legislation. Will you if elected Governor recommend a Guarantee Fund in your message, and sign the law if passed? The thousands of depositors in the failed banks of Minnesota in particular, and the voting public in general want to know just where our gubernatorial and legislative candidates stand on the question of banking legislation. The day is past when candidates can come around with vague and indefinite promises, and then when elected start to duck, dodge, evade and give excuses for doing nothing. The public wants definite statements from the candidates on this question, for the performance of which the candidates can be held accountable at the next following election. We want these *statements to come from the various* candidates themselves, and not from their managers.

This legislation does not necessarily need to become effective at once. It can be so farmed as to take effect in a year or longer. The banks will need time to adjust themselves to the new requirements. The careful banker who does a sound business and makes safe and well secured loans has nothing to fear from adequate inspection and regulation and a Guarantee Fund. To him it will be an advantage. It will mean a restoration of confidence and good will. To the Northwest it will mean at least a partial restoration of prosperity. There is plenty of money in the Northwest if the banks could only get it. Until legislation has been provided to grant safety and protection to depositors there will be no confidence. The shameful inadequacy of the present banking law becomes all the more apparent when we know that the banks are required to give a bond to towns, counties, cities and villages to get their money, but the private or individual depositor gets no protection. The banks should require security, and they should give their depositors security. The private individual depositor needs protection as well as towns and counties, etc.

Let's hear from Olson, Christianson and our legislative candidates.

Yours truly,
H. O. Berve.
Germantown, Minn.

A Few Thoughts

Dear Editor The Times:

With your kind permission I would like to give expression to a few thoughts in your valuable paper. I am glad the pastors of the Thief River Falls churches are warning against wildness on Sunday and are encouraging their respective flocks to attend the means of grace divine worship on the Lord's day.

Having spent the best part of my life in the Christian ministry I can sympathise with them as they feel the great responsibility of the souls committed to their charge.

All Sabbath disecration should cease. For we can not violate God's command but what He will hold us accountable for the same at some time. No matter what our little excuses are the immutable law of God remains. "Be not deceived for God is not mocked: for whatsoever a man soweth, that shall he also reap."

There is no better recreation for the body and mind then after six days of hard work to attend the church of your choice to worship God in spirit and in truth, say nothing of the spiritual blessing that comes to the poor soul.

It is gratifying to note the honest effort that our county attorney and sheriff are making to uphold the civil law and bring all transgressors to an accounting. This no doubt is at times an unpleasant duty to perform. They therefore deserve and should have the hearty support of all churches and every right minded citizen.

How much better it would have been if those Chicago murderers, Leopold and Loeb, who killed an innocent school boy, if they had obeyed the civil and divine law. Surely the way of the transgressor is hard and the wages of sin is death.

Henry Pope.

POTATO WAREHOUSE IS BEING PREPARED

Members of Exchange will bring Potatoes to Oen Warehouse—Crop Indications Good

Arrangements have been completed by the Minnesota Potato Growers' Exchange for the leasing of Rasmus Oen's warehouse on the Soo tracks for the use of Exchange members in the vicinity of Thief River Falls. It is expected that a sorting machine and other necessary equipment will arrive this week so that every thing will be in readiness for properly handling the local potato crop when digging starts in two-three weeks.

Henry Liden of this city has been secured to have charge of the warehouse during its operation, the potatoes to be weighed and graded before loading takes place.

Big yields are expected by growers in this locality, some making estimates of as high as 200 bushels an acre. It is estimated, however, that the average will run between 100 and 150 bushels an acre, the potatoes to be of very good quality, according to present indications. The potato harvest has already started in the southern part of the state.

"Gopher Brand" is the name under which the Minnesota Exchange will sell spuds for its members, steps now being taken to register the brand and copyright the design. Every possible precaution will be taken to establish this brand of potatoes as a quality product on the markets of the country. Only the best potatoes delivered by members will be allowed in these sacks and they must come up to specifications which make the grade better than U. S. No. 1, according to announcement this week. Two separate designs have been adopted, one for potatoes from the sand land and central section and one for the Red River valley.

The Exchange recently completed negotiations for a loan of $36,000, obtained from the Agricultural Credit Corporation. Notes taken from members during the organization campaign were given as security. This money is being used to meet operating expenses.

Arrangements are under way for the erection of a temporary potato warehouse at St. Hilaire by members of that community.

The Peterson-Biddick company is also preparing to do a large potato business here this year, a warehouse with a capacity of at least 25 carloads of potatoes having just been completed. Their plan is to make a special effort to buy up the California Burbank production in this locality which is not contracted with the exchange, arrangements having been made for a very favorable market for this variety, according to Mr. Biddick, manager of the local plant.

Power House Being Built

Work on the new power house being erected by the Red River Power company at Red Lake Falls is progressing rapidly, according to The Gazette. Concrete for the footings and turbine chambers has already been poured and reinforced concrete floor constructed on the ground level, the remainder of the building to be of brick.

Two turbine generators of the umbrella type, each of 375 kilowatts capacity, will be installed.

You, Eligible
If you want a good position, a real, worth-while position; if you want to earn a bigger income; if you want clean, dignified, uplifting, permanent employment; if you want to live well, dress well, have a few of the comforts of life now; if you want to associate with successful men and women—take a course at Aaker's Business College, Grand Forks, N. Dak., and you can accomplish every one of these things. Send for catalog. 29c

The Significance of "Cracking"
THE Cracking process was responsible for 1,850,000,000 gallons, or about 21% of all the gasoline produced in 1923.
A large portion of this 21% was produced by the Burton Process, developed in the laboratories of the Standard Oil Company (Indiana).
While the production of crude oil during the past ten years has trebled, the demand for gasoline has far outstripped the increased production. "The real factor in holding down the price of gasoline", says the Oil and Gas Journal, "has been the refiners who produced 6 times as much gasoline, from 3 times as much crude.
"In accomplishing this result, the biggest single factor has been the use of cracking plants—and in the future, cracking will be an increasingly important factor as the most direct and immediate means of holding down the price of gasoline."
Since so much of the gasoline produced by cracking in the United States, is cracked by the Burton Process, it is obvious that the service rendered by the Standard Oil Company (Indiana) is great.
Until 1913, when the first patent for the Burton Process was granted, "cracking was a lost art; an idea that had never been worked out from a chemical standpoint—that had never been developed from an apparatus standpoint—that had never been utilized from an industrial standpoint."
Of the cracked gasoline in the United States produced by other processes than the Burton, it is worth noting that none of these cracking processes had developed to the point of producing cracked gasoline in appreciable quantities before 1920, or even 1922.
The Standard Oil Company (Indiana) has always led the oil industry in progressive development — in economy of operation—in conservation of oil—and in continually lowered cost of refining.
The result of these aggressive and constructive services is the essentially low price which motorists pay for gasoline.
The Standard Oil Company (Indiana) is a real conservationist. It originated those processes which get more gasoline from less oil and hence keep consumers supplied at lower cost.
Every operation of the Standard Oil Company (Indiana) is based upon a deep regard for public welfare—upon the desire to render maximum service to the community. The Burton Cracking Process is but one of many inventions, originating with this Company, to conserve our natural resources—to render a greater service to the thirty million people of the ten Middle Western States.

NOW—
It's Economy to Trade Your Old Tires For FULL-SIZE
Firestone
BALLOON GUM-DIPPED CORDS
The Mark of Quality
BECAUSE Balloon Gum-Dipped Cords reduce your repair bills and lower fuel costs, increase tire mileage, car life and the resale value of your car.
These are strong statements but are backed by actual facts.
Balloon-equipped test cars and taxicabs have now been driven over 5,300,000 miles, under Firestone supervision and show reduction in fuel consumption, and less delay, because of fewer punctures and quicker starts and stops.
Many leading automobile makers have standardized on these full-size Balloons—pioneered by Firestone and made practical and economical through the special Firestone gum-dipping process.
Over 100,000 motorists are today using and enjoying the satisfaction of genuine, full-size Balloon Gum-Dipped Cords.
In fact, in three months the sales of Firestone Balloon Gum-Dipped Cords increased 590%.
Have your car equipped now—for comfort and for the safety of driving this Fall and Winter. Be prepared for mud holes, frozen ruts, dangerous snow and ice. We can equip your car immediately at the new low prices now in effect.

OBSERVANCE OF DEFENSE TEST TOMORROW EVE

Appropriate Exercises at Princess Theatre on National Defense Day Sept. 12

CHOMMIE WILL SPEAK; EXPLAINS PURPOSES

"Fire Drill" For Entire Nation to Ascertain Resources in Case of Emergency

Defense Test Day will be observed in Thief River Falls tomorrow, Friday evening, in a manner appropriate to the spirit of such an occasion, a program having been arranged to be given at the Princess theatre at 8 o'clock, the auditorium being occupied for that evening.

H. O. Chommie, local reserve officer who will deliver the main address at the exercises here, makes the following explanation of the observance, which is general throut the entire United States following a proclamation by President Coolidge and governors of the respective states:

"Defense day September 12th, has two main objects, namely: Patriotic demonstrations and test mobilization. No true citizen can take offense at either. Both depend upon the civilian rather than the soldier. It is proposed to have meetings, parades, prayers for national welfare, patriotic music and addresses, pledges of loyalty to the country and its institutions, and such other forms of patriotic celebration as the local committees may choose.

"As to the second object, it is in effect a 'fire drill' to show how readily and how efficiently the various military units can be mobilized in an emergency. Under the National Defense Act of June 4, 1920, the United State now has but one army. It includes the regular army, the National Guard and Organized Reserves. Each component part is so organized that the whole may be used effectively as one combined force, should an emergency so require. Plans for their combined use and service are made. Defense Day provides merely a test for these plans. These plans involve the rendezvous place of each unit, a equipment needed, food for the men, hospitals, recruiting, etc. To test these plans, to find out if they are feasible, the President of the United States has ordered a "Defense Test."

"In a democratic country no one will look after our defenses for us. All citizens must co-operate. The matter of defense is the duty of each citizen—and it should be a matter of pride for all to participate in the observance of Defense Day—not to further war or promote militarism but to insure peace and the safety of our country and its institutions."

Members of the committee in charge of observances here are: H. O. Chommie, chairman; Mayor J. S. Arneson, Postmaster Daniel Shaw, Morris Bye, Dave Robinson and W. W. Prichard, Jr.

The following program has been arranged:

Opening Remarks, Mayor J. S. Arneson.
American Creed and Prayer, Rev. Chas. Gerlinger.
Community Singing — Maude L. Johnson, director.
Address, H. O. Chommie.
Community Singing.
Pledge of Loyalty.
"The Star Spangled Banner."

PROGRESS REPORTED IN REORGANIZATION OF CITIZENS BANK

Depositors Signing up Agreements for Reopening. Should Make Returns at Once

W. W. Prichard, Sr., in charge of reorganization work connected with the reopening of the Citizens State Bank reports satisfactory progress. The returns from the "Depositors Reduction Agreement" sent out to depositors by the committee are coming in rapidly from points in Canada, North and South Dakota, Idaho, Colorado, Wisconsin, Illinois and various points in Minnesota, in addition to those returned by local persons.

Personal letters enclosed warmly endorsed the reopening plan and express earnest desire to see the bank open again for business.

The state banking department and depositors' committee have agreed further extension of 30 days from Sept. 12. The committee desires to impress upon the depositors the fact that they should sign and return the agreements at once. There are many details to look after and the committee is trying to keep the expense account as low as possible. Delay upon the part of the depositors in signing up will add additional work and expense. It is urged that the committee be assisted by prompt return of agreements.

Haugen Brot Back by Ihle On Carnal Knowledge Charge After Forfeiture of Bonds

Herbert Haugen, charged with carnal knowledge and who disappeared and forfeited $600 bonds before the last term of district court, was brot back to this city Monday evening by Sheriff O. L. Ihle. He was located in the twin cities, where he has been for some time. He will be held at the county jail until a hearing before Judge Grindeland is held and will then likely be released on bonds or in the event bonds are not secured, will be committed to the jail at Warren until the next term of district court.

Karlstad Delegation Met By Local People While In City on Social Tour

Thief River Falls was the noon stopping point of the Karlstad sociability tour Sunday and the reception given by the men of this city who turned out to greet them was greatly appreciated by the visitors.

The tour, consisting of thirty cars of Karlstad residents, was headed by Mayor Elmer A. Olson of that village. The Karlstad band furnished music for the event and P. Olson and Tollef Nelson of Karlstad furnished entertainment by their clownish antics. Ted Low and the Ted Low Tumbling trio were also a center of attraction and a source of much amusement.

A number of members of the Commercial club accompanied by their wives gave them a hearty welcome at the tourist park, and treated the bunch to coffee, cream and ice cream. The neighbor city delegation expressed their approval of the hospitable attitude of Thief River Falls and say they will be glad to have an opportunity to make another such tour with this city as their noon stop.

Other towns visited on the tour were Strandquist, Newfolden, Holt, Middle River, Strathcona, Greenbush and Pelan.

POULTRY ASS'N GETTING READY FOR BUSINESS

Co-operative Marketing Unit To Start Operations in This City Next Week

OPENING IN HALL BROS. BUILDING ON HORACE AVE.

Membership Nearly Up to 1,000 Mark—Neset Becomes Director of State Assn.

Actual operations of the Thief River Valley Poultry association will begin in this city Septemer 15 according to a decision of the board of directors which met at the Commercial club rooms Tuesday evening to take up matters relative to beginning operations.

Eggs will be received at the building formerly occupied by Hall Brothers, at 315 Horace avenue, the 15th, according to B. O. Norby, manager, and about the 18th or 19th the association will be in a position to handle poultry. The branches in surrounding towns will be opened as the association is able to handle the business and members in each locality will be notified by the officers of the association when operations in their respective sections begin. When the new creamery is completed quarters will be provided there.

Burhart Employed

At the meeting Tuesday evening, Ira Burhart, poultry expert, was employed by the association to grade and ship at the local house. Mr. Burhart had 15 years experience with the Eaton Produce company at Rochester and five years experience with the Northern Produce company and comes highly recommended. Eggs will be graded as to both freshness and weight.

Enters State Assn.

The local organization has also joined the state association which will have charge of the selling of the produce. Olaf Neset, prominent poultry man, and president of the Thief River Valley unit, was elected to the board of directors of the state organization to represent the local association. Membership in the association has gone above expectations an now includes about a thousand poultry raisers and everything bids well for a successful enterprise. The selection of Thief River Falls as headquarters for this organization which embraces several counties will add considerably to the city.

Chartering of Special Car to Legion Meeting Pending, Chommie Says

Whether or not a special sleeper will be chartered on the Soo Line by local Legionaires in attendance at the National Legion convention in St. Paul next week, will depend upon the immediate response from Legion men in this city and in other towns in this section, to which invitations have been extended to participate, according to H. O. Chommie who is chairman of the committee in charge of arrangements.

So far the necessary number of 25 passengers for a special rate has not been secured but it is hoped to line up enough delegates to make the chartering of the sleeper possible. Reservations are made with Mr. Chommie. A number of representatives of Eklund post are planning to take advantage of this opportunity to attend a national convention at a small cost and demonstrate to other Minnesota posts that this city is showing interest in Legion affairs and worthy of patronage when the state convention is held here next year.

According to arrangements with the Soo Line a sleeper can be chartered from this city for five days at a cost of $21.64 each for round trip fare and berth, providing 25 occupants are secured. If more are added the cost will be less, the total costs being as sleeping quarters by members of the delegation during their entire stay $641. The Pullman berths can be used at the convention and means a big saving.

It is pointed out by Chairman Chommie that delegates from this city or surrounding towns who expect to go to the convention should notify him as soon as possible, as the car is scheduled to leave Sunday night.

The great trouble with most of us is that we feel at home every place but home.

EDUCATORS OF N. W. MINNESOTA TO MEET HERE

About 500 Delegates Expected to Attend Convention of Educational Assn.

NOTED SCHOOL MEN TO ADDRESS MEETING

Local Teachers Will Take Prominent Parts in Round Table Discussions

Fully 500 teachers from this section of the state will invade Thief River Falls on October 8, 9 and 10, the dates set for the annual meeting of the Northwestern Division of the Minnesota Educational association, according to Morris Bye of the local high school, secretary of the association. Members of the executive committee consisting of Miss Clara Guldingsrud of Gully, formerly of this city, acting president, Secretary Bye, Supt. I. T. Simley of this city, Supt. Nels Engen of Warren and Supt. C. H. Orrison of McIntosh, are now busy making preparations for the gathering which will be of much importance and interest to everyone concerned with education.

The three day session starting Oct. 8 includes a strong program of instruction and entertainment, and an effort is being made to get a record attendance of pedagogues throut the district. General sessions will be held in the city auditorium to which the general public is invited, and round table discussions and sectional meetings will take place in the high school building, where problems of particular importance to each group will be aired out.

Prominent Speakers Coming

Among the features of the convention will be addresses by prominent educators and representatives of the state department. On Wednesday evening Edgar W. Everts, state director of physical and health education in Minnesota, will discuss phases of his work and on Thursday an address will be delivered by W. J. Osburn of the state department of education of the Wisconsin university, and by Miss Anna Swenson, inspector of rural schools. C. G. Schulz, secretary of the Minnesota Educational association has been secured to discuss the "revised teacher annuity plan," and on Friday Prof. Knight of the University of Iowa will address the convention.

Entertainment features of the convention are being prepared by Maude L. Johnson, music instructor in the city schools, and Clara Bauman, physical training instructor, and assurance is made that this part of the program will be well taken care of. A reception will be given association members on the evening of the first day.

On Thursday afternoon section meetings will be held as follows: Secondary, headed by Supt. J. Hamre of Erskine; elementary and rural section, Miss Myrtle Roseland, Newfolden.

Miss Carolyn Melby of this city will lead the round table discussion regarding primary instruction; C. W. Pope, instructor in the high school here, will lead the discussion on agricultural and industrial training, the others being assigned as follows: Grammar, Martha Dallman of Red Lake Falls; music and art, F. I. Schweppe of Crookston; recreation, health and physical training, P. H. Schmidt of Crookston. The chairmen for science and mathematics and home economics have not been named as yet.

Athletic Ass'n. to Meet

The annual meeting of the District High School Athletic association will be held Thursday afternoon to elect a new district committee, adopt rules and arrange the basket ball schedule for the coming season. In the evening the school masters' banquet will be given, an event of much interest to the male membership of the association.

Convention visitors will see the Bemidji foot ball team clash with the locals on Friday afternoon.

The northern division includes the territory from the border as far south as Mahnomen and from the Red river as far east as Fosston. Rural, graded and high school teachers from every town and community in this territory are expected to attend and the citizens of Thief River Falls will be asked to co-operate in providing accommodations for the visitors.

Aaseby and Burstad Also Sell Gas at 18c Per Gal.

Gasoline is now selling for 18 cents a gallon at two Thief River Falls service pumps, the Aaseby and Burstad garage having made arrangements to get gasoline delivered here from Alvarado at 16 cents a gallon, enabling them to retail the motor fluid at 18 cents. As was announced last week the McFarland Auto company is also retailing at their pump at 18 cents a gallon.

Announcement is made that the 15,000 gallon tank ordered by the city for a municipal station has arrived and selling of gasoline at the reduced price may be started next week, according to statement by Mayor J. S. Arneson. The city is awaiting a shipment of oil and the establishment of a station on Main avenue near the Great Northern tracks.

Prominent Winnipeg Men Here

R. D. Waugh, ex-mayor and head of the liquor commission in Winnipeg, W. F. Tallman, commissioner of streets and a Mr. Brown, for the past forty years city clerk in the Manitoba capital, visited with Postmaster Daniel Shaw last Friday on their way to points south of here. They stated that the crops in Manitoba this year are excellent, large yields being reported where threshing has been completed.

NEW RUST RESISTANT OATS VARIETY GIVES BIG YIELD

Harvesting 105 bushels of oats from but two bushels of seed sounds quite impossible but it was done on Alfred Flattum's farm, near the city, the crop being threshed the other day. The seed producing this enormous yield is of a rust-resistant variety recently developed at the Northwest experiment station, Crookston, where Mr. Flattum secured it last spring and is believed to be the first tried in this county. If it gives consistent yields like that on the Flattum farm it should prove a popular variety. Mr. Flattum reports the oats to be of very good quality.

Threshing operations have been halted in this community by rainy weather this week but reports from those who already have threshed are to the effect that excellent yields are general thruout the community and the entire valley section.

Killing frosts visited this section the first of the week and did considerable damage to corn, buckwheat and flax. Corn is now being cut but the yield is small, this being one of the most unfavorable seasons in years.

GETTING READY FOR PUREBRED HOLSTEIN SALE

Pennington Breeders Offer 40 Purebreds for Dispersal Sale Here October 1

MANY OUTSIDE BUYERS EXPECTED TO ATTEND

Twenty Cows, 12 Heifers and 8 Sires From Finest Herds in State Consigned

October 1 is the date set for the third annual consignment sale by the Pennington County Holstein Breeders association, at which time 40 head of purebred Holsteins from some of the best herds in the county will be sold. As the event is one of the most important of its kind in the entire Red River valley it is expected that a large number of buyers from distant points will be on hand to bid on the high class animals consigned for absolute sale by Pennington breeders.

Extensive preparations are made for the affairs, which promises to excell last year's both in quality of cattle and interest among buyers, according to M. T. McFarland of this city, secretary of the association. Advertising material is being distributed in various dairy sections of the state, the reputation established by breeders of this county attracting buyers from near and far.

Animals From Best Herds

Forty head of registered purebred Holsteins from herds owned by Waldie Christensen, V. C. Noper, S. E. Hunt, J. H. Hardisty and Son, M. T. McFarland and Casper Wiener of Thief River Falls, and Gus and Oscar Wilson of Plummer are included on the consignment list. The group consists of 20 heavy springers and fresh cows, 12 heifers and eight sires, all of the highest pedigree. Among the animals offered are show ring winners, calf club winners and A. R. O. cows. The consignors have a reputation of having herds equal to the best in the state.

The sale will take place at the sales pavilion on the fair grounds, with Borgie and Eukel as auctioneers and Albert Lonson of the Farmers and Merchants State bank as clerk.

EKLUND POST TO BE ASSISTED BY STATE LEGION COMMITTEE

Morlan Bishop Appointed Member of State Group to Aid in Convention Plans

Morlan H. Bishop of this city, prominent in Minnesota Legion circles and live-wire member of the Elmer J. Eklund post, has been named by State Commander Edwin Lindell of Minneapolis as a member of the preconvention committee, the purpose of which is to co-operate with and assist local committees in making arrangements for the 1925 convention to be held in Thief River Falls.

The other members of the committee are J. K. McCarthy of Detroit, chairman; P. M. Weyrens of St. Cloud, first vice commander for Minnesota; Stafford King of St. Paul, department adjutant; and Commander Lindell. This group comprises some of the most capable members of the Minnesota department, all of whom are hard workers. Their selection will mean much towards the success of the great convention next year. Mr. Bishop was notified of his appointment Friday.

Tentative appointments for the 15 or 16 local committees to have charge of convention arrangements have been made, announcement of which will be made as soon as they are approved by Commander Lindell, who is expected to visit Thief River Falls to meet with Eklund post members shortly after the national convention in St. Paul.

"The ball will be kept rolling from now on until convention time next year," declares Oscar Smith, commander of the local post.

Attention Legionaires

A regular meeting of the Elmer J. Eklund post of the American Legion will be held tonight at the Legion quarters and every post member is urged to attend, according to Commander Oscar Smith.

ENROLLMENT IN LINCOLN HIGH BREAKS RECORD

Attendance Reaches 395 at Close of First Week—More Than 20 Added This Week

ABOUT 100 GRADUATES EXPECTED NEXT YEAR

Total Enrollment Same as Last Year—School Nurse Has Fine Record of Service

Thief River Falls' public schools last Friday closed the first week with exactly the same enrollment as last year at the corresponding time, namely 1314 pupils, with a decrease of 52 pupils in the grades but an equal increase in the number enrolled in Lincoln high school.

Attendance at the high school will break all records for the term if present figures are any indication. At the close of the first week the enrollment had reached 395 in this department, the highest figure at a corresponding time being 349 in 1922. Enrollment at the end of the first week last year totalled 343 and in 1921 only 325, showing a marked increase this year. On Monday Morris Bye, principal, reported more students on the rolls.

Largest Senior Class

Enrollment in the high school up to Friday was divided as follows: Post graduates, 29; seniors, 89; juniors, 66; sophomores, 79; freshmen, 132. With a total list of 32 post graduates in the normal training department and about 90 seniors the 1925 graduating class of perhaps 130 will easily be the record class as to number in the history of the school. The largest class so far numbered 82. Last year's class consisted of 67 seniors and 15 post graduates. The freshmen are also more numerous this year than ever before, to a large extent due to the mid-year entrants who are classed in that division. About 30 freshmen are not graduates from the city grade schools but came from the country districts or surrounding towns, states Principal Bye. Tuition of $7 a month for each outside student is paid by the state.

With the addition of students who enroll late, of whom there are always a few, the high school will be decidedly crowded, but the work is being carried on very smoothly in spite of the congested condition, declares Superintendent I. T. Simley.

Enrollment By Buildings

The enrollment in the various schools of the city Friday as reported by Supt. Simley follow: Central, 200; Knox, 242; Northrop, 292; Washington, 185; Lincoln, 295; Total 1314.

It is of interest to note that enrollment in the first grade is considerably below normal, said to be caused by the war period.

Get Early Start.

Not only did students enroll promptly this year, declares Principal Bye but they were also put to actual routine work on the morning of the second day in school. The advance registration system is working out very well, the programs for all the high school students enrolled last spring and during the summer having been made out before the opening day by Principal Bye, making it possible to go thru the entire daily schedule the first afternoon. On the second day children were at their desks performing the regulth routine work.

Supt. Simley and the principals of the various schools are unanimous in stating that the outlook at present promises one of the most successful terms in the history of the district, everything running like clockwork. Mr. Simley states that he is highly pleased with the enthusiasm and pep shown at the outset by his staff of assistants and the spirit of co-operation manifested by the patrons.

School Nurse Coming.

With the coming of the school nurse, Miss Ida Dahl of Grafton, N. D., who will arrive this week, the faculty will be complete. Miss Dahl comes here highly recommended as a competent public health worker, having excellent training and being particularly fitted for the position for which she has been selected.

The new member of the staff has a splendid record of service. She taught school for a year and a half and entered the St. Boniface hospital training school for nurses in Minneapolis, graduating from that institution in 1918. After doing private nursing for a while she spent a year as army nurse in a training camp, after which she served the Red Cross as instructor in home hygiene and care for the sick in Meeker county, this state, later being named public health nurse in the county. During part of 1921 and 1922 she served the American Red Cross in Czecho Slovakia and helped in relieving the terrible condition of that country.

Upon her return to this country Miss Dahl resumed public health work in Meeker county until last year when she held a position as school nurse for the cities of Medford and Ashland, Oregon. The local school authorities feel fortunate in engaging such a well qualified person to perform this very important work in the public schools of this city.

Check Artist Apprehended By O. L. Ihle and Arrested On Aitkin County Warrant

Walter Hanson, alias Jean Boner and A. J. Barnes, check artist of Soldier, Iowa, was arrested by Sheriff O. L. Ihle Wednesday, last week, at Middle River after several offenses of forging checks.

Warrants were forwarded by the Aitkin county sheriff and the young man turned over to the Aitkin officials. The young man is reported to be guilty of several other similar offenses.

School Board Convenes in Long Session Monday Night

Many routine matters were considered at a lengthy session of the school board of District No. 18 Monday night, the meeting lasting until after midnight. The budget for the coming year was considered but will not be decided upon until the board meets again in special session. Annual reports were also gone over and the complete system of state aid and school support explained to board members by Supt. I. T. Simley.

C. C. Keller, farmer near the city, was engaged to drive the school bus at $64.50 a month, bids being received for the job.

Heretofore teachers in the city have been granted nine days sick leave and one day for visiting during the term, but at the meeting Monday the board decided to change this to five days for sick leave and one day for visiting.

The board also granted the request of local pastors to dismiss children in the five upper grades for religious instruction in their respective churches on Friday afternoons, explained elsewhere in this issue.

WOODMEN FROM THREE STATES MAY COME HERE

Woodmen of the World from Minnesota and Dakotas Likely to Meet Here in 1925

STATE OFFICERS TO MAKE DECISION SOON

Local Camp Makes Splendid Showing at Dedication Exercises at Gonvick Saturday

That Thief River Falls will be next year's convention city for Minnesota, North and South Dakota camps of the Woodmen of the World, one of the strongest fraternal organizations in the country, is practically a certainty according to officials of the local lodge who have been making efforts to land the meeting for some time. The matter is still under consideration by officers of the state organization but as it is conceded that Northwestern Minnesota is entitled to the 1925 convention and this city is a logical place for this large gathering the decision which will be made in December, is assured.

A splendid showing was made by the Thief River Falls camp at the monster meeting held at Gonvick last Saturday, at which time the new hall in that village was dedicated and an extensive program of addresses, music, movies, and dancing given, the sport events being eliminated on account of the rain. Twelve cars carrying nearly 70 persons represented Stearns Camp No. 122, a band featuring the local delegation. They joined with bands from Oklee, Gully and Gonvick in a big parade and provided much musical entertainment during the day. Camps from points throut northern Minnesota were represented.

O. A. Naplin of this city responded to the welcome extended by A. LaBudde of Gonvick, formerly of Thief River Falls. Addresses were delivered by officials of the national and state organizations, by whom the dedication exercises were conducted. Among prominent Woodmen present was James Fitzgerald of Omaha, Sovereign Auditor. The Gonvick camp has a membership of 108, its camp number.

The convention of three states which will undoubtedly be held here next year, will mean the attendance of at least 400-500 delegates. The local Woodmen camp is headed by O. A. Naplin as counsel and P. J. Keating as clerk.

Dr. Twete and Ruth Rustad Hold Elopement Record For Summer—Married June 23

Another young couple of this city have stolen a march on social circles and announce their marrirage of two and a half months ago. Miss Ruth L. Rustad, operator at the office of the Western Union telegraph company and Dr. L. R. Twete, local veterinarian and dairy inspector, were married at Moorhead June 23, the union having been kept a secret until yesterday.

The bride, a daughter of Mr. and Mrs. Andrew Rustad of Hallock, is a graduate of the grammar and high schools of Hallock and received training in telegraphy at Fargo and Chillicoki, Mo., and since completion of her training has been in the employ of the Western Union. She has been located in this city the past two years.

Dr. Twete, a son of Mr. and Mrs. L. O. Twete of LaMoure, N. D., graduated from the high school at LaMoure. He studied agriculture at the North Dakota A. C. at Fargo three years and entered the Ohio state university after completion of studies there. He graduated from the college of pharmacy and college of veterinary medicine of that university and has since been engaged in the practice of veterinary medicine, being dairy inspector of this city and a number of other towns in this section.

The newly-wedded couple have made a host of friends during their stay in this city who join in extending sincere wishes for happiness.

Values Land $5 More

E. E. Reed of Hubert spent Friday in this city attending to farm interests. Mr. Reed stated to a representative of The Times that he was so well pleased with the crop outlook this year that he raised the sale value of his land $5 per acre.

To Attend National Convention

Mrs. George Nelson leaves Sunday for St. Paul to attend the National Legion auxiliary convention as a delegate of the Ninth district.

RACING DEMONS TO COMPETE IN BIG MEET HERE

American Legion Post to Stage Spectacular Event at Fair Grounds Sept. 21

FASTEST DRIVERS OF SECTION ARE BOOKED

Warren Band Volunteers to Furnish Music—Funds to be Used For 1925 Convention

Thrilling demonstrations of speed are assured for the speed carnival being put on at the fair grounds here Sunday, Sept. 21, at 2 p. m. by the local post of the American Legion. Some of the fastest drivers in the northwest have been booked for the event, which will prove an opportunity of a lifetime to see some real speed.

The program will include automobile races, motorcycle and horse races, as well as novelty events and tempting purses are being offered to attract drivers. That competition will be keen goes without saying as those entered so far are speed artists on the track. Some of the drivers have taken part in racing events here in former years and are known to local fans.

Well Known Drivers

Among those who have been booked so far is James Balfour of Crookston, who drives an Essex special and took part in the racing meet put on by the Eklund post four years ago. Dewey Klewel, also a Crookston driver and well known to fans here, is also expected to compete with his Hudson special. "Casey" Jones of Hallock, who holds the record of 48 miles an hour on the local track, with his Dodge special, J. H. Lee of Fargo driving a Velie, Miles Parmeter, Hickson, N. D., and Oscar Berg of Bemidji with a Ford special are among the entries. Jones is scheduled to partake in races in Chicago next Sunday and Lee is also taking part in race events in various large cities of the country.

Another fast driver is Larry Finlayson of Breckenridge who pilots a Ford special able to make 90 miles an hour, and is now racing in Minneapolis and other places. It is also likely that a Jewett car driven by a Bemidji man will compete.

An event which will undoubtedly be of much interest is the open race for local speedsters, Aga, Klapp, Evenstad, Aamodt and Lloyd Johnson being among those mentioned to date.

A novelty Ford race is being arranged which promises to be an entertaining and exciting event, according to the committee in charge. Horse races in which local horses will compete will also make up the program.

To add pep to the event the Warren band has volunteered its services for the day and will furnish a program of music. Warren and other towns will undoubtedly be represented by Legion members and other speed fans. With favorable weather a record crowd should be at the fair grounds on the 21st.

As was stated in the previous issue this speed carnival is the first attempt to raise funds for the 1925 state Legion convention which will be held here and merits the general support of Thief River Falls citizens.

MONEY FOR FARMERS TO PURCHASE SHEEP FROM CREDIT BODY

Applications for Loans to Buy Sheep Must Be in Hands of Secretary by Sept. 20

Farmers who wish to purchase sheep under the Agricultural Credit Corporation plan must have their application in the hands of the local secretary before September 20, announces Albert Lonson of the Farmers and Merchants State bank, secretary of the Pennington county committee.

The plan of the Agricultural Credit Corporation is very liberal and is as follows: Thirty per cent of the loan is payable one year from the date the sheep are delivered, 30 per cent the second yar and 40 per cent the third with interest at the rate of six per cent on the unpaid portion of the loan.

"It would seem that every farmer who has room and feed to properly take care of sheep should get busy at once before it is too late to avail himself of the liberal chance to get started in this branch of livestock," declares Secretary Lonson. "The security asked is only on the sheep purchased and only first class breeding ewes are purchased by the corporation."

Secretary Lonson informs The Times that he will be glad to assist anyone who wishes to make application for sheep loans, if turned in before Sept. 20. No time has been set regarding loan applications for dairy cattle, but it is advised that the applications should be in before cold weather sets in.

Thief River Falls Medics Attend Quarterly Meeting

Thief River Falls was well represented at the quarterly meeting of the Red River Valley medical society held at Warren Saturday. Dr. and Mrs. J. Belderman, Dr. and Mrs. J. T. Bowers, Dr. and Mrs. A. W. Swedenburg and Dr. O. F. Mellby motored to that town and took part in the event. The wives of members of the society were invited to attend this session and the women who attended report an interesting visit. Mrs. O. N. Meland entertained the women visitors with an automobile trip and at her home.

The next session will be held the first of the year, the place to be determined later.

SOCIAL ITEMS

Aakre-Bjella

Miss Constance Aakre, daughter of Mr. and Mrs. Ellev Aakre of Reiner township, near Goodridge, was on Sunday morning at 10 o'clock united in marriage to Tim Bjella of Bemidji, the ceremony taking place at the Zion Lutheran parsonage, Rev. George Larson officiating. Miss Agnes and Einar Aakre, sister and brother of the bride, attended the bridal couple.

The bride was attired in white canton crepe and carried a bouquet of June roses and the bridesmaid wore a gray canton crepe dress and carried sweet peas. Following the ceremony a wedding dinner was served at the bride's home, attended by the families of the contracting parties.

The bride has attended the schools of Pennington county and has taken a course at Sathre's Business college, Crookston. The groom who is a son of Lars Bjella, is employed by the Bemidji Manufacturing company and also operates a farm near Bemidji, where the couple will reside during the summer months. The newly married couple left on a brief honeymoon to various points in the state.

Miss Westby Entertains

The M. Bothun home on Arnold avenue north was the scene of a party Sunday afternoon when Miss Hannah Westby entertained a number of her relatives and friends. The hours were spent at music and in a social way. Refreshments were served by the hostess at five o'clock. Those present were Mr. and Mrs. M. Bothun, Mr. and Mrs. J. E. Solomonson and children, Mr. and Mrs. Oscar Omundson and children, Mr. and Mrs. Pete Omundson and children, Miss Linda Jokela, Miss Selma Hegeness, Theodore Omundson and Carl Westby.

For Mr. and Mrs. Davis

Mr. and Mrs. R. V. Davis of Casper, Wyoming, were guests of honor on Wednesday afternoon last week when Mrs. M. M. Johnson entertained a number of their friends in compliment to them. The hours were spent in a social way and refreshments served at five o'clock. Those present were Mrs. Aug. Bredeson, Mrs. C. M. Evenson, Mrs. M. V. Evenson, Mrs. T. T. Kiland, Mrs. R. A. Knutson and Mr. and Mrs. Leonard Johnson.

Entertain For New Teachers

The members of the high school faculty who were engaged here last year staged a picnic supper at the Tourist Park Friday evening for the new members of the faculty, and thereby provided an opportunity to get acquainted with each other. The occasion fulfilled all expectations of a good time and was an excellent manner in which to give the new instructors an at home feeling from the first of the term. About twenty-five faculty members participated.

For Mrs. Anderson

Mrs. John Anderson is the guest of honor this afternoon at the Charles Nason home when Mrs. Nason and Mrs. W. W. Prichard, Jr., entertain jointly in compliment to her. Mrs. Anderson, daughter of Mr. and Mrs. Prichard, Sr., has been a guest of relatives in this city the past three weeks and expects to return shortly for her home at Whittier, Cal. The diversion this afternoon will be cards.

For Charles Olson

Charles Olson, son of Mr. and Mrs. Juni Olson, was the honored guest on Saturday afternoon when his mother, assisted by Mrs. Theo. Bundy, entertained ten of Charles' friends in commemoration of his sixth birthday anniversary. The hours were spent at games and at five oclock refreshments were served. Many gifts were presented to Charles.

Lodges to Have Party

Opening the social season of the year the Sons and Daughters of Norway lodges here will enjoy a joint social time at the hall tomorrow, Friday, night, the entire membership being called upon to make this affair a success. Refreshments will be served by a committee and a program of diversions enjoyed.

Opens Studio

Mrs. Thelma Erickson announces the opening of her studio at 708 Knight avenue north this week and has already begun studies with a number of her pupils. Those who have not registered will please call Mrs. Erickson at their earliest convenience as the classes are nearly filled. 32c

Former Residents Visit Here

Mr. and Mrs. A. C. Baker of Decorah, Iowa, formerly residents of this city, arrived yesterday by car and are guests at the W. W. Prichard, Sr., home. Mr. Baker took part in the organization of the First National bank together with Mr. Prichard 23 years ago, serving as president of that institution. He is now prominent in business affairs of Decorah.

At Welfare Conference

Mrs. L. G. Larsen left Monday night for St. Paul where she is representing the Pennington County Welfare board at a state conference of social workers at the University Farm. The sessions started Saturday and close tomorrow. Judge of Probate *Lars Backe* is also in attendance.

Mrs. Froehlich at State Meet

Mrs. H. W. Froehlich left Monday night for Excelsior to attend the annual meeting of Women's Federated clubs of Minnesota, at which she gave an important report as chairman of the state community service committee.

Northfield Y. P. S.

The Northfield Young Peoples society will meet at the home of Mr. and Mrs. R. S. Hayes next Sunday, Sept. 14, at 2 p. m. The hostesses are Misses Mabel and Clara Jacobson, Minnie and Mable Ahlstrom and Mrs. Hayes. Everyone is cordially invited.

Legion Dance Friday

The American Legion is staging a dance at the Legion hall Friday night. Four piece orchestra music will be furnished and a big turnout is expected.

To State School

Miss Inga Olson, daughter of Mr. and Mrs. H. O. Olson of Esplee, was taken to the state school for the feeble minded at Faribault Saturday.

Reidl-Parent

Miss Katherine Riedl, daughter of Mr. and Mrs. John Riedl, of this city, and Louis Parent of Grand Forks were united in marriage at the St. Bernard's Catholic church Wednesday in the presence of Miss Florence Baker and Lawrence Baker.

Mr. and Mrs. Riedl left the same day by car for Grand Forks where they will make their future home.

Birthday Anniversary

Mrs. Albert Engen entertained at six o'clock dinner at her home at 811 LaBree avenue north last evening in compliment to Harold Nelson in commemoration of his 21st birthday anniversary.

WANTED AT ONCE

Five Young Women to enter the Physicians Hospital. Liberal salary while training. Apply to the Superintendent. 31tf

LOCAL NEWS

Remember the American Legion dance at the Legion Hall Friday night. Four piece orchestra. S11c

Glyndon Larson, 16, suffered severe burns to his left hand while pulling the switch plug on the bread wrapper at the Northern Baking company shop. As a result he is obliged to carry his arm in a sling but is attending school and the attending physician anticipates an early recovery.

Dr. P. L. Vistaunet of this city left Saturday evening for Moorhead to spend the weekend as a guest at the home of Mrs. Vistaunet's brother, County Auditor A. O. Houglum, where Mrs. Vistaunet and children were guests since a week ago last Thursday. They all returned Monday.

Mr. and Mrs. John Grindeland of Warren spent Sunday in this city. Mr. Grindeland, oil inspector in that district, will have charge of oil inspection in this district during the absence of Oscar Smith, who left this morning for St. Paul to attend the National American Legion convention.

Mrs. Scott Laird and daughter, Lois, who left Monday of last week with Mrs. I. A. Larsen of Virginia, who was a guest at the Laird and Geo. Biddick homes, returned Saturday after having spent the weekend as guests at the Larsen home at Virginia and the Abe Sapero home at Hibbing.

James Helle, who has been employed at the local post office the past summer months, Bernard Sundahl and Guy Bacon will leave tomorrow for Winnipeg to spend the week end. Mr. Helle leaves the latter part of the month to resume studies at the Minnesota university as a junior. University opens Sept. 29.

Mrs. Louise Fossum and daughter, Miss Emily Fossum, and the latter's nephew, Allen Dunne, returned to this city Tuesday morning from Minneapolis where they spent ten days attending the fair and visiting friends and relatives, including Mrs. Marie Fossum who is a student at the Minnesota Hair dressing academy.

Albert Stengelsen, graduate of the local high school and student at the University of Minnesota, spent Friday night in this city on his way to the home of his parents, Mr. and Mrs. Peter Stengelsen residing at Newfolden. Mr. Stengelson is taking the academic course at the university and has attended the summer session which closed recently.

Mrs. Oluf Tessum returned to her home in this city Wednesday morning from Lanesboro where she spent a brief visit with her father, Mons Anderson. She spent ten days on the trip, visiting in Minneapolis also. On the way to the cities she was accompanied by Oluf Tessum and her son, Gynther and daughter, Mildred, the others returning the previous week.

Mr. and Mrs. T. L. Melgaard returned to their home in this city Sunday morning after a three weeks' visit with relatives and friends at Minneapolis and Lake Minnetonka. They were accompanied on their return by Mr. Melguard's brother-in-law, P. I. Holen, who is spending some time attending to business matters at Argyle and son John, who is a student at Annapolis Military academy.

Rev. L. W. Bartholow, representing the Minnesota division of the Society for the Friendless, headquarters in Minneapolis, spent Sunday and Monday in this city in the interest of the society. The society is engaged in relief work and giving assistance to prison inmates and others who need financial and and moral help. Contributions were solicited by Rev. Bartholow while in this city.

Rev. S. L. Tallakson, the recently installed pastor of the Trinity Lutheran church, spent the week in this city attending to duties of the pastorate. He leaves tomorrow for Grand Forks where he has several services to conduct Sunday. He expects to move to this city next week. The service here Sunday evening will be conducted by the young peoples society in the form of a rally. Musical numbers and talks by members of the society will be included in the program.

Mr. and Mrs. S. Salveson and son, Jerome, accompanied by Mrs. Jennie Ericson left Friday for St. Paul to visit until the first of the week at the home of Mr. and Mrs. Clyde Nason, the latter a sister of Mrs. Salveson and daughter of Mrs. Ericson, who will remain in St. Paul. The Salveson family returned Thursday from Duluth and Red Lake where they spent a week outing. During their absence the photo gallery was taken care of by Miss Ethel Ericson, who has spent some time in the twin cities.

Gets Big Cream Check

Patrons of the St. Hilaire Co-operative creamery are coming to the front. For the month of July Arne Vik, a Pennington county leader in dairying, received the neat sum of

Card of Thanks

We hereby wish to extend our sincere thanks to friends for their sympathy extended us after the death of our beloved husband and father, and for the beautiful floral offerings.—Mrs. B. G. Walker, and Family. 11p

PAY BILLS HERE

Please Bring Your Bill

WE SUGGEST that you bring your telephone bill when paying at our office, or inclose it when paying by mail. That will help you and us.

If your bill always accompanies payment, either at our business office or by mail, it saves time and makes sure that proper credit is given.

When you do not bring the bill, you have to wait until a duplicate is made out. This, of course, takes your time and delays others who may be paying their bills.

Our constant effort is to provide the best possible service at the lowest possible cost to our patrons, and every little bit saved helps to this end.

The interests of the public, of our employees and our investors are the same.

What will They Do for You?

If you buy a new suit, some hardware, furniture, meat, or groceries from out-of-town dealers do you think those out of town merchants will help pave the streets of your town or contribute money towards making your town a better place in which to live?

You know they will not, and you know that the money you give them can never be used for the benefit of yourself and your home.

But you do know that money spent here remains here and is used for our own good.

Our merchants are a vital part and factor in the development of this place.

History
is the record of the Human Endeavor to obtain Health and Happiness. Many things have been tried but have not come up to expectations. What was specific years ago, is now in the discard. Chiropractic can do more than any one thing ever known to the human race so far, providing an exact analysis can be had. Examination of the surface is not always enough. It is only partial and will do only in some cases. X-Ray examinations will show the exact condition of the spine and the correct adjustments may then be given, which will make results more certain and take less time than would otherwise be required.

WELCOME

This issue being the first "Progress" of the present school term, the older students wish to express in it their hearty welcome to those who are new to this school. Especially do we welcome the Freshmen, for they are the Seniors of tomorrow. It is the hope of the school that the present novices will uphold the enthusiasm which has been shown in all high school activities. This can be done by going to the football and basketball games, the class meetings and the various contests which Lincoln High School enters. If this is done by the whole student body, the name of Lincoln High School will be known not only in Thief River Falls, but in the outside towns as well. And who does not want his or her school to have a place in the world? If such there be, "go mark him well" and cast him from the school.

Senior Class Elects Officers for New Year

Last Friday the Seniors called their first class meeting this year for the purpose of electing officers for the coming year.

Hilda Ness, who was president in the Junior year, presided as chairman, and the meeting was carried on in a business-like manner brought about by the hearty cooperation of the students.

The following officers were elected for the coming term: President, Emmett Shanahan; vice president, Hilda Ness; secretary, Aeriel Kinghorn; treasurer, Katherine Barzen; sergeant-at-arms, Lylian Arnold and Francis Ohm; advisor, Lawrence Mickelson; chaperon, Monica Bambrick.

The Seniors have always had the reputation of being a well-meaning, lively, and ambitious class, and it is certain that the new officers will find them ready to cooperate with them at all times.

PERSONALS

Phyllis Dock of this year's Junior class, is attending high school in Grand Forks this year.

Clifford Storhoff of the class of 1924, is working in Kansas City, Mo.

Miss Grace Hanson of Viking, visited school with Maverette Hilson last week.

Gladys Kolden, of the class of 1924, is employed as bookkeeper at the Gamble-Robinson Co.

Myrthle Oen, of last year's senior class, is attending Union Business College in Grand Forks.

Margaret Rourk, a member of the Junior class, left last Tuesday for Crookston, where she will attend St. Benedict's Convent.

Allan Sorenson and Kenneth Streeter started school Monday.

Ersyle and Leigh Anderson spent the weekend in Fargo.

Paul Scanlan and Kermit Anderson enrolled in school this week.

Clarence Doran, who has been going to school at Holt, started school here as a student in the Senior class.

LIVELY CEREMONY FEATURES OPENING OF LINCOLN HIGH

New Teachers Given 'Once-over' on First Day—Everyone Gets To Work

Last Tuesday, after three months complete silence, Lincoln High's faithful old walls again resounded with the laughter and chatter of over four hundred students.

September 2 is a date that should be one of the high lights of this year's school calendar for several reasons: First and most important, it was the first day of school, when after a long absence, the students all met, looked over Old Lincoln High, and the mighty Seniors fell heir to the back rows of seats in the assembly room. Secondly, on this day the students had a chance to renew acquaintances with the old teachers and "look over" the new ones. Thirdly, the upper classmen had the pleasure of welcoming the Freshmen and noting their striking resemblance to lost sheep. And lastly, it is the only day during the whole year a certain phenomenon happens—everybody gets to school on time!

Promptly at nine o'clock Principal Bye opened school by mounting the stage steps, calling order, and then extending a welcome to faculty and students. Each member of the faculty was then requested to rise, which they did amid much cheering. With Miss Maude L. Johnson, music supervisor, at the piano, the student body then sang, "How do you do" to each faculty member to show them how cordially they were welcomed. After this ovation Supt. I. T. Simley addressed the gathered assembly, urging them to put forth their best efforts to make this an unusually successful year.

Program cards were then given out, desks for the coming year assigned, and the rush for the book room began. The afternoon was devoted to eight short periods, so that teachers could give assignments. The evening—well, ask the Freshmen about that. Such was the first day of school!

High School Band Organizes

The High School Band held a preliminary organization meeting Friday evening with an attendance of 14 members. The band, which aims to fill an important need in the school life, being relatively new and starting from the bottom, is anxious to secure as many new members as possible, and should appeal especially as an opportunity for beginners. Practice meetings will be held three times each week. Join now. For information see Ulrik H. Reque.

Girls' Glee Club Elects Officers

The Girls' Glee club held its election at its first rehearsal on Monday afternoon. As a result, Aeriel Kinghorn was elected president; Lylian Arnold, vice president; Mildred Engen, secretary and treasurer; Maxine Johnson, accompanist; Dorothy Shirley, Bertha Gullingsrud, Mary Alexander and Margaret Brown, custodians.

Fifty-seven girls signed up for the Glee club, but as the number is restricted to thirty-five, a great many had to be eliminated. Those on the waiting list, however, may have an opportunity to join before the 1924-25 season is over.

Subscribe for The Times

Glee Club Rehearsals Are Started at Once

The Boys' and Girls' Glee clubs of Lincoln High School have begun their customary rehearsals. A great deal of strenuous practicing will be required of them, as all the musical organizations are to appear at the teachers' convention to be held here in October.

The Girls' Glee club is comprised of Sophomores, Juniors and Seniors, while the Boys' Glee club contains representatives from all four classes.

The orchestra will meet Wednesday for its first rehearsal, and judging from the list of those who have signed up this department of school music will not disappoint us.

With the reputation of last year's Glee clubs and orchestra to uphold, excellent organizations are expected this year.

Normal Training Dept. Has Large Enrollment

The Normal Training department began its work on Tuesday. The department has thirty-one members, twenty-eight girls and three boys. This is the largest number enrolled since the department came under state supervision. Because of the large number enrolled, it was necessary to engage two teachers, Miss Alice Stapleton and Miss Loretta Kopriva.

In their curriculum they take up the pedagogical methods of arithmetic, geography, reading, and penmanship. In the latter, the aim is to secure the Palmer Teacher certificates.

This week they commenced teaching work by observing drill lessons in the grades of the Northrop building.

Teachers In County Are Awarded Certificates

Following is a list of teachers who have received certificates as a result of the state teachers' examinations which were given here this summer, or thru renewal or extension, as furnished O. R. Sande, county superintendent of schools, by the state department of education:

First Grade

Lillian Norman, Milda Shefveland, Sarah Sanders Robinson, Augusta Beiswenger, Anna C. Longren, Olga Olson, Borghild O. Johnson, Edith B. Patten, Helga Ose, Johanna Wedul, Mable Engen, Bertha Husted, Ruth Satre, Eric E. Anderson, Laura Wold, Inga Hjelle, Bessie Hegland, Amy Sorlum and Clara Ferdinandsen.

Second Grade

Evelyn Peterson, Harvey Olson, Effie Frederickson, Gunhild Haugen, Gladys Sampson Olson and Evelyn G. Sneldrew.

Limited

Paul T. Erickson, Helen O. Radniecki, Winnifred Sampson and Gladys Christopherson.

Two Appointments to West Point Academy to be Made

The Ninth Congressional district of Minnesota is entitled to the appointment of two cadets to the United States Military Academy at West Point for the year 1925, and Congressman Knud Wefald has been requested to nominate two principal candidates and first and second alternates, who must qualify mentally and physically, according to a communication received by The Times.

The persons to be nominated must be actual residents of the district, not over 22 years nor under 17 years of age at the date of admission, and not less than 5 feet, 4 inches in height.

Educational requirements are that the candidates must pass the mental examinations, or must have graduated from an accredited high school and shown proficiency in this school work.

Young men who wish to try out for these cadetships should call in person or write to Congressman Knud Wefald at his home address, Hawley, at once. In writing the applicant must state his qualifications.

Highway Railroad Crossings Being Eliminated in State

Elimination of 523 out of 830 railroad crossings on the Minnesota trunk highway system is made public by Chas. M. Babcock, state highway commissioner, in a highway bulletin. Separations accomplished number 263 and 260 others are in prospect. Among them are four crossings on Trunk Highway No. 32 between this city and St. Hilaire and one between that village and Red Lake Falls. State highway projects this year will eliminate 65 grade crossing death traps. The 307 crossings remaining on the big 7,000 mile state system, the bulletin states, are those in which local conditions do not seem to justify at this time the expenditure necessary for the separations.

Grade crossing elimination in Minnesota is part of the general policy of not only improving and maintaining trunk routes as well as laws and funds will permit, highway officials said, but of building-in safety with superelevated curves and like special construction, erection of guard rails, posting of warning signs and so forth.

Altho there were 2,268 persons killed and 6,314 injured at railroad highway crossings last year, not a single person is known to have met death by such reason either last year or so far in 1924. This is perhaps an indication that the autoists of this community are careful drivers and comply with the stop-look-listen warning.

An exchange puts it this way: "Linger a little and linger longer."

Vet Hospital to Open Soon

The new $1,500,000 veterans' hospital in St. Cloud will be opened in the afternoon of September 17, Dr. Hans Hansen, medical officer in charge, announced this week. Officers of the American Legion attending the state convention in St. Paul that week and many of the delegates will attend the ceremonies as well as Director Hines of the Veterans' Bureau and congressmen from the states comprising the tenth district.

MANY NEW JUVENILE BOOKS AT LIBRARY

Children's Section Increased by Nearly 100 Volumes, Largely Fiction

New books are continually being added to the shelves of the local Carnegie Library, a list of 14 volumes for adults and 95 for children, or a total of 109 volumes, being the latest addition for the benefit of the reading public. With the opening of the school year the juvenile section is expected to be visited by many.

Following is a complete list of new books as submitted by Mrs. Esther Myrland, recently appointed librarian:

Adult Non-Fiction

Bryan, "In his Image"; Kent, "Great Game of Politics.

Adult Fiction

Abbot, "Fairy Prince and other stories"; Abbott, "Rainy Week"; Ashmun, "Support"; Atherton, "Aristocrats"; Atkey, "Winnie O' Wynn and the Wolves"; Barclay, "Mistress of Shenstone"; Bojer, "Life"; Kelland, "Steadfast Heart"; Mikzath, "St. Peter's Umbrella"; Porter, "When Polly Ann Played Santa Claus"; Terhune, "Treve"; Wells, Marjorie's Busy Days.

Juvenile Non-Fiction

Anderson, "Stories of the Golden Age"; Barton, "Wonderful Land of Up"; Brooks, "Historic Boys"; Brown, "A Paris Pair"; Carpenter, "Fairy grammar"; Cartwright, "Old, Old Myths of Freecea and Rome"; Cartwright, "Sigrud the Dragon Slayer"; Cesaresco, "Fairies Fountain and other stories"; Clarke, "Pon-a-time Tales"; Collins, "Boys' Book of Model Aeroplanes"; Dickens, "Child's Dream of a Star"; Du Puy, "Uncle Sam Fighter"; Gibson, "Secrets Out of Doors"; Fyleman, "Fairies and Chimneys"; Gilman, "Alaska, the American Northland"; Kellogg, "Insect Stories"; Mac Gregor, "Stories from Dante"; Munroe, "Son of Aatsuma or with Perry in Japan"; Ostrander, "Gift of the Magic Staff"; Perkins, "News from No Town"; Smith, Pixie on the Farm"; Summers, "Children's Year Book"; Wesselhoeft, "Winds, the Woods, and the Wanderer".

Juvenile Fiction

Goodyear Balloons Make Motoring Cheaper

It's actually a fact. They do.

Because—they really absorb the shocks and jolts that loosen bolts, run up repair bills, and generally rack your car to pieces.

They save you time on the road because they smooth out the bumps.

And Goodyear Balloons wear better and longer because they are built of a new Goodyear invention—Supertwist—a special cord material that stretches under impact, yields and absorbs the blow without breaking.

It makes the tires last longer, and protects them against injury.

Cost is very low. In fact, Goodyear Balloons today cost less than you have been paying for regular tires.

Drive around today and get our proposition.

Mothers!

Give the children WRIGLEY'S after every meal

A prominent physician says:

"It is surprising how free from decay the teeth can be kept by using gum after each meal."

You know how hard it is to get the children to clean their teeth. By giving them WRIGLEY'S you not only reward them for cleaning their teeth, but *the reward is actually the means of performing this important service!*

WRIGLEY'S aids digestion too, and acts as an antiseptic wash for the mouth and throat. Several flavors—all of WRIGLEY quality.

Divorces are Decreasing—Four in Pennington in '23

During 1923 there were in Minnesota 24,785 marriages performed and 2,729 divorces granted, according to a recent report from the department of commerce in Washington, D. C. The increase in marriages reported for 1923 over the number reported in 1922 is 537, or 2.2 per cent. The divorces show a decrease of 5.5 per cent.

In Pennington county a total of 83 marriages were performed while only four divorces were granted last year.

Following are the marriages and divorces reported from other northern Minnesota counties:

County	Marriages	Divorces
Becker	165	20
Beltrami	204	46
Clay	625	26
Mahnomen	27	2
Marshall	118	2
Norman	107	7
Polk	401	7
Red Lake	56	2
Roseau	75	3

The highest number of marriages were recorded in Hennepin county, where 5,697 couples embarked on the sea of matrimony. One thousand ninety-five of them were shipwrecked in the divorce court, that is, that many divorces were granted during the year.

Exchange Buys Warehouses

Peterson-Biddick company of Wadena, with a branch in this city, have closed a deal with the Minnesota Potato Growers Exchange for the sale of all their small potato warehouses. The company retains the general produce warehouses and offices in Thief River Falls, Wadena, Crookston and Jamestown, N. D. A total of 200 potato warehouses privately owned thruout the state are being taken over by the co-operative exchange which has signed up a large percentage of the Minnesota growers.

COMMUNITY NEWS

GOODRIDGE

Mr. and Mrs. A. B. Josephson and family and Violet and Fernly Josephson returned from Austin Sunday where they have been visiting friends and relatives, the latter having been there all summer and the former one week.

Ingebret Geving spent the week end at his home south of here, arriving Saturday evening from the harvest fields. He returned Sunday evening.

Mrs. J. P. Jensen and daughter Mrs. E. J. Bethin returned from Iowa City, Ia., Saturday evening after accompanying E. J. Bethon there where he will spend the winter going to school.

Daniel Payne and Joseph Christianson left Sunday morning for near Winger where the former will teach school. They also visited at Mahnomen and Fertile, returning home Sunday evening.

Norwegian Lutheran Young Peoples Society was held at the Peter Thorsten farm west of town. A program was staged and afterwards lunch was served. There were many people from this village who attended.

School has begun again and everything is in full swing. There are a number of new students in the high school and also in the grades. The enrollment is 42 in the high school and 95 in the grades. The same teachers are here as last year but there are more students and the school is run on a new plan so the system has been improved.

Mrs. J. A. Sundquist was brought to the hospital in Grygla Wednesday evening after an attack of appendicitis. She was operated on Thursday morning and is now reported resting nicely. Mr. Sundquist has made a *number of trips* to Grygla since the operation.

Pearl Bergeson was a Thief River Falls visitor Saturday.

Mrs. O. S. Kirkile entertained the following ladies to a luncheon Thursday afternoon at 4:30: Mesdames A. Halvorson, M. Olson, M. Aargall, R. McDonald, P. O. Tvedt and C. Christianson and Miss Eunice Tvedt.

A dance was staged in Ole Geving's barn Saturday evening.

Joseph Christainson and Daniel Payne were Thief River Falls visitors Friday.

The Tessum Seed and Grain Co. has received a carload of Phosphate here.

Mr. and Mrs. B. O. Norby visited at the Angus McLeod farm Sunday evening.

Mrs. Ella Roberts visited at the home of her daughter, Mrs. A. B. Josephson Monday evening, returning to her position in Grygla.

Ethel Vaughan left for Grand Forks academy Sunday where she will attend the next term. Her parents and brother and sisters accompanied her.

Mrs. P. O. Tvedt entertained a few friends to luncheon Friday afternoon.

Ole Knutson passed through here Tuesday morning on his way to his home at Grygla after having spent a week in Thief River Falls where he has been doctoring.

Agnes Vaughan left Sunday evening for Rochester where she will resume her duties in the St. Mary's hospital after a short visit with her parents and brothers and sisters south of here.

Mr. and Mrs. Charley Johnson of Grygla were visitors in this village Tuesday morning.

Mr. and Mrs. R. H. McDonald entertained a few friends at their home Friday evening. The following were invited: Mr. and Mrs. Morgan Vaughan, daughters Agnes, Ethel, Sarah, son Daniel, Mr. and Mrs. P. O. Tvedt and Eunice Tvedt.

Mrs. Ida Lutz was in town Tuesday as she is beginning to move her household goods to her parents home at Grygla.

Mrs. J. P. Ferdinandsen and Mrs. Joseph McCabe were visitors in Thief River Falls Monday.

Goodridge Lutheran Church

V. O. Auker, Pastor

Sunday, Sept. 14. Norwegian services at Jelle at 11 a. m. and at Goodridge at 8 p. m. Sunday school and bible class every Sunday at 10 a. m. Confirmation classes meet as follows: Goodridge every Tuesday at 3 p. m. Torgerson and Erie every Friday at 1 p. m., and 5 p. m. Bethania every Saturday at 4 p. m. The North Ladies Aid of Erie meets with Mrs. Rime Sept. 17. Torgerson Y. P. S. meets at Henry Lien.

Maternity Clinics Being Held in Marshall County

The Maternity and Infancy clinics being conducted by the Division of Child Hygiene, State Board of Health in Marshall county, are being well attended. Many women come long distances to seek advice for themselves and children.

Dr. Chas. Proshek and Dr. Richard Platen of Minneapolis conducted the clinics at Gatzke and Grygla September 5th and 6th. Miss Hortense Hilbert and Miss Agnes Alexander, nurses for the division, assisting.

At Grygla the arrangements for the clinics were in charge of Mrs. Otto Johnson, Mrs. Arnie Peterson and Mrs. Ole Peterson. At Gatzke Mrs. S. O. Ostgard, Mrs. A. J. Ause and Mrs. C. E. Engelstad took charge of this important part of the work.

Following each clinic Dr. Proshek gave a talk on the Hygiene of Pregnancy and Dr. Platen spoke on "Better Care for Growing Children." Dr. Platen especially emphasized the need for earlier vaccination to eliminate the spread of smallpox. This disease is increasing rapidly in this country. Sixty deaths from smallpox have been reported in Minnesota this year.

An exhibit of useful articles to prepare for confinement was shown at the clinic.

Maternity and Infancy Clinics will be held at Alvarado September 19th, and at Radium September 20.

Favor Gas Tax Amendment

The proposed gasoline tax amendment to the state constitution, which will put the money from any such tax that may be levied on the roads, if adopted by 'yes' votes in November, was approved by county directors of the Minnesota Farm Bureau federation at a state fair meeting in St. Paul. The ratification is subject to a referendum of the general conference which is expected to result in a big favorable vote, such as was given by the Wisconsin federation.

ROSEWOOD

Sunday School Conference Sunday

The annual get-together of the Union Sunday schools in the district will take place at the Swedish Mission church at Rosewood next Sunday, Sept. 14, with a forenoon session commencing at 10:30, and one in the afternoon at 2:00, and a possible evening session which, however, will be announced in the afternoon. There will be four Sunday schools represented, the Rosewood school, the Holt school, the Happy Band school, and one school from Sanders township. Sunday School Missionary Rev. Earl G. McKnight will have charge of the lecturing and will be assisted by several coming speakers. The forenoon will be devoted to a general get-together of the schools and their classes and a short sermon. At noon a Union dinner in which each partaker will be required to furnish a part of the eats will take place on the church grounds. In the afternoon will be additional lectures and at the close a sacred drama will be featured by a number of Holt girls. Music and singing will be intermixed during all sessions, and the day promises to be very entertaining for all Sunday school friends, and a hearty invitation is extended to the general public.

Mesdames A. F. Stroble from Angus and Geo. Anderson from Warren motored here last Tuesday visiting with their sisters, Mrs. Adolph and Selmar Haugen, and eventually looking about for threshing men which are short in the Angus country.

Mrs. Emil Blomberg, Mrs. Julia Axelson and Richard Hall motored to Wannaska last Sunday visiting with Mrs. Axelson's parents, Mr. and Mrs. H. Jacobson and with her sisters, Mrs. Carl Nelson and Mrs. O. H. Olson during the day. Accompanying them home was Emil Axelson who has spent the summer months with his aunt, Mrs. Carl Nelson.

Work on the Rosebank school building and a general clean up of the grounds will be completed this week and everything will be in readiness for the opening of an eight months' term on Monday morning, Sept. 15.

John Ranum and Emil Blomberg left last Thursday with team for Argyle where they will be employed during threshing.

Earl Johnson and Elmer Hellquist from Thief River Falls were here between trains last Saturday while threshing was carried on at the J. E. Hellquist farm.

Mr. and Mrs. Adolph Haugen and family motored to Warren and Angus last Sunday to visit at the Anderson and Stroble homes.

Mr. and Mrs. Victor Mosbeck and faimly visited at the Chas. Sagmoen home last Saturday and Vic also attended to some business at the Rosewood garage.

A birthday surprise party was tendered Mrs. T. Mellem at her home in town last Sunday by a number of her children, friends and neighbors. A front room rug was left as remembrance.

The Rindahl Y. P. S. had their monthly meeting last Sunday evening with the rendering of a short program and serving of lunch. There is no date set for next meeting.

Chas. F. Philstrom from Warren is expected here to have charge of the singing at the Sunday school gathering next Sunday, and Rev. Chas. Gerlinger from Thief River Falls will be among the speakers. This will be a red letter day of the Sunday school. Don't fail to be there.

Mr. and Mrs. Hovick and three children and Lars Hitterdahl from west of Thief River Falls were Sunday visitors at the Benhard Ranum home.

Merchant S. S. Nordgaard from Viking was in town on Saturday evening attending to business matters.

Huge Sum For Auto Taxes

Minnesota motor vehicle owners have paid $1,000,000 more in taxes so far this year than all of last year, Secretary of State Mike Holm announced this week. Up to Sept. 1 motor vehicle owners had paid $8,347,600 in taxes on 488,120 cars of which 446,960 were passenger vehicles. More than 1500 cars are being operated in Pennington county.

"OUTDOORS" IS OUT

The first (September) number of the new national magazine "OUTDOORS" is out. It contains many lavishly illustrated articles descriptive of natural beauty spots throughout the country. To the motor tourist seeking an interesting objective it is of special value. The scenic pictures are numerous and beautiful, and the text is of unusual interest. Readers who cannot find "OUTDOORS" at their local news stands may secure a copy of the first number by sending ten cents in stamps or coin to "OUTDOORS," 425 Tenth St. N. W. Washington, D. C. 32p

Sept. 11-25

State of Minnesota,
County of Pennington.
In District Court
Fourteenth Judicial District.

Christopher M. Hoverstad, Plaintiff,
vs.
Salmon G. Salemonson, Gunder Salemonson, Jr., Thone Salemonson, unknown heirs of Salmon G. Salemonson, and all other persons unknown claiming any right, title, estate, interest or lien in the real estate described in the complaint herein, Defendants.

The State of Minnesota to the Above Named Defendants:

You and each of you are hereby summoned and required to answer the complaint of the Plaintiff in the above entitled action, a copy of which complaint is on file with the Clerk of the District Court in and for the County of Pennington and State of Minnesota, and to serve a copy of your answer thereto upon the subscriber at his office in the City of Thief River Falls, Minn., within twenty (20) days after the service of this summons upon you, exclusive of the days of such service.

If you fail to answer the said complaint within such time, the plaintiff will apply to the Court for the relief demanded therein.

O. A. NAPLIN,
Attorney for Plaintiff,
Thief River Falls, Minn.

"Same parties as in summons immediately preceding this notice."

NOTICE OF LIS PENDENS.

Notice is Hereby Given that an action has been commenced in this Court by the above named Plaintiff against the above named defendants the object of which is to obtain a judgment that said plaintiff is the owner in fee of the following described real property, and that the said defendants and each of them have no estate or interest therein or lien thereon, to-wit: The Southwest Quarter (SW¼) of Section Twenty-five (25) in Township One Hundred Fifty-four (154) North, Range Forty-three (43) West, in Pennington County and State of Minnesota.

Dated September 8th, 1924.

O. A. NAPLIN,
Attorney for Plaintiff,
Thief River Falls, Minn.

ALL OUT OF SORTS?

So Was This Thief River Falls Woman Who Tells Her Experience.

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys are often to blame for that backache, those headaches, dizzy spells and that tired depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant diuretic. This Thief River Falls case is one of many:

Mrs. Chas. Alexander, 216 Conley Ave., says: "I had an attack of kidney complaint. My kidneys didn't act as they should and I felt miserable all over. Severe pains across my back kept me from doing my work. My head swam with dizziness and I was afraid to walk across the room. Doan's Pills, from Bottleson's Drug Store, rid me of the trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills — the same that Mrs. Alexander had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

LEGAL NOTICES

Sept. 4-Oct. 9

NOTICE OF MORTGAGE FORECLOSURE SALE.

Whereas default has been made in the conditions of that certain mortgage made, executed and delivered by C. Bigelow and M. Mabel Bigelow, husband and wife, as mortgagors, to Peoples State Bank of Thief River Falls, as mortgagee, which said mortgage is dated June 10, 1910, and was recorded in the office of the Register of Deeds of Pennington County, Minnesota, June 12, 1910, at 9 o'clock, a. m., in Book 12 of Mortgages, on Page 298, which said mortgage was heretofore duly assigned to the undersigned, Northwestern National Life Insurance Company, and whereas said default consists in the failure to pay an instalment of interest heretofore coming due on said mortgage, and whereas because of said default the undersigned owner and holder of said mortgage has elected and hereby does elect to declare the whole amount secured by said mortgage immediately due and payable and whereas there is now due and claimed to be due upon the said mortgage and the indebtedness thereby secured the sum of $3,422.03,

NOW, THEREFORE, Notice is hereby given that the said mortgage will be foreclosed and the premises therein described and mortgaged thereby, which said premises are situated in the County of Pennington, and the State of Minnesota, and are described as follows, to-wit:

The east half of Southwest quarter and Lots 3 and 4 of Section 31, in Township 153, of Range 43, containing 159.89 acres according to Government survey thereof.

Will be sold by the Sheriff of said Pennington County at public vendue to the highest bidder for cash, at the front door of the courthouse in the city of Thief River Falls, in said county, on Monday, the 20th day of October, 1924 at 10 o'clock, a. m., to pay the amount of said mortgage and the debt and interest and the expenses of sale and $75.00 attorney's fees.

Dated September 2, 1924.

NORTHWESTERN NATIONAL LIFE INSURANCE COMPANY,
Assignee of Mortgagee.

ARNOLD HOBBS,
Attorney for Assignee of Mortgagee,
Northwestern National Life Building,
Oak Grove and Fifteenth Streets,
Minneapolis, Minnesota.

(Aug. 28-Oct. 2)

MORTGAGE FORECLOSURE SALE

Whereas defaults have been made in the conditions of a certain Mortgage, duly executed and delivered by Pearl M. King, single, Mortgagor, to Claus Hagge, Mortgagee, bearing date the 4th day of April, 1914, and with a power of sale therein contained, duly recorded in the office of the Register of Deeds in Pennington County, and State of Minnesota, on the 2nd day of June, 1914, at 8 o'clock A. M., in Book 14 of Mortgages on page 303.

And Whereas, the Mortgagee and holder of said Mortgage has by reason of the defaults of said Mortgagor elected to exercise the power of sale in said mortgage contained and the right to foreclose by advertisement, and whereas there is actually due and payable upon said mortgage at the date of this notice the sum of $2167.40, and whereas no action or proceeding having been instituted at law or otherwise to recover the debt secured by said mortgage or any part thereof,

NOW, THEREFORE, NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said Mortgage, and pursuant to the statute in such case made and provided, the said Mortgage will be foreclosed by a sale of the premises described in and conveyed by said Mortgage, viz: The Northeast Quarter (NE¼) of Section Ten (10) in Township One Hundred Fifty-three (153) North, Range Forty-five (45) West of the Fifth Principal Meridian in Pennington County and State of Minnesota, with hereditaments and appurtenances; which sale will be made by the sheriff of said Pennington County, Minnesota, at the front door of the Court House in the City of Thief River Falls in said County and State, on the 11th day of October, 1924, at 10 o'clock A. M. of that day, at public vendue, to the highest bidder for cash, to pay the said debt of $2167.40, and interest and taxes, if any on said premises, and Seventy-five Dollars Attorney's fees as stipulated in said mortgage, in case of foreclosure, and the disbursements allowed by law; subject to redemption at any time within one year from the day of sale, as provided by law.

Dated August 26, 1924.

NOTICE OF MORTGAGE FORECLOSURE SALE

Whereas default has been made in the conditions of that certain mortgage dated March 17th, 1919, executed by Peter William Korstad and Blanche Korstad, his wife, mortgagors, to C. L. Hansen, mortgagee, and recorded in the office of the Register of Deeds of Pennington County, Minnesota on March 18th, 1919 in Book 57 of Mortgages on page 261, which mortgage was duly assigned in writing by said C. L. Hansen to Louis Heyduk, the present owner thereof, which assignment was dated on March 27th, 1919 and recorded in the office of the Register of Deeds of Pennington County, Minnesota on the 14th day of July, 1924 in Book 65 of Mortgages on page 275; and whereas there is claimed to be due on said mortgage at the date of this notice the sum of $2,013.78 which sum includes the sum of $289.78 taxes for the years 1920, 1921, 1922, 1923 which have been paid by Louis Heyduk, the said assignee, and which is claimed as part of the debt secured by said mortgage under the terms thereof, and no action or proceeding at law or otherwise has been instituted to recover the same or any part thereof.

Now, Therefore, Notice is hereby given, that by virtue of the power of sale in said mortgage contained and pursuant to the statute in such case made and provided, the said mortgage will be foreclosed and all the real property described in and mortgaged by said mortgage, to-wit:

The South West Quarter (SW¼) of Section Twenty-two (22) in Township One Hundred Fifty-three (153) North of Range Forty (40) West of the Fifth P. M., in Minnesota, containing One Hundred Sixty (160) acres, more or less, according to the U. S. Government survey thereof, will be sold at public auction to the highest bidder for cash at the front door of the Court House Building in the City of Thief River Falls, in said Pennington County, Minnesota, on the 23rd day of September, 1924, at 10:00 A. M. to pay the amount which shall then be due upon said mortgage, together with the expenses of foreclosure and sale and the sum of Seventy-five ($75.00) Dollars attorney's fees stipulated in said mortgage to be paid in case of foreclosure, subject to redemption as provided by law.

Dated at St. Paul, Minnesota, August 2nd, 1924.

LOUIS HEYDUK,
Assignee of Mortgagee.

EVERETT J. MOHL,

St. Paul, Minn.

Sept. 11-Oct. 16

NOTICE OF MORTGAGE FORECLOSURE SALE.

Default having been made in the conditions of that certain mortgage made and executed by Gunnar H. Kolstad, unmarried, mortgagor, to W. B. Torgerson, mortgagee, dated June 15th, 1916, which mortgage with the power of sale therein contained was recorded in the office of the Register of Deeds of Pennington County, Minnesota, on June 21st, 1916, at 8 o'clock A. M. in Book 57 of Mortgages on page 19, which mortgage was assigned by said W. B. Torgerson to Bank of Cambridge by assignment in writing dated June 23rd, 1916, and recorded in the office of said Register of Deeds July 3rd, 1916, at 8:30 o'clock A. M. in Book 64 of Mortgages on page 162, and which mortgage was again assigned by said Bank of Cambridge to Moses Breeze by an assignment in writing dated December 18th, 1916 and recorded in the office of said Register of Deeds, December 20th, 1916, at 8:30 o'clock A. M. in Vol. 6 of Mortgages on page 327 thereof,

And, that the amount claimed to be due and is actually due and payable on said mortgage at the date of this notice is the sum of Eight Hundred Dollars with accrued interest amounting to the total sum of Nine Hundred Fifty-five and 6-100 dollars, and whereas the said power of sale has become operative and no action or proceedings having been instituted at law or otherwise to recover the debt secured by said mortgage or any part thereof,

Now, therefore, Notice is hereby given that by virtue of the power of sale contained in said mortgage and pursuant to the statute in such case made and provided, said mortgage will be foreclosed by a sale of the premises described in and conveyed by said mortgage, to-wit:

The North half (N½) of the Northwest quarter (NW¼) of Section Twenty (20) in Township One hundred fifty-two (152) North of Range Thirty-nine (39) West of the Fifth (5th) Principal Meridian in Minnesota, containing Eighty (80) acres, more or less, according to the United States government survey thereof, said tract being in the County of Pennington, State of Minnesota, which sale will be made by the sheriff of said Pennington County at the front door of the Courthouse in the City of Thief River Falls, in said County and State on Saturday, October 25th, 1924, at Two o'clock in the afternoon of said day, at public vendue to pay said debt and interest, and taxes if any on the premises, together with an attorney's fee of Fifty Dollars as stipulated in said mortgage and disbursements allowed by law, subject to redemption at any time within one year from the date of said sale as provided by law.

Dated September 8th, 1924.

Assignee of Assignee of Mortgagee.

NILS HAGEN,
Attorney for Assignee,
Oklee, Minnesota.

(Aug. 7-Sept. 11)

MORTGAGE FORECLOSURE SALE

Default having been made in the payment of the sum of Seven Hundred Ninety-six and 56-100 Dollars, together with interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1921, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1922, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1923, which is claimed to be due and is due at the date of this notice upon a certain Mortgage, duly executed and delivered by Melvin H. Wood and Cora E. Wood, his wife, as Mortgagors, to State Bank of Viking (a banking corporation under the laws of the State of Minnesota), as Mortgagee, bearing date the 13th day of March, 1920, and with a power of sale therein contained, duly recorded in the office of the Register of Deeds in and for the County of Pennington and State of Minnesota, on the 23rd day of March, 1920, at nine o'clock A. M., in Book 62 of Mortgages, on page 437 thereof; which said mortgage is given to secure the sum of One Hundred and Seventy-five Dollars, payable in five annual installments of Thirty-five Dollars each, payable on March 13th of each of the years of 1921 to 1925 inclusive, and provides that if default be made in the payment of said note, or any installment thereof, or in the payment of interest due on a prior mortgage, then said mortgagee was and is authorized to pay such interest and the money so paid with ten per cent per annum from the date of such payment shall be deemed a part of the debt secured by this mortgage, and the money so paid and the note hereby secured, at the option of the mortgagee herein, shall become immediately due and payable and the payment thereof enforced by the foreclosure of this mortgage.

AND WHEREAS, The said State Bank of Viking, the Mortgagee and Holder of said Mortgage, has duly elected and does hereby elect to declare the whole principal sum of said Mortgage due and payable at the date of this notice, under the terms and conditions of said Mortgage and the power of sale therein contained: and whereas there is actually due and claimed to be due and payable at the date of this notice the sum of Eight Hundred Thirty-one and 56-100 Dollars, together with interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1921, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1922, and interest on the sum of Two Hundred and Ten Dollars thereof at the rate of ten per cent per annum since March 13, 1923, and whereas the said power of sale has become operative, and no action or proceeding having been instituted, at law or otherwise, to recover the debt secured by said Mortgage, or any part thereof;

NOW, THEREFORE, NOTICE IS HEREBY GIVEN, That by virtue of the power of sale contained in said Mortgage, and pursuant to the statute in such case made and provided, the said Mortgage will be foreclosed by a sale of the premises described in and conveyed by said Mortgage, viz: The Southwest Quarter of the Southwest Quarter and the East One-half of the Southwest Quarter and the West one-half of the Southeast Quarter and the Northeast Quarter of the Southeast Quarter of Section ten, in Township One Hundred and Fifty-three North of Range Forty-five West, containing two hundred and forty acres, more or less, according to the Government Survey thereof, in Pennington County and State of Minnesota, with the hereditaments and appurtenances; which sale will be made by the Sheriff of said Pennington County at the front door of the Court House, in the City of Thief River Falls, in said County and State, on the 10th day of September, 1924, at two o'clock P. M., of that day, at public vendue, to the highest bidder for cash, to pay said debt of Eight Hundred Thirty-one and 56-100 Dollars, and interest, and the taxes, if any, on said premises, and Twenty-five Dollars, attorney's fees as stipulated in and by said mortgage in case of foreclosure, and the disbursements allowed by law; subject to redemption at any time within one year from the day of sale, as provided by law.

Dated August 6, 1924.

NOTICE TO CONTRACTORS

Sealed bids for the construction of a potato loading warehouse will be received by the board of directors of the St. Hilaire Potato Warehouse Association on the 15th day of September, 1924, at 8:00 o'clock P. M. at the Farmers State Bank of St. Hilaire.

Said warehouse to be constructed according to plans and specifications which are on file at the office of the St. Hilaire Lumber Co in St. Hilaire.

A certified check for 10 per cent of the amount of the bid must accompany the bid, said check payable to the Treasurer of the St. Hilaire Potato Warehouse Association.

The Board reserves the right to reject any and all bids. Bids should be addressed to the undersigned.

A. F. Hall, Secretary,
St. Hilaire Potato Warehouse Ass'n.

Sept. 11

In the District Court of the United States for the District of Minnesota, Sixth Division.

In the Matter of Ole Wigen, Bankrupt. IN BANKRUPTCY.

To the Creditors of Ole Wigen, of the Town of Black River, in the County of Pennington, in said District, Bankrupt.

Notice is hereby given that on the 6th day of September, A. D. 1924, the above named Ole Wigen was duly adjudicated a bankrupt, and that the first meeting of his creditors will be held at the office of the undersigned referee in bankruptcy in the city of Crookston, in the county of Polk, and in said district, on the 18th day of September, A. D. 1924, at 10 o'clock in the forenoon, at which time said creditors may attend, prove claims, examine the bankrupt, appoint a trustee and transact such other business as may properly come before said meeting.

Dated September 8th, 1924.

OLE J. VAULE,
Referee in Bankruptcy.

CITY COUNCIL PROCEEDINGS

Thief River Falls, Minnesota

At the time for regular meeting of the City Council to be held on August 26th, 1924, the following members reported present: Porter, Brumund, Evenson; Aldermen Fossum, Rambeck, and Paulson being absent.

There being no quorum present the meeting was adjourned until August 28th, at eight o'clock P. M.

Attest,
P. G. PEDERSON,
City Clerk.

An adjourned regular meeting of the City Council was called to order by M. V. Evenson, President, at eight o'clock P. M. Thursday, August 28th, 1924, with Aldermen Porter, Brumund, Rambeck and Evenson present and Aldermen Fossum and Paulson absent.

Minutes of regular meeting of August 12th, adjourned meeting of August 26th, and minutes of the Board of Review were read and with that part of the minutes of meeting of August 12th, referring to cleaning out the river below the dam being amended so as to read as follows: Alderman Evenson be placed in charge of cleaning out of the river below the dam and also of the work of repairing the dam. The same were on motion approved.

O. R. Smith representing the American Legion appeared before the council with the request that the Legion be granted the use of the auditorium free of charge when not otherwise in use for the purpose of conducting entertainments and dances the proceeds to go towards defraying the expense of the state convention of 1925 and a motion was introduced by Alderman Brumund, seconded by Alderman Porter and duly carried that the Legion be donated the use of the auditorium for home talent entertainments and dances.

Alderman Brumund moved the approval of the recommendation of the Library Board as follows: Appointment of Mrs. Esther Myrland as Librarian to succeed Mrs. C. Edrell, resigned, at a salary of $70.00 per month, establishing the salary of Assistant Librarian at $40.00 per month, establishing salary of Janitor at $15.00 per month beginning Oct. 1st, and ending April 30th. Alderman Porter seconded the motion which was duly carried.

A motion was introduced by Alderman Porter, and seconded by Alderman Rambeck that refreshment license be granted to J. J. Vorachek and Hans Finsand. All members voting in favor the motion was declared carried.

The petition of Chas. D. Quist and others for vacation of south part of Duluth Avenue in Porter's Addition was on motion of Alderman Porter, seconded by Alderman Brumund, laid over for further consideration.

A motion was made by Alderman Brumund, seconded by Alderman Porter, and duly carried that the Mayor and City Clerk be authorized to enter into agreement with the Soo Railway Company for the installation of a white way post on the north side of Third Street in Block 32 O. T. S.

A motion was introduced by Alderman Brumund, seconded by Alderman Porter, and duly carried that in the future the city will not be responsible for hospital bills of city charges unless they are taken in charge by the City Physician.

On motion the council adjourned.

M. V. EVENSON,
President of the Council.

Attest:
P. G. PEDERSON,
City Clerk.

Resolution

At a regular meeting of the City Council held August 28th, 1924, Alderman Porter, seconded by Alderman Brumund, introduced the following resolution and moved its adoption:

FINANCING SPUDS TO BE DISCUSSED AT BANKERS MEET

Conference in This City Wednesday One of 10 Arranged by Potato Exchange

Bankers of Pennington and Red Lake counties will meet at Thief River Falls next Wednesday, Sept. 17, for a conference relative to financing the movement of the 1924 potato crop in this vicinity. Present also will be S. G. Rubinow, general manager of the Minnesota Potato Growers Exchange and Fred P. Fellows, director of finances and members of the Pennington and Red Lake county association's executive boards.

The state exchange is pledged to a pooling plan, the prime purpose of which is to prevent dumping the crop at digging time and to give every member a fair average price for the crop. This, the Exchange will make partial payments, these to begin as quickly as the association rolls enough cars to enable it to make a distribution to all members, whether a particular member's crop has been sold or not. These payments will continue until the crop is sold and the average price determined.

One purpose of the meeting will be to make plans for giving to members of the Exchange such assistance as may be required by pressing obligations. Banks in all potato growing counties are supporting the organization and it is expected that whatever is reasonably necessary will be done according to Seymour E. Hunt, president of the Pennington County Potato Growers Co-operative association.

In a recent issue of the Potato Grower, administrative officers of the Exchange pledged to the membership partial payments as fast as the orderly marketing program is carried out.

Horse Power and Horsesense

Some people who drive cars with the greatest horsepower themselves use the least horse sense.—North Central Progress, St. Paul.

31 Graduates from Rural Schools of County Given Diplomas—12 Boys in List

Commencement exercises were held Thursday, Aug. 28, at the high school here for 31 boys and girls of this county who completed eighth grade in the rural schools. The exercises were presided over by Supt. O. R. Sande, who presented the diplomas. The main address was delivered by Knut Utne of the state department of education, who spoke on the values of education and the importance of acquiring as much of it as possible.

The following were awarded diplomas, about one half of them being present at the exercises:

Delbert Kron, Rosewood, district 2; Doris E. and Margaret Wiener, Thief River Falls, district 4; Halvor Sannes, Wanke, district 9; Aslaug Leirfallum, Wanke, district 10; Sophie Breiland, Hazel, district 11; Ruth Sandum and Olaf M. Schie, Mavie, district 15; Elmer Johnson, Arthur Asp and Gladys Halvorson, Thief River Falls, district 26; Emma Letness, Estelle Hanson and Natalie Woolson, Thief River Falls, district 28; Adeline Solomson, Thief River Falls, district 30; Selma Beiswenger, Evelyn Larson and Agnes Angell, Kratka, district 31; Chester Wilson and Manford Stennes, Plummer, district 35; Florence Knadle, Thief River Falls, district 42; Oliver McEnnelly, Erie, district 48; Ole Homme and Clara Grinde, Thief River Falls, district 53; Harold Stenvick, Erie, district 57; Celaine Presteggard, Erie, district 59; Ortes J. Olson, St. Hilaire, district 94; Eunice Gilmet, St. Hilaire, district 108; Emil Martinson, Thief River Falls, district 147; Bertha Schauk, Plummer, district 148; Helen Wiken, Thief River Falls, district 221.

Twelve of the graduates are boys. It is reported that about 15 of the boys and girls named in the above list are taking up high school work this fall, there being an increased number of students coming in from the country districts. Besides the local high school they attend the high schools at St. Hilaire and Goodridge.

Red Crown

The High-Grade Gasoline

When You Want It—
Where You Want It

Red Crown service rests upon a solid foundation of complete distribution. This service means that at any season, time or place, Red Crown is at your instant command.

The Middle West is checkerboarded into divisions served by bulk stations, motor trucks, tankers plying the Great Lakes, tank wagons serving the farms, service stations every few blocks in cities, and at frequent intervals along country roads.

This service is so flexible that a local interruption due to the elements is compensated immediately by service from adjoining points.

At all times, the Standard Oil Company (Indiana) is prepared to fulfill its obligations in serving patrons with Red Crown Gasoline. Such service functions under all weather conditions. It is as nearly infallible as any human service can be.

The Standard Oil Company (Indiana) realizes that Red Crown is a motor fuel so superior in its efficiency that patrons once having used it will be unwilling to change.

Millions of carburetors are adjusted to Red Crown. Change of fuel usually means incomplete combustion, fuel waste, and innumerable nagging motor difficulties.

When you use Red Crown, you *need* never change your fuel. You will never *want* to change it.

Fill up with Red Crown today. Learn now what perfect motor fuel service is.

SOLITE
(REG. U.S. PAT. OFF.)

A Perfect Gasoline

is for the motorist who demands a little quicker action from his car and is willing to forego extreme economy.

At the following Standard Oil Service Station:
Corner 2nd St. and Main Ave.

And the following Filling Stations and Garages:
McFarland Auto Co., 116 3rd St. W.

SOLDIERS RECORD DISCHARGE PAPERS

Fred Lorentson, Register of Deeds, Has 195 Entered for Pennington Veterans

Nearly 200 Pennington county ex-soldiers are taking advantage of the law which permits registration of discharge papers with the county register of deeds.

Fred Lorentson, register of deeds, last week recorded the 195th discharge paper, Selmer Wahlbeck being the soldier whose paper was entered in the register. The first paper was entered on March 7, 1919, by N. J. Anderson, then Register of Deeds, and was for Glen Richardson, the second being the papers of Rupert Swanson. A total of 133 papers were recorded in 1919 and only nine so far this year.

Of the 195 papers recorded only one is for a marine, A. H. Dorn, and seven are for discharges from the navy. Two certificates of bravery are entered by Robert Nelson and one notice of award of compensation by Derby Anderson.

"We want every member of the Eklund post of the Legion to have his discharge papers recorded with the register of deeds," Oscar Smith, commander of the post, states. "Then if their original discharge papers are lost they can always get a duplicate from the register of deeds office which will serve the same purpose with the authorities as the original papers." Many certified copies have been made from the register's records, especially for veterans making application for a bonus, Mr. Lorentson says.

Bible Lecturer to Discuss World Problems of Today at Auditorium Friday-Sunday

Ever since the World War, thinking people have wondered why such a catastrophe visited the earth. It was thought that war was fast becoming an impossible thing. But the rumbling of cannon and the tread of the soldier were clearly heard by those who had their ears to the ground. A few statesmen knew that war was inevitable; for there were great efforts at preparation made by some of the leading governments of earth. Those who were studying prophecy were confident that there would be at least one more great conflict.

When the trouble broke in 1914 many were surprised, and the surprise grew as the horror of bloodshed increased. The astonishment was even greater when the United States declared war and entered the arena. Clearly the vote of the people had been against it. Gallantly our young men responded to the call to arms. When the deathtoll mounted into the millions many wondered if the end of the world was at hand; if not, and if there is a God, why did He not stop the war? Czar, kaiser, emperor, king, dethroned and set at naught! What did it mean?

Another mystery, perplexing to the minds of the leaders, is, Why cannot the nations get back to normalcy? Why are the economic conditions disturbed to such an extent that it seems impossible to stabilize business and steady the nerves of the country? It is said that the answer is found in the Bible. The prophecies declare that as Adam lost his dominion on earth, it is to be restored to the "Tower of the flock," a phrase which unquestionably refers to Jesus. God established a kingdom in Israel; but because of the wickedness of her kings it was overthrown "until he comes whose right it is," another reference to Jesus.

The International Bible Students association has arranged for W. J. Thorn of New York City to give a free lecture at the auditorium on "World Dominion Being Transferred" in which the prophecies will be presented which describe the orderly transfer of the "kingdoms of this world" from under the selfish domination of Satan to the benign rulership of Christ. The lecture will be given at the city auditorium Friday, Sept. 12 at 2:30 p. m., and Sunday, Sept. 14, at 3 p. m., and is said to be quite edifying and satisfactory in explaining the causes underlying the present world distress.

A detailed announcement regarding the lectures will be found elsewhere in this issue of The Times.

The dollar paid for taxes and the dollar for gas are the same size, but oh how much more agony it causes us to bid goodbye to the former than to the latter.—Fairmont Sentinel.

Poultry High

Due to the fact that little poultry is arriving because the farmers are busy in the fields, the market is higher now than it has been for some time. If you can possibly spare the time now, we believe you will net 35% or more, than you will a few weeks later.

Toddlers' race—Clifford Vevea, 1st; Harold Reynolds, 2nd.

Boys' rope skipping contest—Clifford Wikel, 1st; Merwil Peterson, 2nd.

Receives "Air Mail"

Altho air mail routes have not as yet been established via Thief River Falls, letters nevertheless come here from distant points in such manner. Saturday T. P. Anderson, the county auditor, received a letter stamped "air mail" from Honolulu, it being a communication from Omer Lee, son of Mrs. Dina Lee near the city, who is in the U. S. service stationed at Fort De Russey. A request for reply by air ail was also specified, the letter being carried by train to the twin cities where it is "picked up" by airmen. Mr. Lee, who has been in the service the past couple of years is making an effort to obtain a release to return to his home here, his mother being a widow and needful of his assistance on the farm.

Neset Again Wins Prizes With Rhode Island Reds Entered at Bemidji Fair

Olaf Neset, local jeweler, is not only ably directing a large poultry marketing association embracing the entire Thief River Valley and tributary territory to Thief River Falls, but is also demonstrating that he can raise chickens which are leaders in their class practically wherever they are shown. Recent laurels won by Neset's single comb Rhode Island Reds were acquired at the Northern Minnesota fair held at Bemidji the last of August, where they were given all awards in their class. This is the third year poultry honors are won by the local exhibitor at the Northern Minnesota exhibition. A dozen birds were entered by Mr. Neset.

Mr. Neset has had fine exhibits of Rhode Island Reds at local and neighboring fairs for the past several years and has established an enviable reputation as a breeder of high class show poultry. His collection of prize ribbons would certainly be large enough to "dress up" his flock in a stylish manner.

The size of a dollar depends entirely upon the number of them you have.

Bray Farmer Pays Fine For Attempting to Beat Up Boy

Slapping a 13-year old boy cost Mike Ault, Bray township farmer, the neat sum of $29.30 when brought before Judge N. W. Tarrant in municipal court Tuesday of last week, the complaint being entered by Robert Davies. A fine of $10 was assessed by Judge Tarrant when Ault plead guilty to the charge, costs connected with the hearing making up the remainder of the $29.30.

Grain shipments are coming thru this city on the Soo Line at the rate of from 60 to 70 cars a day this week, reports P. J. Keating, superintendent of grain inspection here. All grain is of exceptionallly fine quality this year, according to the inspector, who predicts greatly increased movement of the 1924 crop in another week or two.

Strengthens Weak Eyes

Old fashioned camphor, witchhazel, hydrastis, etc., as mixed in Lavoptik eye wash, strengthens eyes and relieves any case weak, strained or sore eyes. Acts surprisingly quick. Aluminum eye cup free. F. J. Stebbins, Druggist.

TRACTOR OWNERS

We have introduced four complete and separate lubricating oils that have been accepted with more favor than has ever been accorded any oil.

Over one half of the threshers in Pennington county are using our oil—the others have not yet tried it.

EVERY THRESHER that bought a sample order of our oil IS USING IT TODAY. We emphasize threshers because they are more particular about oils than the average. Several have remarked that our HyVis line of super-refined pure Pennsylvania oils are far superior to anything they have ever used. This is the same brand the Minnesota State Highway Department uses in their trucks and tractors.

We are selling from 5 gallons and up at the regular barrel price while the oil is being introduced.

OUR OFFER IS THIS—

"If our oil, in your opinion, fails to deliver satisfactory service, we will allow you to use 5 or 10 gallons, at our expense."

We extend credit to responsible parties.

BEFORE YOU BUY OIL—SEE US

Home Delivery

Fearful that the name of this store may be misleading it is desired at this time to inform the public of the policy we have adopted. We will, where the credit of the customer is known to be good, carry the account for 30 days, but settlement must be made promptly at the end of that time.

In common with the policy of the other stores of the city we will make delivery of merchandise to the homes when requested.

Confining ouselves to the 30 day limit on charge accounts and running the store on an economical basis will enable us to sell our goods at prices that it will pay you to take advantage of. Next time you are down town drop in and let's get acquainted.

Cool as a snow-capped mountain
Delicious fruit ices ~ easily made

Hot? Well, here's a relief suggestion you'll surely enjoy. Fruit ices—cool as a breeze from the mountain top. And so easily made.

Just pack a can of Del Monte Peaches, Crushed Pineapple, Pears, Apricots, Strawberries, Blackberries, Raspberries, Loganberries—any variety you wish—in an ordinary bucket between equal layers of chopped ice and coarse or ice-cream salt. Let it freeze that way for t[illegible] hours. Then take the can out, punch a hole in the bottom, cut off the other end and turn out one of th[illegible] delicious fruit ices that ever h[illegible] hot days cool.

Slice like brick ice-cream and serve plain or with whipped cream. You'll say it's delicious refreshment for any occasion.

LABOR GOVERNMENT
FASCISM BOLSHEVISM

World Dominion Being Transferred

millions now living will never die

The rapid changes of government among the nations seem only to check temporarily their steady approach to utter collapse.

Thrones are toppled over to make way for military dictators. Officials of republics serve only the selfish interests of big business; and instead of an improvement of affairs, each new move leaves the nations weaker. Suffering is increased; lawlessness becomes rampant; and hopelessness is followed by despair.

This march of the nations toward destruction and anarchy moves onward relentlessly. Armageddon, which nations seek to avert by their unions, leagues, associations, and federations, looms up threateningly.

Yet man need not entirely despair. This troublous period of earth's history was foretold as immediately preceding the new order—a righteous worldwide government.

COMMUNITY INTEREST

There is no community apart from those who compose it.

There is no community interest apart from the sum total of the individual interests of those who make up the community.

All too often nowadays the idea prevails among a large class that community interest should take precedence over individual interest and that, therefore, the community should control the individual both for its own good and his as well.

This is false doctrine. It is for each individual to work out his or her own destiny, and in so doing, build a stronger character and thus develop a stronger community through the strength of the people living in it. There is no way to reverse the process.

Let the community by force deprive the individual of his initiative, his ambition, the fruit of his labor, or the power to shape his own opinion, his own conduct, his faith, and you deprive him thereby of the power to build his character and to make himself.

This is not to make excellence possible, but to produce mediocrity. This does not enrich the community, but impoverishes it.

The weak, who are in the majority, are always ready to control and restrict the activities of the strong, who are in the minority.

The power to work out our own destiny is what we commonly term liberty. But even liberty has its limitations, and the misuse of this power has given rise to the conception that man-made government should control human conduct.

Recognition of the rights of others by the individual in shaping his own life is the essence of liberty and license means the individual has failed to attain self-discipline because of ignorance, greed and selfishness.

Recognizing the interests of the community by all those who compose it is the only means of building up a strong and prosperous community, but the community should not go too far in attempting to deprive the individual of the freedom to work out his own salvation.

BUSINESS SENTIMENT

Business sentiment is changing, according to reports coming from many parts of the country, due to the increases in corn, wheat and hog prices.

Farming communities, such as this, are not alone in feeling the marked effect that the advances have caused, but other sections where the manufacturing industries predominate, have been stimulated by the improvement in the farmer's condition.

While wheat has been leading the march to prosperity, corn is also having its inning, and reports of a small crop in some sections, due to late planting and prospects of early frosts, are sending prices soaring.

Estimates of the world's exportable surplus of this grain are around 725,000,000 bushels, which is 25,000,000 bushels short of anticipated world requirements.

Careful investigations that have been made show that farmers will receive from 10 to 25 percent more for their products this year than in 1923.

The cotton states are prospering and the western farmers are paying their debts, bank reports disclose.

A federal reserve system report shows that bank deposits increased $1,250,000,000 from March 1 to July 15.

This is all cheering news and makes manifest that the much-discussed recovery of business is more than a myth—that it is a reality.

The workers are going to profit with business on the upgrade, but the pessimists and the laggards will accomplish nothing unless they get in tune with the spirit of the day.

The necessity of working for the upbuilding of the home community should be apparent to everyone. The growth and development of each community adds to the prosperity of all. By helping your neighbor, you help yourself, and nothing contributes more to human happiness than a growing, prosperous and harmonious community where all are willing to do their part.

You are a partner in your community. If it grows and thrives, you profit in hard dollars and cents. If its growth is retarded and it goes backwards, you lose. You and your neighbors have the making or breaking in your hands.

Do your share and there will be no question as to the outcome. It means money for you and for your family; it means the same thing for your neighbors.

Speeders lose their devotion to speed when they get in court.

Faithful to the end—Lanpher hats hold their graceful contour, their pleasing colors. As sightly at the eleventh hour as at the start.

The sane price wins your good opinion.

RELIGIOUS INSTRUCTION EVERY FRIDAY IN CITY'S CHURCHES

Children From 4th Thru 8th Grades are Dismissed All Friday Afternoon

Beginning last Friday children in the fourth, fifth, sixth, seventh and eighth grades in the public schools of Thief River Falls are given opportunity to attend their respective church schools for religious instruction during the entire afternoon of that day, instead of only for a period of one hour as was the practise last year.

Under a recent state law the churches may request dismissal of their children from the public schools, when the consent of the parent is given, for three hours of religious instruction every week. A number of the churches here last year united in a request to the local school board for such dismissal one period each week from four grades. Their request was granted without hesitation and this year when the pastors asked for the full time allowed by law the request also met with the consent of the board of education, official sanction being given at a meeting of that body Monday night.

The teachers in the four grades give their pupils a card to be taken home for their parents to sign, giving the teacher authority to dismiss their child to the church school on Friday afternoon. The teacher reports to the pastor the names of the children dismissed and a careful check is kept on the attendance at the churches. The children are given full credit for their attendance at the churches as tho they had stayed in the public schools. Those who do not attend religious instruction in the churches remain in the public schools.

During the past year in which this arrangement has been tried in Thief River Falls the experiment has proven satisfactory and comment in favor of such instruction is general. "Parents as well as the teachers appreciate the great need for additional religious instruction to the children," a local pastor declared to a Times reporter in an interview. The churches decided to begin with the four grades and increase the scope of their school as they are able to carry on the work and make arrangements with the public schools.

The churches which have so far indicated their intention to give this instruction are the Presbyterian, Trinity Lutheran, Methodist, St. John's Lutheran, Zion Lutheran, Augustana Swedish Lutheran, Scandinavian Evangelical and Swedish Mission. The Salvation Army also expects to conduct classes. The Presbyterian and Methodist pastors and the Swedish Mission and the Scandinavian Evangelical are combining forces in the work, which is under the supervision of the respective pastors, assisted by capable teachers.

LAWRENCE LETNES STATE CLUB CHAMP

Wins High Honors at State Show With Ayrshire Calf—Awarded Journal Prize

Lawrence Letness, 18, son of Mr. and Mrs. Jens Letnes of Silverton township, has the distinction of winning the general state championship in the Ayrshire class in dairy calf club work at the state fair this year, being awarded a $100 scholarship by the Minneapolis Journal good at any agricultural school. Young Letnes won with his senior yearling "Tootsie of Dairydale." In addition to winning first prize in the club contest he also won first in the Minnesota open contest and fifth in the open class in competition with exhibitors from many parts of the country. Besides the scholarship, which he will apply to attendance at the Northwest School, Crookston, where he started last year, he was awarded prizes totalling about $30 and may also get a free trip to the International Livestock Show in Milwaukee.

Natalie Woolson, champion dairy club winner at the county fair, was awarded 14th place in the Guernsey class, her calf being of such a restless disposition at the time of the showing that it did not appear up to standard.

Byron Westphal and George Wilson attended the Farm Boys camp as rewards for best club work in county last year, and Randall Noper and Gordon Hunt competed in the stock judging contest, Grace Mostue of this city representing the local bread club. Junior club workers of the state were royally entertained during their stay, particularly at a big banquet given by the Civic and Commerce association of Minneapolis at the new Nicollet hotel.

Among the nine Pennington farmers who attended the fair as guests of the Commercial club of this city, not mentioned in last week's issue of The Times was Anton Jenson. The group of progressive dairymen report a splendid trip.

Representative of Credit Corporation Urges Sheep

C. A. Rand, agricultural development agent for the Great Northern railway from Des Moines, Ia., was in the city the first part of the week in the interest of the Agricultural Credit Corporation in an effort to encourage sheep raising in this community. He stated to a Times representative that the Credit corporation is making a very liberal offer to farmers wishing to purchase sheep, approximately 20,000 animals having been placed on farms in counties in North Dakota bordering the Red River, Cass, Steele, Traill and Grand Forks, under this plan. "More sheep should be raised in this section," he declared in emphasizing the big returns which are made from this industry at a small outlay. While in the city he met with Albert Lonson, secretary of the local loan committee.

The American airmen are in a fair way of being successful in their feat of encircling the earth, and if they are seeking other fields to conquer, they might try a flight to Mars. At an average speed of eighty miles an hour, they could do it in fifty years, providing Mars would stay conveniently close.

Public Forum

Safeguard Bank Deposits
St. Hilaire, Minn., Sept. 8, 1924.
Editor, Times:

Mr. Berve has broached a subject for discussion which has, no doubt, struck "responsive chords" in many minds. His very able and timely letter as printed in the Times and the Minneapolis Daily Star should serve to prod candidates into declaring themselves for or against legislative action to safeguard the bank deposits of the hitherto credulous public, who have furnished the funds to support the banking business.

Candidate Floyd B. Olson, in declaring himself for the state platform of the Farmer-Labor party has really covered the subject of guaranteeing bank deposits by law; but it would be fine if he would make especial mention of the wanton destruction, by the Republican administration of Minnesota, of the peoples' confidence in the complete safety of their savings when placed in banks for safe-keeping. Having control of the last legislature, they refused to pass such a law, which was backed by the F.-L. legislators, because they allowed a powerful lobby delegated by a bankers' association to dictate to the "regulars."

The Republican party organization will have to face the coming election with entire responsibility for the spectacle of thousands of our citizens being, at best, uncertain as to what percentage of their deposits will ever be returned to them after their closed banks have been liquidated by the cashier of some other closed bank, appointed at a handsome salary, taken out of the bank's deposits, for the time spent (usually a long enough time.)

A bank cashier who is an officer of the Republican county central committee of Pennington county told me that where states had guaranteed bank deposits by law, it hadn't "worked well." It would be of interest to know whether it were the Republican party that had the pleasure of "working" it.

They tell us that "bad paper" has wrecked the banks. While granting this, I'll venture to assert that had this state's depositors been assured safety of deposits there would have been such confidence felt as to keep deposits enough to have buoyed these banks which sank, over to the better times we seem to be getting into now. Substantiating that statement, consider the fact that in spite of crop failures and outside financial interests withdrawing funds for loans, the state of North Dakota had fewer bank failures than the state of Georgia during these hard Republican years, because of such a law. But for this law, business in North Dakota would have suffered a far more serious set-back, and thousands more would have been obliged to have "walked out."

JAS. A. DAHL.

Resolution Adopted by Thief River Falls Pastors

Thief River Falls, Minn.,
Sept. 8, 1924.

Whereas it has been brought to our attention that the American Legion in this city has decided to put on a Speed Carnival on Sunday, Sept. 21st,

And whereas we have only the highest regard for the ideals of the American Legion and realize the financial responsibility of the Local Post with respect to the 1925 State Convention,

Therefore, Be It Resolved that we, as Pastors, Church Members, and Fellow Citizens, express our regrets of this ill advised decision to hold such an event on Sunday, the Lord's Day, and thereby preventing many of our people from giving this undertaking of the Legion such moral and material support as they might otherwise desire, and we respectfully suggest to our Legion Post that a more suitable day be selected, and that in the future we request our boys to avoid any unpleasant controversy of this nature.

Statement by Legion Committee

Statement of the committee in charge of the American Legion Speed Carnival to be held at the fair grounds Sunday afternoon, September 21st, in answer to the resolutions of protest made by the various pastors of Thief River Falls:

The treasury of the Legion was depleted through the activities of the members in landing the 1925 Legion convention; the necessity for raising money suggested the speed carnival and it seemed that Sunday is the only day upon which a crowd could be expected to attend; that has been the experience of others. Then again when the protest was filed the Legion had already incurred a great deal of expense.

In other words, we had engaged the various drivers in the events of the day, had printed thousands of bills and had communicated with more than forty Legion posts in connection with the affair. It must be apparent to all that we shall need funds for carrying on the work of the various committees in connection with entertainment of the 1925 convention; the success or failure of such entertainment rests with all the people of Thief River Falls and we sincerely trust that in our efforts to act as the responsible intermediary we may have the co-operation of all.

The Committee.

Ten Thousand Eggs Hatched

A new form of service has been rendered by the poultry department of the Northwest School in the form of custom hatching. Farmers and breeders in the district served by the school took advantage of the increased incubator capacity installed early last spring at the school and had their eggs hatched for them or bought eggs from the school and had them hatched there. A summary of the results shows that 10,226 eggs were incubated this last spring, and 7,186 of these were for the farmers of the Valley, and that 4,985 eggs were distributed for hatching purposes.

NEARLY ALL RURAL SCHOOLS SUPPLIED WITH INSTRUCTORS

Large Number of Teachers Secured are Pennington County Residents, List Shows

With a number of the rural schools in the county already in session and the remainder of them preparing to open within the next few weeks, the teaching corps has been completed except in a few instances, according to announcement this week by O. R. Sande, county superintendent of schools. Most of the teachers engaged have had previous experience in this county and the majority of them are Pennington county residents. A number of them are teaching in the same district as last year.

Salaries, which vary considerably thru the county, are on the whole lower than last year. Most of the teachers employed here have first grade certificates and little difficulty has been experienced in securing instructors, the supply being sufficient to meet the local demand.

Only 15 of the 74 rural districts in the county have not as yet reported the employment of a teacher, the following being a list of instructors signed up by various districts since the list published in The Times in the Aug. 28 issue:

1—Martha Goss, Laporte; 3—Esther G. Larson, Thief River Falls; 4 Clara Oien, route 3, Thief River Falls; 11—Ruth L. Roy, St. Hilaire; 12—Wildavene Denhart, Hazel; 13—Peter Larson, Goodridge; 16J—Helen Radniecki, Wanke; 25 — Myrtle Krause, Thief River Falls; 26—Mrs. Belle Blair Erickson, Thief River Falls; 29—Esther Williams, Germantown route, Thief River Falls; 30—Mabel Shefvelan, Newfolden; 31—Mabel Jacobson, route 2, Thief River Falls; 38—Edith Patten, Thief River Falls; 39—Bertha Hasted, Thief River Falls; 43J—Marvel Zaiser, Red Lake Falls; 47—James Homme, Highlanding; 48—Mabel L. Graff, Goodridge; 51—Ruth L. Satre, St. Hilaire; 54—Augusta Beiswinger, route 3, Thief River Falls; 56—Ruth Roppa, Thief River Falls; 57—Stella Thompson, Kratka; 65—Dena Wold, Highlanding; 70J—Harvey Olson, St. Hilaire; 94—Effie Fredrickson, St. Hilaire; 99—Rose Oski, Mavie; 135—Gunda Engen, route 1, Thief River Falls; 147—Ruth Shefveland, Newolden; 94—Elline Ansensen, Kratka; 221—Clara Sorenson, Thief River Falls; 228J—Mollie Korgen, Newfolden.

Of the teachers hired so far 22 give their home address as Thief River Falls and nine as St. Hilaire. Only three men teachers are on the list to date. It is interesting to note that three sisters, the Shefvelands from Newfolden, are teaching in the county.

Farm Home of Mr. and Mrs. Roman Paulson Just North Of City Destroyed by Fire

The farm home of Mr. and Mrs. Roman Paulson, one and a half miles northwest of the Dakota Junction, just north of this city, was completely destroyed Saturday forenoon by fire of unknown origin.

Mr. Paulson was in this city and Mrs. Paulson was working outside when the fire was first noticed. One child was with Mrs. Paulson at the time she saw the flames and the other was in the house but Mrs. Paulson succeeded in reaching the child and saving it from the flames. Mr. and Mrs. Paulson and children are staying with Mr. and Mrs. Christ Paulson until they can reestablish their home.

LET'S HEAR ABOUT IT

The Times is anxious to get reports of crop yields in Pennington and nearby points in adjoining counties and would appreciate if its farmer readers and others would mail or bring these reports to the office. Hundreds of other readers in and outside the state are anxious to learn how their neighbors in this territory are faring this year and the reports will be welcome news to them as well as to neighbors at home. It will also tend to boost the productivity of this community.

Council in Brief Session Tuesday—Meeting Tonite

The meeting of the city council Tuesday night was a short one on account of the absence of two of the members, viz.: Aldermen Oscar Paulson and Oscar Rambeck. There was little of importance, however, that required attention and it was deemed best that there be a full board meeting when consideration was made of the matter of installing a heating plant in the new poor house. Accordingly adjournment was taken until this evening.

The Union Plumbing & Heating Co. had a bid in for $590 for a steam heating plant, while the Christiansen Hardware Co. had two bids in on different kinds of furnaces, both hot air. One was for $178 for just the down stairs or $372.70 if the entire building was to be heated, while the second bid was for $225 for the lower floor and $466.70 for the two floors.

A communication from the fire department announced the resignation of Ed Aga as a member of the department and the appointment of Henry Froseth to succeed him. The action was duly approved by the council.

Otto Bessler was granted a building permit to erect a garage on lot 2 block 9, Highland addition, at an estimated cost of $100.

Supt. I. T. Simley asked for the free use of the auditorium for Oct. 8, 9 and 10 when the Northwestern Minnesota Educational association holds its annual meeting in this city, and which should bring over 500 teachers to Thief River Falls. The request was unanimously approved.

It Never Fails

Entire Relief of Stomach Trouble Is the Result of Taking Sto-Li-Gal

Thousands of people who have obtained entire relief of suffering are daily telling others to take this reliable medicine. If you desire relief of stomach trouble start on one box today and you will be surprised at the rapid results you will obtain in gassy, sour stomach, pains in stomach and back, indigestion, dyspepsia, dizziness, headache, shortage of breath, heartburn, stomach ulcers, jaundice, torpid liver, chronic appendicitis, gallstones and chronic constipation. For the benefit of sufferers who desire direct information of people who have obtained entire relief we herewith mention a few names of people who will gladly tell you how they were benefited. Minneapolis, Minn., Oscar W. Hokanson, care Hokanson Auto Painting Co.; L. N. Smith, care Smith Engraving Co., St. Paul, Minn.; M. G. Toby, Care Quick Service Battery, phone Garfield 4598; B. O. Allen, 1616 Taylor Ave.; John Hiber, 877 Lafond st. This reliable remedy will give results regardless of age or duration of sufferings. Demand it of your druggist today. Positively refuse substitutes. If he can't supply, then send $1.00 for full combination treatment or 10c for trial treatment to Digestive Chemical Co., 800 University ave., St. Paul, Minn., and same will be sent direct. Sold at Dr. H. B. Newell's and Roy Lambert's Drug Stores.

If you want to sell—advertise.

Polarine
THE PERFECT MOTOR OIL
Made in Five Grades

Is Only 2% of Your Operating Expense—But

—Perhaps you do not stop to realize that that 2%, small as it seems, is a big factor when it comes to depreciation 30%, repairs 30% and fuel 15%—all of them are affected by that little 2% for oil.

Startling, isn't it?

Polarine will save you gasoline—save a large percentage of repairs—reduce depreciation—and increase the resale value of your equipment.

Thousands of fleet owners, who run taxis, busses or trucks for profit and who must keep accurate detailed operating cost records, pay close attention to lubrication. These business men figure cost of repairs, lost time, cost of fuel and every other item of expense. The price of oil may be a consideration, but the efficiency of the lubrication effected is the controlling factor. Because it keeps down all operating costs, these men use Polarine.

Correct lubrication is a prime essential—poor lubrication is false economy—and particularly so, now when science has perfected Polarine, an oil made in five grades, to meet all conditions.

Polarine maintains its body at the operating temperature of your engine. The type of lubrication and cooling system; its piston clearance and general design, all have been taken into consideration.

Consult the chart. The right grade of Polarine specified for your car will minimize carbon deposit and will form a perfect film between the frictional surfaces—a film which resists both heat and wear.

Fill up with Polarine now. Drain your crankcase every 500 miles and refill with fresh Polarine.

Don't abuse a good machine. Oil is cheaper than cylinders and bearings.

Automobile Chart of Recommendations:

ROAD TO LAKE IS ASSURED BY COM. BABCOCK

Plans for Highway to Red Lake Narrows to be Acted Upon At Once

LOCAL DELEGATION AND OFFICIALS VISIT LAKE

Expresses Views on Gas Tax Plan as Being Important Issue to Motorists

Thief River Falls has within an hour and a half's drive one of the finest lakes and beaches to be found anywhere and awaits only the development of a road to make it the best of resorts and as a result of the visit to the lake by Minnesota highway commissioner, Chas. M. Babcock Monday the road seems a certainity within a reasonable length of time.

A large delegation of officers of the Red Lake Resort association and business men accompanied officials of the Minnesota highway department to Red Lake Narrows Monday to view the lake and consider the construction of a road direct from the end of the Elwell state road to the ten mile stretch from the narrows to the ridge. Accompanying Commissioner Babcock were his assistant, John Mullen, Ted Richter, head of the state highway publicity department, R. A. Biller of Bemidji and Gust Flygare of Fergus Falls, division engineers.

At the narrows the party was met by Indian Agent B. N. Dooley and Chief Forrester McKinney. This was the first visit of the highway men to the lake and Mr. Babcock expressed himself as thinking it the finest lake for a resort in the state of Minnesota and was particularly enthusiastic over the wonderful beach. The highway commissioner threw off his dignity long enough to remove his shoes and socks to wade out into the lake and learned for himself that the lake bottom as well as the beach was the finest obtainable for resort purposes. Mr. Mullen stated that he had been told that the lake was a swampy muskeg affair with a grass-grown shoreline and that it was little more than a breeding place for insects, and was glad to see the lake and correct that erroneous idea.

The present plan of Mr. Babcock is to make an estimate of the cost of constructing the new piece of road and widen and gravel the ten mile stretch east of the ridge. Then to apply to the federal department for aid and complete the road from his own budget. He believes that the road construction will begin at a very early date and only wonders that residents of the Red River Valley had not pressed the state department for assistance in the construction of the proposed road sooner.

Included in the party were E. O. Mogensen, president of the Red Lake Summer Resort association, Math Barzen, vice president and Fred Herrick, treasurer of that association and manager of the Thief River Grocery company, Mayor J. S. Arneson, B. F. Umland, county highway engineer, Postmaster Dan. Shaw, Olaf Neset, president of the Thief River Valley Poultry association, Dr. O. F. Mellby, member state board of health, County Auditor T. P. Anderson, F. J. Stebbins, pesident of the Pennington County Auto club, W. W. Prichard, Jr. Glenn Anderson, and L. R. Johnston.

The party of highway men had just returned from a trip to Winnipeg, Man., where they met with a number of business men there and urged the improvement of the road from that city to Emerson. They were accompanied by Mayor Arneson and L. R. Johnston of this city and Dr. Watson of Red Lake Falls. They also made an inspection tour of roads north of this city.

Mr. Babcock expressed himself on the gas tax plan as follows: "Under the new gas tax plan the motorists would pay in nickles and dimes for the roads on which they drive. Those who travel most would pay most. The vehicle which weighs most and consequently wears the roads most will pay most and out-of-state tourists, who now use the roads without any toll collection, will also pay for them every time they stop at a filling station."

ANNUAL MEETING OF FAIR ASSOCIATION FRIDAY, NEXT WEEK

Election of Officers and Other Important Matters Scheduled To Be Taken Up

Closing up the most successful year in its history the Pennington Agricultural Society will hold its annual meeting at the Commercial club rooms Friday evening, Sept. 26, at 8 o'clock, it is announced by Secretary J. J. McCann. In an effort to induce members of the organization to turn out in greater numbers than in previous years officers have decided to serve coffee, doughnuts and cigars at the gathering.

Among important matters to be considered at this time are the election of officers, the hearing of the secretary's annual report of receipts and expenses, the question of erecting a new grand stand, fence and possibly a new barn on the grounds and many other things which require the attention of all members. It is likely that considerable improvement of the fair ground property will be made during the coming year, the association being in excellent financial condition.

While waiting for the big opportunities, keep busy with the little ones.

Campaigner for LaFollette-Wheeler Ticket Will Speak in City Friday, October 3

The Hon. Jas. A. Peterson of Minneapolis, formerly a member of the House of Representatives from Minneapolis, and well known attorney in the twin cities, will give the first national ticket campaign address in this city Friday evening, Oct. 3, at the Princess theatre in behalf of "Bob" LaFollette and Burton K. Wheeler, third party candidates for the presidential and vice-presidential chairs, respectively. The Hon. Peterson is an able speaker, and no doubt a large number of LaFollette-Wheeler boosters will turn out.

Highway Being Completed

The new highway from the Red Lake county line, four miles south of St. Hilaire, to Red Lake Falls has been opened for traffic. The new road from which all grade crossing have been eliminated, is a splendid piece of work and will be one of the finest stretches of road in this part of the state when graveled, bids for which will be received by the state highway department Oct. 7, announcement of which is made elsewhere in this issue. At present the road is being surfaced with clay, making a solid roadbed and is yet in a somewhat rough condition but is passable for any kind of traffic, according to reports.

SUGAR BEET CROP TO BE HARVESTED IS GREATEST EVER

Pulling to be Started Here Next Week—Average Tonnage Estimated High

Harvesting the sugar beet crop will be begun by farmers of the Thief River Falls territory next week, according to County Agent J. J. McCann who has charge of fields here. The stand this year is excellent in practically every field and early estimates place the average tonnage thruout the territory at about ten per acre. The tonnage is somewhat reduced on account of lack of rain during the later part of the growing season, beets requiring a large amount of moisture. However, the average yield this season will be the best since the introduction of beets into this section and with prospects of getting seven-eight dollars a ton farmers here look for a most successful year.

A great deal of forage will be secured from the beet fields this year, the growth of tops being unusually prolific. When fed to livestock beets are said to be equal to ensilage. It is in cost cases put up in small stacks on the field and fed dry, dairy cows benefitting particularly by this form of feed, farmers declare.

The Mexican workers who rave been busy in the harvest fields threshing and filling silos will return to the beet fields when the harvesting of that crop begins. Shipping plans for this territory have not been announced by tht company as yet, this depending upon the rate and time of wrich southern Minnesota beets are received at the Chaska factory. It is likely however, that the crop will be transported over the Soo Line similarly to last year.

Final spurts are being made by the Red River Sugar Co., to line up stock amounting to $400,000 by Sept. 24 to assure the building of a factory at East Grand Forks, an extensive campaign being carried on thruout the valley.

DEPOSITORS URGED TO RETURN SIGNED AGREEMENTS SOON

Citizens Bank Reorganization Committee Reports Much Progress in Work

Following is a statement by W. W. Prichard, Sr., manager of the Depositors' committee of the closed Citizens State Bank:

"From letters received, one of which we publish in this issue of The Times, some are of the impression that unless they signed and returned the 'Reduction Agreements' by the 10th of September that it would be too late. Such is not the case. The Banking Department is willing to grant any reasonable length of time to the committee to work out the reorganization, but the committee is obliged to show from time to time that progress is being made and the depositors are in favor of the reopening.

"There is only one way by which that can be done and that is for the depositors to sign and return the 'Reduction Agreements' that the committee may make the showing.

"Even though you have but a small amount on deposit, please sign and promptly return your 'Agreement.' In so doing you are helping the committee.

"Your attention is called to the letter of our former townman, H. C. Johnson now of Kenseth, Iowa:

"'Received your communication today and I presume it is too late for your date as set forth, but if you are going on with the reorganization let me known and I shall sign the papers and return them to you.

"'Hope you make out to do business. If I was there I'd help you boost, for I know you got to boost, and all pull together if it is to be accomplished'."

At National Legion Meet.

Oscar Smith, commander of the local American Legion post, O. R. Sande, adjutant, Oscar Paulson, Dave Robinson, Leonard Hanson and Henry Froseth represented Thief River Falls at the National Legion convention in St. Paul this week. All but Commander Smith returned this morning. They declare it a grand event.

AUTO RACES TO THRILL CROWDS SUN. AFTERNOON

Everything Ready for Great Speed Carnival by Local American Legion Post

MANY SPEED ARTISTS TO COMPETE IN EVENTS

Special Novelty Races Will Add Interest to Affair—Local Cars Entered

Local speedsters will be given opportunity to "show their stuff" next Sunday afternoon without the serious alternative of facing Judge Tarrant the following morning, a number of speed artists of this city having entered the races to be held at the fair grounds Sunday, Sept. 21, beginning at 2 p. m. The program of automobile, motorcycle and horse races is being put on by the Eklund post of the American Legion, in a first attempt to raise funds towards the holding of the 1925 Minnesota Legion convention in Thief River Falls.

Well known drivers of the Northwest, some of whom have been seen on the track here and who have taken part in important races thruout the country, are assured for the professional events. Among those added to the list since last week's publication are Larry Finlayson, 16-valve Ford, Breckenridge; J. A. Spellane, Essex special, Backus; and A. W. Curico, Ford special, Jenkins. The committee is also awaiting word from Winnipeg regarding the entrance of a prominent driver from that city. It is expected that about nine professional drivers will compete for purses in the five mile, ten-mile and sweep stake auto races, assuring the crowds plenty of thrills.

Motorcycle and Horse Races

Special events will include a three-mile Ford stock car race open for all, an open race for local cut-down cars, in addition to motorcycle and horse races, in which local riders will compete for purses offered by the post. A large number of entries is already listed.

A feature of Sunday's program will be music by the Warren band, which has offered its services for the entire afternoon free of charge in helping the local Legion post in its efforts to prepare for the great convention next year. A good-sized delegation of boosters and speed-fans of the Marshall county seat will accompany the band, other towns of the district also making plans to attend in large numbers. That the city and surrounding vicinity will turn out goes without saying.

Legionaires will be in charge of concessions on the grounds.

POTATO EXCHANGE MEMBERS TO MEET

Meeting Here to Discuss Acreage and Plans for Handling Crop—Warehouse Ready

Members of the Pennington County Potato Growers association, a part of the state exchange, are urged to attend a meeting at the Commercial club rooms in this city next Saturday evening at 8:30, according to announcement by S. E. Hunt, president of the local unit.

Various matters regarding the handling of the 1924 potato crop in Pennington county and the acreage will be considered, Mr. Hunt stated.

Reconstruction of a former machine warehouse on the Soo tracks owned by Rasmus Oen has now been completed, the building having been equipped with the necessary equipment to properly handle the potatoes preparatory to shipping. Graders and an electric motor for running the machinery have been installed. Henry Liden of this city has been secured to take charge of the house here and has been busy getting ready for the moving of the crop.

Digging of potatoes here may start some time next week, according to Mr. Hunt, altho it is not expected that extensive shipping will be carried on until the first of October.

Bids were received Monday for the construction of a potato warehouse at St. Hilaire, the only other warehouse to be used by Exchange members in Pennington county.

The potato crop this year will not be as great as anticipated earlier in the season, the growing season being very short. The crop was late in getting a start last spring and an early frost this year put a stop to further growth. It is reported that there will be quite a lot of small potatoes. Also the acreage here this year is considerably lower than last year, it being estimated as being at least 25 per cent below. Practically the entire commercial acreage here is contracted in the Exchange which has a state selling agency.

Bond of $3000 Placed on H. Haugen; Now in Warren Jail

Herbert Haugen, who was recently brought back from the twin cities by Sheriff Ihle to answer to a charge of carnal knowledge after jumping bail of $500, was taken to Warren last week and appeared before Judge Andrew Grindeland at Warren Thursday for hearing. The case has been continued to the next term of district court and bail was fixed by Judge Grindeland at $3000, which has not yet been furnished in which case he remains in the jail at Warren until court sets.

Court House Basement Ready

New office and storage quarters in the basement of the court house will be completed this week by Contractor Bert Norby, the new rooms to be occupied as soon as they are furnished.

COUNTY TREASURER HAS A SIDELINE GROWING ALFALFA

John Gullingsud not only holds the purse strings of the Pennington treasury but also takes care of a 40-acre farm near Thief River Falls.

Practically every night after he has completed his work in the treasurer's office at the court house Mr. Gullingsrud gets into his car and proceeds to his farm, where he has been quite busy during the past summer performing necessary work connected with the raising of a barley crop. He claims he doesn't have to play golf for his exercise.

The treasurer just completed threshing a good crop of barley, which was seeded this spring as a nurse crop for alfalfa, to which he has seeded part of his farm. The alfalfa is getting a wonderful start this year, Gullingsrud states, and altho seeded the last part of May it has already a height of more than a foot. He plans to harvest a seed crop next year.

CHOMMIE'S ADDRESS ON DEFENSE DAY IS STRONG PEACE PLEA

Exercises at Princess Friday Evening Lightly Attended by Local Citizens

Thief River Falls together with other cities and towns of the nation last Friday observed national Defense Day, an appropriate program being given at the Princess theatre in the evening. Only a small portion of the city's poulation turned out to participate in the exercises, however, the attendance hardly being indicative of the man power of this city.

The significance of the day was thoroly explained by H. O. Chommie local reserve officer, who pointed out the two main purposes of the observance as being a patriotic demonstration and a mobilization test, under the defense act of 1920. This was the first attempt to take an inventory of the nation's manpower and resources, reports being sent to the various headquarters.

"Peace is the object of all good citizens," Mr. Chommie declared. "No one wants war. Nevertheless, every nation in the present stage of the world's progress must look to its defenses. It is but common sense to have some concern for the defense of the country. It is too late when the emergency actually arrives. Even a householder, however peaceably inclined, looks to his doors and locks. No man leaves his safe wide open if he has valuables in it. America and her institutions are valuable and dear to every reflecting and true citizen. Even tho he does not look for war, and the dangers of attack are remote, yet as a prudent and as patriotic citizen, he will be glad to devote a day or part of a day, to the matter of his country's defense.

The speaker denied claims that Defense Day was a mobilization or preparation for war, but pointed out that in past wars the loss of life was greater and the conflict prolonged on account of this country's unpreparedness. Mr. Chommie's address was forceful and to the point, and well received by those present.

An enjoyable part of the program was the spirited community singing directed by Maud L. Johnson, which created much enthusiasm. Postmaster Daniel Shaw presided in the absence of Mayor J. S. Arneson, prayer being delivered by Rev. Chas. Gerlinger, Legion chaplain.

FEATHERED TRIBE GIVEN ATTENTION BY LOCAL NIMRODS

Fewer Hunters Open Duck Season This Week—Only 128 Licenses Issued

Duck season opened this week with fewer local nimrods in possession of a license than for some years past. Up to last evening Auditor T. P. Anderson had issued only 128 small game licenses, as compared to about 300 last year.

Those applying for a license if they had one last year, must sign an affidavit to the effect that they have reported last year's catch to the state game and fish department. The auditor has received a list of Pennington county delinquents.

Reports regarding the number of wild ducks vary, altho it is generally declared that there will be little duck hunting until the northern ducks start winging their way southward, which usually begins the latter part of next month.

TEACHERS WILL BE GIVEN RECEPTION

Parent-Teachers Ass'n Sponsoring Affair at High School Gym October 3

Teachers in the schools of Thief River Falls will be given a reception on Friday evening, Oct. 3, when the Parent-Teachers association meets for the first time this season, announces Mrs. R. Arnold, president. Plans are now being made for an entertaining and interesting program, details of which will be announced later, and it is hoped that school patrons of the city will turn out en masse to greet the teachers welcome at the opening of the 1924-1925 term.

The affair will take place at the high school gymnasium, which has been completely repaired and fixed up

STATE ISSUES CALL FOR BIDS ON HIGHWAY 32

Bids for Graveling Between T. R. F. and St. Hilaire to be Received October 7

ESTIMATED COST OF IMPROVEMENT $12,000

Together With Stretch Near Red L. Falls will Complete Important Link in System

Graveling of the new stretch of Trunk Highway No. 32 between Thief River Falls and St. Hilaire, a distance of 7.4 miles at an estimated cost of $12,000, and 6.8 miles north from Red Lake Falls towards St. Hilaire, also a part of No. 32 and the Jefferson Highway, estimated at $15,000, make up the list of 17 state trunk highway improvement undertakings on which bids will be received Oct. 7, by Charles M. Babcock, state highway commissioner.

Grading Being Completed

Construction on the new route of T. H. No. 32 between this city south to St. Hilaire by Contractor A. T. Crown and a large crew of workmen and teams is now nearing completion the work to be finished some time next month, providing weather conditions are favorable, it is reported.

Work on the project costing some over $25,000 has been carried on during the greater part of the summer, one of the finest road beds found anywhere in the Babcock system being prepared.

The graveling of this stretch of road will complete an important link of the main thorofare thru Pennington county and will mean much in attracting more extensive tourist traffic thru this city, it being a part of the great Jefferson Highway system as well as a state trunk highway.

Grading of the highway from the county line to Red Lake Falls has been completed but workmen are still busy fixing up the road bed, laying a clay surface where necessary.

State to Pay Bonds

County reimbursements bond issues again are making possible the earlier improvements under the more equitable pay-as-you-use plan, highway officials state, but all the work listed will be paid for eventually from motor vehicle tax receipts thru a sinking fund already holding $2,000,000 drawing 4½ per cent interest.

All railroad crossings between this city and St. Hilaire and also between that village and Red Lake Falls have been eliminated.

OWE OBLIGATIONS TO HOME MERCHANT

Backbone of Community Service Found in Support Merchants Give Residents

There is a debt you owe to your home town but whatever the bill is, none will be presented to you for payment. If you do not realize the size of it, nobody will try to tell you. You know what the town has done for you, and you should know better than anybody else what you ought to do for the town.

Two questions may serve to bring the issue home to you.

When your wife and children were critically ill, was it the doctor from the city who pulled them through?

You never even thought of calling him. Your first thought was of the home town doctor, and he saved the lives of your dear ones.

When you lost your job, who gave you credit and tided you over the winter?

It certainly wasn't the store in the city that advertises "bargains" for the country shopper. The merchant of Thief River Falls stood by you then, as he has for others, and as he will again some time when the emergency arises.

If those things have not happened to you, they have happened to your neighbors, and you know about them. Mere money cannot pay for disinterested service such as the doctor and the merchant render under the circumstances. And these instances are not cited with the idea of wakening a feeling of obligation toward those individuals who render us signal serivce on extraordinary occasions, but they are brought up rather, with the view of making every man, woman and child realize his partnership in the community and his responsibility in that partnership which means so much to him.

The doctor and the merchant are not the only men toward whom others in the community owe this obligation to maintain the community as a self-sustaining entity. They are simply given as examples of how the proposition works out.

Happiness and contentment bring about also a rich social life. You get together with your neighbors during moments of relaxation from your day's toil and enjoy intercourse with them. Clubs and organizations unite you in bonds that hold you together for one purpose or another.

A score of other things might be mentioned, but space forbids. There are the material things that minister to the comfort and well-being of the people. Among them are paved streets, concrete sidewalks, corner lights, police protection and a fire department; electric lighting for the home, water, sewer and similar improvements and conveninecees.

The stronger the community spirit the more of these there are. The taxes you pay settles the bills for the things already acquired; the weight of your co-operation with the progressive leaders assures other improvements in the future. Be a home-town man all along the line—patronize home-town merchants exclusively.

Poultry Marketing Ass'n Supplies Arrive—Bought Thru Minnesota Exchange

Two carloads of supplies for the Thief River Valley Co-operative Poultry association, which has started operations in the building formerly occupied by Hall Bros. Hardware company, arrived this week from the supply department of the state headquarters in St. Paul. The shipment includes 1600 farmers' egg cases, a large number of shipping cases and chicken coops, fillers and general supplies necessary for the operation of the central station here and subsidiary shipping points. Boxes and coops are being nailed together by workmen at the quarters on Horace avenue.

Congressional Candidate Here

F. H. Peterson of Moorhead, Republican candidate for congress in the Ninth district opposing Knud Wefald, Farmer-Laborite, was a brief visitor in Thief River Falls Friday, conferring with members of the Pennington county central committee regarding campaign matters. Mr. Peterson reports that excellent crops are being threshed in Clay county, the wheat being largely No. 1 Northern. Mr. Peterson was formerly state senator from his district.

GASOLINE PRICE IS CUT TO 18.1c HERE-GENERAL REDUCTION

Standard Oil Co. Lowers Market in Entire Area and Other Concerns Follow

Gasoline is now selling at Thief River Falls filling stations at 18.1 cents a gallon, following a general reduction in the market price of gasoline by the Standard Oil company of Indiana in the eleven states in which it operates. The price drop took effect here Friday morning, and means a saving to gasoline users here of nearly three cents a gallon, 20.8 cents being the price charged previous to the general reduction.

"This change in markets," the company announced, "is made to meet the conditions existing in the various states, arising largely from the almost continuously unfavorable weather and the resulting weakness in the refinery prices."

Service stations here maintained by other companies fell in line with the Standard Oil in the price cut. The tank wagon price now is 16.1 cents a gallon.

Gasoline prices charged at local service stations the past summer months have been considerably higher than in other towns of this section, as a result of which the city started a war on oil prices and prepared to open a municipal station where gas would be sold at a reduced rate. A great deal of delay has been experienced in getting the necessary equipment and supplies and arrangements for a site are still pending, it is reported.

During the past two weeks prior to the general reduction The McFarland Auto company and Aaseby and Burstad garage sold gasoline at their pumps for 18 cents a gallon, hauling it here from St. Hilaire and Alvarado, respectively.

A local motorist who stopped at a filling station in Oklee, about 40 miles from this city, Tuesday reports that he bought gasoline for 17 cents a gallon. Upon inquiring where the gasoline supply was procured he was told that the gasoline was hauled from Thief River Falls, where stations are charging 18.1 cents a gallon.

POULTRY AND EGGS BEING BOUGHT BY MARKETING ASS'N

First Carload of Poultry to Be Shipped Saturday—Receiving Stations Opened

The first car of poultry will be shipped Saturday by the Thief River Valley Poultry Marketing association which started operations in the Hall Bros. building on Horace avenue. The car was opened this morning and farmers will bring in their live birds until Saturday noon. Those who need coops may get them at the headquarters here, according to Manager B. O. Norby who urges the marketing of live poultry at this time before the rush sets in.

Local receiving stations have been opened at Goodridge, Grygla, Holt, Middle River, Strathcona, Greenbush, Rosewood, Viking, Newfolden, St. Hilaire, Hazel, Oklee and Winger, making a total of 15 stations including the one in this city. Outside stations will take in poultry Friday, while eggs are already being delivered.

The receiving of eggs was started here Monday, P. A. Peterson being the first farmer to sell his eggs to the exchange. It is expected that a carload of eggs will be shipped out Saturday or Monday.

Hiram Palmquist of Litchfield is foreman of the local plant, being assisted by E. M. Davis of the state exchange who will remain a few days getting the enterprise started.

Careful grading of eggs according to weight and quality will be done here under the new plan and shipped direct to the large markets in carload lots.

To Attend National Medical Meet

Dr. P. L. Vistaunet leaves tomorrow, Friday night for Chicago to attend the annual convention of the American Electronic Research association, which opens Sunday for a four-day session at the LaSalle hotel. An informal banquet program Tuesday evening, the 23rd, will be broadcasted by radio. Dr. Vistaunet expects to be back to his practice Friday morning, Sept. 26.

CONVENTION OF VALLEY DAIRY MEN IN T. R. F.

Annual Gathering of R. R. V. Dairymen's Assn. Will be Held Here Nov. 19-20

ABOUT 500 DELEGATES EXPECTED TO ATTEND

Instructive Program will Include Talks on Dairy Problems By Experts

Thief River Falls has been selected as this year's convention city by the Red River Valley Dairymen's association, which convenes for two days, Nov. 19 and 20, it is announced this week by Leonard Houske, secretary of the organization, who was a caller in the city last week. This is the largest and most important meeting of those interested in the dairy industry in this section of the state, an attendance of approximately 500 persons being expected. The selection of meeting place was made by the executive board at a recent session of that body.

An extensive program is being arranged by a committee, prominent speakers being secured to discuss topics of interest to the dairy industry. Conferences and open discussions led by dairy experts will also take up some sessions. Details of the program will be announced later as they are definitely arranged. Secretary Houske was here the latter part of the week to confer with other members of the board, but some of them being unable to be present, it was decided to meet some time this week.

Headed by Pennington Man

Officers of the association besides Mr. Houske are: Stuart McLeod, Goodridge, president; A. R. Knutson, Pelican Rapids, 1st vice president; Marius Waldal, Plummer, 2nd vice president; and E. E. Thorson, Hendrum, treasurer. These men comprise the executive board in charge of the association's affairs.

Last year the association had 266 paid up members, among whom are some of Pennington county's most prominent dairy farmers.

It is expected that the farmers of this community will turn out in large numbers when the meeting is held in this city. It was held here a number of years ago, but the organization has grown to far greater proportions than it was at that time. Last year the convention was held in Crookston and the year previous in Red Lake Falls.

COUNTY'S TEACHERS TO HAVE INSTITUTE WEEK OCTOBER 6-10

Rural Instructors Will Meet In Conjunction With Educational Association

Teachers' Institute week for Pennington county school ma'ams and masters, to be held in Thief River Falls Oct. 6 to 10, will be the best ever conducted here, according to statement by O. R. Sande, county superintendent of schools, who has already completed the preliminary arrangements for the gathering. Besides the 74 instructors of the rural schools in this county, there will also be some from Polk and eastern Marshall county, indicating a total attendance of approximately 100 at the institute here.

Never before have teachers of this county been given the opportunity of such expert instruction and training at an institute, declares Mr. Sande. Geo. A. Selke, former state inspector of rural schools and now professor in the department of education in the University of Minnesota, and Miss Anna Swenson, assistant rural school inspector of Minnesota, both thoroughly familiar with rural schools and education problems, will conduct the institute here, being also among the principal speakers at the big Northwestern Minnesota Educational association meeting which is to be held here on the 8th, 9th and 10th. Supt. Sande will be in charge and conduct sessions to discuss local problems of attendance, reports and various other questions vital to the successful operation of the rural schools. Mr. Sande took a special course of school administration and supervision at the university this summer and is particularly well equipped to give valuable instruction which will aid the teachers during the ensuing term.

The state program which will be presented is based on the Course of Study, put out by the state department of education. Part of the institute time will be devoted to discussions of the objectives, materials and methods in the Course as a whole, with particular stress on methods used in the teaching of reading. The program of physical and health education as provided by the course will also be emphasized, announces Mr. Sande. Instruction will be given in the organization and care of libraries and other details of school work. The sessions will be held at the high school as previously.

The initial meeting of the Teachers' Progressive League, of which Miss Bertha Hasted is president, is also held during the institute, at which time plans are made for activities during the ensuing year.

Practically all the schools in the county will be in session at the time of the institute, the teachers of which are required to close for the week, no deduction in salary being made for attendance at the institute.

To Red Lake

Surveying of the narrows at Red Lake for the recently organized summer resort will be completed this week by Engineer Umland and a meeting called as soon as possible for the alloting of lots.

SOCIAL ITEMS

Topinka-Jackson

Harry Jackson, son of Mr. and Mrs. H. O. Jackson of St. Hilaire, was on Tuesday, Sept. 9, united in marriage to Miss Alice Topinka, according to announcement in the St. Hilaire Spectator. The ceremony took place in St. Paul, where Mr. Jackson has a position with a hardware specialty manufacturing company.

Jornson-Nelson

Miss Margaret Johnson, daughter of Mr. and Mrs. Anton Johnson of Highlanding, and Edwin Nelson, son of Mr. and Mrs. John Nelson, of the same place, were united in marriage at the Zion Lutheran parsonage on Thursday afternoon, Sept. 11, Rev. George Larson performing the ceremony in the presence of Miss Ruth Larson and Noble Larson. A reception was given at the bride's home following the ceremony. The newlyweds will make their home in Hibbing where Mr. Nelson is employed.

Entertains Friends

Mrs. Walter E. Smith on Friday afternoon entertained a number of friends at her home, a social time being enjoyed and refreshments served in the course of the hours. Those included are Mrs. Geo. Biddick, Mrs. V. C. Noper, Mrs. J. T. Bowers, Mrs. B. O. Norby, Mrs. C. T. Orm, Mrs. H. R. Pope, Mrs. Theo. Tandberg and Mrs. W. H. Wikel.

Trinity Y. P. S. Meets

The Trinity Young Peoples society sponsored a rally Sunday evening in place of the regular services in tre absence of the pastor, Rev. S. L. Tallakson. This being the first meeting of the society this fall, the topics, "What Can We Do For the Each Other, For the Pastor and Congregation, and the Synod" were discussed by Superintendent of Schools O. R. Sande, Morris Bye, high school principal, and Harold Nelson, respectively. Mrs. O. F. Mellby and Roy M. Prytz favored the audience with two excellent and well delivered vocal solos, which were particularly well received.

Legion Auxiliary Meets

The Legion Auxiliary of Elmer J. Eklund Post No. 117 had a most interesting and enjoyable meeting at the club rooms Thursday evening when trey met jointly with the Legion.

At the business session, Mrs. J. M. Bishop was elected general chairman of the 1925 convention activities. However she has not yet accepted the appointment and will report at the next meeting. The Auxiliary is staging a food sale at Thompson's cafe Saturday and Mrs. D. W. Robinson, Mrs. Leonard Hanson and Mrs. Harold Provencher were appointed a committee to conduct the sale.

A dancing party was planned for Friday, September the 26th, and a committee of Mrs. Herbert Hanson, Mrs. Lester Hendry and Mrs. Roy Erickson were appointed to take charge of trat event. Legionaires and friends of Auxiliary members will be invited.

The Auxiliary has made plans for meeting jointly with the Legion once a month thruout the winter. Dancing and various diversions will be indulged in and refreshments served by a committee.

Aid Meets in Sections

The Ladies aid of the Presbyterian church will meet in three sections Friday this week. The south section will meet at the church parlors, the northwest section at the home of Mrs. Lee and the northeast section at the home of Mrs. Fred Quale. The aid meets every first Friday at the church parlors as one body and every third Friday in sections.

Birthday Anniversary

Mrs. John Mosbeck entertained at her farm home west of this city Sunday in compliment to her daughter, Minnie, who celebrated her fifteenth birthday anniversary on that day. The afternoon hours were spent in a most enjoyable manner and the hostess served an elaborate lunch late in the afternoon. Those present were the Messrs. and Mesdames Charles Gustafson, A. C. Matheson and daughter, Margie, C. L. Peterson, Oluf G. Winger, and son, Gordon, the Mesdames Geo. Newland, Erling Dahl of Bemidji, Minnie Shetler, Christina Parbst, Laura Feragen and son, Orville, and Gilbert Bakke, the Misses Hannah Gustafson, Christine Clausen, Selma Rustebakken, Mae Olson, Olga Sortland, Jeanette Oftedahl and Leona and Grace Bakke and the Messrs. Herman Anderson, Erick Anderson, Jesse Bakke, Joseph Mosbeck, William Parbst and Peter Oftedahl.

Trinity Ladies Aid

The ladies aid of the Trinity church meets Thursday of next week in the church parlors entertained by Mrs. Nels Larson, Mrs. M. V. Evenson, Mrs. Albert Engen and Mrs. A. J. Oden.

Tunem-Bredeson

Miss Marie Tunem of Granite Falls and S. J. Bredeson, assistant cashier of the First State bank of Plummer were unted in marriage at Fraston on Aug. 31, according to an item in The Pioneer. The bride was formerly employed in the Morrisette store.

For Bethania Y. P. S.

At the home of Mr. and Mrs. Peter Lendobeja, the Bethania Y. P. S. will meet next Sunday afternoon, Sept. 21. The hostesses are: Miss Josephine Lendobeja, Mrs. M. J. Gruettinger, and Mrs. Peter Lendobeja. Everyone is cordially invited.

FOOD SALE

Food Sale at Thompson's Cafe by Legion Auxiliary Saturday afternoon, Sept. 20. Proceeds to be used for 1925 State Convention. Recipes taken from Auxiliary Cook Book.

Dramatic Arts-Dancing Instructor Coming Here

Miss Honora Janet Spencer of the McPhail School of Music, is in the city today to enroll pupils in dramatic arts and dancing classes. While here she is a guest at the home of Mrs. Clarence O. Erickson, local piano instructor, at 708 Knight avenue north. Miss Spencer will come to this city to conduct classes one day every week, and if the demand warrants, two days a week. Classes when fully organized will be conducted in one of the halls of the city.

Miss Spencer has already started classes in Crookston, where she is making her headquarters, and hopes to enroll a sufficient number of people here to make it possible to come here regularly. She has a wide experience in the instruction of dramatic arts and all forms of dancing, having taught at the McPhail school for four years.

Masons Elect Officers

Northern Chapter Royal Arch Masons, No. 82, held its annual election last Friday, the following being named.

Excellent High Priest, F. F. Haynes; King, Dr. J. T. Bowers; Scribe, Joe Strubeck; Treasurer, Theo. Quale; Secretary, Carl Gulrud; Captain of Host, B. Dan Bjorkman; Royal Arch Captain, Oscar Paulson; Principal Sojourner, Ole L. Ihle.

On Monday evening of next week the officers named above and those appointed by the Excellent High Priest will be installed in due form, followed by a lunch.

Men Will Entertain

Morris Bye, I. A. Thune, George Mosfue and Lawrence Mickelson will entertain the Trinity Young Peoples society at the church parlors Thursday evening, next week.

Maccabees Entertain

The Ladies of the Maccabees are opening their season of entertainment Tuesday evening next with a dancing party at the Sons of Norway hall, for members and their friends. Each member may extend invitations to five. Two piece music will be furnished and the affair will take the form of an Old Time dance.

Mrs. Lonson Entertains

Mrs. Albert Lonson entertained a number of her friends at her home at 218 St. Paul avenue north Tuesday afternoon. The hours were pleasantly spent in a social way and at 4:30 lunch was served by the hostess. Fourteen guests were present.

Notice to Eastern Star

School of instruction for district No. 2 Order of Eastern Star which comprises the following Chapters: Ada, Crookston, East Grand Forks and Thief River Falls will be held at East Grand Forks Friday, Sept. 26, at 7:30 p. m. Worthy Grand Matron Mrs. Fannie Newman of State of Minnesota will be present. Winslow chapter No. 182 will put on the closing ceremonies. Arrangements are being made to provide cars for all wishing to attend. Anyone wishing to make the trip will please notify Mrs. A. M. Heggem or Mrs. Malritz Brink on or before Saturday, Dec. 20. Cars will leave the Masonic hall Friday afternoon at 2 o'clock, returning the same evening, immediately after the meeting.

May Organize Sorority

Initial plans are being laid for organizing a Delphian sorority club in this city this week. Miss Jessie A. Jackson of Sioux City, Ia., was in this city yesterday and will be here again tomorrow for the purpose of making preliminary arrangements if there is a large enough call for the organization.

From what the writer gathered from what was said during Miss Jackson's brief stay in the city yesterday, the club is somewhat on the principle of a reading club. The Delphian course is unique and enables the busy housewife to keep fully abreast of the times. Meetings are usually held twice a week and topics discussed from a sociological viewpoint. After 18 months membership in the club, which entails a cost of $3.50 per month, the member is paid up for life and is an associate member in any sorority club in the country. It is said that the Delphian club is to the women what the Rotary and Kiwanis clubs are to men. Women of all ages are eligible.

MUCH TRAFFIC THRU CITY CENSUS SHOWS

Road Census Indicates Steady Increase in Use of Minnesota Highways

Thif River Falls, Crookston and East Grand Forks lead in the number of cars passing over trunk highways in those vicinities, according to a traffic cencus just completed under the direction of Maintenance Superintendent B. W. Sewell. The census was made on all state trunk roads in the firth road district and every check made showtd an increase over similar county made last year.

All classes of vehicles were counted at the observation post stationed about a mile from town to avoid counting regular town traffic. Count was made during 18 hours of the day, observations here being made on the Jefferson Highway, T. H. No. 32 south of the city and T. H. No. 33 going west.

Following is a table showing the count as made at Thief River Falls:

	T. H. 32	T. H. 32
A cars	2128	1902
B cars	1708	1632
Other states	131	151
Trucks	131	107
Teams	156	180

Following is a table showing the daily average of cars counted:

Observation	1924	1923	1922
Crookston	998	821	659
East Grand Forks	875	712	429
Thief River, No. 33	486	261	297
Thief River, No. 32	530	319	255
Warren	434	367	283
Roseau	344	235	82
Red Lake Falls, 32	249	210	149
Red Lake Falls, 65	224	208	178

GRAIN GROWERS ARE OPPOSED TO CHANGE IN ROUTING METHOD

Cars Must be Billed Thru to Terminal Markets Without Hold-over Privilege

Grain growers and shippers in the Northwest are condemned to lose several cents per bushel on a large part of the grain shipped to terminal markets in Minnesota, because of a ruling just adopted by a committee of the Northwest Regional Advisory Board of the American Railway association, it is asserted by the Minnesota Wheat Growers Co-operative Marketing association.

For many years it has been the custom of the Great Northern, Northern Pacific and Soo Line Railroads to hold cars of grain at interior division points for the drawing of samples for official inspection, and thus avoid congestion and delay at their terminals in Minneapolis, St. Paul and Duluth. At the request of these railroads, sampling stations have been established by Federal and State authorities at Willmar, Glenwood, St. Cloud, Staples, Cass Lake, Sandstone and Thief River Falls.

With the establishment of these points as official sampling stations, it has also become the custom for many shippers of grain to take a rightful advantage of this hold-over rute in the shipment of their grain to terminal markets. In some cases they have consigned cars directly to these points for inspection, and then reconsigned to Minneapolis or Duluth by short haul, according to the condition of the market. In other cases *they have consigned through to Minneapolis* or Duluth, with instructions to hold at one of these intermediate points for inspection, and with the privilege of diverting to the other terminal market by short haul, should the price be more favorable.

Now, by action of the Joint Terminal Grain Committee of the Northwest Regional Advisory Board, these intermediate consignment privileges are withdrawn. It is the contention of the committee that the use of those stations by shippers as intermediate consignment points is the cause of much more congestion and delay than is caused by the mere sampling of grain at these points, and that all such causes of congestion and delay must be remedied in the present crop is to be moved. Cars will still be held for sampling at these points, but shippers must bill through to the terminal markets of Minneapolis, St. Paul or Duluth.

Wm. J. Brown of Thief River Falls, president of the American Wheat Growers Associated, which is the central selling agency for the Minnesota wheat pool and other state pools in the Northwest, has uttered a vigorous protest against this action by the committee and by the railroads concerned. "I consider it an outrage against the grain growers of the Northwest," said Mr. Brown, "that this ruling was made without giving the representatives of the grain growers any chance to be heard.

"The ruling of the committee was made on September 11th. Learning from other sources that some such action was contemplated, I endeavored to present the arguments of the grain growers to the committee and requested opportunity to present evidence to substantiate our position; but was denied admittance to the committee room. I was promised by two members of the comittee, however, that no final action would be taken that day. Then the committee did take final action, with no other advice than that of five railroad representatives present and a representative of the State Railroad and Warehouse Commission.

"I contend that any congestion and delay removed by this ruling from the intermediate sampling points will merely be added to the congestion and delay at the terminal markets. I contend also that car conditions at intermediate points could have been improved by other means than the taking away of the only discretionary privilege the farmer had in the marketing of his grain. The voice of the farmers of the Northwest undoubtedly will be heard in regard to this arbitrary and discriminatory action."

A Warning

When street lights are broken five times in a week and replaced just as often it is no wonder that the Water and Light department is sorely vexed and threatens to take drastic action to stop this maliciousness.

Superintendent Ole Legvold today stated to a representative of The Times that the practice of boys in shooting out the street lights had become unbearable and unless the parents see to it that their children cease this deliberate pasllation, the culprits will be taken into custody by the police and dealt with accordingly, probably with a $10 fine the first time and double that for a second offence.

Entertain Jointly

Mrs. L. M. Rayson and Mrs. C. A. Nason were joint hostesses Saturday afternoon when they entertained a large number of their friends at the home of Mrs. Nason at 210 St. Paul avenue south. The hours were spent at cards and Mrs. M. C. Burns won high honors. Refreshments were served at five o'clock by the hostesses. Sixteen ladies were present.

Manager Brumund Secures Special Feature Pictures from Paramount Producers

Manager H. A. Brumund of the Thief River Theatre company announces the booking of fall and winter attractions including the famous 40 new Paramount pictures, the pick of the latest big special features turned out or now in the course of making, which will be shown to theatre patrons during the ensuing season.

These pictures, with a wealth of famous stars, are everywhere conceded to be the greatest screen offerings of the year, and the fact that Mr. Brumund has contracted for this collection gives assurance that theatregoers of this community will be privileged to see the best as well as the latst in filmdom. The latest releases from the First National Picture corporation are also included in the season's bookings.

The picture released from these two companies are all taken from well known plays, books or magazine stories. "Never in the history of the motion picture industry have such strides been made as at this time," declares Mr. Brumund. "All the big pictures this year are carefully selected by the best directors, who then select the stars to fit the roles in the story. The favorite stars will be seen in roles that best suit their appearance, personality and ability."

The short subjects booked for the season are the Pathe' Comedies, including the Sennets, Ben Turpin, Will Rogers and the "Our Gang" series; the Educational, including the "Jack White Special," Christie and Ham Hamilton comedies.

A few of the big attractions which will be seen here are: "America", D. W. Griffith's supreme achievement and regarded as the biggest since the "Birth of Nation," will be shown Oct. 2, 3, and 4; "The Covered Wagon," Oct. 6, 7, 8 and 9; Rudolph Valentino in "Monsieur Beaucaire"; Gloria Swanson in "Manhandled"; Mary Pickford in "Dorothy Vernon of Haddon Hall"; "Perfect Flapper"; "Single Wives"; "Flirting with Love" and other releases which will be announced thru the Theatre company's ads in The Times.

Seven "Reactors" Found in Local Herds by Inspector

Seven cows infected with T. B. were discovered last month by Dr. L. R. Twete, city dairy inspector, according to his monthly report filed with the city council a week ago Tuesday night. These cows were all ordered killed and the owners will be paid by the state for the loss thereof. This is the largest number of reactors found in any one month since the installation of the department a year ago.

The health of the city, the council believes, is much better protected since this inspection was inagurated a year ago. The quality of milk and cream offered for sale to the people of the community is also much improved, for the nine large dairymen selling milk are now trying to bring the standard of their milk to as high a level as they can.

The report as filed by the inspector reveals the fact that 64 cows had been given the tuberculin test during the month of August. Of the 40 samples of milk tested for butterfat only three were found to be illegal, while only one out of 10 was so classed of the cream tests. Sediment tests of 40 samples showed 30 clear, nine fair, one poor and none dirty; the specific gravity test of 40 samples showed only five illegal.

The library filed their report this month instead of holding the same for six months as of late. It showed 416 volumes of juvenile fiction loaned during the month, 209 of non-fiction; 737 of adult fiction and 63 of non-fiction—a total of 1,415 books loaned to regular borrowers. The estimated reading room attendance was 2,500 while there were five new adult patrons and a like number of juvenile.

The city had a cash balance the first of this month of $12,312.21 compared with $12,729.96 the previous month, the receipts and disbursements having been $4,021.41 and $4,439.76 respectively, according to the report of the clerk, P. G. Pederson. The report also showed receipts in the light department of $3,385.88.

The police department showed unusual activity during August, according to the report of the chief of police, A. D. Ralston. There were arrests as follows: One for insanity, two for being drunk, two runaway boys, one disorderly conduct and one for assault.

Judge N. W. Tarrant reported collection of fines and fees for the past month totalling $60.

Fourteen Attend Tourney

Thief River Falls was well represented at the Golf Tournament at Grand Forks Sunday, 14 of the local enthusiasts motoring over for the event. Those who made up the group are Dr. and Mrs. O. F. Mellby, Mr. and Mrs. Nels Christenson, Mr. and Mrs. Don P. Gamble, Mr. and Mrs. H. O. Chommie, Mr. and Mrs. F. C. Nichol, W. A. Barnard, Kern Olson, G Howard Smith, and F. H. Herrick. They were entertained at dinner at the Dacotah hotel by the Grand Forks club.

Crookston Aggie School Opens Term October 1st

Pennington county will be well represented at the Northwest School of Agriculture when it opens its nineteenth year on Wednesday, October 1, judging by advance registrations. A greatly increased enrollment will be in attendance. Information received from the Northwest School states that on the average five new students are being registered each day. The good returns from this year's crop and the better financial condition among farmers generally is reflected in this increased registration.

Four new faculty members will begin their work at the school. They are Miss Bernice Nolan, who will return after one year's absence to take up the work in domestic art; Miss Norma Helen Rupert, assistant in English; Miss Reefa G. Tordoff, instructor in piano, and Miss Alva Sherwood who will teach the business training subjects. All the other members of the faculty will be the same as last and preceding years.

DR. SPOFFORD

Chiropractic
When there is misalignment of a vertebrae of the spine it causes unequal pressure between two articular surfaces and friction. Heat and inflamation is the result affecting surrounding structure and the nerve passing out between these vertebrae produces trouble in organs or part where this nerve leads to. Chiropractic adjustment will remedy the cause. When in doubt X-ray will show the exact condition and make the adjustment more effective.

Why the "Progress" Was Small

No doubt in looking over the "Progress" for the last week the students and perhaps others wondered why it was so small. Doubtless these readers are blaming the staff of the "Progress" for its size. The editors had prepared a respectable amount of copy, but The Times was so crowded with news and advertisements that only a little space could be given the "Progress." As the space for the school paper is donated by the publishers of The Times, the amount of room given to it will naturally depend upon the amount of other material they have to publish.

Dere sun Ikey:

Rec'vd yours truly's letter last efening and will immediately answer. Hi am very glat dat you have located nicely and hope dat you sukseed in your studies. Stick to it my poy and ven you graduate I vill gif you that watch in Goltman's window. I see dat he has marked hit down to twofiftie now. Please excuse my riting, I ai'nt had much practise lateli. Glat to here dat Thief River is a blooming place maype I will open up a branch house dere som time. I solt those fire damaged suits to some boys from de tall timbers for thirty iron men each. Dey fell for it like the wimmen do for Rude Valentino. Dot gifs me a profit of twenty-five dollars each.

Rankenstein is in the cooler. He tried to gif his goots a singin and they gave him three years for arson. Dat is too bad—he owed me fiftie cents.

Well, sun, dis is awl I know. So will close. Watch your step and don't wear out your suit yet.

Your loving father,
IBE J. COHEN.

NATIONAL DEFENSE DAY OBSERVED BY LINCOLN HIGH FRI.

H. O. Chommie Delivers an Interesting Address on the Importance of the Occasion

Last Friday morning general assembly was called for the purpose of observing the day set aside by President Coolidge as Defense Day. The session was opened with the singing of the "Star Spangled Banner" and other patriotic songs under the direction of Miss Maude L. Johnson. After this a splendid talk was given by Lieutenant H. O. Chommie.

Mr. Chommie in part said:

"Many citizens of the United States as well as other countries have entertained false ideas concerning Defense Day in general. There is nothing militaristic or undemocratic in providing some means of protecting our country from the possibility of war. Just as a door lock is used to prevent invasion into our homes, the National Defense Act is providing a means of defending the citizens of America and their homes from any atack by other nations. The idea of war is very remote at this time, and we do not want it any nearer, but nevertheless, the possibility of such still remains.

"Since the National Defense Act was passed, there has been only one army, under which there are several sub-divisions known as the Regular Army, National Guards, and the Organized Reserve. As a day on which to test this army, President Coolidge has chosen September the twelfth, which will be known in future years as Defense Day."

Mr. Chommie gave a very fine talk and the students consider themselves fortunate in securing this able speaker to address them on any occasion.

H. S. Band Progressing

The band is in full swing, with practices every Wednesday and Thursday evenings. As yet the greater portion of the work is spent on drilling and mastering the rudiments. Thursday night is to be held open for individual and group instruction, as required.

The membership has reached seventeen, with prospects of more. With the arrival of the new music, the band will undoubtedly become a highly enjoyable and profitable organization. It is desirable that the membership be doubled. Bring your instrument to the next meeting, or report to U. H. Reque, director.

Juniors Meet

At a Junior class meeting held last Friday for the purpose of electing the new class officers, the following were elected: President, Sannia Erickson; vice president, Leigh Anderson; secretary, Lillian Johnson; treasurer, Elsie Vorseth; sergeants-at-arms, Margaret Blaska and Leonard Helgeland. Miss Doreen Finnegan was chosen class advisor, and Principal Morris Bye as chaperon of the class.

Get Large Yields

Martin McAndress, farmer south of here, finished threshing last week and is reported getting a yield of 40 bushels to the acre of wheat, barley running about 45 and oats 50 bushels to the acre. Anton E. Anderson, farmer east of St. Hilaire, reports that his wheat yield average between 30 and 40 bushels an acre.

Girls! Have Pretty Eyes

No girl is pretty if her eyes are red, strained or have dark rings. Simple camphor, witchhazel, etc., as mixed in Lavoptik eye wash, keeps eyes healthy, sparkling and vivacious. Dainty eye cup free. F. J. Stebbins, Druggist.

Many Premiums Awarded High School Students at Pennington Co. Fair

The educational exhibit at the Pennington County fair was exceptionally good this year. Many high school students won prizes in some of the different departments. The following students of Lincoln high school have been reported as prize winners:

Henry Arneson—Pencil drawing, 1st; Kenneth Christie—Table lamp, 1st; Goldie Gunderson—History map book, 1st; Beatrice Holmes—Collection of Freshman themes, 2nd; Ernest Jaranson—Candlesticks, 1st; Walter Mollum—Table lamp, 2nd.

Lois Nicholson—Divinity, 1st; Sophomore themes, 1st; English themes, (best collection of all), 1st; history map book, 2nd; cooking booklet, 1st.

Marie Olson—Crochet scarf ends, 1st.

Margaret Patten—Graham bread, 1st; doughnuts, 2nd; pickels, 2nd; Rye bread, 1st; jollies, 1st.

Marion Reynolds — Collection of Freshmen themes, 1st; English themes (best collection of all).

Delton Rhodes—Laboratory notebook, general science, 1st; radio cabinet, 1st.

Eugene Richter—Fudge (candy), 2nd.

Isabel Richter—Fudge (candy) 2nd.

Normal Notes

Liv Vistaunet, one of the last year's Seniors, has enrolled in the normal training department.

The normal department can now boast of having three young men among its members. They are: Thomas Belland, Walter Olson and Henry Vorlicky.

This week the future teachers will visit the rural schools as part of their work in observation. One class will go out in the forenoon and one in the afternoon. The plan is to visit two schools on each trip.

The normal training students held their annual meeting last Wednesday for the purpose of electing officers for the year. Gladys Johnson was appointed temporary chairman.

The following officers were elected: President, Hazel Krause; vice president, Bertha Holthusen; secretary, Esther Melbus, treasurer, Camille Warner.

Friday, September twelfth, the normal students had their first entertainment of the season in the form of a weiner roast. Because of the bad weather, it was necessary to use the normal rooms. At three o'clock the tables were removed and games were played until five o'clock when lunch was served.

Everyone had an enjoyable time and is eagerly looking forward to the next social event.

August Butter Prices Set

The Minnesota Co-operative Creameries association announces that its price to members for butter delivered during the month of August will be three-quarters of a cent above "extras" for its Land O' Lakes brand of butter, and the regular New York market quotations on all other different grades.

In a communication to the Minnesota Farm Bureau Federation, A. J. McGuire, manager of the creameries association, explained that the prices paid were established by taking an average of butter prices from August 15 to September 15. "We are paying 39¼ cents for Land O'Lakes tub butter and 40 cents for print butter," said Mr. McGuire.

"August is always the worst month of the year, so far as quality of receipts is concerned. We are glad to report, however, that 57 per cent of our August receipts this year scored 92 or above."

Judge is Horticulturist

The following item from the Warren Sheaf regarding Judge Andrew Grindeland, father of Mrs. O. F. Mellby of this city, will be of interest to Times readers:

"Judge Grindeland has several hobbies, besides fining bootleggers, and one of them is to plant apple, plum and cherry trees besides other things that grow. His orchard is easily the banner orchard in the city and perhaps in the county. Half a dozen varieties of apple trees most of them well loaded with apples, several kinds of plum trees, and Norway and Compass cherries are growing luxuriantly in his orchard today, also grape vines loaded with clusters of grapes that would do justice to California. The judge has demonstrated that many kinds of fruit can be grown here successfully with a little attention."

Get Good Yields

J. H. Knutson, farmer near Holt reports a yield of 54 bushels an acre of rye, according to the Holt Weekly News. John Holt threshed 2,465 bushels of oats from 29 acres, an average yield of 85 bushels per acre. Fred Voth threshed oats which yielded 68 bushels to the acre.

D. B. C. TRAINING LEADS TO $UCCE$$

V. E. Anderson, a graduate of Dakota Business College, Fargo, is rapidly following in the footsteps of 227 other "Dakota" students who have become bank officers. Upon graduation, Anderson was sent to the Devils Lake State Bank. He has recently been advanced to Assistant Cashier.

At "Dakota" you *practice* business as well as *study* it. Better positions and opportunities are open to you. All Fargo banks and 685 others employ "Dakotans." Watch each weekand "Follow the Succe$$ful." Write *today* to F. L. Watkins, Pres., 806 Front St., Fargo.

ALUMNI WIN OVER LINCOLNITES IN A HARD GAME ON SAT.

High School Shows Up Well Against Former Stars Of The Gridiron

After two weeks of hard work the football team is gradually rounding into shape. The squad has been going through all the elementary work such as blocking, tackling, charging, carrying the ball and all the other rudiments of the game. The team is progressing very well and the prospects for a bhilliant season are very favorable. A short scrimmage is held every afternoon and on Wednesday is the big scrimmage of the week. The public is invited to watch the "bloody Wednesday" practices.

Last Saturday a practice game between the high school and the Alumni composed of the stars of former years was played. Although it did not end in a victory for the high school it nevertheless showed that they had the speed and the plays to beat most other high schools. Ground was made consistently against such hardened players on the Alumni lines as "Kip" LaBree, Charlie Herron, Harold Smithers, Joe Weirus, "Stan" Sorenson, "Toby" Holmgren and Math Barzen.

The Lincolnites showed up well on defense. Coach Thune, "Rusty" Anderson, Roy Brown and Jordan Penney, who played in the backfield for the Alumni had to play hard to make ground against them.

The game ended with the score 18 to 6 in the favor of the Alumni. Coach Thune, "Rusty" Anderson and Jordan Penney each made a touchdown for the Alumni while Sylvester Wengeler crossed the line once for the high school.

This game was very helpful to the high school team as it showed their defects and also gave them a chance to play in a game before the regular scheduled games with outside high schools.

Personals

Harriet Morgan, of last year's Senior class, visited school Friday morning.

Althe Gabrielson and Bernice Hoppa visited over the week end with friends in Middle River.

Cleon Bottleson of the class of '24, visited school Friday afternoon.

Howard Davidson entered school last Friday.

Donald McCrum began school on Monday.

Myrtle Mellum has been on the sick list for two weeks.

A number of the Junior girls have been helping Miss Leavitt arrange the new books that have arrived.

Albert Stengelsen, who has been attending summer school at the university of Minnesota, visited school on Monday. He was a member of the class of 1923.

Spending Vacation Here

Glenn Anderson and family arrived Wednesday of last week from Minneapolis to spend a couple of weeks at the home of his parents, County Auditor and Mrs. T. P. Anderson. Glenn is taking a course in commerce at the university under the vocational training act for war veterans, which he will complete next spring. He has only a two-weeks vacation at the close of the summer semester.

Carriers Examination

The United States Civil Service commission has announced an examination to be held in Thief River Falls on Oct. 11, to fill the position of rural carrier at Grygla and vacancies that may later occur on rural routes out of that post office.

Who Is the Standard Oil Company?
(Indiana)

THE Standard Oil Company (Indiana) is a corporation, organized under the laws of Indiana; composed of 49,451 stockholders—of whom 11,000 are women—not one of whom owns as much as 6% of the total stock.

It is managed by a Board of Directors of ten men—

R. W. Stewart	Chairman
W. M. Burton	President
W. E. Warwick	Vice-Pres., Gen. Mgr. Mfg.
B. Parks	Vice-Pres., Asst. Gen. Mgr. Mfg.
E. G. Seubert	Vice-Pres., Secy-Treasurer
Allan Jackson	Vice-President
R. H. McElroy	Traffic Manager
E. J. Bullock	Director of Purchases
T. J. Thompson	General Manager, Sales
John D. Clark	Vice-President (Assistant to Chairman)

Every man on the Board of Directors of the Standard Oil Company (Indiana) has come up from the ranks and earned his place by sheer ability.

Every director of the Standard Oil Company (Indiana) lives in Chicago and devotes his entire time to the affairs of this Company and to no other.

The Standard Oil Company (Indiana) acknowledges no allegiance to any other organization. It stands on its own bottom.

The outstanding characteristic of the Standard Oil Company (Indiana) is its ideals of service.

Its management—its stockholders—its 27,160 employes—all are imbued with the single idea, that enduring success is achieved through service; that through service comes profit.

It is by strict adherence to this idea and to the every day practice of the principles of fairness, equity and justice to all—customers and competitors alike—that has made the Standard Oil Company (Indiana) one of the truly great institutions of service in America.

Guard Your Mouth

Let WRIGLEY'S be the guardian of your mouth and throat.

It will combat trouble of various kinds. It helps to keep the teeth free from food particles that ferment and cause decay.

It has an antiseptic effect. It relieves acid mouth and thus not only prevents harm to the teeth, but serves to sweeten the stomach.

It stimulates digestion and helps to prevent the forming of gas that causes dyspepsia.

Read from a widely known medical work:

"Chewing gum aids tooth nutrition and the cleansing action is a definite benefit—it prevents dyspepsia. Good chewing gum is excellent for bad digestion.

Four brands—different flavors—all made from best ingredients obtainable.

Sealed in its purity package—fresh, clean and full-flavored

E14

So we say, after every meal
WRIGLEY'S

Rules of Contest

1. Contest open to all persons except bus owners, employes, Association officers and their families.
2. First prize, $75; 2nd prize, $50; 3rd prize, $25; 4th, 5th, 6th, 7th and 8th prizes $10 each; and $5 each for the next best 10 letters.
3. Letters must deal with this subject: "How Motor Bus Transportation Serves My Community and How It Could Be Improved."
4. Letters will be judged for their constructive thought rather than phraseology, but neatness and originality will be considered.
5. Send as many letters as you wish, but have name and address on each and write on one side of paper only.
6. Judges will be announced later and their decision will be final.
7. Letters submitted will become exclusive property of Association and may be used as it sees fit.
8. Contest now is on and closes promptly at 6 P. M., October 15, 1924. Letters received after 6 P. M. October 15, 1924, will not be considered.
9. Letters must not exceed 500 words.
10. If more than one person submits the same idea, or ideas, in the same neat and original manner which win cash prizes a duplicate prize will be given each person.
11. All names of winners will be published.
12. All letters must be sent to Contest Editor, Minnesota Motor Bus Association, 1121 Merchants Bank Bldg., St. Paul, Minn.

$250.00 IN CASH PRIZES

for one little IDEA

You can win it! All you need is a sheet of paper, pen and ink—or a typewriter—and an idea! Then sit down and write!

Minnesota is leading the country in motor bus transportation. Last year Minnesota buses carried 8,790,000 passengers. The bus operators paid over $150,000 in cash for insurance to protect passengers. To date this year the bus operators have paid over $150,000 in taxes to the State of Minnesota. The average bus pays a tax of $500 a year as compared to $16.00 paid by the average pleasure car.

The bus owners, fully appreciating that operating a bus line is a distinct public service and absolutely essential to the building up of their respective communities, have formed the Minnesota Motor Bus Association the better to unify their service and develop it for the public good.

This Association wants to pay you for your cooperation to the best of its ability and is offering $250 in cash prizes for the 18 best letters written on this subject:

"How Motor Bus Transportation Serves My Community and How It Could Be Improved"

You know how motor buses have made travel more convenient, safe and comfortable for your community and helped build it up. Tell us about it. That's easy. And you surely can think up an idea to improve it. Tell us that also. That's all you have to do. Now—right NOW is the best time to write that letter. Ten minutes' effort may win $75, $50 or $25 for you. You don't have to be clever or learned. It's your ideas we want, written your own way, in your own words.

Don't delay. Write it today and mail it to

BALLOON GUM-DIPPED CORDS

Read What a Few of Them Say—

"They ride beautifully over any kind of going."—J. F. Bicknell, Worcester, Mass.

"Skidding is done away with on wet streets at high speed."—Geo. P. Ball, Fairfield, Ala.

"None of that terrible jarring and jolting to the car or to occupants."—H. V. Nelley, Rockford, Ill.

"Feel sure depreciation will be cut 25% to 50%."—A. N. & J. A. Williams, Nashville, Tenn.

"Absence of skid or slip even on snow and ice is really wonderful."—Alvan T. Simonds, Fitchburg, Mass.

"Have used less gas for same mileage with more power."—F. Davison, Greeley, Colo.

"I have more power, the car steers easier and rides easier."—J. L. Johnson, Northfield, Minn.

"The gas mileage is holding up to 20 miles per gallon as before."—B. H. Avery, Bowling Green, Ohio.

"291 miles through snow, mud, bumps and water without chains in 13 hours."—Sam Thompson, Hettinger, North Dakota.

"Saving in wear and tear on car a big factor in putting on Firestone Balloons."—C. A. Allen, Jr., Chicago, Ill.

"40 miles an hour over rough road without feeling any shock whatever."—Harry A. Dorman, Sacramento, Cal.

"Good for an average of ten miles more per hour over bad roads."—Kirk Brown, Montclair, N. J.

"12,362 miles on demonstrator car with as much mileage left to run."—Conrad A. Smith, Boston, Mass.

ASK any owner of full-size Balloon Gum-Dipped Cords about the comfort, safety and operating economy they are giving him. Let his experiences give you the facts about these wonderful tires. His comments will match these almost word for word.

There are hundreds of thousands of Firestone Gum-Dipped Balloons on the road today. Wherever you drive you see them—and you cannot help but notice the new enjoyment these owners are getting from their cars.

This immensely increased production has brought about many manufacturing economies, which you can take advantage of today by equipping your car with Balloon Gum-Dipped Cords.

Firestone Dealers are quoting special net prices on the complete job. Trade in your old wheels on a new set built for full-size Balloons. In addition get our liberal rebate on your old tires.

Equip now for comfort and economy—as well as for the safety and better car control you will need this fall and winter.

Call on the nearest Firestone Dealer—for information—for your price—and for a quick, carefully-engineered changeover to real Gum-Dipped Balloons.

FOR SALE OR TRADE—In cars or trucks. One quarter of land close to Roseau, Minn. Write G. H. Melaas, Hatton, N. D. 33p

Consider Sugar Beets

Business men and farmers of Red Lake Falls and Plummer met at the latter place on Monday of last week regarding the promotion of the sugar beet industry in Red Lake county, and to ascertain the acreage which should be allotted to that territory for the factory which will be built at East Grand Forks. A committee composed of Marius Waldal, H. F. Booren and Wm. Bottineau was named to canvass the community to find out what acreage can be secured for next year, with a view of soliciting stock in the East Grand Forks factory if there is a demand for acreage. A similar committee was selected to canvass the Red Lake Falls vicinity. Only a limited acreage could be obtained for this section this year, owing to the fact that the factory at Chaska is unable to handle a large crop from this northern section.

If Uncle Sam Owned the Railroads

?

The LaFollette platform calls for government ownership of railroads. The LaFollette campaign is to be conducted with special appeal to the farmer vote, especially the farmer vote of the Northwest states.

There arises the question: Do the farmers wish the government to own and operate the railroads?

A very illuminating editorial on the subject of government ownership of railroads in its bearing on taxes appears in the August 30 number of "The Country Gentleman."

Government-owned railroads and railroad property, like federal buildings, would be exempt from taxation by states, counties or municipalities. On this phase of the subject the editorial referred to comments in part, as follows:

"That would mean a loss of $8,425,892 tax revenue for Minnesota; $7,321,976 for Wisconsin; $6,849,703 for Iowa; $6,739,346 for Kansas; $5,365,960 for Nebraska; $4,679,693 for Montana, and $4,072,282 for North Dakota.

These losses, which would have to be made up by increased taxes on other forms of property, are equivalent to $32 for every farm, or $2.80 for every man, woman and child in Iowa.

To $40 for every farm or $3.90 for every person in Minnesota.

To $52.40 for every farm or $6.30 for every person in North Dakota.

And to $81.25 for every farm or $8.50 for every person living in Montana.

These figures in every case are based on official records.

The bulk of more than $300,000,000 annually distributed by the railroads in taxes goes to the states and counties—$248,605,094 out of $300,452,723 in 1922, and a still larger amount last year.

It is pointed out that drying up railroad taxes would have a particularly adverse affect on the agricultural states, notably those of the Northwest.

"On the basis of the 1923 collection," says the treasurer of Rosebud county, Montana, "the loss of railroad taxes would increase the levy on remaining property 56 per cent, thereby becoming an unbearable burden on the taxpayer."

For a dozen North Dakota counties, chosen at random, abolition of railroad taxes would increase general tax levies from 8.86 per cent to 23.47 per cent.

Says the editor of "The Country Gentleman":

"Railroad taxes, in effect, have acted as a medium for equalizing the social balance between the newer localities and the older and richer industrial regions. It is in these older and richer regions that most of the stockholders of the railroads reside. So railroad taxes act as a means of siphoning funds from these regions to pay for improvements in localities that could not otherwise afford them at this time."

Some may contend that there would be for the farmers a compensation for the loss of railroad taxes in the fact of lowered freight rates under government ownership and operation. The credulity that underlies this argument is of a part with the credulity of the child that goes in quest of the pot of gold at the end of the rainbow. What is there in the transportation experience of the country to bolster this placid faith? What has there been in the spirit and workings of American political affairs to give it substance?

Not only would hundreds of millions of state and local revenue in taxes cease with government ownership of the railroads, but federal taxes would go up to take care of interest and principal on the purchase price of the properties. As between the West and the East, as between the farm community and the industrial community, the former has the greater reason for backing away from the LaFollette platform proposal regarding the railroads.

COMMUNITY NEWS

GOODRIDGE

A. B. Josephson and family were Thief River Falls visitors Thursday evening accompanying Mrs. Ella Roberts to the train where she left for Austin after having received a telegram that her son was very ill. She has been employed in Grygla.

Oen Olson, who has previously been employed at the Goodridge Garage, has commenced his duties in the Farmers Elevator and Milling Co., as miller and also having charge of the light plant.

Miss Eunice Tvedt whose home is in this village left Thursday for New Leipsig, S. D., where she will teach school.

B. O. Norby was a business vistor in this village Saturday evening when he attended a directors' meeting of the Goodridge Co-operative creamery. He is a representative for the Thief River Valley Co-operative Poultry association and he told how eggs and poultry will be handled through the creamery.

Mr. and Mrs. R. H. McDonald and daughter Ruth were Thief River Falls visitors where they accompanied Mrs. Mae Argall and granddaughter, Betty Jane Bright, Thursday evening. She has been visiting her sister, Mrs. McDonald since she arrived from Bakersfield, Cal., a few months ago and left for Minneapolis where she will visit friends.

Mrs. Willard Hegstrom and son, Clifford Berg, arrived Thursday evening from St. James, N. D., to visit with Martin Anderson and sister who reside here. Martin Anderson met them at the train in Thief River Falls and brought them here.

Orris Seavey left Thursday evening for Austin where he will reside with his father and aunt and brothers. Owing to illness he was compelled to cease work for Morgan Vaughan where he has been working for the past few months.

The Vottendahl Garage here started a gas reduction price war here by selling White Eagle gas hauled in here from Oklee and selling for 18.5 cents per gallon on Thursday. The next day the Standard Oil Co. made a general cut all over the country.

Sigrud Olson and Charley Stephenson and sons, Dean and Veron were Thief River Falls visitors Thursday evening where they met Mrs. R. S. Tweeten who arrived from Pelican Rapids. She came to visit her daughter Mrs. Charley Stephanson.

Harold, Ruben, Leonard, and Norton Gunderson and Alfred Anderson were Thief River Falls visitors Saturday. Harold returned to the Sanatorium in Thief River Falls where he will stay a few days until he leaves for the home of his parents here.

John Sundquist and son George, and Robert Jacobson were Grygla visitors Sunday. They went to visit Mrs. Sundquist who is in the hospital.

H. E. McCready, a contractor from Bemidji, arrived here Friday with a carload of horses which he auctioned here Saturday. The horses which were sold went at a low price. He left Tuesday morning with the remaining horses for Hazel.

V. C. McLeod met with an accident Monday. While hauling corn from the field to the silo filler he fell off from the load dislocating his shoulder. Jay Payne brought him to Thief River Falls where the shoulder was set by Dr. H. W. Froehlich.

A. C. Tvedt left for St. Paul Saturday where he will visit friends and relatives a few days.

George Johnson and wife motored to Shelley Sunday where they visited at the A. S. Gaudland home. Mr. Johnson reports very poor roads as none of it is graveled and after all this rain they were slippery.

Roy Halseth resumed his duties in the Goodridge State bank again Tuesday after having had a long vacation.

Herbert Nelson left Monday for Hamline college, St. Paul, where he will begin his second year.

Ole Kirklie arrived from Thompson, N. D., where he has been engaged in the harvest fields. He spent the week end visiting his wife and friends.

Mr. and Mrs. Jay Payne and son Daniel motored to Winger Sunday near where Daniel commenced teaching school.

John Sundquist and son George motored to Grygla Tuesday and brought Mrs. Sundquist home from the hospital where she had an operation.

Young Peoples society was held at the Henry Lein home Sunday.

M. G. Thoreson and wife and Jay Payne and wife were supper guests at the W. J. Shanley home Wednesday evening.

Goodridge Lutheran Church
V. O. Auker, Pastor

Sunday, Sept. 21, Norwegian services at Torgerson at 11 a. m. and services and Y. P. S. at the home of Mr. and Mrs. Ole Johnsrud, Erie, at 2:30. The Y. P. S. of Bethany church meets at the home of Mr. and Mrs. P. Lendelga this Sunday afternoon. Mrs. Timann and Mrs. Lendelga entertain. Dorcas Ladies Aid of Erie meets with Mrs. Iverson, Wednesday, Sept. 24. The confirmation classes meet: Goodridge every Tuesday at 4 p. m., Torgerson every Friday at 1 p. m., and Erie and Bethany every Saturday at 11 a. m., and 4 p. m. The people of Goodridge are arranging for a fall festival which is to be held Sunday, Oct. 5.

WHY SUFFER SO?

Get Back Your Health as Other Thief River Falls Folks Have Done.

Too many people suffer lame, aching backs, distressing kidney disorders and rheumatic aches and pains. Often this is due to faulty kidney action and there's danger of hardened arteries, dropsy, gravel or Bright's disease. Don't let weak kidneys wear you out. Use Doan's Pills before it is too late! Doan's are a stimulant diuretic to the kidneys. Doan's have helped thousands. They should help you. Here is one of many Thief River Falls cases.

Mrs. Knute Swanson, 212 Main Ave., S., says: "My back seemed as though it would break in two. It was so sore and stiff that when I moved suddenly, a sharp pain stabbed me. To do my housework was out of the question and I tired easily. I was annoyed by the way my kidneys were acting. Doan's Pills cured me of the attack."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Swanson had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

OFFICIAL PROCEEDINGS OF THE COUNTY BOARD PENNINGTON COUNTY, MINNESOTA

Thief River Falls, Minnesota, Sept. 10th, 1924.

On the call of the County Auditor the County Board for Pennington County, met in special session in the office of the County Auditor in the City of Thief River Falls, at 10 o'clock A. M.

Meeting called to order by the chairman, Commissioner Hanson. On roll call the following members were present.

Commissioners Hanson, Larson, Roy and Olson. Commissioner McGinn being absent.

Hearing on the petition of Norman and Andersons to be set off from School District 108 and attached to School District 227. There being no opposition to this, the following orders were made:

Order Setting Off Freeholder from One School District to Another.

Whereas, the Petition of John Norman, a freeholder of School District No. 108 in this County, with the approval of the County Superintendent endorsed thereon, representing that he is the owner of the lands hereinafter described, which are situate in said School District, and that said lands adjoin School District No. 227 and asking that his said lands may be set off from said District No. 108 to said District No. 227 for the following reasons:

That it is planned to rearrange School Districts Nos. 108, 227, and 133 by forming a new School District on the East side of the Red Lake River and by changing the site of the school house in District No. 227 by moving it three-fourths of a mile West from its present location; that this will make school facilities more accessible to the occupant of said land as well as to other residents of the territory affected; that it will place the school house in District No. 227 on a mail traveled Trunk Highway in the center of the District as proposed to be changed, and generally to improve school conditions in all the territory affected; that said land adjoins District No. 227 as now constituted, was presented to the County Board of this County, at a session of said Board held on the 19th day of August, A. D. 1924, for the action of said Board thereon; and Whereas, it was thereupon ordered by said Board that a hearing should be had on said Petition at a session of said Board commencing on the 10th day of September, A. D. 1924, at the County Auditor's office in the City of Thief River Falls, in said County; and Whereas, it was further ordered in and by said order that notice of the time and place of such hearing be given by posting a notice of said hearing in three public places in each of the School Districts to be affected by said petition, and by serving upon the Clerk of each of said School Districts, personally a copy of said notice, at least ten days before the time appointed for such hearing, and by giving two weeks published notice thereof in the Thief River Falls Times, a duly qualified newspaper printed and published at Thief River Falls, in said County, and whereas, at the said session of said Board commencing on said 10th day of September, A. D. 1924, proof of the due publication, posting and service of said notice of hearing as therein directed and required, more than ten days prior to said last named date, having been made and filed, said petition was publicly read and considered by the Board, with everything which was said by said interested parties for or against granting the prayer of the petitioner and being satisfied from all the evidence produced at such hearing that the allegations of said petition are true and said Board being of opinion that the prayer of said petitioner should be granted, it is hereby ordered and determined, that the following described lands owned by him, to-wit:

The Northeast Quarter of Section 21, Twp. 152, Range 44 be and the same are hereby set off from said School District No. 108 to said School District No. 227, and said lands are hereby made a part of said last named School District for all purposes whatever.

By order of the County Board.

Dated the 10th day of September, A. D. 1924.

A. W. HANSON,
Chairman of the County Board, Pennington Co., Minn.

Attest:
T. P. ANDERSON,
County Auditor and Ex-Officio Clerk of Board.
(Seal)

Order Setting Off Freeholder from One School District to Another.

Whereas, The Petition of C. H. Anderson and R. Anderson, a freeholder of School District No. 108 in this County, with the approval of the County Superintendent endorsed thereon; representing that he is the owner of the lands hereinafter described, which are situate in said School District, and that said lands adjoins School District No. 227 and asking that his said lands may be set off from said District No. 108 to said District No. 227 for the following reasons:

That is is planned to rearrange School Districts No. 108, 227, and 133 by forming a new School District on the East Side of the Red Lake River, and by changing the site of the school house in District No. 227 by moving it three-fourths of a mile West from its present location; that this will make school facilities more accessible to the occupants of said land as well as to other residents in the territory affected; that it will place the school house in District No. 227 on a mail traveled Trunk Highway in the center of the District as proposed to be changed, and generally to improve school conditions in all of the territory affected; that said land adjoins District No. 227 as now constituted, was presented to the County Board of this County, at a session of said Board held on the 19th day of August, A. D. 1924, for the action of said Board thereon; and Whereas, it was thereupon ordered by said Board that a hearing should be had on said Petition at a session of said Board commencing on the 10th day of September, A. D. 1924, at the County Auditor's office in the City of Thief River Falls, in said County; and Whereas, it was further ordered in and by said order that notice of the time and place of such hearing be given by posting a notice of said hearing in three public places in each of the School Districts to be affected by said petition, and by serving upon the Clerk of each of said School Districts, personally, a copy of said notice, at least ten days before the time appointed for such hearing, and by giving two weeks published notice thereof in the Thief River Falls Times, a duly qualified newspaper printed and published at Thief River Falls, in said County, and whereas, at the said session of said Board commencing on said 10th day of September, A. The Southeast Quarter of Section 21, Township 152, Range 44 be and the same are hereby set off from said School District No. 108 to said School District No. 227, and said lands are hereby made a part of said last named School District for all purposes whatever.

By order of the County Board.

Dated the 10th day of September, A. D. 1924.

A. W. HANSON,
Chairman of the County Board, Pennington Co., Minn.

Attest:
T. P. ANDERSON,
County Auditor and Ex-Officio Clerk of Board.
(Seal)

Petition of E. E. Shepard to be set off from School District No. 102 and attached to School District No. 227 was presented to the County Board for consideration. On Motion duly carried the County Auditor was instructed to issue his notice for the same.

Order of Hearing on Petition of Freeholder to be Set Off.

Whereas, a petition signed by E. E. Shepard, a freeholder of School District No. 102 in this County, with the approval of the County Superintendent endorsed thereon, representing that he is the owner of the following described lands situate in said District, to-wit:

The Southeast Quarter of Section 13, Twp. 152, Range 44.

The said lands adjoin School District No. 227 and asking that his said lands may be set off from said District No. 102 to said District No. 227 for the following reasons:

That it is planned to rearrange School Districts Nos. 108, 227 and 133 by forming a new school district on the east side of the Red Lake River, and by changing the site of the school house in District No. 227 by moving it three-fourths of a mile west from its present location; that this will make school facilities more accessible to the occupants of said land as well as other residents in school District No. 227, on a mail traveled Trunk Highway in the centre of the District as proposed to be changed, and generally to improve school conditions in all the territory affected; that said lands adjoin District No. 227 as now constituted, was presented to the County Board of Pennington County, Minnesota, at a session of said Board held on the 10th day of September, A. D. 1924, for the action of said Board thereon.

Now, therefore, it is ordered that said petition will be heard by this Board at the session thereof commencing on the 2nd day of October, A. D. 1924, at the office of the County Auditor in the City of Thief River Falls, in said County.

And it is further ordered that notice of time and place of such hearing be given by a two weeks published notice thereof, and posting a notice of such hearing in three public places in each of the School Districts to be affected by said petition and by serving upon the clerk of each of said School Districts by mail, a copy of said notice of hearing, at least ten days before the time appointed for such hearing.

A. W. HANSON,
Chairman of County Board, Pennington County, Minn.

Attest:
T. P. ANDERSON,
County Auditor, and Ex-Officio Clerk of Board.

Motion made by Commissioner Hanson, duly seconded by Commissioner Olson, that Ellengl Ramsey be paid the sum of $15.00 per month for the support and care of the infant child of Magna Bakken, and that the County Auditor be instructed and authorized to issue his warrant in such amount. Motion carried.

The following resolution was offered by Commissioner Hanson, who moved its adoption duly seconded by Commissioner Olson:

BE IT RESOLVED, That the following road in Pennington County be designated as a State Aid Road as follows:

Beginning at the Northeast corner of Section 36, Township 154 Range 40, thence south on the Range line between Ranges 39 and 40 to the Southeast corner of Section 30 Twp. 153, Range 40, thence east on the 13th Standard parallel to the Northeast corner of Section 1, Twp. 152, Range 40, thence south on the Range line between Ranges 39 and 40 to the Southeast corner of Section 31, Twp. 152, Range 39. And that the same be designated as State Aid Road No. 12.

All members present voted for the resolution it was so declared approved.

On motion duly carried the following bills were audited and ordered paid:

R. R. Yates, pencils	$ 5.00
Ole R. Sande, expense as Superintendent of Schools	11.50
Northern Woodwork Co., repairs	8.40
Security Blank Book Company	10.51

In the District Court of the United States For the District of Minnesota, Sixth Division.

No. 2515.

In the Matter of Leonard A. Lampert, Bankrupt.

IN BANKRUPTCY.

To the Honorable Wm. A. Cant, Judge of the District Court of the United States for the District of Minnesota.

Leonard A. Lampert, of the City of Thief River Falls, in the County of Pennington and State of Minnesota, in said District, respectfully represents:

That on the 15th day of March, last past, he was duly adjudged bankrupt under the Acts of Congress relating to bankruptcy; that he has duly surrendered all his property and rights of property, and has fully complied with all the requirements of said Acts and of the orders of the court touching his bankruptcy.

WHEREFORE HE PRAYS that he may be decreed by the court to have a full discharge from all debts provable against his estate under said Bankrupt Acts, except such debts as are excepted by law from such discharge.

Dated this 1st day of May, A. D. 1924.

LEONARD A. LAMPERT,
Bankrupt.

Order of Notice Thereon.

United States District Court, Sixth Division, District of Minnesota, ss.

On this 3rd day of May, A. D. 1924, on reading the foregoing petition, it is

ORDERED BY THE COURT, that a hearing be had upon the same on the 11th day of November, A. D. 1924 before said court, at Fergus Falls, in said District, at ten o'clock in the forenoon; and that notice thereof be published in Thief River Falls Times, a newspaper printed in said District, and that all known creditors and other persons in interest may appear at the same time and place and show cause, if any they have, why the prayer of said petitioner should not be granted.

AND IT IS FURTHER ORDERED BY THE COURT, that the Clerk shall send by mail to all known creditors copies of said petition and this order, addressed to them at their places of residence as stated.

WITNESS the Honorable Wm. A. Cant, Judge of said Court, and the seal thereof, at Fergus Falls, in said District, on the 3rd day of May, A. D. 1924.

LEGAL NOTICES

Sept. 4-Oct. 9

NOTICE OF MORTGAGE FORECLOSURE SALE.

Whereas default has been made in the conditions of that certain mortgage made, executed and delivered by C. Biglow and M. Mabel Biglow, husband and wife, as mortgagors, to Peoples State Bank of Thief River Falls, as mortgagee, which said mortgage is dated June 10, 1916, and was recorded in the office of the Register of Deeds of Pennington County, Minnesota, June 12, 1916, at 9 o'clock, a. m., in Book 12 of Mortgages, on Page 298, which said mortgage was heretofore duly assigned to the undersigned, Northwestern National Life Insurance Company, and whereas said default consists in the failure to pay an instalment of interest heretofore coming due on said mortgage, and whereas because of said default the undersigned owner and holder of said mortgage has elected and hereby does elect to declare the whole amount secured by said mortgage immediately due and payable and whereas there is now due and claimed to be due upon the said mortgage and the indebtedness thereby secured the sum of $3,422.03.

NOW, THEREFORE, Notice is hereby given that the said mortgage will be foreclosed and the premises therein described and mortgaged thereby, which said premises are situated in the County of Pennington, and the State of Minnesota, and are described as follows, to-wit:

The east half of Southwest quarter and Lots 3 and 4 of Section 31, in Township 153, of Range 43, containing 159.89 acres according to Government survey thereof.

Will be sold by the Sheriff of said Pennington County at public vendue to the highest bidder for cash, at the front door of the courthouse in the city of Thief River Falls, in said county, on Monday, the 20th day of October, 1924 at 10 o'clock, a. m., to pay the amount of said mortgage and the debt and interest and the expenses of sale and $75.00 attorney's fees.

Dated September 2, 1924.

MORTGAGE FORECLOSURE SALE

Whereas defaults have been made in the conditions of a certain Mortgage, duly executed and delivered by Pearl M. King, single, Mortgagor, to Claus Hagge, Mortgagee, bearing date the 4th day of April, 1911, and with a power of sale therein contained, duly recorded in the office of the Register of Deeds in Pennington County, and State of Minnesota, on the 2nd day of June, 1911, at 8 o'clock A. M., in Book 11 of Mortgages on page 303.

And Whereas, the Mortgagee and holder of said Mortgage has by reason of the defaults of said Mortgagor elected to exercise the power of sale in said mortgage contained and the right to foreclose by advertisement, and whereas there is actually due and payable upon said mortgage at the date of this notice the sum of $2167.40, and whereas no action or proceeding having been instituted at law or otherwise to recover the debt secured by said mortgage or any part thereof,

NOW, THEREFORE, NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said Mortgage, and pursuant to the statute in such case made and provided, the said Mortgage will be foreclosed by a sale of the premises described in and conveyed by said Mortgage, viz: The Northeast Quarter (NE¼) of Section Ten (10) in Township One Hundred Fifty-three (153) North, Range Forty-five (45) West of the Fifth Principal Meridian in Pennington County and State of Minnesota, with hereditaments and appurtenances; which sale will be made by the sheriff of said Pennington County, Minnesota, at the front door of the Court House in the City of Thief River Falls in said County and State, on the 11th day of October, 1924, at 10 o'clock A. M. of that day, at public vendue, to the highest bidder for cash, to pay the said debt of $2167.40, and interest and taxes, if any on said premises, and Seventy-five Dollars Attorney's fees as stipulated in said mortgage, in case of foreclosure, and the disbursements allowed by law; subject to redemption at any time within one year from the day of sale, as provided by law.

Dated August 26, 1924

Order of Hearing of Petition of Freeholder to be Set Off.

WHEREAS, A petition signed by E. E. Shepard, a freeholder of School District No. 102, in this County, with the approval of the County Superintendent endorsed thereon, representing that he is the owner of the following described lands situate in said District, to-wit:

The Southeast Quarter of Section 13, Township 152, Range 44.

The said lands adjoin School District No. 227 and asking that his said lands may be set off from said District No. 102 to said District No. 227 for the following reasons:

That it is planned to rearrange School Districts Nos. 108, 227, and 133 by forming a new school district on the east side of the Red Lake River, and by changing the site of the school house in District No. 227 by moving it three-fourths of a mile west from its present location; that this will make school facilities more accessible to the occupants of said land as well as other residents in School District No. 227, on a mail traveled Trunk Highway in the center of the District as proposed to be changed, and generally to improve school conditions in all the territory affected; that said lands adjoin District No. 227 as now constituted, was presented to the County Board of Pennington County, Minnesota, at a session of said Board held on the 10th day of September, A. D. 1924, for the action of said Board thereon.

Now, therefore, it is ordered that said petition will be heard by this Board at the session thereof commencing on the 2nd day of October, A. D. 1924, at the office of the County Auditor in the City of Thief River Falls, in said County.

And it is further ordered that notice of time and place of such hearing be given by a two weeks published notice thereof, and posting a notice of such hearing in three public places in each of the School Districts to be affected by said petition and by serving upon the clerk of each of said School Districts by mail, a copy of said notice of hearing, at least ten days before the time appointed for such hearing.

A. W. HANSON,
Chairman of County Board.

3,203 CHILDREN ATTEND SCHOOLS IN PENNINGTON

Enrollment for past Year Slightly Less than in '22-'23 Report Shows

AVERAGE ATTENDANCE OF PUPILS INCREASES

Total of 139 Complete Eighth Grade and 30 in Rural Districts

Altho the enrollment in the schools of Pennington county for the year closing last spring was 231 less than for the preceding year, or a total of 3,203 pupils, a substantial increase in the average attendance per pupil is noted in both city and rural schools. These facts are disclosed in the annual report of Pennington county schools compiled by Supt. Ole K. Sande and forwarded to the state department of education, which contains many items of interest to school patrons thruout the county. The decrease in the city was greatest, being 146, with 85 in the rural districts.

The average attendance in the rural schools for the year past reached 72.97 per cent, compared to 68 for 1922-1923, or an increase of nearly five per cent. In the city and villages the average jumped from 83.45 per cent two years ago to 85.35 last year. This is a splendid record considering the fact that a light epidemic of scarlet fever tended to reduce the efficiency of the schools of the county. The showing speaks well for those in charge of the educational machinery and is an indication of what is being accomplished in the advancement of educational interest both in city and country.

More Pupils in Graded Schools

The report shows that there is but little difference numerically among children of school age as regards boys and girls, both in city and rural schools, there being 1382 boys and 1259 girls. The enrollment in the high and graded school districts exceeded that of the rural districts by 519 pupils, the figures for each division being 1861 and 1342, respectively. Last year the difference was 580 in favor of the city schools.

Pupils in the county entitled to apportionment number 3,001, compared to 3,203 the previous year. Of these 1,749 reside in the municipalities and 1,252 in the country districts. There were only 202 pupils not entitled to apportionment while there were 230 in 1922-1923.

Enrollment By Grades

Following is a comparison of the enrollment in the high and graded and rural districts according to grades. In the column giving the city figures are included those for Thief River Falls and two villages, St. Hilaire and Goodridge:

	City	Rural
First	199	258
Second	166	155
Third	195	168
Fourth	161	172
Fifth	165	147
Sixth	148	131
Seventh	137	159
Eighth	143	147
Unclassified and high school	547	6

There were 223 children who attended school for the first time during the year, 102 of these being from the city and villages and 121 from the rural schools. The number completing the eighth grade was 139 in the graded schools and 30 in the rural districts, there being a marked difference in this item in the two divisions. Last year only 99 graduated from the city and village graded schools while 36 completed the course in the country schools.

Few Men Teachers

Two more teachers were employed in the graded schools districts than in the rural, there being 65 in the former and 63 in the latter. Of the 128 teachers employed in the county last year the men numbered only 15, five of whom were in rural districts. Last year's force of teachers was smaller by four than that of the previous year. Of the entire number a total of 21 teachers in the schools of the county taught in the same place three years and 29 had served the same district two years, which record shows a big improvement over the previous year when only 14 teachers had taught in the county for three years.

The average monthly salary paid teachers in the city and villages was $135.79, men receiving an average of $164.66 and women $130.55, and in the rural districts $85.00 for men and $85.05 for for women. This was a decrease from the previous term.

Average Attendance Greater in City

The total attendance in days by all pupils was 285,930 in the incorporated places and 147,158 in the country. The average number of days each pupil attended was 153.6 in the city and villages and 109.65 in the rural districts.

Thief River Falls schools alone last year had an enrollment of 1531 pupils, compared to 1660 the year before.

The average length of school term in the country districts during the past year showed an increase over the previous period, being 150.57 days for 1923-1924 compared to 148.76 in 1922-1923. Last year 38 rural districts had terms of seven months each, 34 had eight months and only two had nine months, they being Nos. 1, at Wylie, and 108, southwest of St. Hilaire. The terms for the coming year will remain about the same, according to Supt. Sande. In 1922-1923 six districts had terms of only six months duration.

Reports of Big Yields Continue as Grain is Threshed in Vicinity

Threshing activities which were put to a stop practically all of last week on account of rains, were resumed Monday and it is estimated that about 40 per cent of the grain in this vicinity has been threshed. Reports of big yields continue to come in from all parts of this section, some exceptional yields in the immediate vicinity having been published in previous issues. Much attention has been attracted by Alfred Flattum's yield of 105 bushels from two bushels of Minota oat seed.

The recent rains altho delaying harvest and threshing were beneficial to the fields for plowing and also for the pastures.

A large part of the buck wheat acreage was damaged by the early frost, only the early plantings escaping injury. Numerous flax fields in the vicinity which were not seeded early have also been overtaken by Jack Frost.

County Dads Meet

A brief session of the county commissioners was held at the auditor's office Wednesday of last week, the proceedings of which appear elsewhere in this issue.

ENTHUSIASM RUNS HIGH AT COMMERCIAL CLUB LUNCH

Preparations for Next Year's County Exhibit Already Being Considered

Early preparations for a Pennington county exhibit at the state fair should be made next year, was the concensus of opinion at a rousing meeting of the Commercial club last Thursday, one of the best attended and enthusiastic gatherings of the season. A report was given by Geo. M. Wilson, in charge of the exhibit to the state show this year, who assured the club members that a splendid showing was made and the eyes of many from other sections opened as to the productiveness of this county.

Mr. Wilson told how the exhibit was collected here and prepared, Mrs. Thelma Erickson being one of the leaders in putting the samples together for the booth. It was taken to the state fair by Mr. Wilson and Harold Arneson, this being the longest distance covered by any truck bringing exhibits to the state fair, according to an article in The Farmer, St. Paul. It was pointed out that a better showing could have been made had more time been allowed for gathering and preparing the exhibit, altho this year's results are gratifying. Pennington's booth scored 965.90 points out of a possible 1250, becoming eligible to the $350 award to any county scoring over 900 and a prize of $25 for capturing eighth place in the Northern section, Becker county leading with 1156.88 points. Roseau county was third in the list of nine contenders for northern honors.

Pennington county's exhibit attracted more attention and was given more publicity than any other exhibit on the grounds, declared Mayor J. S. Arneson who was also among those who represented this community at the state show. He emphasized the importance of featuring one certain thing in the exhibit each year, the main item in this year's collection being samples of alfalfa. "Pennington County the Home of Alfalfa" was impressed upon every fair visitor who came to the booth and farmers and business men from this state and other states examined with admiration and surprise the wonderful alfalfa roots taken from farms in this community. Much credit was given to progressive men of this community who have sponsored a movement for more alfalfa acres in the county, the results of which are distinctly noticeable already.

Anton Jenson, one of the nine farmers who attended the Minnesota fair as guests of the Commercial club was called upon and declared that the thing that impressed him the most by the trip was the fact that he is assured "that there is no better place in the state than Pennington county." He thanked the club for the trip and commended its members for their boosting spirit and what they are doing to bring this section to the front.

"The Thief River Valley Co-operative Poultry association with headquarters in this city expects to do a business of about $350,000 a year when in full operation," it was declared by B. O. Norby, manager, who gave a thoro explanation of the progress made in the organization and the plan of operation. He announced that a membership of nearly 1,000 had already been secured in the district. Olaf Neset, president of the association, predicted that the present membership will be doubled within another year.

A rising vote of thanks was accorded Mr. Neset for his untiring efforts in behalf of the poultry association which is now starting business, the club also extending its thanks to Mr. Wilson and Mr. Arneson for their work in connection with the county exhibit at the state fair.

Many Seek Appointments as Rural Mail Carriers

The position of rural carrier seems to be a very attractive one judging by the number of applicants who came here to take the Civil Service examination for vacancies on routes from Thief River Falls, Hazel, Mavie, Plummer, Oklee and Strathcona, held at the high school Saturday. A total of 42 examinees are reported by Thos. H. Chittick of the local post office, who conducted the examination assisted by Fred Protz, city carrier. Of these nine are trying for appointments from this office. Appointments are made by the postal department.

Appointments here will be made on route No. 3, where a vacancy was caused by the death of E. F. DeVeling, and on routes No. 4 and 5, the establishment of which has been postponed by the department to Oct. 1. The proposed new routes replace Germantown and Kratka star routes.

IRELAND'S LUMBER AND COAL YARD
The S. M. Disher Yard

Only Small Quantity of Seed Corn Being Grown in Territory This Year

E. R. Clark, seed specialist of the Northwest Experiment station, Crookston, was here Tuesday and with G. Tessum inspected the corn fields in this vicinity which are being grown for seed purposes for Tessum & company, who are endeavoring to produce enough northern grown seed corn to supply the large demand they have in this territory. Altho the greater part of their acreage has been damaged by frost, there is considerably left that will produce good quality corn.

Anton Jenson, who is growing the Gehu Flint variety has ripe corn now. He is very enthusiastic about his crop and altho he would have had a larger acreage of marketable corn and a better stand in a favorable year, he says he is going to put in a much larger acreage next year.

E. O. Green and E. Jorngdahl will have good quality corn providing they get a week or ten days more of favorable weather. They are growing Hanney's Extra Early Minnesota No. 13, which has been developed near Grand Forks for about nine years.

John Johnson is growing extra early Northwestern Dent variety, which is a very early strain that has been developed at the Northwest experiment station during the past eight years, so that it is thoroly acclimated. Altho the yield will not be very large this year Mr. Johnson picked some nice dented ears last week.

O. Weckworth, east of city, is growing a colored Squaw Flint, some of which will ripen this week.

Mr. Clark states that corn grown from seed raised at Crookston was four days earlier in their seed plot than corn grown at Detroit, indicating that northern grown seed is preferable.

"Good seed corn will be scarce this year," declares Mr. Tessum. "Every farmer who has a field of good corn should make it a point to select enough ears now for his use next spring. It does not have to be ripe or even dented, altho the dented is of course better, but corn that is still in the "roasting ear" stage will germinate if properly cured. The kernels will shrivel up but will produce good plants.

"Altho seed may be procured from further south, the farmers here should try to pick their own seed corn so as not to lose the strain. The longer a strain is grown in the locality, the better adapted it is for our short season."

Mr. Clark stated that some of the corn inspected here is as fine as any found in the valley.

Hanson-Barzen Installs Own Power Unit at Mill

The Hanson-Barzen mill here, which has been closed the past two-three weeks for repairs and improvements, is expected to open in another week or so. The company is preparing the foundation for a new 100 h. p. Fairbanks & Morse oil engine, which will be installed about Oct. 15, this to supply the power for the operation of the mill, formerly derived from water power. An electric motor is being installed in the elevator. The lease for the water power expired Sept. 1. A new boiler for the heating plant is also being installed and other improvements made preparatory to the opening of the fall season.

City Dads Hold Brief Session Thursday Nite

The adjourned meeting of the city council last Thursday was called to order by Chairman Martin Evenson with all aldermen present except Oscar Paulson.

Considerable time was occupied in the consideration of various matters not definitely acted upon and which will probably come up for further discussion at the next meeting.

The bids for heating the poor house submitted to the council Tuesday night by the Christianson Hardware company, and the Union Plumbing & Heating company, were finally ordered rejected and Chairman Evenson was authorized to name a committee of three to provide a suitable system of heating at as low a cost as possible. The committee started to work the following day devising plans and ample heat will be furnished as soon as cold weather demands it.

The Eklund Post of the American Legion wished a license to conduct a dance in the Legion rooms last Friday night, the proceeds to go to defraying the expenses of the next state meeting of the American Legion. The request was unanimously granted.

The petition for the vacation of the south end of Duluth avenue was disapproved, following an inspection thereof by the council.

Minors Must Pay

All persons 14 years and over must secure small game hunting licenses in order to be permitted to hunt. Last year the licenses were free to all minors but a change in the laws this year states that all persons over 14 years must secure licenses, for which a fee of $1.00 is charged.

Agricultural Yearbook

Congressman Knud Wefald of Hawley, writes The Times that the U. S. Agricultural department as a number of copies of the 1923 yearbook on agriculture for distribution and any farmer or others interested in the problems of agriculture may have one by writing him a request for same. The yearbook contains studies on beet sugar production, sheep industry, farm ownership and tenancy and other articles on farming generally.

Presbyterian Pastors and Delegates of N. W. Minn. Coming Next Week

Presbyterian pastors and one lay delegate from each congregation in the district known as the Adams Presbytery will convene in a two-day session here next week, beginning Wednesday and closing Thursday morning, the 25th. Pastorates of Crookston, East Grand Forks, Euclid, Stephen, Hallock, Orleans, Lancaster, Warroad, Middle River, Bemidji, Brooks Plummer, Red Lake Falls and Hendrum will be represented, states Rev. Chas. Gerlinger, local pastor. This is a semi-annual meeting and many matters of importance will be taken up.

On Wednesday evening the Men's Club of the local church will entertain the visiting pastors and delegates with a banquet in the church parlors, which will be followed by an open session in the church proper to which the public is invited.

Wins State Spelling Honors

Rhinehart Korgen of Newfolden, 18, is the champion written speller in Minnesota after competing with other county winners at the state fair. The Newfolden boy was named alternate from Marshall county and had not shown himself as an exceptional speller while in school. He lives on a farm near Newfolden and was graduated from the high school there last spring. A sister, Miss Mollie Korgen, has been engaged as instructor in district No. 228J in this county.

Many Have Appendicitis Don't Know It

Much so-called stomach trouble is really chronic appendicitis. This can often be relieved by simple glycerine, buckthorn bark, etc., as mixed in Adlerika. Most medicines act only on lower bowel but Adlerika acts on BOTH upper and lower bowel, and removes all gasses and poisons. Brings out matter you never thought was in your system. Excellent for obstinate constipation. F. J. Stebbins, druggist.

Notice to Potato Growers

We are in the market for 15000 bushels of the flat type Burbank Potatoes. Have you any? If so bring in a sample so that we will know if they are suitable or not.

If you have Poultry to sell, call phone 41 and get our prices before selling elsewhere. Our increased out-let enables us to pay premiums for good poultry.

We also need a lot of fresh eggs. Bring them in often, and receive the best price. If you haven't a telephone, so as to get our prices, bring your poultry and eggs anyway, for you are assured of getting the top of the market in cash.

Yours truly,

Peterson-Biddick Co.

COMMUNITY NEWS

ROSEWOOD

Sunday School Conference Success

The general get-together day of the Rosewood, Happy Band, Erickson District, Mavie and Holt Union Sunday Schools at Rosewood last Sunday was very successful in every respect and it is estimated that between 200 and 300 friends of the Sunday schools attended the forenoon and afternoon sessions. Owing to lack of room the afternoon session was held outdoors to give everybody an opportunity to listen. The forenoon session was opened by Dist. Supt. E. G. McKnight who acted as chairman during the day and a splendid program carried out including among other themes a general get-together of the Sunday schools, a song by the Happy Band school, "The church in the Wildwood", sung by Byron and Borden Sagmoen; "Tell me the story of Jesus", by five Rosewood girls and "Anywhere with Jesus" by four girls. Verses from St. Matt. 5, by Edna Rye; verses from St. John 1, by Geneva Swenson; verses from St. Luke 11, by Alice Blomberg and a dialogue by five pupils entitled: "Little Folks."

At noon a Union dinner was served on the church grounds and in which scores of people from this place, Thief River Falls, Holt, Mavie, Sanders, Norden and other centers partook. The afternoon session included speeches by Thos. H. Smith, cashier of the Mavie State bank; Rev. Chas. Gerlinger, pastor of the Thief River Falls Presbyterian church, and Rev. E. G. McKnight. Two splendid duets were sung by Mr. and Mrs. Brodine from Thief River Falls and were much appreciated. A sacred drama, "The Challenge of the Cross" was presented by seven girls accompanied by their teacher from the Holt school and was very educational. Rev. McKnight gave a brief outline of the work of the Union Sunday schools during the past year and was very interesting. A regret was expressed that Rev. Ferris could not be with us this year, but it was announced that he would speak at the Happy Band school on Friday evening, Sept. 19, and it is believed many will take the opportunity to hear him then.

Shock threshing of all earlier varieties of small grain will be about completed by the end of this week, and a general satisfaction is prevailing among threshers as well as farmers. Some excellent yields are reported from various farms but from lack of absolute facts the writer will mention none in special, but in general oats on several places has yielded up to 60 bushels per acre and succotash 50. Barley and oats mixed does not seem to yield quite as well but the quality is improved. Barley alone is over 40 and wheat and rye up to 30. Buckwheat on most farms is a failure, owing to the early frost and so is practically all seed corn, although some garden spots as that of E. P. Johnson has a fine yield of ripe flint corn. Fodder corn is damaged by frost and several silos are being filled this week. Potatoes and flax promise good yields if this nice fall weather keeps up. Garden truck has been harvested and has given very nice results.

O. S. Hellerud, former cashier of the Farmers State bank of this place, has accepted a position as assistant cashier at the reopened State bank of Alvarado and left to take up his duties there on Sept. 15. Mrs. Hellerud will join her husband shortly as soon as their household belongings can be moved to that place.

Mr. and Mrs. Nels Holm from Twin Valley are in town this week as guests of their daughter, Mrs. O. S. Hellerud and family. Mr. Holm owns a farm east of this place. The buildings are being remodeled this week and will be occupied by the John Hanson family in the future.

Mr. and Mrs. W. J. Warner and daughter Elizabeth from Sedan and Mr. and Mrs. N. C. Holm from Flom arrived by car on Sunday and will visit for a few days at the O. S. Hellerud home. Mr. Holm is a brother of Mrs. Hellerud and Mrs. Warner is her sister.

Hans Hanson from Hendrum and Chas. Evenson from Thief River Falls were here Monday attending to business matters.

An eight months' term of public school opened at the Rosebank district on Monday morning with Miss Ruth Halvorson from Viking as teacher. Twenty-eight pupils enrolled the first day. The teacher will board and room at the I. M. Westby home.

Mr. and Mrs. Geo. Anderson and family from Warren, Mr. and Mrs. Oscar Blomberg and family, Mr. and Mrs. Dave Mosbeck and Percy Hanson from Crookston attended the Sunday school conference here last Sunday and also visited at the Haugen Bros. homes.

John Remmem was up from Stephen where is employed last Friday to bring along his team which will be used there during threshing.

Ivan Woldness came home from North Dakota on Friday evening where he has been employed during harvest.

Carl Ranum and Victor Axelson returned to Northland on Sunday morning after spending a few days here during the rainy weather the latter part of the week.

Swedish services at the Mission church at Rosewood next Sunday evening at 8 o'clock by Rev. Werner Drotts from Viking.

Carl Hanson from near Holt went to North Dakota on Monday morning where he will seek fall employment.

Ted Nelson and Alfred Thoreson motored to Barnesville last Saturday where they will be employed on the P. O. Landeen road contract this fall.

Mr. and Mrs. I. M. Westby and daughter Miss LaVon and Sigurd Rafteseth motored to Goodridge last Sunday where they visited at the home of Mr. Westby's sons Martin and Iver, and also attended a community gathering here in the afternoon.

Axel Bloom motored up from Devils Lake, N. D., last week and spent a few days visiting with his parents at this place. He was accompanied by a friend from that place.

Dies While Exploring In Lake County Wilderness; Companions Carry Corpse

Richard Chittick of Duluth, formerly of this city and a brother of Thos. H. Chittick, clerk in the local post office, and Harry Koeppen, a brother-in-law, were members of a party which accompanied George J. Silk, formerly connected with the Crookston Daily Times and Red Lake Falls Gazette but more recently publisher of the Hennepin County Enterprise at Hopkins, on an expedition into the wilds between Two Harbors and Grand Marais, where Mr. Silk died from a heart attack. The body was carried for nine miles thru swamps by the four men of the party, the other two being John Fritzen, Duluth forest ranger, and a Mr. Leslie of Minneapolis. Where possible a canoe was used in transporting the body back to civilization, which took two days, Silk's death occuring on Sunday, Sept. 7, and their cars being reached the following Tuesday. Over exertion is believed to be the cause of his sudden death. It was a very exhaustive trip, especially for the young lad.

Mr. Koppen who is a printer, was employed by Mr. Silk in his Hopkins newspaper.

The details of the incident were told to Mr. Chittick of this city when he visited his parental home at Duluth, from where he returned last week. The F. H. Chittick family were residents of Thief River Falls until 10 years ago when they moved to Duluth.

BIRTHS

To Mr. and Mrs. Knute Swanson at their home Sunday, September 14, a girl.

To Mr. and Mrs. C. E. McCracken of Viking at the Physician's hospital Wednesday, September 10, a boy.

Conditions for Mexican Workers Here Excellent

C. Petran, welfare worker among the Mexican field workers for the Minnesota Sugar company at Chaska and Northern Sugar company at Mason City, spent a few days in this locality last week surveying conditions here. He declared that housing conditions here are excellent and that this is an ideal territory for Mexican workers, particularly for the reason that they can secure employment the entire season and even stay over the winter. During the summer when the beets do not require attention the Mexicans here are employed in the harvest fields, for haying, silo-filling and other farm work, the average wage paid here being $2.50 a day.

THE SHORTEST ROUTE

The shortest route to a good position is a course at Aaker's Business College, because it saves the student time and money in completing the course by the use of the Individual Promotion Method in teaching shorthand as well as bookkeeping. Send for catalogue to H. H. Aaker, Grand Forks, N. Dak. 33c

YOU CAN EARN A GOOD SALARY

You can earn a good salary if you graduate from the Union Commercial College, Grand Forks, No. Dak. This school receives more calls for help than it can fill. Among recent students to go to good positions are Miss Gladys Paul who goes as stenographer with the N. Dak. Wheat Growers Asso., and Mr. C. L. Schumacher who goes to the Farmers State Bank, Knox, N. Dak., as asst. cashier. Nearly 700 U. C. C. students have gone to bank positions. They have held positions from bank president down to the newest beginner. Many of our students earn back the very first month out of school the entire tuition cost. Send for free catalog and learn how this big, accredited school can help you.

Official Paper, School District No. 18

While crop conditions in the Northwest are very favorable this year, there is a steadily growing demand for more and better cattle, particularly of the dairy breeds. The farmers of this community have come to the realization that the dairy cow is the really dependable source of income thru a period of years, and are making every effort to improve and enlarge their herds.

Consignment sales put on by local breeders' associations in the past have afforded a splendid opportunity for farmers to add to their herd or secure foundation stock from the best herds in the country. The fact that buyers from all over the state and other states come here to buy stock is evidence of the reputation held by dairymen here. Pennington county herds rank among the best in this great dairy state.

It is to be hoped that when the Holstein sale is held here October 1, for which 40 purebred animals have been consigned, the majority of the animals listed, if not all are bought by local farmers and remain in the community. Pennington county has a large number of registered cattle but needs them all.

Says Martin Widsten in the Crookston Daily Times:

Norman, Pennington and Roseau are upholding the fame of the Red River Valley with county exhibits at the State Fair this year. Pennington county is making a stronger showing in alfalfa than any other county in the state, and is attracting much attention and comment. Norman county has considerable fruit on display, and the Roseau county exhibit shows an especially fine line of vegetable and garden products and native wild fruits. The three of them is a very fine advertisement for the northern part of the valley.

About the only way to assure a late fall is to lay in your winter's supply of coal now.

Works both ways! If you're right on top, you'll wear a Lanpher hat and be "right on top."

And the price is right—less than you expect.

Potato Warehouses to be Considered at Crookston Meeting Monday, Sept. 22

Members of county potato association boards and state trustees will attend one of three general conferences to be held early next week to complete the warehouse program of the Minnesota Potato Growers Exchange.

The first meeting will be held at Crookston Sept. 22, the second at Brainerd, Sept. 23, and the third at St. Paul, Sept. 24.

At these meetings, first steps to form three warehouse corporations will be taken. One will serve the Red River Section, one the central section, and one the sand land section. County board members will be given complete information as to the number of warehouses taken over and leased, together with the financial program involved. Exchange officials will ask for approval of their plans so that actual incorporation of three separate corporations can be started at once.

Stack Silage Method is Explained by U. Experts

Andrew Boss, vice director of the Minnesota Experiment station, says that farmers without silos can preserve green and immature corn by the stack method of making silage.

C. L. McNelly, a Minnesota county agent, has made stack silage for four seasons on his farm at McIntosh, Minn., and recommends it in perference to bundle fodder corn. He makes the stack about 20 feet in diameter and 20 feet high, keeping the center lower than the outside until the top is reached when it should be filled full. The bundles must be distributed evenly over the surface with the butts laid to the outside.

During the winter the top of the stack is kept covered with a foot or two of wild hay which can be thrown back as the silage is taken off. In order to prevent extreme freezing this covering should be replaced after the day's feed has been thrown down.

Corn preserved in this way will rot in for about eight inches on the outside of the stack, but as the butts of the stalks only are affected the loss is not serious. According to Messrs. Boss and McNelly the silage cures somewhat differently from the common corn silage in that it seems to develop less acid. There is a sweet molasses odor and flavor which make it palatable for all kinds of live stock.

A number of local farmers who have stacked corn according to similar methods in past seasons have met with very satisfactory results, it is said.

It is of interest to note that attention to this method of making silage was called to university experts at the Winter Shows held here last winter, when W. W. Prichard, Sr., of this city gave a thorough explanation of the proctises on his farms, the method really originating in this section.

They Don't Like Catalogs

The following article appearing in the Warren Sheaf a couple of weeks ago applies to Thief River Falls as well.

"Warren this week has several more ardent trade at home advocates.

"This mail order business is the bunk and if you don't believe that you can ask any mail carrier in Warren. Hundreds of mail order catalogues arriving in Warren this week gave the mail men additional troubles and a mail man has troubles enough anyhow, now hasn't he?

"Carting catalogues around is no fun with each catalogue weighing two and three-quarters pounds. After a mail man gets about 25 of the books he is not looking for more. He is looking for some sort of a mail cart that will save his shoulders and back.

"On the rural routes the catalogue is not such a bug-a-boo as automobiles can stand more overloading than man. But even so they add burdens to the life of the rural carrier.

"Hence Warren's mail men are ardent advocates of the Sheaf's trade at home campaign.".

Thief River Falls' carriers second the motion.

CITY COUNCIL PROCEEDINGS

Thief River Falls, Minnesota

A regular meeting of the City Council was called to order by M. V. Evenson, President, at eight o'clock P. M. Tuesday, Sept. 9th, 1924, with Aldermen Fossum, Porter, Brumund, Evenson present and Aldermen Rambeck and Paulson absent.

Minutes of the meeting of August 28th were read and on motion approved as read.

Superintendent Sinley of the Schools appeared before the council with regard to securing the use of the auditorium for the Northwestern Minnesota Educational Association and a motion was made by Alderman Brumund, seconded by Alderman Porter and carried that the Association be granted the use of the auditorium free of charge on the dates of October 8th, 9th and 10th.

Alderman Porter, seconded by Alderman Brumund, moved the approval of the monthly reports of the City Clerk, City Treasurer, Municipal Judge, Chief of Police, Dairy Inspector and Librarian. Carried.

Alderman Porter, seconded by Alderman Brumund, moved the approval of the appointment of Henry Froseth to membership in the City Fire Department to succeed Ed. Aga, resigned. There being no objection thereto the motion was declared carried.

Otto Bessler presented an application for permit to erect a garage on his lot in Highland Addition and a motion was made by Alderman Porter, seconded by Alderman Fossum and duly carried that the permit be granted.

A motion by Alderman Brumund, seconded by Alderman Porter, and duly carried that bids for installation of heating equipment in the city poorhouse be opened. The following bids were submitted:

Christenson Hdwe. Co., 1 Royal pipeless furnace to heat downstairs	$ 175.00
1 Royal pipeless furnace to be installed with extension to heat upstairs	197.70
Total	$ 372.70
1 Round Oak pipeless furnace to heat downstairs	225.00
1 Round Oak pipeless furnace to be installed with extension to heat upstairs	241.70
Total	$ 466.70
Union Plumbing & Htg. Co., 530 square feet of steam radiation	$ 500.00

A motion was made by Alderman Porter, seconded by Alderman Brumund, that bids for heating installation in poor house be laid over until Thursday evening, Sept. 11th, at eight o'clock P. M. All members voting in favor of the motion the same was declared carried and the council adjourned until Sept. 11th, 1924.

M. V. EVENSON,
President of the Council.

Attest:
P. G. PEDERSON,
City Clerk.

RESOLUTION

At a regular meeting of the city council held Sept. 9th, 1924, Alderman Brumund seconded by Alderman Porter, introduced the following resolution and moved its adoption:

F. J. Stebbins, Misc. supplies	.30
N. W. Bell Telephone Co. Phone rent	7.81
Aarseby & Burstad, Oil and gas	.51
Mike Welch, Labor	10.50
Water and Light Dept., Freight	22.37
Waterworks Fund	
C. D. Lyon & Bro., Alum	61.00
Neptune Meter Co., Supplies	9.00
Lars Erickson, Salary	30.00

ROLL CALL

Aldermen voting Aye: Fossum, Porter, Brumund, Evenson.

Aldermen voting Naye: None.

Resolution declared passed.

M. V. EVENSON,
President of the Council.

Presented to Mayor Sept. 9th, 1924.
Approved Sept. 15, 1924.
J. S. ARNESON,
Mayor.

Attest:
P. G. PEDERSON,
City Clerk.

COUNCIL PROCEEDINGS

Thief River Falls, Minnesota

An adjourned regular meeting of the city council was called to order by M. V. Evenson, President, at eight o'clock P. M. Thursday, Sept. 11th, 1924, with Aldermen Fossum, Porter, Brumund, Rambeck, Evenson present and Alderman Paulson absent.

The bids for installation of heating equipment in the city poor house were brought up for consideration again at this time and a motion was introduced by Alderman Fossum that the proposal of the Union Plumbing and Heating Company for steam installation be accepted. The motion failed to receive a second. A motion was introduced by Alderman Rambeck and seconded by Alderman Brumund, that all bids be rejected. On the roll being called and all members voting in favor of the motion the same was declared carried. A motion was made by Alderman Porter, seconded by Alderman Brumund and duly carried that the President of the Council appoint a committee of three members to take charge of the installation of heating equipment in the city poorhouse.

The petition of C. P. Quist and others praying for the vacation of the south part of Duluth Avenue in Porter's Addition was brought up for consideration again and Alderman Porter seconded by Alderman Fossum introduced a motion that the petition be disapproved. There being no objection thereto the motion was declared carried.

Elmer J. Eklund Post of the American Legion presented an application for permit to conduct a public dance in the American Legion Club rooms on Friday evening, Sept. 12th.; and a motion was made by Alderman Porter, seconded by Alderman Brumund, and duly carried that the same be granted at a fee of $1.00.

On motion the council adjourned.

M. V. EVENSON,
President of the Council.

Attest:
P. G. PEDERSON,
City Clerk.

COUNCIL PROCEEDINGS

Thief River Falls, Minnesota

A special meeting of the city council was called to order by M. V. Evenson, President, at eight o'clock P. M., Saturday, Sept. 13th, 1924, with all members present.

The meeting was called for the purpose of ascertaining from the Mayor and the committee appointed to act with him in the present status of the matter of the city engaging in the oil business in the City of Thief River Falls. The committee of two aldermen reported on what equipment had been ordered and received and also as to the contemplated site of the bulk station.

A motion was introduced by Alderman Brumund that it is the sense of the council that the committee be instructed to proceed with the procuring of the site for bulk station and to have the necessary equipment erected as quickly as possible but not to invest in any further equipment or oil at the present time unless so instructed by the city council. Alderman Fossum seconded the motion and there being no objection thereto the same was declared carried.

There being no further business to consider at this time the council on motion adjourned.

M. V. EVENSON,
President of the Council.

Attest:
P. G. PEDERSON,
City Clerk.

The Shepherd's Regret

There is a story concerning the famous Darwin, who was once walking up a mountain pathway. He gathered a tiny flower, and, taking out of his pocket a magnifying glass, studied it very carefully. A shepherd, coming up at the same time, asked permission to peep through the glass that revealed all the flower's charms.

The glass and the flower were returned; but again the shepherd asked: "May I have another look, sir?" When the second scrutiny was over, he heaved a sigh, and said: "I wish I had never looked through that glass!"

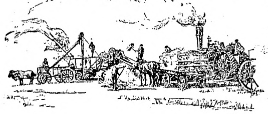
"Why?" asked Darwin.

"Because I tread on thousands of those little flowers every day."

The more we understand God's wonders the more are we inspired to marvel at them, and to reverence Him who created them.

How many discover too late that they have trampled on the beautiful Christ!—The War Cry.

GREAT NORTHERN IS PREPARED



The territory served by the Great Northern Railway harvests its crops and ships to market its heaviest load in the fall season.

This year the Great Northern is prepared to handle a larger traffic than ever before. It has purchased many large new locomotives of the most modern type; it has purchased and rebuilt thousands of new freight cars; it has built new track and improved old; it is equipped to do the people's work well.

Its Oriental Limited Train and other passenger trains are the acme of perfection in passenger service. The extensive use of oil burning locomotives make the route of the Oriental Limited the longest cinderless mileage of any railroad in the Northwest.

A supply of cars is one of the important elements in the preparation for the heavy freight business. The Great Northern not only owns ample equipment for the crop moving season, but it has these cars on its own lines ready for business and in excellent condition. So prepared the Great Northern is confident that it can give adequate service to the Northwest throughout the busiest season of the year. It appreciates your patronage and asks, in your own and its interest, that you help it to

Load cars to capacity
Load and unload promptly
Load cars properly to avoid loss and damage
Avoid diversion wherever possible.

Talk No. 14. September, 1924.

Chairman of the Board.

Pennington County Holstein Breeders Association
Third Annual
Consignment Sale
at Pennington County Fair Grounds
Thief River Falls, Minn.
Wednesday, Oct. 1st

Henry J. Enderle, Clerk. E. E. Hill, Auctioneer

THIEF RIVER FALLS TIMES

Volume 14. Thief River Falls, Pennington County, Minnesota, Thursday, Sept. 25, 1924 Number 34

HOLSTEIN SALE IS ATTRACTING WIDE ATTENTION

40 Head of Purebreds Consigned for Sale to Highest Bidder Next Wednesday

FINE ANIMALS ATTRACT MANY OUTSIDE BUYERS

Consignors are Owners of Leading Holstein Herds in Pennington County

Interest in the third annual consignment sale by the Pennington County Holstein association to be held in Thief River Falls Wednesday, Oct. 1, is not confined to the sellers, according to M. T. McFarland, secretary of the association and J. J. McCann, county agent. From many distant points in Minnesota and North Dakota inquiries are coming in asking for information regarding the animals to be sold. Advertising material has been distributed over a large territory and many buyers are assured.

The sale, which from the outset promises to be the biggest ever put on by the local association, has in consignment 40 head of purebred Holsteins, 20 heavy springers and fresh cows, 12 heifers and eight sires. Last year only 19 animals were sold including only two sires, the total receipts of the sale being $2,693, or an average price per head of $142. This was practically the same as for the previous year. Of the 19 head disposed of last fall 13 were purchased by local dairymen. The highest price paid for any animal was $205.

Animals to be Tested

The animals consigned are from herds owned by Waldie Christensen, V. C. Noper, S. E. Hunt, M. T. McFarland, J. H. Hardisty and Son, Casper Weiner and Dr. J. T. Bowers of Thief River Falls and Gus and Oscar Wilson of Plummer. The consignors are among the leaders in the dairy industry and the animals listed are show ring winners, calf club winners and A. R. O. cows. Every animal will be tuberculin tested and inspected prior to the sale by a committee composed of S. E. Hunt, M. T. McFarland and Hans Anton.

The officers of the association are: Hans Anton, president; S. E. Hunt, vice president; M. T. McFarland, secretary-treasurer. They are now busy making preparations for the event. Paul Borgie of Hazel and Wm. Eukel of Red Lake Falls have been secured as auctioneers. The sale is scheduled to start promptly at 11 o'clock.

Lunch to be Served

Lunch will be served on the grounds at noon by southern and eastern section of the Presbyterian Ladies aid. Members of the Commercial club and other business men of the city have been specially invited to take their noon lunch at the sale grounds, where opportunity will be given to see some of Pennington county's best livestock. It is hoped that some real interest will be shown by the business men in this important event.

An interested person will be on the grounds to handle any bankable paper for the purchase of animals at the sale, it is announced by association officers.

LEGION COMMITTEE NAMED TO ARRANGE ARMISTICE PROGRAM

Post Organization Will Include Executive Board by New Amendment

Armistice Day, November 11, this year will be observed in Thief River Falls more elaborately than ever before, according to plans considered by the Elmer J. Eklund post of the American Legion in session Thursday, Sept. 11. A committee composed of Rev. Chas. Gerlinger, Oscar Paulson and Dave Robinson was named to make arrangements for the exercises, which will also include entertaining features for the evening program, it is planned.

The post adopted an amendment to its constitution providing for an executive committee consisting of the commander, vice commander, adjutant, financial officer and three other members to be nominated by the four officers and elected by the post.

Plenty of Fish in Red Lake

Axel Risberg, deputy county auditor, and Emil Olson returned a week ago Sunday from Redby and Red Lake Agency where they spent a few days outing. While at Redby they visited with S. A. Selvig, in charge of the state fisheries there. Fishing on Red Lake is now a popular occupation among the Indians, says Mr. Risberg, the fish being sold to the state fisheries where it is frozen and sold upon demand. Pike, pickerel, goldeye and white fish are being caught in large numbers, for which 10 cents a pound is paid. Some realize as high as $100 by a day's catch. The hatchery is also practically completed now. A number of new bridges between the Agency and Redby and a dam near Redby are being constructed.

Breaks Arm in Wrestle

Clarence Sundberg, ten year old son of Charles Sundberg who is manager of the Winton-Nichols Lumber yard at Holt, received a splinter fracture to his left arm between the elbow and shoulders Friday while wrestling with a boy companion. He was brot to the Swedenburg hospital for treatment that night, and is reported recovering nicely.

Large Turnout Expected at Annual Fair Association Meeting Friday Eve.

Many matters of importance will be taken up at the annual meeting of the Pennington County Agricultural society tomorrow, Friday evening, at the Commercial club rooms. The session is called for 8 o'clock and every member of the organization is urged to attend. Doughnuts and coffee and cigars will be served by a committee.

Election of officers, hearing of annual reports and fair ground improvements are among things slated for consideration.

While many fairs thruout the state this year suffered a deficit the Pennington county show was the most successful ever held, and the society enters upon another year with a surplus, all bills and more than $1700 in premiums paid. This is gratifying to the management which worked strenuously and is to a large degree responsible for the excellent showing.

Officers of the society are: Herbert Fuller, president; S. E. Hunt, 1st vice president; John Cronkhite, 2nd vice president; J. J. McCann, secretary; Albert Lonson, treasurer; V. C. Noper, Roy Lambert, Fred Beerbower, Dr. H. W. Froehlich and Emil Griebstein, directors. The organization has a membership of about 200 and it is hoped that many will be present at the meeting Friday.

BANKERS OF COUNTY PLEDGE SUPPORT TO SPUD CO-OPERATIVE

Financial Aid Assured Potato Growers of This District at Meeting

Country bankers in the potato growing sections of Minnesota, particularly the Red River Valley, are practically solidly behind the orderly marketing plan of the Minnesota Potato Growers' Exchange. This became evident thru the series of ten meetings held under Exchange auspices, one of which was held in Thief River Falls on Wednesday of last week, to which Pennington and Red Lake bankers and association directors were invited.

Every bank in the city was represented at the conference, as well as St. Hilaire, while H. F. Booren of Plummer was the only Red Lake county representative. A resolution was adopted by the bankers attending, pledging their support in making the association a success.

The resolution promised that all potatoes upon which the banks held mortgages would be sold through the Exchange with the understanding, of course, that the Exchange would give proper assurance that the claims of the banks be protected. The resolution recognized that the success of the movement depends upon the Exchange retaining control of sales to promote orderly marketing and better grading. It pledged the bankers to assist deserving members who will be in need of advances before the Exchange begins distribution of funds obtained from its sales during the season of consumption. This was adopted because the bankers agreed that the seasonal dumping of the crop always has meant flooded markets and low prices.

S. O. Rubinow, general manager of the Exchange, represented the state organization and gave a thorough survey of the activities which have made it possible and the many difficulties which have been overcome. He explained fully the method to be used in marketing this year's crop and the necessity of financial aid until the farmer can obtain cash for his product.

The Exchange is pledged to make payments to growers as fast as sales will permit. Payments will be made to all members on the basis of their actual deliveries, whether such deliveries be to Exchange warehouses or a constructed delivery in farm store houses.

Leaving For Florida

Miss Esther Stebbins, daughter of Mr. and Mrs. F. J. Stebbins, for two years superintendent of nurses at the Physicians hospital, left yesterday for Chicago, where she will join Miss Lillian Provencher and continue on to Florida where they will be engaged in nursing. They will go to New York and take a steamer from that city to Florida, where they will be guests at the home of Mr. and Mrs. Frank Weiland, formerly of this city and now residents of West Palm Beach. Miss Stebbins' place at the hospital has been taken by Miss Adelia Kuehn of Red Lake Falls.

Jewish New Year Begins Sunday

People of the Jewish faith will observe the Jewish New Year, commencing at sundown next Sunday. The observance lasts three days and commemorates the 5685th year of the Jewish calendar.

PEA CANNERY DISCUSSED AT CLUB MEETING TODAY

Possibilities for a pea cannery in Thief River Falls are being discussed today at the Commercial club luncheon, the matter having been considered favorably by many local men for some time.

August Anderson of the state dairy and food department is in attendance at the luncheon today. Deputy Commissioner of Agriculture J. H. Hay, who was unable to be present, has stated that he believes such an industry would do well here. A representative of the Canners' Service of St. Paul, which is at present financing a cannery at Little Falls, is also in attendance to help in threshing out the matter.

CONSOLIDATION OF TWO BANKS AT GOODRIDGE

Farmers State and Goodridge State Banks Merge, Making Strong Institution

CHARTER OF GOODRIDGE STATE TO BE RETAINED

Officers and Directors to be Elected Oct. 1—Old Officers Now in Charge

With the merging of the Goodridge State bank and the Farmers State bank Goodridge now has only one banking institution instead of two, the consolidation taking effect Monday morning. The capital stock and other resources of the two banks totalling nearly $300,000, have been pooled, the new bank to operate under the name of Goodridge State bank. The charter under which that institution has been operating in the past will be retained, the charter of the Farmers State bank having been relinquished.

The deal had been under consideration for some time, the consolidation assuring greater strength as a result of the increased resources. While both the Goodridge institutions have been kept in sound financial condition since their organization and have given excellent service, the consolidation will mean greater confidence in the new institution.

A special meeting of the stockholders will be held Oct. 1, at which time directors and officers will be elected. Among the stockholders are about 50 prominent farmers and business men of Pennington county. At present the bank is in charge of J. P. Jenson, Nick Bundhund, Roy Halseth and H. B. Rockne, officials of the former banks, who are now busy perfecting the details connected with the consolidation. The Goodridge State bank is being used at present but the other will be occupied when the cold weather sets in, it is reported.

OATS CROP YIELDS 100 BU. AN ACRE ON SUGAR BEET GROUND

Reports of Large Yields Coming in as Threshing Operations Advance

Reports of great yields on Pennington county farms continue to come in to The Times office, in response to the request that those getting or knowing of exceptional yields report same to this office in an effort to boost the possibilities of this locality.

That sugar beets is a beneficial rotation crop was demonstrated on the S. O. Lee farm, three miles southwest of Thief River Falls, operated by C. M. Lee, a field of four-five acres where beets were raised last year, producing an oat crop yielding 100 bushels to the acre this year. Altho not quite up to Alfred Flattum's yield of 105 bushels from two bushels of Minota oats seed, this is one of the best yields reported here this season. Mr. Lee's entire field of 22 acres averaged 71 bushels of finest quality oats, bearing evidence as to the productiveness of the soil in this community under favorable conditions.

Another excellent yield is reported from the Knut Yatesund farm, southeast of the city, where several acres of oats averaged 84 bushels an acre. An oat field on Henry Koop's farm on which wheat was raised last year, yielded 80 bushels an acre, The Times is informed.

Quite a few instances of wheat yields of 40 bushels an acre are reported in the county. Pat Roark and Gus Hillyar north of the city, had barley yielding 65 bushels.

Martin Lee, residing southeast of the city, received a yield of 92 bushels an acre, of succotash, wheat and oats, on a small field. This field was sown to beets last year.

Lewis Nelson, residing eight miles southeast in Smiley township, received 600 bushels of oats on a seven acre field.

Court Hearing Oct. 10

Judge Andrew Grindeland of Warren will be in Thief River Falls Oct. 10, to hear any motions or other matters brought before the district court, it is announced by Clerk of Court Adolf Eklund. The hearing of the Citizens State bank matter was postponed from Sept. 11 by stipulation.

Tremendous Movement of Grain Thru Here; Extra Crews Employed on Soo

The grain movement from the west is now in full swing and promises to be the heaviest in many years. Already all previous records of grain cleared thru this terminal have been broken, according to P. J. Keating, superintendent of grain inspection here.

An average of six train loads of about 60 carloads each are passing thru this city daily and Tuesday more carloads of grain were inspected in this city than in any one day for 12 years. All available train crews have been pressed into service and there is still a shortage of help according to local railroad officials. The present peak load is expected to last about ten days or two weeks altho there will be a heavy movement thru the next month.

RACES TO BE HELD HERE NEXT SUNDAY

Yes, there will be races at Thief River Falls. Altho the rains made it impossible for the Eklund post of the American Legion to stage the racing events scheduled to take place at the fair grounds here last Sunday, arrangements have been made by the undaunted Legionnaires to conduct the auto, motorcycle and horse races next Sunday afternoon, Sept. 28.

The program, which starts at 2 o'clock sharp, will remain exactly as previously announced, except with the addition of the Karlstad band, this fine musical organization having volunteered their services during the afternoon. Professional speed artists will be on hand and many local speedsters will help thrill the crowds.

Large numbers of speed fans from outlying points where in the city, expecting to see the races in spite of the .22 inch rain and no doubt many more will be on hand next Sunday if the weather is favorable. It is to be remembered that the proceeds of this event will be used to defray expenses connected with the state Legion convention to be held in the city next year.

FOOTBALL SEASON OPENS HERE WITH GAME OCTOBER 1

Schedule of Five Home Games Will Provide Thrills for Gridiron Fans

Facing a schedule of seven games, with the opening at Red Lake Falls Saturday, and the first conference game with Warren at Warren Oct. 4, Thief River Falls high school football men are putting in strenuous hours in anticipation of a most successful season under Coach L. A. Thune, who is spending his second year as mentor of the local aggregation. The squad has been working hard since the opening day of school and has already reached a stage of ability usually not attained until later in the season.

The full schedule for the season has been announced by the athletic authorities as follows and includes five games to be played at the fair grounds here, the first one next Wednesday:

Red Lake Falls, Oct. 1, here.
Warren, Oct. 4, at Warren.
Crookston, Oct. 10, here.
Bemidji, Oct. 18, here.
Mahnomen, Oct. 25, here.
Crookston Aggies, Nov. 1, at Crookston.
East Grand Forks, Nov. 11, here.

Reduction of $1000 in School Levy for Year

Members of the school board of Independent District No. 18 met Tuesday night and fixed the levy for school purposes for the coming year at $75,000, a reduction of $1,000 from the previous year. Details of the budget will be published next week.

Campaigner Coming Oct. 3

As was announced in last week's issue of The Times, Hon. Jas. A. Peterson of Minneapolis, formerly a member of the legislature, will speak at the Princess theatre in this city Friday, Oct. 3, in behalf of the LaFollette-Wheeler ticket, third party candidates, respectively.

Creamery Showing Form

Pouring of the concrete for the second floor of the new creamery building being erected in this city has been completed and bricklayers are again at work, erecting the second story. Contractor Bert Norby is pushing the work and progress is made at a very encouraging rate. About a dozen workmen are employed, besides five bricklayers.

BEST CROP IN YEARS SAYS PIONEER FARMER

Ed. Aubol, farmer of Rocksbury township, south of the city, the past 35 years, reports completing threshing of his 1924 crop last week with very satisfactory results. On 25 acres of wheat he received an average yield of 26 bushels an acre, of the best quality testing over 62 pounds to the bushel. This is one of the best crops he has harvested for years altho his wheat average in 1918 was about 33 bushels an acre. Mr. Aubol reports an oat yield of nearly 48 bushels to the acre, the grain this year being of exceptionally good quality and clean. His oats averaged about 53 bushels to the acre in 1918, when one of the biggest crops in history was harvested here.

The pioneer farmer is of the firm belief that the growing of grass seeds should be encouraged as a means of fighting the weed pest, and declares that he notes wonderful improvement in the fields where he has grown sweet clover. "Grain harvested this year from sweet clover land is practically free from any kind of weeds," Mr. Aubol stated to a Times reporter the other day, "Perhaps the cool weather during the past season has also had something to do with the noticeable decrease in weeds here." Mr. Aubol, who has also put in a substantial acreage of alfalfa on his farm, states that plenty of rain this fall will assure a heavy crop from alfalfa seeded the past year, giving opportunity for an exceptionally good stand.

PROMINENT MEN OF G. O. P. PARTY TO SPEAK HERE

Speaker Nolan to Address Voters Here Monday and at St. Hilaire Tuesday

CONG. HAUGEN AND BEDE COMING TUESDAY EVE.

Opportunity for Citizens to Hear Discussions of State and National Issues

Political interest will be given an impetus in Pennington county by the appearance of a group of prominent Republican leaders who will speak in Thief River Falls next week.

The first one on the program is W. I. Nolan, Republican candidate for lieutenant governor who speaks at the Princess theatre Monday evening and at St. Hilaire on Tuesday morning at 9:30. Mr. Nolan, who is a powerful and well informed speaker will not only speak in his own behalf but also for other members of the Republican ticket—*state and national.*

Congressman Gilbert Haugen of Iowa, author of the McNary-Haugen bill, and J. Adam Bede, Minnesota's famous humorist, are scheduled to speak at the Princess theatre Tuesday evening at 8 o'clock, on a tour of Northwestern Minnesota. Mr. Haugen's position as chairman of the Agricultural Committee of the House especially qualifies him to speak upon national legislation relating to agriculture and his address will be of special interest to farmers.

Mr. Bede was formerly congressman from the eighth Minnesota district. Both men are excellent speakers and the meeting will afford local citizens an opportunity to hear discussions of political issues.

MERCHANTS BACKING WELFARE OF T. R. F. DESERVE PATRONAGE

Co-operation of Business Men Contributes to Upbuilding of Community

The ambition of every merchant in Thief River Falls is to make this city the best along the line.

This may be a selfish object on his part, but the fact remains that he can prosper only if the city thrives, for it is obvious that little money will be passed over his counters by people who have no money to spend.

No Thief River Falls merchant however, depends on mere wishing to bring prosperity to his town and to make it grow. When he argues for better schools and improved streets, it is not in the expectation that his share is to be mere words while other property owners foot the tax bills.

Every merchant in this town backs up his confidence in this town, in its prosperity and the prosperity of those in it and in its future as a rising member of this splendid commonwealth, by his hard-earned dollars. Before he can obtain a cent of profit, he must offer a big stock of the goods the public want, attractively displayed in a conveniently arranged store of adequate size, with all necessary equipment for handling his goods, and with well paid, courteous sales people whose purpose is to render service to the trade. Not until this investment has been made and his business is set in all its completeness before the people of the town can he hope to get back even so much as one cent of profit.

Once they locate, they become fixtures and nothing short of a considerable term of years suffices to win for them even a fair return for their money. To leave before their business, and the business of the town are squarely on their feet, would be poor business policy; to leave after prosperity had come would be folly.

Does not such a citizen deserve your co-operation?

No group of citizens are greater boosters for the schools than the merchants. It means greater opportunities for the generation that comes after them. They reap little direct benefit, and they bear the greatest share of the tax burden, because of the larger valuation of their property. Every family benefits, its boys and girls being helped on the road to better citizenship. In the same way do the business men contribute to libraries, churches and other agencies, as well as take a leading part in patriotic celebrations and community activities, lecture courses, concerts for the public and similar movements.

This is the man on whose progressive leadership the future of the community depends. To trade with Thief River Falls merchants means dollars for you.

Car Overturns

Mrs. Ted Jensen, residing near Hazel, was seriously hurt Friday when the car she was driving overturned into a deep ditch near Hazel when she attempted to turn a corner. Occupants of a passing car picked her up in an unconscious state and notified her husband who brot her to the Swedenburg hospital for treatment. On examination it was found that she was badly injured about the diaphragm. No cause for the accident has been ascertained. The patient is improving as well as can be expected.

Alvarado Bank Reopened After 2 Years Suspension; Progress Made at Citizens

Plans are under way whereby approximately 25 banks in Minnesota will be reopened before the first of the year, A. J. Veigel, state superintendent of banks announced last week. This liquidation is made possible by the excellent crops and good prices received by the farmers for their products, he said.

The State Bank of Alvarado, closed by the state banking department in November 1922, was reopened Thursday of last week, the requirements set forth by the department being complied with. A "Depositors Reduction Agreements" similar to that being sent to depositors of the Citizens State bank here, was used by the Alvarado instution and the stockholders given double assessment. O. S. Hellerud, formerly with the Rosewood bank, is assistant cashier, the other officers being: Daniel Nordstrom, president, C. O. Olson, vice president; J. W. Sands, cashier; H. T. Porten, assistant cashier. The bank has a capitalization of $25,000, surplus of $5,000 and deposits of $3555,000.

The Farmers and Merchants State bank of New York Mills was re-opened Saturday and the St. Martin State bank of, St. Martin, resumed business Monday.

Satisfactory progress is being made in the *reorganization of the Citizens* State bank of this city, with W. W. Prichard, Sr., in charge. The "Depositors Reduction Agreements" are being returned to the committee at an encouraging rate, but it is urged that those who have not signed up yet do so at once so as to make it possible to reopen the bank within a reasonably short time.

POULTRY SHOW AND DAIRYMEN MEET TO BE HELD NOV. 19-20

Gathering of Valley Dairymen During Pennington Poultry Exhibition

Directors of the Red River Valley Dairymen's association met in this city Saturday and decided to hold their annual meeting in Thief River Falls on Nov. 19 and 20 in conjunction with the annual Pennington county poultry show, which is held at that time by the poultry association. Directors of the two organizations deemed it best to combine the meeting and exhibition and by so doing assure increased interest and a larger attendance.

Whether or not a winter crops show will also be held has not been decided yet, this matter being under consideration by the agricultural committee of the Commercial club. Several club members at the meeting last week expressed themselves in favor of a show similar to that held last year. Present plans of the poultry association bid for the greatest exhibition ever held here. Premiums of $350 are paid by the state. Premium money for the dairy exhibits will be raised by business people of the city.

Details of the program are now being worked out by directors of the Dairymen's association, a number of prominent speakers who will discuss dairy and other farm problems being included. A. A. McPheeters, manager of the Minnesota Poultry Marketing Exchange, will be here to explain matters concerning poultry and egg handling to the creamery operators in attendance. The meeting will be instructive as well as entertaining, it is declared.

Father Flanagan's Band Boys Coming Next Sunday

Father Flanagan's Boys' Shows from Omaha, Neb., are booked to give a performance at the city auditorium next Sunday evening, Sept. 28. A special matinee for children will be given at 4:00 p. m., while no children will be admitted at the evening performance.

From all reports this is one of the most interesting and entertaining shows to be seen here this season, consisting as it does of a boys' band, an orchestra, boy soloists, orators and comedians.

Father Flanagan's Boys' Home of Omaha was started six years ago to fill the needs of all homeless, abandoned and wayward boys and in its brief existence has already gained a national reputation.

It is nonsectarian and is endorsed by prominent people of nearly every state.

As there is no admission charge it is anticipated that an enormous crowd will turn out.

Tender Leaves Track.

The engine tender of the Duluth local, train No. 163, due here at 8 o'clock left the track last evening and caused a delay of four hours, the train arriving at midnight.

DICTIONARY OFFER POPULAR

The special dictionary offer advertised in The Times has been very popular with subscribers, the first shipment of these books having been completely exhausted. Another shipment is expected to arrive in a few days, however, when orders now on hand will be promptly filled.

The dictionary offered is a new edition, just off the press. It contains over 1200 pages and is bound in flexible grain seal faberkold. The book is sold to subscribers of The Times for only 58 cents when accompanied by a remittance for a year's subscription.

LARGE AREA IS SERVED BY NEW POULTRY CO-OP.

Thief River Valley Ass'n Now Has 19 Local Receiving Stations Established

FIRST EGG SHIPMENT TODAY—POULTRY SAT.

More Territory Being Added to District—Already Handling Large Volume

Eggs are now being delivered to the central receiving station of the Thief River Valley Poultry Marketing association in Thief River Falls from points south as far as Winger and north to Warroad. With the addition of Roseau, Warroad, Plummer and Brooks as local receiving stations the association now has a total of 19 such assembling points, the creameries being used in every instance.

The first shipment of poultry was made Saturday and another will be made Saturday of this week, arrangements having been made for a car to be loaded on that day. Farmers in this vicinity will bring their live poultry right to the station here and deliveries will also be made from other points.

Newfolden Does Well

The first lot of eggs is being shipped today to Chicago. Newfolden so far is the banner community in egg production, the association's truck making two trips to that station Tuesday, bringing in a total of 421 dozen eggs in a single day.

At present eggs are divided into three grades—extra firsts, which should weigh 23 ounces or more, be fresh, clean and free from heat; firsts, weighing between 22 and 23 ounces, reasonable clean, fresh but may be slightly heated; and seconds, which include any eggs under 22 ounces, badly heated, evaporated, small, dirty or cracked. It is pointed out by those in charge that care should be taken in handling the eggs and taking them to the stations, producers being advised to get the standard 15-dozen cases from the association headquarters.

The fact that the local association is far reaching is evidenced by the fact that G. G. Ellingson of Rolette, N. D., has made application for membership, having heard about the activities of the organization.

Getting New Stations.

Manager B. O. Norby made a trip to Warroad and Roseau Monday regarding opening of receiving stations there, and yesterday Brooks, Plummer, Winger and Oklee were visited. Plans are also under way to open a station at Lancaster and points along that line.

Deliveries will be made from the local receiving stations twice a week. A regular truck schedule will be announced next week, says Mr. Norby. The truck just purchased by the association is being driven by Lawrence Ecklund.

Present indications point to a tremendous business during the fall season.

MANY GRADE PUPILS HAVE RELIGIOUS INSTRUCTION FRIDAYS

Increased Interest Shown in Friday Afternoon Classes at City Churches

That parents and pupils of the city schools have found value and enjoyment in the Friday afternoon religious instruction classes is evidenced by the increased enrollment over last year. Much interest is reported from all the churches and it is declared that much more is being accomplished this year as a result of devoting the entire afternoon to the religious instruction instead of only the last period as was the case last year.

Some of the churches have adopted improved textbooks and better systems of instruction made more workable under the new arrangement. Other improvements are being made from time to time to increase the value of the classes. Pastors are being assisted by teachers, each having certain grades to instruct.

Children in the fourth thru the eighth grade are dismissed on Friday afternoons to attend religious classes in their respective churches upon application by the parents. The work is entirely voluntary and no student is compelled to attend, but the school authorities are co-operating in every way possible to make the plan a success. Careful check is kept of all cases of absence and tardiness, which are reported to the school authorities. A record is kept of the work done by each pupil and reported to the schools at the close of each month so that the marks may be inserted on the report cards.

The Times has secured the following figures from the individual churches showing the enrollment last Friday:

Trinity Lutheran, Rev. S. L. Tallakson, 105; Scandinavian Evangelical Mission, Rev. J. Jacobson, and Swedish Mission, Rev. O. J. Lundell, 19; Presbyterian, Rev. Chas. Gerlinger, and Methodist, Rev. T. J. Dixon, 82; St. John's Lutheran, Rev. H. E. Kreidt 18; Zion Lutheran, Rev. George Larson, 39; Augustana Swedish Lutheran, Rev. A. A. Larson, 19.

Legion Meets Tonight

A regular meeting of the American Legion post will be held at the Legion rooms at the usual time tonight.

Legion Auto Races to be Staged Here Sunday P. M.

Official Paper of Pennington County
Official Paper, City Thief River Falls
Official Paper, School District No. 18

While crop conditions in the Northwest are very favorable this year, there is a steadily growing demand for more and better cattle, particularly of the dairy breeds. The farmers of this community have come to the realization that the dairy cow is the really dependable source of income thru a period of years, and are making every effort to improve and enlarge their herds.

Consignment sales put on by local breeders' associations in the past have afforded a splendid opportunity for farmers to add to their herd or secure foundation stock from the best herds in the country. The fact that buyers from all over the state and other states come here to buy stock is evidence of the reputation held by dairymen here. Pennington county ranks among the best in this great dairy state.

It is to be hoped that when the Holstein sale is held here October 1, for which 40 purebred animals have been consigned, the majority of the animals listed, if not all are bought by local farmers and remain in the community. Pennington county has a large number of registered cattle but needs them all.

Says Martin Widsten in the Crookston Daily Times:

Norman, Pennington and Roseau are upholding the fame of the Red River Valley with county exhibist at the State Fair this year. Pennington county is making a stronger showing in alfalfa than any other county in the state, and is attracting much attention and comment. Norman county has considerable fruit on display, and the Roseau county exhibit shows an especially fine line of vegetable and garden products and native wild fruits. The three of them is a very fine advertisement for the northern part of the valley.

About the only way to assure a late fall is to lay in your winter's supply of coal now.

Works both ways! If you're right on top, you'll wear a Lanpher hat and be "right on top."

And the price is right—less than you expect.

Potato Warehouses to be Considered at Crookston Meeting Monday, Sept. 22

Members of county potato association boards and state trustees will attend one of three general conferences to be held early next week to complete the warehouse program of the Minnesota Potato Growers Exchange.

The first meeting will be held at Crookston Sept. 22, the second at Brainerd, Sept. 23, and the third at St. Paul, Sept. 24.

At these meetings, first steps to form three warehouse corporations will be taken. One will serve the Red River Section, one the central section, and one the sand land section. County board members will be given complete information as to the number of warehouses taken over and leased, together with the financial program involved. Exchange officials will ask for approval of their plans so that actual incorporation of three separate corporations can be started at once.

Stack Silage Method is Explained by U. Experts

Andrew Boss, vice director of the Minnesota Experiment station, says that farmers without silos can preserve green and immature corn by the stack method of making silage.

C. L. McNelly, a Minnesota county agent, has made stack silage for four seasons on his farm at Mcintosh, Minn., and recommends it in preference to bundle fodder corn. He makes the stack about 20 feet in diameter and 20 feet high, keeping the center lower than the outside until the top is reached when it should be filled full. The bundles must be distributed evenly over the surface with the butts laid to the outside.

During the winter the top of the stack is kept covered with a foot or two of wild hay which can be thrown back as the silage is taken off. In order to prevent extreme freezing this covering should be replaced after the day's feed has been thrown down.

Corn preserved in this way will rot in for about eight inches on the outside of the stack, but as the butts of the stalks only are affected the loss is not serious. According to Messrs. Boss and McNelly the silage cures somewhat differently from the common corn silage in that it seems to develop less acid. There is a sweet molasses odor and flavor which make it palatable for all kinds of live stock.

A number of local farmers who have stacked corn according to similar methods in past seasons have met with very satisfactory results, it is said.

It is of interest to note that attention to this method of making silage was called to university experts at the Winter Shows held here last winter, when W. W. Prichard, Sr., of this city gave a thorough explanation of the practises on his farms, the method really originating in this section.

They Don't Like Catalogs

The following article appearing in the Warren Sheaf a couple of weeks ago applies to Thief River Falls as well.

"Warren this week has several more ardent trade at home advocates.

"This mail order business is the bunk and if you don't believe that you can ask any mail carrier in Warren. Hundreds of mail order catalogues arriving in Warren this week gave the mail men additional troubles and a mail man has troubles enough anyhow, now hasn't he?

"Carting catalogues around is no fun with each catalogue weighing two and three-quarters pounds. After a mail man gets about 25 of the books he is not looking for more. He is looking for some sort of a mail cart that will save his shoulders and back.

"On the rural routes the catalogue is not such a bug-a-boo as automobiles can stand more overloading than man. But even so [illegible] to the life of th

"Hence Warr dent advocates at home campai Thief River the motion.

CITY COUNCIL PROCEEDINGS

Thief River Falls, Minnesota

A regular meeting of the City Council was called to order by M. V. Evenson, President, at eight o'clock P. M. Tuesday, Sept. 9th, 1924, with Aldermen Fossum, Porter, Brumund, Evenson present and Aldermen Rambeck and Paulson absent.

Minutes of the meeting of August 28th were read and on motion approved as read.

Superintendent [illegible] of the Schools appeared before the council with regard to securing the use of the auditorium for the Northwestern Minnesota Educational Association, a motion was made by Alderman Brumund, seconded by Alderman Porter and carried that the Association be granted the use of the auditorium free of charge on the dates of October 8th, 9th and 10th.

Alderman Porter, seconded by Alderman Brumund, moved the approval of the monthly reports of the City Clerk, City Treasurer, Municipal Judge, Chief of Police, Dairy Inspector and Librarian. Carried.

Alderman Porter, seconded by Alderman Brumund, moved the approval of the appointment of [illegible] to membership in the City Fire Department to succeed Ed. Aga, resigned. There being no objection thereto the motion was declared carried.

[illegible] presented an application for permit to erect a garage on [illegible] lot in Highland Addition and a motion was made by Alderman Porter, seconded by Alderman Fossum and duly carried that the permit be granted.

A motion by Alderman Brumund, seconded by Alderman Porter, and duly carried that bids for installation of heating equipment in the city poorhouse be opened. The following bids were submitted:

Christenson Hdwe. Co., 1 Royal pipeless furnace to heat downstairs	$ 178.00
1 Royal pipeless furnace to be installed with extension to heat upstairs	194.70
Total	$ 372.70
1 Round Oak pipeless furnace to heat downstairs	225.00
1 Round Oak pipeless furnace to be installed with extension to heat upstairs	241.70
Total	$ 466.70
Union Plumbing & Htg. Co., 530 square feet of steam radiation	$ 590.00

A motion was made by Alderman Porter, seconded by Alderman Brumund, that bids for heating installation in poor house be laid over until Thursday evening, Sept. 11th, at eight o'clock P. M. All members voting in favor of the motion the same was declared carried and the council adjourned until Sept. 11th, 1924.

M. V. EVENSON,
President of the Council.

Attest:
P. G. PEDERSON,
City Clerk.

RESOLUTION

At a regular meeting of the city council held Sept. 9th, 1924, Alderman Brumund seconded by Alderman Porter, introduced the following resolution and moved its adoption:

N. W. Bell Telephone Co. Phone rent	[illegible]
Aarely & Burstad, Oil and gas	.51
Mike Welch, Labor	[illegible]
Water and Light Dept., Freight	22.37
Waterworks Fund	
C. D. Lyon & Bro., Alum	[illegible]
Neptune Meter Co., Supplies	[illegible]
Lars Erickson, Salary	[illegible]

ROLL CALL

Aldermen voting Aye: Fossum, Porter, Brumund, Evenson.

Aldermen voting Nay: None.

Resolution declared passed.

M. V. EVENSON,
President of the Council.

Presented to Mayor Sept. 9th, 1924.
Approved Sept. 15, 1924.
J. S. ARNESON,
Mayor.

Attest:
P. G. PEDERSON,
City Clerk.

COUNCIL PROCEEDINGS

Thief River Falls, Minnesota

An adjourned regular meeting of the city council was called to order by M. V. Evenson, President, at eight o'clock P. M. Thursday, Sept. 11th, 1924, with Aldermen Fossum, Porter, Brumund, Rambeck, Evenson present and Alderman Paulson absent.

The bids for installation of heating equipment in the city poor house were brought up for consideration again at this time and a motion was introduced by Alderman Fossum that the proposal of the Union Plumbing and Heating Company for steam installation be accepted. The motion failed to receive a second. A motion was introduced by Alderman Rambeck and seconded by Alderman Brumund, that all bids be rejected. On the roll being called and all members voting in favor of the motion the same was declared carried. A motion was made by Alderman Porter, seconded by Alderman Brumund and duly carried that the President of the Council appoint a committee of three members to take charge of the installation of heating equipment in the city poorhouse.

The petition of C. P. Quist and others praying for the vacation of the south part of Duluth Avenue in Porter's Addition was brought up for consideration again and Alderman Porter seconded by Alderman Fossum introduced a motion that the petition be disapproved. There being no objection thereto the motion was declared carried.

Elmer J. Eklund Post of the American Legion presented an application for permit to conduct a public dance in the American Legion Club rooms on Friday evening, Sept. 12th, and a motion was made by Alderman Porter, seconded by Alderman Brumund, and duly carried that the same be granted at a fee of $1.00.

On motion the council adjourned.

M. V. EVENSON,
President of the Council.

Attest:
P. G. PEDERSON,
City Clerk.

COUNCIL PROCEEDINGS

Thief River Falls, Minnesota

A special meeting of the city council was called to order by M. V. Evenson, President, at eight o'clock P. M., Saturday, Sept. 13th, 1924, with all members present.

The meeting was called for the purpose of ascertaining from the Mayor and the committee appointed to act with him in the present status of the matter of the city engaging in the oil business in the City of Thief River Falls. The committee of two aldermen reported on what equipment had been ordered and received and also as to the contemplated site of the bulk station.

ed that the committee be instructed to proceed with the procuring of the site for bulk station and to have the necessary equipment erected as quickly as possible but not to invest in any further equipment or oil at the present time unless so instructed by the city council. Alderman Fossum seconded the motion and there being no objection thereto the same was declared carried.

There being no further business to consider at this time the council on motion adjourned.

M. V. EVENSON,
President of the Council.

Attest:
P. G. PEDERSON,
City Clerk.

The Shepherd's Regret

There is a story concerning the famous Darwin, who was once walking up a mountain pathway. He gathered a tiny flower, and, taking out of his pocket a magnifying glass, studied it very carefully. A shepherd, coming up at the same time, asked permission to peep through the glass that revealed all the flower's charms.

The glass and the flower were returned; but again the shepherd asked: "May I have another look, sir?" When the second scrutiny was over, he heaved a sigh, and said: "I wish I had never looked through that glass!"

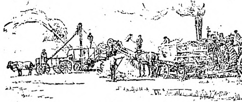
"Why?" asked Darwin.

"Because I tread on thousands of those little flowers every day."

The more we understand God's wonders the more are we inspired to marvel at them, and to reverence Him who created them.

How many discover too late that they have trampled on the beautiful Christ!—The War Cry.

GREAT NORTHERN IS PREPARED



The territory served by the Great Northern Railway harvests its crops and ships to market its heaviest load in the fall season.

This year the Great Northern is prepared to handle a larger traffic than ever before. It has purchased many large, new locomotives of the most modern type; it has purchased and rebuilt thousands of new freight cars; it has built new track and improved old; it is equipped to do the people's work well.

Its Oriental Limited Train and other passenger trains are the acme of perfection in passenger service. The extensive use of oil burning locomotives make the route of the Oriental Limited the longest cinderless mileage of any railroad in the Northwest.

A supply of cars is one of the important elements in the preparation for the heavy freight business. The Great Northern not only owns ample equipment for the crop moving season, but it has these cars on its own lines ready for business and in excellent condition. So prepared the Great Northern is confident that it can give adequate service to the Northwest throughout the busiest season of the year. It appreciates your patronage and asks, in your own and its interest, that you help it to

Load cars to capacity
Load and unload promptly
Load cars properly to avoid loss and damage
Avoid diversion wherever possible.

THIEF RIVER FALLS TIMES

Volume 14. Thief River Falls, Pennington County, Minnesota, Thursday, Sept. 25, 1924 Number 34

HOLSTEIN SALE IS ATTRACTING WIDE ATTENTION

40 Head of Purebreds Consigned for Sale to Highest Bidder Next Wednesday

FINE ANIMALS ATTRACT MANY OUTSIDE BUYERS

Consignors are Owners of Leading Holstein Herds in Pennington County

Interest in the third annual consignment sale by the Pennington County Holstein association to be held in Thief River Falls Wednesday, Oct. 1, is not confined to the sellers, according to M. T. McFarland, secretary of the association and J. J. McCann, county agent. From many distant points in Minnesota and North Dakota inquiries are coming in asking for information regarding the animals to be sold. Advertising material has been distributed over a large territory and many buyers are assured.

The sale, which from the outset promises to be the biggest ever put on by the local association, has in consignment 40 head of purebred Holsteins, 20 heavy springers and fresh cows, 12 heifers and eight sires. Last year only 19 animals were sold including only two sires, the total receipts of the sale being $2,693, or an average price per head of $142. This was practically the same as for the previous year. Of the 19 head disposed of last fall 13 were purchased by local dairymen. The highest price paid for any animal was $205.

Animals to be Tested

The animals consigned are from herds owned by Waldie Christensen, V. C. Noper, S. E. Hunt, M. T. McFarland, J. H. Hardisty and Son, Casper Weiner and Dr. J. T. Bowers of Thief River Falls and Gus and Oscar Wilson of Plummer. The consignors are among the leaders in the dairy industry and the animals listed are show ring winners, calf club winners and A. R. O. cows. Every animal will be tuberculin tested and inspected prior to the sale by a committee composed of S. E. Hunt, M. T. McFarland and Hans Anton.

The officers of the association are: Hans Anton, president; S. E. Hunt, vice president; M. T. McFarland, secretary-treasurer. They are now busy making preparations for the event. Paul Borgie of Hazel and Wm. Eukel of Red Lake Falls have been secured as auctioneers. The sale is scheduled to start promptly at 11 o'clock.

Lunch to be Served

Lunch will be served on the grounds at noon by southern and eastern section of the Presbyterian Ladies aid. Members of the Commercial club and other business men of the city have been specially invited to take their noon lunch at the sale grounds, where opportunity will be given to see some of Pennington county's best livestock. It is hoped that some real interest will be shown by the business men in this important event.

An interested person will be on the grounds to handle any bankable paper for the purchase of animals at the sale, it is announced by association officers.

LEGION COMMITTEE NAMED TO ARRANGE ARMISTICE PROGRAM

Post Organization Will Include Executive Board by New Amendment

Armistice Day, November 11, this year will be observed in Thief River Falls more elaborately than ever before, according to plans considered by the Elmer J. Eklund post of the American Legion in session Thursday, Sept. 11. A committee composed of Rev. Chas. Gerlinger, Oscar Paulson and Dave Robinson was named to make arrangements for the exercises, which will also include entertaining features for the evening program, it is planned.

The post adopted an amendment to its constitution providing for an executive committee consisting of the commander, vice commander, adjutant, financial officer and three other members to be nominated by the four officers and elected by the post.

Plenty of Fish in Red Lake

Axel Risberg, deputy county auditor, and Emil Olson returned a week ago Sunday from Redby and Red Lake Agency where they spent a few days outing. While at Redby they visited with S. A. Selvig, in charge of the state fisheries there. Fishing on Red Lake is now a popular occupation among the Indians, says Mr. Risberg, the fish being sold to the state fisheries where it is frozen and sold upon demand. Pike, pickerel, goldeye and white fish are being caught in large numbers, for which 10 cents a pound is paid. Some realize as high as $100 by a day's catch. The hatchery is also practically completed now. A number of new bridges between the Agency and Redby and a dam near Redby are being constructed.

Breaks Arm in Wrestle

Clarence Sundberg, ten year old son of Charles Sundberg who is manager of the Winton-Nichols Lumber yard at Holt, received a splinter fracture to his left arm between the elbow and shoulders Friday while wrestling with a boy companion. He was brot to the Swedenburg hospital for treatment that night, and is reported recovering nicely.

Large Turn[illegible]ected at Annual Fa[illegible]ociation Meeting F[illegible]ay Eve.

Many matters of importance will be taken up at the annual meeting of the Pennington County Agricultural society tomorrow, Friday evening, at the Commercial club rooms. The session is called for 8 o'clock and every member of the organization is urged to attend. Doughnuts and coffee and cigars will be served by a committee.

Election of officers, hearing of annual reports and fair ground improvements are among things slated for consideration.

While many fairs thruout the state this year suffered a deficit the Pennington county show was the most successful ever held, and the society enters upon another year with a surplus, all bills and more than $1700 in premiums paid. This is gratifying to the management which worked strenuously and is to a large degree responsible for the excellent showing.

Officers of the society are: Herbert Fuller, president; S. E. Hunt, 1st vice president; John Cronkhite, 2nd vice president; J. J. McCann, secretary; Albert Lonson, treasurer; V. C. Noper, Roy Lambert, Fred Beerbower, Dr. H. W. Froehlich and Emil Griebstein, directors. The organization has a membership of about 200 and it is hoped that many will be present at the meeting Friday.

BANKERS OF COUNTY PLEDGE SUPPORT TO SPUD CO-OPERATIVE

Financial Aid Assured Potato Growers of This District at Meeting

Country bankers in the potato growing sections of Minnesota, particularly the Red River Valley, are practically solidly behind the orderly marketing plan of the Minnesota Potato Growers' Exchange. This became evident thru the series of ten meetings held under Exchange auspices, one of which was held in Thief River Falls on Wednesday of last week, to which Pennington and Red Lake bankers and association directors were invited.

Every bank in the city was represented at the conference, as well as St. Hilaire, while H. F. Booren of Plummer was the only Red Lake county representative. A resolution was adopted by the bankers attending, pledging their support in making the association a success.

The resolution promised that all potatoes upon which the banks held mortgages would be sold through the Exchange with the understanding, of course, that the Exchange would give proper assurance that the claims of the banks be protected. The resolution recognized that the success of the movement depends upon the Exchange retaining control of sales to promote orderly marketing and better grading. It pledged the bankers to assist deserving members who will be in need of advances before the Exchange begins distribution of funds obtained from its sales during the season of consumption. This was adopted because the bankers agreed that the seasonal dumping of the crop always has meant flooded markets and low prices.

S. O. Rubinow, general manager of the Exchange, represented the state organization and gave a thorough survey of the activities which have made it possible and the many difficulties which have been overcome. He explained fully the method to be used in marketing this year's crop and the necessity of financial aid until the farmer can obtain cash for his product.

The Exchange is pledged to make payments to growers as fast as sales will permit. Payments will be made to all members on the basis of their actual deliveries, whether such deliveries be to Exchange warehouses or a constructed delivery in farm store houses.

Leaving For Florida

Miss Esther Stebbins, daughter of Mr. and Mrs. F. J. Stebbins, for two years superintendent of nurses at the Physicians hospital, left yesterday for Chicago, where she will join Miss Lillian Provencher and continue on to Florida where they will be engaged in nursing. They will go to New York and take a steamer from that city to Florida, where they will be guests at the home of Mr. and Mrs. Frank Weiland, formerly of this city and now residents of West Palm Beach. Miss Stebbins' place at the hospital has been taken by Miss Adelia Kuehn of Red Lake Falls.

Jewish New Year Begins Sunday

People of the Jewish faith will observe the Jewish New Year, commencing at sundown next Sunday. The observance lasts three days and commemorates the 5685th year of the Jewish calendar.

PEA CANNERY DISCUSSED AT CLUB MEETING TODAY

Possibilities for a pea cannery in Thief River Falls are being discussed today at the Commercial club luncheon, the matter having been considered favorably by many local men for some time.

August Anderson of the state dairy and food depratment is in attendance at the luncheon today. Deputy Commissioner of Agriculture J. H. Hay, who was unable to be present, has stated that he believes such an industry would do well here. A representative of the Canners' Service of St. Paul, which is at present financing a cannery at Little Falls, is also in attendance to help in threshing out the matter.

CONSOLIDATION OF TWO BANKS AT GOODRIDGE

Farmers State and Goodridge State Banks Merge, Making Strong Institution

CHARTER OF GOODRIDGE STATE TO BE RETAINED

Officers and Directors to be Elected Oct. 1—Old Officers Now in Charge

With the merging of the Goodridge State bank and the Farmers State bank Goodridge now has only one banking institution instead of two, the consolidation taking effect Monday morning. The capital stock and other resources of the two banks totalling nearly $300,000, have been pooled, the new bank to operate under the name of Goodridge State bank. The charter under which that institution has been operating in the past will be retained, the charter of the Farmers State bank having been relinquished.

The deal had been under consideration for some time, the consolidation assuring greater strength as a result of the increased resources. While both the Goodridge institutions have been kept in sound financial condition since their organization and have given excellent service, the consolidation will mean greater confidence in the new institution.

A special meeting of the stockholders will be held Oct. 1, at which time directors and officers will be elected. Among the stockholders are about 50 prominent farmers and business men of Pennington county. At present the bank is in charge of J. P. Jenson, Nick Bundlund, Roy Halseth and H. B. Rockne, officials of the former banks, who are now busy perfecting the details connected with the consolidation. The Goodridge State bank is being used at present but the other will be occupied when the cold weather sets in, it is reported.

OATS CROP YIELDS 100 BU. AN ACRE ON SUGAR BEET GROUND

Reports of Large Yields Coming in as Threshing Operations Advance

Reports of great yields on Pennington county farms continue to come in to The Times office, in response to the request that those getting or knowing of exceptional yields report same to this office in an effort to boost the possibilities of this locality.

That sugar beets is a beneficial rotation crop was demonstrated on the S. O. Lee farm, three miles southwest of Thief River Falls, operated by C. M. Lee, a field of four-five acres where beets were raised last year, producing an oat crop yielding 100 bushels to the acre this year. Altho not quite up to Alfred Flattum's yield of 105 bushels from two bushels of Minota oats seed, this is one of the best yields reported here this season. Mr. Lee's entire field of 22 acres averaged 71 bushels of finest quality oats, bearing evidence as to the productiveness of the soil in this community under favorable conditions.

Another excellent yield is reported from the Knut Ytesund farm, southeast of the city, where several acres of oats averaged 84 bushels an acre. An oat field on Henry Koop's farm on which wheat was raised last year, yielded 80 bushels an acre, The Times is informed.

Quite a few instances of wheat yields of 40 bushels an acre are reported in the county. Pat Roark and Gus Hillyar north of the city, had barley yielding 65 bushels.

Martin Lee, residing southeast of the city, received a yield of 92 bushels an acre, of succotash, wheat and oats, on a small field. This field was sown to beets last year.

Lewis Nelson, residing eight miles southeast in Smiley township, received 600 bushels of oats on a seven acre field.

Court Hearing Oct. 10

Judge Andrew Grindeland of Warren will be in Thief River Falls Oct. 10, to hear any motions or other matters brought before the district court, it is announced by Clerk of Court Adolf Eklund. The hearing of the Citizens State bank matter was postponed from Sept. 11 by stipulation.

Tremendous Movement of Grain Thru Here; Extra Crews Employed on Soo

The grain movement from the west is now in full swing and promises to be the heaviest in many years. Already all previous records of grain cleared thru this terminal have been broken, according to P. J. Keating, superintendent of grain inspection here.

An average of six train loads of about 60 carloads each are passing thru this city daily and Tuesday more carloads of grain were inspected in this city than in any one day for 12 years. All available train crews have been pressed into service and there is still a shortage of help according to local railroad officials. The present peak load is expected to last about ten days or two weeks altho there will be a heavy movement thru the next month.

RACES TO BE HELD HERE NEXT SUNDAY

Yes, there will be races at Thief River Falls. Altho the rains made it impossible for the Eklund post of the American Legion to stage the racing events scheduled to take place at the fair grounds here last Sunday, arrangements have been made by the undaunted Legionnaires to conduct the auto, motorcycle and horse races next Sunday afternoon, Sept. 28.

The program, which starts at 2 o'clock sharp, will remain exactly as previously announced, except with the addition of the Karlstad band, this fine musical organization having volunteered their services during the afternoon. Professional speed artists will be on hand and many local speedsters will help thrill the crowds.

Large numbers of speed fans from outlying points where in the city, expecting to see the races in spite of the .22 inch rain and no doubt many more will be on hand next Sunday if the weather is favorable. It is to be remembered that the proceeds of this event will be used to defray expenses connected with the state Legion convention to be held in the city next year.

FOOTBALL SEASON OPENS HERE WITH GAME OCTOBER 1

Schedule of Five Home Games Will Provide Thrills for Gridiron Fans

Facing a schedule of seven games, with the opening at Red Lake Falls Saturday, and the first conference game with Warren at Warren Oct. 4, Thief River Falls high school football men are putting in strenuous hours in anticipation of a most successful season under Coach L. A. Thune, who is spending his second year as mentor of the local aggregation. The squad has been working hard since the opening day of school and has already reached a stage of ability usually not attained until later in the season.

The full schedule for the season has been announced by the athletic authorities as follows and includes five games to be played at the fair grounds here, the first one next Wednesday:

Red Lake Falls, Oct. 1, here.
Warren, Oct. 4, at Warren.
Crookston, Oct. 10, here.
Bemidji, Oct. 18, here.
Mahnomen, Oct. 25, here.
Crookston Aggies, Nov. 1, at Crookston.
East Grand Forks, Nov. 11, here.

Reduction of $1000 in School Levy for Year

Members of the school board of Independent District No. 18 met Tuesday night and fixed the levy for school purposes for the coming year at $76,000, a reduction of $1,000 from the previous year. Details of the budget will be published next week.

Campaigner Coming Oct. 3

As was announced in last week's issue of The Times, Hon. Jas. A. Peterson of Minneapolis, formerly a member of the legislature, will speak at the Princess theatre in this city Friday, Oct. 3, in behalf of the LaFollette-Wheeler ticket, third party candidate, respectively.

Creamery Showing Form

Pouring of the concrete for the second floor of the new creamery building being erected in this city has been completed and bricklayers are again at work, erecting the second story. Contractor Bert Norby is pushing the work and progress is made at a very encouraging rate. About a dozen workmen are employed, besides five bricklayers.

BEST CROP IN YEARS SAYS PIONEER FARMER

Ed. Aubol, farmer of Rocksbury township, south of the city, the past 35 years, reports completing threshing of his 1924 crop last week with very satisfactory results. On 25 acres of wheat he received an average yield of 26 bushels an acre, of the best quality testing over 62 pounds to the bushel. This is one of the best crops he has harvested for years altho his wheat average in 1918 was about 33 bushels an acre. Mr. Aubol reports an oat yield of nearly 48 bushels to the acre, the grain this year being of exceptionally good quality and clean. His oats averaged about 53 bushels to the acre in 1918, when one of the biggest crops in history was harvested here.

The pioneer farmer is of the firm belief that the growing of grass seeds should be encouraged as a means of fighting the weed pest, and declares that he notes wonderful improvement in the fields where he has grown sweet clover. "Grain harvested this year from sweet clover land is practically free from any kind of weeds," Mr. Aubol stated to a Times reporter the other day, "Perhaps the cool weather during the past season has also had something to do with the noticeable decrease in weeds here." Mr. Aubol, who has also put in a substantial acreage of alfalfa on his farm, states that plenty of rain this fall will assure a heavy crop from alfalfa seeded the past year, giving opportunity for an exceptionally good stand.

PROMINENT MEN OF G. O. P. PARTY TO SPEAK HERE

Speaker Nolan to Address Voters Here Monday and at St. Hilaire Tuesday

CONG. HAUGEN AND BEDE COMING TUESDAY EVE.

Opportunity for Citizens to Hear Discussions of State and National Issues

Political interest will be given an impetus in Pennington county by the appearance of a group of prominent Republican leaders who will speak in Thief River Falls next week.

The first one on the program is W. I. Nolan, Republican candidate for lieutenant governor who speaks at the Princess theatre Monday evening and at St. Hilaire on Tuesday morning at 9:30. Mr. Nolan, who is a powerful and well informed speaker will not only speak in his own behalf but also for other members of the Republican ticket—*state and national*.

Congressman Gilbert Haugen of Iowa, author of the McNary-Haugen bill, and J. Adam Bede, Minnesota's famous humorist, are scheduled to speak at the Princess theatre Tuesday evening at 8 o'clock, on a tour of Northwestern Minnesota. Mr. Haugen's position as chairman of the Agricultural Committee of the House especially qualifies him to speak upon national legislation relating to agriculture and his address will be of special interest to farmers.

Mr. Bede was formerly congressman from the eighth Minnesota district. Both men are excellent speakers and the meeting will afford local citizens an opportunity to hear discussions of political issues.

MERCHANTS BACKING WELFARE OF T. R. F. DESERVE PATRONAGE

Co-operation of Business Men Contributes to Upbuilding of Community

The ambition of every merchant in Thief River Falls is to make this city the best along the line.

This may be a selfish object on his part, but the fact remains that he can prosper only if the city thrives, for it is obvious that little money will be passed over his counters by people who have no money to spend.

No Thief River Falls merchant however, depends on mere wishing to bring prosperity to his town and to make it grow. When he argues for better schools and improved streets, it is not in the expectation that his share is to be mere words while other property owners foot the tax bills.

Every merchant in this town backs up his confidence in this town, in its prosperity and the prosperity of those in it and in its future as a rising member of this splendid commonwealth, by his hard-earned dollars. Before he can obtain a cent of profit, he must offer a big stock of the goods the public want, attractively displayed in a conveniently arranged store of adequate size, with all necessary equipment for handling his goods, and with well paid, courteous sales people whose purpose is to render service to the trade. Not until this investment has been made and his business is set in all its completeness before the people of the town can he hope to get back even so much as one cent of profit.

Once they locate, they become fixtures and nothing short of a considerable term of years suffices to win for them even a fair return for their money. To leave before their business, and the business of the town are squarely on their feet, would be poor business policy; to leave after prosperity had come would be folly.

Does not such a citizen deserve your co-operation?

No group of citizens are greater boosters for the schools than the merchants. It means greater opportunities for the generation that comes after them. They reap little direct benefit, and they bear the greatest share of the tax burden, because of the larger valuation of their property. Every family benefits, its boys and girls being helped on the road to better citizenship. In the same way do the business men contribute to libraries, churches and other agencies, as well as take a leading part in patriotic celebrations and community activities, lecture courses, concerts for the public and similar movements.

This is the man on whose progressive leadership the future of the community depends. To trade with Thief River Falls merchants means dollars for you.

Car Overturns

Mrs. Ted Jensen, residing near Hazel, was seriously hurt Friday when the car she was driving overturned into a deep ditch near Hazel when she attempted to turn a corner. Occupants of a passing car picked her up in an unconscious state and notified her husband who brot her to the Swedenburg hospital for treatment. On examination it was found that she was badly injured about the diaphragm. No cause for the accident has been ascertained. The patient is improving as well as can be expected.

Alvarado Bank Reopened After 2 Years Suspension; Progress Made at Citizens

Plans are under way whereby approximately 25 banks in Minnesota will be reopened before the first of the year, A. J. Viegel, state superintendent of banks announced last week. This liquidation is made possible by the excellent crops and good prices received by the farmers for their products, he said.

The State Bank of Alvarado, closed by the state banking department in November 1922, was reopened Thursday of last week, the requirements set forth by the department being complied with. A "Depositors Reduction Agreements" similar to that being sent to depositors of the Citizens State bank here, was used by the Alvarado instution and the stockholders given double assessment. O. S. Hellerud, formerly with the Rosewood bank, is assistant cashier, the other officers being: Daniel Nordstrom, president, C. O. Olson, vice president; J. W. Sands, cashier; H. T. Porten, assistant cashier. The bank has a capitalization of $25,000, surplus of $5,000 and deposits of $355,000.

The Farmers and Merchants State bank of New York Mills was reopened Saturday and the St. Martin State bank of St. Martin, resumed business Monday.

Satisfactory progress is being made in the reorganization of the Citizens State bank of this city, with W. W. Prichard, Sr., in charge. The "Depositors Reduction Agreements" are being returned to the committee at an encouraging rate, but it is urged that those who have not signed up yet do so at once so as to make it possible to reopen the bank within a reasonably short time.

POULTRY SHOW AND DAIRYMEN MEET TO BE HELD NOV. 19-20

Gathering of Valley Dairymen During Pennington Poultry Exhibition

Directors of the Red River Valley Dairymen's association met in this city Saturday and decided to hold their annual meeting in Thief River Falls on Nov. 19 and 20 in conjunction with the annual Pennington county poultry show, which is held at that time by the poultry association. Directors of the two organizations deemed it best to combine the meeting and exhibition and by so doing assure increased interest and a larger attendance.

Whether or not a winter crops show will also be held has not been decided yet, this matter being under consideration by the agricultural committee of the Commercial club. Several club members at the meeting last week expressed themselves in favor of a show similar to that held last year. Present plans of the poultry association bid for the greatest exhibition ever held here. Premiums of $350 are paid by the state. Premium money for the dairy exhibits will be raised by business people of the city.

Details of the program are now being worked out by directors of the Dairymen's association, a number of prominent speakers who will discuss dairy and other farm problems being included. A. A. McPheeters, manager of the Minnesota Poultry Marketing Exchange, will be here to explain matters concerning poultry and egg handling to the creamery operators in attendance. The meeting will be instructive as well as entertaining, it is declared.

Father Flanagan's Band Boys Coming Next Sunday

Father Flanagan's Boys' Shows from Omaha, Neb., are booked to give a performance at the city auditorium next Sunday evening, Sept. 28. A special matinee for children will be given at 4:00 p. m., while no children will be admitted at the evening performance.

From all reports this is one of the most interesting and entertaining shows to be seen here this season, consisting as it does of a boys' band, an orchestra, boy soloists, orators and comedians.

Father Flanagan's Boys' Home of Omaha was started six years ago to fill the needs of all homeless, abandoned and wayward boys and in its brief existence has already gained a national reputation.

It is nonsectarian and is endorsed by prominent people of nearly every state.

As there is no admission charge it is anticipated that an enormous crowd will turn out.

Tender Leaves Track.

The engine tender of the Duluth local, train No. 163, due here at 8 o'clock left the track last evening and caused a delay of four hours, the train arriving at midnight.

DICTIONARY OFFER POPULAR

The special dictionary offer advertised in The Times has been very popular with subscribers, the first shipment of these books having been completely exhausted. Another shipment is expected to arrive in a few days, however, when orders now on hand will be promptly filled.

The dictionary offered is a new edition, just off the press. It contains over 1200 pages and is bound in flexible grain seal faberkoid. The book is sold to subscribers of The Times for only 58 cents when accompanied by a remittance for a year's subscription.

LARGE AREA IS SERVED BY NEW POULTRY CO-OP.

Thief River Valley Ass'n Now Has 19 Local Receiving Stations Established

FIRST EGG SHIPMENT TODAY—POULTRY SAT.

More Territory Being Added to District—Already Handling Large Volume

Eggs are now being delivered to the central receiving station of the Thief River Valley Poultry Marketing association in Thief River Falls from points south as far as Wingor and north to Warroad. With the addition of Roseau, Warroad, Plummer and Brooks as local receiving stations the association now has a total of 19 such assembling points, the creameries being used in every instance.

The first shipment of poultry was made Saturday and another will be made Saturday of this week, arrangements having been made for a car to be loaded on that day. Farmers in this vicinity will bring their live poultry right to the station here and deliveries will also be made from other points.

Newfolden Does Well

The first lot of eggs is being shipped today to Chicago. Newfolden so far is the banner community in egg production, the association's truck making two trips to that station Tuesday, bringing in a total of 421 dozen eggs in a single day.

At present eggs are divided into three grades—extra firsts, which should weigh 23 ounces or more, be fresh, clean and free from heat; firsts, weighing between 22 and 23 ounces, reasonable clean, fresh but may be slightly heated; and seconds, which include any eggs under 22 ounces, badly heated, evaporated, small, dirty or cracked. It is pointed out by those in charge that care should be taken in handling the eggs and taking them to the stations, producers being advised to get the standard 15-dozen cases from the association headquarters.

The fact that the local association is far reaching is evidenced by the fact that G. G. Ellingson of Rolette, N. D., has made application for membership, having heard about the activities of the organization.

Getting New Stations.

Manager B. O. Norby made a trip to Warroad and Roseau Monday regarding opening of receiving stations there, and yesterday Brooks, Plummer, Winger and Oklee were visited. Plans are also under way to open a station at Lancaster and points along that line.

Deliveries will be made from the local receiving stations twice a week. A regular truck schedule will be announced next week, says Mr. Norby. The truck just purchased by the association is being driven by Lawrence Ecklund.

Present indications point to a tremendous business during the fall season.

MANY GRADE PUPILS HAVE RELIGIOUS INSTRUCTION FRIDAYS

Increased Interest Shown in Friday Afternoon Classes at City Churches

That parents and pupils of the city schools have found value and enjoyment in the Friday afternoon religious instruction classes is evidenced by the increased enrollment over last year. Much interest is reported from all the churches and it is declared that much more is being accomplished this year as a result of devoting the entire afternoon to the religious instruction instead of only the last period as was the case last year.

Some of the churches have adopted improved textbooks and better systems of instruction made more workable under the new arrangement. Other improvements are being made from time to time to increase the value of the classes. Pastors are being assisted by teachers, each having certain grades to instruct.

Children in the fourth thru the eighth grade are dismissed on Friday afternoons to attend religious classes in their respective churches upon application by the parents. The work is entirely voluntary and no student is compelled to attend, but the school authorities are co-operating in every way possible to make the plan a success. Careful check is kept of all cases of absence and tardiness, which are reported to the school authorities. A record is kept of the work done by each pupil and reported to the schools at the close of each month so that the marks may be inserted on the report cards.

The Times has secured the following figures from the individual churches showing the enrollment last Friday:

Trinity Lutheran, Rev. S. L. Tallakson, 105; Scandinavian Evangelical Mission, Rev. J. Jacobsen, and Swedish Mission, Rev. O. J. Lundell, 19; Presbyterian, Rev. Chas. Gerlinger, and Methodist, Rev. T. J. Dixon, 82; St. John's Lutheran, Rev. H. E. Kroidt 18; Zion Lutheran, Rev. George Larson, 39; Augustana Swedish Lutheran, Rev. A. A. Larson, 19.

Legion Meets Tonight

A regular meeting of the American Legion post will be held at the Legion rooms at the usual time tonight.

Legion Auto Races to be Staged Here Sunday P. M.

SOCIAL ITEMS

mmunity Club Enrolls 170 mbers in Recent Campaign

no hundred and seventy girls ed up for membership in the Girls mmunity Club during the campaign ch was waged by that organiza- the past four weeks. The team, led by Miss Inga Oftedahl, carry- the blue emblem, won the contest securing 87 members to the 88 se- d by the committee headed by s Beatrice Erickson, bearing the emblem.

he campaign terminated at the lar meeting Monday evening, ch was unusually well attended. losing side must entertain for the ners. Among other matters taken at the business session was that membership of married women in club. The decision in the matter to adhere to the former practice, ch permits women, already mem- s of the club, to retain that mem- ship by paying their regular dues, no married women, not already mbers will be permitted to join. nother ruling was emphasized at meeting. No one but paid up nbers will be permitted to take t in the social activities of the . Heretofore, many have attend- their parties and social gatherings enjoying the privileges of mem- s without holding membership. h meeting will be entertained by ommittee of ten, who will furnish refreshments and a program of ertainment.

After the business session dancing refreshments were indulged in by e present.

he club was addressed by Miss sie Jackson, Sioux City, Ia., field retary and organizer for the Del- n sorority, who explained the or- ization, which is being established his city.

For Miss Lundholm

Irs. Axel Anderson's home was the ne of a farewell party Friday eve- g when Mrs. Anderson entertained umber of friends in compliment to s Elsa Lundholm, who leaves for w York Sunday evening. The rooms e decorated in pink and white for occasion and the hours were spent dancing and in a social way. Re- shments were served by the hostess 11 o'clock. As a token of esteem gift was presented to the honored est by those present. Miss Lund- m has been employed at the City kery the past nine months and ex- ts to return next summer.

JEAN TOLLEY

Queen of the "Movies" in a J. C. Penney Co. Coat of Mokine.

Miss Jean Tolley is known to film ers throughout the world. Her est and possibly her best picture i. at of "The Uninvited Guest," a big iversal hit in which she was fea- ed. Miss Tolley's beauty is of the ptivating kind. She is a devotee of art clothes as is shown in the ac- npanying picture in which she i. aring a J. C. Penney Company coat arningly fashioned in the new kine with trimmings of [illegible] s. Miss Tolley in speaking of the C. Penney Company display in New rk, said that she had never seen its with such richness of effect at h low prices.

First Birthday Anniversary

The H. Holzknecht home was the scene of a pretty children's party Saturday afternoon, Sept. 13, when Mrs. Ole Engelstad entertained in compliment to her daughter, Cleo Mae, in commemoration of her first birthday anniversary. Refreshments were served at 4:30 by the hostess, assisted by her mother, Mrs. H. Holzknecht, and Mrs. N. Holzknecht. Those present were little George Werstlein, Jr., Madonna and Alice Protz, George Effinger, Doreen Dorn, Marian Holzknecht, Mary, Ivanne and Margaret Ann Perdzock, and their mothers.

Share Honors

Mrs. A. J. Stadhem of Albert Lea, who is a guest at the home of her son-in-law and daughter, Prof. and Mrs. I. T. Simley and Mrs. Anna Midthun, who is making her home with her daughter, Mrs. S. L. Tallakson, were honored guests Tuesday afternoon when Mrs. J. J. Weeks entertained a number of ladies. The hours were spent in a social way and refreshments were served at five o'clock. Eight guests were present.

For Mr. and Mrs. Paulson

Members of the Mason and Eastern Star lodges gathered at the Masonic hall Thursday evening and tendered Mr. and Mrs. Oscar C. Paulson, who were recently married, a well appointed reception. The hours were spent at dancing and at a late hour refreshments were served. The honored couple was presented with a gift by those present as a token of the esteem in which they are held by their many friends. Mr. Paulson is Worthy Master of the A. F. and E. lodge and has been active in the affairs of that lodge for many years.

D. of N. Will Entertain

Announcement is made by a committee of the Daughters of Norway, that on Tuesday evening, Oct. 7, the lodge will sponsor an entertainment to be given at the Sons of Norway hall, the program to start at 9 o'clock. Each member may invite a couple of their friends, who must present a written invitation at the door. Members of the Sons of Norway lodge with their wives are extended a special invitation by the Daughters. The business meeting will be called at 8 o'clock sharp and all members are requested to attend, as important matters will be discussed at this time.

Classes Organized Here

Honora Janet Spencer, who is opening classes in dancing and dramatic art comes to Thief River with a wide range of experience. She studied with Portia Mansfield at the Rocky Mountain dancing school in Colorado for ten weeks, and two summers in Chicago, graduating from the Chicago Normal School of dancing under Margaret A. Coleman. She has had practical experience playing a three months engagement at the Rainbow Gardens in Chicago and a two months engagement on the road in her own act. During this summer she was fortunate enough to get Theodore Kosloff and Marion Morgan dance work from Claire Contant who was visiting in Minneapolis from California.

Miss Spencer has taught both dramatic and dance work at the MacPhail School of Music for the past four years and has coached plays extensively throughout Wisconsin and Minnesota. A few of the places where she has coached have been Melrose, Excelsior, Pillsbury Academy at Owatonna, Eau Claire, Wisconsin, and others.

With her knowledge and experience she feels that she is offering the best material possible to the people of Thief River Falls. Classes are now forming for children and adults and those desiring further information should see the announcement elsewhere in this issue.

For Esther Stebbins

Mr. and Mrs. P. W. Mabey entertained at their home on Main Ave., Saturday evening in honor of Miss Stebbins, who left last night for West Palm Beach, Florida. The hours were spent at cards.

For John Melgaard

Edward Fiterman entertained a group of friends at his home Thursday of last week in honor of John Melgaard, who spent two weeks in the city on a furlough from the U. S. Naval Academy, Annapolis, returning Friday night. The evening was spent at cards and a social time, a delicious lunch being served by the hosts' mother. Those included were: John Melgaard, honor guest, Harold Smithers, Albert Stengelsen, A. R. Kohn, Lynn Halvorson, Harold Nelson and Dreng Bjornaraa.

Rebekahs to Entertain

A meeting of the Rebekah lodge will be held this (Thursday) evening at the Odd Fellows hall. After the meeting a short, but very interesting anniversary program will be given by local talent. After the program dancing will be enjoyed, beginning promptly at 9:30, to which all Rebekahs, their husbands or a friend, Odd Fellows, their wives or a friend, are cordially invited. Excellent music will be provided and a lunch will be served. An admission fee of 25 cents per person will be charged for the dance and lunch, to help defray expenses.

For Mrs. Scanlan

Mrs. Carl Norquist entertained at her home, 706 Arnold avenue, Tuesday afternoon in compliment to Mrs. Fred Scanlan of Minneapolis, who spent a few days in this city with relatives. The hours were spent in a social way and lunch was served by the hostess at five o'clock. Among those present were Mrs. Scanlan, honored guest, Mrs. Charles Bartlett, Mrs. Lee Bartlett, Mrs. Lawrence Borgen and Mrs. Oscar Rambeck.

Stars to E. Grand Forks

Forty members of the local chapter of the Eastern Star will be present at the school of instruction at East Grand Forks Friday. The East Grand Forks chapter will entertain the several chapters that take part at a banquet at six o'clock and the school will follow. The local chapter will put on the closing ceremonies.

TUBERCULOSIS

Is a general disease. That is, there are poisonous accumulation all over the body, settling principally where the disease is manifest. Chiropractic adjustments will relieve nerve pressure, restore normal circulation of blood, enable the kidneys to clean out the system and if proper care is taken, from 45 to 60 adjustments is usually sufficient to restore a case of pulmonary tuberculosis to complete health. There is a percentage that may take more or less adjustments according to how far the case is advanced.

SPORTSMANSHIP

Since the athletic season has come around again, something should be said about sportsmanship. A person is not showing good sportsmanship when he delights in seeing the players of the other team being knocked out or hurt. Instead of cheering and delighting in the other team's misfortune, he should sympathize with the unfortunate one, and he should give him a yell. Another example of poor sportsmanship is when the other team has won. The students should not offer alibis and excuses for our team's defeat, but should state the plain facts about the game. That is he should give the victors due credit for their achievement.

A school is judged by its conduct at athletic and other school events. If the students show poor sportsmanship, they are named in the other towns as "a poor bunch of sports." Lincoln High has never done anything to deserve this expression and let us strive to keep up the good sportsmanship which has been exhibited here in the past.

Personals

Thomas Melgaard started school on Wednesday. He has been employed at Jamestown, N. D.

Harriet Mattison entered school on Monday as a freshman.

Sidney Fladeland spent the week-end at his home in Grygla.

Lester Guss, the science teacher of last year, visited friends Sunday and Monday.

Margaret Roark, who is now a student at St. Benedict's Academy at Crookston, visited her parental home over the week end.

A group of students motored to Red Lake Falls Saturday to witness the football game played between that city and Thief River Falls. Those who went were: Lucille Roark, Marjorie Hoppa, Marie Blaska, Elizabeth Keating, Birdie Pierson, Margaret Blaska, Elmyra Langseth, Maverette Hilson, Elnora Toms, Elizabeth DeCremer, Faythe and Camille Warner, Emmett Shanahan, Lester Rolland, Paul Scanlan, Thomas Scanlan, Aeriel Kinghorn, "Bud" Kinghorn, Melvin Peterson, John Mostue and Arthur Lufkin.

Mabel Johnson, Bertha Bisque and Edna Anderson spent the weekend at their homes in St. Hilaire.

Normal Notes

Last week the Normal students spent three days observing in the rural schools. The trips proved of great value to the future teachers as well as enjoyable.

Observation trips will be continued this week in city schools.

PRACTISE GAME IS WON BY 20-6 SCORE AT RED LAKE FALLS

Local Gridders Show a Vast Improvement Since Game with the Alumni

Although the game at Red Lake Falls was only a practice game it showed very well the improvement that has taken place during the past week. The score was 20 to 6 in favor of Lincoln High, and it undoubtedly would have been a larger had not the entire squad been given a chance to play.

The game by quarters:

Locals receive, return ball to their 60 yard line. Two line smashes net a first down. A series of line bucks and two end runs brought the Thief River team within 5 yards of the goal line when Bjorkman carried the ball over for a touchdown from an off-tackle play. The try for a point was a pass from Wengeler to Penney which was successful, making the score 7 to 0 in favor of the locals. The quarter ended shortly afterward with the ball in possession of the Lincolnites.

Second Quarter

The ball was put in play on the locals' 30 yard line, and again the line smashes and end runs made first downs time after time until Wengeler *carried the ball over for the second* touchdown. The try for points, a pass to Penney, failed and the score was 13 to 0.

Red Lake received the ball on the kick-off, but they were unable to make very great headway and were forced to punt. The ball was fumbled and Red Lake recovered it. End of the half.

Third Quarter

Thief River kicked and Red Lake carried the ball to their 70 yard line. They made several first downs until they were on their 30 yard line, and then they opened up on a series of passes which proved very effective.

They scored a touchdown on a 15 yard pass. The try for point failed and the score stood 13 to 6 in favor of the locals. Thief River received and the ball was in their possession near the middle of the field when the quarter ended.

Fourth Quarter

A number of substitutes were sent in, and Thief River made some slight gains. At one time two plays lost them ten yards. Then the first team was sent in. A wide end run netted a first down and from then on a march was made down the field toward the goal posts of the Red Lake team. These gains were made by line bucks, cutbacks, and end runs. Wengeler took the ball over for the third and last touchdown of the game. A pass to Penney added another point to the Lincolnites, making the score 20 to 6, in favor of the Thief River team. The whistle blew before the kick off, ending the game.

This game showed the people that the high school has a team of which a great deal can be expected.

Gymnasium Ready Soon

During the past few weeks, the gymnasium of Lincoln High has undergone a complete renovating and is now nearly done.

A new floor has been put in and the walls and ceiling have been refinished. The lower part of the walls has been painted gray while the upper walls and the ceiling have been finished in a creamy white. An almost unbreakable glass has taken the place of the cardboards in the doors and the windows above.

The contractors are sure that it will be finished in time for the Senior reception for the teachers, which is to be given on the night of September 27. The first meeting of the Parent-teachers association will also be held there, Oct. 3, in the form of a reception for the city teachers.

SENIOR RECEPTION FOR FACULTY SAT.

Teachers and Students to Meet to Get Acquainted at First Social Affair

On the evening of September 27, the Seniors will entertain the faculty members of Lincoln High at a reception to be given in the school gymnasium. As this is the first social affair the Seniors are giving, they are determined to make it a great success, and, as was shown by the banquet they gave last year, they are a class perfectly capable of doing so. Preparations for the evening are well under way, and from all reports a good turnout is expected.

At a class meeting held last Wednesday it was decided that the class president and advisor should appoint the various committees, the following being selected:

Program — Maxine Johnson and Bernice Erickson.

Entertainment—Lucille Roark, Lylian Arnold, Elizabeth Keating, Oscar Soderberg and Robert Halvorson.

Refreshment—Aeriel Kinghorn, Elnora Toms, Elizabeth DeCremer, Keith Craik and Clarence Doran.

Although not a member of the Senior class, Kermit Anderson has consented to organize a small orchestra to render aid in the line of entertainment for the evening.

Freshmen Hold Meeting Friday

The Freshmen class, the largest class in high school, held its first meeting Friday after school. There was a large attendance, showing that the class as a whole, is interested in itself. With Mr. Eye as their chairman, they elected the following officers: Margaret Vaughn, president; Esther Ness, vice president; Elaine Korstad, secretary; Chester Myrom, treasurer; Glendon Larson and Margaret Barzen, sergeants-at-arms; Ms. Korstad, advisor.

With the above-mentioned officers, the class ought to have a successful year.

PROWLER STAFF IS NAMED BY SENIORS

Maxine Johnson Selected to Head Staff in Charge of 1925 Publication

It is customary in Thief River high school for the Senior class to publish an annual. In order to insure a complete success of this year's venture the most capable staff the class was able to produce was selected. There are many ways of choosing a staff. The class selected the method they deemed most fair. At a meeting of the class it was decided that a committee made up of Ersyle Anderson, Hilda Ness, Allan Sorenson, Class Advisor Lawrence Mickelson, Class Chaperon Miss Monica Hamerick and Principal Morris Eye, choose a staff and bring it before the class for approval.

In order to be a member of the staff there are a number of qualities which the committee took into consideration in the selection of the staff. Among the many phases of school life scholarship ranks first; no student having failing marks or even poor marks was considered eligible for the staff. Other qualities taken into consideration by the committee were: Ability, not only to produce results, but also ability to co-operate with others, energy, participation in other school activities, and the amount of spare time the student has.

After taking all of these prerequisites into consideration the class elected the following staff at special meeting after school Tuesday:

Editor-in-Chief	Maxine Johnson
Assistant	Hilda Ness
Assistant	Lloyd Bennes
Business Manager	Robert Halverson
Assistant	Francis Omn
Departments	
Literary	Lucille Roark
Assistant	Bernice Erickson
Athletics	Allan Sorenson
Assistant	Arthur Penney
Organizations	Katherine Barzen
Assistant	Mildred Remmem
Feature	Lylian Arnold
Assistant	Ersyle Anderson
Kodak	Elnora Toms
Assistant	Ruth Mellby
Assistant	Elizabeth Keating
Art	Isabel Richter
Assistant	Kenneth Streeter
Social	Aeriel Kinghorn
Alumni	Hazel Krause

Sophs Elect Officers

Tuesday the Sophomore class held a meeting for the purpose of selecting its class officers and advisors. A standing vote was taken, and the following were elected: Marian Reynolds, president; Irene Hanson, vice president; Goldie Gunderson, secretary; Rita Fiterman, treasurer; Elton Disher and Philip Sundahl, sergeants-at-arms. Miss Mildred Thompson and U. H. Reque were chosen to be class chaperone and advisor, respectively.

Attend Potato Conference

S. E. Hunt, F. T. Satre, Henry Oen and Waldie Christensen, represented the Pennington County Potato Growers' association at a conference of Red River Valley county association board members and state trustees at Crookston Monday. A complete warehouse program was outlined and a Red River Section warehouse organization incorporated.

Injured in Runaway

Same Haugen, Kratka resident, was the victim of a runaway accident Friday evening when the team he was driving were frightened by a rock by the roadside. Mr. Haugen was thrown to the road and was severely bruised about the face and head. He managed to reach the Morgan Vaughn farm without assistance, altho he fell to the ground from exhaustion several times. When he reached the Vaughn farm he fell into a state of unconsciousness and was brot to the Swedenburg hospital by a couple students of the medical college of the University of Minnesota, who happened to be hunting in that vicinity. Loss of blood and the shock of the accident were responsible for his weakened condition. He returned home Monday.

Ole Reiersgaard

Ole Reiersgaard, for a number of years a resident of Mayfield township and the past three years located at St. Hilaire, passed away a week ago Sunday after an illness of eight months. Mr. Reiersgaard, who was nearly 60 years of age at the time of his death, was born in Hallingdal, Norway, coming to this country with his wife in 1889. Before coming to this county the family resided at Brooten, Glen, Gary and Jevne, this state. After farming for some time east of Hazel, deceased moved to St. Hilaire, where he was engaged in harness and shoe repairing until his health became such that he was unable to work.

Mr. Reiersgaard is survived by his widow and nine children, Oscar of Thief River Falls, Edward, Rangvald, Gilbert, Edwin and George of Werner, N. D., Clara at home, Mrs. Chas. Omlid of Iron Mountain, Mich., and Mrs. P. Tolpingrud of Halliday, N. D.

Funeral services were conducted on Wednesday of last week from the Norwegian Lutheran church, Rev. C. M. Grimsrud officiating.

Many Local Women Expected to Join Delphian Sorority

From present indications, Thief River Falls will boast a chapter of the widely established sorority known as the Delphian Society. Altho only a few have signed up for membership in the local chapter which is under organization, many have expressed their desire to do so and before the end of next week Miss Jessie Jackson, field secretary and organizer, who is spending two weeks in this city, expects to issue membership to 35 women.

SCHOOL BOARD PROCEEDINGS

Regular meeting of board of education held Monday evening, August 11, 1924, the following members present: E. O. Mogensen, T. L. Melgaard, Mrs. Larsen, Math Barzen, L. M. Rayson, V. C. Noper. Absent, Shirley.

Moved by Barzen, seconded by Melgaard, that bids be advertised for hauling school children over regular designated route. Carried.

Moved by Larsen, seconded by Rayson, that Miss Richter be appointed superintendent's secretary at present salary. Carried.

Moved by Melgaard, seconded by Barzen, that First National Bank, First and Peoples State Bank, and Farmers and Merchants Bank, upon furnishing necessary bonds according to law, be made depositories for school funds. Carried.

Moved by Rayson, seconded by Barzen, that bills be allowed. Carried.

The Core of Standard Oil Service

The Standard Oil Company (Indiana) is more than a vendor of petroleum products. It is an organization of service.

When we say that the Standard Oil Company (Indiana) is an organization of service, we mean much more than the every day tangible service rendered our customers through the manufacture, sale and delivery of oil products.

"Service" is a comprehensive term. It means anticipating the needs of the public and preparing to supply these needs when the demand comes.

The Standard Oil Company (Indiana) is laboring day after day to widen the sphere of usefulness occupied by the petroleum industry.

It is broadening the field of service which oil products offer to humanity. It is extending the application of exact science in this most fundamental of all modern industries. It carries on continuously a search for knowledge which shall be of value to society.

In carrying on this great work, it calls upon human ability in every field; it seizes upon the most daring ideas and labors to make them practical through unceasing effort.

Problems which presented seemingly insuperable difficulties have been overcome—limitations which threatened to hamper the development of the industry have been removed.

Improvements in refining, marketing and distribution have been developed, perfected and put into daily operation.

Yet, this is but part of the great service rendered by the Standard Oil Company (Indiana).

This generation scarcely can appreciate the role which oil will play in the future. Anticipating the demands which will be made upon it, the Standard Oil Company (Indiana) is attracting to its ranks, men with the training, knowledge, vision and enthusiasm necessary to pioneer in the development of the petroleum industry as it will be tomorrow and in the days to come.

The core of Standard Oil Service is in the keen minds of the men who labor in the laboratory and the workshop—unseen and unnoted by the public. It is this part of the organization which has enabled the Company to render so complete a service to society.

Here a host of perplexing problems are taken—problems of manufacture, problems of application, and problems of effectiveness—and each is studied, worked upon and solved, that the patrons of the Standard Oil Company (Indiana) may get the greatest value for the money they spend.

LOCAL NEWS

See the "Musical Revue" at the Auditorium Friday, Oct. 17.

Mrs. W. Miller of Minneapolis returned to her home Tuesday evening after having spent three months as a guest at the homes of relatives at Grygla.

Mrs. R. A. Preston and daughter Gladys, arrived Friday to spend a brief time with friends. Miss Preston left that evening for Minneapolis to attend school while Mrs. Preston spent the night with friends, returning Saturday.

James Helle, junior student at the University of Minnesota college of education, majoring in history, who has been engaged as clerk at the post office here during the summer recess, left Tuesday evening for Minneapolis to resume studies.

Miss Lucille Curtis leaves Sunday evening for Minneapolis where she will resume studies at the University of Minnesota as a sophomore, majoring in English, after having spent the summer recess at the home of her parents, Mr. and Mrs. J. P. Curtis.

Miss Goldie Stebbins, daughter of Mr. and Mrs. F. J. Stebbins and Miss Beulah Chamberlain, formerly school instructor here, leave tomorrow for Chicago, Ill., to attend the Chicago university taking a graduate course in pre-medical work.

Mrs. David M. Peterson, postmistress at Rosewood, was brot to the Swedenburg hospital Sunday to receive attention for an injury to her left arm, which she hurt Friday when she caught it in a mail hook while at work at the postoffice.

Ole Helle, member of the 1923 class of the local high school, left Tuesday evening for Minneapolis to begin studies at the state university, intending to major in political science. Mr. Helle has been employed at Hibbing the past summer months and spent the last few days at the home of his parents, T. G. Helle of Erie.

Mr. and Mrs. Verner Nelson and daughter Clarine left Saturday evening for Momence, Ill., for a brief visit with relatives, expecting to return the latter part of the week accompanied by Mr. Nelson's mother, Mrs. Eva Nelson, who intends to take treatments at the Swedenburg hospital.

Lee Ihle, senior student at the University of Minnesota, who has been traveling for the Northrup King company in western states the past summer months and who is now covering territory near Duluth for that company, leaves that city the latter part of the week fo Minneapolis to resume studies.

The growing season this year was admittedly short, but Fire Chief Paul Midderigh succeeded in raising and maturing eating apples, which is considered difficult with the best of conditions. The apples were picked yesterday and are as red and ripe as any imported from the south, perhaps more so.

Miss Rose Oski arrived Monday from St. Paul, where she spent a week visiting with Miss Gladys Weiner, who is teaching at Park Rapids. Miss Oski spent the summer months at Alexandria, to which place she expects to return to teach a rural school the first part of October. She is now visiting at her parental home near Mavie.

Entire stock of the KORSTAD TOGGERY to be sold regardless of cost. Sale starts at 9 a. m. Saturday

Dancing and singing in Legion Auxiliary "Musical Revue" Oct. 17.

Mrs. Anna Midthun and son, Theo. Midthun, mother and brother of Mrs. S. L. Tallakson, arrived Saturday evening from their farm home at Twin Valley, and will spend the winter at the Tallakson home. They were accompanied to this city by Mrs. Midthun's daughter, Thelma Midthun, who spent Sunday in this city, leaving Monday for Grand Forks to attend the University of North Dakota as a junior.

Accepts New Position

Clarence O. Erickson, who for the past six years has been engaged as clerk at Mogensen's clothing store, has accepted a position in the men's clothing department of the Oen Mercantile company, his place at Mogensen's being taken by Roy Miller.

Tallakson's Successor Secured

Rev. M. Lyle Halvorson of Helena, Mont., has been secured to succeed Rev. S. L. Tallakson as pastor of the First Lutheran church of Grand Forks, the latter now being pastor of the Trinity Lutheran church in this city. The new pastor will move to Grand Forks the first of October.

Kenneth Halldin Breaks Arm.

Kenneth Halldin, young son of Mr. and Mrs. Otto Halldin, suffered a fracture to his left arm Friday when he fell from a box to the floor in the basement of their home. The arm was set and little Kenneth is reported today as rapidly recovering from the painful experience.

Want Field Workers

A message received Monday at the Great Northern station here from the Minot Chambers of Commerce states that 400 farm laborers are needed immediately in northwestern North Dakota to complete harvesting. An effort is made to induce laborers from this section to go west as soon as harvesting has been finished here. Wages of 50 cents an hour are offered, according to the report.

COMMUNITY NEWS

GOODRIDGE

New Pastor Installed.

The new German Lutheran minister, Rev. K. Glock, was installed here Sunday by Rev. E. H. Kreidt of Thief River Falls. The ceremonies were held in the usual manner. The new minister takes the place of the late Rev. H. Lutz. The Goodridge parish consists of the following parishes that he will have charge of: Germantown, Erie, Highland, Neptune and Esplee which makes a large territory to have charge of. Those who came out from Thief River Falls with Rev. Kreidt were Alice Franzmann, Einer Philip and Mrs. Roemhildt. The following people were down from Grygla also: Rev. Knauph, the minister in Grygla, Mrs. Ida Lutz and Violet Brown.

The following people enjoyed themselves Tuesday evening by having a weiner roast at the Red Lake river near Highlanding: Misses Mary Snortland, Agnes Maloney, Gulda Nelson and Pearl Bergeson and Harry Halvorson and P. J. Overbo.

Mr. and Mrs. R. H. McDonald were Thief River Falls visitors Wednesday evening.

Fred Urdahl met with an accident Friday when his team which was standing near the creamery became excited. He grabbed the lines but one broke and the team ran around town breaking the wagon and harness. Finally they went one on each side of a telephone pole and were caught. No other damage was done.

P. J. Overbo and Joseph Christianson were Thief River Falls visitors Wednesday evening incidentally taking in the show.

Osmund Urdahl made a trip to Grand Forks and return Sunday where he visited his daughter, Cleanora, who is employed there. Cleanora and Mrs. G. N. Urdahl returned with him for a visit.

A. Johnsrud of Thief River Falls was a visitor at the R. H. McDonald home Sunday where he spent the evening.

A birthday party was given for Edith Gunderson Friday evening in honor of her fourteenth birthday which was Saturday, Sept. 21. The evening was spent in playing games and at ten o'clock lunch was served by the girls.

Albert Halvorson traded cars with G. A. Gilbertson of Thief River Falls, trading a 1920 Dodge touring car for a 1921 Ford touring car.

Supt. P. J. Overbo of this school and Mary Snortland, the eighth grade teacher, spent the week end at their respective homes, the former at Aneta, N. D., and the latter at Sharon, N. D.

Roy Halseth and Raymond Jensen were Thief River Falls visitors Saturday morning.

A few ladies of this village had a shower on Mrs. V. O. Anker Saturday afternoon. A lunch was served and the afternoon was spent in visiting.

Carl Christianson had the misfortune to break his arm Thursday evening while cranking the store truck. He had spun the crank and dropped it when it caught and came around and hit him in the palm of the hand. His father took him to Thief River Falls to the doctor Friday where he had the arm set.

Mrs. A. Halvorson had an accident Thursday when half a mile east of the E. K. Reme farm south of here the car which she was driving overturned in the ditch when she tried to pass a team on a high grade. Those in the car were Mesdames Ellen Halvorson, O. S. Kirklie and Julia Gebhardt and Olga Sands and Gordon Halvorson. No one was hurt as the ditch was full of brush and the car tipped slowly.

Mr. and Mrs. O. Johnson and son and Mrs. J. E. Maney of Grygla were visitors in this village Tuesday morning when they attended the St. Ann's church here.

Miss Betsy Gedstad departed Thursday evening for the W. J. Sianley farm where she will be employed.

The dance held at Ole Giving's farm Saturday evening was well attended. It was the last of the season.

Goodridge Lutheran Church
V. O. Aaker, Pastor

Sunday, Sept. 28, Norwegian services at Bethania at 11 a. m., and English at Goodridge at 8 p. m. Sunday school and Bible class at 10 a. m. Ladies Aid at Mrs. Ole Lokken, Erie, Wednesday, Oct. 1. Ladies aid at Mrs. Jerry Race, Torgerson, Thursday, Oct. 2. Luther League of Goodridge meets at church Wednesday evening, Oct. 1, at 8 p. m. The confirmation classes meet, Goodridge every Tuesday at 4 p. m. Torgerson every Friday at 1 p. m. Bethania every Saturday at 4 p. m. Erie every Saturday at 11 a. m. The Goodridge congregation invites the public to a Fall and Mission festival which is to be held Sunday, Oct. 5. Rev. Tallakson of Thief River Falls will be the afternoon speaker.

Myhre Visits Here

Annar Myhre of Duluth, well known singer and actor member of the "Olle i Skrathult" entertainment company, arrived last Thursday to visit at the Roy M. Prytz home. He expects to leave today to join the Skrathult troupe in a tour thru the West this fall.

IT HAS LASTED

Thief River Falls People Must Believe Such Convincing Testimony as Mr. Krogstad's.

No one in Thief River Falls who suffers backache, headaches, dizziness, rheumatic pains or distressing urinary ills can afford to ignore this twice-told story of a Thief River Falls resident. It is confirmed testimony, telling of lasting benefit from Doan's Pills—a stimulant diuretic to the kidneys. It's evidence that no man or woman in Thief River Falls can doubt.

E. L. Krogstad, railroad brakeman, 523 State Ave., N. says: "Every morning I woke up with a terrible pain through my kidneys and my back became weak and lame. It hurt me to stoop or bend and my kidneys acted irregularly. Doan's Pills fixed me up in good shape."

THREE YEARS LATER, Mr. Krogstad added: "The cure I received by using Doan's Pills has been permanent."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills — the same that Mr. Krogstad had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

ROSEWOOD

D. N. Peterson, Rudolph Sagmoen and Chester Dols left last Saturday in the former's car for the southern part of the state where they will spend a week. Mr. Peterson will go to Fairmont where he will visit with Mrs. G. A. Tallberg and family and will bring home his daughter, Ruth, who has been staying with her grandmother this summer. Mr. Sagmoen goes to Slayton where he will visit with his brother, Peder Sagmoen, and his sisters, Mrs. Martin Furan and Isabel Sagmoen, while Mr. Dols goes to Lesters Prairie where he will visit a sister, Mrs. Aug. Schultz and family. The trio will later meet in the twin cities on their way home and will spend a few days visiting with Mr. Peterson's father, Rev. O. A. Peterson at St. Paul. They expect to be home again the latter part of this week.

Miss Lilly Holson who is employed in North Dakota this fall arrived on Thursday evening and will visit briefly with her sister, Mrs. Carl Mellem and family.

Miss LaVon Westby left last Monday for Montana where she expects to make her future home.

Mr. and Mrs. John Sagmoen and family were Sunday guests at the Severt Benson home at Thief River Falls.

Mr. and Mrs. A. C. Vorseth entertained the following Thief River Falls' people for dinner last Sunday: Mr. and Mrs. Jens Severson and son, Selmar, Mr. and Mrs. Oscar Swanson, and son Lawrence, and Miss Elsie Vorseth.

John Ranum and Emil Blomberg arrived home from Argyle last Saturday to remain over Sunday, owing to rains delaying threshing.

Carl Ranum and Victor Axelson came home from Northland where they are employed at the Chas. Johnson farm, on Friday and remained home over Suday.

John Sagmoen expects to leave tomorrow for Argyle to take part in the threshing run for the remainder of the season.

Raymond Halvorson had the misfortune of driving off the grade west of Mrs. Saugen's farm on returning from Thief River Falls in his Ford last Sunday evening and landed in the ditch with a broken wheel and a sudden shape up but without injuries. The car was taken home the following day by team.

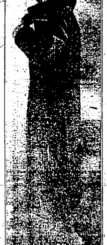
The Rindal Y. P. S. will meet at the church on Sunday afternoon, Oct. 12, at 2:30 p. m. Rev. Geo. Larson will be present at this session.

Trinity Y. P. L. L. Meets Tonight

The first meeting of the Trinity Young Peoples Luther League this season will be held tonight in the church parlors, entertained by the Messrs. Morris Eye, L. T. Mickelson, L. A. Thune and George Mostue. The program for the evening will include an address by Rev. S. L. Tallakson, a reading by Miss Gladys Weeks and piano solos by the Misses Mildred Engen and Lenore Lieberman.

Woman's Club to Meet

The fall meetings of the Woman's club opens on Monday, Oct. 6, with a 1:30 p. m. luncheon at the Hotel Evelyn, at 75 cents a plate. Mrs. G. W. Davis of Warren, district president, will be a guest. Everyone interested in club work is cordially invited to attend this meeting. The program is both interesting and unique for the year's work. Tickets may be obtained from the secretary, Mrs. Lucile Johnson on or before Oct. 3.



DOROTHY KNAPP

An American Venus Wearing a J. C. Penney Co. Coat

Miss Dorothy Knapp is a member of the Ziegfeld Follies, New York's famous beauty rendezvous, and has been called "an American Venus." Miss Knapp was a beauty prize winner in the Atlantic City pageant of 1922. She is seen here wearing a J. C. Penney Company coat of particularly smart design, fashioned in Stevens' coating, with fur trimmed collar, cuffs and bottom of panel. Miss Knapp said that she was surprised that such attractive coats could be priced so low.

Notice of Hearing Upon Petition of Freeholder

WHEREAS, A petition signed by E. E. Shepard, a freeholder of School District No. 102, in this County, representing that he is the owner of the following described lands, situated in said District, to-wit:

Southeast Quarter of Section 13 Township 152 Range 44;

And that said petition has been presented to the County Board of Pennington County; and asking that his said lands may be set off from said District No. 102 to said District No. 227 and the said Board has appointed a time and place for hearing thereon, Therefore

Notice

is hereby given that said petition will be heard by said Board, at a session thereof, commencing on the second day of October, A. D. 1924, at 2 o'clock in the afternoon, at the office of the County Auditor in the City of Thief River Falls in said County, at which time and place the said Board will hear the evidence and the arguments of all persons interested, for or against granting the prayer of the petitioner.

Dated at Thief River Falls, Sept. 12th, 1924.

By order of the County Board.
T. P. ANDERSON,
County Auditor and Ex-Officio Clerk of Board.
(Seal.)

LEGAL NOTICES

Sept. 4-Oct. 9

NOTICE OF MORTGAGE FORECLOSURE SALE.

Whereas default has been made in the conditions of that certain mortgage made, executed and delivered by C. Biglow and M. Mabel Biglow, husband and wife, as mortgagors, to Peoples State Bank of Thief River Falls, as mortgagee, which said mortgage is dated June 10, 1916, and was recorded in the office of the Register of Deeds of Pennington County, Minnesota, June 12, 1916, at 9 o'clock a. m., in Book 12 of Mortgages, on Page 298, which said mortgage was heretofore duly assigned to the undersigned, Northwestern National Life Insurance Company, and whereas said default consists in the failure to pay an instalment of interest heretofore coming due on said mortgage, and whereas because of said default the undersigned owner and holder of said mortgage has elected and hereby does elect to declare the whole amount secured by said mortgage immediately due and payable and whereas there is now due and claimed to be due upon the said mortgage and the indebtedness thereby secured the sum of $3,422.93.

NOW, THEREFORE, Notice is hereby given that the said mortgage will be foreclosed and the premises therein described and mortgaged thereby, which said premises are situated in the County of Pennington, and the State of Minnesota, and are described as follows, to-wit:

The east half of Southwest quarter and Lots 3 and 4 of Section 31, in Township 153, of Range 43, containing 159.89 acres according to Government survey thereof.

Will be sold by the Sheriff of said Pennington County at public vendue to the highest bidder for cash, at the front door of the courthouse in the city of Thief River Falls, in said county, on Monday, the 20th day of October, 1924 at 10 o'clock a. m., to pay the amount of said mortgage and the debt and interest and the expenses of sale and $75.00 attorney's fees.

Dated September 2, 1924.

NORTHWESTERN NATIONAL LIFE INSURANCE COMPANY,
Assignee of Mortgagee.

ARNOLD HOBBS,
Attorney for Assignee of Mortgagee,
Northwestern National Life Building,
Oak Grove and Fifteenth Streets,
Minneapolis, Minnesota.

(Aug. 28 Oct. 2)

MORTGAGE FORECLOSURE SALE

Whereas defaults have been made in the conditions of a certain Mortgage, duly executed and delivered by Pearl M. King, single, Mortgagor, to Claus Hagge, Mortgagee, bearing date the 4th day of April, 1914, and with a power of sale therein contained, duly recorded in the office of the Register of Deeds in Pennington County, and State of Minnesota, on the 2nd day of June, 1914, at 8 o'clock A. M., in Book 14 of Mortgages on page 303.

And Whereas, the Mortgagee and holder of said Mortgage has by reason of the defaults of said Mortgagor elected to exercise the power of sale in said mortgage contained and the right to foreclose by advertisement, and whereas there is actually due and payable upon said mortgage at the date of this notice the sum of $2167.40, and whereas no action or proceeding having been instituted at law or otherwise to recover the debt secured by said mortgage or any part thereof,

NOW, THEREFORE, NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said Mortgage, and pursuant to the statute in such case made and provided, the said Mortgage will be foreclosed by a sale of the premises described in and conveyed by said Mortgage, viz: The Northeast Quarter (NE¼) of Section Ten (10) in Township One Hundred Fifty-three (153) North, Range Forty-five (45) West of the Fifth Principal Meridian in Pennington County and State of Minnesota, with hereditaments and appurtenances; which sale will be made by the sheriff of said Pennington County, Minnesota, at the front door of the Court House in the City of Thief River Falls in said County and State, on the 11th day of October, 1924, at 10 o'clock A. M. of that day, at public vendue, to the highest bidder for cash, to pay the said debt of $2167.40, and interest and taxes, if any on said premises, and Seventy-five Dollars Attorney's fees as stipulated in said mortgage, in case of foreclosure, and the disbursements allowed by law; subject to redemption at any time within one year from the day of sale, as provided by law.

Dated August 23, 1924

CLAUS HAGGE,
Mortgagee.

O. A. NAPLIN,
Attorney for Mortgagee.

Sept. 11-Oct. 16

NOTICE OF MORTGAGE FORECLOSURE SALE.

Default having been made in the conditions of that certain mortgage made and executed by Gunnar H. Kolsrud, unmarried, mortgagor to W. H. Torgerson, mortgagee, dated June 15th, 1916, which mortgage with the power of sale therein contained was recorded in the office of the Register of Deeds of Pennington County, Minnesota, June 21st, 1916, at 8:30 o'clock A. M. in Book 57 of Mortgages on page 18, which mortgage was assigned by said W. H. Torgerson to Bank of Cambridge by assignment in writing dated June 23rd, 1916, and recorded in the office of said Register of Deeds July 3rd, 1916, at 8:00 o'clock A. M. in Book 56 of Mortgages on page 162, and which mortgage was again assigned by said Bank of Cambridge to Moses Breeze by an assignment in writing dated December 18th, 1918 and recorded in the office of said Register of Deeds, December 20th, 1918, at 8:00 o'clock A. M. in Vol. 6 of Mortgages on page 427 thereof.

And, that the amount claimed to be due and is actually due and payable on said mortgage at the date of this notice is the sum of Eight Hundred Dollars with accrued interest amounting to the total sum of Nine Hundred Fifty-five and 0-100 Dollars, and whereas the said power of sale has become operative and no action or proceedings having been instituted at law or otherwise to recover the debt secured by said mortgage or any part thereof,

Now, therefore, Notice is hereby given that by virtue of the power of sale contained in said mortgage and pursuant to the statute in such case made and provided, said mortgage will be foreclosed by a sale of the premises described in and conveyed by said mortgage, to-wit:

The North half (N½) of the Northwest quarter (NW¼) of Section Twenty (20) in Township One hundred fifty-two (152) North of Range Thirty-nine (39) West of the Fifth (5th) Principal Meridian in Minnesota, containing Eighty (80) acres, more or less, according to the United States government survey thereof, said tract being in the County of Pennington, State of Minnesota, which sale will be made by the sheriff of said Pennington County at the front door of the Court house in the City of Thief River Falls, in said County and State on Saturday, October 25th, 1924, at Two o'clock in the afternoon of said day, at public vendue to pay said debt and interest, and taxes if any on the premises, together with an attorney's fee of Fifty Dollars as stipulated in said mortgage and disbursements allowed by law, subject to redemption at any time within one year from the date of said sale as provided by law.

Dated September 8th, 1924.

Citation For Hearing on Petition For Administration

STATE OF MINNESOTA,
County of Pennington.
IN PROBATE COURT

In the Matter of the Estate of Bennie Rustad, Decedent.

The State of Minnesota to Julia Rustad, Albert Rustad, Mary Berg, Lena Solberg, John Rustad, Theodore Rustad, Anna Tveit, Gena Strande, Jennie Rustad and all persons interested in the granting of administration of the estate of said decedent. The petition of Julia Rustad, having been filed in this court, representing that Bennie Rustad, then a resident of the County of Pennington, State of Minnesota, died intestate on the 28th day of June, 1924 and praying that letters of Administration of his estate be granted to John Rustad; and the court, having fixed the time and place for hearing said petition.

THEREFORE, You, and Each of You, are hereby cited and required to show cause, if any you have, before this court at the Probate Court Rooms in the Court House, in the City of Thief River Falls, in the County of Pennington, State of Minnesota, on the 11th day of October, 1924, at ten o'clock A. M., why said petition should not be granted.

Witness, the Judge of said Court, and Seal of said Court, this 11th day of September, 1924.

LARS BACKE,
(Court Seal) Judge of Probate Court.

THEO. QUALE,
Attorney for Petitioner.

Sept. 25-Oct. 30

NOTICE OF MORTGAGE FORECLOSURE SALE.

Whereas default has been made and now exists in the conditions of that certain mortgage made and delivered by Andrew Olson and Annie Olson, his wife, mortgagors, to Schanke & Company, mortgagee, dated January 27th, 1917, and recorded in the office of the Register of Deeds of Pennington County, Minnesota, on the 17th day of February, 1917, at 3 o'clock P. M. in Book 58 of Mortgages on Page 223, which said mortgage was duly assigned by said Schanke & Company to Citizens Bank of Mukwonago by an instrument in writing dated February 22nd, 1917; and which said mortgage was thereafter duly assigned by said Citizens Bank of Mukwonago to Katie Carroll, by an instrument in writing dated March 15th, 1918; and

Whereas there is claimed to be due and is due on said mortgage at the date of this notice the sum of Two Thousand Sixty-eight and 67-100 Dollars ($2068.67), principal and interest, and the further sum of Two Hundred Fifteen and 40-100 Dollars ($215.40), taxes on the premises hereinafter described paid by said Katie Carroll subsequent to the date of the assignment of said mortgage to her and prior to the date of this notice;

Now therefore, notice is hereby given, that pursuant to the power of sale contained in said mortgage and the statute in such case made and provided, the said mortgage will be foreclosed and the following premises described in and covered by the said mortgage and situate in the County of Pennington and State of Minnesota, to-wit: The North Half of the Southwest Quarter (N½ of SW¼) and the Southwest Quarter of the Southwest Quarter (SW¼ of [illegible]) of Section Five (5), Township One Hundred Fifty-two (152) North of Range Forty-five (45) West containing 120 acres, more or less, according to the government survey thereof, will be sold at public auction to the highest bidder therefor for cash, by the sheriff of said Pennington County Minnesota, at the front door of the court house in the City of Thief River Falls, in the said County and State, on the 12th day of November, 1924, at 2 o'clock P. M., of said day, to satisfy the amount which shall then be due on said mortgage, and the costs and disbursements allowed by law, and Seventy-five Dollars ($75.00) attorney's fees, as stipulated in said mortgage.

Dated September 17th, 1924.

KATIE CARROLL,
Assignee of Mortgagee.

WILLIAM S. ERVIN,
Attorney for Assignee of Mortgagee.

Notice of Mortgage Foreclosure Sale.

Default has been made in the conditions of a mortgage dated January 26th, A. D. 1921, made and executed by Harris E. Atwood and Effie C. Atwood, his wife, Percy M. Atwood and Myrtle Atwood, his wife, Arthur H. Atwood and Blanche Lidia Atwood, his wife, mortgagors, and delivered by them to the State Bank of Viking, a corporation, mortgagee, and recorded in the office of the Register of Deeds in and for the County of Pennington, State of Minnesota, on the 15th day of February, A. D. 1921, at 8 o'clock A. M. in Book 1 of Mortgages on page 622.

Which said mortgage together with the debt secured thereby was duly assigned by an instrument in writing, dated the 24th day of March, A. D. 1921, by said State Bank of Viking, a corporation, to The Lincoln National Life Insurance Company, a corporation, and duly filed and recorded in the office of the Register of Deeds in and for said County of Pennington, State of Minnesota, on the 24th day of March, A. D. 1921 at 5 o'clock P. M. in Book 61 of Mortgages on Page 302.

Said default consists in the failure to pay the sum of Four Hundred Twenty Dollars ($420.00) which became due and payable on the 26th day of January, A. D. 1924, and whereas, The Lincoln National Life Insurance Company, a corporation, assignee of mortgagee and holder of said mortgage has duly elected and does hereby elect to declare the whole principal sum of said mortgage due and payable at the date of this notice under the terms and conditions of said mortgage and the power of sale therein contained, and whereas there is actually due and claimed to be due and payable at the date of this notice the sum of Six Thousand Six Hundred Ninety-five and 30-100 Dollars ($6,695.30) and whereas, the said power of sale has become operative and no action at law or otherwise having been instituted to recover the debt secured by said mortgage or any part thereof;

Now, Therefore, notice is hereby given that by virtue of the power of sale contained in said mortgage and pursuant to the statute in such case made and provided, said mortgage will be foreclosed by a sale of the premises described in and conveyed by said mortgage, which said premises are situate in the said County of Pennington, State of Minnesota, and more particularly described as follows, to-wit:

The East Half (E½) of Section numbered Thirty-four (34) in Township numbered One Hundred Fifty-four (154) North of Range numbered Forty-five (45) West of the Fifth principal Meridian, containing Three Hundred Twenty (320) acres, more or less, according to the government survey thereof, together with all hereditaments and appurtenances thereunto belonging.

Said sale will be made by the Sheriff of said Pennington County, State of Minnesota, at the front door of the Court House in the City of Thief River Falls, in said County of Pennington, State of Minnesota on the 31st day of October, A. D. 1924 at 10 o'clock A. M. of that day, at public vendue to the highest bidder for cash to pay said debt and interest, and the taxes if any, on said premises, together with the costs and disbursements of foreclosure and expenses allowed by law including One Hundred Dollars ($100.00) attorney's fees as stipulated in said mortgage in case of foreclosure, subject to redemption at any time within one (1) year from date of said sale.

Dated Sept. 12, 1924.

VALUATION OF COUNTY LESS THAN IN 1922

Auditor's Report Shows Decrease of Half a Million Dollars in Assessed Valuation

REAL ESTATE VALUES INCREASED THIS YEAR

State Tax Commission Must Go Over Assessment Returns Before Rate is Fixed

Taxable property in Pennington county is given an assessed valuation of nearly one half millon dollars less this year than for 1922, it is revealed in the county auditor's certificate of assessment, recently filed with the state tax commission. Rates on taxes payable in 1925, based on the ratio of the various state, county, school and city budgets, cannot be computed until after the tax commission has passed on the figures, County Auditor T. P. Anderson said in giving out the figures as returned.

Commission Orders Increase

Word was received by the auditor Sept. 13, that the tax commission has ordered an increase of five per cent on all real estate and structures, after the entire state had been equalized. Returns on the personal property have not been received as yet.

The assessed valuation in the county is placed at $5,583,441 as compared with $6,072,418 in 1922 when real estate assessments were made last prior to 1924. This is a decrease of $488,977. This year's assessed valuation is divided as follows: Real estate $4,410,709; personal property, $637,332; moneys and credits, $35,400. The five per cent increase by the tax commission brings the real estate valuation up to $4,631,244.

Real estate, assessed on the basis of 40 per cent, is divided into unplatted real estate with buildings, $3,096,886; and platted real estate with buildings, $1,313,823.

Real Estate Values Raised

While the assessed valuation of the county as a whole has dropped, there is an increase in the values of real estate of more than $40,000 compared to the figures of two years ago. Following are the figures for the two years:

	1922	1924
Unplatted	$3,102,190	$3,096,886
Platted	1,266,550	1,313,823
	$4,368,740	$4,410,709

In most counties thruout the state there is marked decrease in real estate values this year.

The closing of a bank in the county is responsible for the bulk of the decrease in moneys and credits, according to the auditor, that item dropping from $886,842 in 1922 to $535,400 this year, which will be practically restored with the institution's reopening.

Personal property, on which tax is levied on one-third of its true value this year suffered to the extent of $179,510 during the two-year period, while it is only $29,378 below the 1923 valuation.

It is considered practically a certainty that the figures turned in by the auditor after equalization by the county board will be raised by the tax commission, which has generally been the case in years past.

Farm Land Values

Pennington county farm lands without buildings are given a true value of $8,527,701. The total number of acres of land is 389,530.71 with an average full value of $21.64 and an average assessed value of $7.95 per acre. The full value of buildings is given as $862,358, and full value of land, structures and improvements together as $9,290,624.

Platted real estate, comprising the city of Thief River Falls, villages of St. Hilaire and Goodridge and some property in Clover Leaf, North, Rocksbury and River Falls townships, is valued at $1,059,244 exclusive of improvements. Buildings are placed at $2,237,073, making a true and full value of this form of real estate of $3,297,217. The assessed worth of platted property is $1,313,823 while that of unplatted real estate including improvements is given as $3,096,886.

The assessed valuation of the personal property in Thief River Falls has been reduced from $287,621 in 1923 to $260,644 this year.

2,205 Pay Personal Tax

According to the report to the tax commission 2,205 individuals are taxed for personal property, of whom 835 are Thief River Falls citizens.

The number assessed for moneys and credits is 411, of whom 200 live in Thief River Falls, 42 in Goodridge, 27 in St. Hilaire, 16 in Rocksbury township, 14 in Kratka and the remaining 239 distributed thruout the other townships. Moneys and credits are assessed at their full value, this year being $535,400, with this city's figure $335,883 and St. Hilaire $32,650. Kratka, ranking high among the townships has $26,200.

Taxable property in Marshall county is given an assessed valuation of about $2,700,000 less this year than for 1923, according to the Warren Sheaf. This year's figure is $12,259,307 as compared with $14,830,633 the previous year.

New Trinity Pastor is Honored at Grand Forks

Rev. and Mrs. S. L. Tallakson and two children arrived last week from Grand Forks and have established permanent residence in the Trinity Lutheran parsonage, which has been repaired and remodeled thruout for the occupation of the new pastor and his family.

Upon leaving Grand Forks Mr. and Mrs. Tallakson were tendered a farewell reception by the congregation of the First Lutheran church, which the former has served the past five years. Appreciation of the work of the pastor and his wife in the congregation was expressed by representatives of the various organizations within the church, the couple being presented with a purse as a gift from the congregation.

The new Trinity pastor announces that the English language will be used at all evening services and the Norwegian language in the morning.

TIMOTHY SEED

We have orders for a few carloads of good quality TIMOTHY SEED, which is free from Alsike Clover and Canadian Thistle. This is to be shipped over the Great Lakes for export. If you have any to sell, bring it in at once so as to take advantage of the present prices, which we will be unable to pay after navigation closes.

We are also in the market for MEDIUM RED, MAMMOTH and ALSIKE CLOVERS, also WHITE BLOSSOM SWEET CLOVER, ALFALFA and BUCKWHEAT SEED.

Submit samples and state quantity you have to offer.

FARMERS OF COUNTY BUY WESTERN SHEEP

Loan Applications for 600 Head Already Sent to Credit Corporation

Approximately 1000 head of sheep will be shipped into Pennington county from Montana about the middle of October, according to C. A. Rand, agricultural development agent for the Great Northern railway and representative of the Agricultural Credit corporation, who has been working in northwestern Minnesota in an effort to promote sheep raising. The purchase of the sheep is financed thru loans made by the Credit corporation under very liberal terms, as previously given in these columns.

Applications for 600 head have already been received and turned in by Albert Lonson, secretary of the Pennington county loan committee for the corporation, while some more farmers are being lined up which will likely bring the total to about 1000. The time limit for entering applications for sheep loans has been extended from Sept. 20 to Wednesday, Oct. 1, according to Mr. Rand, this concession being given to give everyone ample opportunity to take advantage of the offer.

In the St. Hilaire community applications call for about a carload, while at Holt requests for 200 animals had been received up to Tuesday, with a number of applications not acted upon by the committee. Evidence must be furnished that the purchaser has adequate housing facilities and feed. About three carloads will be shipped into the Roseau and Greenbush territory, and about 300 head into the vicinity of Warren, Mr. Rand *stated to a Times representative* when in the city Tuesday. He went from here to Roseau to finish up his work in this section, returning to St. Paul yesterday.

The sheep are high grade Merinos and Shropshires and are now being bought by a representative of the Credit corporation who has an option on about 25,000 sheep to be placed on farms in northwestern Minnesota and adjoining North Dakota counties. Each applicant includes a ram in his flock, the flocks ranging from 20 to 50 ewes. The sheep will be shipped here for about $10 a head, according to Mr. Rand.

Potato Digging Started— Crop Indications Better

Potato digging starts in Pennington county this week and the average yield is expected to be quite favorable, present estimates placing it at 150 bushels an acre. Growers in attendance at the meeting of the county unit of the Minnesota Potato Growers' Exchange in this city Saturday evening reported estimated yields of from 100 to 200 bushels an acre. Indications are that the quality will be good this year, altho there are numerous small sized potatoes as a result of the dry season.

It was decided at the meeting Saturday to grade and ship the potato crop as fast as it is brought to the receiving house near the Soo tracks, the Oen machine warehouse having been equipped for the handling of the Exchange members' potatoes. It is expected that shipping will start this week. A part of the crop will be stored on the farms but most of it will be shipped to central warehouses.

The outstanding features of the potato market since Minnesota potatoes first began to move have been the general low price for this season of the year and sharp fluctuations, says a market letter from the University Farm. Orderly marketing by the Exchange will prevent dumping the crop on an unfavorable market, it is declared. Careful grading will result in a better price for the average in Minnesota.

A California buyer of Burbanks has been here the past week, the Peterson-Biddick company of this city making a special effort to provide a good market for this variety for farmers not members of the Exchange.

Great Picture Coming

Attention is called to the showing of "America", D. W. Griffith's greatest production since "The Birth of A Nation", at the Lyceum theatre for three days next week, Oct. 2, 3 and 4. It is woven around the dramatic and thrilling events of the American Revolution depicting on the screen Paul Revere's midnight ride, the Boston Tea Party and other events so familiar to every American. Many of the places are reproduced with photographic exactness, and every historical scene is played as it actually occurred.

City Dads Hold Brief Session Tuesday Night

A dance permit was granted the Legion auxiliary for Friday night, a $200 building permit was granted the street commission for a barn, the clerk was authorized to advertise for bids on coal and wood for the city, the street commissioner was authorized to construct certain sidewalks on the east side, and the usual bills were allowed at the regular meeting of the council Tuesday night.

The above summarizes the actual work done by the council during the two hours they were in session, with only Aldermen Oscar Paulson and Oscar Rambeck absent. However, considerable time was spent in discussion of various matters of importance, all being of an informal nature.

Residents along the south end of Kendall avenue appeared before the council Tuesday night and asked for extension of the electric light wires to the city limits on that street, with the installation of a street light at the intersection of Annie street. Three residents would install four lights in their homes if the wires were extended, they said. Chairman Martin Evenson stated that unless the city found it would be a paying matter the *request could not be granted, that the* city was not putting in any more extensions where the revenue did not equal the outlay. The electric light committee would investigate the matter, Mr. Evenson stated, and if it was found advisable the request would be granted.

A 30 foot fall into a silo resulted in a compound fracture to the right leg of Ernest Erickson, 16 year old son of Mr. and Mrs. August Erickson residing near Red Lake Falls, Friday evening. He was assisting in the filling of the silo when the accident occurred and was at the top of the structure when he slipped. Dr. Watson of Red Lake Falls administered first aid and the lad was brot to this city for care at the Swedenburg hospital.

New Low Prices on Goodyear "Supertwist" Balloons

Balloon Tires ride smoother—save you and your car—because they are larger and do not need to be pumped up so hard.

They flex and bend, give and take, and absorb the bumps.

But this flexing is hard on ordinary tires. Goodyear has recently developed a new cord fabric called *Supertwist*. It stretches about twice as far as ordinary cord. It was especially developed for Balloon Tires and is found only in Goodyear Balloon Tires. *Supertwist* is your assurance of long wear and freedom from trouble.

At our new low prices we can put Goodyear *Supertwist* Balloon Tires on your car at less than you've been paying for the regular size tires now on your car.

See us today and experience the real thrill of Goodyear Balloons on your car.

GOODYEAR

Crookston Youth, Nephew of Mrs. Knight, Killed in Auto Accident Near Fisher Sat.

Skidding on a muddy road during a severe rainstorm early Saturday morning, the automobile occupied by George L. Smith, 19, and Clair Scribner, 21, both of Crookston, went into a ditch on the curve of T. H. No. 8 at Fisher. Scribner, who is a nephew of Mrs. W. K. Knight of this city, was killed and Smith was so seriously injured that his recovery is doubtful. Mrs. Knight, daughter Lillian and son Leland, attended the funeral services at Crookston Tuesday.

The two men were returning from Grand Forks Saturday at 1 a. m. in a Buick car and it is believed that the accident occurred when Scribner attempted to turn out for an oncoming car, his sight being dimmed by the lights and the heavy rain. The machine skidded and turned into a deep gulch, throwing Smith clear of the car but pinning Scribner in by the wheel and breaking his neck in the crash.

It was not until four o'clock in the morning that Smith was able to crawl out of the ditch and make his way to the nearest Fisher residence.

Scribner, who was unmarried, was located at Crookston four years, being employed as bookkeeper for the Morrissey Machine shop.

Wm. Kline Injured

Wm. H. Kline, Soo line brakeman, who received injuries to his scalp and back Monday last week while switching in the yards at Bemidji, was brot to his home in this city Tuesday evening. He is still unable to be about and will likely be confined a few weeks. The accident occured when Mr. Kline jumped from the moving train and his head struck a semaphor.

Record Enrollment at L. H. S.

Enrollment at the high school now exceeds last year's enrollment for the first semestor by about 30 students, the total now being 426, divided among the various classes as follows: Senior 97, Junior 73, Sophomore 84, Fresmmen 140, and post graduates 32.

Local Women Try Their Luck at Duck Hunting

Thief River Falls has at least three feminine nimrods this year. Of the nearly 200 persons who have secured hunting licenses from Auditor T. P. Anderson this fall, three are women residing in this city. Mrs. C. A. Nason, Mrs. Nels Christianson and Albina Doucet acquired the necessary permit at the opening of the duck season, but whether or not they were successful in bringing down the number allowed is not known.

Reports are to the effect that ducks are very scarce in this territory as yet, only a few being brought back by even the most expert and lucky marksmen. Hunters are now awaiting the flight of ducks from the north and many are undoubtedly waiting until that time to obtain their license.

Last year the season on prairie chickens, which is closed now, opened on the same day as the duck season and many spent the early part of the season hunting ducks.

The law provides that not more than fifteen ducks may be taken in one day or not more than five wild geese. Forty-five ducks may be had in possession at one time and the season limit is 135.

There will be no prairie chicken shooting in Minnesota this fall, the law providing for an open season on chickens in odd-numbered years and an open season on ruffed grouse in even-numbered years. The grouse season opens October 15, and continues until November 20. The lawful limit is five grouse a day, twenty in possession and not more than 30 in the season.

An order has been issued by Gov. Preus closing the 1924 season for ringneck pheasants.

Camphor Acts Quick

People are surprised at the quick action of simple camphor, witchhazel, hydrastis, etc., as mixed in Lavoptik eye wash. One small bottle helps any case sore, weak or strained eyes, Aluminum eye cup free. F. J. Stebbins, Druggist.

"Long Distance" Will Keep Her Within the Family Circle

When family ties are broken—when children leave home to attend school, take up work in another town, or for a visit—remember the long distance telephone.

Such times are always trying to Mother and Father, as well as to the one leaving the comforts of home.

But the long distance telephone—spanning any distance—brings the voice of loved ones back into the family circle.

Occasional chats by "long distance" with those away from home, relieve anxiety and are a comforting friend in dispelling loneliness. They will bring happiness to them and to you.

THIEF RIVER FALLS TIMES

Volume 14. Thief River Falls, Pennington County, Minnesota, Thursday, Oct. 2, 1924 Number 35

CONSIDER NEW INDUSTRY FOR THIEF R. FALLS

Pea Cannery Possibilities Discussed at Meeting of Commercial Club

COMMITTEE WILL MAKE THORO INVESTIGATION

State Inspector and Promoter Give Figures Showing it a Profitable Venture.

A canning factory for peas, corn and other products may be established in Thief River Falls as a result of the consideration given the matter by the Commercial club at its meeting last Thursday. Facts concerning the proposed enterprise, which has been given serious attention by some local men for some time, where given by August Anderson of the state dairy and food department, which has supervision of all canneries in the state, and R. M. Sanford of the Canner's Service of St. Paul.

The matter was referred to the industrial committee of the club, of which Nels Christianson is chairman, this group of men being delegated to make an investigation of the proposition and ascertain what would be a feasible plan for the establishment of a plant here.

Mr. Anderson, who has served as state inspector for 20 years, explained how Minnesota canneries came to be under the supervision of the dairy and food department, in an effort to place them on a firm basis and assure standard production. Many of the canning factories started in the early days were failures on account of lack of proper machinery and supervision, but since the state has assumed supervision, the industry is meeting with splendid success and promises to become an important factor in Minnesota agricultural and industrial life.

Big Returns to Growers

It was pointed out that growers of peas in various parts of the state are netting an average of $65 to $70 an acre this year, while there are some who realize as much as $150 an acre. Crop failures are not common, according to Mr. Anderson, and the peas need very little attention after being drilled, no cultivation being necessary. The ground should be plowed in the fall and should not be of a very wet nature, the soil in the vicinity of Thief River Falls being particularly well adapted for peas, according to both Mr. Anderson and Mr. Sanford, who made a survey of the locality. The harvest begins about June 15 and is completed before the other harvest activities set in. An ordinary mower with attachment is used for cutting

COUNTY'S TEACHERS COMING NEXT WEEK

Excellent Institute Workers Provided—Rural Program for Convention Complete

Teachers' Institute Week which opens in this city next Monday promises to be the most instructive ever held in Pennington county, according to Superintendent Ole R. Sande, who is busy making arrangements for the various sessions. Present at the institute will be Prof. Geo. A. Selke of the department of education in the University of Minnesota, formerly state rural school inspector, and Miss Anna Swenson, assistant rural school inspector, both of whom will address rural teachers in attendance and conduct the usual sessions, Mr. Sande being in charge of sessions for the discussion of local problems.

Besides about 75 rural teachers in this county there will also be a large number from eastern Marshall and Polk counties, a total of about 100 being expected. A 100 per cent attendance is expected as the annual convention of the Northwestern Minnesota Educational association, with an extensive program of addresses by prominent educators and various instructive and entertaining features, is also held in this city next week, Wednesday, Thursday and Friday. The 32 post graduates in the normal training department of the local high school will also participate in the institute.

Among the important sectional programs of the Educational association meeting here will be that of the rural section, of which Miss Myrtle Roseland of Newfolden is chairman, which will be of particular interest to institute attendants. It will be held at the city auditorium, Thursday afternoon.

Prof. F. B. Knight of the University of Iowa, Iowa City, and Miss Anna Swenson, institute worker, will be the principal speakers, according to the tentative program. Prof. Knight will speak on "Differences Between Good and Poor Teachers." Supt. Sande of this city will discuss "Improved Instruction in the Rural School," while Miss Rose Oaki of Mavie will tell about "What is Expected From the County Superintendent's Visit," "The 'Why' of a County Teachers' Association" will be brought out by Miss Florence E. Johnson of Warren.

Supt. M. C. Hayes of East Grand Forks is scheduled to speak about "The Rural Teacher and the M. E. A." and Mrs. Adella Duncan of the state department of education will discuss "Grading the Eighth Grade Examination Papers." Mrs. Duncan will be one of the instructors at the Marshall county institute which is held at Warren the first three days of next week.

The annual meeting of the Pennington County Teachers' Progressive league will be held during the Institute week, and it is also likely that a social function will also be arranged by the rural teachers.

Community's Prosperity Promoted by Patronizing Local Merchants

You should buy from Thief River Falls merchants because it pays you, as we have convinced you in the foregoing articles of the series. It means money in your pocket.

And it means money out of your pocket if you don't. If you made a practice of shopping at the city stores or if you order your goods shipped in by mail, you have only to figure up what these goods have cost you, and compare the total with what the same bill of goods would have cost at home.

For instance, the railroad fare or auto trip, your hotel bill, the time you waste, the goods you buy that you don't need, the higher prices you pay on account of the stupendous overhead at the city store—all these things must be paid out of your pocket in addition to the value of the goods themselves, plus a reasonable profit.

Every dollar that goes over the counter of the local merchants pays tribute to the entire community. It comes back to you in fullest measure. The merchant has the interests of the home town at heart. If from nothing more than a selfish standpoint, he is the best booster the hometown has, because the greater the well-being of its citizens, the better *the pay they receive for their labor*, the more comfortable their homes are and the better the streets are kept, the more efficient the schools, the better the fire and police protection, the more attractive does the community prove for others seeking homes, and therefore the greater is the number of its possible customers.

Buy from the home town merchant and you assure Thief River Falls of a permanent booster. He does not plan to stay here for a certain length of time, and then to move to some other place; he is here to stay, for it is his home, and the home of his children.

To maintain this leadership our home-town merchants must be supported. They set the pace and rally the forces of good citizenship. Go over a list of your merchants and convince yourself that this is so. The men in your general stores, in your dry goods and grocery stores, your hardware and implement dealers, your druggists, your harness shop and shoe store men, your garage men, your elevator men and your produce dealers, your lumber merchants and dealers in building supplies, the men running your dairies and creameries, as well as other employers of labor, and others in the various affiliated lines.

Their leadership deserves the support of every good citizen in town. In fact, every man, woman and child in the community has a moral responsibility in the matter. These men work for the good of the home town, and everybody who has the welfare of the community at heart is in duty bound to work with them and keep them in the things they are trying to accomplish.

FULLER AGAIN HEADS COUNTY FAIR SOCIETY

This Year's Fair Greatest in History Annual Report to Stockholders Shows.

CLOSE YEAR IN GOOD FINANCIAL CONDITION

Decide to Have Racing Program Next Year — One Change in Directorate

The annual report of secretary J. J. McCann of the Pennington County Agricultural socity, as read to the stockholders at the annual meeting of the organization last Friday night showed that the last fair had a greater attendance than any preceding fair and that the finances are in excellent shape.

Over 17,000 passed thru the gates at the fair the first week in August this year, the gate receipts totalling $4,233, which with state, county and city aid brought the total receipts for the past year up to $6,366.11, while the expenditures were $6,043.99, leaving a balance of $322.92. There are a few unpaid bills that had not been presented and paid which will about wipe out this amount, but the state will soon reimburse the fair association to the extent of about $1,700, the amount paid out in premiums.

This is considered the best financial showing in a long time and with only an indebtedness of $4,550 in the shape of a mortgage which is not due for some time and with a valuation of over $35,000 on land and buildings the 200 stockholders are feeling proud of their organization.

It was decided to hold next year's fair the first week in August as has been done for several years past, that week seeming to be practically immune from bad weather. The exact days of the week were not decided on at the meeting last week, the matter being left to the directors.

The election was a spirited affair and Herbert Fuller was the choice for president, he having given so freely of time and effort to the fair that the stockholders believed re-election the best thing, altho Math Barzen, Emil Griebstein, N. W. Tarrant, V. C. Noper and Fred Beerbower were also placed in nomination, all withdrawing.

Emil Griebstein was chosen first vice president, M. T. McFarland was named as second vice president and Albert Lonson re-elected treasurer. The directors named were S. E. Hunt, Dr. G. A. Penney, Roy Lambert, Fred Beerbower and V. C. Noper, while Chas. Shirley, Dr. O. F. Mellby, Albert Johnson, Jorgen Eide, Olaf Neset and T. M. Thronson had also been nominated, but requested withdrawal from the ballot.

Legion Auxiliary to Stage Musical Revue October 17

About 100 people, all local talent, will be seen in a Musical Revue to be put on by the Legion Auxiliary at the auditorium Friday, Oct. 17, rehearsals for which are started this week by Mrs. Hodgson of Crookston who arrived yesterday to select the cast and make preliminary arrangements. The proceeds of the Revue will be used for the 1925 convention. Mrs. Mauritz Brink is chairman of the committee to select the talent. Further details of the Revue, which will consist of chorus work, dancing and other features, will be announced next week. Mrs. Dave Robinson is chairman of the committe in charge of the Musical Revue.

Speed Carnival Cancelled

After being twice stopped by rains, the local post of the American Legion has called off their speed carnival. The loss entailed in getting ready for the carnival was covered by insurance which they received the first time.

Repr. Waldal Will Speak

Marius Waldal, candidate for re-election to the legislature from this district, will address a meeting of the Farmers' club at Hazel Saturday evening this week.

Cong. Schall, Candidate for U. S. Senate, to Speak Here Friday Evening, October 10

Thos. Schall, the blind congressman from Minnesota opposing Magnus Johnson in the race for U. S. senator, will speak to voters of this city and vicinity Friday evening of next week, Oct. 10, at the city auditorium, it is announced by the local Republican committee of which F. F. Haynes is chairman. This will give local people the first opportunity to hear the Republican candidate for senator in this campaign. He was scheduled to speak at the county fair this summer but was unable to fill the engagement. Mr. Schall is a forceful and eloquent speaker and it is expected that a large number of voters will turn out to hear him discuss the issues of the campaign. The meeting is called for 8 o'clock.

HAZEL BANK WILL RESUME BUSINESS

Expect to Reopen the First of Next Week After Complete Reorganization

Reorganization of the Citizens State bank of Hazel, closed last January, is now practically completed and those interested expect to be able to reopen the institution the first of next week, the state banking department making the final examination this week. All the depositors have signed up and new stockholders have acquired interest in the bank, most of them farmers in the community. The plan of reopening assures a firm business foundation and it is declared that the bank will be in better condition than ever before. It is likely that A. Nyquist of East Grand Forks will succeed E. C. Karwand as cashier. The bank is capitalized at $10,000 and deposits total about $90,000. Guy Bacon of the banking department has been in charge.

Flax Yields 21 Bu. an Acre.

Mr. Haupt of River Falls township threshed flax this week that yielded 21 bushels to the acre, according to Paul Borgle of Hazel, who was a caller in the city yesterday. Mr. Haupt seeded only 14 pounds to the acre.

CO-OPERATION OF DEPOSITORS URGED BY W. W. PRICHARD

Reopening of Citizens Bank Assured if Depositors Assist Committee

W. W. Prichard, Sr., head of the committee working on the reorganization of the Citizens State bank, in an interview with a Times representative yesterday made the following statement of importance to depositors of the institution:

"Your committee has information which indicates that some of the depositors have been led to believe it will be better to liquidate the bank than to reopen it.

"The committee was appointed by the depositors to investigate the bank's condition and authorized to work out some plan of reorganization, if it was thought better to do so than to liquidate.

"The committee has made careful and exhaustive study of the situation and has voted to adopt the plan it is working on, to reopen the bank. Any depositor who is in doubt as to what is best, can get such information as the committee has, by calling upon different members of it, or upon W. W. Prichard, Sr., at his residence.

"Surely the committee should be in better position to advise than the man on the street who knows little or nothing regarding the plan of reopening, or of the work of the committee.

"In signing the 'Reduction Agreement,' the depositor does not waive any right he now has in the assets. He simply consents to the reopening of the bank on a reduced scale; without such consent the Banking Department is powerless and can not take steps to reopen it.

"Should the bank be reopened, the depositor will be in position where he can have something to say as to the disposal of the assets."

FARM BILL IS DISCUSSED BY CONG. HAUGEN

Author of McNary-Haugen Bill Urges Regulation of Farm Product Prices

OPTIMISTIC NOTE IN BEDE'S ADDRESS

Political Issues Explained by Able Speakers — Republican Activities Lauded

Political issues were discussed both seriously and humorously Tuesday evening when three men, prominent in state and national politics addressed an audience at the Princess Theatre.

Congressmen Gilbert Haugen of Iowa, active in political circles of that state the past 18 years and author of the McNary-Haugen bill, J. Adam Bede, formerly congressman from the eighth Minnesota district, and F. H. Peterson of Moorhead, candidate for congressman in the ninth district, gave sidelights on the Republican platform, and its operation.

Mr. Bede opened the meeting in his usual humorous, optimistic style, and rambled thru a number of the issues which the Republicans have fought for and intend to uphold. He is known thruout the state as one of the most forceful speakers of the day and, tho his address was lengthy, he held the interest of the audience to the last, keeping most of those present guessing as to what was coming next. His sense of humor in interpreting various pieces of legislation made the address an interesting one.

Mr. Peterson, who is the author of the two-cent fare law and the Workman's compensation act, and has a record of 166 years service to the 49th district, followed Mr. Bede. However, as the hour was getting late, he confined himself to brief remarks. He touched on the tariff, present agricultural conditions and their causes, taxes and the national debt. He also stressed the importance of the voter to cast his ballot and made a plea to women voters to turn out on election day.

Congressman Haugen, author of the McNary-Haugen bill, which has been the topic of discussion of the nation for months, was the last to speak. Tho not as eloquent a speaker as Mr. Bede, he explained the workings of the grain market conditions in a thoro and comprehensive manner and described, as few have heard it described, the way the McNary-Haugen bill will operate if passed.

"There is one thing in which we are all interested," said Mr. Haugen, "and that is to recover a sound economic condition. We must have legislation that will promote progress and not only assist those who are not deserving of help." He explained that the present condition of the agricultural industry is due to the farmer's inability to organize in restriction of surplus production and pool marketing. "Industry has been organized for fifty years and for this reason they have been able to control the law of supply and demand and to manufacture at a profit under all conditions," he stated.

Collective bargaining has been suggested and talked of and in various forms, tried out. He explained that this was not practical for the following reasons: With last December as a basis, wheat would have to be $1.59 per bushel to be in proportion to the commodities which the farmer had to buy. At the time it was selling at $1.09. With the tariff at 30 cents per bushel, the miller would be able to get wheat from Canada at far less than the ratio price and consequently ruin the market. "Collective bargaining will be effective only if the whole world can be included in the pool."

During the war the price of wheat was set. Other commodities went to far higher levels in proportion but when the price was taken off the wheat it dropped back to near prewar levels while the manufactured commodities stayed nearer the war levels. The plan of the McNary-Haugen bill then is to have the department of labor compute an average price for the 404 staple commodities during the pre-war period of 1904 to 1914 and to also the price of farm produce for that period. Then by comparison with the current price of commodities, fix, from time to time, the price of farm produce so that what the farmer gets for his crops will be proportionate to what he pays for the commodities he buys. With last December as a basis, this would set the price of wheat at $1.59.

A corporation would be formed, capitalized at 200 million dollars borrowed from the government without interest, the corporation having the authority to borrow five times that amount in addition if necessary.

The protective tariff is now 30 cents per bushel on wheat and the president has the power to raise that tariff 50 per cent or to 45 cents. That is not high enough however in all cases and an amendment would have to be effected to regulate the tariff to protect the market. Then the crop would be disposed of by the corporation at the ratio price in home markets and for as much as possible in foreign markets, an equalization fee collected and the final price equalized so that the ultimate price would be average of the home and foreign price in proportion to the amount sold in each market. Thus the ultimate price would depend on the foreign market to some extent also but might be either higher or lower than the ratio price. At present Liverpool wheat is 25 cents higher than Chicago wheat or 12 cents higher with freight deducted.

He quoted the ration price on other farm products as well. The ratio price on hogs was $11.34 while December last the market was $7.05 and on corn the ratio price was $.96 while only $.73 was being received.

Prominent Churchmen Will Address Mission Meetings at Zion Church Oct. 17-19

Delegates from the various congregations in the Fosston district of the Lutheran Free church will gather in a mission festival at the Zion church in this city Oct. 17, 18 and 19, according to announcement by Rev. George Larson, pastor of the local congregation. An extensive program has been arranged and a large attendance is expected at the various sessions, especially from nearby congregations.

Among the prominent church men who will be here for the occasion are Rev. J. Mattson of Minneapolis, secretary of missions; Rev. Ing. Hovlan, Grand Forks, secretary of home missions; Rev. J. Mortenson, Fosston, vice president of the organization committee and Rev. H. J. Urdahl of Fargo, vice president of the Lutheran Free church.

W. I. NOLAN MAKES PLEA FOR G. O. P.; DISCUSSES ISSUES

Flays LaFollettism of Change in Constitution and Government Ownership

W. I. Nolan, for many years speaker of the Minnesota state legislature and now Republican candidate for lieutenant governor of the state, spoke before a rather small audience of Thief River Falls voters at the Princess theatre Monday evening, opening the political campaign in Pennington county. In his talk he dealt with the stand on issues taken by the Republican party in both the national and state campaigns.

In his talk he discussed the change in the national constitution advocated by the LaFollette-Wheeler group and that group's proposal to enter into government ownership. This change in the constitution, Mr. Nolan said, would take away from the United States supreme court the power to declare a law unconstitutional. This would make it possible for the legislative bodies to infringe on the rights of citizens and states, the speaker said.

These two issues, Mr. Nolan pointed out, are the two main differences in the planks of the Republican and Farmer-Labor parties, the latter of which is supporting the LaFollette ticket. He stated that government ownership had been tried in the United States in the past, without success, citing among instances of failure the state-owned mill in Grand Forks, N. D.

In his discussion of national issues the speaker further told of how the cost of the national government was reduced during the Republican administration and that the Republican party is opposed to the League of Nations but favors a world court, where matters may be arbitrarily settled without entangling alliances. He also told how Charles G. Dawes, Republican candidate for vice president, had straightened out the financial difficulties in Europe, assuring the hearers that he would be particularly well fitted for the office which he seeks, as would also President Coolidge.

In his talk on state issues, Mr. Nolan asserted that the Republican party, headed by Theodore Christianson, candidate for governor, is in favor of a program of tax reduction. He outlined the proposed plan of reorganizing the state government so as to eliminate certain departments. Under this plan there would be fewer departments heads and therefore greater centralization of work. In speaking of taxation in Minnesota he pointed out that the state government costs 25 per cent less than in Iowa or Wisconsin, altho it performs more service, the Rural Credits act of the state even making it possible for farmers to borrow money from the state.

Prosperity cannot be brought about by legislation, the speaker declared. It must come about thru economic changes. "We are now about to enter upon a new era or cycle of prosperity," he said.

The various candidates on the state Republican ticket were named and described by Mr. Nolan, who in his years of service has become thoroly familiar with their activities and record. Mr. Nolan is an eloquent and forceful speaker and held the interest of his audience from the time he opened his talk until he finished.

TEACHERS WILL BE GIVEN RECEPTION TOMORROW EVENING

Parent Teachers Assn. Sponsoring Event at High School Gymnasium

A reception for the teachers in the schools of Thief River Falls will be given by the Parent-Teachers association at the high school gymnasium tomorrow, Friday evening, the event being set to open at 8 o'clock. This will be the first meeting of the association this season and it is desired that all members attend and become acquainted with the 13 new teachers in the city as well as renew acquaintances with those who have been here in previous years.

A cordial invitation is also extended to all parents who have children in the schools of the city, whether members of the association or not, to attend this reception. "We want everyone to meet the teachers and become interested in the Parent-Teacher's association," says Mrs. R. Arnold, president, in announcing the opening of the 1924-1925 season.

A short program has been arranged and refreshments will be served.

The improvements in the gymnasium have been completed and school patrons will be given opportunity to see what has been done.

TEACHERS OF N. W. MINNESOTA COMING TO CITY NEXT WEEK FOR THREE-DAY CONVENTION

Prominent Educators Scheduled to Address N. W. M. Educational Association.

ABOUT 500 DELEGATES EXPECTED TO ATTEND

General Public Invited to Attend Sessions — Many Local Teachers on Programs.

School ma'ams and schoolmasters from country, town and city districts in the entire Red River Valley section will gather in Thief River Falls next week when the annual convention of the Northwestern Minnesota Educational association is held for three days. The sessions open Wednesday evening and consist of lectures by many prominent educators, sectional meetings and round table discussions of education problems and policies. It is expected that at least 500 teachers will attend this important meeting.

Local committees have completed arrangements for the proper entertainment of the visiting delegates and nothing has been left undone that can in any manner aid in making it a success.

Public Urged to Attend

All sessions are open to the public and everyone is urged to attend, particularly the general sessions.

The convention is scheduled to open Wednesday evening at 8 o'clock at the auditorium, Mayor J. S. Arneson's welcome to be responded to by Supt. G. H. Sanberg of Crookston. The principal address will be delivered by Edgar W. Everts, state director of physical and health education in Minnesota. Following the opening session a reception will be tendered the visiting teachers at the high school.

Thursday morning, from 8:30 to 9:45, the delegates will visit the schools of Thief River Falls, following which they will again convene at the auditorium at 10 o'clock. Two important addresses are scheduled for this program. Prof. F. B. Knight of the University of Iowa will speak on "Psychology of Misbehavior" and Dr. Fred Engelhardt of the Minnesota university will discuss "Relationship between the Teacher and the Educational Program."

Special Program Thursday Eve

On Thursday evening visiting delegates and others will be entertained with a program of folk songs and dances, a group of pupils from each of the local schools representing some foreign country. Students from high school represent Spain; pupils from the Central School, Russia; Northrop, England; Washington, Scotland; and Knox, Scandinavian countries. Maude L. Johnson, music instructor, and Clara Baumann, physical training, are directing the performance. A charge of twenty-five cents will be charged those who are not members of the

Pioneer Life of West is Shown in "Covered Wagon"

What is the most vital period in American history?

There may be a division of opinion between the Revolution, the Civil War, the winning of the west, and so on, but certainly the last named has had a tremendous bearing upon the development of the American nation.

The hardy pioneers who wrested from the earth the yellow metal, the sacrifices made by the homeseekers who braved the hardships and perils of the miles of prairie, mountain and river to gain the western promised land—these facts bulk large in the development of America.

Thus is the story of "The Covered Wagon," an epic of the great wagon trains, which in '48 crossed the plains to Oregon from Westport Landing, Mo.

This story will be shown at the Lyceum theatre for four days next week, beginning Monday.

Most of the picture was filmed in Utah and Nevada, the wilderness there making a vivid background. Five hundred covered "prairie schooners" were obtained and thousands of Indians and other characters empoyed.

SCHOOL COSTS IN PENNINGTON BEING REDUCED

Buildings and Sites, 68 Districts, Valued at Half Million, Annual Report Shows

MARKED DECREASE IN OUTSTANDING ORDERS

Cash Balance Doubled — Teachers Receive $121,559 During 1923-1924 Period

School buildings and sites in Pennington county are valued at more than half a million dollars, according to figures from the annual report of County Superintendent Ole R. Sande to the state department of education. The report, which has just been completed, is a compilation of reports furnished Mr. Sande's office by the clerks of the various districts and gives the total value of buildings and sites as $523,110, of which $407,200 is in the high and graded districts and $115,910 in the rural and semi-graded. The total valuation in 1923 was given as $456,100.

Indebtedness Remains Same

The aggregate bonded indebtedness of the county's schools is nearly half a million dollars or $435,630. Three high and graded districts, Thief River Falls, Goodridge and St. Hilaire, reported indebtedness of $286,000, $73,000 and $35,000, respectively, while the total for 31 rural districts is $41,630. District No. 3, in Hickory township, secured bonds for $2100 for the building of a school house during the past year. The total for the county remains about the same as for the previous year.

It is of interest to note that the aggregate sum of outstanding orders in the county's school districts has been reduced to practically nothing in the last six years. This item has dropped from $242,371 in 1919 to only $3,761 in 1924. Following are the figures obtained from the superintendent's office showing the gradual reduction:

1919	$242,371
1920	46,688
1921	40,919
1922	14,907
1923	6,697
1924	3,761

The tremendous total in 1919 is accounted for by the fact that teachers' wages made a sudden increase, while no provision in the form of extra tax money had been made by the district officials, Mr. Sande states. Nearly all the districts are now on a cash basis and in the majority of cases substantial cuts have been made in the special tax levy.

There are 72 school buildings in 68 districts of the county, the report shows, of which the 65 rural and one in the high and graded districts are frame buildings. Four in this city and one in each of the two villages are of brick construction.

The school districts had a total of $31,492.68 at the beginning of the year and closed the period with a cash balance of double that amount—$62,548.91—a substantial increase. The disbursements in 1924 totaled $190,130.81, compared to $213,595.07 in 1923. Teachers' wages in the county dropped from $130,631.25 in 1923 to $121,559.97 last year, indicating the economy practised thruout the county. Of the expenditures last year, besides the teachers' wages, $8,417.71 was paid out for general control; $21,893.96 for operation; $11,883.68 for bonds and interest; $5,512.70 for transportation of pupils; $5,249.82 for land, new buildings and equipment; $5,979.55 for text books and supplies; $1,110.56 for libraries, and $4,321.37 for other expenses.

The receipts included: Apportionment, $20,476.50; annual aids, $51,716.36; special taxes, $135,729.22; local mill taxes, $4,900.39; sale of books and supplies, $2,000.17; levy for interest and sinking fund, $255.98; sale of bonds and building fund, $2,100; other sources, $3,867.52.

Pupils are transported in six districts, 15 schools have less than 10 enrolled and 23 have between 10 and 20 pupils.

The Thief River Falls district has one frame and four brick buildings, which with the sites are valued at $315,200.

MANY PASTORS AT PRESBYTERY MEET

Banquet and Bible Talks Feature Gathering of N. W. Minnesota Section

Presbyterian pastors and laymen of Northwestern Minnesota gathered in Thief River Falls last Wednesday and Thursday, for the fall meeting of Adams Presbytery at which matters of Church interest were discussed and acted upon. The towns represented were Crookston, East Grand Forks, Bemidji, Blackduck, Kelliher, Tenstrike, Red Lake Falls, Plummer, Brooks, Euclid, Lancaster, Orleans, Middle River, Warroad and Hallock.

The Presbytery opened with a banquet served by the Men's club of the Presbyterian church of this city. The program of the banquet centered around Bible study for men. After a violin solo by Henry Arneson accompanied by Miss Eileen Arneson and a reading by Dorothy Swedenburg. Several speakers were given the floor, Supt. Ole R. Sande, president of the Men's club, presided, and an interesting series of talks was given. Dr. Hibbard of Crookston spoke on "The Bible for Understanding Men and their Problems," Rev. L. P. Warford of Bemidji on "The Bible for Inspiration in our Work," Dr. W. H. Evans of Red Lake Falls on "The Bible for Moral Instruction," Rev. J. M. Gray of Fisher on the "Bible for Spiritual Upbuilding." Several local men also gave talks on Men's Bible Study, namely, F. F. Haynes, J. S. Arneson, and Bert Umland, who are members of the Presbyterian class.

At the close of the banquet a public meeting was held in the auditorium of the church, at which time the retiring moderator, Rev. Chas. Wilcox of Euclid preached the sermon. Presbytery re-convened Thursday morning and spent the whole day in receiving reports and conducting church business. Rev. G. A. P. Austin of Warroad was elected moderator for the new term of six months.

The next meeting will be held in Bemidji some time in April.

Blind Musician Spends Week With Local Salvation Army

Envoy Jeffry, well known blind musician and singer, arrived Tuesday from Calumet, Mich., to spend a few days in this city with the local Salvation Army corps. Meetings will be held at the hall each night during his stay, beginning at 8 o'clock. Open air meetings at 7:30. Special meetings will be held Sunday at 11 a. m. and 8 p. m. with the Envoy taking the major part of the services. He leaves Monday of next week. The Envoy has been in this city on several occasions and many will be glad of the opportunity of hearing him.

SOCIAL ITEMS

Ruth Johnson and Oscar Smith Married Sept. 13th

The many local friends of Miss Ruth Johnson, school nurse in this city for three years, and Oscar R. Smith, commander of the local Legion post, were surprised this week to learn of their marriage which took place in St. Paul on Saturday, Sept. 13. Mr. Smith left the previous Thursday for St. Paul to attend the National Legion convention and the news of the marriage did not become generally known until he returned with his bride Monday. The ceremony was performed by Rev. Rogan of the St. Paul Cathedral in the presence of Miss Scanlan and Charles McDonald, both of St. Paul and friends of the groom.

Mr. and Mrs. Smith remained in the twin cities during the convention, after which they visited with the former's relatives at LeSeuer, Heron Lake and New Ulm. They are at present making their home in Thief River Falls.

The bride is a daughter of Mr. and Mrs. Henry Johnson of Washburn, Wis., and has completed a course in nurse's training at St. Luke's hospital, St. Paul, following which she attended Minnesota university. Before coming here in 1920 she was in the city of Crookston one year. During the past year she has been engaged in nursing in the Mayo clinic at Rochester.

Mr. Smith is a son of Mrs. A. G. Smith of New Ulm and came to Thief River Falls in 1919, having made this city his headquarters as oil inspector of district No. 61 since. He has been especially active in Legion affairs and was to a large degree responsible for this city landing the 1925 convention.

A large circle of friends join in extending congratulations and best wishes to the newly married couple.

Johnson-Swan

Miss Anna Johnson, daughter of Mr. and Mrs. Edwin Johnson, and Leonard Swan, son of Mr. and Mrs. John Swan, both residing east of Holt, were united in marriage at Holt Friday evening, Rev. B. M. Ordahl of the Norwegian Lutheran church officiating. The couple was attended by Miss Myrtle Johnson, sister of the bride, and Gilbert Gregerson, the latter barber at the O. K. shop here. The newlyweds will make their home on the John Swan farm.

W. C. T. U.

The report of the state convention of the Woman's Christian Temperance Union held at Worthington recently will be made to members of the local body Tuesday, Oct. 7th, at the home of Mrs. Andrew Craik, 622 Horace avenue, by Mrs. J. H. Hardisty. Other matters of importance will be taken up at that date and all members are asked to be present. Refreshments will be served by the hostess.

Trinity Y. P. L. L. Meets

The first meeting of the Trinity Young Peoples Luther league was held at the church parlors Thursday evening, entertained by the Messrs. Morris Bye, L. A. Thune, Lawrence Mickelson and George Mostue. Rev. S. L. Tallakson gave a talk and a reading by Miss Gladys Weeks, and piano solos by Miss Lenore Lieberman and Miss Mildred Engen were well received. The next meeting is scheduled for Thursday, next week.

Mrs. Hansina Johnson

Mrs. Hansina Johnson, wife of Peter Johnson of River Falls township, died at her home Tuesday, September 30, cause of death being cancer. She was born in Denmark, Aug. 28, 1862. Funeral services are being held this afternoon and interment made at the Swedish Lutheran cemetery at St. Hilaire.

D. of N. Will Entertain

Announcement is made by a committee of the Daughters of Norway, that on Tuesday evening, Oct. 7, the lodge will sponsor an entertainment to be given at the Sons of Norway hall, the program to start at 9 o'clock. Each member may invite a couple of their friends, who must present a written invitation at the door. Members of the Sons of Norway lodge with their wives are extended a special invitation by the Daughters. The business meeting will be called at 8 o'clock sharp and all members are requested to attend, as important matters will be discussed at this time.

Have You Rooms to Rent

The Northwestern Minnesota Educational association convenes in Thief River Falls for three days next week, Oct. 8, 9 and 10, and in order to accommodate the hundreds of visiting teachers during the convention it is necessary to obtain rooms in private homes. Anyone having rooms to rent are requested to notify Miss Lyda Batten, Central school building, phone 120. A uniform rate of $1.00 per person per night has been fixed by the Accommodations Committee.

Luncheon Oct. 6 to Open Season of Woman's Club

The Woman's club will open the fall season with a 1:30 p. m. luncheon at the Hotel Evelyn, Monday, Oct. 6, charges for which will be 75 cents per plate. Mrs. G. E. Davis of Warren, district president, will be a guest and will address the gathering. Among musical numbers arranged are selections by an orchestra and vocal solos by Mrs. O. F. Mellby. Everyone interested in club work is cordially invited to attend. Tickets may be procured from the secretary, Mrs. Lucile Johnson, phone 227, on or before Oct. 3.

M. E. Ladies Aid Elect

The Ladies Aid of the Methodist church held their annual election of officers at the home of Mrs. Walter Smith Thursday afternoon. Mrs. J. T. Bowers succeeds Mrs. W. H. Wikel as president, the other officers elected being Mrs. W. K. Knight, first vice president, by re-election; Mrs. J. A. Wassgren, second vice president; Mrs. George Randall, secretary and Mrs. F. Christie, treasurer, re-elected. A number of committees are also being appointed but are not complete as yet.

Cafeteria Lunch Oct. 9

Cafeteria lunch at Presbyterian church basement Oct. 9, beginning at 11 a. m. Following is the menu: Sandwiches, baked beans, escalloped potatoes with meat balls, pickled beets, salad, jell, cake and coffee. The charge will be 35 cents per lunch.

For Mrs. Holzknecht

Mrs. Norbert Holzknecht was honored guest Monday evening when a number of her friends tendered her a surprise by gathering at her home to spend the evening. A gift was presented to Mrs. Holzknecht in token of esteem.

Ladies Aid Dinner

The Presbyterian Ladies will serve dinner at the church Thursday, Oct. 9th, commencing at 5. Menu: Roast pork, gravy, mashed potatoes, cranberry sauce, cabbage salad, buttered beets, white bread, brown bread, apple, cheese, pickles, jelly and coffee. Fifty cents the plate. O2c

For Mrs. Arneson

Mrs. Leonard DuChamp entertained about twenty guests at her home Tuesday evening in compliment to her sister, Mrs. Harold Arneson in the form of a shower. The hours were spent at cards and refreshments served at 11 o'clock.

Committee Meets

The committee of arrangements of the losing side of the recent membership contest of the Girls' Community club met at the home of Miss Beatrice Erickson Monday evening to plan the party for Monday night. After the business was disposed of the hours were spent in a social way and refreshments served. Twenty-five were present.

Trinity Aid Bazaar

The Ladies Aid of the Trinity Lutheran church will hold their annual bazaar at the church parlors Thursday, Oct. 9. A large display of unusually fine fancy work is being offered and two booths of fancy work and home baking, mostly Norwegian recipes, will be arranged and also a fish pond for the children. A 25 cent lunch will be served thruout the afternoon beginning at three o'clock.

Surprised by Friends

Mrs. Norbert Holzknecht was pleasantly surprised at her home on Main avenue Monday evening by a number of friends, who presented her with a gift as a token of their esteem. Refreshments were served and a social time enjoyed. The following took part in the affair: Mrs. Chas. Warner, Mrs. Herbert Hanson, Misses Lulu Cook, Alma Thune, Sibyl McGinn, Inga Oftedahl and Christine Clausen.

SIX LEADING POSITIONS

Mjoen, Christiansen, McLean, Huot and Bodahl were placed with leading offices. You can get a position if you take a course at the A.B.C. Take the first step towards success by sending to H. H. Anker, Grand Forks, N. Dak., for a catalog. 35c

FEW VICTIMS OF CUPID'S CAPERS DURING SEPTEMBER

Viewing the records of Clerk of Court Adolf Eklund causes one to wonder if September in Pennington county was too cold for Cupid or if he is still working on the Q. T., and securing the credentials for his activities in other cities, states or countries. During the month of September this year, only one license for marriage was obtained at the office of the clerk of court. Last year seven were issued in September, seven in that month of 1922 and eleven in 1921. To date there have been only 40 marriage licenses issued this year. By the first of October last year there were 68, and 65 in 1922.

Perhaps Little Dan is waiting for the outcome of the presidential election.

Red Cross Directors Meet

Directors of the Red Cross chapter in Pennington county met last Thursday evening to consider plans for continuing the activities of the organization. It was decided to keep the chapter intact, as it has some funds on hand but at present not available. Those present at the meeting are: Mrs. L. G. Larsen, Mrs. J. N. Nesse, Rev. E. H. Kreidt, T. P. Anderson and Postmaster Daniel Shaw. Other members of the board are Mrs. A. Craik, Mrs. H. F. Froehlich, Dr. H. W. Froehlich and John Bratrud. T. P. Anderson was named to represent the chapter at a meeting of the Northwest Minnesota District in Crookston Monday but was unable to attend. National Red Cross workers were in attendance at the Crookston meeting.

Magnus to Campaign in Section

Senator Magnus Johnson, who addressed Pennington county voters at the county fair recently, will speak at various points thruout this section next week, according to announcement received here. He is scheduled to be at Fosston Tuesday forenoon, Erskine Tuesday afternoon, Red Lake Falls Tuesday evening, Plummer Wednesday forenoon at 11, Warren Wednesday afternoon at 2, and Crookston on Wednesday evening. He will speak not only in behalf of his own candidacy for reelection but for the entire state Farmer-Labor ticket and La Follette-Wheeler ticket.

Festive Service is Impressive

The Harvest Festival service at the Methodist church Sunday was a very impressive one according to those who attended. The church auditorium was decorated with grain and forage crops which gave a decidedly realistic effect to the service. The sermon was also a very effective one and the service well attended.

No Change in Routes
